**FIRST AMENDMENT
TO
MOUNTAINSIDE RESORT
MASTER DEVELOPMENT AGREEMENT**

THIS FIRST AMENDMENT TO THE MOUNTAINSIDE RESORT MASTER DEVELOPMENT AGREEMENT (this "**Amendment**") is entered into this 17th day of February, 2022, by and between the MILITARY INSTALLATION DEVELOPMENT AUTHORITY, a political subdivision of the State of Utah ("**MIDA**"), and EX UTAH DEVELOPMENT LLC, a Delaware limited liability company ("**Master Developer**").

RECITALS:

A. This Amendment amends that certain Mountainside Resort Master Development Agreement (the "**Original Agreement**"), which Original Agreement is dated August 19, 2020 and was recorded in the official records of the Wasatch County Recorder on August 20, 2020 as Entry No. 483120 in Book 1307 at Page 1743 (as such Original Agreement has been modified or amended prior to the date hereof and by this Amendment, the "**Agreement**"). Capitalized terms not otherwise defined in this Amendment shall have the meaning ascribed to them in the Original Agreement.

B. The Agreement affects certain real property (the "**Mountainside Property**") described therein and described on Exhibit A attached hereto and incorporated herein by this reference.

C. The Original Agreement was entered into by and among MIDA, Master Developer and the following Landowners (the "**Original Landowners**"): BLX LLC ("**BLX**"), BLX MAYFLOWER LLC ("**BLXM**"), BLX PIOCHE LLC ("**BLX Pioche**"), BLX LAND LLC ("**BLX Land**"), BLX MWR HOTEL LLC ("**BLX MWR**"), RH MAYFLOWER LLC ("**RH Mayflower**"), and 32 DOM MAYFLOWER LLC ("**32 DOM**"), each of which is a Delaware limited liability company.

D. Following the execution of the Original Agreement various parcels of the Mountainside Property have been conveyed to Affiliates of Master Developer (the "**Master Developer Affiliates**," being the following Delaware limited liability companies: BLX Lease 2

LLC, Pioche Village Fee Estate LLC, BLX Lot 1A LLC, BLX Lot 2 LLC, BLX Lot 3 LLC, BLX Lot 4 LLC, BLX Lot 5 LLC, BLX Lot 6 LLC, BLX Lot 7 LLC, BLX Lot 8 LLC, BLX Lot 9 LLC, BLX Lot 10 LLC, BLX Lot 11 LLC, BLX Lot 18 LLC, BLX Lot 19 LLC, BLX Lot 21 LLC, BLX Lot 22 LLC, BLX Lot 23 LLC, BLX WYE LLC, BLX Park Peak LLC and BLX Ventana LLC), together with certain other third parties, all of whom are identified as the recipients of portions of the Mountainside Property on Exhibit B attached hereto and incorporated herein by this reference.

E. As of the date of this Amendment, BLX Pioche, RH Mayflower, 32 Dom, BLX Lot 12, BLX Lot 14-17, and Pioche Village Fee (collectively, "**Prior Landowners**") no longer own any portion of the Mountainside Property but are executing this Amendment for purposes of acknowledging their consent and agreement to the same.

F. BLX, BLX Mayflower, BLX Land and BLX MWR, together with MIDA (in its proprietary as opposed to regulatory capacity), the Master Developer Affiliates, RS21 Mayflower LLC and IEG Pioche constitute the "**Landowners**" under the Agreement and currently own parcels of real property or lots of record included in the Mountainside Property.

G. Pursuant to the requirements of Section 5 of the Original Agreement, Master Developer, Original Landowners and MIDA were authorized and have the right to amend the Original Agreement without the further consent or approval of the Landowners, and now desire to amend the Original Agreement as more fully set forth below.

AGREEMENT:

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants made herein and in the Original Agreement, the receipt and sufficiency of which are hereby acknowledged, the parties to this Amendment agree as follows:

1. Amendment of Recitals. Recital K of the Agreement is hereby amended and restated in its entirety as follows:

K. WHEREAS, BLXM submitted the BLXM Master Plan to MIDA for review and, on December 17, 2018, the MIDA Board (as defined herein) approved the BLXM Master Plan and adopted amendments to Chapter 5 of the MIDA Development Standards pursuant to Resolution 18-27 (as approved, the "**BLXM Master Plan**").

2. Amendment of Section 1.1. Section 1.1 of the Agreement is hereby amended and restated in its entirety as follows:

1.1 **Effective Date.** The Effective Date of this Agreement is deemed to be August 19, 2020 (the "**Effective Date**"), which Effective Date was established upon the execution of the Original Agreement by the Parties.

