In addition to the Annual Assessment, a Special Assessment can be assessed to pay the costs of any one or more of the following:

(a) Approved by Board. Special Assessments for the following extraordinary expenses can be levied by the Board without Member approval:

- (i) An extraordinary expense required by an order of a court;
- (ii) An extraordinary expense necessary to repair or maintain the Common Area of any portion thereof for which the Association is responsible where a threat to personal safety on the Common Area is discovered. The resolution shall be distributed to the Members with the notice of Assessment; and

(b) Approved by Association. Special projects which must be assented to by more than fifty percent (50%) of all votes which Members present in person or represented by proxy are entitled to cast at a meeting duly called and held for such purpose pursuant to the Bylaws involve:

- (i) the replacement or improvement of the Common Area or Improvement thereon; and
- (ii) an extraordinary expense necessary to repair or maintain the Common Area or any portion thereof for which the Association is responsible attributable to fire, flood or hazards of any kind.

#### 6.5. Uniform Rate of Assessment.

Annual Assessments and Special Assessments imposed pursuant to subsections 6.2 (a) and (b) of this Declaration shall be assessed equally and uniformly against all Owners and their Lots. All installments of Annual Assessments shall be collected in advance on a semiannual basis by the Board.

#### 6.6. Date of Commencement of Annual Assessments.

The Board shall authorize and levy the amount of the Annual Assessment upon each Lot, as provided herein, by a majority vote of the Board. Annual Assessments shall commence on all Lots in a Phase of Development on the first day of the first calendar month following the Close of Escrow for the sale of a Lot in such Phase of Development. The first Annual Assessment shall be adjusted according to the number

of months remaining in the Fiscal Year as set forth in the bylaws. The Board shall fix the amount of the Annual Assessment against each Lot at least thirty (30) days in advance of each Annual Assessment period. Written notice of any change in the amount of any Annual Assessment shall be sent to every Owner subject thereto, not less than thirty (30) days prior to the effective date of such change. The due dates shall be established by the Board. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association, setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments against a Lot is binding upon the Association as of the date of its issuance.

**6.7. Corrective Assessments.**

In addition to the Annual Assessment and any Special Assessments, the Association may levy Corrective Assessments against a particular Owner and his Lot to pay the following; costs directly attributable to, or reimbursable by, that Owner, equal to the costs incurred by the Association for corrective action, performed pursuant to the provisions of this declaration, including Sections 2.9, 8.8, and 9.1, plus interest and other charges on such Corrective Assessments.

The Board shall deliver a Notice of Noncompliance by the Board and Right to Hearing to the Owner upon whom it intends to levy a Corrective Assessment. Corrective Assessments shall be due and payable within (45) days following interest thereafter at the rate of eighteen percent (18%) per annum until paid in full.

**6.8. Exempt Property.**

The following property subject to this Declaration shall be exempt from the assessments herein:

- (a) All portions of the Properties dedicated to and accepted by a local public authority; and
- (b) The Common Area owned by the Association in fee.
- (c) All lots that have not been sold to the public by Declarant or Declarant's assigns.

**6.9. Notice of Members Meeting; Quorum Requirements.**

Before any Special Assessment is levied, the Board shall deliver a Notice of Members Meeting. The quorum required for any action authorized by Section 6.4 (b) shall be as follows: at the first meeting called, the presence of Members or of proxies entitled to cast fifty percent (50%) of all outstanding votes shall constitute a quorum. If a quorum is not present at any meeting, another meeting may be called by the Board issuing a Notice of Members Meeting at which a quorum shall be one-half of the quorum which was required at such preceding meeting. No such subsequent meeting shall be held more than forty-five (45) days following such preceding meeting at which a quorum was not present.

**6.10. Preparation of Budget.**

The Board shall prepare a Budget to be presented to the Members at the annual meetings of the Members held as provided in the Bylaws.

**6.11. Reserve Fund.**

The Board shall, on behalf of the Association, cause to be funded through Annual Assessments or other periodic assessments an adequate reserve to cover the cost of reasonably predictable and necessary major repairs and replacement to the Common Areas.

**ARTICLE VII****NONPAYMENT OF ASSESSMENTS: REMEDIES****7.1. Nonpayment of Assessments: Remedies.**

Any assessment not paid when due shall, together with the hereinafter provided for interest and costs of collection, be, constitute, and remain a continuing lien on the Lot provided, however, that any such lien will be subordinate to the lien or equivalent security interest of any first position Mortgage on the Lot recorded prior to the date any such assessments become due. Assessments shall have priority over all liens or mortgages having a second position (or lower) priority. If the assessment is not paid within thirty (30) days after the date on which it becomes delinquent, the amount thereof shall bear interest from the date of delinquency at the rate of eighteen percent (18%) per annum plus a late payment service charge equal to five percent (5%) of each delinquent amount due, and the Association may, in its discretion, bring an action either against Owner or to foreclose the lien against the Lot. Any judgment obtained by the Association and any foreclosure commenced shall include reasonable attorneys' fees, court costs, and each and every other expense incurred by the Association in enforcing its rights.

