Any breach or default with respect to the Additional Obligations shall constitute an Event of Default hereunder. Nothing in this Section shall impair or limit Lender's right to obtain a judgment in accordance with applicable law after foreclosure for any deficiency in recovery of all obligations that are secured by this Deed of Trust following foreclosure.

2. SECURITY AGREEMENT.

2.1 Grant of Security Interest. This Deed of Trust creates a lien on the Collateral, and constitutes an absolute assignment of the Rents, Issues and Profits and of the Leases, all in favor of Lender, and includes all property now or hereafter affixed or attached to or incorporated upon the Land and Improvements, which, to the fullest extent permitted by law, shall be deemed fixtures and a part of the real property. To the extent that any part of the Collateral or Rents, Issues and Profits and Leases may be, or are determined to be, personal property, Borrower, as debtor, and Grantor each hereby grant to Lender, as secured party, a security interest in such part of the Collateral and Rents, Issues and Profits and Leases as is determined to be personal property, to secure payment and performance of the Secured Obligations. As to such personal property, this Deed of Trust constitutes a security agreement under the Article 9 of the Uniform Commercial Code of the state in which the Project is located (the "*State*"), with Borrower and Grantor/Trustor as Debtor and Grantee/Beneficiary as Secured Party. Terms used to describe the Collateral in Section 1 of this Deed of Trust shall have the definitions ascribed to such terms under the Uniform Commercial Code of the State.

2.2 Perfection of Security Interest. Borrower and Grantor hereby authorize Lender to file one or more financing statements, continuation statements, financing statement amendments, and such other documents as Lender may from time to time require to perfect and continue the perfection of Lender's security interest in any part of the Collateral or the Rents, Issues and Profits and Leases. Borrower shall pay all fees and costs that Lender may incur in filing such documents in public offices and in obtaining such record searches as Lender may reasonably require. If any financing statement or other document is filed in the records normally pertaining to personal property, that filing shall not be construed as in any way derogating from or impairing the declaration and the stated intention of the parties hereto that the Collateral and all components thereof are, to the maximum extent possible, real property or otherwise impair the rights or obligations of the parties under this Deed of Trust.

3. FIXTURE FILING. This Deed of Trust constitutes a financing statement filed as a fixture filing under the Uniform Commercial Code in effect in the State, as amended or recodified from time to time, covering any part of the Collateral that now is or later may become fixtures attached to the Land or Improvements. For this purpose, the respective addresses of Borrower, as debtor, Grantor, and Lender and Trustee, as secured parties, are as set forth in the preambles of this Deed of Trust.

4. ASSIGNMENT OF CONTRACTS AND PLANS.

4.1 Assignment of Contracts and Plans. As security for the Loan, Borrower and Grantor hereby assign, transfer, and pledge to Lender all of its right, title and interest in and to the Contracts and Plans identified above.

4.2 Security. This assignment and pledge set forth in this Section is for security purposes only, and is made to secure payment of all amounts and performance of each and every obligation of Borrower under the Loan Documents and under any other instrument executed by Borrower with respect to the Collateral.

4.3 Reliance by Other Parties. The assignment and pledge set forth in this Section shall be conclusive evidence of Lender's rights hereunder and may be relied upon by any architect, engineer, construction contractor or subcontractor, supplier of materials or labor, or other party to any of the Contracts.

4.4 Lender Authorized to Demand Performance. Upon the occurrence of a default under any of the Loan Documents, Borrower and Grantor each hereby authorize Lender, and for this purpose irrevocably constitutes and appoints Lender as its attorney-in-fact, coupled with an interest, to use the Plans for further development and construction on the Project, to demand, receive, and enforce Borrower's and Grantor's respective rights under the Contracts, to make payments and give appropriate receipts, releases and satisfactions under such Contracts, and to perform any and all acts with respect to the Contracts or Plans that Lender deems necessary or desirable, all on behalf of and in the name of Borrower or Grantor, or at Lender's option in Lender's own name, with

the same force and effect as if performed by Borrower or Grantor. Lender may also reassign its rights hereunder to another person designated by Lender, who shall have the same rights to enforce the Contracts and utilize the Plans.

4.5 No Modification or Further Assignment. Without Lender's prior written approval, which shall not be unreasonably withheld, conditioned or delayed, Borrower and Grantor each will not: (i) make any amendments or modifications in the Contracts that are materially adverse to Borrower or Grantor, or (ii) assign, pledge, mortgage, or otherwise transfer or encumber any of its right, title, or interest in any of the Contracts or Plans while any of Borrower's and Grantor's respective obligations under the Loan Documents remain unfulfilled.

4.6 Lender Not Liable. Lender's acceptance of this assignment of Borrower's and Grantor's rights in the Contracts and Plans does not constitute an assumption by Lender of any obligations whatsoever relating to such Contracts or Plans. Accordingly, Lender shall have no liability to any other party to such Contracts or preparer of such Plans unless or until Lender assumes in writing the obligations relating to such Contracts or Plans. If Lender designates a receiver, contractor, or other party to oversee administration of the Contracts and completion of the development of the Project, the obligations under such Contracts or relating to such Plans shall be assumed and performed by such designee, and Lender shall have no liability whatsoever with respect to those obligations.

4.7 Borrower's Representations, Warranties, and Covenants. Borrower and Grantor each represent and warrant to Lender: (i) there have been no prior assignments of Borrower's or Grantor's interest in the Contracts and Plans, and Borrower's and Grantor's assignment to Lender shall be in a first lien position; (ii) Borrower and Grantor each have full power and authority to assign its right, title and interest in the Contracts and Plans to Lender and, with respect to the assignment of each Contract or Plan, either: (a) Borrower or Grantor has obtained and delivered to Lender a consent to such assignment in a form satisfactory to Lender, or (b) no consents or approvals of any persons or entities under such Contract or Plan are necessary for Borrower to validly sign, deliver and perform this assignment; and (iii) the Contracts constitute valid and binding agreements, enforceable against both Borrower and the other party or parties in accordance with their terms, and neither Borrower or Grantor nor, to the best of Borrower's and Grantor's knowledge, any other party to such Contracts is in default under the terms of such Contracts, except for any defaults already disclosed by Borrower and Grantor to Lender in writing.

4.8 Default. Lender shall have no right under this Section to enforce Borrower's and Grantor's rights with respect to the Contracts or Plans until Borrower or Grantor shall be in default under any of its obligations to Lender under any instrument, document or agreement related to the Loan or the Project. Upon the occurrence of any such default, Lender may, without affecting any of its other rights or remedies against Borrower or Grantor hereunder or under any other instrument, document or agreement, exercise its rights under the assignment and pledge set forth in this Section or in any other manner permitted by law, and in addition Lender shall have and possess, without limitation, any and all rights and remedies of a secured party under the Uniform Commercial Code in effect in the State or as otherwise provided by the laws of such State.

4.9 Indemnity. Borrower and Grantor will indemnify and hold Lender harmless from and against any and all claims, demands, liabilities, losses, lawsuits, judgments, damages, costs and expenses, including without limitation reasonable attorneys' fees and costs incurred, to which Lender may become exposed or which Lender may incur in exercising any of its rights under Borrower's and Grantor's assignment of the Contracts and Plans.

5. ASSIGNMENT OF RENTS.

5.1 Leasing. Borrower and Grantor shall not lease the Project or any part thereof unless permitted under the Loan Agreement or by other express written consent of Lender, and then only strictly in accordance with such agreement. Notwithstanding the foregoing, however, any and all Leases at the Project, whether or not entered into with the consent of Lender, shall be subject to the provisions of this Section 5.

5.2 Assignment. Borrower and Grantor each hereby irrevocably, presently, absolutely and unconditionally assign and transfer to Lender: (i) the Rents, Issues and Profits; (ii) all Leases, and (iii) any and all

guarantees of any obligations of any lessee under each of the Leases (a “*Lessee*”). The assignments in this Section are absolute assignments and irrevocable from Borrower to Lender and not merely the passing of security interests or assignments for security only.

5.3 Grant of License. Lender hereby confers upon Borrower and Grantor a license (“*License*”) to collect and retain the Rents, issues and Profits as they become due and payable, and to administer the Leases, so long as no Event of Default, as defined in Section 7.1, shall exist and be continuing. If an Event of Default has occurred and is continuing, such License shall terminate without notice to or demand upon Borrower or Grantor, without regard to the adequacy of Lender’s security under this Deed of Trust.

5.4 Collection and Application of Rents, Issues and Profits.

5.4.1 Right to Collect; Attorney in Fact. Subject to the License granted to Borrower and Grantor under the above Section, Lender has the right, power, and authority to collect any and all Rents, Issues and Profits and administer the Leases. Borrower and Grantor each hereby appoint Lender its attorney-in-fact, coupled with an interest, to, at such times as Lender may choose in its sole discretion: (i) demand, receive and enforce payment of any and all Rents, Issues and Profits; (ii) give receipts, releases and satisfactions for any and all Rents, Issues and Profits; or (iii) sue either in the name of Borrower, Grantor, and/or in the name of Lender for any and all Rents, Issues and Profits.

