(a) The right of Declarant to annex additional common area thereto pursuant to the terms of Article XV.

(b) The right of the Association to reasonably limit the number of guests of Owners using the common area facilities.

area and the recreational facilities thereof, including, but not limited to, the right and obligation of the Association to enforce all parking restrictions within the Common Area as set forth in Section 3 of Article II herein.

(f) The right of the Association to suspend the voting rights and right to use the common area facilities by an Owner for any period during which any assessment against his lot remains unpaid and delinquent; and for a period not to exceed thirty (30) days for any single infraction of the published rules and regulations of the Association, provided that any suspension of such voting rights or right to use the common area facilities, shall be made only by the Board of Directors of the Association, after notice and an opportunity for a hearing as provided in the Bylaws of the Association.

(g) Subject to the provisions of Article XIV of this Declaration, the right of the Association to dedicate, release, alienate or transfer all or any part of the common area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication, release, alienation or transfer shall be effective, unless an instrument signed by Members entitled to cast two-thirds (2/3rds) of the voting power of the Class A Members (excluding the voting power of Declarant), agreeing to such dedication, release, alienation or transfer has been recorded.

(h) The right of the Declarant (and its sales agents, customers and representatives) to the non-exclusive use of the common area and the facilities thereof, without charge, for sales, display, access, ingress, egress and exhibit purposes, which right Declarant hereby reserves; provided, however, that such use shall not be for a period of more than seven (7) years after the date of recording this Declaration. Section 3. Easements for Parking. Temporary guest or recreational parking shall be permitted within the common area only within spaces and areas clearly marked for this purpose. The Declarant hereby covenants for itself, its successors and assigns that it will convey fee simple title to the common area described in Article I, Section 11 of this Declaration to the Association, free and clear of all encumbrances and liens, except easements, conditions and reservations set forth in this Declaration. The Association membership held by any Owner of a Lot shall not be transferred, pledged or alienated in any way, except upon the sale or encumbrance of such Lot, and then only to the purchaser or Mortgagee of such Lot. Any attempt to make a prohibited transfer is void, and will not be reflected upon the books and records of the Association. A Class A Member who has sold his Lot to a contract purchaser under an agreement to purchase shall be entitled to delegate to such contract purchaser his membership rights in the Association. Such delegation shall be in writing and shall be delivered to the Board before such contract purchaser may vote. However, the contract seller shall remain liable for all charges and assessments attributable to his Lot until fee title to the Lot sold is transferred. In the event the Owner of any Lot shall fail or refuse to transfer the membership registered in his name to the purchaser of such Lot upon transfer of fee title thereto, the Board of Directors shall have the right to record the transfer upon the books of the Association. The Board of Directors shall have the right to charge a reasonable Special Assessment against any Owner, and his Lot, equal to the cost to the Association of effectuating any such transfer of his

membership upon the books of the Association.

ARTICLE IV

Voting Rights

Section 1. Classes of Voting Membership. The Association shall have two (2) classes of voting membership as follows:

Class A. Class A Members shall originally be all Owners with the exception of the Declarant for so long as there exists a Class B membership. Class A Members shall be entitled to one (1) vote for each Lot owned. Declarant shall become a Class A Member with regard to Lots owned by Declarant upon conversion of Declarant's Class B membership as provided below. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised in accordance with Article IV, Section 2 of this Declaration, and in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant and it shall be entitled to three (3) votes for each Lot owned by Declarant. The Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earliest:

(a) When the total votes outstanding in the Class A membership, inclusive of votes attributable to any property annexed to the Properties, equals the total votes outstanding in the Class B membership; or

(b) Three (3) years from the date of recording this Declaration; or

(c) On voluntary cancellation of Class B membership by Declarant.

Section 2. Vote Distribution. Members shall be entitled to one (1) vote for each Lot in which they hold the interest required for membership. When more than one person holds such interest or interests in any Lot, ("co-owner"), all such co-owners shall be Members and may attend any meetings of the Association, but only one such co-owner shall be entitled to exercise the vote to which the Lot is entitled. Such co-owners may from time to time all designate in writing one of their number to vote. Fractional votes shall not be allowed, and the Class A vote for each Lot shall be exercised, if at all, as a unit. Where no voting co-owner is designated or if such designation has been revoked, the vote for such Lot shall be exercised as the majority of the co-owners of the Lot mutually agree. Unless the Board receives a written objection from a co-owner, it shall be presumed that the corresponding voting co-owner is acting with the consent of his or her co-owners. No vote shall be cast for any Lot where the majority of the co-owners present in person or by proxy and representing such Lot cannot agree to said vote

or other action. The non-voting co-owner or co-owners shall be jointly and severally responsible for all of the obligations imposed upon the jointly owned Lot and shall be entitled to all other benefits of ownership. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein, or by the Bylaws of the Association, shall be deemed to be binding on all Owners, their successors and assigns. Said voting rights shall be subject to the restrictions and limitations provided in this Declaration and in the Articles of Incorporation and Bylaws of the Association.

ARTICLE V

The Association, acting through the Board of Directors, shall also have the power and duty to:

- (a) Maintain, repair and otherwise manage the common area and all facilities, improvements and landscaping thereon in accordance with the provisions of Article VI of this Declaration.
- (b) Maintain all private streets within Tanglewood, PUD, including cleaning and periodic resurfacing.

- (d) Grant easements, rights of way, or strips of land, where necessary, for utilities and sewer facilities over the common area to serve the common area and the Lots.
- (e) Maintain such policy or policies of liability and fire insurance with respect to the common area and personal property, if any, owned by the Association as provided herein in furthering the purposes of and protecting the interests of the Association and members and as directed by this Declaration and the Bylaws of the Association.
- (f) Employ or contract with a professional manager to perform all or any part of the duties and responsibilities of the Association, and shall have the power to delegate its powers to committees, officers and employees. Any such agreement shall be for a term not in excess of three (3) years, subject to cancellation by either party without cause or payment of a termination fee upon ninety (90) days or less written notice.

ARTICLE VI

Covenant for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot owned by it within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (1) annual common assessments for common expenses, (2) capital improvements assessments, (3) special assessments, and (4) reconstruction assessments; such assessments

to be established and collected as hereinafter provided. Such assessments, together with interest, costs and reasonable attorneys' fees for the collection thereof, shall be a charge on the land and shall be a continuing lien upon the property against which such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. Subject to provisions of this Declaration protecting first mortgagees, the personal obligation for delinquent assessments shall pass to the successors in interest of such owner. The Board of Directors shall establish no fewer than two (2) such separate accounts (the "TANGLEWOOD Maintenance Funds") into which shall be deposited all monies paid to the Association, and from which disbursements shall be made, as provided herein, in the performance of functions by the Association under the provisions of this Declaration. Each of the TANGLEWOOD Maintenance Funds shall include: (1) an Operating Fund for current expenses of the Association, and (2) a common area Reserve Fund for replacements, painting and repairs (which would not reasonably be expected to recur on an annual or less frequent basis) of the common area facilities to the extent necessary under the provisions of this Declaration. The Board of Directors shall not commingle any amounts deposited into any of the TANGLEWOOD Maintenance Funds with one another.