**7.2. Washington County Tax Collection.**

It is recognized that under the Declaration the Association will own the Common Area and that it may be obligated to pay property taxes to Washington County. It is further recognized that each Owner of a Lot is a Member of the Association and as part of his assessment will be required to pay to the Association his pro rata share of such taxes. Notwithstanding anything to the contrary contained in this Declaration, or otherwise, Washington County shall be, and is, authorized to collect such pro rata share (on an equal basis) of taxes directly from each Owner by inclusion of said share with the tax levied on each Lot. To the extent allowable, Washington County is hereby directed to do so. In the event that the assessor shall separately assess Common Areas to the Association, the Board may impose, in its discretion a Special Assessment to pay such taxes, or they may be incorporated into the Annual Assessment.

**7.3. Foreclosure Sale.**

The Board may elect to file a claim of lien against the Lot of the delinquent Owner by Recording a notice ("Notice of Lien") setting forth (a) the amount of the claim or delinquency, (b) the interest and costs of collections which have accrued thereon, (c) the legal description of the Lot against which the lien is claimed, and (d) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or duly authorized agent of the Association. The lien shall continue until the amounts secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. The lien shall be prior to any other lien arising thereafter, except for liens which, by law, are deemed prior to liens of a nature similar to such assessment liens. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the Notice of Lien have been fully paid or satisfied, the Association shall execute and Record a notice releasing the Lien upon payment by the Owner of a reasonable fee as fixed by the Board to cover the cost of preparing and recording the release of lien. Unless paid or otherwise satisfied, the lien may be foreclosed in a like manner as a mortgage or deed of trust lien. The Association, through duly authorized agents, shall have the power to bid on the Lot at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Upon completion of the foreclosure sale, an action may be brought by the Association or the purchaser at the sale in order to secure occupancy of the defaulting Owner's Lot, and the defaulting Owner shall be required to pay the reasonable rental value of such Lot during any period of continued occupancy by the defaulting Owner or any persons claiming under the defaulting Owner.

#### 7.4. Curing of Default.

Upon the timely curing of any default for which a Notice of Lien was filed by the Association, the Board shall Record an appropriate Release of Lien, upon payment by the defaulting Owner of a reasonable fee to cover the cost of preparing and Recording such release. A certificate executed and acknowledged by any two (2) members of the Board stating the indebtedness secured by the liens upon any Lot created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all Persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request at a reasonable fee, to be determined by the Board.

#### 7.5. Cumulative Remedies.

The assessment liens and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgement for unpaid assessments, as above provided.

#### 7.6. Mortgage Protection.

Notwithstanding all other provisions thereof, no lien created under this Article VII, nor

any breach of this Declaration, nor the enforcement of any provision hereof shall defeat or render invalid the rights of the Beneficiary under any Recorded first Deed of Trust (meaning any deed of trust with first priority over other deeds of trust) upon a Lot made in good faith and for value; provided that after such Beneficiary or some other Person obtains title to such Lot by judicial foreclosure or by means of the powers set forth in such Deed of Trust or through a deed in lieu of foreclosure, such Lot shall remain subject to the Declaration and the payment of all installments of Assessments accruing subsequent to the date such Beneficiary or other Person obtains title.

**7.7. Priority of Assessment Lien.**

The lien of the assessments, including interest and costs (including attorneys' fees), provided for herein shall be subordinate to the lien of any first Mortgage upon any Lot. The sale or transfer of any Lot pursuant to judicial or nonjudicial foreclosure of a first Mortgage, or conveyance of a deed in lieu of foreclosure, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. When the Beneficiary of a first Mortgage of record or other purchaser of a Lot obtains title pursuant to a judicial or nonjudicial foreclosure of the first Mortgage (or deed given in lieu of foreclosure), such Person, his successors and assigns, shall not be liable for the share of the Common Expenses or assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to such Lot by such Person.

ARTICLE VIII

**ARCHITECTURAL CONTROL**

**8.1. Members of Committee.**

The ACC shall consist of three (3) to seven (7) members. The Board shall have the power to appoint and remove all of the members of the ACC. Persons appointed to the ACC by the Board need not be Members of the Association. If the ACC is not appointed, the Board itself shall perform the duties required of the ACC. Individual Board members may also serve as ACC members.

