6.5.6 Maintenance of Coverage. The Owner shall obtain and keep in full force and effect at all times the required insurance coverage provided by companies duly authorized to do business in Utah.

6.5.7 Not a Limitation. The provisions of this subsection shall not be construed to limit the power or authority of the Owner to obtain and maintain insurance coverage in addition to any insurance coverage required hereunder, in such amounts and in such forms as he may deem appropriate.

6.5.8 Name Association as "Additional Insured." Each Owner Policy shall name the Association as an "Additional Insured."

6.5.9 Certificate of Insurance. Each Owner shall provide the Association with a "Certificate of Insurance" upon request.

6.6 Owner's Default. If an Owner fails to obtain his Owner Policy or fails to provide a Certificate of Insurance within three (3) days of a request and fails to remedy a default within ten (10) days of written notice, the Association may but is not obligated to purchase the required insurance and treat the cost as an Individual Expense. Anything to the contrary notwithstanding, if an Owner fails to obtain his required Owner Policy, then he shall be personally responsible to pay any deductible on the Association Policy as well as any and all costs, up the minimum amount of coverage, incurred for repairs of or to the building as defined in Subsections 6.6.2 and 6.6.3 above.

6.7 Payment of Deductible. It is presumed that the claimant is responsible to pay the deductible; provided, however, the deductible on a claim made against the Association Policy shall be paid for by the party (a) who would be liable for the loss, damage, claim, or repair in the absence of insurance or (b) from whose Lot and/or Unit the causal event originates. In the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. If a loss is caused by an act of God or nature or by an element, risk or peril beyond the control of the parties, then the Unit Owner shall be responsible for the deductible. It is the intent of the Association to obtain property, fire and extended hazard insurance with at least a \$5,000.00 deductible. This amount may be increased or decreased unilaterally by the Board of Directors upon a written recommendation for its insurance agent without amending the Declaration. Each Owner is encouraged to purchase insurance to cover the cost of the deductible.

6.8 Damages. Each Owner is responsible for the maintenance of his Lot and/or Unit and for the repair of any damage he causes to another Lot and/or Unit or the Common Area and Facilities.

6.9 Validity of Document. If any term, part or provision of this document is ruled by a court of competent jurisdiction to be illegal or in conflict with any law of the State of Utah, the validity of the remaining portions or provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if the document did not contain such term, part or provision.

6.10 Right to Adjust Claims. The Association has the right, power and authority to adjust claims.

6.11 Use of Insurance Proceeds and Repairs. Repair of damage shall be completed within a reasonable time and insurance proceeds shall be used to repair the covered damage.

6.12 Quality of Insurance Company. The Association and Owners shall use a responsible insurance company or companies duly qualified and licensed in the State of Utah.

6.13 Primary Coverage. It is the intent of the Association that the Owner's Coverage A – Building provide PRIMARY coverage and that the Association Master Policy provide SECONDARY coverage.

This statement must be furnished within ten (10) business days after receipt of the request and is binding on the Association, the Board of Directors, the Manager and every Owner, in favor of all who rely on such statement in good faith.

9.12.32 Reserve Accounts. The Association through the Board of Directors shall include in the Assessments amounts representing sums to be used for major Repairs, the replacement of or additions to capital items or improvements in the Project. Said amounts shall be dedicated for the uses provided in this Section and shall be set up as reserve accounts for each Lot.

The Board of Directors shall exercise prudent fiscal management in the timing of restoring any transferred funds to the reserve account and shall, if necessary, levy a Special Assessment to recover the full amount of the expended funds within the time limit specified above.

9.12.35 Notice to Owner. If the Owner of a Lot who is leasing the Lot fails to pay an assessment for more than sixty (60) days after the assessment is due, the Board may demand that the tenant pay to the Association all future lease payments due to the Owner, beginning with the next monthly or other periodic payment, until the amount due to the Association is paid. 10.31 View Impairment. The Association does not guaranty or represent that any view over and across any property, including any Lot, Unit or Building will be preserved without impairment. Neither the Association nor the ARC shall have any obligation to prune or thin trees or other landscaping except as set forth herein. Any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

10.32 Privacy Fences. No Owner may or allow any structural alterations, change or modifications to the Privacy Fences originally installed or constructed.