Section 2. Purpose of Common Assessments. The Assessments levied by the Association shall be used to promote the common health, safety, benefit, recreation and welfare of the Owners and for the improvement and maintenance of the common area and of the dwelling units situated upon the Lots in the Properties as provided herein. The assessments shall also be for an adequate reserve to be used as appropriate for maintenance repairs and replacement of those elements of the common property that must be replaced on a periodic basis. However, disbursements from the Common Area Reserve Fund shall be made by the Board of Directors only for the specific purposes specified in this Article VI. Disbursements from the Operating Fund shall be made by the Board of Directors for such purposes as are necessary for the discharge of its responsibilities herein for the common benefit of all of the Owners, other than those purposes for which disbursements from the Common Area Reserve Fund are to be used. Nothing in this Declaration shall be construed in such a way as to permit the Association to use any Assessments to abate any nuisance or annoyance emanating from outside the boundaries of the Properties. Nothing contained herein shall limit, preclude or impair the establishment of additional TANGLEWOOD Maintenance Funds by the Association, so long as the amounts deposited into any such Fund are earmarked for specified purposes authorized by this Declaration.

Section 3. Damage to Common Area by Owners. The foregoing maintenance, repairs or replacements within the common area arising out of or caused by the willful or negligent act of the Owner, his family, guests or invitees shall be done at said Owner's expense or a Special Assessment therefor shall be made against his Lot; provided, however, that the liability of an individual Owner for such damage to the common area shall not

be absolute, but shall only be that for which the Owner is legally responsible under State law.

Section 4. Basis of Maximum Common Assessment. Until January 1 of the year immediately following the conveyance of the first improved lot in the Properties to an Owner, the maximum Common Assessment under Article VI shall be
per Lot per year.

(a) From and after January 1 of the year immediately following the conveyance of the first improved Lot to an Owner, the maximum annual Common Assessment may be increased by the Board effective January 1 of each year not more than the greater of (1) ten percent (10%), or (2) the percentage by which the U.S. Bureau of Labor Statistics for the Northern Utah area, all items Consumer Price Index has increased as of the date of the increase over the level of said index as of the date the Common Assessment was last established, above the maximum annual common assessment for the previous year, without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first improved Lot to an Owner, the maximum annual Common Assessment may be increased above the greater of (1) ten percent (10%), or (2) said percentage by which said Index has so increased, by the vote or written assent of fifty-one percent (51%) of each Class of Members.

(c) The Board of Directors may fix an annual Common Assessment at an amount not in excess of the maximum.

Section 5. Capital Improvement and Reconstruction Assessments. In addition to the Common assessments authorized above, the Board of Directors of the Association may levy, in any assessment year, a Capital Improvement Assessment or Reconstruction Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital Improvement or other such addition upon the common area, including fixtures and personal property related thereto; provided that any such assessment in excess of Two Thousand Dollars (\$2,000.00) shall have the vote or written assent of a majority of the votes of Members who are subject to such assessments, excluding therefrom the votes of Declarant.

Section 6. Notice and Quorum for any Action Authorizing Under Sections 4 and 5. Written notice of any meeting called for the purpose of taking any action by the Members authorized under Sections 4 and 5 shall be sent to all Members not less than thirty (30) days, nor more than sixty (60) days, in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast fifty-one percent (51%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be twenty-five

percent (25%) of the voting power of the Association. No such subsequent meeting shall be held more than thirty (30) days following the preceding meeting.

Section 7. Uniform Rate of Assessment. Common Assessments, Capital Improvement Assessments and Reconstruction Assessments provided for in this Article VI must be fixed at a uniform rate for all Lots within the Properties; provided, however, that the Association may, subject to the provisions of Section 3 of this Article, levy Special Assessments against selected Owners who have caused the Association to incur special expenses due to willful or negligent acts of said Owners, their guests or agent. All Common Assessments shall be collected on a regular basis by the Board of Directors, at such frequency as the Board shall determine.

Section 8. Date of Commencement of Common Assessments: Due Date. The annual Common Assessments provided for herein for each phase of development within the Properties shall commence as to all Lots within such phase of development on the first day of the month following the conveyance of the Common Area within the phase. The first annual Common Assessment shall be adjusted according to the number of months remaining in the fiscal year as set forth in the Bylaws. The Board of Directors shall fix the amount of the annual Common Assessment against each Lot at least thirty (30) days in advance of each Common Assessment period. Written notice of any change in the amount of the annual Common Assessment shall be sent to every Owner subject thereto, at least thirty (30) days prior to the effective date of such change. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association, setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments against a Lot is binding upon the Association as of the date of its issuance.

The Board of Directors shall cause to be prepared an annual balance sheet and operating statement reflecting income and expenditures of the Association for each fiscal year, including deposits in and withdrawals from the Common area Reserve Fund and the Operating Fund, and shall cause to be distributed a copy of each such statement to each member, and to each first Mortgagee who has filed a written request for copies of the same with the Board of Directors, in the manner provided in the Bylaws of the Association. At least sixty (60) days prior to the beginning of each fiscal year, the Board of Directors shall prepare and distribute to the membership of the Association, a written, itemized estimate (budget) of the expenses to be incurred by the Association during such year in performing its functions under this Declaration (including a reasonable provision for contingencies and deposits into the Common Area Reserve Fund, less any expected income and accounting for any surplus from the prior year's respective TANGLEWOOD Maintenance Fund.).

Each annual Common Assessment shall constitute an aggregate

of separate assessments for each of the TANGLEWOOD Maintenance Funds, reflecting an itemization of the amounts assessed and attributable to prospective deposits into the Common Area Reserve Fund, the Operating Fund and any other Maintenance Fund established by the Association. If the estimated sums prove inadequate for any reason, including nonpayment of any Owner's annual Common Assessment, the Board may, at any time, levy supplemental Common Assessments, subject to provisions of Section 4 of this Article, for any of the TANGLEWOOD Maintenance Funds which shall be assessed equally against the Owner of each Lot in the Properties.

Each annual Common Assessment may be paid by the Owner to the Association in one check or payment or in separate checks, as payments attributable to deposits into specified TANGLEWOOD Maintenance Funds. In the event that any installment of a Common Assessment payment is less than the amount assessed and the payment does not specify the TANGLEWOOD Maintenance Fund or Funds into which it should be deposited, the receipt by the Association from that Owner shall be credited in order of priority first to the Operating Fund, until that portion of the Common Assessment has been satisfied, and second to the Common Area Reserve Fund.

At the end of any fiscal year of the Association, the Owners may determine that all excess funds remaining in the Operating Fund, over and above the amounts used for the operation of the Properties, may be returned to the Members proportionately, or may be retained by the Association and used to reduce the following year's Common Assessments. Notwithstanding anything contained in the Articles or Bylaws to the contrary, if prior to dissolution of the Association the Association has not obtained tax exempt status from both the Federal and State government, then upon such dissolution of the Association, any amounts remaining in the Common Area Reserve Funds shall be distributed to or for the benefit of the Members in a proportion equal to their individual, respective contributions.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments herein:

- (a) All Properties dedicated to and accepted by a local public authority; and
- (b) The common area.

ARTICLE VII

Effective of Non-Payment of Assessments Remedies of the Association

Section 1. Effect of Non-Payment of Assessments: Remedies of the Association. Any installment of a Common Assessment, Capital Improvement Assessment, Special Assessment or Reconstruction Assessment not paid within thirty (30) days after the due date shall bear interest from the due date of such installment at the rate of 12 percent (12%) per annum. If any installment

of an assessment is not paid within thirty (30) days after it is due, the Owner responsible therefor may be required further by the Board of Directors to pay a late charge of Five Dollars (\$5.00) or five percent (5%) of the amount of the delinquent installment, whichever is greater. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common area or abandonment of his Lot. If any installment of a Common Assessment is not paid within thirty (30) days after its due date, the Board shall mail an acceleration notice to the Owner and to each first Mortgagee of a Lot which has requested a copy of the notice. The notice shall specify (1) the fact that the installment is delinquent, (2) the action required to cure the default, (3) a date, not less than thirty (30) days from the date the notice is mailed to the Owner, by which such default must be cured, and (4) that failure to cure the default on or before the date specified in the notice may result in acceleration of the balance of the installments of the Common Assessment for the then current fiscal year and sale of the Lot. The notice shall further inform the Owner of his right to cure after acceleration and to bring a court action to assert the non-existence of a default or any other defense of the Owner to acceleration and sale. If the delinquent installments of Common Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board at its option may declare all of the unpaid balance of the annual Common Assessment to be immediately due and payable without further demand and may enforce the collection of the full Common Assessment and all charges thereon in any manner authorized by law and this Declaration.

