If any Unit Owner fails or refuses to make any payment of his portion of the Common Expense when due, in whole or in part, that amount constitutes a lien on the interest of the Lot Owner in the property, and upon the recording of a notice of lien upon the Lot Owner's interest in the property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Unit in favor of any assessing unit or special improvement district; and (2) encumbrances on the interest of the unit owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.
15. Late Fees and Default Interest. Any Assessment delinquent for a period of more than ten (10) days shall incur a late charge of Twenty Five and No/100th Dollars (\$25.00) of Five percent (5%) of the delinquent amount, whichever is greater. Interest at the rate of One and One-half (1.5%) per month shall accrue on the outstanding balance of all delinquent accounts.
16. Remedies. If any Assessments remain unpaid, the Board of Trustees, may elect to institute a lawsuit to obtain a judgment or foreclose the lien, or both..
17. Duty to Pay Independent. The duty to pay Assessments is independent of the duty of the Association to maintain the Common Elements.
18. Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Board of Trustees. The sale of foreclosure shall be conducted in the same manner as foreclosure in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's Assessments, and reasonable rental for the Lot during the pendency of the foreclosure action. The Board of Trustees in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Association may bid for the Lot at foreclosure or other sale and hold, lease, mortgage, or convey

the same. If the Board of trustees elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Lot or otherwise accepting conveyance of an interest in the Property, hereby irrevocably appoints the attorney of the Association (provided he is a member of the Utah State Bar) as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of the right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

19. Indemnity. The Association and each Lot owner, by acceptance of a deed to a Lot or other document of conveyance, agrees to and shall indemnify every officer of the Association and Member of the Board of Trustees against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Board in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then said Board of Directors) to which he may be a party by reason of being or having been an officer of the Association or Member of the said Board. The officers and Members of Board of Trustees shall not be liable for any mistake of judgement, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct of bad faith. The officers of the Association and Members of said Board shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of said Association (except to the extent that such officers or Members of said Board may also be Members of said Association), and said Association shall indemnify and forever hold each such officer and Member of the said Board of Trustees free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or Member of the said Board, or former officer or Member of the said Board, may be entitled.

#### ARTICLE VIII. INSURANCE

1. Insurance. The Association shall if reasonably available purchase and maintain adequate property insurance, public liability insurance, directors and officers insurance, and a fidelity bond.
2. Deductible. The deductible on a claim made against the property insurance policy of the Association shall be paid for by the party responsible for the loss covered by the claim. If multiple parties are responsible then each shall pay his proportionate share and if no party or parties are clearly responsible, then the deductible shall be paid by said Association.
3. Individual Insurance. Each Owner and Resident shall purchase and maintain adequate liability and property insurance on his Lot, residence, personal property and contents; provided, however, no Owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Association maintains.
4. Priority of Coverage. In the event of duplicate coverage of a claim or loss, the Owner's insurance shall be primary and the insurance of the Association shall be secondary.

#### ARTICLE IX. DURATION, ENFORCEMENT AND AMENDMENT

1. Duration of Restrictions. These covenants are to run with the Land and shall be binding upon all Lot Owners and all persons claiming any right, title or interest in or to the Property by, through or under them for a period of forty (40) years from the date this Declaration is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by at least a majority of the then Lot Owners has been recorded, agreeing to change said covenants in whole or in part.
2. Enforcement. A Lot Owner or the Board of Trustees, shall be entitled to prosecute any proceeding, at law or equity, against any person, firm, entity, partnership, limited liability company, corporation or party violating, attempting or threatening to violate any of the terms, covenants, conditions and restrictions contained herein or interfere with the administration of the Project, and shall be entitled to recover from the defaulting party all reasonable attorney's fees and costs incurred thereby, regardless of whether a lawsuit is filed. Failure by the Board of Trustee or any Lot Owner to enforce any said covenants or restrictions shall in no event be deemed a waiver of the right to do so thereafter,
3. Amendment. These Declarations shall only be amended upon a vote of a majority of the Lot Owners following a meeting duly called and held for such purpose. Notwithstanding, during the period of time while the Declarant owns any Lot in the Tract, the Declarant must vote in favor of any amendment of these Declarations for the same to be effective. Furthermore, until such time as the Declarant has sold fifty percent of the Lots within the Tract to third party purchasers, the Declarant shall have the unilateral right to amend this Declaration without any vote of the Members of the Association and such amendment shall be binding on all the Lots and the Tract. The provisions of this Paragraph shall not be amended without the express written consent of the Declarant.

