GRANT OF EASEMENT FOR ACCESS POINT #2

HOGAN BROTHERS, INC., a Utah corporation **Grantor**, hereby grants, conveys and warrants to **SOUTHSIDE GRAVEL, LLC**, a Utah limited liability company, Grantee, for Ten Dollars and other good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, an access easement and right-of-way from Silver Avenue, a public street located in Tooele County, state of Utah, to the parcel of real property Southside Gravel, LLC is acquiring at this same time and part of the same transaction from South Rim, LC, a Utah limited liability company, described on Exhibit 2, attached with Tax ID No. 6-23-26. Hogan Brothers, Inc, hereby warrants that this Grant of Easement will provide access from Silver Avenue to the real property described on Exhibit 2, for ingress and egress, including the removal of sand and gravel on a commercial basis and other uses as set forth below. The scope of this easement includes, but is not limited to the use, surveying, construction, repair, renewal, modification, reconstruction, maintenance, inspection, replacement or removal of a roadway to upon Access Point #2 (defined below), together with reasonable rights of ingress and egress over all of Access Point #2 (defined below) necessary or convenient for the full and complete use of the access easement hereby granted, and for the direct benefit of the real property described on Exhibit 2 and all rights and privileges incident thereto, including the right to cut and remove trees, brush, overhanging branches, and other obstructions which may unreasonably interfere with the Grantee's use of the access easement, the right to reasonably place, remove, and replace piping, culverts, fences, electrical and water lines, sewer lines, telephone and computer cables or other lines or pipes, utilities below or above the surface, , subject, however, to the obligation to repair and replace all such improvements, including landscaping on the surface of the easement. The access easement is more particularly described as the following property in Tooele County, Utah:

Access Point #2 is specifically described in Exhibit 1 attached hereto and by reference made a part hereof.

Access Point #2 (defined above) is placed situated upon a portion of the Tooele County Parcel No. 6-23-27. The access easement shall be binding on the Grantor and Grantee and their respective successors and assigns and shall run with the land in perpetuity and is for the benefit of the real property described in Exhibit 2, attached.

Grantee shall restore the surface of the access easement and right-of-way (including the removal of any debris) upon constructing, repairing, maintaining, or replacing a roadway that runs through Access Point #2 (defined above), so that the same will be left in a slightly condition and restored to, as near as practicable, the condition of the surface and any constructed improvements thereon as existed prior to such work.

The location of the Access Point #2 easement may be changed from time-to-time as reasonably agreed upon between the parties, and the cost of the change of an access easement shall be borne by the party requesting its relocation.

RESERVING unto Grantor, the right to place other utilities within the easement, including sewer, surface and storm drains, electrical lines, gas pipelines, water pipelines, cable lines, or other utility

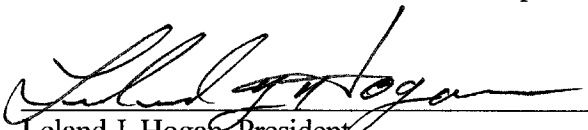

lines, to landscape the surface of the Easement, to place footings for construction of Grantor's improvements within the Easement, to use the Easement for parking or temporary storage of materials of Grantor, to place cement pads on the easement property as required for Grantor's building requirements or needs, and to otherwise use the easement property so long as such use does not unreasonably interfere with the use of the easement granted to Grantee. However Grantor shall not in any manner for any length of time restrict or limit Grantee's use of this easement as provided for herein, and in particular interfere with or restrict vehicular traffic including but not limited to the removal of sand, gravel and other minerals. Grantee shall repair and replace any such improvement damaged by Grantee in its use of the easement.

Grantor and Grantee understand, agree, and acknowledge that should Tooele County or any other governmental entity cause the intent of this easement to be rendered useless or impractical then Grantor and Grantee shall meet and confer to accommodate a reasonable replacement access easement.

WITNESS the hand of said Grantor this 5 day of April, 2016.