Section 2. Notice of Assessment. No action shall be brought to enforce any assessment lien herein, unless at least thirty (30) days has expired following the date a Notice of Assessment is deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Lot, and a copy thereof has been recorded by the Association in the office of the County Recorder in which the Properties are located; said Notice of Assessment must recite a good and sufficient legal description of any such Lot, the record Owner or reputed Owner thereof, the amount claimed (which may at the Association's option include interest on the unpaid assessment at twelve percent (12%) per annum, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the claimant. Such Notice of Assessment shall be signed and acknowledged by an officer of the Association, and said lien shall be prior to any declaration of homestead recorded after the date on which this Declaration is recorded. The lien shall continue until fully paid or otherwise satisfied.

Section 3. Foreclosure Sale. Any such sale provided for above may be conducted by the Board of Directors, its attorneys or other persons authorized by the Board in accordance with the provisions of the Utah Code Annotated, 1953 As Amended, applic-

able to the exercise of powers of sale in mortgages and deeds of trust, or in any other manner permitted by law. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 4. Curing of Default. Upon the timely curing of any default for which a Notice of Assessment was filed by the Association, the officers thereof shall record an appropriate Release of Lien, upon payment by the defaulting Owner of a fee, to be determined by the Association, but not to exceed Fifty Dollars (\$50), to cover the cost of preparing and recording such release. A certificate executed and acknowledged by any two (2) members of the Board stating the indebtedness secured by the liens upon any Lot created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, not to exceed Ten Dollars (\$10.00).

Section 5. Cumulative Remedies. The assessment liens and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

Section 6. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage (meaning any recorded mortgage with first priority or seniority over other mortgages) made in good faith and for value and recorded prior to the date on which the assessment came due. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or deed in lieu thereof, shall extinguish the lien of such assessments as to installments which became due prior to such sale or transfer. However, no sale or transfer shall relieve such Lot from liability for any installments of assessments thereafter becoming due or from the lien thereof.

ARTICLE VIII

Architectural Control

Section 1. Members of Committee. The Architectural Committee, sometimes referred to in this Declaration as the "Committee", shall consist of three (3) members. The initial members of the Committee shall consist of representatives of Declarant. Each of said persons shall hold office until the election of the first Board of Directors by the membership of the Association. Thereafter, new members of the Committee shall be appointed by the Board of Directors and shall hold office until such time as he has resigned or has been removed or his successor has been appointed, as provided herein. Members of the Committee may be removed at any time without cause. The

Board of Directors shall have the right to appoint and remove all members of the Committee.

Section 2. Review of Proposed Construction. Subject to Article X, Section 12, of this Declaration, no building, fence, wall, patio cover or other structure shall be commenced, painted, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and color and location in relation to surrounding structures and topography by the Architectural Committee. The Committee shall approve proposals or plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area of the Properties as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the upkeep and maintenance thereof will not become a burden on the Association. The Committee may condition its approval of proposals or plans and specifications on such changes therein as it deems appropriate, upon the agreement by the Owner submitting the same to grant appropriate easements to the Association for the cost of maintenance, or all three, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The Committee may also issue rules or guidelines setting forth procedures for the submissions of plans for approval, requiring a fee payable to the Association to which it will take into consideration in reviewing submissions. The Committee may provide that the amount of such fee shall be uniform, or that it be determined in any other reasonable manner, such as by the reasonable cost of the construction, alterations or additions contemplated, provided that in no event shall such fee exceed One Hundred Dollars (\$100.00). The Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevation drawings and description or samples of exterior material and colors. Until receipt by the Committee of any required plans and specifications, the Committee may postpone review of any plans submitted for approval.

Section 3. Meetings of the Committee. The Committee shall meet from time to time as necessary to perform its duties hereunder. The Committee may from time to time, by resolution unanimously adopted in writing, designate a Committee Representative (who may, but need not, be one of its members) to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 8 hereof. In the absence of such designation, the vote of any two (2) members of the Committee taken without a meeting, shall constitute an act of the Committee.

Section 4. No Waiver of Future Approvals. The approval

of the Committee to any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Committee shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whatever subsequently or additionally submitted for approval or consent.

Section 5. Compensation of Members. The members of the Committee shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

Section 6. Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any work for which approved plans are required under this Article VIII, the Owner shall give written notice of completion to the Committee.

(b) Within sixty (60) days thereafter, the Committee or its duly authorized representative may inspect such Improvement. If the Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such noncompliance within such sixty-day period, specifying the particulars of noncompliance, and shall require the Owner to remedy the same.

(c) If upon the expiration of thirty (30) days from the date of such notification, the Owner shall have failed to remedy such noncompliance, the Committee shall notify the Board in writing of such failure. Upon Notice and Hearing, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may either remove the noncomplying improvement or remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Special Assessment against such Owner for reimbursement.

(d) If for any reason the Committee fails to notify the Owner of any noncompliance within sixty (60) days after receipt of said written notice of completion from the Owner, the Improvement shall be deemed to be in accordance with said approved plans.

Section 7. Non-Liability of Committee Members. Neither the Committee nor any member thereof, nor its duly authorized

Committee representative shall be liable to the Association, or to any Owner for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's duties hereunder, unless due to the willful misconduct or bad faith of the Committee. The Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the Properties generally. The Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety or conformance with building or other codes.

Section 8. Variance. The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, including restrictions upon height, size, floor area or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental consideration may require. Such variances must be evidenced in writing, must be signed by at least two (2) members of the Board of Adjustment of Davis County. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration or of any Supplemental Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the premises, including but not limited to zoning ordinances and lot set-back lines or requirements imposed by any governmental or municipal authority.

ARTICLE IX

Maintenance and Repair Obligations

Section 1. Structural Maintenance Areas. No improvement, excavation or work which in any way alters the Structural Maintenance Areas from their natural or existing state on the date any such area is conveyed by Declarant to a purchaser of a Lot shall be made or done by any person other than the Association or its authorized agents. The Association shall maintain, or provide for the maintenance in good order and repair of, and shall reconstruct, replace or refinish the improvements within the Structural Maintenance Areas.

Section 2. Maintenance Obligations of Owners. Subject to the duty of the Association to provide for maintenance as provided in Article IX, Section 3, of this Declaration, it shall be the

duty of each Owner, at his sole cost and expense, subject to the provisions of this Declaration regarding Architectural Committee approval, to maintain, repair, replace and restore areas subject to his exclusive control, in a neat, sanitary and attractive condition. Areas subject to the exclusive control of the Owner shall be deemed to include, but not be limited to, the interior and all glass portions of the Owner's Dwelling Unit and the patio area on that individual Owner's Lot. In the event that any Owner shall permit any Improvement, which is the responsibility of such Owner to maintain, to fall into disrepair or not to be so maintained so as to create a dangerous, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration, the Architectural Committee shall have the right, but not the duty, upon fifteen (15) days' prior written notice to the Owner of such Lot, to correct such condition and to enter upon such Owner's Lot to make such repairs or to perform such maintenance and the cost thereof shall be charged to the Owner. Said cost shall be a Special Assessment and shall create a lien enforceable in the same manner as other assessments as set forth in this Declaration. The Owner shall pay promptly all amounts due for such work, and the costs and expenses of collection may be added, at the option of the Board of Directors, to the amounts payable by each Owner as Common Assessments.

