No. 46836

RIGHT OF WAY GRANT

R. W. Adams, Charles Sill, Shirley Craig, George A. Evans, Olene W. Craig, R. Adams, M. F. Adams, Edna H. Schmalz, Carl David Craig, Ruby Harris Thurgood, John W. Thornley, GRANTORS, of Davis County, Utah, hereby grant and quit claim to DAVIS & WEBER COUNTIES CANAL, a Utah corporation, GRANTEE, its successors and assigns, for the sum of Fifty and no/100 (\$50.00) DOLLARS, receipt of which is hereby acknowledged as the total consideration for the grant herein contained all right, title and interest in, to and along that certain irrigation canal which traverses lands in Davis County, Utah, upon and in which the Grantors have a perpetual right-of-way for the purpose of maintaining and operating said irrigation canal and the center line of which canal is approximately described as follows:

Beginning on the center line of right-of-way and the center line of a North and South County Road at a point 1380.0 feet West and 1029.8 feet North from the Southeast Corner of Section 8, T 4 N, R 1 W, S.L.M.; thence following along the center line of right-of-way S 81° 32' E 758 feet; thence S 73° 0' E 588 feet; thence S 81° 52' E 275 feet; thence S 65° 0' E 264 feet; thence S 61° 25' E 395 feet; thence S 73° 45' E 255

feet; thence S 64° 30' E 725 feet; thence East 53.5 feet; thence South 23.4 feet to the South Boundary of Section 9, T4N, R1W, being the center line of an East and West County Road; thence South 22.0 feet; thence S 55° 12' E 594 feet; thence S 73° 0' E 319 feet; thence S 86° 16' E 104.5 feet to the center line of a North and South County Road at a point 461 feet South from the North Quarter Corner of Section 16, T4N, R1W, S.L.M.

Together with such right as the Grantors own of ingress, egress and traverse along said canal for the purpose of repairing, operating and maintaining said canal.

The Grantee agrees to install one headgate and measuring device at a convenient point along that part of the hereinabove described line, which reads in said description as follows:

Thence South 22.0 feet; thence S 55° 12' E 594 feet; thence S 73° 0' E 319 feet; thence S 86° 16' E 104.5 feet to the center line of a North and South County Road at a point 461 feet south from the North Quarter Corner of Section 16, T4N, R1W, S. L. M.

It is agreed that upon the installation of said headgate and measuring device, the other headgates which exist along or near said last description may be removed, provided, however, that the Grantee make such connection ditches from the headgate installed by Grantee to the ditches now owned and operated by any or either of the Grantors, the expense of constructing said connecting ditches and procuring rights-of-way therefor to be borne by the Grantee without obligation on the part of the Grantors; but, however, after the construction of said connecting ditches the Grantors agree, at their own expense to operate and maintain said connecting ditches; it is intended hereby that the Grantors, and claimants under them who are served water out of the headgate to be installed by the Grantee, as in this paragraph described, abandon and relinquish unto the Grantee all rights with respect to the other points of diversion and the headgates thereat, so that upon the removal of such abandoned headgates there shall be no further right to diversion of waters at said points.

The provisions of this agreement shall be binding upon the parties hereto, their successors and assigns.

IN WITNESS WHEREOF this agreement is executed this 9th day of August, 1929.