**8.2. ACC General Powers.**

The ACC shall have the right and duty to promulgate reasonable standards against which to examine any request made pursuant to this Article, in order to ensure that the proposed Plans conform harmoniously to the exterior design and existing materials of the Improvements on the Properties. This power shall include the power to issue ACC Rules and Regulations which, among other provisions, may set forth procedures for the submission of Plans for approval, require a fee payable to the Association to accompany each application for approval, and state additional factors which it will

take into consideration in reviewing submissions. The ACC Rules and Regulations may also include provisions covering ongoing architectural and landscaping control consistent with the Basic ACC Standards contained in Section 8.4 (Exhibit "F").

### 8.3. Review of Plans and Specifications.

The ACC shall consider and act upon any and all Plans and specifications, submitted for its approval under this Declaration and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and specifications approved by the ACC. No exterior construction, alteration, removal, relocation, repainting, demolition, addition, modification, external decoration or redecoration, or reconstruction of a Dwelling Unit or Improvement, including landscaping, in the Properties shall be commenced or Maintained, until the Plans and specifications thereof showing the nature, kind, shape, height, width, color, materials and location of the same shall have been submitted to the ACC (together with such fees for review and inspection as may be reasonably required by the ACC) and approved in writing by the ACC. Until changed by the Board, the address for submission of such Plans and specifications shall be the principal office of the Association located at 800 North Kayenta Parkway, Ivins, Utah 84738. The ACC shall approve Plans and specifications submitted for its approval only if it deems that the construction, alterations or additions contemplated thereby in the locations indicated will not be detrimental to the appearance of the surrounding area or the Properties as a whole, that the appearance of any structure affected thereby will be in harmony with the surrounding structures, and that the construction thereof will not detract from the beauty, wholesomeness and attractiveness of the Lots and the Common Area or the enjoyment thereof the Members, and that the upkeep and maintenance thereof will not become a burden on the Association.

The ACC may condition its approval of any Improvement upon such changes, alterations or modifications of such Improvement as it deems appropriate and may require submission of additional Plans and specifications or other information prior to approving or disapproving material submitted. Such conditions may also include a requirement that the applicant complete the proposed Improvement within a stated period of time. The ACC may require such detail in Plans and specifications submitted for its review as it deems proper, including, without limitation, landscape plans, floor plans, as they relate to exterior appearance, site plans, exterior lighting plans and interior lighting plans as they relate to exterior illumination, drainage plans, elevation drawings and description or samples of exterior material and colors. Decisions of the ACC shall be transmitted by the ACC to the applicant at the address set forth in the application for approval, after receipt by the ACC of all materials required by the ACC and within forty-five (45) days after the ACC meets and considers the request with all required submittals. Any application submitted pursuant to this Section 8.3 shall be deemed approved, unless written disapproval or a request for additional information or materials by the ACC shall have been transmitted to the applicant within the time

herein set forth. In addition to complying with the Basic ACC Standards and ACC Rules and Regulations, the Applicant shall meet any review or any alterations or engaging in construction, reconstruction or remodeling permitted hereunder.

**8.4. Basic ACC Standards.**

In exercising its powers set forth in Section 8.1, the ACC shall insure that all Improvements on Lots in the Properties conform to and harmonize with existing surroundings and structures in the ACC's discretion all in accordance with the Basic ACC Standards set forth in Exhibit "F" and incorporated in this Declaration by reference. The ACC may formulate ACC Rules and Regulations for the purpose of interpreting such ACC Basic Standards and adding such other supplemental standards, not contrary to such ACC Basic Standards, as the ACC may deem appropriate. The adopted ACC Rules and Regulations shall be incorporated in the ACC Book of Rules and Regulations. The failure of any Owner to adhere to the ACC Rules and Regulations shall constitute and be deemed a failure to meet such Basic ACC Standards.

**8.5. Meetings of the ACC.**

The ACC shall meet from time to time as necessary to perform its duties hereunder. The vote of a majority of the ACC, shall be sufficient to enact resolutions or motions of the ACC. The attendance of three (3) members at any meeting shall constitute a quorum.

**8.6. No Waiver of Future Approvals.**

The approval by the ACC of any proposals or Plans for any work done or proposed or in connection with any other matter requiring the approval and consent of the ACC, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, Plans or matters subsequently or additionally submitted for approval or consent.

**8.7. Compensation of Members.**

The members of the ACC shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

**8.8. Inspection of Work; Costs of Correction.**

Inspection of work and correction of defects therein shall proceed as follows:

- (a) The ACC or its duly authorized representative may inspect during reasonable daylight hours, any work for which approval of Plans is required under this Article VIII. However, the ACC's right of inspection of Improvements for which Plans have been submitted and approved shall terminate sixty (60) days after the Improvement has been completed, as evidenced in the case of a Dwelling Unit by a certificate of

occupancy issued by the Town of Ivins, Utah, and the respective Owner has given written notice to the ACC of its completion. The ACC's rights of inspection shall not terminate pursuant to this paragraph if Plans for the Improvement have not previously been submitted to and approved by the ACC. If, as a result of such inspection, the ACC finds that the Improvement was constructed without obtaining approval of the Plans therefor or was not done in substantial compliance with the Plans approved by the ACC, it shall deliver to the Owner a Notice of Noncompliance by the ACC within five (5) days from the inspection. The ACC shall have the authority to require the Owner to take such action as may be necessary to remedy the noncompliance.