Section 3. Maintenance Obligations of Association. Subject to the provisions of Section 2 of this Article, the Association shall maintain, or provide for the maintenance of all of the common area and all improvements thereon, including recreational facilities, in good order and repair, and shall likewise provide for the painting and minor repair and replacement as necessary of the Structural Maintenance Areas, commonly metered utilities, the interior and exterior of the recreation building, and any and all utility laterals and buildings. In addition to building maintenance, the Association shall provide all necessary landscaping and gardening to properly maintain and periodically replace when necessary the trees, plants, grass and other vegetation which is on the Common Area at the time that it is conveyed to the Association and on an Owner's Lot up to the foundation lines of the residential dwelling and up to the fences surrounding the enclosed patio areas. The Association shall further maintain, reconstruct, replace and refinish any paved surface in the Common Area. All of the foregoing obligations of the Association shall be discharged when and in such manner as the Board of Directors of the Association shall determine in their judgment to be appropriate.

The Association shall also maintain and keep in good state of repair, the fence located along the edge of the public street contiguous to the Properties.

The City of Layton is granted the right to come on to the Common Areas for the purpose of repairing and maintaining the same and fence aforesaid. In the event the Association fails in its obligations as provided for herein, the Association agrees to reimburse the City for all expenses expended in connection therewith.

Section 4. Damage and Destruction Affecting Residences --

Duty to Rebuild. If all of or any portion of any Lot or Dwelling Unit is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner of said Lot or Dwelling Unit to rebuild, repair or reconstruct said residence in a manner which will restore it substantially to its appearance and condition immediately prior to the casualty.

Section 5. Variance in Exterior Appearance and Design. Any Owner who has suffered damage may apply for approval to the Architectural Committee for reconstruction, rebuilding or repair of his residence in a manner which will provide for an exterior appearance and design different from that which existed prior to the date of the casualty. Application for such approval shall be made in writing together with full and complete plans and specifications, working drawings and elevations showing the proposed reconstructions and the end result thereof. The architectural Committee shall grant such approval only if the design proposed by the Owner should result in a finished residence in harmony with exterior design of other residences on the Properties. Failure of the Architectural Committee to act within thirty (30) days after receipt of such a request in writing coupled with the drawings and plot plans showing the full and complete nature of the proposed changes shall constitute approval thereof. If the obligation for repair falls upon the Association, Architectural Committee approval will not be required prior to the commencement of such work.

Section 6. Time Limitation. The Owner or Owners of any damaged residence, the Association and the Architectural Committee shall be obligated to proceed with all due diligence hereunder, and the responsible party shall commence reconstruction within six (6) months after the damage occurs and complete reconstruction within one (1) year after damage occurs, unless prevented by causes beyond their reasonable control.

ARTICLE X

Use Restrictions

All real property within the Properties shall be held, used and enjoyed subject to the following limitations and restrictions, subject to the exemption of Declarant in Section 12 hereof:

Section 1. Single Family Residence. Subject to Section 3 of this Article X, each Lot shall be used as a residence for a single family and for no other purpose.

Section 2. Business or Commercial Activity. Subject to Section 3 of this Article X, no part of the Properties shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending or other such non-residential purposes; except Declarant, its successors or assigns, may use any portion of the Properties for a model home site, and display and sales office during the construction and sales period in accordance with Article II, Section 1(h), of this Declaration, and excepting professional and administrative occupations without external evidence thereof, for so long as such occupations are

in conformance with Layton City ordinances and are merely incidental to the use of the Dwelling Unit as a residential home.

Section 3. Real Estate Business. No Dwelling Unit, Lot, Improvement or portion of the Common Area shall be used in the conduct of any real estate business, gainful occupation, profession, trade office or other non-residential activity; PROVIDED, HOWEVER, that Declarant, or its designees, shall have the non-exclusive right, subject to the provisions of Article II, Section 1 (h), of this Declaration, to use without additional cost the portions of any recreational building constructed on the Common Area for purposes of sales of Lots within the Properties, provided that such use does not unreasonably interfere with the use of any recreation facilities by the members of the Association. Furthermore, as to any Lots owned by Declarant, Declarant shall have the unrestricted right to maintain model homes thereon for sales purposes.

Section 4. Nuisances. No noxious or offensive activity (including but not limited to the repair of motor vehicles) shall be carried on, in or upon any Lot or the Common Area, nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any other Owner. No loud noises or noxious odors shall be permitted on the Properties, and the Board of Directors shall have the right to determine in accordance with the By-Laws if any noise, odor or activity producing such noise, odor or interference constitutes a nuisance. Without limiting the generality of any of the foregoing provisions, no exterior speakers, horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smokey vehicles, large power equipment or large power tools, unlicensed off-road motor vehicles or other items which may unreasonably interfere with television or radio reception of any Owner in the Properties, shall be located, used or placed on any portion of the Properties, or exposed to the view of other Owners without the prior written approval of the Architectural Committee.

Section 5. Signs. No sign, poster, display, billboard or other advertising device of any kind shall be displayed to the public view on any portion of the Properties or any Lot, without the prior written consent of the Architectural Committee, except one sign for each Dwelling Unit, of not more than three (3) feet by two (2) feet, plain white with black block letters, advertising the property for sale or rent, or except signs, regardless of size, used by Declarant, its successors or assigns, to advertise the Properties during construction and sale period. All signs or billboards and the conditions promulgated for the regulation thereof shall conform to the requirements of the Davis County ordinances.

Section 6. Parking and Vehicular Restrictions. No Owner of a Lot shall park, store or keep any vehicle except wholly within the parking area designated therefor, and any inoperable vehicle shall be stored only in covered carports. No Owner shall park, store or keep on any property or street (public or private) within the Properties any large commercial-type vehicle (dump

truck, cement-mixer truck, oil or gas truck, delivery truck and any other vehicular equipment, mobile or otherwise, deemed to be a nuisance by the Board), any recreational vehicle (camper unit, motor home, truck trailer, boat, mobile home or other similar vehicle), upon any uncovered parking space, so as to be visible from anywhere in the Properties. Except as otherwise provided by the Board. The above excludes camper trucks up to and including three-quarter (3/4) ton when used for every-day type transportation and subject to approval by the Board of Directors. No Owner of a Lot shall conduct major repairs or major restorations of any motor vehicle, boat, trailer, aircraft or other vehicle upon any portion of any Lot or upon the Common Area. No recreational vehicle shall be stored or parked in public view.

Section 7. Animal Restriction. No animals, livestock, reptiles or poultry of any kind shall be raised, bred or kept on any Lot or the Common Area, except usual and ordinary dogs, cats, fish, birds and other household pets may be kept on Lots subject to rules and regulations adopted by the Association, provided that they are not kept, bred or maintained for commercial purposes or in unreasonable quantities. As used in this Declaration, "unreasonable quantities" shall ordinarily mean more than two (2) pets per household, provided, however, that the Association (or the Architectural Committee or such other person or entity as the Association may from time to time designate) may determine that a reasonable number in any instance may be more or less. The Association, acting through the Board of Directors, shall have the right to prohibit maintenance of any animal which constitutes, in the opinion of the Board, a nuisance to any other Owner. Animals belonging to Owners, occupants or their licensees, tenants or invitees within the Properties must be either kept within an enclosure, an enclosed patio or on a leash being held by a person capable of controlling the animal. The enclosure must be so maintained that the animal cannot escape therefrom and shall be subject to the approval of the Architectural Committee. Should any animal belonging to an Owner be found unattended out of the enclosure and not being held on a leash by a person capable of controlling the animal, such animal may be removed by Declarant (for so long as it owns any interest in the Properties) or a person designated by Declarant to do so, to a pound under the jurisdiction of the local municipality in which the Properties are situated and subject to the laws and rules governing said pound, or to a comparable animal shelter. Furthermore, any Owner shall be absolutely liable to each and all remaining Owners, their families, guests, tenants and invitees, for any unreasonable noise or damage to person or property caused by any animals brought or kept upon the Properties by an Owner or by members of his family, his tenants or his guests; and it shall be the absolute duty and responsibility of each such Owner to clean up after such animals which have used any portion of the Common Area.

