PARTIAL ASSIGNMENT OF EASEMENTS FOR GROUND LEASE TERM

This Partial Assignment of Easements for Ground Lease Term ("**Assignment**") is made effective as of August 24, 2023, by and between BLX LEASE 2 LLC, EX Utah Development LLC, BLX Lot 23 LLC, BLX Lot 3 LLC, each a Delaware limited liability company (collectively, "**Assignor**"), and DEER VALLEY RESORT COMPANY, LLC, a Utah limited liability company ("**Assignee**"). Assignor and Assignee are sometimes collectively referred to herein as the "**Parties**" and individually as a "**Party**." Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Ground Lease (defined below).

1. Underlying Ground Lease and Easements. This Assignment is given in connection with that certain Ground Lease, dated as of August 24, 2023, among Assignor, as Landlord, and Assignee, as Tenant (the "**Ground Lease**"), the terms and conditions of which shall survive the execution and delivery of this Assignment, including without limitation all warranties contained in the Ground Lease. In the event of any conflict between the terms of this Assignment and the terms of the Ground Lease, the terms of the Ground Lease shall prevail and govern. The Ground Lease pertains to the "**Demised Premises**" described therein, which Demised Premises is more particularly described on **Exhibit "A"** attached hereto. In addition to the Demised Premises, Assignor has certain rights and obligations arising under those certain easements and agreements set forth on **Exhibit "B"** attached hereto (collectively, the "**Easements**"), which Easements pertain to the Demised Premises and its operation as a Resort (as defined in the Ground Lease).

2. Partial Assignment. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby, for the "**Term**" of the Ground Lease only and subject to the exceptions set forth in this Assignment, assign and set over to Assignee, and its successors and assigns, such rights and obligations of Assignor, in each case as the "Grantee" only, in, to, and under the Easements as are reasonably necessary for Assignee to operate the Demised Premises as a Resort. For purposes of clarity, Assignor and Assignee agree that: (a) Assignor expressly retains its rights arising under or in connection with the Easements except as expressly assigned to Assignee pursuant to this Assignment, including, without limitation, the right to use the applicable easement areas defined in the Easements as Assignor deems reasonably necessary for the development and operation of the Identified LL Development Areas (as defined in the Ground Lease); (b) this Assignment shall not relieve Assignor of any obligations or liability under the Easements except to the extent expressly assigned to Assignee under Section 4 below; and (c) Assignee shall have no ability to amend or modify the Easements or any provision thereof, all such amendments and

modifications being subject to the express written consent of Assignor (not unreasonably withheld, conditioned, or delayed) and being effective only upon Assignor's execution of the applicable amendment or modification of the applicable Easement.

3. Assumption. Assignee hereby accepts the foregoing partial assignment of the Easements and hereby assumes and agrees to perform all of Assignor's obligations under the Easements, in each case as the "Grantee" only, during the Term of the Ground Lease solely to the extent that such obligations pertain to the operation of the Resort in accordance with the Development and Operations Standards and the Tenant Use and Development Restrictions, regarding the operation, maintenance and repair of any and all ski runs, trails and related lifts, snowmaking and other ski facilities located within the applicable easement areas described in the Easements.

4. Residential Enclaves. The Easements include certain easement agreements recorded in the office of the Wasatch County Recorder as Entry Nos. 503753 and 511414 granting Assignor exclusive easements, appurtenant to the Demised Premises, for the benefit, use and enjoyment of the "Grantee Permitted Users" (as defined therein) on, over, across and through the Recreational Easement Area (as defined therein), including but not limited to, any Trails (as defined therein) now or hereafter existing in Common Areas (as defined therein), for the Permitted Uses (as defined therein) (collectively, the "**Recreational Easements**"). With respect to the "Recreational Easement Areas," "Grantee Facilities Easement Areas" and the "Private Trails" identified on the plats of subdivision for residential neighborhoods located within or adjacent to the Resort (i.e. Galena One (recorded in the office of the Wasatch County Recorder as Entry No. 515243), Galena Two (recorded in the office of the Wasatch County Recorder as Entry No. 515244), Galena Three (recorded in the office of the Wasatch County Recorder as Entry No. 522602), McHenry Estates (recorded in the office of the Wasatch County Recorder as Entry No. 531622), Overlook Estates (recorded in the office of the Wasatch County Recorder as Entry No. 531683) and Velvaere (recorded in the office of the Wasatch County Recorder as Entry No. 523180)), Assignee hereby agrees that it shall maintain, manage and operate the "Recreational Easement Areas," "Grantee Facilities Easement Areas" and "Private Trails" and the related skier access routes and ski terrain areas pursuant to the Recreational Easements and the Development and Operations Standards (as defined in the Ground Lease). With the cooperation of Assignor if requested by Assignee, Assignee may enter into one or more management and/or operating agreements (each, a "**Management Agreement**") negotiated in good faith by Assignee and the other counterparties thereto, it being Assignor's and Assignee's mutual intention that each applicable counterparty to such Management Agreement shall be responsible for paying a reasonably and proportionately allocated share of commercially reasonable maintenance and operation costs with respect to such "Private Trails" and related skier access routes and ski terrain as are the subject of the applicable Management Agreement; provided that, in all cases (and regardless of the existence of any Management Agreements) Assignee shall be responsible to groom, provide snowmaking, maintain, manage and operate such "Private Trails" and related skier access routes and ski terrain in a manner consistent, in all material respects, with the Recreational Easements and the Development and Operations Standards (as defined in the Ground Lease) applicable to such "Private Trails" and related skier access routes and ski terrain (the "**Grooming Services**").

