**DECLARATION OF COVENANTS, CONDITIONS,  
RESTRICTIONS AND EASEMENTS FOR  
BRIDLE WALK ACRES SUBDIVISION  
PHASE 1**

This Declaration of Covenants, Conditions, Restrictions, and Easements for Bridle Walk Acres Subdivision (hereafter this "Declaration") is made as of the 1<sup>st</sup> day of February, 2017 by Bridle Walk Investors LLC, a Utah L.L.C. (hereafter the "Declarant".)

**ARTICLE I**

**RECITALS**

WHEREAS, Declarant is the owner of certain land situated in the Town of Lake Point, Tooele County, Utah, more particularly described on the attached Exhibit "A" (hereafter the "Property" or "Subdivision"); and

WHEREAS, Declarant desires to subject the Property to covenants, conditions, restrictions, easements, reservations, limitations and equitable servitude set forth in this Declaration to: (i) ensure the enhancement and preservation of property values, (ii) provide for the proper design, development, improvement and use of Property by Declarant and all other persons or entities who may subsequently acquire an interest in the Property, and (iii) create a residential development of high quality.

**ARTICLE II**

**DECLARATION**

Declarant hereby incorporates the recitals set forth above and submits the Property to the provisions of this Declaration and declares that the Property and each lot, tract or parcel thereof is and shall be held, sold, conveyed, encumbered, hypothecated, leased, used, occupied, and improved subject to the following covenants, conditions, restrictions, easements, reservations, limitations and equitable servitudes (hereafter collectively called "Covenants and Restrictions") all of which are declared and agreed to be in furtherance of the protection, maintenance, improvement and sale of the Property or any Lot therein, and to enhance the value, desirability and attractiveness thereof. The Covenants and Restrictions set forth herein shall run with the land and each estate therein and shall be binding upon all persons having or acquiring any right, title or interest in the Property and any Lot therein, and may be enforced by Declarant or by any Owner.

Notwithstanding the foregoing, no provision of this Declaration shall be construed or enforced to prevent or limit Declarant's right to complete development of the Property in accordance with the plan therefore as the same exists or may be modified from time to time by

Declarant nor prevent normal construction activities during the construction of Improvement within the Subdivision. No development or construction activities shall be deemed to constitute a nuisance or violation of this Declaration by reason of noise, dust, presence of vehicles or construction machinery, erection of temporary structures, posting of signs or similar activities, provided that the same are actively, efficiently and expeditiously pursued to completion. In the event any dispute concerning the foregoing shall arise, a temporary waiver of the applicable provision(s) of this Declaration may be granted by Declarant, provided that such waiver shall be for a reasonable period of time and shall terminate upon completion of the construction activities. Any such waiver need not be recorded and shall not constitute an amendment of this Declaration.

In the event of any conflict between the provisions of this Declaration and the requirements of the applicable ordinance of Tooele County, Utah, or any municipality which may annex any portion of the Property (as to that portion or portions), the more restrictive provisions shall control.

### ARTICLE III

#### DEFINITIONS

As used in this Declaration, unless the context otherwise specifies or requires, the following words and phrases shall be defined as follows:

Annexation: The process by which additional tracts or parcels of land, including platted Lots improved with single family dwellings thereon, not initially a part of the Property are made subject to this Declaration.

Architectural Control Committee: Bridle Walk Acres Lot owners committee of at least 51% of the property owners and chaired by the Declarant or his designee until such time as set forth in Article VI, 6.02 (a) of this document.

Basement: Any living area which is more than 4 feet below the average street grade in front of the structure.

Building: A structure constructed on a Lot on a temporary or permanent basis and unless specified to the contrary, shall include all other appurtenances and improvements thereto or used in connection therewith.

County: Tooele County, State of Utah.

Declaration: This instrument as it may be amended from time to time.

Development: The project to be undertaken by Declarant resulting in the improvement of the Subdivision or any additional property annexed hereunder, including landscaping, amenities, construction of roadways, utility services and other Improvements.

Drainage Swale: The areas included within the Bridle Walk Acres Roadway right of way, drainage basin and interconnecting pipeline right of way for purposes of directing water runoff into the drainage easement in favor of Tooele County.