Section 8. Trash. No rubbish, trash or garbage or other waste material shall be kept or permitted upon any Lot or Common Area, except in sanitary containers located in appropriate areas screened and concealed from view, and no odor shall be permitted to arise therefrom so as to render the Properties or

any portion thereof unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. There shall be no exterior fires whatsoever except barbecue fires contained within receptacles therefor and fire pits in the patios designed in such a manner that they do not create a fire hazard. No clothing or household fabrics shall be hung, dried or aired in such a way in the Properties as to be visible to other property, and no lumber, grass, shrub or tree clippings or plant waste, metals, bulk material or scrap or refuse or trash shall be kept, stored or allowed to accumulate on any portion of the Properties except within an enclosed structure or appropriately screened from view.

Section 9. View Obstructions. No fence, hedge, wall or other dividing instrumentality over six feet (6') in height measured from the ground on which it stands shall be constructed or maintained on any Lot, except that Declarant may vary or exceed said height or location of any fence in accordance with its architectural plans. Each Owner by accepting a deed to a Lot hereby acknowledges that any construction by Declarant may impair the view of such Owner and hereby consents to such impairment.

Section 10. Temporary Buildings. No outbuilding, basement, tent, shack, shed or other temporary building or improvement of any kind shall be placed upon any portion of the Properties either temporarily or permanently. No garage, trailer, camper, motor home or recreation vehicle shall be used as a residence in the Properties, either temporarily or permanently.

Section 11. Common Area Facilities. Nothing shall be altered or constructed in or removed from the Common Area except upon the written consent of the Association.

Section 12. Declarant Exemption. Declarant or its successors or assigns will undertake the work of constructing Dwelling Units and developing all of the Lots included within the Properties and any annexation thereto. The completion of that work and sale, rental and other disposal of Dwelling Units is essential to the establishment and welfare of said property as a residential community. As used in this Section and its subparagraphs, the words "its successors or assigns" specifically do not include purchasers of Lots improved with completed Dwelling Units. In order that said work may be completed and the Properties be established as a fully occupied residential community as rapidly as possible, no Owner nor the Association shall do anything to interfere with, and nothing in this Declaration shall be understood or construed to:

- (a) Prevent Declarant, its successors or assigns, or its or their contractors or subcontractors, from doing on any Lot owned by them whatever they determine to be necessary or advisable in connection with the completion of said work, including without limitation the alteration of its construction plans and designs as Declarant deems advisable in the course of development; or

(b) Prevent Declarant, its successors or assigns, or its or their representatives, from erecting, constructing and maintaining on any Lot, or portion thereof, owned or controlled by Declarant, or its successors or assigns or its or their contractors or subcontractors, such structures as may be reasonably necessary for the conduct of its or their business of completing said work and establishing the Properties as a residential community and disposing of the same in Lots by sale, lease or otherwise; or

(c) Prevent Declarant, its successors and/or assigns, or its or their contractors or subcontractors, from conducting on any Lot, or any portion thereof, owned or controlled by Declarant, or its successors or assigns, its business of developing, subdividing, grading and constructing Dwelling Units and other improvements in the Properties as a residential community and of disposing of Dwelling Units thereon by sale, lease or otherwise; or

(d) Prevent Declarant, its successors and/or assigns or its contractors or subcontractors, from maintaining such sign or signs on any Lot owned by or controlled by it as may be necessary in connection with the sale, lease or other marketing of Lots and Dwelling Units in the Properties; or

(e) Prevent Declarant, at any time prior to acquisition of title to a Lot in a Subdivision by a purchaser from Declarant, to establish on that Subdivision additional licenses, reservations and rights-of-ways to itself, to utility companies, or to others as may from time to time be reasonably necessary to the proper development and disposal of the Properties.

Section 13. Outside Installations. No radio station or shortwave operators of any kind shall operate from any Lot or Dwelling Unit unless approved by the Board of Directors. Exterior radio antenna, television antenna, or other antenna may be erected or maintained in the Properties, subject to the approval of the Architectural Committee.

Section 14. Insurance Rates. Nothing shall be done or kept in the Properties which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept in the Properties which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

Section 15. Drilling. No oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind, shall be permitted upon or in any Lot, nor shall oil wells, tanks, tunnels or mineral excavations or shafts be permitted upon the surface of any Lot or within five hundred feet (500') below the surface of the Properties. No derrick or other structure designed for use in boring for water, oil or natural

gas shall be erected, maintained or permitted upon any Lot.

Section 16. Further Subdivision. No owner shall further partition or subdivide his Lot; provided however, that this provision shall not be construed to limit the right of an Owner (1) to rent or lease all or any portion of his Lot by means of a written lease or rental agreement subject to the restrictions of this Declaration, so long as the Lot is not leased for transient or hotel purposes; (2) to sell his Lot; or (3) to transfer or sell any Lot to more than one person to be held by them as tenants-in-common, joint tenants, tenants by the entirety or as community property. The terms of any such lease or rental agreement shall be subject in all respects to the provisions of this Declaration and Bylaws of the Association, and any failure by the Lessee of such Lot to comply with the terms of this Declaration or the Bylaws of the Association shall constitute a default under the lease.

Section 17. Drainage. There shall be no interference with the established drainage pattern over any Subdivision within the Properties, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the Architectural Committee. For the purposes hereof, "established" drainage is defined as the drainage which exists at the time the overall grading of any Subdivision is completed by Declarant, or that which is shown on any plans approved by the Architectural Committee, which may include drainage from the Common Area over any Lot or Lots in the Properties.

Section 18. Water Supply Systems. No individual water supply, sewage disposal system, or water softener system shall be permitted on any Lot in the Properties unless such system is designed, located, constructed and equipped in accordance with the requirements, standards and recommendations of the Davis County Health Department, the Architectural Committee, and all other applicable governmental authorities.

ARTICLE XI

Party Fences and Party Walls

Section 1. Non-Party Fences. Each fence which is built as part of the original construction of the homes upon the Properties shall be placed on the Lots of the respective Owners, rather than in the Common Area. The Association shall be responsible for reasonable maintenance thereof, as provided herein. Such fences shall not be considered to be Party Fences as herein used.

Section 2. General Rules of Law to Apply to Party Fences. The Owners shall be at liberty to build fences, by agreement among themselves, on the Lot line between adjoining Lots, with the prior approval of the Architectural Committee. These fences shall be called "Party Fences" and shall be subject to this Article XI. To the extent not inconsistent with the provisions of this Article XI, the general rules of law regarding Party Fences and liability for property damage due to negligence or willful acts or omissions

shall apply thereto. The Owner of each Lot adjoining a Party Fence shall be an "Owner" of the fence for purposes of this Article.

Section 3. General Rules of Law to Apply to Party Walls. Each wall which is built as a part of the original construction of the dwelling Units upon the Properties and placed on the dividing line between the Lots shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article XI, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto. The Owner of each Lot adjoining a Party Wall shall be an "Owner" of the wall for purposes of this Article.

Section 4. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a Party Fence and Party Wall shall be shared by the Owners in proportion to their ownership thereto.

