professional records or accounts therein; or (c) handling his personal, business or professional telephone calls or correspondence therefrom. The only building structure permitted to be erected, placed or permitted to be located on any lot within the subdivision shall be a detached single family dwelling not to exceed two stories in height, with a car port. The height of the car port shall be limited to the height of the roof line of the house and shall not in any event exceed ten (10) feet. All construction shall be of new materials, except that used brick may be used so long as it conforms with the building and subdivision ordinances of the City of St. George, Utah. All structures shall be constructed in accordance with the zoning and building ordinances of the City of St. George, Utah, in effect from time to time. "Family" is defined to mean persons related by blood or marriage by legal adoption, or by operation of law. The construction of any building on any portion of the Property shall be continuously and diligently pursued from and after the commencement of such construction, and in any event shall be substantial completed within nine (3) months after such commencement.

- LOT SIZE: Lot sizes as described on the recorded plat of subdivision are considered minimum lots size and no person shall further subdivide any lot other than as shown on the recorded plat of said subdivision.
- MINIMUM AREA: The minimum total square footage of living area on the first level above ground and located within the area of a foundation for any residential dwelling constructed on any lot within the subdivision, exclusive of porches, balconies, patios and carports, shall be not less than 900 square feet. In the case of split-level homes, the ground level shall contain all contiguous living areas not directly above another principal area of living space and vertically separated by not more than six (6) feet(
- ADDITION, CHANGE OR ALTERATION; No addition, change or alteration, or in the event of a casualty loss, any restoration to be made to the exterior portion of any residence, shall be made only when the plans and specifications showing the nature, kind shape, height, materials, and location of the same, and the grading plan and landscape plan therefore, shall have been submitted to and approved in writing as provided in Article II below) as to the harmony of exterior design and location in relation to surrounding structures and topography and finish grade elevations by the Architectural Control Committee. Further, no fence or wall shall be erected, placed or altered upon any lot nearer to any street than the minimum building set back line unless similarly approved.
- BUILDING LOCATION No building shall be located any lot nearer to the from lot line than twenty-five (25) feet therefrom; nor nearer than ten (10) feet to the rear lot line; nor nearer than ten (10) feet to a side lot line. All of the foregoing measurements shall be made from the applicable lot line to the foundation, porch or other extension of such building, whichever is nearer to such lot line. For the purpose of this covenant, eaves and steps shall not be considered as part of a building for the purpose of determining such distance, provided, however, that this shall not be construed to permit any portion of a building, including eaves or steps to encreach upon another lot.

- 6. DRIVEWAYS Each driveway on a lot which leads to the carport on said lot shall be constructed out of cement, asphalt or brick. Any other driveway which may be constructed on any lot may consist of cinders, sand, gravel, or dirt, and must be approved by the Architectural Control Committee. Driveways of any other materials must be approved by the Architectural Control Committee. The driveway on each lot shall be in a color which blends with the exterior of the structure located on such lot.
- 7. EASEMENTS: Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements, no structure, planting of other material shall be placed or permitted to remain which may damage or interfere with the installation, maintenance or replacement of utilities, or which may change the direction of flow of drainage channels in the easements. The easement area of each lot and all improvements in it shall be maintained continuously by the owner of the lot, except for those improvements for which a public authority or utility company is responsible. The titleholder of each lot shall from time to time grant rights over, across, on, under and upon these easements for such additional uses and services as may be provided from time to time by a public authority or private utility company.
- 8. TEMPORARY OR OTHER STRUCTURES: No structure of a temporary nature, and no trailer, bus, basement, outhouse, tent, shack, or other outbuilding shall be used at any time as a residence either temporarily or permanently, nor shall any such structures be erected or placed on said property at any time. No old or second-hand structures shall be moved onto any of said lots, it being the intention hereof that all dwellings and other buildings to be erected on said lots, or within said subdivision, shall be new construction of good quality, workmanship, and materials.
- 9. NUISANCES No noxious or offensive activity shall be carried on upon any lot, part or portion of the Property nor shall anything be done thereon which may be or may become an annoyance to the neighborhood, or which shall in any way interfere with the quiet enjoyment of any other lot wher.
- or displayed upon or about any of the Property. No sign of any kind, except signs used by the Developer or by a builder to advertise the Property during a development, construction or sales period, shall be displayed to the public view on any lot, part or portion of the Property without the prior written approval of the Architectural Control Committee and said Committee shall have the right to remove or cause the removal of any such billboard or any such sign erected and displayed without said prior approval.
- operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, part of portion of the Property, nor shall any oil well, gas well, tank tunnel, mineral excavation or shaft be permitted upon or in any such lot or portion of the Property.
- 12. LIVESTOCK, POULTRY, AGRICULTURE: No animals, livestock, or poultry of any kind shall be raised, bred, or keep on any lot, part or portion of the