3. Binding Effect of Covenants. All Lot Owners shall, at all times, obey all such rules, covenants, conditions and restrictions, and see that the same are faithfully observed by those persons over whom they have or exercise control and supervision. MEMBERS**

3.01 **Annual Meetings.** The annual meeting of Members shall be held each year, the specific date, time, and place to be fixed by the Board of Trustees, beginning with the year following the year in which the Articles of Incorporation are filed, for the purpose of electing Trustees and transacting such other business as may come before the meeting. If the election of Trustees shall not be held on the day designated herein for the annual meeting of the Members, or at any adjournment thereof, the Board of Trustees shall cause the election to be held at a special meeting of the Members to be convened as soon thereafter as may be convenient. The Board of Trustees may from time to time by resolution change the date and time for the annual meeting of the Members. Unless otherwise prohibited by Law, the Board of Trustees shall be permitted to dispense altogether with or otherwise limit the frequency of holding an annual meeting of the Members during any period of time where the Association is controlled by the Declarant.

3.02 **Special Meetings.** Special meetings of the Members may be called by the Board of Trustees, the President, the Declarant, or upon the written request of Members holding not less than fifty percent (50%) of the voting power of the Members of Association, such written request to state the purpose or purposes of the meeting and to be delivered to the Board of Trustees or the President.

3.03 **Place of Meetings.** The Board of Trustees may designate any place in Salt Lake County or Tooele County, State of Utah as the place of meeting for any annual meeting or for any special meeting called by the Board. A waiver of notice signed by all of the Members may designate any place, either within or without the

State of Utah, as the place for holding such meeting. If no designation is made, or if a special meeting is otherwise called, the place of the meeting shall be at the principal office of the Association.

3.04 **Notice of Meetings.** The Board of Trustees shall cause written or printed notice of the time, place, and purposes of all meetings of the Members (whether annual or special) to be delivered, not more than sixty (60) nor less than thirty (30) days prior to the meeting, to each Member of record entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the U.S. mail addressed to the Member at his registered address, with first-class postage thereon prepaid. Each Member shall register with the Association such Member's current mailing address for purposes of notice hereunder. Such registered address may be changed from time to time by notice in writing to the Association. If no address is registered with the Association, a Member's Lot address shall be deemed to be his registered address for purposes of notice hereunder.

3.05 **Members of Record.** Upon purchasing a Lot in the Project, each Owner shall promptly furnish to the Association a certified copy of the recorded instrument by which ownership of such Lot has been vested in such Owner, which copy shall be maintained in the records of the Association. For the purpose of determining Members entitled to notice of or to vote at any meeting of the Members, or any adjournment thereof, the Board of Trustees may designate a record date, which shall not be more than sixty (60) nor less than thirty (30) days prior to the meeting, for determining Members entitled to notice of or to vote at any meeting of the Members. If no record date is designated, the date on which notice of the meeting is mailed shall be deemed to be the record date for determining Members entitled to notice of or to vote at the meeting. The persons or entities appearing in the records of the Association on such record date as the owners of record of Lots in the Project shall be deemed to be the Members of record entitled to notice of and to vote at the meeting of the Members.

3.06 **Quorum.** At any meeting of the Members duly called and noticed, the Members and proxy holders present shall constitute a quorum for the transaction of business unless such other requirement for the constitution of a quorum is set forth in the Declaration.

3.07 **Proxies.** At each meeting of the Members, each Member entitled to vote shall be entitled to vote in person or by proxy; provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been executed by the Member himself or by his attorney thereunto duly authorized in writing. If a membership is jointly held, the instrument authorizing a proxy to act must have been executed in writing. Such instrument authorizing a proxy to act shall be delivered at the beginning of the meeting to the Secretary of the Association or to such other officer or person who may be acting as secretary of the meeting. The secretary of the meeting shall enter a record of all such proxies in the minutes of the meeting.

3.08 **Votes.** With respect to each matter submitted to a vote of the Members, each Member entitled to vote at the meeting shall have the right to cast, in person or by proxy, the number of votes appertaining to the Lot of such Member, as set forth in the Declaration. The affirmative vote of a majority of the votes entitled to be cast by the Members present or represented by proxy at a meeting at which a quorum was initially present shall be necessary for the adoption of any matter voted on by the Members, unless a greater proportion is required by the Articles of Incorporation, these Bylaws, the Declaration, or Utah law. The election of Trustees shall be by ballot. If a membership is jointly held, all or any holders thereof may attend each meeting of the Members, but such holders must act unanimously to cast the votes relating to their joint Membership or as is otherwise set forth in the Declaration.

