CONCERNING: Lots 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638 and 639 of the Plum Creek Estates (Phase 6) subdivision, according to the official plat thereof on file with the Salt Lake County Recorder.

The area encompassed within the Plum Creek Estates (Phase 6) subdivision has certain hydro-geological, topographical and/or soil conditions manifesting an unusually high water table. This high water table may prevent the construction of structures with full basements or even half-basements and/or may require additional countermeasures to mitigate the high water table.

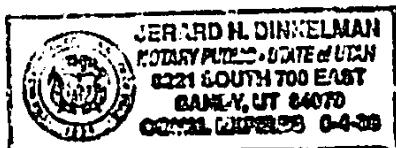

The City of West Jordan, Utah, its employees, agents and assigns shall not be liable for any problems or damages, including consequential damages, arising from the construction of any structure in this area.