5.4.2 Possession of Project not Required. Lender’s right to the Rents, Issues and Profits does not depend on whether or not Lender takes possession of the Project as permitted hereunder. If an Event of Default occurs while Lender is in possession of all or part of the Project and is collecting and applying Rents, Issues and Profits as permitted under this Deed of Trust, Lender, Trustee, and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity.

5.5 Enforcement of Leases. Borrower and Grantor each will (i) comply with and observe Borrower’s obligations as landlord under all Leases and will do all that is necessary to preserve all Leases in force and free from any right of counterclaim, defense or set off, (ii) enforce the performance of each and every obligation, term, covenant, condition and agreement in the Leases by the tenants to be performed, (iii) notify Lender of the occurrence of any default under any Leases for non-residential use, and (iv) appear in and defend any action or proceeding arising under, occurring out of, or in any manner connected with the Leases or the obligations, duties, or liabilities of Borrower or the tenants thereunder. Without Lender’s written consent, Borrower and Grantor will not collect or accept payment of any Rents from the Collateral more than one (1) month prior to the due dates thereof; will not surrender or terminate any Lease for non-residential use; and will not request or consent to the subordination of any Lease to any lien subordinate to this Deed of Trust.

5.6 Lender Not Responsible. Under no circumstances shall Lender have any duty to produce Rents, Issues and Profits from the Project. Regardless of whether or not Lender, in person or by agent, takes actual possession of the Project, Lender is not and shall not be deemed to be: (i) a “mortgagee in possession” for any purpose; (ii) responsible for performing any of the obligations of the lessor under any Lease; (iii) responsible for any waste committed by Lessees or any other parties, any dangerous or defective condition of the Project, or any negligence in the management, upkeep, repair or control of the Project; or (iv) liable in any manner for the Project or the use, occupancy, enjoyment or operation of all or any part of it, except for such matters as may arise from the willful misconduct and bad faith of Lender.

6. RIGHTS AND DUTIES OF THE PARTIES.

6.1 Performance of Secured Obligations. Borrower shall promptly pay and perform each Secured Obligation and Additional Obligations in accordance with its terms.

6.2 Representations and Warranties. Borrower represents and warrants that:

6.2.1 Commercial Purposes. The Loan and the other Secured Obligations were obtained by Borrower and Grantor and will continue to be used for commercial or business purposes, other than agricultural, timber, or grazing purposes, and not for personal, family or household purposes.

6.2.2 Title to Land and Improvements. As of closing, Grantor holds good and indefeasible fee simple title to all of the Land and Improvements, subject only to such exceptions and encumbrances as have been approved in writing by Lender (the "*Permitted Exceptions*"), and Grantor has or will have good title to all portions of the Collateral other than the Land and Improvements.

6.2.3 Title to Personal Property. Grantor owns any portion of the Collateral that is personal property free and clear of any security agreements, reservations of title, or conditional sales contracts, and there is no financing statement affecting such personal property on file in any public office other than in Lender's favor.

6.2.4 Right to Encumber/Priority. Grantor has the full and unlimited power, right, and authority to encumber the Collateral and assign the Rents, Issues and Profits and Leases. Upon recording of this Deed of Trust and filing of a UCC Financing Statement with respect to any portion of the Collateral that is determined to be personal property, this Deed of Trust will create a first lien on and security interest in the Collateral that is subject and subordinate to no other liens except for the Permitted Exceptions.

6.3 Taxes and Assessments. Borrower and Grantor shall pay or cause to be paid when due, all general real and personal property taxes, special and supplemental real and personal property taxes and assessments, license fees, license taxes, levies, charges, penalties, or other taxes or similar impositions imposed by any public or quasipublic authority or utility company that are or may become a lien upon the Collateral. Borrower and Grantor shall also pay when due all real property taxes, assessments, levies and charges imposed by any public authority upon Lender by reason of its interest in the Collateral created hereby. All of the foregoing taxes, assessments and other charges payable by Borrower with respect to the Collateral are collectively referred to as the "*Impositions.*" If requested by Lender, Borrower and Grantor shall furnish Lender with receipts from the appropriate taxing authority or other proof satisfactory to Lender that all Impositions have been paid on or before the date upon which they become delinquent.

6.4 Liens, Charges and Encumbrances. Except in accordance with Section 11.4, Borrower and Grantor shall not encumber or permit the encumbrance of the Collateral without Lender's prior written consent and Borrower shall immediately discharge any lien on the Collateral to which Lender has not consented in writing. Borrower shall pay or cause to be paid when due all obligations secured by or reducible to liens and encumbrances that shall now or hereafter encumber or appear to encumber the Collateral or any part thereof, all claims for work or labor performed, or materials or supplies furnished, in connection with any work upon the Project, whether the lien, charge or encumbrance is or would be senior or subordinate to this Deed of Trust; provided, however, that Borrower and Grantor shall not be in default hereunder due to any such lien, charge, or encumbrance that is a Permitted Exception. Lender hereby expressly reserves the right to advance any and all funds necessary to cure any and all such obligations, and/or claims.

6.5 Required Insurance. Borrower and Grantor shall maintain insurance coverages in effect with respect to the Collateral in accordance with the insurance requirements of Lender set forth in the Loan Agreement or otherwise provided by Lender to Borrower in writing prior to the closing of the Loan, as such requirements may be updated by from time to time by Lender. Each insurance policy shall be with a company and in a form acceptable to Lender, as determined by Lender in its reasonable discretion, and shall name Lender as an additional insured.

6.6 Insurance and Condemnation Proceeds.

6.6.1 Payment to Lender. Borrower and Grantor each hereby absolutely and irrevocably assigns to Lender, and authorizes the payor to pay to Lender, the following claims, causes of action, awards, payments and rights to payment, together with all interest that may accrue thereon (collectively, the “*Claims*”):

6.6.1.1 Condemnation Awards. All awards of damages and all other compensation payable directly or indirectly because of a condemnation, proposed condemnation, or taking for public or private use that affects all or part of the Collateral or any interest in it;

6.6.1.2 Warranty Claims. All awards, claims, and causes of action arising out of any warranty affecting all or any part of the Collateral, or for damage or injury to or decrease in value of all or part of the Collateral or any interest in it; and

6.6.1.3 Insurance Proceeds. All proceeds of any insurance policies payable because of damage or loss sustained to all or part of the Collateral.

6.6.2 Notice to Lender. Borrower and Grantor shall immediately notify Lender in writing if: (i) any damage occurs or any injury or loss is sustained to all or part of the Collateral, whether or not covered by insurance or warranty, or any action or proceeding relating to any such damage, injury, or loss is commenced; or (ii) any offer is made, or any action or proceeding is commenced, that relates to any actual or proposed condemnation or taking of all or part of the Collateral.

6.6.3 Pursuit of Claims. Borrower and Grantor shall pursue recovery of all such Claims and defend its rights under any proceeding for condemnation of the Collateral or any part thereof and prosecute the same with due diligence to its final disposition, and shall cause any awards or settlements to be paid over to Lender for disposition pursuant to the terms of this Deed of Trust. Lender may, at Lender’s option and in Lender’s sole discretion, as attorney-in-fact for Borrower, make proof of loss and adjust and compromise any Claims, appear in or prosecute any action or proceeding to enforce the Claims, or participate in any action or proceeding relating to condemnation or taking of all or part of the Collateral, and may join Borrower and Grantor in adjusting any loss covered by insurance. Borrower and Grantor shall deliver or cause to be delivered to Lender such instruments as may be requested by Lender from time to time to permit Lender to take any such actions.

6.6.4 Application of Proceeds. All proceeds of the Claims that Borrower and Grantor may receive or be entitled to receive shall be paid to Lender. Lender shall apply any proceeds received by it hereunder first to the payment of the reasonable costs and expenses incurred in the collection of the proceeds. Lender shall then apply the remaining balance of such proceeds (the “*Net Claims Proceeds*”), in its absolute discretion and without regard to the adequacy of its security: (i) to any of the Secured Obligations, notwithstanding the fact that Secured Obligations may not be due according to the terms thereof; (ii) to reimburse Borrower and Grantor for the costs of reconstructing the Improvements or otherwise repairing or restoring the Collateral; or (iii) to Borrower and Grantor; provided, however, that if there are no outstanding Events of Default under any of the Loan Documents and Borrower establishes, to Lender’s reasonable satisfaction, that Borrower and Grantor have sufficient funds, including the Net Claims Proceeds, to fully rebuild or repair the Collateral within the remaining term of the Loan and without delaying the completion date of the Project, Lender shall make disbursements of the Net Claims Proceeds for purposes of repair or restoration of the Collateral.