3.09 **Waiver of Irregularities.** All inaccuracies and irregularities in calls or notices of meetings and in the manner of voting form of proxies, and method of ascertaining Members present shall be deemed waived if no objection thereto is made before or at the meeting.

3.10 **Informal Action by Members.** Any action that is required or permitted to be taken at a meeting of the Members may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by all of the Members entitled to vote with respect to the subject matter thereof.

**ARTICLE IV  
BOARD OF TRUSTEES**

4.01 **General Powers.** The property, affairs, and business of the Association shall be managed by its Board of Trustees. The Board of Trustees may exercise all of the powers of the Association, whether derived from law or the Articles of Incorporation, except such powers as are by law, by the Articles of Incorporation, by these Bylaws, or by the Declaration vested solely in the Members.

4.02 **Number, Tenure and Qualifications.** The number of Trustees of the Association shall be three (3). The initial Board of Trustees specified in the Articles of Incorporation, or their successors appointed by Declarant, shall serve until Declarant turns over to the Members, as provided in the Declaration, the responsibility for electing Trustees. At the first annual meeting of the Members held thereafter, the Members shall elect three (3) Trustees to serve for the following respective terms: One (1) Trustee to serve for a term of Three (3) years; one (1) Trustee to serve for a term of Two (2) years; and one (1) Trustee to serve for a term of One (1) year. At each annual meeting thereafter, the Members shall elect for a term of Three (3) years one Trustee to fill the vacancy created by the expiring term of a Trustee. Trustees may, but need not be, Members of the Association. Each Trustee shall hold office until his successor shall have been elected or appointed and qualified.

4.03 **Regular Meetings.** The regular annual meeting of the Board of Trustees shall occur annually and the Board of Trustees may provide by the resolutions adopted thereat the time and place for holding of the regular annual meeting without notice other than such resolution.

4.04 **Special Meetings.** Special meetings of the Board of Trustees may be called by or at the request of any Trustee. The person or persons authorized to call special meetings of the Board of Trustees may fix any place, within or without the State of Utah, as the place for holding any special meeting of the Board of Trustees called by such person or persons. Notice of any special meeting shall be given at least five (5) days prior thereto by written notice delivered personally, or mailed to each Trustee at his registered address, or by Telegram. If mailed, such notice shall be deemed to be delivered when deposited in the U. S. mail so addressed, with first-class postage thereon prepaid. If notice is given by telegram, such notice shall be deemed to have been delivered when the telegram is delivered to the telegraph company. Any Trustee may waive notice of a meeting.

4.05 **Quorum and Manner of Acting.** A majority of the then authorized number of Trustees shall constitute a quorum for the transaction of business at any meeting of the Board of Trustees. The act of a majority of the Trustees present at any meeting at which a quorum is present shall be the act of the Board of Trustees. The Trustees shall act only as a Board, and individual Trustees shall have no powers as such.

4.06 **Compensation.** No Trustee shall receive compensation for any services that he may render to the Association as a Trustee; provided, however, that a Trustee may be reimbursed for expenses incurred in performance of his duties as a Trustee to the extent such expenses are approved by the Board of Trustees and (except as otherwise provided in these Bylaws) may be compensated for services rendered to the Association other than in his capacity as a Trustee.

4.07 **Resignation and Removal.** A Trustee may resign at any time by delivering a written resignation to either the President or the Board of Trustees. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any Trustee, except a Trustee appointed by Declarant, may be removed at any time, for or without cause, by the affirmative vote of seventy-five percent (75%) of the voting power of the Members of the Association at a special meeting of the Members duly called for such purpose. A Trustee appointed by Declarant may not be removed without Declarant's written consent unless otherwise required by law.

4.08 **Vacancies and Newly Created Trusteeships.** If vacancies shall occur in the Board of Trustees by reason of the death, resignation or disqualification of a Trustee (other than a Trustee appointed by

Declarant), or if the authorized number of Trustees shall be increased, the Trustees then in office shall continue to act, and such vacancies or newly created Trusteeships shall be filled by a vote of the Trustees then in office, though less than a quorum, in any way approved by such Trustees at the meeting. Any vacancy in the Board of Trustees occurring by reason of removal of a Trustee by the Members may be filled by election at the meeting at which such Trustee is removed. If vacancies shall occur in the Board of Trustees by reason of death, resignation or removal of a Trustee appointed by Declarant, such vacancies shall be filled by appointments to be made by Declarant. Any Trustee elected or appointed hereunder to fill a vacancy shall serve for the unexpired term of his predecessor or for the term of the newly created Trusteeship, as the case may be. Until such time as Declarant transfers to a third party its last Lot in the Project, Declarant shall be permitted to, but not obligated to, fill any vacancy that occurs in the Board of Trustees.

