- 5.9 Discretion in Enforcement.
- (a) Subject to the discretion afforded in this section, the Management Committee uniformly and consistently shall enforce and implement the Terms and Conditions in the Governing Documents.
 - (b) The Management Committee shall use its reasonable judgment to determine whether to exercise the Master Association's powers to impose sanctions or pursue legal action for a violation of the Governing Documents, and may include in this analysis: (i) whether to compromise a claim made by or against the Management Committee or the Master Association; and (ii) whether to pursue a claim for an unpaid Assessment.
 - (c) The Master Association may not be required to take enforcement action if the Management Committee, after fair review and acting in good faith and without conflict of interest, determines that under the particular circumstances: (i) the Master Association's legal position does not justify taking any or further enforcement action; (ii) the covenant, restriction, or rule in the Governing Documents is likely to be construed as inconsistent with current law; (iii) a technical violation has or may have occurred and the violation is not material as to a reasonable Person or does not justify expending the Master Association's resources; or (iv) it is not in the Master Association's best interests to pursue an enforcement action, based upon hardship, expense, or other reasonable criteria.
 - (d) Subject to Subsection (e) of this Section 5.10, if the Management Committee decides under Subsection (c) above to forego enforcement, the Master Association is not prevented from later taking enforcement action.
 - (e) The Management Committee shall not be arbitrary, capricious, or act against public policy in taking or not taking enforcement action.
- 5.10 Reserve Fund. Subject to the exemptions in Section 20.16 herein, the Master Association shall maintain a reserve fund and shall obtain and update a Reserve Analysis as required in Article 17 of this Declaration.
- 5.11 Preventing Conflicts with Service Providers and Vendors. Subject to the exemptions in Section 20.14 herein, the Master Association shall not permit any paid services or materials obtained by the Master Association reasonably valued at more than \$2,500 to be performed

or provided by: (a) any Management Committee Member; (b) any relative of any Management Committee Member, Manager, or of any officer, employee, or owner of the Manager; or (c) any business or entity in which any Management Committee Member, Manager, or employee, officer, or owner of any Manager or any relative of the same is employed or has more than a 10% ownership or beneficial interest without prior written disclosure of the relationship to the Management Committee and a written agreement executed by the parties. For the purpose of this Section, a relative is any natural individual known to be related by blood or marriage. The provision of services and materials for purpose of this section shall include, but is not limited to, managers, insurance brokers, investment or financial advisors, accountants, landscapers, and contractors.

- 5.12 Establishing Hearing Procedures. The Management Committee shall have the authority to create a reasonable hearing process applicable in case the Master Association shall take adverse action related to any particular Owner or group of Owners or in case a hearing process is required by law. The Management Committee shall not be under any obligation to offer a hearing process, except as required by law or by the Governing Documents, and in any such process, shall have the authority to designate the procedure related to any such hearing and to make any and all final determinations of issues subject to the hearing process. The Management Committee may establish the hearing process on an as-needed basis for particular matters as they arise or may set forth a process in the Rules applicable generally to such matters that it designates. Any such hearing process shall provide, at a minimum for: (a) at least two weeks' notice of the hearing to the Owners, and (b) a reasonable time period under the circumstances for the Owner(s) to present his/her/their own testimony, the testimony of others, argument, authority, evidence, and other information the Owner deems relevant to the disputed issue.
- 5.13 Annual Meeting. The Master Association shall arrange for and conduct an annual meeting of the Owners as provided for in the Bylaws and shall arrange for and conduct such other meetings of the Master Association as shall be properly requested pursuant to the Governing Documents or the law.
- 5.14 Payoff Information Fees. The Master Association is specifically authorized to establish a fee to provide payoff information related to the transfer, refinance, or closing of a Unit. Unless otherwise provided in the Rules and allowed by law, the amount of the payoff fee shall be twenty-five dollars (\$25.00). The Management Committee may increase or decrease the amount charged if the new amount is identified in the Rules and is consistent with Utah law.
- 5.15 Reinvestment Fee Covenant upon Sale or Transfer of Unit. The Management Committee may require the transferor/seller or transferee/buyer to pay a fee related to the transfer of a Unit (a "Reinvestment Fee") as provided for in Utah Code Ann. § 57-1-46 in an amount up to one-half of one percent (0.5%) of the value of the Unit at the time of the transfer or in such other amount as may be determined by the Management Committee and allowed by law. For purposes of this Section 5.16, a transfer is any change in the ownership of the Unit as reflected in the office of the county recorder, regardless of whether it is pursuant to the sale of the Unit or not but shall not include any transfer between the Declarant and the Builder or between the Declarant and any related entity. The amount shall be set forth by the Management Committee in the Rules consistent with Utah Code Ann. § 57-1-46. The value of the Unit for purposes of this section shall be the higher of: (a) the value of the Unit

as determined by the property tax assessor on the date of the transfer of title; (b) the purchase price paid for the Unit, related to the transfer; or (c) the value of the Unit on the date of the transfer of title as determined in an appraisal that may be obtained (in the discretion of the Management Committee) and paid for by the Master Association using an appraiser selected by the transferee of the property from a list of five appraisers selected by the Master Association. This reinvestment fee covenant may not be enforced against: (i) an involuntary transfer; (ii) a transfer that results from a court order; (iii) a bona fide transfer to a family member of the seller within three degrees of consanguinity who, before the transfer, provides adequate proof of consanguinity; (iv) a transfer or change of interest due to death, whether provided in a will, trust, or decree of distribution; or (v) the transfer of burdened property by a financial institution, except to the extent that the reinvestment fee covenant requires the payment of a common interest Master Association's costs directly related to the transfer of the burdened property, not to exceed two hundred fifty dollars (\$250.00) or such other amount as may be established by law. The Master Association shall have authority to record any notice required by law to effectuate this provision. The Master Association shall have the authority to enact Rules that may include: (1) requirements for Owners to provide sales and transfer documents; (2) requirements for the timing of responses to requests such as the selection of the appraiser; (3) default provisions if no selection is made such as allowing the Master Association to select the appraiser; and (4) other procedural requirements and rules as the Management Committee deems appropriate to effectuate the terms of this provision in a prompt and reasonable manner.

ARTICLE 6 **BUDGETS & ASSESSMENTS**

- 6.1 **Purpose of Assessments.** Money collected by the Master Association shall be used for the purposes of promoting the health, safety and welfare of the Owners; the management, maintenance, care, preservation, operation, and protection of the Project; enhancing the quality of life of the Owners in the Project; enhancing and preserving the value of the Project; and in the furtherance of carrying out or satisfying any other duty or power of the Master Association.
- 6.2 **Budget and Regular Assessment.**
- (a) The Management Committee is authorized and required to adopt a budget for the following fiscal year not later than thirty (30) days prior to the beginning of each fiscal year. The Management Committee may revise that budget from time to time as it deems appropriate.
 - (b) The budget shall cover the period of the next fiscal year. The budget shall estimate the total Common Expenses to be incurred for the next fiscal year (or that fiscal year for a revised budget), which shall be broken down into reasonably detailed expense categories. The budget shall include a line item that identifies the amount to be placed into the reserve fund. The budget also shall include an estimate of Benefitted Common Area Expenses for each Benefitted Common Area and Service Area Expenses for each Service Area and may include contingencies and other estimates as the Management Committee deems appropriate.
 - (c) The Management Committee shall send a written copy of the budget to all Owners no later than thirty (30) days after the adoption of the proposed budget or any

revised budget. A copy of the budget posted on the Master association's webpage or website shall satisfy the requirements of this subsection.

- (d) The Management Committee shall determine the amount of the regular Assessments to be paid by the Owners of each Unit by dividing the total budgeted amount for the Common Expense by the Allocated Interest for each Unit, subject to the Declarant rights in Section 20.6 herein.
 - (e) The Management Committee shall determine the amount of Benefitted Common Area Assessments to be paid by the Owners of the Units assigned to each such Benefitted Common Area by dividing the total budget amount for the each of the Benefitted Common Area Expenses by the number of Units assigned to each such Benefitted Common Area.
 - (f) The Management Committee shall determine the amount of Service Area Assessments to be paid by the Owners within each Service Area by dividing the total budget amount for each Service Area Expenses by the number of Units assigned to each such Service Area.
- 6.3 Payment of Assessments. Unless otherwise established by the Management Committee and communicated to each Owner, each Owner shall pay to the Master Association the Owner's regular Assessment, Benefitted Common Area Assessment and Service Area Assessment, as may be the case, annually or on such other quarterly or monthly installment basis as the Management Committee or the Manager may determine.
- 6.4 Adjustments to Regular Assessments. In the event the Management Committee determines that the estimate of total charges for the current year is, or will become, inadequate to meet all Common Expenses for any reason, it may then revise the budget and each Owner's share of the new budget total based on the Owner's Allocated Interest. Upon notice of the adjustment, and unless modified by the Management Committee, each Owner thereafter shall pay to the Master Association the Owner's adjusted regular Assessment.
- 6.5 Adjustments to Benefitted Common Area Assessments or Service Area Assessments. In the event the Management Committee determines that the estimate of total charges for the current year is, or will become, inadequate to meet Benefitted Common Area Expenses or Service Area Assessments, for any reason, the Management Committee may then revise the appropriate budget and each Owner's share of the new budget total based on the Owner's proportional share of the Benefitted Common Area Expenses or the Service Area Expenses, as the case may be. Upon notice of the adjustment, and unless modified by the Management Committee, each Owner thereafter shall pay to the Master Association the Owner's adjusted Benefitted Common Area Assessment or adjusted Service Area Assessment.
- 6.6 Personal Obligation for Assessment. Each Owner of any Unit, by acceptance of a deed or other instrument creating in such Owner the interest required to be an Owner, whether or not it shall be so expressed in any such deed or other instrument and regardless of any lien rights or lack thereof, hereby personally covenants and agrees with each other Owner and with the Master Association to pay to the Master Association any Assessments as provided for in the Governing Documents, including any Benefitted Common Area Assessments and Service Area Assessments and including any Assessments assessed and unpaid prior

to the date the Owner became an Owner. Each such Assessment, together with such interest, collection charges, costs and attorneys' fees, shall also be the personal obligation of the Owner of such Unit at the time the Assessment becomes due.