3. Amendment of Section 3.2.1. Section 3.2.1 of the Agreement is hereby amended and restated in its entirety as follows:

3.2.1 Mountainside Property Located Within BLXM Master Plan.

(a) This Agreement is intended to implement the approved BLXM Master Plan as an MDP (as defined in the MIDA Development Standards) and also to specify the Maximum Residential Density for the Mountainside Property and the Blue Ledge Parcel. This Agreement is also intended to clarify and add detail to the development approvals authorized in the BLXM Master Plan.

(b) In the event of any inconsistency between the terms of this Agreement and the provisions of the BLXM Master Plan, the terms and provisions of this Agreement shall control. Consistent with Section 5.06(1) of the MIDA Development Standards, to the extent, if any, that the terms of this Agreement clarify or effectively interpret the MIDA Development Standards, then the terms of this Agreement shall control.

(c) The MIDA Board's approval of the BLXM Master Plan includes its approval of the various attachments thereto, including the roadways, Trails and other infrastructure improvements shown thereon and contemplated thereby. In connection with its approval of this Agreement, MIDA has approved the Mountainside Resort Land Use Plan and the Mountainside Resort Utility and Infrastructure Plans, which are updated versions of the land use and infrastructure planning documents included in the BLXM Master Plan. The Mountainside Resort Land Use Plan identifies the general location and configurations of various land uses within the Mountainside Resort.

(d) As applicable, approved permitted uses, conditional uses, densities per acre, building heights, roof slopes, setbacks, and other similar land use rules and regulations within each of the land use areas identified in the BLXM Master Plan shall be those uses, densities and other development standards allowed or otherwise approved pursuant to the MIDA Development Standards. As of the Acceptance Date and subject to this Agreement and Applicable Law, Master Developer's vested development rights for the Mountainside Property within the BLXM Master Plan include the right to develop such Mountainside Property in accordance with the BLXM Master Plan and the Mountainside Resort Land Use Plan for any and all of the approved uses identified in the MIDA Development Standards; provided, however, that the maximum number of Residential Development ERUs developed on the Mountainside Property shall not exceed the number of Residential Development ERUs' shown on the "**Development ERU—Density Allocation Schedule**" attached hereto as Exhibit D.

3. **Amendment of Section 4.1.1.** Section 4.1.1 of the Agreement is hereby amended and restated in its entirety as follows:

4.1.1. **Generally.** As of the Acceptance Date of this Agreement, Developer shall have the vested right to develop the Mountainside Resort in accordance with this Agreement, the Development Entitlements, and Applicable Law. Master Developer additionally reserves the right, in its reasonable discretion, to name and/or change or otherwise modify the name of the Mountainside Resort from time-to-time throughout the Term of this Agreement. Any prior land use entitlements or restrictions arising with respect to the Density Determination and any documents entered into in connection therewith that relate to or affect the Mountainside Property are hereby agreed by the Parties to be subsumed into the Development Entitlements and shall be of no further force or effect. For the avoidance of

doubt, the foregoing statement is not intended to affect the validity and continuing effectiveness of the BLXM Master Plan or the North Mayflower Master Plan, each of which shall continue to be in full force and effect pursuant to their respective terms, as the same may be amended from time to time, notwithstanding any subdivision or combination of parcels within the Mountainside Resort or any assignment of development rights or Development ERUs with respect to a particular Project or Development Lot within the Mountainside Resort to a Project Developer pursuant to the terms of this Agreement. Notwithstanding the foregoing, the Parties anticipate MIDA taking such actions as are necessary to exercise jurisdiction as the land use authority with respect to development and other agreements pertaining to the use of land within the West Side, even if such agreements were entered into by Wasatch County or another government body that had land use jurisdiction when such agreements were executed. MIDA's jurisdiction with respect to such historical agreements arises from MIDA's exclusive land use jurisdiction under the MIDA Act, as well as the express articulation and acknowledgment of such jurisdiction in the West Side Interlocal Agreement. The Parties will cooperate in filing whatever is necessary to evidence the release of prior instruments of record that are no longer applicable to the Mountainside Resort.

4. **Amendment of Section 4.2.3.** Section 4.2.3(g) of the Agreement is hereby deleted in its entirety.

