The assessments may be paid by property owners in ten (10) annual installments with interest on the unpaid balance at a rate or rates fixed by the City Council, or the whole or any part of the assessment may be paid without interest within fifteen (15) days after the ordinance levying the assessment becomes effective. The assessments shall be levied according to the benefits to be derived by each property within the District. Other payment provisions and enforcement remedies shall be in accordance with Chapter 15, Title 10, Utah Code, 1953, as amended.