- 6.7 Capital Improvements. Expenses for capital improvements may be included in the budget, paid for through special Assessments, or paid for in any other manner as determined by the Management Committee.
- 6.8 Percentage Assessments. Except as otherwise provided herein, and except for special Assessments to individual Units, Benefitted Common Area Assessments and Service Area Assessments, Assessments shall be allocated to Owners based on their respective Allocated Interest in the Association.
- 6.9 Rules Regarding Billing and Collection Procedures. The Management Committee shall have the right and responsibility to adopt Rules setting forth procedures applicable to Assessments provided for in this Declaration and for the billing and collection of all Assessments, provided that such procedures are not inconsistent with the provisions herein. Such procedures and policies may include, but are not limited to, the date when Assessment payments are due and late, establishing late fees and collection charges, and establishing interest (per annum or compounded) that may be charged on unpaid balances. The failure of the Master Association to send a statement to an Owner or an error in any such statement (other than a Certificate of Payment) shall not relieve any Owner of liability for any Assessment or charge under the Governing Documents.
- 6.10 Certificate of Payment. The Master Association, within ten (10) business days after written demand by an Owner or such other Person for whom an Owner has given written permission in a form acceptable to the Master Association, shall issue a written statement or certificate signed by an officer or authorized agent of the Master Association setting forth whether the Assessments relating to a specified Unit have been paid and the amount of delinquency, if any. Each written statement or certificate is conclusive in favor of a Person who relies on the written statement in good faith. The Master Association is authorized to charge a reasonable fee for issuance of written statement or certificate of payment. Unless otherwise provided in the Rules and allowed by law, the amount of the fee shall be twenty-five dollars (\$25.00). The Management Committee may increase or decrease the amount charged if the new amount is identified in the Rules and is consistent with Utah law.
- 6.11 Special Assessments. Subject to any limitations in this Declaration for the particular type of expense, the Master Association is expressly authorized to set and collect special Assessments, payable as may be determined by the Master Association (in lump sums or over a period of time), to pay for any Common Expenses. Notwithstanding the wording or terms of any notice of special Assessment, a special Assessment shall be deemed assessed, for all purposes, on the date that the payment for the Assessment is due.
- 6.12 Special Assessments to a Particular Unit or Units within a Particular Phase or Benefitted Neighborhood. Special Assessments may be levied by the Master Association against a particular Unit and its Owner or against Units within a particular phase or Benefitted Neighborhood and their respective Owners for:

- (a) Costs incurred in bringing an Owner or Unit into compliance with the provisions of the Governing Documents;
 - (b) Any other charge not included in a Benefitted Common Area Assessment or Service Area Assessment designated by the Management Committee or the Manager as pertaining to an individual Unit or to Units within a particular phase or Benefitted Neighborhood consistent with the Governing Documents;
 - (c) Fines, late fees, collection charges, and interest; and
 - (d) Attorneys' fees, costs and other expenses relating to any of the above.
- 6.13 Acceptance of Materials or Services. In the event the Master Association undertakes to provide materials or services that are not otherwise required in the maintenance of the Project or Benefitted Common Area or in a Service Area, which benefits an individual Unit, and which can be accepted or not by the Unit Owner, such Owner, in accepting such materials or services, agrees that the costs thereof may be a special Assessment pertaining to that Unit, at the discretion of the Management Committee.
- 6.14 Application of Excess Assessments. In the event the amount budgeted to meet Common Expenses for a particular fiscal year proves to be excessive in light of the actual Common Expenses, the Management Committee, in its discretion, may apply the excess to reserves, credit the excess against future Assessments or refund the excess to the Owners in proportion to the Allocated Interests of each Unit in the Common Expenses of the Project, as the Management Committee deems appropriate. The decision of the Management Committee shall be binding and conclusive. In addition, the Master Association shall not be obligated to reduce the amount of Assessments in succeeding years if an excess exists for a prior year. In the event that amount budgeted for any Benefitted Common Area or Service Area proves to be excessive in light of the actual Benefitted Common Area Expenses or Service Area Expenses, the Management Committee, in its discretion, shall either: (a) credit the excess against future Benefitted Common Area Assessments for the particular Benefitted Common Area with the excess, or (b) credit the excess against future Services Area Assessments for the particular Service Area that had an excess, as the case may be, or (c) refund the excess to the Owners of the Units assigned to the Benefitted Common Area that had the excess or assigned to the Service Area that had an excess, as the case may be.
- 6.15 No Offsets. All Assessments shall be payable at the time and in the amount specified by the Master Association, and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that the Management Committee is not properly exercising its duties and power, a claim in the nature of offset or that the Master Association owes the Owner money, or that the Master Association is not complying with its obligations as provided for in the Governing Documents.
- 6.16 How Payments Are Applied. Unless otherwise provided for in the Rules, all payments for Assessments shall be applied to the earliest charges first. Owners shall have no right to direct the application of their payments on Assessments or to require application of payments in any specific order, to specific charges, or in specific amounts.

ARTICLE 7
NONPAYMENT OF ASSESSMENTS & JOINT AND SEVERAL LIABILITY OF OWNERS FOR ALL PAST UNPAID ASSESSMENTS

- 7.1 **Delinquency.** Assessments not paid within the time required shall be delinquent. Whenever an Assessment is delinquent, the Management Committee may, at its option, invoke any or all of the remedies granted in this Article 7.
- 7.2 **Collection Charges and Interest.** If the Master Association does not otherwise adopt or establish billing and collection procedures in the Rules, the following shall apply: The Assessments shall be due within thirty (30) days of invoicing. Payments received after thirty (30) days from invoicing may be charged an initial late fee of thirty-five dollars (\$35.00.) Thereafter, additional late fee charges of thirty-five dollars (\$35.00) per month may be added for each month that an Owner's account has an unpaid balance. In addition to late fees, interest shall accrue on all unpaid balances, including unpaid prior attorney fees, interest (resulting in compounding of interest), late fees, and Assessments, at two percent (2%) per month or such other amount as may be set forth by the association in the rules and allowed by law. Delinquent accounts may be turned over by the Association to attorneys or a collection company and additional collection charges and attorneys' fees and costs may be added to the amounts owed.
- 7.3 **Joint and Several Liability of Owner and Future Owners for All Past and Presently Accruing Unpaid Assessments.** The Owner and any future Owners of a Unit are jointly and severally liable for all Assessments accruing related to that Unit prior to and during the time that an Owner is an Owner. An Owner is not liable for any Assessments accruing after he/she has lawfully transferred the Unit to another Owner. The recording of a deed to a Person that has not agreed to take ownership of the Unit shall not be considered a legal conveyance of title. The obligation in this Section 7.3 is separate and distinct from any lien rights associated with the Unit.
- 7.4 **Lien.** The Master Association has a lien on each Unit for all Assessments, which include, but are not limited to, interest, collection charges, late fees, attorneys' fees, court costs, and other costs of collection (which shall include all costs and not be limited by those costs that may be awarded under the Utah Rules of Civil Procedure). This lien shall arise and be perfected as of the date of the recording of this Declaration and shall have priority over all encumbrances recorded after this Declaration is recorded, except as otherwise required by law. If an Assessment is payable in installments, the lien is for the full amount of the Assessment from the time the first installment is due, unless the Master Association provides otherwise in the notice of Assessment. The Master Association also has a lien on each Unit for all fines imposed against an Owner by the Master Association. This lien shall arise and be perfected when (a) the time for appeal described in Utah Code Ann. § 57-8a-208(5) has expired and the Owner did not file an appeal; or (b) the Owner timely filed an appeal under Utah Code Ann. § 57-8a-208(5) and the district court issued a final order upholding the fine. The Master Association's lien shall have priority over each other lien and encumbrance on a Unit except only: (i) a lien or encumbrance recorded before this Declaration is recorded; (ii) a first or second security interest on the Unit secured by a mortgage or trust deed that is recorded before a recorded notice of lien by or on behalf of the Master Association; and (iii) a lien for real estate taxes or governmental assessments or

charges against the Unit. The Master Association may, but need not, record a notice of lien on a Unit.