Improvements: All structures and appurtenances thereto of all kinds and types, including but not limited to, Buildings, roads, driveways, storm drains, water systems, sprinkler pipes, parking lots, sidewalks, walkways, walls, fences, screens, landscaping, recreational equipment, poles, signs and lighting. Improvements shall not include those items which are located totally on the interior of the Building and cannot be readily observed when outside thereof.

Initial Construction: The first construction of permanent Improvements on a Lot.

Lot: A legally described tract or parcel of land within the Subdivision.

Occupant: Any person, association, corporation or other entity who or which is an Owner, or has leased, rented, been licensed, or is otherwise legally entitled to occupy and use Building, or Improvement on a Lot whether or not such right is exercised, including their heirs, personal representatives, successors and assigns.

Out-Building: Any structure including extra garage, storage building, shop building, barn or similar structure not attached to the residential dwelling. Such structures must be permanent and located not less than 30 feet from the residential dwelling.

Owner: A person or persons or other legal entity or entities, including Declarant, holding fee simple title to a Lot in the Subdivision, but excluding those having such interest merely as security for the performance of an obligation or a contractor intending to build a home to resale, but including any mortgage (of any priority) or other security holder provided said mortgagee or other security holder is in actual possession of a Lot as a result of foreclosure or otherwise, and any person taking title through such mortgagee or other security holder by purchase at foreclosure sale or otherwise.

Plat: A final subdivision plat covering any real property in the Subdivision, as recorded in the office of the County Recorder of the County, as the same may be amended by duly recorded amendments thereto.

Subdivision: The whole of the Property (also sometimes referred to herein as "Property").

Supplemental Declaration: The additional or different conditions, covenants, restrictions and easements relating to a particular tract or parcel of real property within the Subdivision promulgated by Declarant and recorded in the official records of the County. Unless specifically provided to the contrary, or unless the context otherwise requires, a reference to "Declaration" shall include "Supplemental Declaration".

## ARTICLE IV

### PURPOSE

The Property is hereby made subject to the Covenants, Conditions, Restrictions and Easements contained in this Declaration, all of which shall be deemed to be imposed upon and run with the land and each and every Lot and parcel thereof, and shall apply to each and every Owner and Occupant thereof and their respective successors-in-interest and assigns, to insure the proper design, development, improvement, use and maintenance of the Property for the purpose of protecting and enhancing the investment and use of all Lots and Improvements.

## ARTICLE V

**5.01 Use.** Lots shall be used for single family residential purposes and such uses as are customarily incidental thereto. A lot contiguous to an owners' home may be purchased and used for a detached garage, barns, corrals, or pasturing of animals following the guidelines of animal usage set forth by Tooele County, Utah. Additional structures must be approved by the Architectural Control Committee and a building permit must be issued by Tooele County.

**5.02 Buildings.** No Lot shall be improved with more than one (1) dwelling unit. Each dwelling unit shall have an attached 3 car garage.

**5.03 Prohibited Buildings/Uses.** No trailer or other vehicle (including recreational vehicles), tent, shack, garage, accessory building or out-building shall be used as a temporary or permanent residence. No noxious or offensive activities shall be conducted on any Lot nor shall anything be done or any use made thereon or thereof which may be or become an unreasonable annoyance, nuisance or unreasonably dangerous or hazardous to the Occupant(s) of the other Lots within the Property by reason of unsightliness or the emission of fumes, odors, glare, vibration, gases, radiation, dust, liquid waste, smoke or noise. Nothing herein is intended to prohibit Declarant from placing a construction trailer on a Lot or making reasonable use of construction equipment or otherwise undertaking efforts to develop the Subdivision.

**5.04 Antennae.** No exterior radio antennae, television antennae or other antennae, including a satellite dish larger than 24 inches, shall be erected or maintained on a Lot without first obtaining written approval from Declarant or at least 51% of the Owners of the Lots within the Property.

**5.05 Lighting.** All exterior lighting and interior lights reflecting outside shall not be placed in any manner which shall cause glare or excessive light spillage on any neighboring Lot(s). Reasonable holiday lighting and decorations may only be displayed during the holiday period.

**5.06 Animals.** Animals will be allowed subject to and in accordance with any and all Tooele County ordinances pertaining to same. Animals kept on any Lot shall not unreasonably bother or constitute a nuisance to other Lot Owners or their Property. Dogs and other similar pets shall be on a leash when not confined to an Owner's Lot. All animal waste shall be clean up on a regular basis as to not attract flies and create a nuisance for other Lot Owners

**5.07 Commercial Use Prohibited.** No Lot shall be used for commercial or business activity; provided, however, that Declarant or persons authorized by Declarant may use Lots for development and sales activities relating to the Subdivision, model homes and/or real estate sales. This section specifically prohibits the use of a Lot for the commercial repair or sale of any vehicle, equipment, boat or other fuel operated equipment.