- a. Notwithstanding the foregoing, the failure of Assignee to reach agreement as to the terms of any Management Agreement with the applicable owner's association

shall not be a default under this Assignment or the Ground Lease. In the event Assignee is unable to reach an agreement with any applicable owner's associations (each, an "**Owner's Association**"), Assignor may elect to perform or cause to be performed the Grooming Services with respect to the "Private Trails" which are not subject to a Management Agreement. With respect to Assignor's performance of the Grooming Services, Assignor and its contractors and employees, shall have a license to enter upon such portions of the Demised Premises as are reasonably necessary to perform the Grooming Services in strict coordination with Assignee's resort protocols and such entry shall only occur during those periods of the day when the Demised Premises is closed to public skiing and similar support services are typically scheduled to be performed with respect to the Resort generally.

- b. At any time(s) when there is no Management Agreement in place with regard to one or more of the "Private Trails" (as applicable, the "**Uninsured Grooming Areas**") and Assignor, or its designee, is performing the Grooming Services with respect to such Uninsured Grooming Areas, Assignor shall maintain or cause to be maintained in full force and effect the following insurance with respect to the Grooming Services, in at least the coverage amounts stated herein and subject to any other terms and conditions as set forth herein: (i) Commercial General Liability insurance which shall include products and completed operations and advertising liability coverage in the amount of at least Five Million Dollars (\$5,000,000) per occurrence and Ten Million Dollars (\$10,000,000) in the aggregate, (ii) Workers' Compensation Insurance in compliance with all statutory requirements, for all employees and in case any work is subcontracted, Licensee shall require the subcontractor to provide (a) the Workers' Compensation Insurance for all of the subcontractor's employees, and (b) all other insurance as set forth herein and (iii) Business Auto Liability insurance on all vehicles used by Licensee in connection with the License in the amount of at least One Million Dollars (\$1,000,000) per occurrence and One Million Dollars (\$1,000,000) in the aggregate. Policies shall be written with a licensed insurance company with a Best's Rating of no less than A- VII and shall be primary and not contributory to any policies available to Assignee. Assignee, and such other parties Assignee shall reasonably specify, shall be named as an additional insured(s) with respect to the activities of Assignor on all such policies, except (ii) above. Policies shall provide for not less than thirty (30) days written notice prior to cancellation, material modification or expiration thereof. Assignor shall provide a certificate of insurance evidencing all such coverages and additional insured status. The limits of insurance stated herein are minimum requirements and shall not be construed to limit Assignor's liability under this Agreement. In Assignor's sole discretion, such insurance required pursuant to this Section 4(b) may be provided as part of, and/or via endorsement or rider to, the insurance policies then being maintained by Assignor with respect to the Demised Premises pursuant to the Ground Lease.

- c. At any time(s) when there is no Management Agreement in place with regard to one or more of the "Private Trails" (as applicable, the "**Uninsured Grooming Areas**") and Assignor, or its designee, is performing the Grooming Services with respect to such Uninsured Grooming Areas, Assignor accepts and assumes all risks of, and full responsibility for, its operations and agrees to the fullest extent permitted by law, and regardless of any limits of insurance carried by Assignor or its contractors, to unconditionally protect, indemnify, defend and hold harmless Assignee, Alterra Mountain Company, their affiliates, and each of their respective officers, directors, shareholders, members, managers, agents, employees, representatives and volunteers, from and against any and all liabilities, claims, losses, damages, bodily injury, death, investigations, actions, suits, judgments, demands, costs, and expenses (including but not limited to reasonable attorneys' fees and disbursements), arising out of or resulting from (i) the acts or omissions of Assignor at any time within or upon the Demised Premises in connection with the use specified herein, and (ii) the negligence or willful misconduct of Assignor or of any of contractors, vendors, laborers, materialmen or other suppliers in the Demised Premises; provided, however, that Assignor's assumption of risk and related indemnity obligations pursuant to this Section 4(c) excludes any and all liabilities, claims, losses, damages, bodily injury, death, investigations, actions, suits, judgments, demands, costs, and expenses (including but not limited to reasonable attorneys' fees and disbursements), arising out of, resulting from, or in connection with, Assignee's gross negligence, willful misconduct or illegal activities.

5. Governing Law. This Assignment shall be construed in accordance with and governed by the laws of the State of Utah without regard for choice of laws or conflict of laws principles that would require or permit the application of the laws of any other jurisdiction. The Parties irrevocably consent to the exclusive jurisdiction of the courts of the State of Utah or the federal district court for the District of Utah, as may be applicable, in respect of any actions arising hereunder.

6. Authority. Each Party represents and warrants that: (a) it is an entity in good standing under the laws of its home jurisdiction and is duly authorized to conduct business in the State of Utah; (b) the person signing this Assignment on its behalf has full and proper authority to do so; (c) it has undertaken and obtained whatever corporate or company formalities, approvals, and actions necessary to enter into and be bound by this Assignment; and (d) this Assignment is valid and binding on it.

7. Successors. This Assignment shall inure to the benefit of and be binding upon the Parties and their respective successors.

8. Counterparts. This Assignment may be executed in counterparts, which taken together shall constitute a single and complete instrument.