- 7.5 Action at Law. The Master Association may bring an action to recover a delinquent Assessment either personally against the Owner obligated to pay the same or by foreclosure of the Assessment lien. In addition, the Master Association's choice of one remedy shall not prejudice or constitute a waiver of the Master Association's right to exercise any other remedy. Any attorneys' fees and costs incurred in this effort shall be assessed against the delinquent Owner and the Owner's Unit, and reasonable attorneys' fees and court costs will thereafter be added to the amount in delinquency (plus interest and collection charges, if appropriate). Each Owner vests in the Master Association, or its assigns, the right and power to bring actions at law or lien foreclosures against such Owner or Owners for the collection of delinquent Assessments.
- 7.6 Foreclosure Sale. The Master Association shall have all rights of foreclosure granted by the Act, both judicially and non-judicially. The Declarant appoints Melyssa D. Davidson as trustee, who qualifies under Utah Code Ann. § 57-1-21(1)(a)(i). The Declarant hereby conveys and warrants pursuant to Utah Code Ann. § 57-1-20 and 57-8a-302 to Melyssa D. Davidson, with power of sale, the Unit and all improvements to the Unit for the purpose of securing payment of Assessments under the terms of the Declaration. The Master Association may appoint a qualified successor trustee by executing and recording a substitution of trustee form.
- 7.7 Homestead Waiver. Each Owner, to the extent permitted by law, hereby waives, to the extent of any liens created pursuant to this Declaration, whether such liens are now in existence or are created at any time in the future, the benefit of any homestead or exemption laws of the State of Utah now in effect, or in effect from time to time hereafter.
- 7.8 Termination of Delinquent Owner's Rights. The Master Association shall have all rights provided for in the Act to terminate a delinquent Owner's right to vote; provided, however, that before termination of such rights the delinquent Owner be provided at least fourteen (14) days prior notice, in accordance with the notice requirements in the Bylaws, of:
- (a) the impending termination of rights if payment is not received;
 - (b) the amount(s) past due, including any interest and late charges; and
 - (c) the right to request a hearing before the Management Committee.
- 7.9 Requiring Tenant to Pay Rent to Master Association.
- (a) Pursuant to and as provided for in the Act, the Master Association shall have a right to demand and collect rent from any tenant in a Unit for which an Assessment is more than sixty (60) days late; provided, however, that before requiring a tenant to pay lease payments to the Master Association, the Owner be provided at least fifteen (15) days' prior notice, in accordance with the notice requirements in the Bylaws, of:
 - (i) the Master Association's intent to demand the Owner's tenant pay his/her lease payments to the Master Association if payment is not received within fifteen (15) days;

- (ii) the amount(s) past due, including any interest, late charges, collection costs and attorneys' fees; and
 - (iii) that any costs of collection, including, but not limited to attorneys' fees and other assessments that become due may be added to the total amount due and to be paid through collection of the tenant's lease payments;
- (b) If the Owner fails to pay the amount owing after fifteen (15) days, the Master Association may exercise its rights to collect the lease payments from the delinquent Owner's tenant by delivering written notice to the tenant, in accordance with the notice requirements in the Bylaws, that:
- (i) due to the Owner's failure to timely pay Assessments, the Master Association has notified the Owner of the Master Association's intent to collect all lease payments until the amount owing is paid, in full;
 - (ii) Utah law requires the tenant to make all future lease payments, beginning with the next monthly or other periodic payment, to the Master Association, until the amount owing is paid, in full; and
 - (iii) the tenant's payment of the lease payments to the Master Association does not constitute a default under the terms of the tenant's lease agreement with the Owner.
- (c) The Master Association shall mail to the Owner a copy of the notice to given to the tenant.
- (d) The tenant to whom notice under Section 7.9(b) is given shall pay to the Master Association all future lease payments as they become due and owing to the Owner beginning with the next monthly or other period payment until the Master Association notifies the tenant that the amount owed by the Owner is paid.
- (e) The delinquent Owner shall credit each payment that his/her tenant makes to the Master Association pursuant to this Section 7.9 against any obligation that the tenant owes to the Owner as though the tenant made such payment to the Owner and Owner may not initiate suit or other action against the tenant for failure to make any lease payment that the tenant pays to the Master Association as required under Section 7.9(d).
- (f) Within five (5) business days after the amount owing is paid, in full, the Master Association shall notify the tenant, in accordance with the notice provisions in the Bylaws, that the tenant is no longer required to pay future lease payments to the Master Association and a copy of said notice shall be mailed to the Owner.

7.10 Attorneys' Fees Incurred as a Result of a Default. In addition to any attorney fees and costs provided for herein, the Master Association shall be entitled to recover all reasonable attorney fees and costs incurred as a result of an Owner's failure to timely pay Assessments, including but not limited to attorneys' fees and costs incurred to: (a) obtain advice about a default; (b) collect unpaid Assessments; (c) file lawsuits or other legal proceedings related to a default in an effort to collect unpaid Assessments; (d) file pleadings, notices, objections, and proofs of claim in any bankruptcy proceeding; (e) examine the debtor or

others related to collections; (f) monitor any bankruptcy proceedings including but not limited to regular monitoring of an Owner's progress in a chapter 13 plan for the duration of the plan; (g) file relief from stay motions, objections, or other adversary proceedings in bankruptcy and all related activities including seeking and responding to discovery, taking depositions or examinations, introduce evidence, hiring and paying expert witnesses, filing motions and other pleadings, attending trials, hearings, or other court proceedings, including as reasonably necessary related to assert any non-dischargeability of debts, to assert claims against the estate or co-debtors, to challenge exemptions, to pursue any appropriate adversary proceeding, or for any other reason related to the ultimate attempt to collect unpaid Assessments; and (h) foreclose a lien, secure lien rights, or prepare any notice of lien. This provision is to be construed broadly to permit the Master Association to recover any reasonable fees and costs in any way related to an Owner's default in the payment of Assessments and the ultimate collection of those Assessments.

- 7.11 Master Association Responsibility after Foreclosure. If the Master Association takes title to a Unit pursuant to a foreclosure (judicial or non-judicial), the Master Association shall not be bound by any of the provisions related to the Unit that are otherwise applicable to any other Owner, including but not limited to: obligations to pay assessments or maintain the Unit.

ARTICLE 8

- 8.1 Approval Required for Construction and Landscaping. To protect the integrity of Declarant's design scheme for the Project, construction of a Dwelling and/or construction of other improvements shall require the prior, written approval of the Management Committee. The Management Committee, in its discretion, may establish and may assign some or all of its authority and/or obligations to review construction and any alteration or modification of a Unit's exterior and landscaping and any alteration or modification of previously approved landscaping to an Architectural Review Committee. Members of the Architectural Review Committee, if any is established, shall serve at the pleasure of the Management Committee. Approval by Builder's sales personnel, design staff, or construction personnel is insufficient for purposes of this Section 8.6.
- 8.7 Landscaping Requirements. Unless otherwise provided by written agreement between the Declarant and Owner or between Builder and Owner, or unless otherwise provided in a Supplement to Declaration for a particular phase of the Project, the Owner shall be responsible, at the Owner's expense, to landscape the Lot and adjacent parkstrip, pursuant

No grading, construction, or landscaping, and no structure, plants, or other material shall be permitted or allowed to remain which may damage, interfere, or alter drainage channels or obstruct or retard the flow of water through such drainage channels or create erosion or sliding problems, or interfere with any utility easement or right of way. Each Owner shall be responsible to landscape and maintain his/her/their Lot in a manner consistent with existing land drain system and drainage pattern existing on the Lot at the time of the initial sale so as not to interfere with or impair the land drain system in the Project or the existing drainage pattern on any other Lot.
- 8.11 Slope Control Area Maintenance. The slope control area of the Lot, if any, and all improvements thereon shall be maintained continuously by the Owner of the Lot (excluding any improvements for which a governmental or quasi-governmental authority or utility provider is expressly responsible).
- 8.12 Fencing. Except as otherwise provided in a Supplement to Declaration for a particular phase of the Project, and except for fences constructed or installed by the Declarant or Builder, if any, construction or installation of fences on a Lot is prohibited without prior, written approval of the Management Committee. Front-yard fencing of any kind is prohibited. Side and/or rear yard fences must comport with applicable County ordinance governing set back and height. Side and/or rear yard fences constructed or installed on a Lot must be consistent with the Dwelling on that Lot with respect to architectural style, color and materials and must otherwise comport with the Community-Wide Standards, as

determined by the Management Committee, in its sole discretion. Fences permitted under this Declaration shall be made of high-quality durable materials requiring minimal maintenance such as wrought iron, masonry, or vinyl. The following materials are prohibited: (a) plastic material (other than vinyl); (b) materials not typically used or manufactured for fencing such as metal roofing panels, corrugated or sheet metal, tarps, or plywood; (c) solid or private composite materials or similar hollow-wall panels or product; and (d) chain link. Side-yard and screening fencing shall connect to the home no fewer than 2 feet from the front plane of the Dwelling.

- 8.13 Accessory Structure. No Accessory Structure shall be permitted without the prior written approval of the Management Committee consistent with County setback requirements. No Accessory Structure may occupy more than twenty-five percent (25%) of the rear yard. The height of an Accessory Structure shall be subordinate to the height of the Dwelling, provided, however, that in no event may the height of an Accessory Structure exceed 34 feet. The style, colors and materials for an Accessory Structure must be substantially similar to the colors and materials of the Dwelling. Tin or aluminum sheds are prohibited.
- 8.14 Variance. Notwithstanding anything to the contrary in this Article 8, the Management Committee may authorize variances from compliance with the minimum standards and requirements when topography, natural obstructions, environmental considerations, esthetics, or hardship require, but only with the prior approval of the County. For purposes of this Section 8.13, neither an inability to obtain County or other governmental approval or a building permit nor financing restrictions or limitations shall be considered as a hardship meriting a variance. If a variance is granted, no violation of the covenants, conditions, or restrictions contained in this Declaration or the Architectural Guidelines shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and provision hereof covered by the variance, and shall not affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of the Unit.
- 8.15 Enforcement of Architectural Requirements and Standards. Any construction, alteration, landscaping, or other improvements and any work done in violation of the Terms and Conditions in this Article 8 shall be deemed nonconforming. Upon written notice from the Management Committee, an Owner, at his/her/their sole cost and expense, shall remove such non-conforming construction, alteration, landscaping, improvement or other work and shall restore the Unit to substantially the same condition that existed prior to the conforming work. Should an Owner fail to remove and restore as required hereunder, the Declarant shall have the right to enter onto the Lot and remove the violation and restore the Unit to substantially the same condition as existed prior to the nonconforming construction, alteration, landscaping, improvement or other work without being deemed as a trespasser.

- 8.16 Minimum Standards and Requirements and Architectural Guidelines Not Applicable to Declarant. Notwithstanding anything in Article 8 to the contrary, the Declarant shall be exempt from the architectural review process established pursuant to this Article 8. The Declarant shall have sole authority and responsibility to approve plans for the initial constructions of a Unit and initial landscaping.

