

## NOTICE OF PLANNING DEPARTMENT APPROVAL FOR BOUNDARY LINE ADJUSTMENT

This notice is regarding a boundary exchange between lots 562 (OTL-0562-0-015-046) and 563 (OTL-0563-0-015-046) of the Timber Lakes subdivision, Plat 5, in Wasatch County, Utah.

The properties are exchanging 3,759 square feet in an attempt to make legal three structures intended to be built on subdivision lot 562. The new boundary appears to correct a setback violation while maintaining the original acreage and frontage of the parcels. I have not identified any concerns with the proposed boundary adjustment to lots 562 and 563 as depicted in the attached record of survey.

See the attached copy of the record of survey which depicts the adjusted boundary and new legal descriptions.