10.33 Owner-occupied. The term “owner-occupied” shall mean a Lot occupied by one of the following:

- 10.34.1 The vested Owner (as show on the records of the Tooele County Recorder);
- 10.34.2 The vested Owner and/or his spouse, children or siblings; or
- 10.34.3 The shareholder, partner, member, trustor, beneficiary or other legal representative of an institutional owner (provided, such person holds a beneficial interest in such legal entity of at least fifty percent (50%) and/or his spouse, children or parents.

- a. All leases and rental agreements are subject to the Rental Regulations adopted by the Board of Directors, which may be modified from time to time.
- b. The initial minimum lease or rental term shall be at least six (6) months.
- c. Daily or weekly rentals are prohibited.

d. Owner may lease individual rooms to separate persons or less than his entire Dwelling Unit or Home without the prior express written consent of the Board of Directors.

e. All lessees, tenants and renters shall abide by and be subject to the Governing Documents, and a violation of the Governing Documents shall be considered a material violation of the lease or rental agreement.

Recordation of such an amendment shall be deemed conclusive proof of the agency's or institution's request for such an amendment, and such amendment, when recorded, shall be binding upon the Property, in whole or in part, and all persons having an interest therein.

ARTICLE XI – TERMINATION

11.1 Termination. The Project may be terminated only by the unanimous agreement of all Owners, giving each Owner one (1) vote for each Lot or Unit owned by the Owner.

11.2 Recording of Notice of Removal. All of the Owners may remove the Project from the provisions of the Declaration by an instrument duly recorded to that effect provided that the holders of all liens affecting any of the Lots or Units consent or agreement by instruments duly recorded that their liens are transferred to the undivided ownership interest of the Owners in the Project. Upon removal of the Project from the provisions of the Declaration, the Project shall be deemed to be owned in common by the Owners.

11.3 Termination Agreement. A termination agreement may provide that all of the Project shall be sold following termination. If, pursuant to the agreement, any real estate in the Project is to be sold following termination, the termination agreement shall set forth the minimum terms of the sale.

11.4 Mortgagees. Following termination, Mortgagees holding Mortgages on the Lots or Units which were recorded before termination may enforce those liens in the same manner as any lienholder.

11.5 Common Area and Facilities. In the event of the dissolution of the Association, the Association Property shall be transferred to a nonprofit corporation, trust, or other entity to be used for such similar purposes, and each owner shall continue to be obligated to make assessment payments for the maintenance and upkeep of the Common Area and Facilities and improvements on a pro rata basis which conforms substantially with the assessment procedure, terms and conditions set forth herein. To the extent the foregoing is not possible, the Common Area and Facilities shall be sold or disposed of and the proceeds from the sale or disposition shall be distributed to Owners as tenants in common.

ARTICLE XII – ARCHITECTURAL GUIDELINES

Architectural Review Management Committee. All architectural designs, plans, specifications, Exterior Materials, fencing and structures, including original construction and all subsequent structural alterations, changes or modifications, must be reviewed and approved by the Architectural Review Management Committee (the “ARC”) in writing.

12.1 Composition of Architectural Review Committee. The ARC shall be comprised of between one (1) and three (3) natural persons.

12.2 Zoning. All plans, specifications and construction must satisfy the requirements of all applicable zoning ordinances.

12.3 Declaration. All plans, specifications and construction must satisfy the requirements of the Declaration.

12.4 Permits and Inspections. All required building permits and inspections must be obtained by the Owner of the property and/or his Builder.

12.5 Fees. The Owner of the property and/or his Builder shall pay all required fees.

12.6 Designs, Plans and Specifications. Architectural designs, plans and specifications showing the nature, kind, shape, color, size, materials, and location of all proposed structures and improvements shall be submitted to the ARC for review and approval. Information concerning irrigation systems, drainage, lighting, landscaping and other features of proposed construction should be submitted if applicable. Designs submitted for approval shall be limited to those prepared by architects or by qualified residential designers of outstanding ability whose previous work may be reviewed as a part of the approval process.

12.6.1 Review Considerations Generally. In reviewing each submission, the ARC may consider the proposed design, harmony of external design with existing structures and the common scheme, the location in relation to surrounding structures, topography, finish grade and elevation, among other things.

12.6.2 Aesthetics. Decisions of the ARC may be based on purely aesthetic considerations. Each Owner acknowledges by accepting a deed or other document of conveyance to the property

that the opinions of the ARC may be a matter of taste or style, and may be based upon purely aesthetic considerations, and may vary as ARC members change over time.