Each Owner and those claiming by, through or under an Owner agree to execute promptly all such documents and instruments and to do such other things as may be necessary or convenient to effect the same at the request of the Association

- 9.4 Encroachment Easements. If any part of the Common Area and Facilities or Benefitted Common Area encroaches or shall hereafter encroach upon a Unit, a valid easement for such encroachment and for the inspection, maintenance, repair and replacement of the same shall and does exist. If any part of a Unit constructed by the Declarant or the Builder encroaches or shall hereafter encroach upon the Common Area and Facilities, Benefitted Common Area, or upon an adjoining Unit, a valid easement for such encroachment and for the maintenance of the same shall and does exist. Such easement for encroachments shall extend for the duration of the encroachment. Such encroachments shall not be considered to be encumbrances either on the Common Area and Facilities or the Units. Encroachments referred to herein include, but are not limited to, encroachments caused by error in the manner of construction, error in the Plat, ground settling, rising or shifting, or changes in position caused by repair or reconstruction of the Project or any part thereof.
- 9.5 Right of Access. Each Owner shall have a right of ingress and egress over, across, and through the Common Area and Facilities as necessary for access to the Owner's Unit and any Limited Common Area appurtenant to the Owner's Unit and shall have the right to the horizontal, vertical and lateral support of the Owner's Unit. Such right of access and right to support shall be appurtenant to and shall pass with title to the Unit and in no event shall such appurtenant right be separated therefrom.
- 9.6 Right of Access for Emergency Services. A right of access and right of ingress and egress over and across any Common Area and Facilities within the Project is hereby granted to any governmental or quasi-governmental body having jurisdiction over the Project for purposes of providing police and fire protection, transporting school children, and providing emergency and other governmental or municipal services.
- 9.7 Nonexclusive Owner Right and License to Use Common Area and Facilities. Subject to all other terms and conditions of the Governing Documents, each Owner shall have the nonexclusive right and license for use and enjoyment of the Common Area and Facilities and the nonexclusive right and license for the use and enjoyment of the Benefitted Common Area to which that Owner's Unit has been assigned, if any, subject to any use restrictions provided in this Declaration or in the Rules or other Governing Document. Such nonexclusive use right and license shall be appurtenant to and shall pass with title to the Unit and in no event shall such appurtenant right and license be separated therefrom. Authorized Occupants shall have the same right and license for the use and enjoyment of the Common Area and Facilities and assigned Benefitted Common Area, if any, as the Owner whose Unit the Occupant is occupying.

- 9.8 No View Easements. Views from a Unit and the Project are not assured or guaranteed in any way and no view easement shall be granted to any Owner. The Management Committee may exercise its judgment for specific animals even though others of the same breed or type are permitted to remain. The following acts shall be considered a nuisance: (a) causing damage to the Unit or personal property of anyone other than the pet owner; (b) causing unreasonable fouling of the air by odors; (c) causing unsanitary conditions; (d) running loose throughout the Project and not on a leash and under the control of a responsible individual; (e) barking, howling, whining, or making other disturbing noises in an excessive, continuous or untimely fashion; (f) molesting or harassing passersby by lunging at them or chasing passing vehicles; (g) attacking or threatening to attack people or other pets; (h) otherwise acting so as to bother, annoy or disturb the sensibilities of a reasonable individual or interfering with the rights of Owners and Occupants to the peaceful and quiet enjoyment

- (i) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell, from any other Unit, or the Common Area and Facilities;
 - (ii) the business activity conforms to all zoning and legal requirements for the Project and the business activity;
 - (iii) the business activity does not involve solicitation of Occupants or Owners of the Project;
 - (iv) the business activity does not create parking issues or increased vehicle traffic in the Project from clients, customers, vendors, service providers or other individuals coming into the Project who do not reside in the Project, as determined by the Management Committee, in its sole discretion.
 - (v) the business activity is consistent with the residential character of the Project and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other Owners and Occupants of the Project;
 - (vi) the business activity is disclosed to the Management Committee before business is commenced along with a description of the business activity, a statement of the amount of space required in the Unit for such activity, and a description of any impact on the Project;

No subdivision plat or covenants, conditions, or restrictions shall be recorded by any Owner or other Person with respect to any one Unit. No subdivision plat or covenants, conditions, or restrictions related to any Unit or the Project shall be recorded on the Project unless the Management Committee and/or Owners (as required in this Declaration) have first approved the plat or the proposed covenants, conditions, or restrictions. Any plat or covenants, conditions, or restrictions recorded in violation of this Section 10.13 shall be null, void, and of no legal effect.
- 10.14 Variances. The Management Committee, at its option and in extenuating circumstances, may grant variances from the Terms and Conditions set forth in Article 10 if the Management Committee determines, in its discretion (by majority vote): (a) either that the Term and Condition would create an unreasonable hardship or burden on an Owner or Occupant, or that a change of circumstances since the recordation of this Declaration has rendered such Term and Condition obsolete and unreasonable to enforce; and (b) that the activity permitted under the variance will not have any financial affect or any other substantial adverse effect on the Owners or Occupants of the Project and is consistent with the Community-Wide Standards. Any such variance shall be unenforceable and without any effect whatsoever unless reduced to writing and signed by every member of the then existing Management Committee. No variance may be granted that is inconsistent with the Act. No variance may be granted that relates to the payment of Assessments unless, after reasonable investigation under the circumstances, it clearly appears that the Owner is incapable of paying the Assessment and the Unit is being or has been transferred to a new Owner either voluntarily or involuntarily through foreclosure.
- 10.15 Hazardous Substances.
- (a) The Owners shall comply with applicable Environmental Laws (as defined below), and shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances (as defined below), on or within the Project, that are not properly controlled, safeguarded, and disposed of. The Owners shall not do, or allow anyone else to do, anything affecting the Project that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on the Project of small quantities of Hazardous Substances that are generally recognized to be appropriate to the maintenance of a Unit or the Project.
 - (b) Each Owner shall indemnify, defend and hold the Master Association and each and every other Owner harmless from and against any and all claims and proceedings (whether brought by private party or governmental agency) for bodily injury, property damage, abatement or remediation, environmental damage or impairment, or any other injury or damage resulting from or relating to any Hazardous Substances located under or upon or migrating into, under, from or through the Project, which the Master Association or the other Owners may incur due to the actions or omissions of an indemnifying Owner. The foregoing indemnity shall apply: (i) when the release of the Hazardous Substances was caused by an indemnifying Owner or an Occupant; and (ii) whether or not the alleged liability is attributable to the handling, storage, generation, transportation or disposal of

Hazardous Substances on the Project. The obligations of each Owner under this Section 10.15 shall survive any subsequent sale of the Unit by an indemnifying Owner.

- (c) As used in this Section 10.15, "Hazardous Substances" are those substances defined as a toxic or hazardous substance by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde and radioactive materials. As used in this Section 10.15, "Environmental Law" means federal and state laws and County code and other ordinances or restrictions of the jurisdiction where the Project is located that relate to health, safety or environmental protection.

ARTICLE 11 INSURANCE

- 11.1 Insurance Requirement. The Master Association shall obtain insurance as required in this Declaration and as required by applicable law. The Master Association may obtain insurance that provides more or additional coverage than the insurance required in this Declaration. Different policies may be obtained from different insurance carriers and standalone policies may be purchased instead of or in addition to embedded, included coverage, or endorsements to other policies. Insurance specific to a Benefitted Common Area or a Service Area may be obtained by the Master Association and the cost included in the Benefitted Common Area Expenses, or in the Service Area Expenses, as the case may be.
- 11.2 Annual Insurance Report. Prior to the annual meeting of the Master Association, the Management Committee shall obtain a written report by an independent and experienced insurance broker, agent, or consultant (who may be the insurance provider/agent/broker used by the Master Association), with specific knowledge and experience in the community association insurance industry, setting forth: (a) a summary description of the insurance coverage obtained by the Master Association, including the dollar amounts of any such coverage, and any material exceptions, exclusions, and limitations on such coverage; (b) whether, in the opinion of such broker or consultant, the insurance coverage in effect for the Master Association complies with the requirements of this Declaration and the law; The report shall also set forth any recommendations or suggestions from the insurance professional regarding current policy provisions, deductibles, exceptions, exclusions, and for additional insurance suggested or recommended for the protection of the Owners in light of the insurance then available and the best practices with respect to other similar projects. The most recent annual insurance report shall be made available to the Owners at or before the annual meeting of the Master Association and shall be provided to any Owner at any other time upon request.
- 11.3 Property Insurance
- (a) Hazard Insurance.
- (i) Blanket Policy of Property Insurance. The Master Association shall maintain a blanket policy of property insurance covering the entire Project to include the Common Area and Facilities and the physical structure of all

attached Dwellings, Limited Common Area appurtenant to such attached Dwellings, fixtures, betterments, and the structures' service equipment. Pursuant to § 57-8a-405(4) of the Act, the blanket policy of property insurance shall not apply to Single-Family detached Dwellings that are not physically attached to any other Dwelling or to a Common Area and Facilities structure. An Owner of a Unit that is Single-Family detached dwellings shall be responsible to obtain property insurance coverage for his/her own Unit.