(b) If upon the expiration of thirty (30) days from the date of delivery of the Notice of Noncompliance by the ACC as provided for above, the Owner has failed to remedy the noncompliance, the ACC shall notify the Board in writing of such failure. The Board shall then deliver to such Owner a Notice of Noncompliance by the Board and Right to Hearing. At hearing the Board shall determine whether there is noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than thirty (30) days from delivery of Notice of Board Adjudication to the Owner. If the Owner does not comply with the Board determination within that period, the Board may commence a lawsuit for damages or injunctive relief, as appropriate, to remedy the noncompliance. In addition, the Board may peacefully remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses (including reasonable attorneys' fees) incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Corrective Assessment against the Owner for reimbursement as provided in this Declaration. The right of the Association to remove a noncomplying Improvement or otherwise remedy the noncompliance shall be in addition to all other rights and remedies which the Association may have at law, in equity or in this Declaration.

(c) If for any reason the ACC fails to notify the Owner of any noncompliance with previously submitted and approved Plans within thirty (30) days after receipt of written notice of completion from the Owner, the Improvement shall be deemed to be in accordance with the approved Plans.

#### 8.9. Scope of Review.

The ACC shall review and approve, conditionally approve or disapprove all Plans submitted to it for any proposed Improvement, alteration or addition, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the immediate vicinity and the Properties generally. The ACC shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar architectural features, all as may be required by the Basic ACC Standards and the ACC

Rules and Regulations. The discretion of the ACC shall control the ACC's approval or disapproval and shall be based solely on the considerations set forth in this Article VIII, and the ACC shall not be responsible for reviewing, nor shall its approval of any Plan or design be deemed approval of, any Plan or design from the standpoint of structural safety or conformance with building or other codes. Each Owner shall be responsible for obtaining all necessary permits and for complying with all Town of Ivins, Utah, requirements with respect to the implementation of such Plans.

8.10. Variance.

An Owner may apply for a variance to the Basic ACC Standards and ACC Rules and Regulations as set forth below. All variances must be approved by the ACC, by the Board, and by the Declarant; failure to obtain approval from any one of the foregoing shall constitute denial of the variance request. The approval of a variance must be in writing and shall state the terms of the variance. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting the use of his Dwelling Unit or Improvement.

(a) A variance may be granted only if one of the requirements of (i)-(iv) and the requirement in (v) are met:

(i) literal enforcement of the Basic ACC Standards and the ACC Rules and Regulations would cause an unreasonable hardship for the applicant that is not necessary to carry out the general purpose of the Basic ACC Standards and the ACC Rules and Regulations; or

(ii) there are special circumstances attached to the Lot that do not generally apply to the other Lots in the Properties; or

(iii) granting the variance is essential to the enjoyment of a substantial property right possessed by other Lot Owners in the Properties; or

(iv) the variance will not substantially affect the Basic ACC Standards and the ACC Rules and Regulations and will not be contrary to the interest of the Members of the Association; and

(v) the spirit of the Basic ACC Standards and the ACC Rules and Regulations is observed and substantial justice done.

(b) (i) In determining whether or not enforcement of the Basic

ACC Standards and ACC Rules and Regulations would cause unreasonable hardship under Section 8.10 (a) (i) the ACC, the Board, and the Declarant may not find an unreasonable hardship unless the alleged hardship:

- (A) is located on or associated with the Lot or Improvement for which the variance is sought; and
- (B) comes from circumstances peculiar to the Lot or Improvement, not from conditions that are general to the Properties.

(ii) In determining whether or not enforcement of the Basic ACC Standards and ACC Rules and Regulations would cause unreasonable hardship under Section 8.10 (a) (i), the ACC, the Board, and the Declarant may not find and unreasonable hardship if the hardship is self-imposed or economic.

(c) In determining whether or not there are special circumstances attached to a Lot or Improvement under Section 8.10 (a) (ii), the ACC, the Board, and the Declarant may find that special circumstances exist only if the special circumstances:

- (i) relate to the hardship complained of; and
- (ii) deprive the Owner of the Lot or Improvement of privileges granted in relation to other Lots or Improvements in the Properties.

The applicant shall bear the burden of proving that all of the conditions justifying a variance have been met. Variances run with the land. In granting a variance, the ACC, the Board, and the Declarant may collectively impose additional requirements on the applicant that will:

- (a) mitigate any harmful effects of the variance; or
- (b) serve the purpose of the standard or requirement that is waived or modified.