6.6.5 Restoration. If the Net Claims Proceeds are used to reimburse Borrower and Grantor for the cost of reconstruction, restoration, or repair of the Collateral, the Collateral shall be promptly and diligently restored by Borrower and Grantor to the equivalent of its condition immediately prior to the casualty or condemnation in accordance with the Plans or to such other condition as Lender may approve in writing, and disbursements of such Net Claims Proceeds shall be in accordance with disbursement procedures acceptable to Lender. If, after applying the Net Claims Proceeds to the Secured Obligations, Lender reasonably determines the remaining security to be inadequate to secure the remaining Secured Obligations, Borrower and Grantor shall, upon written

demand from Lender, repay an amount that will reduce the remaining Secured Obligations to a balance for which adequate security is present.

6.7 Reserves for Taxes and Insurance. If required by Lender after an Event of Default has occurred, Borrower and Grantor shall deposit with Lender, in monthly installments, an amount equal to one-twelfth of the estimated aggregate annual Impositions and insurance premiums for the Project. In such event, Borrower and Grantor shall cause all bills, statements, or other documents relating to the Impositions and insurance premiums to be sent or mailed directly to Lender. Upon receipt of such bills, statements, or other documents, and provided Borrower and Grantor have deposited sufficient funds with Lender pursuant to this Section, Lender shall pay such amounts as may be due thereunder out of the funds so deposited with Lender. If at any time and for any reason the funds deposited with Lender are or will be insufficient to pay such amounts as may then or subsequently be due, Lender shall notify Borrower and Grantor and Borrower and Grantor shall immediately deposit an amount equal to such deficiency with Lender. Notwithstanding the foregoing, nothing contained herein shall cause Lender to be deemed a trustee of said funds or to be obligated to pay any amounts in excess of the amount of funds deposited with Lender pursuant to this Section. Lender may commingle said reserve with its own funds and Borrower shall be entitled to no interest thereon.

6.8 Maintenance and Preservation of the Collateral. Borrower and Grantor each covenant: (i) to maintain and preserve the Collateral in good condition and repair and in a prudent businesslike manner; (ii) not to remove, demolish or structurally alter the Collateral or any part thereof, or alter, restore or add to the Collateral, or initiate or allow any change in any zoning or other land use classification that affects the Collateral or any part of it, except with Lender's express prior written consent, and except such alterations as may be required by laws, ordinances, rules, regulations, or orders of governmental authorities or by the terms hereof; (iii) to comply with and not suffer violations of any existing and future subdivision laws, building codes, zoning laws and regulations, and other laws, regulations, ordinances, rules, codes, orders, directives, guidelines, building restrictions and requirements of, and all agreements with and commitments to, all federal, state, county or municipal governmental, judicial or legal authorities or agencies having jurisdiction over the Borrower or the Project, including those pertaining to the construction, sale, lease, or financing of the Improvements, and all recorded covenants and restrictions affecting the Project (the "**Requirements**"); (iv) not to commit or permit any waste, as defined under Utah law, to or deterioration of the Collateral; (v) to perform all other acts that from the character or use of the Collateral may be reasonably necessary to maintain and preserve its value; (vi) to perform all obligations required to be performed under the Loan Documents, and all other obligations of Borrower and Grantor pertaining to the Collateral; and (vii) to execute and, where appropriate, acknowledge and deliver such further instruments as Lender or Trustee may deem necessary or appropriate to preserve, continue, perfect and enjoy the security provided for herein.

6.9 Right of Inspection. Lender, its agents, employees and representatives shall have the right to enter the Project at any reasonable time for the purpose of inspecting the Project and ascertaining Borrower's compliance with the terms hereof, and for such other purposes and in accordance with the terms specified in any of the other Loan Documents.

6.10 Defense and Notice of Actions; Costs. Borrower and Grantor shall, without liability, cost, or expense to Lender or Trustee, protect, preserve, and defend Borrower's fee interest in and to the Project and Borrower's and Grantor's interest in the Collateral, the security of this Deed of Trust, any additional or other security for the Secured Obligations, and the rights or powers of Lender or Trustee hereunder against all adverse claims. Said protection, preservation, and defense shall include, but not be limited to, protection, preservation and defense against all adverse claimants to and encumbrancers of Borrower's and Grantor's interest in the Collateral, whether or not such claimants or encumbrancers assert an interest paramount to that of Lender. Borrower and Grantor shall give Lender and Trustee prompt notice in writing of the filing of any such action or proceeding. Borrower and Grantor shall pay all costs, fees, and expenses including, without limitation, costs of evidence of title, trustees' fees, and reasonable attorneys' fees paid or incurred in any action or proceeding in which Lender and/or Trustee may appear or be made a party, whether or not pursued to final judgment, and in any exercise of the power of sale or other remedy contained herein, whether or not such sale is actually consummated or such other remedy is actually prosecuted to completion.

6.11 Matters Concerning Trustee; Actions of Trustee. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, becomes a public record as provided by law.

6.11.1 Compensation. Borrower and Grantor agree to pay fees in the maximum amounts legally permitted, or reasonable fees as may be charged by Lender and Trustee when the law provides no maximum limit, for any services that Lender or Trustee may render in connection with this Deed of Trust. Borrower and Grantor further agree to pay or reimburse Lender for all costs, expenses and other advances that may be incurred or made by Lender or Trustee in any efforts to enforce any terms of this Deed of Trust, whether any lawsuit is filed or not, or in defending any action or proceeding arising under or relating to this Deed of Trust, including reasonable attorneys' fees and other legal costs, costs of any foreclosure sale or bankruptcy proceeding affecting the Borrower, the Grantor, or the Collateral, and any cost of evidence of title.

6.11.2 Indemnification. Borrower and Grantor agree to indemnify Trustee and Lender against and hold each of them and their respective officers, employees, agents, and representatives, harmless from and against any and all losses, damages, liabilities, claims, causes of action, judgments, court costs, reasonable attorneys' fees, and other legal expenses, cost of evidence of title, cost of evidence of value, and other costs and expenses that either may reasonably suffer or incur: (i) in performing any act required or permitted by this Deed of Trust or any of the other Loan Documents or by law; (ii) because of any failure of Borrower or Grantor to perform any of its Secured Obligations; or (iii) because of any alleged obligation of or undertaking by Lender to perform or discharge any of the representations, warranties, conditions, covenants or other obligations in any document relating to the Collateral other than the Loan Documents. This agreement by Borrower and Grantor to indemnify Trustee and Lender shall survive the release and cancellation of any or all of the Secured Obligations and the full or partial release and/or reconveyance of this Deed of Trust.

6.11.3 Exculpation. Lender shall not be directly or indirectly liable to Borrower and Grantor or any other person as a consequence of: (i) Lender's exercise of or failure to exercise any rights, remedies, or powers granted to it in this Deed of Trust or to perform or discharge any obligation or liability of Borrower and Grantor under any agreement related to the Collateral or under this Deed of Trust; or (ii) any loss sustained by Borrower or any third party resulting from any act or omission of Lender in managing the Project, unless the loss is caused by the willful misconduct or gross negligence of Lender. Borrower and Grantor hereby expressly waive and release all liability of the types described above, and agrees that no such liability shall be asserted against or imposed upon Lender.

6.11.4 Payment by Borrower and Grantor. Borrower and Grantor shall fulfill all obligations to pay money arising under this Section immediately upon demand by Trustee or Lender. Each such obligation shall be added to, and considered to be part of, the principal of the Note, and shall bear interest from the date the obligation arises at the rate applicable to the principal balance of the Note, as such rate may be adjusted.

6.12 Permitted Actions of Lender and/or Trustee.

6.12.1 Releases, Extensions, Modification, and Additional Security. From time to time, Lender may perform any of the following acts without incurring any liability or giving notice to any person: (i) release any person liable for payment of any Secured Obligation; (ii) extend the time for payment, or otherwise alter the terms of payment, of any Secured Obligation; (iii) accept additional real or personal property of any kind as security for any Secured Obligation; or (iv) alter, substitute, or release all or any portion of the Collateral.

6.12.2 Additional Actions. From time to time Lender, or Trustee when requested to do so by Lender in writing, may perform any of the following acts without incurring any liability or giving notice to any person and without affecting the personal liability of any person for payment or performance of any of the Secured Obligations: (i) consent to the making of any plat or map of the Project or any part of it; (ii) join in granting any easement or creating any covenant or restriction affecting the Project; (iii) join in any extension, subordination, or other agreement affecting this Deed of Trust or the lien of it; or (iv) reconvey the Collateral or any part of it without any warranty.