- (b) Flood Insurance.
 - (i) Except for Single-Family detached Units, if any part of the Project is or comes to be situated in a Special Flood Hazard Area as designated on a Flood Insurance Rate Map, a policy of flood insurance shall be maintained covering at a minimum, that portion of the Project located within the Special Flood Hazard Area.
 - (ii) If the Project is not situated in a Special Flood Hazard Area, the Master Association may, nonetheless, in the discretion of the Management Committee, purchase flood insurance to cover water and flooding perils to Common Areas and Facilities not otherwise covered by blanket property insurance.
- (c) Earthquake Insurance. The Master Association may purchase earthquake insurance as the Management Committee deems appropriate for Common Area and Facilities and buildings or structures for which the Master Association has a legal obligation to obtain property insurance.
- (d) Master Association's Obligation to Segregate Property Insurance Deductible. The Master Association shall keep separate an amount equal to the Master Association's property insurance policy deductible or \$10,000, whichever is less. This requirement shall not apply to any earthquake or flood insurance deductible.
- (e) Master Association's Right to Not Tender Claims that are under the Deductible. If, in the exercise of its business judgment, the Management Committee determines that a covered loss is likely not to exceed the Master Association's property insurance policy deductible, and until it becomes apparent the covered loss exceeds the Master Association's property insurance deductible and a claim is submitted to the Master Association's property insurance insurer: (i) the Owner's policy is considered the policy for primary coverage for any loss to the Owner's Unit, to the amount of the Master Association's policy deductible; (ii) the Association is responsible for any loss to any Common Area and Facilities; and (iii) an Owner who does not have a policy to cover the damage to that Owner's Unit is responsible for that damage and the Master Association may, as provided in section 11.3(b)(iii)(2), recover any payments the Master Association makes to remediate that Unit; and (iv) the Master Association need not tender the claim to the Master Association's insurer.
- (f) Notice Requirement for Deductible. The Master Association shall provide notice to each Owner of the Owner's obligation under this Article 11 for the Master

Association's policy deductible and of any change in the amount of the deductible. If the Master Association fails to provide notice of the initial deductible, it may be responsible for the entire deductible in case of any loss. If the Master Association fails to provide notice of any increase in the deductible, it may be responsible for paying any increased amount that would otherwise have been assessed to the Owner. The failure to provide notice shall not invalidate or affect any other provision in this Declaration.

- 11.4 Comprehensive General Liability (CGL) Insurance. The Master Association shall obtain CGL insurance insuring the Master Association, the agents and employees of the Master Association, and the Owners, against liability incident to the use, repair, replacement, maintenance, or ownership of the Common Area and Facilities and the Owner's membership in the Master Association. The coverage limits under such policy shall not be less than one million dollars (\$1,000,000) covering all claims for death of or injury to any one individual or property damage in any single occurrence. Such insurance shall contain a Severability of Interest Endorsement or equivalent coverage which would preclude the insurer from denying the claim of an Owner because of the negligent acts of the Master Association or another Owner.
- 11.5 Director's and Officer's Insurance. The Master Association shall obtain Directors' and Officers' liability insurance protecting the Management Committee, the officers of the Master Association, and the Master Association against claims of wrongful acts, mismanagement, failure to maintain adequate reserves, failure to maintain books and records, failure to enforce the Governing Documents, and breach of contract (if available). This policy shall: (a) include coverage for volunteers and employees; (b) include coverage for monetary and non-monetary claims; (c) provide for the coverage of claims made under any fair housing law or similar state or federal statute or that are based on any form of discrimination or civil rights claims; and (d) provide coverage for defamation. In the discretion of the Management Committee, the policy may also include coverage for any Manager and any employees of the Manager and may provide that such coverage is secondary to any other policy that covers the Manager or any employees of the Manager.
- 11.6 Insurance Coverage for Theft and Embezzlement of Master Association Funds. The Master Association shall obtain insurance covering the theft or embezzlement of funds that shall: (a) provide coverage for an amount of not less than the sum of three months regular Assessments in addition to the prior calendar year's highest monthly balance on all operating and reserve funds; and (b) provide coverage for theft or embezzlement of funds by: (i) Officers and Management Committee members of the Master Association; (ii) employees and volunteers of the Master Association; (iii) any Manager of the Master Association; and (iv) officers, directors, and employees of any Manager of the Master Association.
- 11.7 Workers' Compensation Insurance. The Management Committee shall purchase and maintain in effect workers' compensation insurance for all employees of the Master Association to the extent that such insurance is required by law.
- 11.8 Certificates. Any insurer that has issued an insurance policy to the Master Association shall issue a certificate of insurance to the Master Association and upon written request, to any Owner or Lender.

- 11.9 Named Insured. The named insured under any policy of insurance shall be the Master Association. Subject to Sections 11.1 and 11.3(a)(i), each Owner shall also be an insured under all property and CGL insurance policies.
- 11.10 Master Association's Right to Negotiate All Claims and Losses and Receive Proceeds. Insurance proceeds for a loss under the Master Association's property insurance policy shall be payable to an Insurance Trustee (defined below) if one is designated, or to the Master Association, and shall not be payable to a holder of a security interest. An Insurance Trustee, if any is appointed, or the Master Association, shall hold any insurance proceeds in trust for the Master Association, Owners, and lien holders. Insurance proceeds shall be disbursed first for the repair or restoration of the damaged property, if the property is to be repaired and restored as provided for in this Declaration. After any repair or restoration is complete, and if the damaged property has been completely repaired or restored, any remaining proceeds shall be paid to the Association. If the property is not to be repaired or restored, then any proceeds remaining after such action as is necessary related to the property has been paid for, shall be distributed to the Owners and lien holders, as their interests remain with regard to the Units. The cost of repair or replacement of any Unit in excess of insurance proceeds and reserves is a Common Expense to the extent the Master Association is required under this Declaration or the law to provide insurance coverage for the Unit. Each Owner hereby appoints the Master Association, or any Insurance Trustee, as attorney-in-fact for the purpose of negotiating all losses related thereto, including: the collection, receipt of, and appropriate disposition of all insurance proceeds, the execution of releases of liability, and the execution of all documents and the performance of all other acts necessary to administer such insurance and any claim. This power-of-attorney is coupled with an interest, shall be irrevocable, and shall be binding on any heirs, personal representatives, successors or assigns of an Owner. In the discretion of the Management Committee or upon written request executed by Owners holding fifty percent (50%) of the total Allocated Interests, the Management Committee shall hire and appoint an insurance trustee ("Insurance Trustee"), with whom the Master Association shall enter into an insurance trust agreement, for the purpose of exercising such rights under this Section as the Owners or Management Committee (as the case may be) shall require.
- 11.11 Owner Act Cannot Void Coverage Under Any Policy. Unless an Owner is acting within the scope of the Owner's authority on behalf of the Master Association and under direct authorization of the Master Association to terminate an insurance policy, an Owner's act or omission may not void an insurance policy or be a condition to recovery under a policy.
- 11.12 Waiver of Subrogation Against Owners and the Master Association. All property and CGL policies must contain a waiver of subrogation by the insurer as to any claims against the Master Association, the Owners, any individuals residing with a Unit Owner if an Owner resides in the Unit, and the Master Association's agents and employees.
- 11.13 Right of Action. Nothing in this Declaration shall prevent an Owner suffering a loss as a result of damage to property from asserting a claim, either directly or through subrogation, for the loss against a Person at fault for the loss.
- 11.14 Applicable Law. This Declaration is specifically subjecting the Master Association to the applicable insurance requirements and provisions of Part 4 of the Utah Community Association Act, and any amendments thereto enacted by law. It is the intent of this Section

that any future changes to the insurance law applicable to community associations shall apply to this Master Association.

ARTICLE 12
EMINENT DOMAIN

- 12.1 **Taking of a Unit.** If a Unit is taken by eminent domain, or sold under the threat thereof, or if a portion of a Unit is taken by eminent domain, or sold under the threat thereof, leaving the Owner with a remnant that may not practically or lawfully be used for any purpose permitted by this Declaration, the undivided interests in the Common Areas and Facilities and Allocated Interests in the Association shall be reallocated among the remaining Units.
- 12.2 **Taking of Common Area.** If the portion of the Common Area and Facilities or Benefitted Common Area is taken by eminent domain, or sold under threat thereof, is not comprised of or includes any Unit, the Management Committee shall, as soon as practicable, cause the award to be utilized for the purpose of repairing or restoring that area in the Project adjacent to the taking, and the portion of the award not used for restoration shall be added to the general funds of the Master Association.

Without limiting the generality of the foregoing, the Declarant alone may amend or terminate this Declaration prior to the closing of a sale or transfer of any Unit.
- 20.7 Expansion of Project/Additional Land. The Declarant may add land to or withdraw land from the Project and expand or contract the Project, at any time, and for any reason, consistent with the Development Agreement, as the same may be amended.
- 20.8 Right to Designate Benefitted Common Area and Service Area and Benefitted Neighborhood and Modify Prior Designations. Until the expiration of the Declarant Control Period, the Declarant shall have the unilateral authority and sole right to designate any phase or portion of the project as a Benefitted Neighborhood and to designate Benefitted Common Area and/or Service Area and assign particular Units thereto, as the case may be. During the Declarant Control Period, the Declarant shall have the unilateral authority and sole right to modify any previous designation.
- 20.9 Assignment of Declarant Rights. The Declarant, at any time, by recording a written notice, may assign or transfer all or some of its control, power, authority, or decision-making ability to the Master Association or any other Person or entity prior to the end of the Declarant Control Period. In the case of the abandonment of the Project by the Declarant, the cessation of business by the Declarant, or the foreclosure of any undeveloped property that is subject to the provisions of this Declaration, the rights of the Declarant as provided for in this Declaration may be exercised by any owner of the undeveloped land within the project or to be expanded into the Project.
- 20.10 Exceptions from Use Restrictions. The Declarant shall not be bound by any use restriction in the Declaration as it relates to the Units owned by the Declarant.
- 20.11 No Modification of Declarant Rights. Any Declarant Rights in the Governing Documents and, specifically, in this Article 20, shall not be substantively or procedurally altered without the written consent of the Declarant during the Declarant Control Period. Any document or amendment attempted during the Declarant Control Period without obtaining proper consent shall be void *ab initio* to the extent it attempts to alter the rights of the Declarant or any provision of Article 20, without the consent of the Declarant. Any consent to waive, change, or alter any provisions of Article 20 by any future Declarant (as a result of any voluntary or involuntary assignment of Declarant rights) shall effect a change to those provisions only as to that Declarant and shall not be applicable to any prior Declarant without that prior Declarant's specific consent.
- 20.12 Use of Units and Common Areas and Facilities for Sales Activities. During the Declarant Control Period, the Declarant shall have the right to use any Unit owned by it, and any part of the Common Areas and Facilities and any part of any Benefitted Common Area in furtherance of any activities designed to accomplish or facilitate construction, improvement and sale of all Units owned by the Declarant or to be added to the Project, and the construction and improvement of all Common Areas and Facilities and Benefitted Common Area as the Declarant, from time to time, may desire. The Declarant shall have the right to maintain one or more sales offices. Such offices may be located on any Unit with the permission of the Owner of that Unit, who may be the Declarant, or in one or more

separate structures, trailers, or facilities placed in the Project for the purpose of aiding the Declarant's sales efforts, or any combination of the foregoing. The Declarant shall also have the right to maintain any number and size of promotional, advertising, or directional signs, banners, or similar structures or devices at any place or places in the Project. The Declarant shall also have the right to designate by signs or otherwise any street or other parking as parking for sales only or to otherwise restrict and use any Common Area parking. The Declarant shall have the right from time to time to relocate, move, remove, or add to any of its sales offices, parking restrictions, signs, banners or similar structures or devices.