5. **Amendment of Section 5.** Section 5 of the Agreement is hereby amended and restated in its entirety as follows:

Unless otherwise expressly provided in this Agreement or a Transfer Acknowledgement, MIDA and Master Developer may amend this Agreement by mutual written consent, and no amendment or modification of this Agreement shall require the consent or approval of any Landowner or other Person having any interest in any specific lot, parcel, unit or other portion of the Mountainside Resort.

6. **Amendment of Section 12.** The reference to Exhibit F in Section 12 of the Agreement is hereby amended and restated in its entirety to be:

“Exhibit F West Side Frontage Road Improvements”

7. **Updated Cross-References.** The cross-references identified below are hereby updated and corrected as set forth below:

- (a) “Section 3.24.2” found in the last line of Section 3.11.5 shall be “Section 3.25.2”;
- (b) The reference to the “North Village Master Plan” found in the last line of Section 3.28 shall be the “North Mayflower Master Plan”; and
- (c) The Sub-Section references in Section 10.15 (i.e. 10.13.1 through 10.13.7) shall be Sub-Sections 10.15.1 through 10.15.7, respectively and each as applicable.

8. **Definitions.** The following Definitions from Exhibit B of the Agreement are hereby amended and restated in their entirety as follows:

“Additional Cure Period” shall have the meaning set forth in Section 10.15.4.

"BLXM Master Plan" has the meaning set forth in Recital K, as such BLXM Master Plan is amended by Master Developer and approved by MIDA from time to time. A copy of the BLXM Master Plan is on file with MIDA.

“East Overlook Improvements” means those certain improvements planned for the East Overlook Parcel and identified on the depiction of the East Overlook Parcel reviewed by the DRC on April 21, 2020 (such improvements being listed below for ease of reference), together with such other improvements as are installed on the East Overlook Parcel from time-to-time pursuant to subsequently obtained development approvals pursuant to the MIDA Development Standards. The improvements identified on the depiction of the East Overlook Parcel identified above are: Cat Barn, Maintenance Shop, Maintenance Yard, Electrical Substation, Water Tanks, Pump Stations, Laundry, Recycling Facility, Compost Facility, Village Refuse Facility, Ski Terrain Access, Snow Storage, Ancillary Uses, Admin Offices, Employee Parking and Public and Private Utilities.

“East Side Frontage Road Improvements” means those frontage road improvements to be constructed by MIDA pursuant to Section 3.8(4), which East Side Frontage Road Improvements include: (a) the construction of a roadway running from the western opening of the Southern Portal of the Portal Improvements and continuing thereafter until it connects with Highway 319 on the East Side; and (b) frontage road improvements commencing on the western opening of the Northern Portal of the Portal Improvements and continuing thereafter on the East Side and connecting to the Jordanelle Parkway.

“Eligible Mortgagee” has the meaning set forth in Section 10.15.3.

“Estoppel Certificate” has the meaning set forth in Section 10.15.7.

“Existing Fee Schedule” has the meaning set forth in Section 3.16.3.

“Lenders” has the meaning set forth in Section 3.33.

“Mortgage” has the meaning set forth in Section 10.15.1.

“Mortgagee” has the meaning set forth in Section 10.15.1.

“North Mayflower Master Plan” means a master plan for the portion of the Mountainside Resort located generally north of the property subject to the BLXM Master Plan, which North Mayflower Master Plan was approved by the MIDA Board on September 1, 2020 pursuant to MIDA Resolution No. 2020-26. Upon approval of the North Mayflower Master Plan, the North Mayflower Master Plan replaced the Pioche Master Plan in its entirety; provided, however, such replacement did not reduce the number of Development ERU’s allocated to the Pioche Property pursuant to the West Side Interlocal Agreement.

“Pioche Master Plan” means that certain 2010 Master Plan, Density Determination, and Physical Constraints Analysis, as referenced in that certain Pioche – South Master Plan

Agreement, dated June 21, 2010, and recorded in the office of the Wasatch County Recorder on July 8, 2010 and Entry No. 360688 at Book 1017, as the same may be amended, supplemented or otherwise modified from time to time, including, without limitation, such amendments and other modifications as are approved pursuant to the North Mayflower Master Plan. The Pioche Master Plan was approved by Wasatch County but was not separately approved by MIDA and the Pioche Master Plan was ultimately replaced by the North Mayflower Master Plan, which preserves the vested right of BLX Pioche to develop the number of Development ERU's allocated to the Pioche Property pursuant to the West Side Interlocal Agreement.

“**Term**” has the meaning set forth in Section 2.1.

“**West Side**” has the meaning set forth in Recital F.