12.6.3 Fencing. Consistent with the above, all fencing shall be vinyl fencing and is to match the quality, grade and workmanship of the vinyl fencing installed upon the initial construction of the Project. The following restrictions shall apply:

12.6.3.1 No front yard fencing is allowed;

12.6.3.2 No fence shall be erected in any rear yard to a height in excess of six feet (6');

12.6.3.3 Fencing may not extend toward the front of the home or lot beyond the geometric plane established by the rear corner of the home;

12.6.3.4 Wood fencing is not allowed;

12.6.3.5 Fencing on corner lots shall meet city and county ordinances regarding vision triangle standards for safety and visibility;

12.6.3.6 Any fencing or similar structure to be constructed using other construction materials, color or deviations from these guidelines shall require the prior express written approval of the Board and/or ARC.

12.6.3.7 ALL fencing plans must have the prior written approval of the Board.

12.6.4 Final Plans and Specifications and Working Drawings. On Dwelling Units to be constructed on Lots the ARC may also require as a minimum the following:

12.6.4.1 Plot plans to scale showing the entire site, building, garages, walks, drives, fence, carriage lights, retaining walls, with elevations of the existing and finished grade and contours including those at the outside corners of the buildings and at adjacent property lines and street fronts, and elevations of floors from a designated point on the street.

12.6.4.2 Detailed floor plans.

12.6.4.3 Detailed elevations, indicating all materials and showing existing and finished grades.

12.6.4.4 Detailed sections, cross and longitudinal.

12.6.4.5 Details of cornices, porches, windows, doors, garages, garden walls, steps, patios, fences, carriage lights, etc. Specifications shall give complete description of materials to be used with supplements, addenda or riders noting the colors of all materials to be used on the exterior of the Dwelling.

12.6.5 Landscaping. All landscaping must be completely installed, including an automatic irrigation and/or sprinkling system, within nine (9) months of the date of purchase. Any weeds or diseased or dead lawn, trees, ground cover, bushes or shrubs shall be removed and replaced. The landscaping of a Lot may not adversely affect the value or use of any other property or detract from the original design scheme and appearance of the subdivision. No concrete, cement or masonry products, pavers, brick, stone, cobblestone, tile, terrazzo, slabs, slate, rocks, pebbles, gravel, permeable pavements and so forth or other artificial or impermeable surfaces (collectively "controlled surfaces") may be installed or constructed as landscaping in the front, side or rear yards of a Lot without the express prior written consent of the ARC. Should any Owner fail to comply with the provisions of this paragraph, the ARC shall have the right to seek an order from a court of proper jurisdiction requiring specific performance to comply with the provisions hereof or to recover damages, or both, and shall also have the authority but not the obligation to complete the landscaping or restore the property to its original condition without being guilty of a trespass, and require the Lot Owner to pay the cost of labor and materials. The costs and expenses incurred including a reasonable attorneys fee, whether or not a lawsuit is filed, shall be considered the personal obligation of the Lot Owner and shall constitute a lien on the interest of the Owner in such property, enforceable at law or equity, until payment is made. Side yard irrigation shall be governed by rules of the Board.

12.6.6 Entry Monument. No Owner may do any landscaping, grading or work, or install any structure, building, improvement, planting, or other object, natural or artificial, or materials which may damage or interfere with the installation and maintenance of utilities, Entry Monument, or which may change the direction of flow of drainage channels in, on or about the easements and rights of way, or which may obstruct or retard the flow of water through the drainage channels in the easements and rights of way. If a drainage channel is altered by an Owner, the Association expressly reserves the right to enter onto the property to restore the area at the cost of the Owner, and without being guilty of a trespass. In addition, the easement and right of way area of or on each Lot, including by way of illustration but not limitation, the Entry Monument, in whole or in part, utilities, drainage systems and facilities, and irrigation, and all improvements within said area shall be maintained continuously by the Owner of the property, at his sole expense, excepting those improvements for which a public authority or utility company is expressly responsible.

12.6.7 Slope and Drainage Control. No structure, plant, improvement or other material may be placed or permitted to remain, or other activities undertaken which may damage or interfere with established Lot rations, create erosion or siding problems, or which may change the direction or flow of drainage channels, or obstruct or retard the flow of water through the channels.

12.6.7.1 The slope control area of each Lot and all improvements therein shall be maintained continuously by the Owner of the Lot, excepting those improvements for which a public authority or utility company is expressly responsible; and

12.6.7.2 It shall be the responsibility of the Owner to see that his Lot strictly conforms with the grading and drainage plan established by original builder, Salt Lake County and the City.