- 20.13 Right to Use Common Area and Facilities for Special Events. The Declarant may use the Common Area and Facilities and Benefitted Common Area to sponsor special events for charitable, philanthropic, political, or marketing purposes, subject to the following conditions: (a) the availability of the Common Area and Facilities; (b) payment of costs and expenses incurred and indemnification of the Master Association against any loss or damage resulting from the special event; (c) return of the Common Area and Facilities in the same condition as existed prior to the special event.
- 20.14 Exemption from Service Provider and Vendor Conflict Provision. The restrictions set forth in Section 5.12 of this Declaration shall not apply to service providers or vendors engaged by the Master Association during the Declarant Control Period.
- 20.15 Declarant Rights Do Not Impose Obligations. The Declarant Rights provided for in this Article 20 shall not be construed to impose any obligation, legal or equitable, related to the issues to which they might apply. Both the Master Association and each Owner, by purchasing a Unit, waive and disclaim any such duty and affirmatively acknowledge that no such duty exists or should be imposed as a result of the Special Declarant Rights.
- 20.16 Declarant Exemption from Statutory Obligations. Pursuant to § 57-8a-217(6) of the Act, Declarant is hereby exempt from the provisions of § 57-8a-217 of the Act. Pursuant to § 57-8a-211(10) of the Act and Article 17 herein, § 57-8a-211(2)-(9) of the Act shall not apply or have any effect during the Declarant Control Period and, as allowed specifically by law, the Declarant shall have no duty whatsoever to obtain a Reserve Analysis or to fund any Reserve Fund during the Declarant Control Period.

ARTICLE 21

CONFLICT AND LITIGATION AVOIDANCE

- 21.1 Statement of Intent. Every Owner is capable of obtaining an inspection and is permitted to perform, or pay someone else to perform, any inspection on any Unit that Owner is purchasing or any aspect of the Project; all prior to purchasing a Unit. Having had the ability to inspect prior to purchasing a Unit and having paid market price for a Unit in the condition it and other Units and the Common Areas and Facilities are in at the time of purchase, it is acknowledged that it is unfair and improper thereafter to seek to have the Declarant and/or the Builder or any subcontractor performing work in the Project change, upgrade, or add additional work to the Project outside of any express warranty obligation. Moreover, each Owner (by purchasing a Unit) and the Declarant acknowledge and agree that litigation is an undesirable method of resolving certain conflicts in that it is slow, expensive, uncertain, and can often negatively impact the sale value and ability to obtain financing for the purchase of Unit for years, unfairly prejudicing those Owners who must

sell or who want to sell their respective Units during any period when litigation is pending. For this reason, each Owner, by purchasing a Unit, and the Declarant agree and acknowledge that certain disputes simply shall not be pursued, to the extent permitted by law, and that other disputes shall be pursued only through certain specific alternative dispute resolution mechanisms and only after full disclosure, right to cure periods, and knowing approval of the Owners. Consistent with this dispute avoidance intent and mandate, and in an effort to provide an avenue of recovery against the party responsible for faulty construction, the Declarant may obtain and provide warranties to the Master Association from subcontractors that the Master Association may enforce related to the development and construction of the Project. It is the intent of the parties hereto, as agreed to by each Owner by and upon the purchase of a Unit, that these warranties (from subcontractors), if they are obtained, whatever they might cover and whomever they are from, are the sole remedy to the extent permitted by law, in case of any defects or damages of any kind arising from or related to construction or development of the Project. The intent of this Article 21 is to eliminate, to the extent possible, claims against or involving the Declarant and claims related to the construction of the Subdivision Improvements, the Common Area and Facilities, the Benefitted Common Area and the Units in the Project, and, when and if any such claim is permitted as a matter of law or pursuant to this Declaration, to ensure that every opportunity is made to resolve the claim outside of litigation. This effort shall include, but not be limited to, the right to cure and the requirements for mediation and arbitration.

- 21.2 Master Association Warranties. The Declarant may, but is not obligated to, provide for certain warranties from subcontractors to the Master Association related to the construction of the Project. The Master Association shall have the right, as provided for in any such warranties, to directly enforce and seek performance of these warranties from the subcontractors who performed the work in the construction of the Project. There is no guarantee or warranty by the Declarant that any warranties will be provided or that the warranties will cover any particular component or aspect of the Project.
- 21.3 Owner Warranties. The Declarant may, but is not obligated to, provide certain warranties to the Owners related to the Units purchased. The first Owner of a Unit to whom any warranty is issued or with whom a legal warranty arises, and only that Owner, shall have the right to directly enforce and seek performance from the Declarant of any terms of the warranty and only consistent with the warranty itself. The Master Association shall have no right to seek the performance of or take assignment of any rights in any warranties from the Declarant to an Owner and the Owner shall have no right to assign any rights of any kind to the Master Association related to pursuing litigation against the Declarant.
- 21.4 Waiver of Subrogation and Release. The Master Association and each Owner, by and upon taking title to a Unit, waives any right to subrogation against the Declarant and the Builder in the Project. This waiver shall be broadly construed and applied to waive, among other things, any attempt by any insurer of any Owner or of the Master Association from pursuing or exercising any subrogation rights, whether arising by contract, common law, or otherwise, against the Declarant and Builder (including their respective principles, officers, managers, shareholders, members, employees, agents, and representatives). To the full extent permitted by law, the Master Association and Owners hereby release the Declarant and Builder (including their respective principles, officers, managers, shareholders,

members, employees, agents and representatives) from any and all liability to the Master Association and all Owners, and anyone claiming through or under them by way of subrogation or otherwise, for any loss, injury, or damage to property, caused by fire or any other casualty or event, even if such fire or other casualty shall have been caused by the fault or negligence of Declarant or Builder or any of its respective principles, officers, managers, shareholders, members, employees, agents and representatives. The Master Association and each Owner agree that all policies of insurance shall contain a clause or endorsement to the effect that this release and waiver of subrogation shall not adversely affect or impair such policies or prejudice the right of the Master Association or any Owner to recover thereunder. The Master Association and all Owners shall indemnify and defend the Declarant and the Builder, and any of their respective officers, employees, owners, or representatives, from any claims barred or released by this provision, including but not limited to any claim brought under any right of subrogation.

21.5 Declarant and/or Builder Litigation.

- (a) Notwithstanding anything to the contrary in the Act, an Owner may only make a claim against the Declarant, to the extent allowed herein or by law after the following efforts at dispute resolution have been completed: (i) Right to Cure: the Owner shall provide to the Declarant a Notice of Claim (defined below) and permit the Declarant one hundred eighty (180) days to cure or resolve the claim or defect or to try to get its contractor or the appropriate subcontractor to cure or resolve the claim or defect, prior to initiating any lawsuit, claim, or dispute resolution process; (ii) if the dispute is not resolved within the 180-day Right to Cure period, the parties agree to mediate the dispute prior to taking further action. If additional, different, or modified claims, damages, calculations, supporting information, or descriptions are added, provided to, or asserted against the Declarant that were not included in any previously submitted Notice of Claim, the Right to Cure period provided for in this section shall immediately apply again and any pending action, including any mediation or arbitration, shall be stayed for the 180-day period.
- (b) For any claim allowed by law or by this Declaration, the parties agree to binding arbitration of all claims asserted against the Declarant, Builder, or subcontractor by either the Master Association or any Owner, with the initiating party advancing all arbitration costs subject to assignment of those costs by the arbitrator in a final decision on the merits. The parties to any such arbitration mutually shall work, in good faith, to agree upon the arbitrator, mediator, arbitration service, and all aspects of the arbitration and mediation proceedings. In case of any disagreement regarding the mediation or arbitration service, the American Arbitration Association shall administer the mediation and arbitration and the rules applicable to construction disputes shall apply. The arbitration rules shall be subject to the requirements of this Declaration and shall be modified accordingly in case of any conflict between the Rules and this Declaration.
- (c) “Notice of Claim” shall mean and include the following information: (i) The nature of the claim; (ii) a specific breakdown and calculation of any alleged damages; (iii) a specific description of the claim along with any supporting opinions, information, or other factual evidence upon which the claim is based; (iv) photographs of any alleged condition, if applicable; (v) samples of any alleged defective conditions or

materials; (vi) all efforts taken to avoid, mitigate, or minimize the claim or any alleged damages arising therefrom; and (vii) the names, phone numbers, and addresses of every Person providing factual information, legal or factual analysis, or legal or factual opinions related to the claim.