Section 5. Destruction by Fire or Other Casualty. If a Party Fence or a Party Wall is destroyed or damaged by fire or other casualty, any Owner thereof may restore it, and the other Owners thereof shall contribute to the cost of restoration thereof in proportion to such ownership without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 6. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article XI shall be appurtenant to the land and shall pass to such Owner's successors-in-interest.

Section 7. Arbitration. In the event any dispute arises concerning a Party Fence or a Party Wall, or under the provisions of this Article, each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators.

ARTICLE XII

Damage or Destruction to Common Area

Damage to or destruction of all or any portion of the Common Area shall be handled in the following manner, notwithstanding any provision in this Declaration to the contrary:

(a) In the event of damage or destruction to the Common Area, and the insurance proceeds are sufficient to effect total restoration, then the Association shall cause such Common Area to be repaired and reconstructed substantially as it previously existed.

(b) If the insurance proceeds are within Ten Thousand Dollars (\$10,000.00) or less of being sufficient to effect total restoration, then the Association shall cause such Common Area to be repaired

and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Reconstruction Assessment equally against each of the Lot Owners, in accordance with the provisions of Article VI, Section 5, of this Declaration.

(c) If the insurance proceeds are insufficient by more than Ten Thousand Dollars (\$10,000.00) to effect total restoration to the Common Area, then by written consent or vote of a majority of the Owners, they shall determine whether (1) to rebuild and restore in substantially the same manner as the Improvements existed prior to damage and to raise the necessary funds over the insurance proceeds by levying equal Reconstruction Assessments against all Lots, (2) to rebuild and restore in a way which utilizes all available insurance proceeds and an additional amount not in excess of Ten Thousand Dollars (\$10,000.00), and which is assessable equally to all Owners but which is less expensive than replacing these Improvements in substantially the same manner as they existed prior to being damaged, or (3) subject to the provisions of Article XIV, to not rebuild and to distribute the available insurance proceeds equally to the Owners and Mortgagees of the Lots as their respective interests may appear.

(d) Each Owner shall be liable to the Association for any damage to the Common Area not fully covered by insurance which may be sustained by reason of the negligence or willful misconduct of said Owner or of his family and guests, both minor and adult. Notwithstanding the foregoing, the Association reserves the right to charge a Special Assessment equal to the increase, if any, in the insurance premium directly attributable to the damage caused by such Owner. In the case of joint ownership of a Lot, the liability of such Owners shall be joint and several, except to the extent that the Association has previously contracted in writing with such joint owners to the contrary. The cost of correcting such damage shall be a Special Assessment against the Lot and may be collected as provided herein for the collection of Common Assessments.

ARTICLE XIII

Insurance

Section 1. Common Area. The Association shall keep all buildings, Improvements and fixtures of the Common Area insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property whether real or personal, owned by the Association, against loss or damage by fire and such other hazards as the Association may deem desirable, with

the Association as the Owner and beneficiary of such insurance. The insurance coverage with respect to the Common Area shall be written in the name of, and the proceeds thereof shall be payable to the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses included in the Common Assessments made by the Association.

Section 2. Insurance Obligations of Owners. Each Owner shall insure his entire Dwelling Unit, including the structural portions of the Dwelling Unit, against loss or damage by fire or by any other casualty, under the standard form of extended endorsement and broad form now in use in the State of Utah or under such other insurance as may be required by any Mortgagee of the residence. All such insurance shall be for the full replacement value of the Dwelling Unit. Each non-participating Owner shall, within thirty (30) days after recordation of the conveyance of his Lot from Declarant and thereafter at least ten (10) days prior to the expiration, termination, cancellation or modification of any existing policy, furnish to the Association duplicate copies of policies or certificates thereof, showing that such insurance is currently in force certified by the insurance company or by its duly authorized agent. All such policies shall contain a provision that the same shall not be cancelled or terminated except upon at least thirty (30) days' written notice to the Association.

Section 3. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area facilities, or other Improvements in the Properties insured by the Association, the Association shall repair or replace the same from the insurance proceeds available, subject to the provisions of Article XII of this Declaration. If such insurance proceeds are insufficient to cover the costs of such repair or replacement of the property damaged or destroyed, the Association may make a Reconstruction Assessment against all Lot Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other Common Assessments made against such Lot Owners, in accordance with the provisions of Article VI, Section 5, of this Declaration. In the event of total destruction of all of the Improvements in the Properties, the proceeds of the insurance carried by the Association shall be divided proportionately among the Lot Owners, such proportion based upon the original base sales price of each improved Lot at the time it was initially sold by Declarant, provided that the balance then due on any valid encumbrance of record shall be first paid in order of priority, before the distribution of any proceeds to an Owner whose Lot is so encumbered.

Section 4. Waiver of Subrogation. As to each policy of insurance maintained by the Association, which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, the Manager, Declarant, and the agents and employees of each of the foregoing,

with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss.

Section 5. Liability Insurance. The Association shall obtain comprehensive public liability insurance, including medical payments, liquor liability insurance and malicious mischief, in the amount of \$1,000,000 per occurrence for personal injury and/or property damage arising from the activities of the Association or with respect to property under its jurisdiction, including, if obtainable, a cross-liability endorsement insuring each insured against liability to each other insured. Such insurance shall contain a "severability of interest" clause or endorsement which shall preclude the insurer from denying the claim of a Lot Owner because of negligent acts of the Association or other lot owners.

Section 6. Fidelity Coverage. The Association shall obtain fidelity coverage against dishonest acts on the part of directors, managers, trustees, employees or volunteers responsible for handling funds collected and held for the benefit of the Lot Owners. The fidelity bond or insurance must name the Association as the named insured and shall be written in an amount sufficient to provide protection which is in no event less than one and one half times the insured's estimated annual operating expenses and reserves. In connection with such coverage, an appropriate endorsement to the policy to cover any persons who serve without compensation shall be added if the policy would not otherwise cover volunteers.

Section 7. Other Insurance and General. The Association may also obtain, through the Board, Workmens Compensation Insurance and other liability insurance as it may deem desirable insuring each Lot Owner and the Association, Board of Directors, and Manager, from liability in connection with the Common Area, the premiums for which are common expenses included in the Common Assessments made against the Owners. Such insurance policies shall have severability of interest clauses or endorsements which shall preclude the insurer from denying the claim of a Lot Owner because of the negligent acts of the Association or other dwelling unit owners.

All policies shall be reviewed at least annually by the Board of Directors and the limits increased at its discretion.

Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood and liability and bonds and other insurance meeting the requirements for planned unit developments established by the Federal National Mortgage Association (FNMA), the Government National Mortgage Association (GNMA), and the Federal Home Loan Mortgage Corporation (FHLMC), so long as there are any mortgages on any of the properties.

ARTICLE XIV

Mortgage Protection Clause

Notwithstanding any and all provisions hereof to the contrary, in order to induce the Federal Home Loan Mortgage Corporation (FHLMC), the Government National Mortgage Association (GNMA) and the Federal National Mortgage Association (FNMA) to participate in the financing of the sale of Lots within the Properties, the following provisions are added hereto (and to the extent these added provisions conflict with any other provisions of the Declaration, these added provisions shall control):

(a) Each first Mortgagee of a Mortgage encumbering any Lot, at its written request, is entitled to written notification from the Association of any default by the Mortgagor of such Lot in the performance of such Mortgagor's obligations under this Declaration, the Articles of Incorporation of the Association or the Bylaws of the Association, which default is not cured within thirty (30) days after the Association learns of such default.