a residence constructed on a lot, provided that they are not kept, bred, or maintained for any commercial purpose. Such animals as are permitted shall be strictly controlled and kept pursuant to all applicable laws and ordinances.

- or portion of the Property, shall be used or maintained as dumping ground for rubbish, rubble, trash, garbage, animal waste or other waste. Such trash, rubbish, rubble, trash, papers, junk or debris shall be burned upon the Property except that trash may be burned in accordance with applicable laws and ordinances inside homes that are property equipped with inside incinerator units.
- 14. WEEDS: Noxious plants and weeds must be controlled, and the owner of each lot is responsible for removing them from the lot. In the event of a failure to maintain the lot according to this paragraph (whether or not a residence is in place) the Architectural Control Committee shall have the right to require the same to be cleaned as provided elsewhere herein.
- 15. BUILDING MATERIALS: No lot, part or portion of the Property shall be used or maintained as a storage for building materials except during a construction phase. Once a dwelling is occupied or made available for sale all building materials shall be removed or stored inside such dwelling.
- 16 WATER SUPPLY: No individual water supply system shall be used or permitted to be used on any lot, part or portion of the Property.
- 17. SEWAGE DISPOSAL: No individual sewage disposal system shall be permitted on any lot, part or portion of the Property.
- 18. PARKING RESTRICTIONS: No boats trailers, buses, motor homes, campers or other motor vehicles which are inoperable or not duly licensed, shall be parked upon any street in the subdivision, or stored upon any lot, except within a duly constituted or carport, subject to the approval of the Architectural Control Committee.
- 19. ANTENNAE: No external radio, television, dish or other antennae of any kind or nature, or device for the reception or transmission of radio, microwaves or other similar signals shall be permitted on any lot without the prior written approval of the Architectural Control Committee.
- 20. SAFE CONDITION: Without limiting any other provision of this declaration, each owner shall maintain and keep such owners lot at all times in a safe, sound and sanitary condition and repair and shall correct any condition or refrain from any activity which might interfere with the reasonable enjoyment of other owners of their respective lots.
- 21. SIGHT DISTANCE AT INTERSECTIONS: No structure, fence, wall, hedge or shrub planting which obstructs sigh lines at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner

lot within the triangular area formed by the street property lines and a line connecting them at points thirty (30) feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight line limitations shall apply on any lot within the (10) feet from the intersection of a street property line with the edge of a driveway or alley pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at such height to prevent obstruction of such sight lines.

22. LANDSCAPING: The front yard area of each lot will be completely landscaped by Developer at the time of closing. Such landscaping shall include but shall not be limited to the preparation for the planting of lawn, grass or other apprepriate ground cover, appropriate shrubbery, and planting of at least one (1) tree in the front yard. The planting of trees and shrubs and grass are encouraged and recommended. Thereafter the landscapting shall be maintained by the lot owner. Should any lot owner fail to comply with the provisions of this section, the Architectural Control Committee shall have right to seek an order from a court of proper jurisdiction requiring specific performance to comply with the provisions hereof, and shall also have the authority to complete the landscaping and require the lot owner to pay a reasonable amount for such completion. All attorneys fees and costs incurred in any such action, and all expenses incurred in connection with such completion, shall constitute a lien on such lot owner's lot, and shall also be a personal obligation of said lot owner, enforceable at law, until such payment therefore is made.