6.13 Partial Reconveyance/Partial Release. Upon Borrower's and Grantor's fulfillment of all of the terms and conditions set forth in the Loan Documents, Lender agrees, at any time upon the written request of Borrower and Grantor, to direct Trustee to execute and deliver a partial reconveyance or partial release releasing from the lien of this Deed of Trust each of the separate subdivision lots (or condominium units, if applicable) that collectively constitute the Land (each lot or condominium unit to be released is hereinafter referred to as a "*Release Unit*") so long as: (i) there does not exist any uncured default under any of the Loan Documents or any event which, following notice and/or the expiration of any applicable cure period without a cure, would constitute a default thereunder; (ii) the Release Unit and the real property remaining subject to the Deed of Trust shall each constitute legal and separately conveyable parcels with reasonable and adequate access to public streets and utilities, in accordance with the Plans; (iii) Lender receives the required release payment established in the Loan Documents (the "*Release Payment*") and all other amounts it is entitled to receive thereunder; and (iv) all other conditions to such release as provided in the Loan Documents are satisfied. Except as specifically provided in the Loan Documents, Lender shall not be obligated to reconvey or release the lien of the Deed of Trust, in whole or in part, until it has received payment in full of all amounts due Lender under any of the Loan Documents. Lender's acceptance of any payment or instruction to the Trustee to issue any partial reconveyance or partial release shall not affect Borrower's obligation to repay all amounts that remain owing under the Loan Documents or the security of this Deed of Trust regarding any Collateral that is not reconveyed or released. If Lender does not require satisfaction of all of the conditions set forth in the Loan Agreement before releasing one or more Release Units, that alone shall not be a waiver of such conditions, and Lender reserves the right to require their satisfaction in full before releasing any further Release Units from this Deed of Trust.

6.14 Full Reconveyance. When all of the Secured Obligations have been paid and performed in full and there exists no default under the Loan or any Related Loan, Lender shall request Trustee in writing to reconvey the Collateral, and shall surrender this Deed of Trust and all notes and instruments evidencing the Secured Obligations to Trustee. When Trustee receives Lender's written request for reconveyance and all reconveyance fees, recording fees, or other fees and expenses owing to it by Borrower hereunder, Trustee shall reconvey the lien of the Deed of Trust against the Collateral, or so much of it as is then held under this Deed of Trust, without warranty to the person or persons legally entitled to it. In the reconveyance, the grantee may be described as "the person or persons legally entitled thereto," and the recitals of any matters or facts shall be conclusive proof of their truthfulness. Neither Lender nor Trustee shall have any duty to determine the right of persons claiming to be rightful grantees of any reconveyance.

6.15 Late Charge. If Borrower or Grantor commit an Event of Default in the payment of an amount due and payable under this Deed of Trust, a late charge as specified in and measured by the Note may be charged by Lender for the purpose of defraying the extra administrative expenses incident to handling such delinquent payment and the loss of the use of funds resulting from Borrower's or Grantor's non-payment when due. Such late charge shall be paid without prejudice to the rights of the holder of the Note to collect any other amounts provided to be paid thereunder.

6.16 Subrogation. Lender shall be subrogated to the liens of all encumbrances, whether released of record or not, that are discharged in whole or in part by Lender in accordance with this Deed of Trust or with the proceeds of the Loan.

6.17 Notice of Change. Borrower and Grantor shall each give Lender prior written notice of any change in: (i) the location of its place of business or its chief executive office if it has more than one place of business; (ii) the location of any of the Collateral, including the Books and Records; and (iii) Borrower's and Grantor's name or business structure. Unless approved by Lender in writing, all Collateral that consists of personal property (other than the Books and Records) will be located at the Project and all Books and Records will be located at Borrower's and Grantor's place of business, or chief executive office if Borrower has more than one place of business.

7. HAZARDOUS SUBSTANCES

7.1 Definitions.

7.1.1 “Hazardous Substances” means any waste, pollutants, contaminants, petroleum or petroleum product, asbestos, tremolite, anthophyllite or actinolite, polychlorinated biphenyls, or other chemical, substance, or material that: (a) after release into the environment and upon exposure, ingestion, inhalation, or assimilation, either directly from the environment or indirectly by ingestion through food chains, will or may reasonably be anticipated to cause death, disease, behavior abnormalities, cancer and/or genetic abnormalities, or (b) is now or at any time in the future becomes regulated under, or is defined, classified or designated as hazardous, toxic, radioactive or dangerous, or other similar term or category under any Hazardous Substances Law.

7.1.2 “Hazardous Substances Law” means any present and future federal, state, and local laws, ordinances and regulations and standards, rules, policies and other governmental requirements and any court judgments applicable to Borrower, Grantor, or to the Collateral relating to industrial hygiene or to environmental or unsafe conditions or to human health including, but not limited to, those relating to the generation, manufacture, storage, handling, transportation, disposal, release, emission or discharge of Hazardous Substances, those relating to or connected with the construction (or construction-related activities), fuel supply, power generation and transmission, waste disposal or any other operations or processes relating to the Collateral, and those relating to the atmosphere, soil, grading, excavation, surface and ground water, storm water, wetlands, stream sediments and vegetation on, under, in or about the Collateral and Nearby Property (including those relating to the construction of improvements on the Collateral and the resulting water quality, air quality, soils quality and other environmental quality of the Collateral and Nearby Property). “Hazardous Substances Law” also shall include, but not be limited to, the following laws, as amended as set forth herein and as subsequently amended: (1) the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986, 42 USCA 9601 et seq.; (2) the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended by the Hazardous and Solid Waste Amendments of 1984, 42 USCA 6901 et seq.; (3) the Federal Water Pollution Control Act, as amended by the Clean Water Act of 1977, 33 USCA 1251 et seq.; (4) the Toxic Substances Control Act, 15 USCA 2601 et seq.; (5) the Emergency Planning and Community Right-to-Know Act of 1986, 42 USCA 11001 et seq.; (6) the Clean Air Act, as amended by the Clean Air Act Amendments, 42 USCA 7401 et seq.; (7) the National Environmental Policy Act of 1969, 42 USCA 4321 et seq.; (8) the River and Harbor Act of 1899, 33 USCA 401 et seq.; (9) the Endangered Species Act of 1973, 16 USCA 1531 et seq.; (10) the Occupational Safety and Health Act of 1970, 29 USCA 651 et seq.; (11) the Safe Drinking Water Act, 42 USCA 300(f) et seq.; (12) the Hazardous Materials Transportation Act, 49 USCA 1801 et seq.; (13) the Federal Resource Conservation and Recovery Act of 1976; (14) the Federal Hazardous Materials Transportation Control Act; and (15) the Federal Insecticide, Fungicide, and Rodenticide Act, Federal Pesticide Act of 1978; and all regulations from time to time adopted in respect to the foregoing laws and all other federal, state and local laws, statutes, codes, ordinances, regulations, judgments, orders, injunctions, decrees, covenants, restrictions and standards presently in effect or that may be promulgated in the future relating to the use, release, handling, storage, transportation, clean-up, or other disposal of Hazardous Substances; or relating to the water quality, air quality, soils quality, and other environmental quality of real property and improvements constructed upon real property; or related to the protection of endangered species, as such laws and ordinances may be amended from time to time.

7.1.3 “Nearby Property” means real property that is adjacent to or in the immediate vicinity of the Collateral that could reasonably cause contamination of the Collateral or could become contaminated with Hazardous Substances as a result of construction, operations, or other activities involving Hazardous Substances on, over, or under the Collateral or on, over, or under such adjacent or nearby property.

7.2 Borrower and Grantor shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Collateral in violation of any Hazardous Substances Law. Borrower and Grantor shall not do, nor allow anyone else to do, anything affecting the Collateral (a) that is in violation of any Hazardous Substances Law, (b) which creates a condition that can cause, contribute to, or otherwise trigger a response action, remedial action, or removal action under any Hazardous Substances Law (an “Environmental Condition”), or (c) that, due to the presence, use or release of Hazardous Substances, creates a condition that adversely affects the value of the Collateral.

7.3 Borrower and Grantor shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Collateral and any Hazardous Substances or Hazardous Substances Law of which Borrower or Grantor has actual knowledge, (b) any Environmental Condition, including, without limitation, any spilling, leaking, discharge, release or threat of release of any Hazardous Substances, and (c) any condition caused by the presence, use or release of a Hazardous Substances that adversely affects the value of the Collateral. If Borrower or Grantor learn, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substances affecting the Collateral is necessary, Borrower and Grantor shall promptly take all necessary remedial actions in accordance with all applicable Hazardous Substances Laws. Nothing herein shall create any obligation on Lender to remediate any Environmental Condition.

7.4 Borrower and Grantor shall pay promptly the costs of any environmental inspections, tests or audits incurred by Lender prior to taking title to all or any portion of the Collateral by foreclosure or deed in lieu of foreclosure in connection with any such action, or as a condition of Lender's consent to any transfer of interests, or as otherwise required by Lender based on a reasonable determination by Lender that Environmental Conditions may exist. Any such costs incurred by Lender (including the fees and out of pocket costs of attorneys and technical consultants whether incurred in connection with any judicial or administrative process or otherwise) that Borrower and Grantor fail to pay promptly shall become an additional part of the Secured Obligations.