12.6.8 Accessory Buildings. Accessory Buildings shall be considered “conditional uses” requiring a written application to the ARC before construction or installation begins. Any detached Accessory Building must conform in design and construction materials with the primary residential Dwelling Unit. The maximum height of an Accessory Building shall be 12 feet. An Accessory Building shall be 12 feet. An Accessory Building may only be installed or constructed on a Single Family Residence Lot. Tin sheds are not allowed anywhere in the Project. If there is a dispute of any kind whatsoever regarding an Accessory Building, including whether a structure is an Accessory Building, the decision of the ARC shall be final, conclusive and binding. If the ARC fails to respond to an application within thirty (30) days, it shall be considered disapproved.

12.7 No Waiver of Future Approvals. The approval of the ARC of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of such Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

12.8 Variance. The ARC may authorize variances from compliance with any of the architectural guidelines when circumstances such as topography, natural obstructions, hardship, aesthetic, or environmental considerations require, but only in accordance with its duly adopted rules and regulations, and prior written consent of the City Board of Adjustment. Such variances may only be granted, however, when unique circumstances dictate, and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) estop the ARC from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit or the terms of financing shall not be considered a hardship warranting a variance.

12.9 Limitation of Liability. Neither the Association nor the, ARC, or any of their employees, agents, representatives or consultants shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the provisions of this Declaration, nor for any structural or other defects in any work done according to such plans and specifications. By accepting a deed or other document of conveyance to a Lot, each Owner agrees to and shall defend, indemnify, save and hold the Association and the ARC, and their employees, agents, representatives or consultants, harmless from any and all loss, damage or liability they may suffer, including defense costs and attorney fees, as a result of any claims, demands, actions, costs, expenses, awards or judgments arising out of their review or approval of architectural designs, plans and specifications.

12.10 Enforcement of Architectural Guidelines. Any construction, alteration, or other work done in violation of this Declaration shall be considered to be nonconforming. Upon written request from the ARC an Owner shall at his own cost and expense remove such non-conforming construction, alteration, or other work and shall restore the land to substantially the same condition as existed prior to the non-conforming construction, alteration, or other work. Should an Owner fail to remove and restore as required hereunder, the ARC shall have the right to enter the property, remove the violation, and restore the property to substantially the same condition as existed prior to the construction, alteration or other work, without being deemed to be a trespasser.

ARTICLE XIII – DISPUTE RESOLUTION

13.1 General. The Association, all Owners subject to this Declaration, and any person not otherwise subject to this Declaration who agrees to submit to this Section (collectively, “Bound Parties”) agree to encourage the amicable resolution of disputes involving the Project, and to avoid the emotional and financial costs of litigation if at all possible. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes between such Bound Party and any other Bound Party involving the Project, shall be subject to the procedures set forth herein.

13.2 Exempt Claims. Any Bound Party having an Exempt Claim (as defined below) may submit it to the alternative dispute resolution procedures set forth in this Section, but there shall be no obligation to do so. The following Claims (“Exempt Claims”) shall be exempt from the provisions of hereof:

13.2.1 Enforcement of Declaration. Any suit by the Association against any Bound Party to enforce the provisions of this Declaration, including defensive or responsible actions by the party against whom this Declaration is taken;

13.2.2 Temporary Restraining Order. Any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association’s ability to enforce the provisions of this Declaration, including any defensive or responsible actions by the party against whom this Declaration is taken;

13.2.3 Claims Exceeding \$20,000.00. Any suit between Owners seeking redress on the basis of a Claim which would constitute a cause of action under the State of Utah in the absence of a claim based on the Governing Documents, if the amount in controversy exceeds \$20,000.00; and

13.2.4 Enforcement Regarding Mortgage. Any suit or enforcement action or exercise of any right or remedy under or in respect of any Mortgage, any indebtedness secured by such Mortgage or any other document or agreement executed in connection with such Mortgage or in respect of any right provided herein with respect to such Mortgage.

