Trustor represents and warrants that, to the best of Trustor's knowledge no Hazardous Materials are now located on, in, or under the Property, nor is there any Environmental Condition on, in, or under the Property and, to the best of Trustor's knowledge, neither Trustor nor any other person has ever caused or permitted any Hazardous Materials to be placed, held, used, stored, released, generated, located or disposed of on, in or under the Property, or any part thereof, nor caused or allowed an Environmental Condition to exist on, in or under the Property, which may have a material impact or effect upon the financial or other condition of Trustor or Trustor's operations. Trustor further represents and warrants that, to the best of Trustor's knowledge, no investigation, administrative order, consent order and agreement, litigation or settlement with respect to Hazardous Materials and/or an Environmental Condition is proposed, threatened, anticipated or in existence with respect to the Property, which may have a material impact or effect upon the financial or other condition of Trustor or Trustor's operations.

Trustor will:

a. Not permit the presence, use, disposal, storage or release of any Hazardous Materials on, in, or under the Property, except in the ordinary course of Trustor's business under conditions that are generally recognized to be appropriate and safe and that are in material compliance with all applicable Environmental Health and Safety Laws.

b. Not permit any substance, activity or Environmental Condition on, in, under or affecting the Property which is in material violation of any Environmental Health and Safety Laws.

c. Comply with the material provisions of all Environmental Health and Safety Laws.

d. Promptly after learning of the same, notify Beneficiary of any material discharge of Hazardous Materials, Environmental Condition, or environmental complaint or notice received from any governmental agency or any other party.

e. Upon any material discharge of Hazardous Materials or upon the occurrence or discovery of any material Environmental Condition, promptly address the same in material compliance with all Environmental Health and Safety Laws, promptly pursue any responsible third parties, promptly pay any fine or penalty assessed in connection therewith, or diligently contest in good faith, and promptly notify Beneficiary of such events and of the actions being taken by Trustor to address and remedy the same.

f. From time to time upon request of Beneficiary, provide copies of all environmental inspections and reports in the possession of or available to Trustor concerning the Property.

g. Permit Beneficiary, at Beneficiary's expense, to inspect the Property for Hazardous Materials and Environmental Conditions, to conduct tests thereon, and to inspect all books, correspondence, and records pertaining thereto. Any such testing shall be done without unreasonable disruption of Trustor's business and testing will be done only upon reasonable grounds or after an Event of Default.

h. If there has been a material spill or discharge of a Hazardous Material on the Property, upon Beneficiary's request, and at Trustor's expense, provide a report (including all validated and unvalidated data generated for such reports) satisfactory to Beneficiary in scope, form, and content, and provide to Beneficiary such other and further assurances reasonably satisfactory to Beneficiary, that Trustor is in compliance with these covenants concerning Hazardous Materials and Environmental Conditions, and that the violation thereof has been corrected in compliance with all applicable Environmental Health and Safety Laws. Beneficiary may also obtain an additional report from an independent environmental engineer selected by Beneficiary (the "Independent Report"). If the findings and conclusions in the Independent Report are materially different from those contained in the report provided by Trustor, all costs and expenses incurred with respect to the Independent Report shall be paid by Trustor. If the findings

and conclusions contained in the Independent Report are substantially similar to those contained in the report provided by Trustor, then all costs and expenses incurred with respect to the Independent Report shall be paid by Beneficiary.

i. Promptly advise Beneficiary of any additional, supplemental, new, or other information concerning any Hazardous Materials or Environmental Conditions that could have a material adverse effect upon the value or marketability of the Property.

Trustor shall indemnify Beneficiary for any and all claims and liabilities, and for damages which may be awarded or incurred by Beneficiary, and for all reasonable attorneys' fees, legal expenses, and other out-of-pocket expenses, arising from or related in any manner, directly or indirectly, to (a) Hazardous Materials located on, in, or under the Property; (b) any Environmental Condition on, in, or under the Property; (c) violation of or non-compliance with any Environmental Health and Safety Law; (d) any breach or violation of the representations, warranties, and covenants contained in this Section 8; and/or (e) any activity or omission, whether occurring on or off the Property, whether prior to or during the term of the obligations secured hereby, and whether by Trustor or any other person or entity, relating to Hazardous Materials or an Environmental Condition affecting the Property. The indemnification obligations of Trustor under this Section 8 shall survive any reconveyance, release, or foreclosure of this Deed of Trust, any transfer in lieu of foreclosure, and satisfaction of the obligations secured hereby.

Beneficiary shall have the sole and complete control of the defense of any such claims. Beneficiary is hereby authorized to settle or otherwise compromise any such claims as Beneficiary in good faith determines shall be in its best interests.

Notwithstanding anything to the contrary in this Deed of Trust or in any other Loan Document, the obligations pursuant to this Section 8, and any similar indemnity provisions contained in the Loan Documents, are not secured by this Deed of Trust.

9. Defense of Title. Trustor shall keep the Property free and clear of any liens (other than Permitted Exceptions) for the supplying of services, labor or materials, unless Trustor is diligently contesting the validity of such lien or taking other actions authorized by Section 7. Trustor shall promptly discharge any lien, deed of trust, mortgage, or other encumbrance upon the Property which has or may have priority over or equality with this Deed of Trust. Upon request of Beneficiary, Trustor shall appear in and defend any action or proceeding purporting to affect the security hereof, the Property, or the rights or powers of Beneficiary or Trustee. Should Trustee or Beneficiary elect to appear in or defend any such action or proceeding, Trustor shall pay all costs and expenses, including costs of evidence of title and reasonable attorneys fees and legal expenses, incurred by Trustee and/or Beneficiary.