No healthy tree shall be removed from any lot prior to the written approval of the Architectural Control Committee of the landscaping plan for such lot, unless the Architectural Control Committee shall have approved of such removal. No healthy tree shall be removed from any lot after the completion of the approved landscaping thereof, nor shall other major landscaping changes be made, without the prior written approval of the Architectural Control Committee. Notwithstanding this section, all diseased trees must be removed by the lot owner within one hundred-twenty (120) days after the diseased condition is discovered or after receipt of notification issued by the Architectural Control Committee demanding the emoval thereof. All diseased and other trees removed from any lot, part or portion of the Property shall be replaced by the lot lower by the planting of an equivalent number of trees of the same species upon such lot. All trees planted by a lot owner pursuant to the requirements of this paragraph shall be of a minimum size of two and one half inches (2 1/2" caliper measured at a point one foot (1') above ground level.

EXCAVATIONS: Except for excavations for an approved foundation, no excavations or removal of dirt are permitted on any lot below the present grade of such lot.

24. DWELLING CONSTRUCTION AND FENCE RESTRICTIONS: In order to promote a harmonious community development and protect the character of the neighborhood, the following guidelines are applicable to the Property:

ARTICLE II - DURATION. ENFORCEMENT. AMENDMENT. EXPANSION

1. DURATION OF RESTRICTIONS: The covenants and restrictions contained herein shall run with and bind the land for a period of fifty (50) years from the date this document is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years each, subject to amendment as herein set forth. During the Development Phase (defined below), the covenants and restrictions contained herein may be modified, amended or repealed in whole or in part at any time and from time to time by the Developer or his successor or assigns by recorded instrument. The Development Phase" shall be the time from the date of the recording of the Plat of Subdivision until such time as Developer transfers legal little to more than ninety percent (90%) of the number of lots in the Property to bona fide purchasers.

Upon completion of the Development Phase, the covenants and restrictions contained herein may be amended by a recorded instrument signed by no less than the owners of seventy live percent (75%) of the number of lots in the Property. Any amendment after the completion of the Development Phase shall require a thirty (30) day written notice of any such proposed amendment be sent to every owner of any lot, part or portion of the Property.

- 2. PERPETUITIES: If and to the extent that any of the covenants would otherwise be unlawful or void for violation of (a) the rule against perpetuities, (b) the rule restricting restraints on alienation or (c) any other applicable statute or common law rule analogous thereto or otherwise imposing limitations upon the time for which such covenants may be valid, then the applicable provision shall continue and endure only until the expiration of twenty-one (21) years after the death of the last to survive the class of persons consisting of all of the lawful descendants of Michael Leavitt. Governor of the State of Utah, or William Jefferson Cinton, President of the United States, living at the date of the recording of this document.
- 3. NOTICES: Any notice required under the provisions of this document to be sent to any lot owner shall be deemed to have been properly sent when mailed, postage prepaid, to the last known address of such owner.
- 4. CONSTRUCTION AND SEVERABILITY: All of the restrictions, covenants and conditions contained in this document shall be construed together. Invalidation of any one of said restrictions, covenants or conditions, or any part thereof, shall in no wise affect the enforceability or applicability any of the remaining restrictions, covenants or conditions, or parts thereof.
- 5. VIOLATION CONSTITUTES NUISANCE: Every act or omission whereby any restriction, covenant or condition in this document set forth is violated in whole are in part, is declared to be and shall constitute a nuisance, and may be abated by appropriate legal action by the Developer or any owner or owners from time to time of any lot or portion of the Property. Remedies hereunder shall be deemed cumulative and not exclusive.

