ABSTRACT OF FINDINGS AND ORDER

**4442028**

I, Mildred G. Snider, being first duly sworn, depose and say that I am the Secretary of the Salt Lake City Board of Adjustment (324 South State Street, Room 200) and that on the 16th day of March, 1987, Case No. 443-B by John W. Milner was heard by the Board. Mr. Milner requested a variance on the property at 1803 Yale Avenue to legalize an existing masonry wall which exceeds the permitted four foot height limit in the required front yard, contrary to the provisions of the Zoning Ordinance in a Residential "R-2" District, the legal description of said property being as follows:

Lot 13, Upper Yale Third Addition.

It was moved, seconded and unanimously passed that a variance be granted to legalize an existing masonry wall which exceeds the permitted four foot height limit in the required front yard as requested. If a permit has not been taken out in six months, the variance will expire.