(b) Any "right of first refusal" contained in this Declaration shall not impair the rights of first mortgagee to:

(1) foreclose or take title to a Lot pursuant to the remedies provided in the Mortgage, or

(2) accept a deed (or assignment) in lieu of foreclosure in the event of default by a Mortgagor, or

(3) interfere with a subsequent sale or lease of the Lot so acquired by the Mortgagee.

(c) Any first Mortgagee who obtains title to a Lot pursuant to the remedies provided in the Mortgage or foreclosure of the Mortgage will not be liable for such Lots' unpaid dues or charges which accrue prior to the acquisition of title to such Lot by the Mortgagee.

(d) Unless at least two-thirds (2/3) of the first Mortgagees (based upon one vote for each first Mortgage owned) and owners (other than the Declarant) of the individual Lots in the Properties have given their prior written approval, the Association or Owners shall not be entitled to:

(1) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the common property owned, directly or indirectly, by the Association or Owners (the granting of easements for public utilities or for other public purposes consistent with the intended

use of such common property by the Association or Owners shall not be deemed a transfer within the meaning of this clause);

(2) change the method of determining the obligations, assessments, dues or other charges which may be levied against a lot owner;

(3) by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearance of Dwelling Units, the exterior maintenance of Dwelling Units, the maintenance of the common property, party walks or common fences and driveways, or the upkeep of lawns and plantings in the Properties;

(4) fail to maintain fire and extended coverage on insurable common area property on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost);

(5) use hazard insurance proceeds for losses to any common area property for other than the repair, replacement or reconstruction of such common area property.

(e) First Mortgagees of Lots may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against any common area property and may pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy, for such common property and first Mortgagees making such payments shall be owed immediate reimbursement therefor from the Association, or Owners. Entitlement to such reimbursement is reflected in an agreement in favor of all first Mortgagees of Lots by the Association duly executed by the Association and Owners.

(f) First Mortgagees, pursuant to their Mortgages shall have priority over Lot Owners in case of a distribution of insurance proceeds or condemnation awards for losses to or taking of Common Area property.

(g) First Mortgagees shall have the right to examine the books and records of the Association during normal business hours.

(h) All first Mortgagees shall be given (1) thirty (30) days written notice prior to the effective date of any proposed, material amendment to this Declaration or the Articles of Incorporation or Bylaws of the Association and prior to the effective date of any termination of an

agreement for professional management of the Properties following a decision of the Owners to assume self-management of the Properties; and (2) immediate notice following any damage to the Common Area whenever the cost of reconstruction exceeds Ten Thousand Dollars (\$10,000.00) and as soon as the Board learns of any threatened condemnation proceedings or proposed acquisition of any portion of the Properties;

(i) The Association dues or charges shall include an adequate reserve fund for maintenance, repairs and replacement of those elements of the common property that must be replaced on a periodic basis and are payable in regular installments rather than by special assessments.

(j) All first mortgagees, upon request, are entitled to written notification from the Association of any default in the performance by the individual Lot borrowers of any obligation under the Declaration, Articles of Incorporation, or Bylaws which is not cured within sixty (60) days.

(k) Any agreement for professional management of the Properties or any other contract providing for services of the Declarant may not exceed three (3) years; any such agreement must provide for termination by either party without cause and without payment of a termination fee on ninety (90) days or less of written notice.

In addition to the foregoing, the Board of Directors may enter into such contracts or agreements on behalf of the Association as are required in order to satisfy the guidelines of the VA, the FHA, the FHLMC, the FNMA or the GNMA or any similar entity, so as to allow for the purchase, insurance or guaranty, as the case may be, by such entities of first Mortgages encumbering Lots with Dwelling Units thereon. Each Owner hereby agrees that it will benefit the Association and the membership of the Association, as a class of potential Mortgage borrowers and potential sellers of their Dwelling Units if such agencies approve the Properties as a qualifying subdivision under their respective policies, rules and regulations, as adopted from time to time.

Neither this Declaration nor the Articles of Incorporation nor Bylaws of the Association will be amended in such a manner that the rights of any first Mortgagee will be adversely affected.

ARTICLE XV

Annexation of Additional Property

Additional real property, described at Paragraph A(2), may be annexed to the real property described in Paragraph A(1) of the Recitals to this Declaration and such additional real property may become subject to this Declaration by any of the methods set forth hereinafter:

Section 1. (a) Additions by Developer. If Declarant, its successors or assigns, shall develop, or cause to be developed, additional real property (Annexed Property) within the area located in the County of Davis, State of Utah, which is contiguous to the property referred to herein, Declarant or its successors or assigns shall have the right from time to time to add such Annexed Property or any portion or portions thereof to the Properties, which is contiguous to the Properties herein, and to bring such Annexed Property within the general plan and scheme of this Declaration without the approval of the Association, its Board of Directors, or Members; provided that such a right of Declarant and its successors and assigns shall terminate seven (7) years from date of recording this Declaration.

(b) FHA or VA Approval. For so long as and provided the Federal Housing Administration (FHA) or the Veterans Administration (VA) are insuring or guaranteeing loans on any portion of the Properties, or have agreed to insure or guarantee loans on any portion of the Properties, then a condition precedent to such annexation shall be that the FHA or VA determine that the annexation is in accordance with the general plan heretofore approved by them. As each subdivision is developed, Declarant may, with respect thereto, record a Supplemental Declaration which may supplement this Declaration with such additional covenants, conditions, restrictions, reservations and easements as Declarant may deem appropriate for that subdivision.

Section 2. Other Additions. In addition to the provisions for annexation specified in Section 1 above, additional real property may be annexed to the Properties and brought within the general plan and scheme of this Declaration upon the approval by vote or written consent of Members entitled to exercise no less than two-thirds (2/3rds) of the voting power of the Class A Members, excluding the vote of Declarant.

Section 3. Title to Common Area. Prior to the conveyance of any Lot improved with a Dwelling Unit within the Annexed Property to an individual purchaser thereof, whether such annexation was accomplished by either method set forth in Section 1 and 2 above, title to the Common Area, if any, within said Annexed Property shall be conveyed to the Association, free and clear of any and all encumbrances and liens, subject to reservations, easements, covenants, conditions and restrictions then of record, including those set forth in this Declaration.

Section 4. Notice of Addition of Territory. The additions authorized under Sections 1 and 2 of this Article XV shall be made by filing of record a Notice of Addition of Territory, or other similar instrument (which Notice or instrument may contain the Supplemental Declaration, if any, affecting each Subdivision), with respect to the additional property which shall be executed

by Declarant or the Owner thereof and shall extend the general plan and scheme of this Declaration to such Annexed Property. The filing of record of said Notice of Addition shall constitute and effectuate the annexation of the Annexed Property described therein, and thereupon said Annexed Property shall become and constitute a part of the Properties, become subject to this Declaration and encompassed within the general plan and scheme of covenants, conditions, restrictions, reservation of easements and equitable servitudes contained herein, and become subject to the functions, powers and jurisdiction of the Association; and the Owners of Lots in said Annexed Property shall automatically become Members of the Association. Such Notice of Addition may contain such additions and modifications of the covenants, conditions, restrictions, reservation of easements and equitable servitudes contained in this Declaration as may be necessary to reflect the different character, if any, of the Annexed Property, or as Declarant may deem appropriate in the development of the Annexed Property, and as are not inconsistent with the general plan and scheme of this Declaration. In no event, however, shall such Notice of Addition revoke, modify or add to the covenants, conditions, restrictions, reservation of easements, or equitable servitudes established by this Declaration as the same shall pertain to the real property originally covered by this Declaration. No addition of territory shall substantially increase assessments or substantially increase the burden upon the Common Area Facilities.