8. DEFAULTS AND REMEDIES.

8.1 **Events of Default.** The occurrence of any one or more of the following shall constitute an "*Event of Default*":

8.1.1 **Default Under this Deed of Trust or Additional Terms.** Failure to make any payment or to perform any obligation of any kind or nature under this Deed of Trust, including but not limited to the Additional Terms.

8.1.2 **Default Under Loan Documents.** An Event of Default occurs as defined under the Loan Agreement or any other Loan Document;

8.1.3 **Default Under Related Loan Documents.** An Event of Default occurs as defined in and arising under any document evidencing, securing, or otherwise governing any Related Loan (collectively, if any, the "*Related Loan Documents*");

8.1.4 **Construction Defaults.** Any of the following relating to construction of the Project: (i) the filing of any mechanic's lien or any stop notice with respect to the Project that is not bonded against or released upon Borrower's and Grantor's discovery thereof and within thirty (30) business days after filing; (ii) any material failure in the construction and completion of the Improvements to comply with: (a) the Plans; (b) all Building Laws (as defined below), or (c) the terms of this Deed of Trust or the Loan Agreement, if such failure is not cured within thirty (30) days after notice thereof by Lender, or, if such cure cannot be accomplished within such 30-day period through the exercise of diligence, the failure by Borrower or Grantor to promptly commence the required cure and thereafter to continue the cure with due diligence until such default is totally cured, which must in any event occur within ninety (90) days after such default; or (iii) Borrower's or Grantor's failure to proceed with work on the Improvements in a diligent and workmanlike manner if such failure is not cured within fifteen (15) days after written notice thereof by Lender. As used herein, "*Building Laws*" means the Fair Housing Act of 1968 as amended, the Americans With Disabilities Act of 1990 as amended, all government and private covenants, conditions, and restrictions relating to the Land, building code requirements and laws affecting the construction of improvements on the Land, and all other federal, state and local laws, ordinances, regulations and rules relating to the construction, operation, and maintenance of the improvements on the Land and the marketing and use of such improvements in a non-discriminatory manner.

8.1.5 **Unauthorized Transfer.** A transfer, purported transfer, or change of

ownership or control of Borrower or Grantor or any guarantor in violation of Section 8.

8.1.6 Security Impaired. There is an uninsured casualty with respect to any material portion of the Collateral and Borrower or Grantor fail to immediately repair such damage, Borrower or Grantor fail to satisfy the conditions set forth in the Deed of Trust for the release of insurance proceeds or any condemnation award, or, whether or not Lender has received and applied insurance proceeds or any condemnation award to the Secured Obligations in accordance with the Deed of Trust, Lender reasonably determines that its security is impaired by such casualty or condemnation and Borrower or Grantor fail to immediately deposit into the Restricted Account (as defined in the Loan Agreement) an amount determined by Lender as necessary to restore such security.

8.2 Rights and Remedies. At any time after the occurrence of an Event of Default hereunder, Lender and/or Trustee shall have all of the rights and remedies described below, in addition to any other rights and remedies of Lender under the Promissory Note, the other Loan Documents, or the Related Loan Documents. To the fullest extent permitted by law, all of such rights and remedies shall be cumulative and the exercise of any one or more of them shall not constitute an election of remedies:

8.2.1 Receiver. If an Event of Default shall have occurred and be continuing, Lender may, as a matter of right and without regard to the then-current value of the Collateral or the interest of Borrower and Grantor therein or the sufficiency of the security for repayment and performance of the Secured Obligations, upon ex parte application and without notice to Borrower, Grantor, or anyone claiming under Borrower or Grantor, and without any showing of insolvency, fraud or mismanagement on the part of Borrower or Grantor, and without the necessity of filing any judicial or other proceeding other than the proceeding for appointment of a receiver, apply to any court having jurisdiction to appoint a receiver or receivers for the Collateral or any portion thereof, and of the Rents, Issues and Profits, and Borrower and Grantor hereby irrevocably consent to the appointment of a receiver or receivers upon such Event of Default. Any such receiver shall have the usual powers and duties of receivers in like or similar cases and all the powers and duties of Lender set forth in this Deed of Trust or any of the other Loan Documents. Employment by Lender shall not disqualify a person from serving as receiver.

8.2.2 Cure; Protection of Security. With or without notice, and without releasing Borrower and Grantor from any obligation hereunder, Lender may (but shall not be obligated to) cure any breach or default of Borrower and Grantor, and, if it chooses to do so in its sole discretion, make such advances and do any and all other things that it may in its sole discretion consider necessary and appropriate to protect its Collateral and the security of this Deed of Trust. In addition to and without limitation of the foregoing, if Borrower or Grantor has failed to keep or perform any covenant whatsoever contained in this Deed of Trust or the other Loan Documents, Lender may, but shall not be obligated to any person to do so, perform or attempt to perform said covenant, and any payment made or expense incurred in the performance or attempted performance of any such covenant shall be and become a part of the Secured Obligations, and Borrower and Grantor each promise, upon demand, to pay to Lender, at the place where the Note is payable, all sums so advanced or paid by Lender, with interest from the date when paid or incurred by Lender at the default rate of interest provided in the Note. No such payment by Lender shall constitute a waiver of any Event of Default. In addition to the liens and security interests hereof, Lender shall be subrogated to all rights, titles, liens, and security interests securing the payment of any debt, claim, tax, or assessment for the payment of which Lender may make an advance, or which Lender may pay.

8.2.3 Entry. Lender, in person, by agent, or by court-appointed receiver, with or without bringing any action or proceeding, may terminate Borrower's or Grantor's right and license to collect the Rents, Issues and Profits and to administer the Leases, and enter, take possession of, complete construction on, manage and operate, and lease or sell, all or any part of the Collateral, and may also do any and all other things in connection with those actions that Lender may in its sole discretion consider necessary or appropriate to protect the security of this Deed of Trust or that are otherwise permitted to be taken or conducted by Lender under the Loan Agreement. If Lender so requests, Borrower and Grantor shall assemble any Collateral that has been removed from the Project and make all of it available to Lender at the Project site. The entering upon and taking possession of the Project, the collection of the Rents, Issues and Profits and the application thereof as aforesaid, or any of such acts, shall not cure or waive any default or notice of default hereunder or invalidate any other right or remedy that Lender may have in

response to such default or pursuant to such notice and, notwithstanding the continued possession of the Project or the collection, receipt, and application of the Rents, Issues and Profits by Lender, Trustee, or Lender's receiver or agent, Trustee or Lender shall be entitled to exercise every right provided for in any of the Loan Documents or by law upon the occurrence of any Event of Default.

8.2.4 Uniform Commercial Code Remedies. With respect to all or any part of the Collateral that constitutes personal property, Lender shall have all of, and may exercise any or all of, the rights and remedies of a secured party under the Uniform Commercial Code in effect in the State.

8.2.5 Judicial Action. Lender may commence and maintain an action or actions, at law or in equity, in any court of competent jurisdiction, to enforce the payment and/or performance of the Secured Obligations (including, without limitation, to obtain specific enforcement of the covenants of Borrower and Grantor hereunder, and Borrower and Grantor agree that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy), to foreclose the liens and security interests of this Deed of Trust as against all or any part of the Collateral, and to have all or any part of the Collateral sold under the judgment or decree of a court of competent jurisdiction. Borrower and Grantor hereby waive the defense of laches and any applicable statute of limitations. If this Deed of Trust is foreclosed by judicial action, and the Collateral sold at a foreclosure sale, the purchaser may, during any redemption period allowed, make such repairs or alterations on the Land as may be reasonably necessary for the proper operation, care, preservation, protection and insuring thereof. Any sums so paid together with interest thereon from the time of such expenditure at the lesser of the default rate under the Note, or the maximum rate permitted by law, shall be added to and become a part of the amount required to be paid for redemption from such sale. In addition, Lender will be entitled to a judgment providing that, if the foreclosure sale proceeds are insufficient to satisfy the judgment, execution may issue for the deficiency.

8.2.6 Realization on Security. Lender may resort to and realize upon or waive the security hereunder and any other security now or hereafter held by Lender in such order and manner as Trustee and Lender or either of them may, in their sole discretion, determine; which resort to such security may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken nonjudicial proceedings, or both.

8.2.7 Power of Sale. Lender may execute a written notice of such Event of Default and of its election to invoke this power of sale to cause all or part of the Collateral to be sold to satisfy the Secured Obligations. Under this power of sale, Lender shall have the discretionary right to cause some or all of the Collateral, including any Collateral property that constitutes personal property, to be sold or otherwise disposed of in any combination and in any manner permitted by applicable law.