- (d) Notwithstanding any other provision in this Declaration, except as to an Owner Warranty, and to the fullest extent permitted by the law, an Owner shall not and agrees not to commence or maintain any litigation, arbitration, or other action against the Declarant, the Builder or any of their respective principles, officers, managers, shareholders, members, employees, agents and representatives, for any reason, including, but not limited to, alleged construction defects or any damages arising therefrom.
- (e) Notwithstanding any other provision in this Declaration, and to the fullest extent permitted by the law, the Master Association shall not and cannot commence or maintain any litigation, arbitration, or other action against the Declarant or its principles, officers, managers, shareholders, members, employees, agents and representatives, for any reason, including but not limited to for alleged construction defects, any related claims, or any damages arising therefrom.
- (f) The Master Association shall indemnify and defend the Declarant and its principles, officers, managers, shareholders, members, employees, agents and representatives, against any litigation, arbitration, or the assertion of any claim arising out of any alleged construction defect in or related to the Declarant's development and/or construction of the Project and/or any damages arising therefrom. By and upon taking title to a Unit, each Owner specifically disclaims and releases the Declarant from any claim, known or unknown, related to any defect in the Project not specifically covered by either a Master Association Warranty or an Owner Warranty, except only as may be limited by law. The Master Association and each Owner acknowledge and agree that such warranties, if provided, and whatever coverage they might provide are the sole remedy of the Master Association related to any alleged or actual construction defects. In case of any claim or litigation asserted related to any construction defect arising in any Unit, the Owner agrees to defend the Declarant (which shall permit the Declarant to select counsel and require the Owner to advance all costs and fees related to any such claim) from any such claim and to indemnify both the Declarant and the Builder from any liability arising therefrom.
- (g) Subject only to the provisions in the Owner Warranties (if any) and any Master Association Warranties (if any), the Master Association and the Owners take ownership and possession of the Units and Common Areas and Facilities "AS IS," with all faults and with no warranties of any kind except as otherwise required by law. **THE DECLARANT SPECIFICALLY DISCLAIMS ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR USE, OR OF HABITABILITY, TO THE FULL EXTENT ALLOWED BY LAW.**
- (h) If otherwise allowed by law notwithstanding the terms of this Declaration or if allowed in this Declaration, prior to the Master Association making any demand or

commencing any mediation, arbitration, or litigation (any “action”) against a Declarant or any contractor or subcontractor involved in the original construction of the Project, other than a claim made solely upon an Master Association Warranty against a subcontractor, the Master Association must have a meeting of the Owners, with proper notice, and have all attorneys, experts, and other Persons expected to be involved in the claim present at the meeting. Those Persons present, including the Management Committee, must permit discussion among the Owners and questions from the Owners and must respond to all reasonable questions of the Owners related to the proposed claims. The notice for the aforesaid meeting must include the following information:

- (i) a statement must be made on the first page of such notice in bold, upper case, and not less than 22-point font: “The Master Association is contemplating serious and potentially time-consuming and expensive litigation against the Declarant of this project. This litigation could cost you money in the form of increased assessments and will likely impact the resale value of your Unit and your ability to sell your Unit while this litigation is pending. This litigation could take years to resolve. You should think seriously about this issue and attend the meeting on this issue”;
- (ii) a budget and detailed breakdown of all costs and legal fees reasonably estimated to be caused by the expected litigation including a breakdown of any costs and fees to be advanced by anyone including any attorney or other representative of the Master Association under any contingency arrangement, and all those costs and fees to be paid directly by the Master Association, all of which shall assume the litigation will last five years (unless it is reasonably expected to last longer in which case the longer period shall be used for this estimate) and require a trial on the merits;
- (iii) a detailed explanation of where any money to be paid by the Master Association will be obtained including a per Unit breakdown of all costs and fees per year, assuming the litigation will last five years;
- (iv) a written statement of each Management Committee member indicating that member’s position on the litigation;
- (v) a legal opinion on the likelihood of success of any such litigation or arbitration from an attorney not associated with the attorney or law firm who is anticipated to bring any such action, analyzing the applicable law, Governing Documents, and all relevant and known factual information;
- (vi) all terms of the agreement between the Master Association and the attorney or law firm prosecuting the action including a copy of any engagement letter, contract, or agreement related to that representation; and
- (vii) a detailed description of the alleged claims against the Declarant and of all efforts by the Master Association to resolve those claims prior to commencing any action.

In addition to the requirements above and before commencing any action, the Master Association must obtain the approval of fifty-one percent (51%) of the total Allocated Interests in the Master Association or the approval of at least seventy-five percent (75%) of those Owners present, in person or by proxy, at a lawfully called and properly noticed special meeting for that purpose only. Any such a special meeting must occur no sooner than thirty (30) days and not later than sixty (60) days after the meeting required above. The Master Association cannot special assess, borrow money, or use any reserve funds to fund any such action or to pay for any costs associated with any such action, including but not limited to copying costs, deposition costs, expert witness costs, and filing fees.

- (i) The existence of procedures and/or requirements in this Article 21 applicable to claims against the Declarant or its contractors or subcontractors that are barred or limited in other provisions of this Declaration shall not be construed as permitting any such claims or as contradictory to a prohibition or limit on such claims in other provisions in this Declaration. The procedures and requirements to assert a claim (including, but not limited to, the right to cure requirements, the meeting and Owner approval requirements, the mediation requirement, and the arbitration requirements) that are prohibited by this Declaration are provided solely in case any such claim is permitted by law notwithstanding the terms of this Declaration.
- (j) Prior to engaging any lawyer or firm to represent the Master Association related to any litigation described in this section, the Master Association shall obtain independent counsel to review the engagement letter governing that representation and advise the Master Association to ensure that the requirements in this Declaration are satisfied related to that engagement. The Master Association shall continue the representation of independent counsel to monitor the representation by that counsel and to ensure that any proceeding is prosecuted diligently, competently, and consistent with the requirements of the engagement letter and this declaration.

21.6 Land Owners. All Persons owning land that is initially or subsequently incorporated into the Project and who sign the Declaration or any amendment thereto subjecting that land to the Declaration and incorporating it into the Project, shall be afforded the same rights, protections, and litigation avoidance procedures that are provided for the Declarant in this Article 21.

- 1.2 **Notice.** Notice as required in these Bylaws shall be accomplished as provided for in the Declaration.

**ARTICLE II
OWNERS**

- 2.1 **Annual Meetings.**
 - (a) **Requirement.** An annual meeting of the Owners shall be held no less than once each calendar year.
 - (b) **Date and Time.** The date and time of the annual meeting shall be determined by the Management Committee, in its discretion.
 - (c) **Purpose.** The Annual Meeting shall be held for the following purposes.
 - (i) electing members of the Management Committee;
 - (ii) distributing of the budget, if it was not distributed before the meeting;
 - (iii) announcing the current deductible for the Master Association’s property insurance and the Owners’ potential responsibility for this deductible, and permitting questions and discussion on insurance issues and coverage; and
 - (iv) transacting such other business as may properly come before the meeting.
 - (d) **Approval of Minutes.** The minutes of the annual meeting may be approved by the Owners at the next annual meeting, or, in the Management Committee’s discretion, by the Management Committee at a subsequent meeting of the Management Committee.
 - (e) **Election of Management Committee Members.** If the election of the Management Committee members cannot be held on the day designated for the annual meeting of the Owners, or at any adjournment thereof, the Management Committee shall cause the

election to be held at a special meeting of the Owners, to be convened as soon thereafter as may be convenient.

2.2 Special Meetings.

- (a) Who May Call. Special meetings of the Owners may be called by the Management Committee, the President, or upon the written request of Owners holding not less than twenty-five percent (25%) of the Allocated Interest of the Master Association.
- (b) Requirements for Request of Owners. Any written request for a special meeting by the Owners shall include the signature of each Owner affirmatively supporting such request along with a statement of the purpose of the meeting. The statement of affirmation and purpose must be on every document containing signatures. Such written request is to state the purpose or purposes of the meeting and shall be delivered to the Manager, or the President, who shall then call, provide notice of, and conduct a special meeting within sixty (60) days of receipt of the request that shall address the purpose identified on the request, but no other issues.

2.3 Place of Meetings. The Management Committee may designate the office of the Manager or any place within the County, Utah as the place of meeting for any annual or special meeting.

2.4 Notice of Meetings. The Management Committee shall cause written notice of the time and place, and in the case of a special meeting, the purpose, for all meetings of the Owners (whether annual or special) to be delivered, not more than thirty (30) nor less than ten (10) days prior to the meeting.

2.5 Owners of Record. For the purpose of determining Owners entitled to notice of or to vote at any meeting of the Owners, or any adjournment thereof, the Management Committee may designate a record date, which shall not be more than thirty (30) or less than ten (10) days prior to the meeting. If no record date is designated prior to sending notice of the meeting, the first date on which a notice of the meeting is sent shall be deemed to be the record date for determining Owners entitled to notice of or to vote at the meeting. The Person appearing in the records of the Master Association on such record date as the Owners of record of Units in the Property shall be deemed to be the Owners of record entitled to notice of and to vote at the meeting of the Owners.

2.6 Quorum. The Owners and the holders of proxies entitled to cast votes present at an annual or special meeting shall constitute a quorum for the transaction of business.

2.7 Proxies. At each meeting of the Owners, each Owner entitled to vote shall be entitled to vote in person or by proxy; provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been executed by the Owner or by the Owner's attorney when duly authorized in writing. If a Unit is jointly owned, the instrument authorizing a proxy to act may be executed by any one (1) Owner of such Unit or that Owner's attorneys when duly authorized in writing. Such instrument authorizing a proxy to act shall set forth the specific matters or issues upon which the proxy is authorized to act, and may allow the proxy to vote on any issue arising at any particular meeting or meetings. Such instrument shall be delivered either prior to or at the meeting (but no later than any point after the start of the meeting and announced as the final time to deliver proxies) to the Secretary of the Master Association or to such other officer or

individual who has been authorized by the Master Association to accept proxies at the meeting. An Owner may appoint and transmit a proxy by any means consistent with the §16-6a-712(2) of the Utah Revised Nonprofit Corporation Act, including, without limitation, by electronic mail.