Section 5. Deannexation. Declarant may delete all or a portion of a Subdivision of Annexed Property from coverage of this Declaration and the jurisdiction of the Association, so long as Declarant is the Owner of all such Subdivision previously added to the Properties and provided that a Notice of Deletion of Territory is recorded in the Office of the Davis County Recorder in the same manner as the applicable Notice of Addition was recorded. Provided however, that consent in writing is first had and obtained from any mortgagee of any such annexed property or of any lending institution who has issued a commitment for a loan in connection with any such annexed property.

Section 6. FHA/VA Approval. As long as there is a Class B membership, and provided that they are insuring or guaranteeing loans or have issued commitments to insure or guarantee loans, on a portion of the Properties, the following actions will require the approval of the FHA or the VA: annexation or deannexation of additional properties, dedication of Common Area, and amendment or termination of this Declaration.

ARTICLE XVI

General Provisions

Section 1. Enforcement. This Declaration, the Articles of

Incorporation and the By-Laws may be enforced by the Association as follows:

(a) Breach of any of the covenants contained in the Declaration or the By-Laws and the continuation of any such breach may be enjoined, abated or remedied by appropriate legal proceedings by an Owner, by the Association or the successors-in-interest of the Association. Any judgment rendered in any action or proceeding pursuant hereto shall include a sum for attorney's fees in an amount as the court may deem reasonable, in favor of the prevailing party, as well as the amount of any delinquent payment, interest thereon, costs of collection and court costs.

(b) The result of every act or omission whereby any of the covenants contained in this Declaration or the By-Laws are violated in whole or in part is hereby declared to be and constitutes a nuisance, and every remedy allowed by law or equity against a nuisance either public or private shall be applicable against every such result and may be exercised by any Owner, by the Association or its successors-in-interest.

(c) The remedies herein provided for breach of the covenants contained in this Declaration or in the By-Laws shall be deemed cumulative, and none of such remedies shall be deemed exclusive.

(d) The failure of the Association to enforce any of the covenants contained in this Declaration or in the By-Laws shall not constitute a waiver of the right to enforce the same thereafter.

(e) A breach of the covenants, conditions or restrictions contained in this Declaration or in the By-Laws shall not affect or impair the lien or charge of any bona fide first Mortgage or Deed of Trust made in good faith and for value on any residential Lot or the improvements thereon, provided, however, that any subsequent Owner of such property shall be bound by said covenants, whether such Owner's title was acquired by foreclosure in a trustee's sale or otherwise.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect..

Section 3. Term. The covenants and restrictions of this Declaration shall run with and bind the Properties, and shall inure to the benefit of and be enforceable by the Association or the Owner of any land subject to this Declaration, their respec-

tive legal representatives, heirs, successors and assigns, perpetually so long as there are mortgages against the Properties. Thereafter, the Owners of a majority of the Lots may sign and have recorded an instrument in writing agreeing to change such covenants and restrictions in whole or in part.

Section 4. Interpretation. The provisions of this Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development of a residential community and for the maintenance of community recreational facilities and Common Area. The article and section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions of interpretation or construction. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine and neuter shall each include the masculine, feminine and neuter.

Section 5. Amendments. Subject to any rights of the VA or the FHA hereunder, this Declaration may be amended only by the affirmative vote or written consent of the Owners holding not less than seventy-five (75%) percent of the voting power of each class of Members; provided, however, that the prior written approval of at least seventy-five percent (75%) of all first Mortgagees must be obtained also, before Article XIV may be amended. Notwithstanding the foregoing, the same of the first Lot in the Properties, Declarant shall have the right to terminate or modify this Declaration by recordation of a supplement hereto setting forth such termination or modification in accordance with the laws of the State of Utah and subject to Article XV, Section 6 of this Declaration. For purposes of this Declaration, the sale shall be deemed to be the date upon which a deed conveying a Lot is recorded in the Office of the Davis County Recorder. Notwithstanding any other provision of this Declaration, no amendment to this Declaration shall be effective unless such amendment be approved in writing by the City of Layton, or its delegates, whose action shall be governed by whether the Declaration, after such amendment, will continue to contain adequate provision for preservation and maintenance of vehicular and pedestrian access rights for individual property owners, all improvements and physical facilities such as landscaping, walls, fencing, buildings, hydrants, utility facilities, parking areas, flood lights, drainage facilities and recreational facilities, consistent with the conditions of approval of the applicable tentative tract plat.

Provided further however, this Declaration shall not be amended in such a manner that the rights of any first Mortgagee will be adversely affected.

Section 6. No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Properties to the public, or for any public use.

Section 7. Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot or other portion of the Properties does and shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in the Properties, or any portion thereof.

Section 8. Reservation of Easements. Reciprocal easements are hereby reserved for the benefit of adjoining Lot Owners for the control, maintenance and repair of the utilities of adjoining Lot Owners. Declarant expressly reserves for the benefit of all of the real property in the Properties, and the Owners, reciprocal easements of access, ingress and egress over all Lots, and over the common Area, for the use and enjoyment of the Lots in accordance with this Declaration, including without limitation, for installation and repair of utility services, for drainage over, across and upon adjacent Lots for water resulting from the normal use of adjoining Lots, for maintenance and repair of any dwelling. Such easements may be used by Declarant, its successors, purchasers and all Owners, their guests, tenants and invitees, residing on or temporarily visiting the Properties, for pedestrian walkways, vehicular access and such other purposes reasonably necessary for the use and enjoyment of a Lot and the Common Area. No Owner of a Lot shall interfere with the established drainage pattern over his Lot from adjoining on other Lots. Each Owner of a Lot shall make adequate provision for drainage in the event he changes the established drainage over his Lot. For purposes of this Declaration, "Established Drainage" on any Lot is defined as the drainage pattern and facilities in existence at the time that such Lot is conveyed to a purchaser from Declarant. In the event that any Dwelling Unit encroaches upon the Common Area and facilities, as a result of construction, reconstruction, repair, shifting, settlement or movement of any portion of the Properties, a valid easement for encroachment and for the maintenance of the same shall exist so long as the encroachment exists. Declarant and the Lot Owners of each Lot on which there is constructed a Dwelling Unit along or adjacent to said Lot line shall have an easement appurtenant to said Lot over the Lot line to and over the adjacent Lot, for the purposes of accomodating any natural movement or settling of any Dwelling Unit located on said Lot, any encroachment of any Dwelling Unit due to minor engineering or construction variances, and any encroachment of eaves, roof overhangs and architectural features as parts of the original construction of any Dwelling Unit located on said Lot. Declarant reserves the right to grant exclusive easements over certain limited portions of the Common Area, if necessary, to certain Lot Owners for yard purposes, as required by the Federal Housing Administration. Declarant further expressly reserves for the benefit of the Association, its agents and employees, easements of access, ingress and egress, over the Lots and the Common Area, for the purpose of maintaining, repairing and installing sewer pipelines and laterals, in accordance with

the provisions of this Declaration, and as otherwise provided by law.

Section 9. Notices. Any notice permitted or required to be delivered as provided herein shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to any person at the address given by such person to the Association for the purpose of service of such notice, or to the residence of such person if no address has been given to the Association. Such address may be changed from time to time by notice in writing to the Association.

Section 10. No Representations or Warranties. No representations or warranties of any kind, express or implied, have been given or made by Declarant or its agents or employees in connection with the Properties or any portion of the Properties, or any Improvement thereon, its physical condition, zoning, compliance with applicable laws, fitness for intended use, or in connection with the subdivisions, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof as a planned development, except as specifically and expressly set forth in this Declaration and except as may be filed by Declarant from time to time with the Utah Land Sales Practices Act, the Veterans' Administration, the Federal Housing Administration or the City of Layton.

Declarant has executed this Declaration on the date first above written.