**8.11. Disclaimers of Liability.**

Neither the ACC, the Board nor Declarant, nor any member thereof acting in good faith shall be liable to the Association or to any Owner for any damage, loss, or prejudice suffered or claimed on account of (i) the approval or rejection of, or the failure to approve or reject, any Plans, drawings, specifications, or variance requests (ii) the construction or performance of any work, whether or not pursuant to approved Plans, (iii) the development or manner of development of any of the

Properties, or (iv) any engineering or other defect in approved Plans, drawings and specifications.

In addition the Board shall have the right, but not the duty, to enter upon such Owner's Lot to perform such emergency and non-emergency repairs or maintenance as the Board deems appropriate and to charge the cost thereof to the Owner. The Owner of any damaged Lot or Dwelling Unit and the ACC shall be obligated to proceed with all due diligence hereunder, and such Owner shall cause reconstruction or restoration of the Lot to commence within three (3) months after the damage occurs and to be completed within fifteen (15) months after damage occurs, unless prevented by causes beyond his reasonable control. A transferee of title to the Lot which is damaged or upon which is located a damaged Dwelling Unit shall commence and complete reconstruction of the Dwelling Unit or restoration of the Lot in the respective periods which would have remained for the performance of such obligations if the Owner of the Lot at the time of the damage still held title to the Lot. However, in no event shall such transferee of title be required to commence or complete such reconstruction of the Dwelling Unit or restoration of the Lot in less than thirty (30) days from the date such transferee acquired title to the Lot.

In the event of such damage to the Common Area or Improvement thereon the Board may either assess a penalty under the Rules and Regulations established by the Board in an amount sufficient to pay all costs of the Association attributable to such damage, including deductibles and increase in insurance premiums, if any, or the Board may repair the damage to the Common Area or Improvement thereon with the proceeds from the Association's insurance and assign to the Association's insurance company, its claims against the Member who, by his own acts or the acts (both minor and adult) of his family member, guest, invitee, or assignee, damaged the Common Area or Improvement thereon. (g) Mortgage Clause. All policies of hazard insurance must contain or have attached the standard Mortgagee clause commonly accepted by private institutional mortgage investors in the area in which the mortgaged premises are located. The mortgagee clause must provide that the insurance carrier shall notify the first Mortgagee (or trustee) named at least ten (10) days in advance of the effective date of any reduction in or cancellation of the policy.

(h) Review of Insurance. The Board shall periodically, and whenever requested by twenty percent (20%) or more of the Owners, review the adequacy of the Association's insurance program and shall report in writing the conclusions and action taken on such review to the Owner of each Lot and to the holder of any mortgage on any Lot who shall have requested a copy of such report. Copies of every policy of insurance procured by the Board shall be available for inspection by the Owner.

(i) Lots and Dwelling Units Not Insured by Association. The Association shall have no duty or responsibility to procure or maintain any fire, liability, extended coverage or other insurance covering any Lot or Dwelling Unit on a Lot and acts and events occurring thereon.

#### 12.5. Insurance Obligation of Owners.

Each Owner shall secure and keep in force at all times fire and extended coverage insurance which shall be equal to or greater than fire and extended coverage and shall be at least equal to that commonly required by private institutional mortgage investors in the area in which the mortgaged premises are located. The policy shall provide, as a minimum, fire and extended coverage insurance on a replacement cost basis in an amount not less than that necessary to comply with any coinsurance percentage stipulated in the policy. The amount of coverage shall be sufficient so that in the event of any damage or loss to the mortgaged premises of a type covered by the insurance, the insurance proceeds shall provide at least the lesser of: (i) compensation equal to the full amount of damage or loss, or (ii) compensation to the first Mortgagee under the mortgage equal to the full amount

of the unpaid principal balance of the Mortgage Loan. However, the Board may elect to take advantage of discounts and/or improved coverage that may be afforded by a master policy of insurance. If the Board elects to do so, such policy shall be in an amount equal to full replacement value of all Dwelling Units on the Lots with a coinsurance clause and each owner of such Lots shall be designated as additional insured. The cost of such insurance shall be part of the assessment for such Lot. In this event the insurance cost may be specifically charged to those Lots with Dwelling Units built upon them.

**12.6. Unacceptable Policies.**

Policies are unacceptable where: (i) under the terms of the carrier's charter, bylaws or policy, contributions or assessment may be made against the Lot Owner or Mortgagee or Mortgagee's designee; or (ii) by the terms of the carrier's charter, bylaws or policy, loss payments are contingent upon action by carrier's board of directors, policyholders, or members; or (iii) the policy includes any limiting clauses (other than insurance conditions) which could prevent the Lot Owner, Mortgagee or Mortgagee's Designee from collecting insurance proceeds.