9. **Exhibits.** Exhibit H, Exhibit I, Exhibit L and Exhibit O of the Agreement are hereby replaced in their entirety by Exhibit H, Exhibit I, Exhibit L and Exhibit O, respectively, attached to this Amendment.

10. **Conflicts.** This Amendment entirely supersedes and replaces in its entirety that certain Affidavit Correcting Clerical Error recorded September 4, 2020 as Entry No. 484144 in Book 1310 at Page 1893 in the official records of the Wasatch County Recorder. In the event of any conflict between the terms and conditions set forth in this Amendment and those set forth in the Agreement, the terms and conditions of this Amendment shall control.

11. **Ratification.** Except as expressly set forth in this Amendment, the Agreement is ratified and confirmed as written.

Housing Program

General Information
and Associated Program

June 15, 2020

Introduction

Affordable and employee housing are important issues in mountain resort towns across the American West, as property values have appreciated, land for development of lower priced units is scarce/and or the development value from that type of unit cannot be generated, rental property patterns have evolved, and service staff level wages cannot keep up with costs of mountain living. Many resort communities have adopted inclusionary housing ordinances that encourage the construction of affordable housing units at or near large-scale resorts. In the intermountain west the government policies have not been able to keep pace with the needs of the market or the realities of the employees and potential users of an affordable housing product.

The purpose of this document is to establish the MIDA West Side Project Area Housing Program that is created specifically to meet the needs of the employees generated by the development located west of highway 40 within the West Side Project Area, and address the impacts of the operation of the Resort in order to provide desirable housing for the life of the project – and has been informed by the existing State and regional policies.

In this document, we address the need for “inclusionary housing”, which includes rental housing and moderate income that can be rental (based on income) or for-sale units reaching the 80%-120% area median income or AMI. Due to the nature of the area, and the expected type and income levels of regional resort jobs, Summit County’s AMI will be utilized as the project’s AMI standard.

EX Utah Development and its associated entities are committed to providing an appropriate amount of attainable housing, both rental and for-sale, and with other tools including housing financing that support the housing needs of the region.

Project Description

EX Utah Development on behalf of the various BLX entities outlined under the Mountain Resort Master Development Agreement is proposing the development of a master planned resort community (the "Resort") that will implement a four-season, recreation based resort vision. The centerpiece of this community will be a village core that will be the focus of ski activities in the winter months and outdoor recreation activities in the summer months. The Resort includes land stretching from the south property line of the Deer Crest Development about three miles south and west approximately four miles to the county line (see attached map of the Resort area).

Resort Impact/Need

The analysis of the Resort at full build-out looking at maximum density, maximum on-site employees, and utilizing current resort housing trends (the details of what types of housing works in resort communities); indicates that the project will have the great positive impact on the region by:

1. Providing rent controlled housing on-site to a portion of employees within the Resort area holding full-time seasonal jobs.
2. Providing rent controlled and ownership (price controlled) housing on-site to a portion of employees within the Resort area holding full-time year-round jobs.
3. Funding a down payment assistance program to employees within the Resort area holding full-time year-round jobs.

EX Utah Development has assumed that there is an inclusionary housing need generated by both the development of the residential units/commercial space and by the operation of the Resort.

Housing Program

The EX Utah Development Inclusionary Housing Program includes the following:

1. **Down-Payment Assistance Program:** Payment of a one-time fee of up to \$1 million to a dedicated not-for-profit entity (currently planned as a specifically established Housing entity) for the express purpose of use as a Down-Payment Assistance Program.

The Down-Payment Assistance Program will evolve as lending policies change to be able to react to what lenders will accept and truly help those qualified buyers achieve home ownership. Currently there are two options to pursue:

- a. A no-interest, 30-year loan of the deposit monies to a new homeowner that requires no monthly payments. The loaned deposit/monies would be repaid when the owner sells, moves, transfers title or decides to repay the loan early. When it is time to repay, the owner would pay the original down-payment assistance loan amount and a percentage share of any increase in the home's value (determined by the sales price or an appraisal).

For example, a buyer who borrowed \$40,000 from the program to buy a \$400,000 residence would owe 10 percent of any appreciation because the loan was 10 percent of the purchase price. If the house later sold for \$600,000 (a \$200,000 gain), the

homeowner would owe the entity the loan is with \$60,000 —the original \$40,000 Down-Payment Assistance loan plus 10 percent of the gain (\$20,000).

When the Down-Payment Assistance loans are repaid under this scenario, the monies go back into the program so that other potential homeowners can utilize the monies, thereby creating a perpetual program that will continue to provide home-buying opportunities for employees for decades to come.