**5.08 Maintenance.** The following provisions shall govern the maintenance of Lots and all Improvements thereon:

- a) Each Owner of a Lot shall maintain all Improvements and landscaping located thereon in good and sufficient repair and shall keep the Improvements thereon painted or stained, windows unbroken, rubbish and debris removed and otherwise maintain the same in a neat and aesthetically pleasing condition.

- b) All main utility supply for the Bridle Walk Acres subdivision runs underground down both sides of the roads within 25 feet of the edge of asphalt with the exception of domestic water and sewer which runs under the asphalt. Water, power, natural gas and internet underground routing from the main supply corridor into each home will vary on locations. It is the responsibility of each landowner to locate all underground infrastructure prior to digging, planting, boring or other ground work.
- c) All damage to any Improvements shall be repaired as promptly as is reasonable possible.
- d) A Building which is vacant for any reason shall be kept locked in order to prevent entrance by vandals.
- e) Each Owner of a Lot shall create and maintain the Drainage Swale, drainage basin and interconnecting pipeline to protect the integrity and intended purpose for water runoff. This includes weed control, swale and basin depth, unobstructed water flow, building restrictions, approved landscaping materials and any other Tooele County ordinance requirements.
- f) Each Owner of a Lot shall maintain the immediate areas surrounding fire hydrants in accordance with the International Fire Code (IFC) of 2012. This includes weed control and unobstructed access surrounding the hydrant and the underground valve access of a minimum 3 feet surrounding said installation.
- g) All trash, debris, garbage and refuse shall be kept at all times in a covered container and all such containers shall be kept on a Lot within an enclosed structure or screened from public view.
- h) No articles, goods, machinery, materials or similar items shall be stored, kept or maintained on a Lot in the required set-back area along a public or private right-of-way or otherwise kept in the open or exposed to public view.
- i) Any event or condition on a Lot which creates an unsightly or blighting influence, shall be corrected, removed or screened from public view, as the case may be, by the Owner of the Lot, notwithstanding the fact that such event or condition may not be specifically described and/or prohibited in this Declaration.
- j) Domestic water supply is provided by Oquirrh Mountain Water Company. Each Owner is required to comply with Oquirrh Mountain Water Company "Hook-up Policy 2016-17" or as revised by said company and attached to this document.

The foregoing provision (5.08) shall not apply to subdivided land owned by the builder or by Declarant, which is used for open space or is otherwise in a predevelopment status.

**5.09 Boats, Campers, and Other Vehicles.** Trailers, mobile homes, trucks larger than standard pickups, boats, tractors, campers, excavation and backhoe equipment, small construction equipment and garden or maintenance equipment and vehicles other than automobiles, when not in actual use, shall be kept in an enclosed structure or screened from public view; and at no time shall any of said vehicles or equipment be parked or stored on a public or private right-of-way within the Subdivision. Three to four rail fencing will meet requirements for screening as long as items are stored in a neat and orderly fashion. The parking of tractor trailers, their detached trailers, and cabs are prohibited, except for the express purpose of moving into or out of the home, for a maximum duration of one week. The primary purpose of the garage required on each Lot is for the parking and storage of automobiles and other vehicles. No other use of a garage or conversion of a garage, which prohibits or limits the use of a garage for the parking or storage of the number of automobiles for which it is designed, shall be permitted. Parking on the lawn or in a public or private right-of-way within the Subdivision, other than for temporary purposes not to exceed 48 hours, is prohibited. No inoperative vehicle shall be parked or stored at any time on a public or private right-of-way within the Subdivision or Lot unless wholly within an enclosed structure or not exposed to public view. No long term repairs of an inoperable vehicle shall be undertaken except in the owners' garage. Minor repairs and upkeep of vehicles will be allowed on each Lot.