**12.7. Flood Insurance.**

The Development is not located in an area identified by the Department of Housing and Urban Development as an area having special flood hazards. In the event that at some future time the Development should be declared to be in such flood area, a blanket policy of flood insurance on the Project shall be maintained in the amount of the aggregate of the outstanding principal balances of the mortgage loans on the Dwelling Units in the Development so affected by flood hazard, or the maximum limit of coverage available under the National Flood Insurance Act of 1968, as amended, whichever is less. The name of the insured under each required policy must be in form and substance as that required by the FHLMC at any given time. The cost of such insurance shall be shared proportionately by the affected owner, in proportion to their allocated coverage.

BASIC ACC STANDARDS

8.4 (a) Garage and Parking Area. All Dwelling Units shall have, as a minimum, a two-car enclosed garage of the dimensions of at least 10 feet x 20 feet per car together with an off-street parking area of at least the same dimensions with a capacity of at least two (2) cars without blocking access to the garage.

8.4 (b) Height. The maximum height of any improvement to the top of the roof line shall be thirteen (13) feet from the adjacent natural grade exclusive of chimney projections. At the sole discretion of declarant, height limitations may be adjusted in future phases. Any such adjustment shall be expressed in the supplementary declaration for the affected phase.

8.4 (c) Exterior Surfaces.

(i) Material: All exterior wall surfaces including dwelling wall surfaces, courtyard and retaining wall surfaces shall be smooth or sand finished plaster. Other surface finishes including smooth and textured concrete, stone, tile, adobe, slate and brick with a cement wash, may be used providing owner obtains approval of declarant and the ACC.

(ii) Color: All plaster wall surfaces shall be consistent with the color currently established in the Shonto Subdivision at Kayenta. A pallet of approved colors and combinations thereof shall be established by the declarant for use on the property. The color of other exterior materials shall conform harmoniously with the plaster colors approved for use on the property. Material samples, texture samples and color samples shall be prepared by declarant and made available to owners to more clearly define surface finishes and treatments which are allowed on the property. Wall color, texture and finish materials may be further expanded and or restricted at the sole discretion of the declarant.

8.4 (d) Driveways All driveways shall be paved or graveled. The color and material thereof shall be subject to the prior written approval of the ACC.

8.4 (e) Courtyard and Patio Deck Surfaces, Walls and Fences. Courtyard surfaces shall be of a material approved by the ACC. All walls and fences must be approved by the ACC before being constructed.

8.4 (f) Roofs, Roof Surfaces. Roofs shall be either flat (1/4" per foot pitch) with parapet, or of low pitch hip and/or gable configuration with pitch not to exceed a 2 1/2" :12 pitch ratio. The detailing of the roof including parapets, overhang projections and fascia treatments shall be established in architectural guidelines which shall be provided and supplemented by declarant from time to time.

Roof color restrictions shall be established by the declarant and approved by the ACC. The purpose of a roof color restriction is to render the roof as unobtrusive in appearance as possible when viewed from elevated vantage points of neighboring properties or common areas.

Pitched roofs shall be finished with a limited selection of tile or other materials which shall be deemed acceptable as to texture, color and finish by declarant and approved by the ACC.

8.4 (g) Landscaping. A landscaping plan shall be submitted for ACC written approval prior to substantial completion of all Dwellings. Landscaping shall emphasize and reflect the existing natural vegetation of the area and insure that existing natural vegetation remains preserved and undisturbed. Accordingly, the natural vegetation shall be preserved by removing it only where required to do so for the building site. Lawn areas shall be shielded from view and shall be limited to use areas defined by walls, structures or elevation changes. Landscaping shall be accomplished in accordance with such requirements as may be promulgated from time to time by the ACC, including landscape guidelines established for that purpose.

8.4 (h) Lot Coverage. For the Taviawk Subdivision, Phases I - IV, an area of at least seventy percent (70%) of the total lot area shall be preserved in its natural state unaltered by any construction or removal of its natural indigenous vegetation, (except for the addition of landscape vegetation as allowed by declarant and ACC as established in the Kayenta Landscape Guidelines).

Improved areas, those areas which are graded and constructed upon shall occupy no more than thirty percent (30%) of the lot. All of the dwelling units, garage, driveway, courtyard areas and offstreet parking shall be contained within the improved area.

The area allowed to be improved for lots 40-45 is further restricted due to a "no build" zone on a portion of each of the lots. The maximum improvable area for these lots shall be as follows:

- Lot 40 - 13,000 Sq. Ft.
- Lot 41 - 12,600 Sq. Ft.
- Lot 42 - 11,000 Sq. Ft.
- Lot 43 - 11,000 Sq. Ft.
- Lot 44 - 13,000 Sq. Ft.
- Lot 45 - 13,000 Sq. Ft.

The balance of the area of these lots shall be preserved and remain in its natural state.