- b. A 2nd mortgage on the property with a fixed interest rate of 3% amortized over 20 years. The loan is due in 10 years or upon sale or transfer of the home from the employee to another party. The default interest rate of Prime + 3% is put into effect as the new fixed rate for any loan past due 90 days or greater or 1 year after termination of employment from any eligible employer at the Resort. Eligible 2nd mortgages are down payment assistance for a home purchase or new construction only. The specifics of this program may need to evolve based on market conditions and ability to lend funds.

Both of these options will evolve as lending practices change over time. The program needs to remain relevant and allow for the funding to be fully utilized instead of remaining in an account for use in the future. The program will be managed by the not-for-profit and have eligibility requirements for applicants, including but not limited to location parameters for the purchase of the home (within 20 miles of the Resort) and primary residence owner-occupied necessary. Eligible beneficiaries will be non-seasonal, Resort site employees. Non-first-time buyers from outside the area are eligible if their existing home is being sold. Move-up buyers, who currently own a home in Summit or Wasatch County or within a 20-mile one-way drive from the Village, are eligible as long as they are in the process of selling their current residence. The property purchased must be the primary residence and owner occupied. Maximum home price is equal to FHA loan limits. There will be no Employee income limit. Employee may not own other property in Utah (vacant land not included).

This program is a great alternative to the fee-in-lieu program Wasatch County offers (as of 5/2020). Instead of paying the very low County established fee to have someone else construct an AUE (Affordable Unit Equivalent in the County) somewhere, at some future point, (with the current fees of \$28,000/AUE too low to actually build a unit in the County); EX Utah Development's funding can bridge the gap for people to get into homes they want – and help multiple parties.

Contingent upon the completion of the Air Force Trade and the required payment deposited with BLX Mayflower (or Extell entity), up to \$900,000 from the US Air Force trade will go to the down-payment assistance program. These funds will be applied upon closing of the US Air Force trade. Within 60 days of full payment of up to \$1M from MIDA to Extell, up to \$900,000 will be deposited into the Down-Payment Assistance Fund.

The not-for-profit can be related to, or an arm of, a Resort HOA.

2. **On-site Housing:** Ex Utah Development and its associated entities commits to construction of a minimum of 34,000 square feet of dedicated on-site housing.

The dedicated housing square footage shall not include corridors, fire riser/dedicated space, non-habitable attic or basement, or parking. The dedicated housing square footage can be housing and/or dormitory-style units, including studio units, one- and multiple-bedroom units. For example, all of the housing may be provided for in one building of 34,000 sf or multiple rooms or structures throughout the site.

On-site rental housing units within the Resort project will be controlled by EX Utah Development's lodging entity. The units will be available via a housing lottery managed by the not-for profit and include a priority waterfall to establish non-discriminatory rental provisions. The initial 9,200 square feet of rental housing will prioritize regional service personnel, e.g. active military, law enforcement, first-responders, entry-level and mid-level medical workers (technicians, medical staff and nurses), educational personnel, and municipal/governmental personnel. As part of the renting waterfall for all rental provisions, terms will be created that ensure the units are always rentable, if not occupied.

A portion of the 34,000 square feet of On-Site Housing may be utilized as for-sale units that would be permanently deed-restricted such that the housing will need to be resold to another qualifying Moderate-Income household, thereby assuring that – even when sold – the units will remain affordable and the amount of appreciation/profit for the residences will be held in check (as compared to market-rate units). With such a program, the initial purchasers will not receive a “windfall” profit by being able to sell the residence at market-rate prices. At the same time, the homeowners have the potential to realize some level of gain/profit, which will allow them to move up to a non-deed-restricted residence, if desired. The pricing on the for-sale units will be structured to address those earning 80-percent to 120-percent of the Average Median Income (AMI) for the region (Summit County's AMI). The for-sale program will be controlled by the same EX Utah Development lodging entity.

Commitment Benchmarks

Construction of the dedicated On-site housing square footage would be as follows:

Benchmark 1 - A minimum of 9,000 square feet of dedicated On-site housing (per above) completed prior to the certificate of occupancy for the second hotel within Mayflower Village, or prior to the issuance of a building permit for the 120th residential ERU (ERU as described in the Development Agreement), whichever event occurs first.