8.2.7.1 Sales of Personal Property. For purposes of this power of sale, Lender may elect to treat as personal property any Collateral property that is intangible or that can be severed from the Land or Improvements without causing structural damage. If it chooses to do so, Lender may dispose of any personal property separately from the sale of real property, in any manner permitted by the Uniform Commercial Code in effect in the State, including any public or private sale, or in any manner permitted by any other applicable law. Lender shall have no obligation to clean-up or otherwise prepare any such Collateral for sale. Any proceeds of any such disposition shall not cure any Event of Default or reinstate any Secured Obligation.

8.2.7.2 Trustee's Sales of Real Property or Mixed Collateral. Lender may also choose to dispose of some or all of the Collateral that consists solely of real property in any manner then permitted by applicable law. In its discretion, Lender may also or alternatively choose to dispose of some or all of the Collateral in any combination consisting of both real and personal property, together in one sale to be held in accordance with the law and procedures applicable to real property, if and as permitted in the State. Borrower and Grantor agree that such a sale of personal property constitutes a commercially reasonable sale of the personal property. For purposes of this power of sale, either a sale of real property alone, or a sale of both real and personal property together, will sometimes be referred to as a "*Trustee's Sale*."

8.2.7.3 Trustee's Sale Procedures. Before any Trustee's Sale, Lender or Trustee shall give and record such notice of default and election to sell as may then be required by law. When all legally mandated time periods have elapsed, Trustee shall sell the property being sold at a public auction to be held at the time and place specified in the notice of sale, and Lender may impose such terms and conditions of sale as are permitted or allowed by applicable law. From time to time in accordance with then applicable law, Trustee may, and in any event at Lender's request shall, continue any Trustee's Sale by public announcement at the time and place scheduled for that sale, or may, in its discretion, give a new notice of sale. Also, Lender may from time to time discontinue or rescind any notice of default or notice of sale before any Trustee's Sale as provided above, by executing and delivering to Trustee a written notice of such discontinuance or rescission. The exercise by Lender of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Lender to execute and deliver to Trustee, as above provided, other declarations or notices of default to satisfy the Secured Obligations, nor otherwise affect any provision, covenant, or condition of any Loan Document or Related Loan Documents, or any of the rights, obligations, or remedies of Trustee or Lender hereunder or thereunder.

8.2.7.4 Bidding at Trustee's Sale. At any Trustee's Sale, Trustee shall sell to the highest bidder at public auction for cash in lawful money of the United States, unless other terms and conditions of sale are prescribed by Lender in accordance with and as permitted by applicable law. Any person, including, without limitation, Borrowers, or Grantor, or Lender, may purchase at such sale, and Borrower and Grantor hereby covenant to warrant and defend the title of such purchaser or purchasers. Trustee shall execute and deliver to the purchaser(s) at such sale a deed or deeds conveying the property being sold without any covenant or warranty whatsoever, express or implied. The recitals in any such deed of any matters or facts, including any facts bearing upon the regularity or validity of any Trustee's Sale, shall be conclusive proof of their truthfulness.

8.2.8 Single or Multiple Foreclosure Sales. If the Collateral consists of more than one lot, parcel, or item of property, Lender may: (i) designate the order in which the lots, parcels and/or items shall be sold or disposed of or offered for sale or disposition; and (ii) elect to dispose of the lots, parcels and/or items through a single consolidated sale or disposition to be held or made under the power of sale granted herein, or in connection with judicial proceedings, or by virtue of a judgment and decree of foreclosure and sale; or through two or more such sales or dispositions, each of which may be separately noticed if so elected by Lender and permitted by applicable law; or in any other manner Lender may deem to be in its best interests (any such sale or disposition, a "*Foreclosure Sale*"). If it chooses to have more than one Foreclosure Sale, Lender at its option may cause the Foreclosure Sales to be held simultaneously or successively, on the same day, or on such different days and at such different times and places and in such order as it may deem to be in its best interests, all as may be permitted under applicable law. No Foreclosure Sale shall terminate or affect the lien of this Deed of Trust on any part of the Collateral that has not been sold until all of the Secured Obligations have been paid in full.

8.2.9 Determination of Fair Value. To the extent applicable law requires that the "fair market value" or "fair value" of the Project be determined as of the foreclosure date in order to enforce a deficiency against Borrower and Grantor or any other party liable for repayment of the Secured Obligations, the term "fair market value" or "fair value" shall include those matters required by law and the additional factors set forth below:

8.2.9.1 The Project shall be valued "as is" and "with all faults" and there shall be no assumption of restoration or refurbishment of Improvements, if any, after the date of the foreclosure.

8.2.9.2 An offset to the fair market value or fair value of the Project, as determined hereunder, shall be made by deducting from such value the reasonable estimated closing costs related to the sale of the Project, including but not limited to brokerage commissions, title policy expenses, tax pro-rations, escrow fees, and other common charges that are incurred by the seller of real property.

Borrower and Grantor shall pay the costs of any appraisals and other expenses incurred in connection with any such determination of fair market value or fair value.

8.2.10 Releases, Extensions, Modification and Additional Security. Without

affecting the liability of any person for payment of any of the Secured Obligations, Lender may make any agreement or take any action extending the maturity or otherwise altering the terms or increasing the amount of any of the Secured Obligations, and accept additional security or release all or a portion of the Collateral and/or other security for the Secured Obligations.

8.2.11 Acceleration Not Required. Lender may take any of the actions permitted under Sections 7.2.1 through 7.2.3 regardless of the adequacy of the security for the Secured Obligations, or whether any or all of the Secured Obligations have been declared to be immediately due and payable, or whether notice of default and election to sell has been given under this Deed of Trust.

8.2.12 Other Remedies. In addition to the foregoing, upon the occurrence of an Event of Default, Lender and/or Trustee shall have and may exercise any and all other rights and remedies available to them at law or in equity. The exercise or failure to exercise any right or remedy available to Lender or Trustee shall in no event be deemed or construed to be a waiver or release of any rights or remedies of Lender or Trustee under the Loan Documents or the Related Loan Documents, or at law or in equity.

8.3 Payment of Costs, Expenses, and Attorneys' Fees. All costs and expenses reasonably incurred by Trustee and Lender in enforcing the remedies available to them hereunder or otherwise protecting the Collateral or other rights or interests of Lender (including, without limitation, court costs and reasonable attorneys' fees, whether incurred in litigation or not, expenses for evidence of title, appraisals and surveys and trustees' fees, and costs and fees relating to any bankruptcy, reorganization, or insolvency proceeding; including efforts to modify, vacate, or obtain relief from any automatic stay) shall constitute an additional obligation of Borrower and Grantor to Lender (collectively, "*Costs and Expenses*"). Borrower and Grantor shall immediately reimburse Lender and Trustee for all Costs and Expenses that Lender or Trustee may incur by reason of, or arising out of, or in connection with: (i) any Default; (ii) any action or proceeding in which Lender or Trustee may appear or commence to protect, preserve, exercise or enforce their rights, remedies or security interests under this Deed of Trust, or under any document or instrument evidencing the Secured Obligations secured by this Deed of Trust, or which otherwise relates to the Project, including all appeals therefrom; (iii) the performance of any act authorized or permitted hereunder; and (iv) the exercise of any other rights or remedies under this Deed of Trust, or under any document or instrument evidencing the Secured Obligations secured by this Deed of Trust, or otherwise relating, to the protection of Lender's or Trustee's rights and interest hereunder or under any document or instrument evidencing the Secured Obligations secured hereby, whether or not a suit or proceeding is instituted. Such Costs and Expenses shall include without limitation the fees, charges and expenses of attorneys, engineers, accountants, appraisers, expert witnesses, consultants and other professional assistants and advisors, costs and expenses of searching records, examining title and determining rights in, title to, or the value of, the Project, or the boundaries thereof, including but not limited to title company charges, title insurance premiums, survey costs, publication costs, and other charges incident thereto, all whether or not a suit or proceeding is instituted. Borrower and Grantor agree to and shall pay, immediately and without demand, all sums so expended by Lender or Trustee, together with interest from the date of expenditure, at the highest legal interest rate then payable under the Loan Documents, all of which sums plus interest shall constitute additional Secured Obligations secured by this Deed of Trust.

8.4 Remedies Not Exclusive. Trustee and/or Lender shall be entitled to enforce the payment and performance of any Secured Obligations and to exercise any and all rights, powers, and remedies under this Deed of Trust, any other Loan Document, or any Related Loan Document, notwithstanding the fact that some or all of the Secured Obligations may now or hereafter be otherwise secured. Trustee and/or Lender shall be entitled to enforce all such rights concurrently or separately, in such order and manner as they or either of them may in their absolute discretion determine. No remedy is intended to be exclusive of any other remedy, but each shall be cumulative and in addition to the others, to the fullest extent permitted by law.