**5.10 Garage Doors.** Garage doors shall be kept closed except when open for a temporary purpose.

**5.11 External Energy Devices.** No energy producing devices including, but not limited to, solar panels and generators of any kind, shall be constructed, installed or maintained on any Lot, except as follows:

- a) Heat pumps, air conditioning compressors, evaporative coolers, or similar appliances. Owners making use of such equipment shall take reasonable efforts to mitigate the sound of such equipment and to screen it from public view from the front of a Lot.
- b) The use of generators and other external energy producing devices shall be authorized on a temporary basis in the event and during the period of any emergency.
- c) Solar panels may be used to supplement or replace electricity usage within an Improvement, but such panels shall be reasonably screened or hidden from view from the front of a Lot. Roof installations visible from the front of the Lot shall be made to blend with the construction of the roof in color and materials as much as possible. Roof installations visible from the front of the Lot must be approved by the Architectural Control Committee at least 30 days prior to commencement of construction. All solar panel must lay flat on the roof.
- d) Small wind devices will be acceptable.

**5.12 Signs.** No commercial billboard or advertising shall be displayed to the public view on or from any Lot. Owners may advertise a dwelling unit and Lot for sale or Rent by displaying a single

neat, reasonably sized "For Sale" or "For Rent" sign thereon. Signs advertising the name of the builder and the name of the institution providing financing may be displayed on a Lot during the construction of the Improvements. Lighted, moving or flashing signs for any purposes are prohibited. Declarant shall regulate project and builder signage during the development phases of construction and marketing of homes within the Subdivision.

**5.13 Subdividing.** No Lot which has been platted and approved as a final building or residential lot (whether for single-family buildings or otherwise) may be further subdivided, nor may any easement or other interest therein less than the whole be conveyed by the Owner thereof; provided, however, that nothing herein shall be deemed to prevent an Owner transferring or selling any Lot to more than one person to be held by them as tenants in common, joint tenants, tenants by the entirety, or as community property. In addition, the conveyance of a significant portion(s) of a Lot to the Owner of the Lot which abuts said conveyed portion for the purpose of correcting a common boundary or other similar purpose, shall not be deemed to be a subdividing of a Lot within the prohibition contained herein.

**5.14 Landscaping.** Each Owner shall install yard landscaping on the Owner's respective Lot within a reasonable timeframe.

- a) **Front Yard.** Front Yard landscaping shall be substantially completed within twelve (12) months after issuance of the certificate of occupancy for the Improvements. Front Yard landscaping shall include drainage swale in front of each Lot. Vegetable gardens are prohibited in any front yard landscaping.
- b) **Drainage Swale Areas of Bridle Walk Acres Roadway.** Each Owner shall install a minimum of two trees in the front of each Lot 20 feet from the edge of asphalt boundary of the 60 foot roadway. Species of trees to be planted and location of said trees shall be subject to and in accordance with the applicable Tooele County Forest Plan(s). Only sod or 3 inch minus stone riprap shall be permitted in the Drainage Swale unless said Owner first obtains written approval for a different landscaping plan from Declarant or at least 51% of the Owners of Lots within the Subdivision. In no event shall the Owner install hard surface paving (bricks, blocks, concrete, etc.) in the Drainage Swale in front of the Lot.
- c) **Driveways.** Each Owner shall install concrete, asphalt paving on all driveways from The subdivision roads into each Lot and up to the garage or other building structure so as to eliminate carryover of mud and other debris onto Subdivision roadways from said property. Each driveway access from the public roads to the property will incorporate a culvert in the Drainage Swale of a minimum size of 21" x 15" x 14 GA pipe arch or 15" diameter CMP in accordance with Bridle Walk Acres Subdivision engineering drawing C-502.
- d) **Backyard.** Each Owner shall install backyard landscaping (which shall mean a minimum of sod) within three years of the date of issuance of certificate of occupancy for the Improvements.
- e) **All landscaping must comply with the Oquirrh Mountain Water Company water conservation plan, which allows for 5000 Feet of sod**

**5.15 Fencing.** Fencing shall be permitted on any Lot subject to and in accordance with applicable Tooele County Ordinances and must be decorative and private in nature. Three to four rail vinyl fencing is considered to meet requirements. Solid fencing shall be limited to enclosing the backyard. Three and Four rail fence may be installed in front yard and front-side yards (in front of the house set back line). Fencing material shall be limited to brick, stone, decorative concrete or vinyl. Vinyl fencing shall be of a neutral or white color. Wood, chain-link and field fencing on a post may be appropriate for back lot improvements but must be approved by the Architectural Control Committee at least 90 days prior to commencement of construction. A kennel or dog run may be constructed of chain-link. No kennel or dog run may be maintained closer than 25 feet to any dwelling and such kennel or dog run shall be fully enclosed within a backyard fence. Corrals for large animals may be portable panels, welded pipe fence painted white or neutral in color, vinyl fence with hot wire, or masonry in construction.