4.09 **Informal Action by Trustees.** Any action that is required or permitted to be taken at a meeting of the Board of Trustees, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Trustees.

## **ARTICLE V OFFICERS**

5.01 **Officers.** The officers of the Association shall be a President, Vice President, Secretary, Treasurer and such other officers as may from time to time be appointed by the Board of Trustees.

5.02 **Election, Tenure and Qualifications.** The officers of the Association shall be chosen by the Board of Trustees annually at the regular annual meeting of the Board of Trustees. In the event of failure to choose officers at such regular annual meeting of the Board of Trustees, officers may be chosen at any regular or special meeting of the Board of Trustees. Each such officer (whether chosen at a regular annual meeting of the Board of Trustees or otherwise) shall hold his office until the next ensuing regular annual meeting of the Board of Trustees and until his successor shall have been chosen and qualified, or until his death, or until his resignation, disqualification, or removal in the manner provided in these Bylaws, whichever first occurs. Any one person may hold any two or more of such offices, except that the President may not also be the Secretary. No person holding two or more offices shall act in or execute any instrument in the capacity of more than one office. The President, Secretary and Treasurer shall be and remain Trustees of the Association during the entire term of their respective offices. No other officers need be a Trustee.

5.03 **Subordinate Officers.** The Board of Trustees may from time to time appoint such other officers or agents as it may deem advisable, each of whom shall have such title, hold office for such period, have such authority, and perform such duties as the Board of Trustees may from time to time determine. The Board of Trustees may from time to time delegate to any officer or agent the power to appoint any such subordinate officers or agents and to prescribe their respective titles, terms of office, authorities, and duties. Subordinate officers need not be Members or Trustees of the Association.

5.04 **Resignation and Removal.** Any officer may resign at any time by delivering a written resignation to the President or the Board of Trustees. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any officer may be removed by the Board of Trustees at any time, for or without cause.

5.05 **Vacancies and Newly Created Offices.** If any vacancy shall occur in any office by reason of death, resignation, removal, disqualification, or any other cause, or if a new office shall be created, such vacancies or newly created offices may be filled by the Board of Trustees at any regular or special meeting.

5.06 **The President.** The President shall be the chief executive officer of the Association and shall exercise general supervision over its property and affairs. The President shall preside at meetings of the Board of Trustees and at meetings of the Members. He shall sign on behalf of the Association all conveyances, mortgages, documents, and contracts, and shall do and perform all other acts and things that the Board of Trustees may require

of him. The president shall be invited to attend meetings of each committee, but his attendance at committee meetings shall be optional and within his discretion.

5.07 **The Vice President.** The Vice President shall act in the place and stead of the President in the event of the President's absence or inability or refusal to act, and shall exercise and discharge such other duties as may be required of him by the Board of Trustees.

5.08 **The Secretary.** The Secretary shall keep the minutes of the Association and shall maintain such books and records as these Bylaws, the Declaration, or any resolution of the Board of Trustees may require him to keep. The Secretary shall also act in the place and stead of the President in the event of the President's and the Vice President's absence or inability or refusal to act. He shall be the custodian of the seal of the Association, if any, and shall affix such seal, if any, to all papers and instruments requiring the same. He shall perform such other duties as the Board of Trustees may require of him.

5.09 **The Treasurer.** The Treasurer shall have the custody and control of the funds of the Association, subject to the action of the Board of Trustees, and shall, when requested by the President to do so, report the state of the finances of the Association at each annual meeting of the Members and at any meeting of the Board of Trustees. He shall perform such other duties as the Board of Trustees may require of him.

5.10 **Compensation.** No officer shall receive compensation for any services that he may render to the Association as an officer; provided, however, that an officer may be reimbursed for expenses incurred in performance of his duties as an officer to the extent such expenses are approved by the Board of Trustees and (except as otherwise provided in these Bylaws) may be compensated for services rendered to the Association other than in his capacity as an officer.