8.4 (i) Site Construction Parameters. Declarant shall have authority to: (1) establish building setback requirements specific to each lot, and shall provide same to owner and ACC upon request. (Establishing setback requirements shall mean

establishing setback line locations beyond which the actual dwelling unit and associated garage or other buildings shall not be placed or constructed, but shall not be a limit for the construction of courtyard walls); (2) Allow for variation in the placement of the dwelling unit with respect to said setback requirements;

(3) Further restrict or allow a relaxation of the amount of improved area on a given lot as established in 8.4 (h).

8.4 (k) If for any reason without limitation, Declarant fails to perform the duties of its authority as given in 8.4 (j) above within 30 days after being requested to so in writing, said determination(s) established in 8.4 (j) shall be made by the ACC for the lot or lots which said determinations were requested.

8.4 (l) Outside Installations. No exterior radio antenna, shortwave or "C.B." antenna, television antenna, satellite dish or other antenna of any type shall be erected or maintained on the Properties, unless shielded from view to the extent practicable and approved in advance and in writing by the Board. No other projections of any type shall be placed or permitted to remain above the roof of any Dwelling Unit of Improvement on the Properties, except pipes, vents, ventilators, chimneys or other similar devices commonly located on rooftops. No patio cover, wiring, or air conditioning fixture, water cooler, water softeners, or other devices shall be installed on the exterior of a Dwelling Unit or Improvement or be allowed to protrude through the walls or roof of the Dwelling Unit or Improvement (with the exception of those items installed during the original construction of the Dwelling Unit and approved by the Board), unless the prior written approval of the Board is obtained.

8.4 (m) View Obstructions. No other improvement or obstruction shall be constructed, planted or maintained upon any Lot in such location or of such height as to unreasonably obstruct the view from any other Lot in the vicinity thereof. If there is a dispute between Owners concerning the obstruction of a view from a Lot, the dispute shall be submitted to the ACC, whose decision in such matters shall be conclusive and binding. Any item or vegetation maintained upon any Lot which item or vegetation is exposed to the view of any Owner, shall be removed or otherwise considered altered to the satisfaction of the ACC, if it determines that the maintenance of such item or vegetation in its then existing state is contrary to the purposes or provisions of this Declaration. The ACC shall ensure that the vegetation on the Common Area, to the extent such is maintained by the Association, is pruned at such intervals so that the view of any Owner is not unreasonably obstructed.

8.4 (n) Solar Energy Systems. Each Owner may install a solar energy system on his Lot which serves his Dwelling Unit so long as the design and location thereof receives the prior written approval of the ACC.

00599234 Bk 1202 Pg 0682

8.4. (o) Lighting. No exterior lights of a high intensity nature including, without limitation, mercury vapor, sodium vapor, metal halide, and florescent, shall be used on the Properties. All exterior lighting sources shall be shielded from diret view to provide indirect or reflected lkight. All exterior lighting shall be approved in advance by the ACC. The direct point source of all interior lighting shall be shielded from view from the exterior of the Dwelling common area.

10.4. Signs.

The Owners and the Declarant (i) desire to preserve the natural beauty and scenic vistas of the Properties, (ii) find that signs detract from the overall beauty and scenic quality of the Properties, and (iii) recognize that a minimal amount of signage, regulated as to time, place, location and manner of display, is beneficial to the Owners and the Declarant. Therefore, to maintain and preserve the scenic qualities of the Properties, no sign, poster, display, banner, ribbon, streamer, billboard or other advertising device, or accessory, of any kind shall be displayed to the view of the public or Owners on any portions of the Properties, except for the four (4) types of signs specifically provided for below.

Properties. This shall not apply to smoke or odor producing objects or vehicles used in the ordinary course of construction or necessary maintenance.

(d) Such other activities, noises or odors as the Board, in its discretion, shall determine to be nuisances.

(e) Prohibition on the use of tools and equipment shall not apply to use for emergency purposes.

#### 10.6. Other Nuisances.

(i) General. With the exceptions noted in (iii) and (iv) below, no Vehicle may be parked or stored on the Properties outside a garage, except for cars, motorcycles, pickup trucks or minivans used for daily transportation which may be kept in the Dwelling Unit's parking area required under Section 8.4 (a). Recreational Vehicles may be parked in the Dwelling Unit's driveway or parking area to accommodate occasional guests or in preparation for or return from a trip, in each such case, for a period not to exceed three (3) days during any thirty (30) day period, unless approved by the Board.

(a) Restrictions on Type and Number. No insects, reptiles, poultry or animals of any kind shall be raised, bred or kept on the Properties, except that the usual and ordinary domestic dogs, cats, fish, birds and other household pets (excluding, without limitation, horses, cattle, sheep, swine (including "pot-belly" pigs, goats and other such farm animals) may be kept on Lots, provided that they are not kept in unreasonable quantities, or bred or maintained for commercial purposes. As used in this Declaration, "unreasonable quantities", with respect to dogs and cats, shall ordinarily mean more than two (2) pets per household; provided, however, that the Board may determine that a reasonable number in any instance may be more or less. In any case, the Board may not approve an aggregate of more than four (4) dogs and/or cats to be kept per household, subject, in all cases, to local ordinances and regulations.