Benchmark 2 - A minimum of a total 20,000 square feet of dedicated On-site housing (per above) completed prior to the certificate of occupancy for the third hotel, or prior to the issuance of a building permit for the 200th residential ERU (ERU as described in the Development Agreement), whichever event occurs first. (Adding up to a total of 20,000 square feet, for example an additional 11,000 square feet).

Benchmark 3 - A minimum of a total of 34,000 square feet of dedicated housing (per above) completed prior to the certificate of occupancy for the fourth hotel, or prior to the issuance of a building permit for the 250th residential ERU (ERU as described in the Development Agreement), whichever event occurs first. (Adding up to a total of 34,000 square feet).

and
Wasatch County Solid Waste District**

This Interlocal Cooperation Agreement ("Agreement") is made and entered into as of September 11, 2012 by and between the Military Installation Development Authority, a public corporation and political subdivision of the State of Utah ("MIDA") and the Wasatch County Solid Waste District, a political subdivision of the State of Utah ("District"). Individually each may be referred to as "Party" and collectively as "Parties".

Recitals

WHEREAS, MIDA, in cooperation with Wasatch County, has begun the process to create the Military Recreation Facility Project Area in Wasatch County, as shown in Exhibit A, including any future land that may be added with the consent of Wasatch County ("Project Area"); and

WHEREAS, the creation and operation of a project area is governed by Chapter 1, Title 63H Utah Code annotated 1953, as amended ("MIDA Act") and political subdivisions may enter into cooperative agreements, including revenue sharing pursuant to Chapter 13, Title 11 Utah Code annotated 1953, as amended ("Interlocal Cooperation Act"); and

WHEREAS, as part of the MIDA Act, MIDA may contract for the provision of municipal services within a project area and MIDA desires to contract with the District for the provision of fire, EMS and related services and the District desires to provide such services; and

NOW, THEREFORE, the Parties agree as follows:

1. TERM. This Agreement shall commence on the effective date for the creation of any part of the Project Area by MIDA and shall continue for 50 years.
2. PROJECT AREA. MIDA is currently in the process of creating Part 1 of the Project Area, that, if created, would include one parcel in Wasatch County ("Blue Ledge Parcel"). Thereafter, other properties may be added pursuant to the MIDA Act. This Agreement shall automatically be applicable to all property added to the Project Area in the future.
3. MUNICIPAL SERVICES. All of the Wasatch County property proposed to be included in the Project Area is within the District's boundaries and the District is the sole public provider of solid waste collection and processing for the property.
 - a. Pursuant to §63H-1-201(3)(q) of the MIDA Act, the Parties agree that the District shall be the public provider of all solid waste collection and processing services to the Project Area. The District shall have full responsibility and authority to provide these services just as if it had complete jurisdiction.
 - b. MIDA shall have no responsibility or authority for these services.

- c. The District shall have authority to make its regulations applicable to the Project Area to the same extent they are applicable to the rest of the property within the District's boundaries. This includes the imposition and collection of regulatory fees, development fees, assessments and generally applicable taxes, except those that MIDA collects or receives directly. MIDA fully delegates this authority to the District and to the extent required by law, the District's regulations applicable to the Project Area shall be considered MIDA's regulations and by this Agreement, MIDA adopts them by reference.
 - d. The District shall not discriminate against the property, businesses, or residents of the Project Area but shall provide the services in the same manner and to the same extent it would if the Project Area did not exist.
 - e. The District shall indemnify, release, and hold MIDA harmless from any and all claims, damages, suits, liabilities, and attorney's fees of whatever nature which may arise from its control and provision of these services, but only to the extent that the District would have liability for such Claims absent the existence of MIDA and the Project Area.
4. NO SEPARATE ENTITY CREATED. No separate legal entity is created by the terms of this Agreement. There shall be no real or personal property jointly acquired by the Parties as a result of this Agreement.
 5. NO THIRD PARTY BENEFICIARIES. This Agreement and the covenants, promises, obligations and responsibilities contained herein are intended solely to establish the obligations and benefits of the respective Parties hereto. No third party may enforce the terms of this Agreement or rely on this Agreement in any action against either of the Parties.
 6. PARTIES AS GOVERNMENTAL ENTITIES. Both Parties are governmental entities subject to the provisions of the Utah Governmental Immunity Act and the substantive and procedural protections thereof. By execution of this Agreement, neither Party waives any of the substantive or procedural defenses or protections of the Act including specifically without reservation the limitations on actions and the limitations on judgments contained therein. Subject to the provisions of this Paragraph, each party agrees to indemnify, release, hold harmless and defend the other party hereto from all claims, damages, liabilities, and judgments for injury to persons, loss of life, or damage to property occurring because of the negligent acts or omissions of the Indemnifying Party, its officers, or employees in connection with this Agreement.
 7. INTERLOCAL ACT REQUIREMENTS.
 - a. This Agreement shall be authorized by the commission, board, council, or other body or officer vested with the executive power of each Party, pursuant to §11-13-202.5(1)(a) of the Interlocal Act; and
 - b. A duly executed original counterpart of this Agreement shall be filed with the keeper of records of each Party pursuant to §11-13-209 of the Interlocal Act.
 8. CONTRACT REPRESENTATIVE. Each Party agrees to designate a contract representative responsible for matters involving contract interpretation and performance during the term of the Agreement. The initial contract representatives shall be:
 - a. For MIDA the Executive Director, who is currently Rick Mayfield
 - b. For the District, the County Manager, who is currently Mike Davis

