B. The real property described in the attached Exhibit A has been submitted to the Declaration.

C. Pursuant to Section 14.1 of the Declaration, Declarant desires to amend the Declaration as provided in this Amendment and subject the Project to the provisions of this Amendment.

WITNESSETH

NOW, THEREFORE, the Declaration is hereby amended as follows:

1. Incorporation; Interpretation. The Recitals above shall form a substantive part of this Amendment and are incorporated into this Amendment. The terms of the Declaration are hereby incorporated into this Amendment, except as revised below. In the event of a conflict between the terms of this Amendment and the terms of the Declaration, the terms of this Amendment shall control. Capitalized terms used in this Amendment and not defined in this Amendment shall have the meanings given to such terms in the Declaration.

2. Reinvestment Fee Covenant. Section 5.17 of the Declaration is amended by deleting the existing Section 5.17 and replacing it with the following:

5.17 Reinvestment Fee Covenant. Upon the occurrence of a Transfer, as defined below, the Transferee under such Transfer shall pay to the Association for the benefit of the Association a reinvestment fee (the "Reinvestment Fee") equal to the Fair Market Value, as defined below, of the Real Property Interest subject to a Transfer, multiplied by the Reinvestment Fee assessment rate established by the Board. The Reinvestment Fee assessment rate shall initially be one percent (1.00%) and may be increased to an amount which shall not exceed the greater of (i) one and one-half percent (1.50%) and (ii) the maximum rate permitted by law. Each Member shall be obligated to pay and shall pay to the Association the Reinvestment Fee levied with respect to such owner's site and each Member shall comply with any determinations made by the Board with respect to such fees. Proceeds of the Reinvestment Fees shall be segregated in a fund to be known as the "Sinking Fund," as described in subparagraph 5.17(d) below

The Board shall have the right (but shall not be required) to establish a Reinvestment Fee assessment in accordance with this Section and Utah Code § 57-1-46. If established, the following terms shall govern Reinvestment Fees:

(a) **Definitions.** As used in this Section 5.17, the following terms shall have following meanings:

"Transfer" means, whether in one transaction or in a series of related transactions, any conveyance, assignment, lease, or other transfer of beneficial ownership of any Parcel, Lot, Unit, or other real property interest or entitlement in the Covered Property ("Real Property Interest"), including but not limited to (1) the conveyance of fee simple title to any Real Property Interest, (2) the transfer of more than fifty percent (50%) of the outstanding shares of the voting stock of a corporation which, directly or indirectly, owns one or more Real Property Interest, and (3) the transfer of more than fifty percent (50%) of the interest in net profits or net losses of any partnership, joint venture, limited liability company, or other entity which, directly or indirectly, owns one or more Real Property Interest, but "Transfer" shall not mean or include the Transfers excluded under subparagraph 5.17(b) below.

"Transferee" means all parties to whom any interest passes by a Transfer, and each party included in the term "Transferee" shall have joint and several liability for all obligations of the Transferee under this section.

"Fair Market Value" of a Real Property Interest subjected to Transfer means, in the case of a Transfer that is in all respects a bona fide sale, the consideration, as such term is defined below, given for the Transfer. In case of a Transfer that is a lease or is otherwise not in all respects a bona fide sale, Fair Market Value of the Real Property Interest subjected to Transfer shall be determined by the Association. A Transferee may make written objection to the Association's determination within 15 days after the Association has given notice of such determination, in which event the Association shall obtain an appraisal, at the Transferee's sole expense, from a MAI real estate appraiser of good reputation, who is qualified to perform appraisals in Utah, who is familiar with Wasatch County and Park City area real estate values,

and who shall be selected by the Association. The appraisal so obtained shall be binding on both the Association and the Transferee. Notwithstanding above provisions to the contrary, where a Transferee does not object within 15 days after the time required by this section for objecting, the Transferee shall be deemed to have waived all right of objection concerning Fair Market Value, and the Association's determination of such value shall be binding.

"Consideration" means the total of money paid and the Fair Market Value of any property delivered, or contracted to be paid or delivered, in return for the Transfer of any Real Property Interest, and includes the amount of any note, contract indebtedness, or rental payment reserved in connection with such Transfer, whether or not secured by any lien, deed of trust, or other encumbrance, given to secure the transfer price, or any part thereof, or remaining unpaid on the property at the time of Transfer, whether or not assumed by the Transferee. The term "consideration" does not include the amount of any outstanding lien or encumbrance for taxes, special benefits or improvements, in favor of the United States, the State of Utah, or a municipal or quasi-municipal governmental corporation or district.

(b) Exclusions.