**5.16 Architectural Requirements.** Owners will maintain their Lots and Improvements in substantially the same condition and appearance at the time of initial occupancy by the initial purchases of said Lot.

- a) **Architectural Control Committee.** All building plans must first be submitted to the Architectural Control Committee for approval prior to submitting to the county for permit. The Architectural Control Committee will approve or deny plans based on size, design and color elements, in order to maintain the architectural integrity of the Subdivision.
- b) **Size of Homes.** Rambler/Ranch Style Homes shall have a minimum of 1600 square feet on the main level. Two Story Homes shall have no less than 1000 square feet on the main level and not less than 600 square feet on the second level for a minimum square footage requirement of 2000 square feet. Multi-Level Homes Must have a minimum of 1800 feet overhead grade. Each dwelling shall have no less than a three car garage.
- c) **Exterior Requirement.** No structure shall be built with less than 100% of all the faces of the structure of brick, stone, stucco, fiber cement board, or masonry products. All structures shall be built with at least two of the permitted materials.
- d) **Roof Designs.** Roof pitches must be within a range of 4/12 to a 12/12 slope. All roofs shall be pitched. All roofing materials must be of architectural grade asphalt shingles or better, i.e. tile, aluminum or copper shingle or continuous metal. Mansard, fake mansard, "A frame", gambrel, flat, curve-linear, and domed roof designs are prohibited. All roof metal such as flashing, vent stacks, gutters and chimney caps shall be made of anodized aluminum, copper or galvanized metal painted to match the adjacent roof color.
- e) **Windows.** No mirrored or reflective glass shall be used. Following occupancy, window coverings shall be installed on the interior of each front or side yard facing window with neutral linings. Sheets or other temporary window coverings shall only be permitted for two months after moving into the home. Reflective window coverings are prohibited.

- f) Out-Building. Garages, storage building, private shop building, barn or similar structure can be similar in construction to the residential home building but can be constructed of frame, free standing metal, pole barn or other similar construction with suitable exterior faces. All structures must be permanent and built with the other requirements contained within this document and may not be closer than 30 feet from the residential dwelling. All out buildings must be approved by the Architectural Committee or at least 51% of the Owners
- g) No used or Temporary Structures. No previously erected, used or temporary structure, mobile home, trailer house or any other non-permanent structure may be installed or maintained on any Lot. No metal storage building or metal storage shed shall be permitted on a Lot unless approved in writing by Declarant or at least 51% of the Owners within the Subdivision, and further provided that such storage building or shed is fully enclosed by fencing as set forth herein and not readily visible from the street in the front of the Lot.

5.17 Other. The discharge of firearms, with the exception of "B-B" guns and pellet guns, is prohibited. All bicycles, tricycles, scooters, skateboards and other play equipment, wading pools, baby strollers and similar items shall be stored so as not to be visible from the streets or adjacent property. No such items shall be allowed to remain on Lots so as to be visible from adjacent properties when not in use.

5.18 Exemption of Declarant. Nothing herein contained shall limit the right of Declarant to subdivide or re-subdivide any Lot or portion of the Property or to grant licenses, reservations, right-of-way or easements to utility companies, public agencies or others; or to complete excavation, grading and development to or on any Lot or other portion of the property owned or controlled by Declarant, or to alter the foregoing and its development plans and designs, or construct additional Improvements as Declarant deems advisable in the course of Development of the Subdivision. This Declaration shall not limit the right of Declarant at any time prior to acquisition of title to a Lot by an Owner to establish on that Lot additional licenses, restrictions, rights-of-way and easements to itself, to utility companies and to others, as may from time to time be reasonable necessary.

## ARTICLE VI

### MISCELLANEOUS

6.01 Term. This Declaration and all covenants, conditions, restrictions and easements contained herein shall run until December 31, 2056, unless amended as hereafter provided. After December 31, 2056, said covenants, conditions, restrictions and easements shall be automatically extended for successive periods of ten (10) years each, unless extinguished by a written instrument executed by the Owners of at least three-fourths (3/4) of the Lots covered by this Declaration and such written instrument is recorded with the county recorder.