8.5 Miscellaneous.

8.5.1 Lender may release, regardless of consideration, any part of the Collateral

without, as to the remainder, in any way impairing, affecting, subordinating, or releasing the lien or security interests evidenced by this Deed of Trust or the other Loan Documents or affecting the obligations of Borrower, or Grantor, or any other party to pay and perform the Secured Obligations. For payment of the Secured Obligations, Lender may resort to any of the collateral therefor in such order and manner as Lender may elect. No collateral heretofore, herewith, or hereafter taken by Lender shall in any manner impair or affect the collateral given pursuant to the Loan Documents, and all collateral shall be taken, considered, and held as cumulative.

8.5.2 Borrower hereby irrevocably and unconditionally waives and releases: (i) all benefits that might accrue to Borrower by virtue of any present or future law exempting the Collateral from attachment, levy or sale on execution or providing for any appraisal, valuation, stay of execution, exemption from civil process, redemption, or extension of time for payment; (ii) notices of any Event of Default or of the exercise of any right, remedy, or recourse not explicitly required under the Loan Documents; and (iii) any right to a marshaling of assets or a sale in inverse order of alienation.

9. ASSIGNMENT.

9.1 No Assignment or Encumbrance Without Lender's Consent. Borrower and Grantor acknowledge and agree that the Secured Obligations are personal to Borrower and Grantor and that the identity of Borrower and Grantor, and each party's respective partners and employees, and of any guarantors; the relationship between Borrower and Grantor, each guarantor, and Lender; and the creditworthiness, business expertise, financial condition, and continued control of the Collateral of Borrower and Grantor and each guarantor were material inducements upon which Lender relied in arranging the Secured Obligations. Accordingly, neither Borrower, nor Grantor, nor any guarantor shall, without Lender's prior written consent or as otherwise expressly permitted under this Deed of Trust or the Loan Agreement: (i) sell, convey, assign, encumber, or otherwise transfer any of its right, title, or interest in and to the Collateral or any other Project asset, whether such transfer or encumbrance is voluntary or by operation of law, other than as specifically permitted under the Loan Documents, (ii) sell, assign, or transfer its interest as borrower or grantor under the Secured Obligations, or (iii) transfer any stock or other ownership interest that would cause a material change in the control of Borrower, or Grantor, or any guarantor. Any attempted assignment without such prior written consent shall be null and void, and of no effect, and shall also constitute, at Lender's option, an Event of Default by Borrower or Guarantor under this Deed of Trust and each of the other Loan Documents.

9.2 Conditions to Approval of Assignment. As a condition of approving any assignment, Lender may impose such requirements and conditions as it determines are appropriate in its sole discretion, including but not limited to the requirement that Borrower and Grantor and the assuming party pay, in advance, any and all reasonable costs and expenses, including reasonable attorney's and accountant's fees, incurred by the Lender in connection therewith. No approval of any assignment shall cause a release of Borrower and Grantor from any liability under the Loan Documents without Lender's prior written consent, which consent may be withheld in Lender's sole discretion.

9.3 Loan Due upon Prohibited Transfer or Encumbrance. Upon any transfer, assignment, or encumbrance, as described in above for which Lender's written approval is required but has not been obtained, the entire outstanding balance owing under the Note, including principal, accrued interest, and any other amounts owing under the Loan Documents shall become due and payable at Lender's option, without any requirement for notice or demand, and Lender may pursue any remedies granted to it under this Deed of Trust or any of the other Loan Documents.

9.4 Assignment and Participation by Lender. Lender shall have the right, at any time and from time to time and upon notice to Borrower and Grantor, to assign or sell the Secured Obligations, and/or any one or more participations in the Secured Obligations, or to include such obligations in a securitized pool of indebtedness, accompanied by an assignment and/or delegation of any or all related rights or obligations of Lender under the Loan Documents, without the need for any form of consent from Borrower and Grantor.

10. RIGHTS WITH RESPECT TO CC&RS AND HOMEOWNERS ASSOCIATIONS.

10.1 Rights under CC&Rs. This Deed of Trust and Lender's security interest hereunder shall extend to all of Borrower's and Grantor's right, title and interest in and to any and all development rights, declarant rights and any other rights of Borrower in the Project now existing or subsequently arising under any covenants, conditions, and restrictions governing the Project, as the same may be amended from time to time with Lender's written consent (collectively, "**CC&Rs**")

10.2 Representations and Warranties. Borrower and Grantor each hereby represent, warrant and agree:

10.2.1 Not to file, record or amend any CC&Rs or plat in connection with the Project without the prior written consent of Lender, which consent Lender shall not unreasonably withhold;

10.2.2 Not to adopt, file, or amend any documents establishing or governing any homeowners association for the Project (each an "**Association**") or architectural control or similar design control committee for the project (each an "**ACC**"), including, but not limited to, articles of incorporation or bylaws of any Association, design guidelines, or rules and regulations governing activities within the subdivision (collectively, and together with the CC&Rs and any subdivision plat for the Project, as any such document may be amended from time to time, the "**Governing Documents**"), without the prior written consent of Lender, which consent Lender shall not unreasonably withhold;

10.2.3 To satisfy all obligations of, to make all payments due from, and to observe and perform all terms and conditions to be performed by, Borrower and Grantor, as an owner, developer or declarant of the Project under the Governing Documents and applicable law;

10.2.4 To prepare and file such annual reports and other documents as may be necessary to maintain entity registration of any Association controlled by Borrower or Grantor or an affiliate of Borrower or Grantor, in the state where the Project is located;

10.2.5 During any period of Borrower's or Grantor's declarant control, to cause the Association's officers and directors appointed by Borrower to comply with the Governing Documents and applicable law; and

10.2.6 To pay all charges, including all common expense and limited common expense liabilities and assessments (special or general), insurance, taxes and other items Borrower or Grantor are or may later be responsible for paying under the Governing Documents and under applicable law.

10.3 Proxy. During an Event of Default, at Lender's election, Borrower and Grantor shall pledge to Lender its vote(s) and constitute Lender as Borrower's proxy (which appointment is coupled with an interest) with sole right to cast its vote(s) on all actions of any nature whatsoever submitted to a vote of the members of any Association or ACC.

10.4 Notices, etc. Borrower and Grantor will each provide, upon request of Lender, true and correct copies of:

10.4.1 any notices to the members of any Association, including, but not limited to, any notices of any meetings of any Association;

10.4.2 minutes of any such meetings;

10.4.3 any statement of financial condition of any Association, including any budgets or proposed budgets as available to any owner;

10.4.4 any statement showing allocation of expenses and assessments issued to

Borrower;

10.4.5 any notice of default issued to Borrower or Grantor; and

10.4.6 any amendment or proposed amendment to any of the Governing Documents.

10.5 Payment of Common Expenses. Unless prohibited by law, Lender or Trustee, either prior to, contemporaneously with, or subsequent to the foreclosure of this Deed of Trust, or while pending the expiration of any applicable redemption period subsequent to a judicial foreclosure and sale upon execution of the Project, may pay common expenses for which Lender may be liable, and subsequent to such payments Lender shall have a lien without merger on the Project for the amount paid of the same priority as the lien of this Deed of Trust, or if subsequent to sale or execution, said lien shall be prior to any lien held by any redemptioner as defined by law. In the event Lender is the successful bidder at any sale upon execution subsequent to a judicial foreclosure and obtains possessory rights to the Collateral subject to redemption by the judgment debtor or redemption as defined by law, any payments made by the Lender or its successor in interest to satisfy condominium assessments levied and payable during the redemption period shall, in the event of any redemption, be recoverable by the Lender from the judgment debtor or its successors in interest, or any redemptioner in the same manner as any other assessment or tax would be recoverable.

10.6 Required Consent of Lender. Borrower and Grantor shall not, except after notice of Lender's prior written consent:

10.6.1 subdivide the Land or the Project; or

10.6.2 consent to any material amendment to any of the Governing Documents, including, but not limited to, any amendment that would change the voting rights or the fraction or percentage of allocated interests of the lot owners in the subdivision.

11. MISCELLANEOUS PROVISIONS.

11.1 Additional Provisions. The Loan Documents fully state all of the terms and conditions of the parties' agreement regarding the matters mentioned in or incidental to this Deed of Trust. The Loan Documents also grant further rights to Lender and contain further agreements and affirmative and negative covenants by Borrower and Grantor that apply to this Deed of Trust and to the Collateral.

11.2 Additional Security. If Lender at any time holds additional security for any of the Secured Obligations, all such security shall be taken, considered, and held as cumulative, and Lender may enforce the sale thereof or otherwise realize upon the same, at its option, either before or concurrently with the exercise of any of its rights or remedies hereunder or after a sale is made hereunder. The taking of additional security, the execution of partial releases of the security, or any extension of the time of payment of the Secured Obligations shall not diminish the force, effect, or lien of this Deed of Trust and shall not affect or impair the liability of any maker, surety, or endorser for the payment of any such indebtedness.