- 2.8 Votes. With respect to each matter submitted to a vote of the Owners, each Owner entitled to vote at the meeting shall have the right to cast, in person or by proxy, one vote for each Unit of such Owner. The affirmative vote of a majority of the votes entitled to be cast by the Owners present or represented by proxy at a meeting at which a quorum was initially present shall be necessary for the adoption of any matter voted on by the Owners, unless a greater proportion is required by these Bylaws, the Declaration, the Act, or the Revised Nonprofit Corporations Act. When more than one Owner holds an interest in a Unit, any Owner may exercise the vote for such Unit on behalf of all co-Owners of the Unit. In the event of two conflicting votes by co-Owners of one Unit, no vote shall be counted for that Unit but one Owner shall be counted for the purposes of establishing a quorum. In no event shall fractional votes be exercised in respect to any Unit.
- 2.9 Ballots and Written Consent. The Master Association may utilize written consents and/or ballots consistent with the requirements of the Revised Nonprofit Corporation Act. If a secure site is established and administered by the Association or Manager, online, electronic, and email ballots are permitted.
- 2.10 Minutes of Meetings. The secretary shall take minutes of all meetings of the Owners. The minutes shall include, at a minimum, (a) the identification of the Persons present at the meeting in person and by proxy; (b) the date of the meeting; (c) the identification of any issue that is voted on or decided in the meeting; (d) the number of votes cast for and against any issue decided upon; and (e) the exact wording of any resolution passed at the meeting. The failure to take appropriate minutes or otherwise comply with this section 2.10 does not invalidate any action taken at a meeting. Draft meeting minutes for each meeting of the Owners shall be made available upon request.

ARTICLE III MANAGEMENT COMMITTEE

- 3.1 Number, Tenure, Qualifications, and Election.
- (a) Number of Members. The Management Committee shall be composed of three (3) individuals meeting the qualifications stated in the Declaration, subject to the Declarant Rights set forth in the Declaration.
- (b) Member Requirements. At all times after the end of the Declarant Control Period and turnover of the Project from the Declarant, at least two (2) of the Management Committee Members must have as their primary residence a Unit in the Project. All candidates for the Management Committee shall indicate either in a written statement provided prior to the meeting or verbally at the meeting whether his or her Unit in the Project is that person's primary residence. Any candidate whose election or appointment would contravene this requirement shall be ineligible for election or appointment. In determining which of multiple candidates elected shall serve if only one can serve and maintain the requirements of this provision, the highest vote getter

shall prevail. If both have equal votes, then the issue shall be resolved by a coin toss. Candidates must also be current Assessments.

- (c) Term. Except during the Declarant Control Period, and except for the terms of the initial member of the Management Committee elected upon turnover of management of the Master Association the term of each Management Committee Member shall be two (2) years. The initial members of the Management Committee elected upon turnover of the Master Association from the Declarant shall serve terms of one (1) year, two (2) years and three (3) years so as to create staggered terms to provide for continuity and institutional memory. The initial members of the Management Committee shall decide among themselves which member shall serve the one (1) year term, which member shall serve the two (2) year term and which member shall serve three (3) year term.
- (d) Nominations. At or before the annual meeting or any subsequent meeting at which the election is held, any Owner may submit his/her own name or the name of any other willing and otherwise qualified person to serve on the Management Committee. If the Master Association gives advance notice of any persons seeking election to the Management Committee, it shall include the names of every person from whom it has received the written affirmation. If the name of a person is submitted who is not in attendance at the meeting, it shall not be added to the final ballot for election of Management Committee Members unless it is submitted with a written statement signed by the person indicating that the person is willing to serve.
- (e) Disqualification. If any Management Committee Member is alleged to not meet the qualification requirements in the Declaration and any Management Committee Member is notified of or discovers this alleged lack of qualification, the Management Committee shall promptly investigate and verify whether the Management Committee Member is qualified or not, and during this period shall not make any further decisions. If the Management Committee Member is not qualified, the Management Committee Member's membership on the Management Committee shall terminate automatically retroactive to the date that written notice of an alleged lack of qualification was provided to the Master Association or, if no notice was provided, to the date that the Management Committee established that the Management Committee Member was not qualified. If a Management Committee Member becomes unqualified or was not qualified under the Governing Documents but was nonetheless elected to or permitted to remain on the Management Committee, the decisions and actions of the Management Committee and that Management Committee Member are not subject to challenge on this basis up to the time that the Master Association is notified in writing as provided for in this Section.
- (f) Removal for Failure to Participate. If any Management Committee Member shall fail to appear at three (3) successive regular Management Committee meetings in a row or fifty percent (50%) or more of the regular Management Committee meetings within any calendar year, after having received proper notice of the meetings and after the Management Committee has attempted in good faith to schedule meetings consistent with all of the members' schedules, the other Management Committee Members may by unanimous vote remove that member and appoint a new member.

3.2 Meetings.

- (a) **Regular Meetings.** The Management Committee shall hold regular meetings at least quarterly, and more often at its discretion.
- (b) **Who Is Entitled to Attend.** Consistent with § 57-8a-226 of the Act, Owners may attend meetings and may be present for all discussion, deliberation, and decisions except when the Management Committee is in executive session.
- (c) **Special Meetings.** Special meetings of the Management Committee may be called by or at the request of any two Management Committee Members or the President of the Master Association. Notice of any special meeting shall be given at least forty-eight (48) hours prior thereto to each Management Committee Member. Except for Owners who previously have requested, in writing, and except as otherwise required by law, notice of Management Committee meetings, no notice of special meetings is required to be provided to Owners, although any Owner may attend a special meeting if the Owner appears at the physical location of the meeting in person.
- (d) **Quorum and Manner of Acting.** A majority of the Management Committee Members shall constitute a quorum for the transaction of business at any meeting of the Management Committee. The act of a majority of the Management Committee Members present at any meeting at which a quorum is present and for which proper notice was provided to the Management Committee Members shall be the act of the Management Committee. The Management Committee Members shall act only as a Management Committee, and individual Members shall have no powers as such.
- (e) **Place and Notice of Meetings.** The Management Committee may designate any place in the County as the place of meeting for any regular meeting called by the Management Committee but shall in good faith attempt to hold meetings at the office of the Manager or in as close a proximity to the Project as reasonably possible. All Management Committee Members and Owners requesting notice, in writing, shall be given at least ten (10) days' notice of regular meetings.
- (f) **Executive Session.**

 - (4) Rule violations by owners, including but not limited to the discussion of complaints and whether to impose fines or utilize any particular remedy to address particular violations.
 - (5) The Management Committee or the Sub Committee holding the executive session shall determine who outside of that committee shall allowed to be present in executive session, and no one else is entitled to be present. All members of the Management Committee shall be entitled to be present at executive committee meetings of the Management Committee. All members of a Sub-Committee shall be entitled to be present in executive sessions of the Sub-Committee.

3.3 Informal Action and Action by Committee Members without a Meeting.

- (a) Any action that is required or permitted to be taken at a meeting of the Management Committee may be taken without a meeting if each and every Management Committee Member, in writing, either:
 - (i) votes for the action or
 - (ii) votes against or abstains from voting and does not exercise his/her/their right to demand that action not be taken without a meeting.
- (b) An action taken pursuant to this section shall not be effective unless the Master Association receives writings:
 - (i) describing the action taken;
 - (ii) signed by each Management Committee Member; and
 - (iii) not revoked pursuant to subsection 3.3(d).

- (c) Action is taken under this section is effective only if the affirmative vote for the action equals or exceeds the minimum number of votes that would be necessary to take the action at a meeting at which all of the management committee members then in office were present and voted.
- (d) A Management Committee Member may revoke consent to any action given pursuant to this section by communicating that the member has changed his/her/their vote, in writing, with a description of the action. To be effective, the revocation must be received before receipt of the final consent necessary for the action to be effective.
- (e) An action approved of pursuant to this section is effective when the last writing necessary to satisfy this section is received by the Master Association.
- (f) Action taken pursuant to this section has the same effect as action taken at a meeting of the Management Committee and may be described as an action taken at a meeting of the Management Committee Members in any document.
- (g) For purposes of this section:
 - (i) “Signed” or “signature” is any indication on the document (whether paper or electronic) that the document is from and consented to by the person who is purported to have sent it. For example, a typed name at the bottom of an email satisfies the requirement for a signature.
 - (ii) “Writing” shall refer to an email, letter, facsimile, or any other physical or electronic document.
 - (ii) Communications may be by email, facsimile, hand delivery, mail, or other electronic or physical means.
- (6) Any response to any electronic communication shall be:
 - (i) to the address of the sender using the same address and means of communication as was used to send the request for consent of an action (such as email, facsimile, or hand delivery); or
 - (ii) to any address in regular use (electronic, telephonic, or physical) by the person sending the request.
- (7) A communication shall satisfy the requirement to “describe the action taken” if:
 - (i) it is in the form of an email and it includes with the email the content of prior emails in the email chain that describe or include the proposed action;
 - (ii) it is in the form of a facsimile and it includes either as a separate page or on the page in which a response is given, the request for action or a description of the proposed action; or

- 3.6 Vacancies. If vacancies shall occur in the Management Committee by reason of the death, resignation, removal for failure to attend meetings, or disqualification of a Management Committee Member, the Management Committee Members then in office shall continue to act, and such vacancies shall be filled by a vote of the Management Committee Members then in office, even though less than a quorum may be available. Any vacancy in the Management Committee occurring by reason of removal of a Management Committee Member by the Owners may be filled by election by the Owners at the meeting at which such Management Committee Member is removed.