6.02 Amendment. This Declaration may be amended as follows:

- a) By Declarant. Until five (5) years from the date title to all Lots within the Subdivision are conveyed by Declarant to an Owner other than Declarant, this Declaration may be amended or terminated by Declarant

by recordation of a written instrument signed by the Declarant and acknowledged setting forth such amendment or termination.

b) By Owner(s). After the date as specified in 6.02 above, the provisions of this Declaration may be amended by an instrument in writing, signed and acknowledged by 67% of Owners and such amendment shall be effective upon its recordation with the County Recorder.

**6.03 Non-Waiver.** The failure of Declarant or any Owner in any one or more instances to insist upon the strict performance of any of the covenants, conditions, restrictions, and easements or the other provisions of this Declaration or to exercise any right or option contained herein, or to serve any notice or to institute any action, shall not be construed as a waiver or relinquishment for the future of such covenant, condition, restriction, easement or other provision, but the same shall remain in full force and effect.

**6.04 Acceptance.** Each Owner of a Lot, each purchaser of a Lot under a contract or agreement of sale, and each holder of an option to purchase a Lot, by accepting a deed, contract of sale or agreement or option, accepts the same subject to all of the covenants, conditions, restrictions, easements and other provisions set forth in this Declaration and agrees to be bound by the same.

**6.05 Limitation of Liability.** Notwithstanding anything to the contrary contained in this Declaration, Declarant makes no representations or warranties whatsoever that the plan presently envisioned for the complete Development and use of the Property can or will be carried out or that any land now owned or hereafter acquired by Declarant is or will be committed to or developed for a particular use, or that if land is one used for a particular use, that such use will continue in effect. Declarant shall not be liable to any Owner for any action taken or omitted to be taken so long as the conduct of Declarant was in good faith, except such as may arise from the willful misconduct or gross negligence of Declarant.

**6.06 Notices.** Any notice permitted or required to be delivered as provided in this Declaration shall be in writing and shall be delivered either personally or by overnight courier, postage prepaid. If delivery is made by overnight courier service, it shall be deemed to have been delivered on the next business day after the same has been deposited with the overnight courier service, postage prepaid, property addressed.

**6.07 Interpretation.** The provisions of this Declaration and any Supplemental Declaration shall be liberally construed to effectuate the purposes stated herein and shall be construed and governed by the laws of the State of Utah. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular, and the masculine, feminine or neuter shall include the masculine, feminine or neuter. All captions and titles used in this Declaration are intended solely for convenience of reference and shall not affect that which is set forth in any of the provisions hereof.

**6.08 Breach; Enforcement.** Each owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants and reservations now or hereafter imposed by the provisions of this Declaration. Failure of any Owner to enforce any covenant or restriction herein or therein contained shall in no event be deemed a waiver of the right to do so thereafter. If a person or party is found in the proceedings to be in violation of or attempting to violate the provisions of this Declaration, he or she shall bear all expenses of the litigation, including court costs and reasonable attorney's fees, including those on appeal, incurred by the party enforcing them. Declarant shall not be obligated to enforce this Declaration or such deed restrictions and shall not in any way or manner be held liable or responsible for any violation of this Declaration or such deed restrictions by any person.

6.09 Attorney's Fees. In the event of any action for a breach of or to enforce any provisions or right hereunder, the non-prevailing party in such action shall pay to the prevailing party all costs and expenses, expressly including, but not limited to, reasonable attorney's fees and costs incurred by the successful party in connection with such action, including without limitation all fees and costs incurred on any appeal from such action or proceeding.

6.10 Severability; Invalidity. Notwithstanding anything herein to the contrary, each of the provisions hereof shall be deemed independent and severable and the invalidity or enforceability of any provision or portion thereof shall not affect the validity or enforceability of any other provision. Invalidation of any one of these covenants or restrictions by law, judgment or court order shall in no way affect any other provisions of this Declaration and such other provisions shall remain in full force and effect.

6.11 Notice. Any notice required to be sent to any owner under the provisions of this instrument shall be deemed to have been properly sent when personally delivered or mailed, postpaid, to the last known address of said Owner.

THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK.

IN WITNESS WHEREOF, Declarant has executed this Declaration as of the date first hereinabove set forth.