13.3 Mandatory Procedures for All Other Claims. Any Bound Party having a Claim (“Claimant”) against any other Bound Party (“Respondent”) other than an Exempt Claim, shall not file suit in any court or initiate any proceeding before any administrative tribunal seeking redress or resolution of such Claim until it has complied with the following procedures:

13.4 Notice. The Claimant shall notify each Respondent in writing of the Claim (“Notice”), stating plainly and concisely:

13.4.1 The nature of the Claim, including date, time, location, person involved, Respondent’s role in the Claim;

13.4.2 The basis of the Claim (i.e., the provision of the Declaration, Governing Documents, or other authority out of which the Claim arises);

13.4.3 What Claimant wants Respondent to do or not to do to resolve the Claim; and

13.4.4 That Claimant wishes to resolve the Claim by mutual agreement with Respondent and is willing to meet in person with Respondent at a mutually agreeable time and place to discuss in good faith ways to resolve the Claim.

13.5 Good Faith Negotiation. Each Claimant and Respondent ("Parties") shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. Upon receipt of a written request from any Party, accompanied by a copy of the Notice, the Board of Directors may appoint a representative to assist the Parties in resolving the dispute by negotiation, if in its discretion it believes its efforts will be beneficial to the Parties and to the welfare of the Project.

13.6 Final and Binding Arbitration. If the Parties do not resolve the Claim through negotiation within thirty (30) days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), the Claimant shall have thirty (30) days following Termination of Negotiations to submit the Claim to arbitration in accordance with the Rules of Arbitration maintained on file in the office of the Association or the Claim shall be deemed abandoned, and Respondent shall be release and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to Persons not a Party to the foregoing proceedings.

13.7 Arbitration Award. This constitutes an agreement of the Bound Parties to arbitrate all Claims except Exempt Claims and is specifically enforceable under the applicable Utah arbitration law. The arbitration award (the "Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under Utah law.

13.8 Allocation of Costs of Resolving Claims.

13.8.1 Costs Incurred. Each Party shall bear all its own costs incurred prior to and during the proceedings described herein, including the fees of its attorney or other representative.

13.8.2 Costs of Arbitration. Each Party shall share equally in the costs of conducting the arbitration proceeding (collectively, "Arbitration Costs"), except as otherwise provided herein, provided, however, if the Claim is rejected in whole or in part, the Claimant shall pay all Arbitration Costs, including the costs incurred by the Respondent.

13.9 Enforcement of Resolution. If the Parties agree to resolve any Claim through negotiation in accordance herewith and any Party thereafter fails to abide by the terms of such Agreement, or if the Parties agree to accept the Award following arbitration and any Party thereafter fails to comply with such Award, then any other Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth herein. In such event, the party taking action to enforce the agreement or Award shall be

entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys' fees and court costs.

ARTICLE XIV – SECURITY

14.1 Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Project designed to make the Project safer than they otherwise might be. The Association shall in no way be considered insurers or guarantors of security within the Project, however, and the Association shall not be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. Each Owner or his, her or its tenant, guest or invitee acknowledges and understands that the Board of Directors and the Association are not insurers and that each Owner or his, her or its tenant, guest and invitee assumes all risks for loss or damage to persons or property within the Project and further acknowledges that the Board of Directors and the Association have made no representations or warranties nor has any Owner or his, her or its tenant, Guest or invitee relied upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or burglar alarm systems recommended or installed or any security measures undertaken within the Project.

ARTICLE XV – AMENDMENT

15.1 General. Except as provided elsewhere in this Declaration, including by way of illustration but not limitation to sections pertaining to the annexation or withdrawal of land, any amendment to this Declaration shall require the affirmative written vote or consent of at least sixty-seven percent (67%) of the Total Votes of the Association cast either in person or by proxy or by ballot at a meeting duly called for such purpose or otherwise approved in writing by such Owners without a meeting. Any Amendment authorized pursuant to this Section shall be accomplished through the recordation in the Office of the County Recorder of an instrument executed by the Association. In such instrument an officer or delegate of the Association shall certify that the vote required by this Section for Amendment has occurred.

The definitions contained in or adopted by the Declaration shall be applicable to these Bylaws.

ARTICLE 2 - MEETINGS OF ASSOCIATION

2.1 Place of Meeting. The Association shall hold meetings at such suitable place as may be designated by the Board from time to time.

2.2 Annual Meetings. Each regular annual meeting of the members shall be held each year on the day and at a time and place within the state of Utah selected by the Board.

