Patricia Falk, the undersigned, owner of

Property description:

POOR COPY -  
SL RECORDER

understand that the sewer lateral from the building to the sewer is less than the minimum regulations required by Salt Lake City Suburban Sanitary District #1. For reasons sufficient to me and for my convenience, and with a full understanding that the line has not met the standard requirements of Salt Lake City Suburban Sanitary District #1, I hereby request permission to have this property connected to the sewer.

Specifically the fault is: System requires sewer ejection pumps.

Instead of being required to re-lay this line, I request permission to connect to the sewer system with the knowledge that I am fully responsible for any difficulty which may arise within such line. I agree to the recording of this document.