- c. The Parties agree to provide notice to the other Party of any change in designated contract representative prior to the effective date of the transfer of responsibilities.
9. NOTICE. Whenever a Party is required to give notice under this Agreement, it shall be given in writing by depositing it, postage pre-paid, with the U.S. Postal Service addressed to the other Party as follows:

 - d. MIDA acknowledges that the Fire District is currently in the process of seeking approval for the creation of an assessment area that would include the Project Area within its boundaries. In connection with the creation of such assessment area the Fire District intends to levy assessments against all property within the assessment area for the purpose of funding certain services and operations of the Fire District. Other assessment areas and additional assessments for the same or other purposes may be sought by the Fire District in the future. MIDA agrees not to object to the creation of any such assessment areas or the implementation of assessments with respect to property within the Project Area or elsewhere. MIDA acknowledges and agrees that the approval or disapproval of assessment areas and related assessments against property within the Project Area may impact the level of services that will be provided to property within the Project Area. MIDA shall not be entitled to any portion of the assessment revenues generated from any assessment areas created by the Fire District.
 - e. The Fire District shall not discriminate against the property, businesses, or residents of the Project Area, but shall provide the services in the same manner and to the same extent it would if the Project Area did not exist.
 - f. The Fire District shall indemnify, release, and hold MIDA harmless from any and all claims, damages, suits, liabilities, and attorney's fees of whatever nature which may arise from its control and provision of these services, but only to the extent that the Fire District would have liability for such Claims absent the existence of MIDA and the Project Area.
4. NO SEPARATE ENTITY CREATED. No separate legal entity is created by the terms of this Agreement. There shall be no real or personal property jointly acquired by the Parties as a result of this Agreement.

MAYFLOWER MOUNTAIN RESORT
Mountainside Resort Parking Plan
August 11, 2020

The goal of the Developer of the Mayflower Mountain Resort is to create a high-quality accommodations, recreation, and retail experience through the creation of an operationally efficient resort. Mayflower has a unique opportunity to build such a resort from inception as it is the first major four-season/ski resort erected in the US in over 40 years and the land massing is contiguous and undeveloped.

Mayflower is no different than other mountain resorts where there is an influx of visitors, seasonal demands, and a resort cannot solely plan for peak capacity, rather comfortable carrying capacity (CCC) or referenced also as daily carry capacity. The Resort Plan is evaluated by calculating the projected capacities of the resort's various facilities and comparing those facilities to the resort's CCC. CCC includes is: i) alpine trail capacity, ii) lodging and retail, and iii) service and support personnel. Recommendations for each of these capacities will produce a well-balanced resort and a pleasant guest experience.

The anticipated CCC of the Mayflower Resort at full buildout is calculated to be 10,720 guests. These guests will arrive at the resort from various means including directly from Village accommodations, shuttle/public transit, drop-off/ride-share and day parking. For the purposes of this parking plan the breakdown between day-use and destination guests is approximately 50/50. This was calculated based on development plans for residential and hotel units in the Village core and ancillary development to the north and south, e.g. Pioche, Hailstone and JSSD parcel, as day guests.

These guests originate from ski-in/ski-out accommodations or within walking distance of the lift network. Overnight accommodations in ski resort towns enact managed parking during festive weeks and other peak weekends as well as nearly 37% of guests use transit services when arriving and departing, e.g. shuttles, Uber, taxis, etc. Due to the seasonal nature in resort operations managed parking is common and is seen in various forms, e.g. valet, stacked parking, off-site shuttling for valets, etc. With the village design for a pedestrian based system this is not uncommon and allows various management systems and actions to be enacted.