2.3 Special Meetings. The Association, by and through the Board, shall notice, hold and conduct a special meeting of its members (1) on call of the President or a majority of the Board,

or (2) if the Association receives one or more written demands for the meeting that state the purpose or purposes for which the meeting is to be held, and are signed and dated by members in good standing holding at least 25% of the voting rights of the Association. When a special meeting is demanded by the members, the Board shall set the time and date for the meeting so that the meeting occurs within 65 days of receipt of the demand and if notice of the meeting is not given by the Board within 30 days after the date the written demand is delivered to an Association officer, a person signing the demand may set the time and place of the meeting and give notice pursuant to the requirements herein. Business transacted at a special meeting shall be confined to the purposes stated in the notice of the meeting.

2.4 Notice of Meetings. Written notice of each meeting of the members shall be given by, or at the direction of, the Secretary or person authorized to call the meeting, in a fair and reasonable manner, including by delivering a copy of such notice to each member entitled to vote thereat, in accordance with the notice requirements specified in these Bylaws, and sufficiently in advance of the meeting to provide fair and reasonable notice of the meeting, as determined by the Board. Notice shall always be deemed fair and reasonable if given no more than thirty (30) and at least ten (10) days before the meeting, but shorter notice may also be fair and reasonable when all the circumstances are considered. The notice shall specify the place, day and hour of the meeting, and must include a description of any matter that must be approved by the members and, in the case of a special meeting, the purpose of the meeting.

2.5 Voting. Each Member shall have one (1) vote.

2.6 Proxies and Absentee Ballots. A vote may be cast in person, by proxy or by absentee ballot. A proxy given by an Owner to any person who represents the Owner at meetings of the Association shall be in writing, dated and signed by such Owner and shall be filed with the secretary in accordance with procedures adopted by resolution of the Board. No proxy shall be valid after the meeting for which it was solicited, unless otherwise expressly stated in the proxy; however, no proxy may be valid for more than eleven (11) months after the date of execution. No proxy shall be valid if it purports to be revocable without notice. An Owner may not revoke a proxy given except by actual notice of revocation to the person presiding over a meeting of the Association, or to the Board if a vote is being conducted by written ballot in lieu of a meeting. Every proxy shall automatically cease upon sale of the Unit.

2.7 Quorum of Owners. At any meeting of the Owners, those Owners present, in person or by proxy, shall constitute a quorum except as otherwise expressly provided in the Association's Governing Documents.

2.9 Binding Vote. Action on a matter other than the election of directors is approved and shall be binding upon all owners for all purposes if a quorum exists and the votes cast favoring the action exceed the votes cast opposing the action, unless a greater number of affirmative votes is required by law or the Governing Documents.

2.10 Order of Business. The order of business at annual meetings of the Association shall be according to the order established by the President, and by way of example, may include the following: (a) Calling of the roll and certifying of proxies; (b) Proof of notice of meeting or waiver

of notice; (c) Reading of minutes of the preceding meeting; (d) Reports of officers; (e) Reports of committees, if any; (f) Election of Board members; (g) Unfinished business; (h) New business; and (i) Adjournment.

2.11 Meeting Procedure. Rules of order may be adopted by resolution of the Board, otherwise, the President shall conduct meetings according to the procedure he or she deems fit. A decision of the Association may not be challenged on the basis that appropriate rules of order were not used.

2.12 Action by Written Ballot in Lieu of a Meeting. Any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the Association causes to be delivered a written ballot to every member entitled to vote on the matter not less than fifteen (15) days prior to the date on which the ballots must be received by the Association in order to be counted. A written ballot shall set forth each proposed action and provide an opportunity to vote for or against each proposed action. Approval by written ballot pursuant to this section shall be valid only when the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot. All solicitations for votes by written ballot shall indicate the number of responses needed to meet the quorum requirements; state the percentage of approvals necessary to approve each matter other than election of directors; specify the time by which a ballot must be received by the Association in order to be counted; and be accompanied by written information sufficient to permit each person casting such ballot to reach an informed decision on the matter. In the event the action is for election of Board members, there shall be space on the ballot to write in nominations. Action taken under this section has the same effect as action taken at a meeting of members and may be described as such in any document. The Board may elect to conduct a vote pursuant to this section by a secrecy procedure whereby a written ballot is accompanied by: (1) a secrecy envelope; (2) a return identification envelope to be signed by the owner; and (3) instructions for marking and returning the ballot. Written ballots that are returned in secrecy envelopes may not be examined or counted before the deadline for returning ballots has passed.