(b) Animal Nuisances and Liability. The Board shall have the right to prohibit the maintenance of any animal which constitutes, in the opinion of the Board, a nuisance to any other Owner. Animals belonging to Owners, occupants or their licensees, tenants or invitees within the Properties must be either kept within an enclosure or on a leash being held by a person capable of controlling the animal. It shall be the duty and responsibility of each such Owner to clean up after such animals. Furthermore, any Owner shall be liable to each and all remaining Owners, their families, guests, tenants and invitees, for any unreasonable noise or damage to person or property caused by any animals brought or kept upon the Properties by such Owner or by members of his family, his tenants or his guests.

Upon Notice of Noncompliance by the Board and Right to Hearing, the Board shall determine whether there is in fact a noncompliance, and, if so, the nature thereof and the estimated cost to correct the problem, or make provisions for removal of the problem animal.

#### 10.9. Insurance and Governmental Requirements

No Owner shall permit or cause anything to be done or kept on the Properties, or on any Street visible from the Properties, which may increase the rate of insurance on the Properties, or result in the cancellation of such insurance, or which will

obstruct or interfere with the rights of other Owners, nor commit or permit any nuisance thereon or violate any law. Each Owner shall comply with all of the requirements of the local or state health authorities and with all other governmental authorities with respect to the occupancy and use of a Dwelling Unit.

**10.10. Construction.** Construction of Dwelling Units shall be diligently pursued to substantial completion which generally shall occur within fifteen months of commencement, subject to extensions by the ACC in its sole discretion. All damage caused by construction activity (including construction related vehicles), shall be promptly repaired by the Owner or his contractor. The Owner shall post with the Association, in advance of the commencement of construction, a refundable cash security deposit in the amount of five hundred dollars (\$500) for the purpose of repairing, among other things, streets and landscape damaged during construction together with construction clean-up expenses. This cash deposit may be adjusted by the Board from time to time in response to inflation and other conditions.

**10.11. Temporary Buildings**  
No outbuilding, tent, shack, shed or other temporary building or improvement of any kind (except portable outhouses and dumpsters during construction) shall be placed upon any portion of the Properties either temporarily or permanently.

**10.13. Further Subdivision; Lease Provisions.**  
No Owner shall further partition or subdivide his Lot, including without limitation any division of his Lot into time-share estates or time-share uses; provided, however that this provision shall not be construed to limit the right of an Owner (1) to rent or lease his entire Lot by means of a written lease or rental agreement subject to the restrictions of this Declaration, so long as the Lot is not leased for transient or hotel purposes; (2) to sell his Lot; or (3) to transfer or sell any Lot to more than one person to be held by them as tenants-in-common, joint tenants, tenants by the entirety or as community property.

Any owner may use two or more lots for one residence, provided that the owner file a document with the Association declaring this intent. In this event the owner shall pay Association dues for only one lot of ownership. This right shall only be in effect after the issuance of a Certificate of Occupancy on the residence by the

00599234 Bk 1202 Pg 0690

Town of Ivins. In this event, all utilities easements on lot lines common to the merging lots shall be deemed automatically abandoned where not reasonably needed.

The terms of any lease or rental agreement shall be made expressly subject to this Declaration and the Bylaws of the Association. Any failure by the lessee of such Lot to comply with the terms of this Declaration, the Bylaws of the Association or the Rules and Regulations shall constitute a default under the lease or rental agreement.

**10.14. Drainage.**

There shall be no interference with or alteration of the established drainage pattern over any Lot on the Properties, unless an adequate alternative provision is made for proper drainage. For the purposes hereof, "established drainage pattern" is defined as the drainage which exists at the time that such Lot is conveyed to a purchaser from Declarant, and shall include drainage from the Lots on the Properties onto the Common Area.

**10.15. Water Supply and Sewage Disposal Systems.**

No individual water supply or sewage disposal system shall be permitted on any Lot on the Properties unless such system is designed, located, constructed and equipped in accordance with the requirements, standards and recommendations, if any, of the ACC and of any public agency having jurisdiction over the properties, the Washington County, Utah, Health Department, and all other applicable governmental authorities.

**10.16. Exception for Declarant.**

Notwithstanding the restrictions contained in this Article 10, Declarant shall have the right to use any Lot or Dwelling Unit owned or leased by it in furtherance of any reasonably necessary or appropriate construction, marketing, sales, management, promotional, or other activities designed to accomplish or facilitate the sale of Lots and/or Dwelling Units owned by Declarant.