00450214 BK0718 PG0440

6. ENFORCEMENT: Each and all of the restrictions, covenants and conditions contained in this document is and are for the benefit of the Developer, and of the owner or owners from time to time of any lot, part or portion of the Property. Each such restrictive covenant and condition shall intere to the benefit of and pass with each and every lot part or portion of the Property and shall apply to and be binding upon each and every successor in interest. Said restrictions, covenants and or threatened breach thereof, or the continuance of any such breach, may be enjoined, or the owner or owners from time to time of any lot, part or portion of the Property; mortgage or trust deed which shall have been given in good faith and for value, except and obligated by the said restrictions, covenants and conditions, whether such equitable right presently exists or shall exist with respect to the use of or access to any other each property adjacent to the subdivision or any amenity now or hereafter located thereon.

7. RIGHT TO ENFORCE: The provisions contained in this Declaration shall bind and inure to the benefit of and be enforceable by the Developer, by the owner or owners from time to time of any lot, part or portion of said Property, their and each of their legal representative, heirs, successors and assigns, and failure by the Developer or any such owner, or their respective legal representatives, heirs, successors, or assigns, to enforce any of said restrictions, covenants, or conditions shall in no event be deemed a waiver of the right to do so thereafter.

ARCHITECTURAL CONTROL COMMITTEE; The Architectural Control Committee which is vested with the powers described herein shall consist initially of at east three (3) persons appointed by the Developer. Prior to the commencement of any excavation, construction or remodeling of any structure or of any addition to any structure, there shall first be filed with the Architectural Control Committee two (2) complete sets of building plans and specifications together with a site or plot plan indicating the exact part of the building site which the improvements will cover, and no such work shall commence unless and until the Architectural Control Committee shall endorse on one set of such plans its written approval that such plans are in compliance with the covenants herein set forth and with the standards herein or hereafter established by said Committee pursuant hereto. Said Committee shall have the right to refuse to approve any such plans and specifications and shall have the right, in so doing, to take into consideration the suitability of the proposed building, the materials of which it is to be built, the site upon which it is proposed to be erected, the harmony thereof with the surroundings, and the effect of said building or other structure so planned on the outlook from adjacent or neighboring property. Committee shall promulgate and maintain a list of standards for guidance in approving or disapproving plans and specifications pursuant to this section. The second set of such plans shall be filed as a permanent record with the Architectural Control Committee. In the event said Committee fails to approve or disapprove in writing any such plans within thirty (30) days after the submission thereof to the Committee, then such approval shall be deemed to have been given. The Developer shall have the

00430214 BK0718 PGO444

right to appoint all members of the Architectural Control Committee until such time as title to more than ninety percent (90%) of the number of lots in the Property has been transferred to bona fide purchasers. Thereafter, a majority of the owners of lots, parts or portions of the Property subject to these covenants shall elect and appoint members of the Architectural Control Committee, which Committee shall thereafter be vested with the powers described herein and shall have jurisdiction over all of the property subject to these restrictions, covenants and conditions.

- 9. EXPANSION: The Property as defined in this document is an initial phase of a multiple phase subdivision. The Developer may subject additional land to the covenants contained in this document by filing
 - 1. an additional subdivision plat or plats, stating on each plat the intention to have the property described on said plat bound by the terms, covenants and conditions of this document upon the filing of a Declaration of Annexation and
 - 2. a Declaration of Annexation which shall state the Developer's intention to have the area described therein subject to this document.

Upon the recording of such a plat and Declaration of Annexation the property described therein shall be subject to this document, and the property therein described shall be part of the Property as defined herein.

- AMENDMENT: These Protective Covenants may be amended by the Developer, whenever needed to comply with any applicable requirements of governmental authority, or the requirements of any mortgage lender for any lot. Further, these Covenants may be amended by recording a document with the signatures of 75% of the owners of lots in the Property (one vote per lot).
- 11. ASSIGNMENT OF POWERS: Any and all rights and power of the Developer herein contained may be delegated, transferred or assigned. Wherever the term "Developer" is used herein, it includes Developer and its successors and assigns.

IN WITNESS WHEREOF, the undersigned has hereunto executed this document this 4th day of March, 1993.