2.13 Action without Notice and a Meeting. Any action required to be taken or which may be taken at a meeting of members may be taken without a meeting and without prior notice if one or more consents in writing, setting forth the action so taken, are signed by members having not less than the minimum voting power that would be necessary to authorize or take the action at a meeting at which all members entitled to vote on the action were present and voted. All such writings must be received by the Association within a sixty day period. Any such writing may be received by the Association by electronically transmitted facsimile or other form of communication providing the Association with a complete copy thereof, including a copy of the signature thereto. Action taken pursuant to this section shall be effective when the last writing necessary to effect the action is received by the Association, unless the writings describing and consenting to the action set forth a different effective date.

ARTICLE 3 – BOARD OF DIRECTORS – SELECTION, TERM OF OFFICE

3.1 Number, Term and Qualifications.

(a) The Board of Directors for the Association shall have three (3) Directors. At the first Annual Meeting of the Association the term of office of one Board member shall be fixed at three (3) years. The term of office of one Board member shall be fixed at two (2) years, and the term of office of one Board member shall be fixed at one (1) year. At the expiration of the initial term of office of each respective Board member, his/her successor shall be elected to serve a term of three (3) years.

(b) All Board members must be an Owner or the spouse of an Owner of a Unit, except that a husband and wife may not serve on the Board at the same time. A representative of an entity which owns a Unit, and only one such representative, may serve on the Board, such that a shareholder of a corporation, a member of an LLC, a partner of a partnership, a trustee or beneficiary of a trust, or a personal representative of an estate, may serve on the Board if the corporation, LLC, partnership, trust or estate owns a Unit.

3.2 Vacancies. Vacancies on the Board, caused by any reason other than the removal of a Board member by a vote of the Association, shall be filled for the balance of the term by vote of a majority of the remaining Board members even though they may constitute less than a quorum. Each person so elected shall be a Board member until a successor is elected upon expiration of the term for which the person was elected by the other Board members to serve.

3.3 Removal of Board members.

(a) At any annual or special meeting, any one or more of the Board members, other than interim Board members, may be removed, with or without cause, by a majority of the voting interests of the members. A successor may be elected at that meeting to fill the vacancy thus created. The notice of the meeting must state that the removal is to be considered and any Trustee whose removal has been proposed by the owners may be given an opportunity to be heard at the meeting.

(b) The Board may declare the office of a member of the Board to be vacant in the event such member is absent from three (3) consecutive regular meetings of the Board or from more than 25% of the regular meetings held in any 12 month period, or, within 24 hours of a request to take action without a meeting, more than twice in any 6 month period fails to respond in writing by (1) voting for the action, (2) voting against the action, or (3) abstaining from voting and waiving the right to demand that action not be taken without a meeting. The vacancy shall be filled as provided in Section 3.2 above.

3.4 Compensation. No Board member shall receive compensation for any service he or she may render to the Association as a Board member. However, any Board member may be reimbursed for actual expenses incurred in the performance of his or her duties.

3.5 Action Taken Without a Meeting. The Board shall have the right to take any action in the absence of a meeting which they could take at a regular or special meeting if all the Board members agree in writing to take a vote or an action without a meeting. The action being taken shall not require unanimous consent of the Board. Any action so taken shall have the same effect as though taken at a meeting of the Board members.

ARTICLE 4 - NOMINATION AND ELECTION OF BOARD MEMBERS

4.1 Nomination.

(a) Method of Nomination. Nomination for election to the Board shall be made in the manner determined by the Board, which may include a Nominating Committee and/or nominations from the floor at a meeting. If one is established, the Nominating Committee shall make as many nominations for election to the Board as it shall in its discretion determine, but not less than the number of vacancies.

(b) Nominating Committee. The Nominating Committee, if any, shall consist of a chairman, who shall be a member of the Board; and one or more members of the Association.

4.2 Election. At the election, the members or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.

ARTICLE 5 - MEETINGS OF THE BOARD OF DIRECTORS

5.1 Organizational Meeting.

(a) Location, Date and Time. The first meeting of a newly-elected Board shall be held within fourteen (14) days of election at such place, date and time as shall be fixed by the Board members at the meeting at which the Board members were elected and no notice shall be necessary to owners or to the newly elected Board members in order to legally hold the meeting providing a majority of the elected Board members are present.

(b) Procedure and Business. Until the election of new officers, the meeting shall be chaired by the outgoing president, or in the absence of such person, the outgoing secretary, regardless of whether the outgoing president or secretary is as member of the newly constituted Board. At the organizational meeting, the Board shall elect officers in accordance with Section 7.2 below and may conduct any other Association business.