The Reinvestment Fee shall not apply to any of the following, except to the extent that they are used for the purpose of avoiding the Reinvestment Fee:

(i) Any Transfer exempted by Utah Code § 57-1-46 (as amended).

(ii) Any Transfer to secure a debt or other obligation or to release property that is security for a debt or other obligation, including transfers in connection with foreclosure or a deed of trust or mortgage or transfers in connection with a deed given in lieu of foreclosure.

(iii) Any Transfer to the Association.

(c) All Reinvestment Fees to be levied shall be levied at the time of a Transfer and shall be payable within thirty (30) days after being levied, and each Reinvestment Fee not paid within thirty (30) days of the levy date (the "Levy Date"), which is the date of mailing of notice of the Reinvestment Fee, shall accrue interest until fully paid at rate equal to the greater of twelve percent (12%) per annum, the then prevailing interest rate on loans insured by FHA or VA, or such rate as is determined from time to time by the Board; such interest shall be payable on demand computed monthly, and if unpaid, compounded monthly, not in advance, at the rate so calculated as of thirty (30) days after the Levy Date, and all accruing interest shall become a part of the assessment due and owing to the Association.

(d) There shall be a fund known as a "Sinking Fund" into which all proceeds from the Reinvestment Fees shall be deposited. The Association shall use the Sinking Fund for the benefit of the Covered Property and the Additional Land, and all improvements related to the Common Areas, including, without limitation, payment for (i) common planning, facilities, and infrastructure; (ii) community programming; (iii) resort facilities; (iv) open space; (v) recreation amenities; (vi) Common Expenses; and (vii) reimbursement of Declarant as provided in subparagraph 5.17(f) below. The priorities of the Sinking Fund shall be in the

following order: (x) reimbursement of Declarant in accordance with subparagraph 5.17(f); (y) amenities required by the Development Agreement to be provided by the Association on a timely basis; and (z) all other Capital Projects required by the Development Agreement or which is dedicated to benefitting the Covered Property. "**Capital Projects**" include without limitation any of the following: to acquire, own, lease, operate, build, manage, maintain, rent, sell, develop, encumber, hold, and otherwise deal in and with any Common Area; buildings and other structures; employee housing; daycare facilities; teen centers; roads, walkways, streets, and pedestrian paths; parks, playgrounds, open spaces, gardens, fountains, common areas and public areas; an amphitheater, a forum, or other public entertainment or gathering areas; utility lines and systems; outdoor lighting systems; waterways; landscaping, including without limitation plants, trees, shrubs, and grass; pedestrian, hiking, equestrian, and biking trails; equestrian facilities; ice rinks; swimming pools, saunas, steam baths, and spas; tennis courts and other game courts, game areas, and recreational amenities; and such uses as may be appropriate for use in connection with the operation and maintenance of Benloch Ranch, in the reasonable discretion of the Association; and all costs imposed upon the Association by, associated with, or incurred as a result of the Development Agreement or other federal, state, or local governmental laws, rules, or regulations, including without limitation costs of benchmarking, studies, consultants fees and costs, and performance costs.

(e) Upon the occurrence of any sale, transfer, or conveyance of any Real Property Interest, as reflected in the office of the County Recorder, if applicable, regardless of whether it is pursuant to the a sale of the Real Property Interest or not (as applicable, a "**Transfer**"), the party receiving title to the Real Property Interest (the "**Transferee**") shall pay to the Association a Reinvestment Fee in an amount to be established by the Board in the Rules, provided that in no event shall the Reinvestment Fee exceed the maximum rate permitted by law.

(f) A priority of the Association will be to reimburse Declarant for the development costs it has incurred and will incur for all improvements related to the Common Areas of Benloch Ranch and for costs imposed by, associated with, or incurred as a result of the development of the Common Areas pursuant to the Development Agreement and otherwise. The amount to be reimbursed Declarant ("**Reimbursement Amount**") will be an amount set forth in a promissory note, or an amendment thereto, executed and acknowledged by the Association. The Association will execute a promissory note, or amendment thereto, to Declarant for the debt within 30 days after completion of the applicable Common Areas; the promissory note will provide for fixed interest at 8% and an initial amortization period of twenty (20) years. Any excess funds in the Association at each year end that are not required to fund any Association obligations shall be paid to Declarant toward the Reimbursement Amount.

3. Notice of Reinvestment Fee. A notice of the Reinvestment Fee shall be recorded in the Wasatch Recorder's Office concurrently with this Amendment.

4. Ratification. All other terms and conditions in the Declaration which are not specifically amended or altered herein are hereby ratified and approved, and shall continue in full force and effect.