## ARTICLE VI COMMITTEES

6.01 **Designation of Committees.** The Board of Trustees may from time to time by resolution designate such committees as it may deem appropriate in carrying out its duties, responsibilities, functions, and powers. The Declaration may also designate specific committees to carry out the work of the Association. The membership of each such committee designated hereunder shall include at least one (1) Trustee or shall otherwise be comprised of membership of the Association as set forth in the Declaration. Notwithstanding, a committee with only an advisory role to the Board of Trustees need not have any Trustee as a member in order to function, except that it can take no action to bind the Association. No committee member shall receive compensation for services that he may render to the Association as a committee member unless provided for in the Declaration; provided, however, that a committee member may be reimbursed for expenses incurred in performance of his duties as a committee member to the extent that such expenses are approved by the Board of Trustees and (except as otherwise provided in these Bylaws) may be compensated for services rendered to the Association other than in his capacity as a committee member.

6.02 **Proceedings of Committees.** Each committee designated hereunder by the Board of Trustees may appoint its own presiding and recording officers and may meet at such places and times and upon such notice as such committee may from time to time determine or as is set forth in the Declaration. Each such committee shall keep a record of its proceedings and shall regularly report such proceedings to the Board of Trustees.

6.03 **Quorum and Manner of Action.** At each meeting of any committee designated hereunder by the Board of Trustees, the presence of members constituting at least a majority of the authorized membership of such committee (but in no event less than two members) shall constitute a quorum for the transaction of business, and the act of a majority of the members present at any meeting at which a quorum is present shall be the act of such committee unless otherwise set forth in the Declaration. The members of any committee designated by

the Board of Trustees hereunder shall act only as a committee, and the individual members thereof shall have no powers as such unless otherwise set forth in the Declaration or these Bylaws.

6.04 **Resignation and Removal.** Any member of any committee designated hereunder by the Board of Trustees may resign at any time by delivering a written resignation to the President, the Board of Trustees, or the presiding officer of the committee of which he is a member. Unless otherwise specified therein, such resignation shall take effect upon delivery. The Board of Trustees may at any time, for or without cause, remove any member of any committee designated by it hereunder.

6.05 **Vacancies.** If any vacancy shall occur in any committee designated by the Board of Trustees hereunder, due to disqualification, death, resignation, removal, or otherwise, the remaining members shall, until the filling of such vacancy, constitute the then total authorized membership of the committee and, provided that two or more members are remaining, may continue to act. Such vacancy may be filled at any meeting of the Board of Trustees.

## ARTICLE VII INDEMNIFICATION

7.01 **Indemnification: Third Party Actions.** The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a Trustee or officer of the Association, or is or was serving at the request of the Association as a director, trustee, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by an adverse judgment, order, settlement, or conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Association and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

7.02 **Indemnification: Association Actions.** The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a Trustee or officer of the Association, or is or was serving at the request of the Association as a director, trustee, officer, employee, or agent of another corporation, partnership, joint venture, trust, or other enterprise against expenses (including attorney's fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association and except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or willful misconduct in the performance of his duty to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

7.03 **Determinations.** To the extent that a person has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Sections 7.01 or 7.02 hereof, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by him in connection therewith. Any other indemnification under Sections 7.01 or 7.02 hereof shall be made by the Association only upon a determination that indemnification of the person is proper in the

circumstances because he has met the applicable standard of conduct set forth respectively in Sections 7.01 or 7.02 hereof. Such determination shall be made either (i) by the Board of Trustees by a majority vote of disinterested Trustees or (ii) by independent legal counsel in a written opinion, or (iii) by the Members by the affirmative vote of at least fifty percent (50%) of the voting power of the Members of the Association at any meeting duly called for such purpose.

7.04 **Advances.** Expenses incurred in defending a civil or criminal action, suit, or proceeding as contemplated in this Article may be paid by the Association in advance of the final disposition of such action, suit, or proceeding upon a majority vote of a quorum of the Board of Trustees and upon receipt of an undertaking by or on behalf of the person to repay such amount or amounts unless it ultimately be determined that he is entitled to be indemnified by the Association as authorized by this Article or otherwise.

7.05 **Scope of Indemnification.** The indemnification provided for by this Article shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any provision in the Association's Articles of Incorporation, Bylaws, agreements, vote of disinterested Members or Trustees, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office. The indemnification authorized by this Article shall apply to all present and future Trustees, officers, employees, and agents of the Association and shall continue as to such persons who cease to be Trustees, officers, employees, or agents of the Association and shall inure to the benefit of the heirs and personal representatives of all such persons and shall be in addition to all other rights to which such persons may be entitled as a matter of law.

7.06 **Insurance.** The Association may purchase and maintain insurance on behalf of any person who was or is a Trustee, officer, employee, or agent or was or is serving at the request of the Association as a trustee, director, officer, employee, or agent of another corporation, entity, or enterprise (whether for profit or not for profit).