5.2 Regular Meetings. Regular meetings of the Board shall be held at such place and hour as may be fixed from time to time by the Board, and if so fixed, no notice thereof need be given. Should the meeting fall upon a legal holiday, then that meeting shall be held at the same time on the next day which is not a legal holiday, or at another date and time agreed upon by the Board with notice to all members of the Board.

5.3 Special Meetings. Special meetings of the Board shall be held when called by the president of the Association, or by any two (2) Board members, after not less than three (3) days' notice to each Board member by mail, electronic mail, telephone, or facsimile, unless waived pursuant to 5.7 below. The notice must state the time, place, and purpose of the meeting.

5.4 Meeting Procedure. Unless other rules of order are adopted by resolution of the Board: (a) Meetings of the Board shall be conducted by the President; (b) A decision of the Board may not be challenged because the appropriate rules of order were not used; (c) A decision of the Board is deemed valid without regard to any procedural errors related to the rules of order unless the error appears on the face of a written instrument memorializing the decision.

5.5 Open Meetings; Executive Sessions.

5.5.1 Open Meetings. Except as provided in subsection 5.5.2, all meetings of the Board shall be open to Unit Owners. However, no Owner shall have a right to participate in the Board meeting unless the Owner is also a member of the Board. The president or Board shall have the authority to exclude an Owner who disrupts the proceedings at a Board meeting.

5.5.2 Executive Sessions. In the discretion of the Board, the following matters may be considered in executive session:

- (a) Consultation with legal counsel concerning the rights and duties of the Association regarding existing or potential litigation or criminal matters;
- (b) Personnel matters, including salary negotiations and employee discipline;
- (c) The negotiation of contracts with third parties;
- (d) Collection of unpaid assessments; and
- (e) Other matters of a sensitive, private, or privileged nature at the discretion of the Board.

5.5.3 Executive Session Procedure. Except in the case of an emergency, the Board shall vote in an open meeting whether to meet in executive session. If the Board votes to meet in executive session, the president or other presiding officer shall state the general nature of the action to be considered and, as precisely as possible, when and under what circumstances the deliberations can be disclosed to owners. The statement, motion or decision to meet in executive session must be included in the minutes of the meeting.

5.6 Meetings by Telephonic or Electronic Communication. In the event of an emergency, or by decision of the Board, meetings of the Board may be conducted by telephonic communication or by the use of a means of communication that allows all members of the Board participating to hear each other simultaneously or otherwise to be able to communicate during the meeting.

5.7 Waiver of Notice. Any Board member may, at any time, waive notice of any meeting of the Board in writing, and the waiver shall be deemed equivalent to the giving of the notice. Attendance by a Board member at any meeting of the Board shall constitute a waiver of notice by the Board member, except where the Board member attends the meeting for the express purpose

of objecting to the transaction of any business because the meeting is not lawfully called or convened. If all Board members are present at any meeting of the Board, no notice to Board members shall be required and any business may be transacted at the meeting.

5.8 Quorum and Acts. At all meetings of the Board a majority of the existing Board members shall constitute a quorum for the transaction of business and the acts of the majority of the Board members present shall be the acts of the Board. If, at any meeting of the Board, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such adjourned meeting any business which might have been transacted at the meeting as originally called may be transacted without further notice.

For purposes of determining a quorum with respect to a particular proposal, and for purposes of casting a vote for or against a particular proposal, a Board member may be considered to be present at a meeting and to vote if the Board member has granted a signed written proxy: (i) to another Board member, or other person, who is present at the meeting; and (ii) authorizing the other Board member or person to cast the vote that is directed to be cast by the written proxy with respect to the particular proposal that is described with reasonable specificity in the proxy (a directed proxy).

ARTICLE 6 - POWERS, RIGHTS, AND DUTIES OF THE BOARD

6.1 General Powers and Duties. The Board shall have the powers and duties necessary for the administration of the affairs of the Association and a Utah non-profit corporation, subject only to such limitations upon the exercise of such power as are expressly set forth in the Articles, the Bylaws and the Declaration and may do all such acts and things as are not by law, the Declaration or by these Bylaws directed to be exercised and done by the Owners.

Officers shall have such duties prescribed with respect to the office by the Declaration, Bylaws, and by the Board, to the extent not inconsistent with these Bylaws or the Declaration. 11.4 Invalidity; Number; Captions. The invalidity of any part of these Bylaws shall not impair or affect in any manner the validity, enforceability, or effect of the balance of these Bylaws.
