Rood, being first duly sworn, depose and say that I am the secretary of the Salt Lake County Board of Adjustment, and that on the 4th day of December 1991, Application #PL-91-5079, submitted by Gregory Saint Thomas was heard by the Board. Gregory Saint Thomas requested a side yard variance from 8' to 4' to add an attached carport to the end of his house at 2811 East Jennie Lane, in an R-1-8 Zone. By motion seconded and carried the Board of Adjustment approved this request for a side yard variance from 8' to 4' to add an attached carport to the end of his house at 2811 East Jennie Lane, in an R-1-8 Zone provided the applicant take out a building permit and that all three sides of the carport currently open, stay open. The variance was granted due to the steepness of the slope across the lot and the irregular shape.