Off-property destination guests were considered day-use visitors as they would arrive at Mayflower via car or other transportation. The primary day use parking is planned approximately 0.15 mile southeast of the Village core. A shuttle service and walking path will provide pedestrian access to the Village from these parking lots and a cabriolet/gondola is planned as part of Phase 2.

The planned day use parking is approximately 1,440 parking spaces and an additional 420 to the north at the base of Lot 13. Mayflower is projected to need 1,570 day use parking spaces, thus provides an 18.5% cushion/surplus of parking spaces on a busy weekend day. These numbers do not include any potential parking at the Overlook, Blue Ledge, JSSD parcel or off-site parking, e.g. State Parks.

Project Requirements Ratios:

The Developer will provide the minimum stalls as outlined by the ratios set forth below or, if a different ratio is desired, as supported by a parking study by a qualified engineer to ascertain the ratios/standard parking requirements can be adjusted meeting industry standards. The engineer's report will be remitted at building permit or development plat depending on product type.

TRANSFER ACKNOWLEDGMENT

This Transfer Acknowledgment (the "Acknowledgment") is made as of the ____th day of [____], 20__, (the "Effective Date"), by and between [Extell owner of Transfer Property], a Delaware limited liability company ("Landowner") and EX UTAH DEVELOPMENT LLC, a Delaware limited liability company ("Master Developer", together with the Landowner, collectively "Assignor"), and [____] ("Assignee"). Assignor and Assignee are alternatively referred to as the "Parties."

RECITALS

A. Master Developer is a party to that certain Mountainside Resort Master Development Agreement, dated as of August 19, 2020 and recorded August 20, 2020 as Entry No. 483120 in Book 1307 on Page 1743 of the Official Records of the Wasatch County Recorder (the "Master Development Agreement") concerning certain real property located in Wasatch County, Utah (the "Mountainside Property") more particularly described in the Master Development Agreement. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Master Development Agreement.

B. In connection with the conveyance of a portion of the Mountainside Property more particularly described on Exhibit "A" attached hereto (the "Transfer Property") to Assignee, Assignor desires to assign certain of its rights and obligations under the Master Development

Agreement pertaining specifically to the Transfer Property as more particularly described in this Acknowledgment to Assignee, Assignee desires to accept such assignment.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual promises herein contained, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Assignment and Assumption. Effective upon the Effective Date, Assignor hereby assigns to Assignee its rights and obligations under Section[(s) ____] of the Agreement pertaining to the Transfer Property only, specifically, Assignor's right to [_____] (the "Assigned Rights"). Assignee hereby accepts such assignment and assumes and agrees to be bound by all of the terms and conditions of the Master Development Agreement with respect to the Assigned Rights and the Transfer Property.

2. Release. From and after the Effective Date, Assignor shall be released from all obligations under the Master Development Agreement arising after the Effective Date with respect to the Assigned Rights and the Transfer Property.

3. Reservation. Assignor reserves all rights and obligations arising under the Master Development Agreement that are not expressly included in the Assigned Rights. In the event of any dispute as to whether certain rights or obligations arising under the Master Development Agreement are included in the Assigned Rights, Master Developer's determination as to the scope of the Assigned Rights shall be binding on the Parties, absent manifest error.

4. Representations and Warranties of Assignor. Assignor represents and warrants to Assignee that it has full power and authority (including full corporate power and authority) to assign the Assigned Rights to Assignee pursuant to this Acknowledgment. These representations and warranties shall survive any cancellation of this Acknowledgment.

5. Representations and Warranties of Assignee. Assignee represents and warrants to Assignor that it has full power and authority (including full corporate power and authority) to assume the Assigned Rights pursuant to this Acknowledgment. These representations and warranties shall survive any cancellation of this Acknowledgment.

6. Indemnification. Assignee agrees to indemnify, defend and hold Assignor harmless against any claims arising under the Master Development Agreement and pertaining specifically to the Assigned Rights from and after the Effective Date. Assignor agrees to indemnify, defend and hold Assignor harmless against any claims arising under the Master Development Agreement and pertaining specifically to the Assigned Rights on and before the Effective Date.

7. Ratification and Survival. Other than those specific provisions amended by this Acknowledgment, all other provisions, rights, and obligations contained in the Master Development Agreement are hereby ratified by the Parties, and all of the representations, warranties, covenants and agreements of the Parties as set forth herein shall survive the

consummation of the transactions set forth herein. In the event of any conflict between the Master Development Agreement and this Acknowledgment, this Acknowledgment shall govern.
