The Management/Architectural Control Committee shall determine all uses of the common areas and facilities and may obtain insurance, insuring the committee, the lot owners or other appropriate persons against liability to the public or to the owners of lots, their invitees or tenants incident to ownership for use of the common areas and facilities, together with such other insurance as may be deemed necessary by the Committee to cover other risks of similar nature which are customarily covered for common areas or facilities.

4. Payment of Expenses. Each lot owner hereby agrees to pay to the Management/Architectural Control Committee his or their portion of all costs and expenses required and deemed necessary, if any, by the Management/Architectural Control Committee in connection with the common areas and facilities and the management, maintenance and operation of the same. Costs and expenses may include, among others, the costs of management, taxes, special assessments, fire, casualty, and public liability insurance premiums, common lighting and electrical charges, landscaping and care of the grounds, repairs, renovations of common areas and facilities, maintenance and repairs, snow removal, wagon, water and related charges, legal and accounting fees, costs of operation of all equipment and cost of electricity and other expenses and liabilities incurred by the management committee under or by reason of their duties under these covenants as well as the payment of any deficits remaining from any previous period and the creation of a reasonable contingency or reserve fund as well as all other costs or expenses of any nature relating to the common areas and facilities. 5. Additional Powers. The Management/Architectural Control Committee is hereby further vested with such other powers as are set forth in these covenants including but not limited to those powers set forth in Article IV hereof.

ARTICLE IV

DURATION, ENFORCEMENT AND AMENDMENT

1. Duration of Restrictions. These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of thirty (30) years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive period of ten (10) years unless an instrument signed by a majority of the then owners of the subject property has been recorded, agreeing to change said covenants in whole or in part.

2. Enforcement. The owner or owners of any portion of the subject property, and/or the architectural control committee, shall be entitled to prosecute any proceeding, at law or equity, against any person, firm, corporation or party violating, attempting or threatening to violate any of the covenants and restrictions contained herein and to enforce, restrain, enjoin and/or collect damages for such violation or attempted or threatened violation. Failure by the Architectural Control Committee, the Declarant executing these conditions, covenants and reservations or any property owner, or their legal representative, heirs, successors or assigns to enforce any of said covenants or restrictions shall in no event be deemed a waiver of the right to do so thereafter. Any and all remedies specified herein shall be deemed cumulative and not exclusive.

3. Construction and Validity of Restrictions. All of said conditions, covenants and reservations contained in this declaration shall be construed together, but if it shall at any time be held that any one of said conditions, covenants, or reservations, or any part thereof, is invalid, or for any reason becomes unenforceable, no other condition, covenant, or reservation, or any part thereof, shall be thereby affected or impaired; and the Declarant and the owners of the subject property, their successors, heirs, and/or assigns shall be bound by each article, section, subsection, paragraph, sentence, clause and phrase of this declaration, irrespective of the fact that any article, section, subsection, paragraph, sentence, clause or phrase be declared invalid or inoperative or for any reason becomes unenforceable.

4. Architectural Control Committee. The Architectural Control Committee which is vested with the powers described hereinabove shall initially consist of

three (3) persons appointed by the undersigned Declarant. Prior to the commencement of any excavations, construction, remodeling or alteration to any structure theretofore completed, there shall first be filed with the architectural control committee one (1) complete set of plans and specifications for such excavation, construction, remodeling or alteration, together with a block or plot plan indicating the exact part of the subject property the improvement will cover, and said work shall not commence unless the Architectural Control Committee shall endorse said plans as being in compliance with these covenants and are otherwise approved by the committee. The committee shall have the right to refuse to approve any such plans and specifications which, in the committee's discretion, are not desirable, and in so passing upon them the committee shall have the right to take into consideration the suitability of any proposed excavation, construction, remodeling or alteration and of the materials to be included, the harmony and effect thereof with the surroundings and the effect thereof on the outlook from the adjacent or neighboring property. The committee shall promulgate and maintain a list of standards for guidance in approving or disapproving plans and specifications pursuant to this section. In the event said committee fails to approve or disapprove in writing said plans within thirty (30) days after their submission, then said approval shall not be required.

No member of the architectural control committee shall be entitled to any compensation for services performed pursuant to these covenants and restriction.

At any time, the then record owners of a majority of the subject property shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

In the event of the death or resignation or the refusal or inability to act of any member of such committee the remaining members shall have full authority to approve or disapprove such plans and specifications and to designate and appoint a successor member of such committee to fill and such vacancy with like authority.

The Architectural Control Committee shall have the power and authority to take such action as it deems necessary to keep any portion of the subject property and exterior of any structure maintained so that the same complies with the provisions of these covenants and restrictions. In this connection, the committee may notify any owner of a portion of the subject property of any violation hereunder, and after due notice, if the owner fails to correct such violation, then in such event the Architectural Control Committee may cause the necessary corrections to be made and compliance hereunder to be effected, and the cost and expenses thereof shall constitute a lien against such real property affected and shall also be the personal obligation of the owner of said property. The Architectural Control Committee shall have the right to foreclose its lien against the said real property in the manner and nature that mechanics liens are

foreclosed and shall also have an action at law against the owner for the amount involved. The initial Architectural Control Committee shall consist of Mark Eldredge, Steve Murdock, and Paul Hamilton. After completion of development, Declarant shall appoint three (3) persons to replace the initial committee members named hereinabove. The three (3) members appointed at that time by Declarant shall be appointed to staggered initial terms of one, two, and three years respectively. At the expiration of a member's term, an election shall be held by the owners who shall elect a new member to the Architectural Control Committee for a three (3) year term. In elections each lot shall be construed to have one (1) vote.

5. Assignment and Reservation of Powers. Any and all rights and powers of the undersigned Declarant herein contained may be delegated, transferred or assigned. Wherever the term "Declarant" is used herein, it includes assigns or successors-in-interest of the Declarant.

6. Consents. The Declarant has obtained the acknowledgement and consent to these protective covenants of all third-party living unit owners, and all parties possessing liens affecting any portion of the subject property; and all such consents are attached hereto and by this reference are made a part hereof.

IN WITNESS WHEREOF, the undersigned has executed these covenants and restrictions the 16 day of Sept., 1993.