11.3 Cooperation. Borrower and Grantor shall, upon request, cooperate with Lender or Trustee to correct any defect, error or omission that may be discovered in the contents of this Deed of Trust or in the execution or acknowledgment hereof, and will execute, acknowledge, and deliver such further instruments and take such further actions as may be reasonably requested by Lender or Trustee to carry out more effectively the purposes of this Deed of Trust.

11.4 Permitted Contests. Borrower and Grantor may contest or object in good faith to the amount or validity of any tax, claim, demand, levy, lien, encumbrance, charge or notice of noncompliance asserted by a third party (collectively, a "*Third-Party Claim*"), but only in accordance with the following conditions: (i) Borrower and Grantor shall first give written notice to Lender and deposit with Lender a bond or other security satisfactory to

Lender in such amount as Lender shall reasonably require, up to 150% of the amount of the Third-Party Claim or other sum in controversy, and shall have demonstrated to Lender's reasonable satisfaction that no portion of the Collateral will be sold to satisfy the Third-Party Claim prior to final resolution; (ii) Borrower and Grantor shall promptly and diligently proceed to cause the Third-Party Claim to be settled and discharged in a manner not prejudicial to Lender or its rights hereunder; (iii) if Borrower and Grantor shall fail to proceed diligently to discharge the Third-Party Claim, then, in addition to any other right or remedy of Lender, Lender may, but shall not be obligated to, discharge the same, by paying the amount claimed to be due, or by depositing in court a bond or the amount claimed or otherwise giving security for such Third-Party Claim, or in such manner as is or may be prescribed by law, at Borrower's and Grantor's expense; (iv) Lender may employ an attorney or attorneys to protect its rights hereunder, and in such event, Borrower and Grantor shall pay Lender the reasonable attorneys' fees and expenses incurred by Lender, whether or not an action is actually commenced against Borrower or Grantor by reason of any default hereunder; and (v) Borrower and Grantor shall have provided such good and sufficient undertaking as may be required or permitted by law to accomplish a stay of any legal proceedings then pending in connection with such Third-Party Claim.

11.5 No Offset. Borrower's and Grantor's obligation to timely pay and perform all obligations under the Note, this Deed of Trust, and the other Loan Documents shall be absolute and unconditional and shall not be affected by any event or circumstance; including without limitation any setoff, counterclaim, abatement, suspension, recoupment, deduction, defense or any other right that Borrower or Grantor or any guarantor may have or claim against Lender or any other person or entity. The foregoing shall not constitute a waiver of any claim or demand which Borrower and Grantor or any guarantor may have in damages or otherwise against Lender or any other person or entity; provided that Borrower and Grantor shall maintain a separate action thereon.

11.6 Obligations of Borrower, Joint and Several. If more than one person has executed this Deed of Trust as Borrower or Grantor, the obligations of all such persons hereunder shall be joint and several.

11.7 Partial Invalidity. If any term of this Deed of Trust, or the application thereof to any person or circumstances, shall, to any extent, be invalid, void or unenforceable, the remainder of this Deed of Trust, or the application of such term to persons or circumstances other than those as to which it is invalid, void or unenforceable, shall not be affected thereby, and each term of this Deed of Trust shall be valid and enforceable to the fullest extent permitted by law. If the lien of this Deed of Trust is invalid, void or unenforceable as to any part of the Secured Obligations, or if the lien is invalid, void or unenforceable as to any part of the Collateral, the unsecured or partially secured portion of such indebtedness shall be completely paid prior to the payment of the remaining and secured or partially secured portion of such Secured Obligations, and all payments made on such Secured Obligations shall be considered to have been first paid on and applied to the full payment of that portion of such indebtedness that is not secured or fully secured by the lien of this Deed of Trust.

11.8 No Waiver or Cure. No waiver or delay or omission in the exercise or enforcement by Lender of any of its rights or remedies hereunder or under any of the other Loan Documents shall be considered a waiver of any subsequent application of, or right to enforce, such right or remedy, or of the right to enforce any other right or remedy of Lender in another instance. Furthermore, no waiver of Lender's rights or remedies in one or more instances shall establish a course of dealing or other agreement that will bind Lender or prohibit Lender from enforcing the terms of this Deed of Trust or any other Loan Document in another instance.

11.9 Limitation on Interest. Borrower and Grantor agree to an effective rate of interest that is the rate provided for in the Note, plus any additional rate of interest resulting from any other charges in the nature of interest paid or to be paid by or on behalf of Borrower or Grantor, or any benefit received or to be received by Lender, in connection with the Secured Obligations. The interest, fees and charges under the Loan Documents shall not exceed the maximum amounts permitted by any applicable law. If any such interest, fee or charge exceeds the maximum, the interest, fee or charge shall be reduced by the excess and any excess amounts already collected from Borrower or Grantor shall be refunded. At Borrower's and Grantor's election, Lender may refund such excess either by treating the excess as a prepayment of principal under the Note or by making a direct payment to Borrower or Grantor. The provisions of this paragraph shall control over any inconsistent provision in the Loan Documents.

11.10 Accommodations to Successors. The liability of the original Borrower and Grantor shall not be released or changed if Lender grants any successor in interest to Borrower or Grantor any extension of time for payment, or modification of the terms of payment, of any Secured Obligation. Lender shall not be required to comply with any demand by the original Borrower or Grantor that Lender refuse to grant such an extension or modification to, or commence proceedings against, any such successor in interest.

11.11 Amendments. References to the Note, the Loan Agreement, the Loan Documents and the Related Loan Documents in this document shall be deemed to include all modifications, extensions, and renewals thereof. This Deed of Trust cannot be waived, changed, discharged or terminated orally, but only by an instrument in writing signed by the party against whom enforcement of any waiver, change, discharge or termination is sought.

11.12 Successors in Interest. Subject to the limitations on transfer contained in the Loan Documents, including, without limitation, Section 8 hereof, the terms, covenants, and conditions herein contained shall be binding upon and inure to the benefit of the heirs, legatees, devisees, administrators, executors, successors and assigns of the parties hereto.

11.13 Applicable Law. The provisions of this Deed of Trust shall be governed by and construed in accordance with the laws of the State, without regard to the choice of law rules of the State and except to the extent that federal laws preempt the laws of the State.

11.14 Merger. No merger shall occur as a result of Lender's acquiring any other estate in or any other lien on the Collateral unless Lender consents to a merger in writing.

11.15 Notice. All notices required or permitted under the Loan Documents shall be in writing, effective upon delivery, and shall be: (i) delivered in person, (ii) sent by recognized courier or overnight delivery service, or (iii) sent by certified mail, postage prepaid, with return receipt requested, (such mailing to be deemed received on the sooner of actual receipt or three (3) days after mailing) to the appropriate party at its address set forth above. Any party may designate in writing different mailing addresses or persons to which or to whom such notices or demands are thereafter to be addressed, but such change of address or change of party to be addressed notices shall be effective only upon actual receipt.

11.16 Waiver of Marshaling. Borrower and Grantor waive all rights, legal and equitable, it may now or hereafter have to require marshaling of assets or to require upon foreclosure sales of assets in a particular order. Each successor and assign of Borrower, including any holder of a lien subordinate to this Deed of Trust, by acceptance of its interest or lien agrees that it shall be bound by the above waiver, as if it had given the waiver itself.

11.17 Waiver Of Jury Trial. LENDER AND BORROWER AND GRANTOR EACH HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING BASED UPON, OR RELATED TO, THE SUBJECT MATTER OF THIS DEED OF TRUST. THIS WAIVER IS KNOWINGLY, INTENTIONALLY, AND VOLUNTARILY MADE BY LENDER AND BORROWER AND GRANTOR, AND LENDER AND BORROWER AND GEANTOR ACKNOWLEDGE THAT NO PERSON ACTING ON BEHALF OF THE OTHER PARTY HAS MADE ANY REPRESENTATIONS OF FACT TO INDUCE THIS WAIVER OF TRIAL BY JURY OR IN ANY WAY TO MODIFY OR NULLIFY ITS EFFECT. LENDER AND BORROWER AND GRANTOR FURTHER ACKNOWLEDGE THAT THEY HAVE BEEN REPRESENTED (OR HAVE HAD THE OPPORTUNITY TO BE REPRESENTED) IN THE SIGNING OF

THIS DEED OF TRUST AND IN THE MAKING OF THIS WAIVER BY INDEPENDENT LEGAL COUNSEL, SELECTED OF THEIR OWN FREE WILL, AND THAT THEY HAVE HAD THE OPPORTUNITY TO DISCUSS THIS WAIVER WITH COUNSEL.