10. Right to Perform for Trustor. Other than Permitted Exceptions, to the extent that such liens are not covered by the specific provisions of Section 7, if not paid or discharged when due, and upon the failure by Trustor to pay or discharge within 30 days of its receipt of notice from Beneficiary of its intent to pay or discharge the same, Beneficiary may, in its sole discretion and without any duty to do so, (a) elect to discharge taxes, assessments, liens, deeds of trust, mortgages, or other encumbrances upon the Property which have or may have priority over or

equality with this Deed of Trust, (b) perform any duty or obligation of Trustor, or (c) pay recording, insurance or other charges payable by Trustor or provide insurance if Trustor fails to do so. Any such payments advanced by Beneficiary shall be reimbursed by Trustor upon demand, together with interest thereon from the date of the advance until repaid, both before and after judgment, at the Default Rate.

11. Further Assurance. Trustor shall execute and deliver such further instruments and documents and do such further acts as may be necessary or as may be reasonably requested by Beneficiary to carry out the purposes of this Deed of Trust and to subject to the lien and mortgage created or intended to be created hereby any property, rights, or interests covered or intended to be covered by this Deed of Trust.

12. Attornment. All future lease agreements entered into by Trustor, as landlord, which pertain to the Property shall contain a covenant on the part of the tenant, enforceable by Beneficiary, obligating such tenant, upon request of Beneficiary, to attorn to and become a tenant of Beneficiary or any purchaser from Trustee or through foreclosure of this Deed of Trust, for the unexpired term of, and subject to the terms and conditions of, such future lease agreements.

13. Casualty. Trustor shall promptly give written notice to Beneficiary of fire or other casualty to the Property. If any insurance proceeds are received for loss or damage to the Property, then Beneficiary at its option may retain such proceeds and apply them toward the payment of the obligations secured hereby (in any order of priority Beneficiary may deem appropriate in its sole discretion), or Beneficiary may disburse them to Trustor for the repair or restoration of the damaged Property in the same manner as disbursements under a construction loan; Beneficiary shall not be obligated to see to the proper application by Trustor of any such disbursement. Notwithstanding the foregoing, in the event that no Event of Default has occurred and remains continuing and the insurance proceeds that are received for loss or damage to the Property do not exceed \$1,000,000.00 in aggregate, then Beneficiary shall disburse such proceeds to Trustor to be used towards the repair of the Property. In no event shall Beneficiary be obligated to see to the proper application by Trustor of any such disbursement under this Section.

14. Condemnation Awards. If the Real Property, the improvements thereon, or any portion thereof should be taken or damaged by reason of any public improvement or condemnation proceeding, Beneficiary shall be entitled to all of Trustor's rights in and to compensation, awards, and other payments and relief therefor, and shall be entitled, at Beneficiary's option, to commence, appear in, and prosecute in Beneficiary's own name any action or proceeding, and to make any compromise or settlement, in connection with such taking. Trustor shall promptly give notice to Beneficiary of any condemnation proceeding or any taking for public improvement. All such compensation, awards, and other payments and relief are hereby assigned to Beneficiary. Notwithstanding the foregoing, in the event that no Event of Default has occurred and remains continuing and the proceeds of any compensation, awards, and other payments in respect of a public improvement or condemnation proceeding do not exceed \$1,000,000.00 in aggregate, then; Beneficiary shall disburse such proceeds to Trustor to be used towards the repair of the Property. In no event shall Beneficiary be obligated to see to the proper application by Trustor of any such disbursement under this Section.

After deducting all costs and expenses, including reasonable attorneys fees and legal expenses, incurred by Beneficiary in connection with such compensation, awards, and other payments and relief, Beneficiary may, in its sole discretion and without any duty to do so, release such compensation or apply such compensation, or any portion thereof, on any of the obligations secured by this Deed of Trust, whether or not then due. Beneficiary shall have no obligation to apply such compensation to restore or repair damage to the Property, regardless of whether such taking has a significant adverse impact on the operation of the remaining portion of the Property.

15. Compliance. Trustor shall promptly comply with all applicable laws, ordinances, rules and regulations of federal, state, county, or municipal governments or agencies now in force or which may be enacted hereinafter.

16. No Further Encumbrances. Other than Permitted Exceptions, Trustor shall not further encumber, mortgage or place any lien upon the Property, nor cause or allow by operation of law the encumbrance of the Property without the written consent of Beneficiary, even though such encumbrance may be junior to this Deed of Trust.

17. Evidence of Title. Trustor shall deliver to, pay for and maintain policies of title insurance and any supplements, modifications and endorsements thereof, in a form, amount and from an insurer acceptable to Beneficiary.

18. Access. Subject to the terms of the Loan Agreement, Beneficiary and Beneficiary's representatives are hereby authorized and shall have the right during the existence of this Deed of Trust, to enter upon the Property to inspect the Property and to perform any of the acts authorized under this Deed of Trust.

19. Assignment of Leases and Rents. For purposes of this Section, "Tenant" means any Person now or hereafter occupying all or any part of the Property or the improvements.

As additional security for the obligations secured by this Deed of Trust, Trustor hereby assigns to Beneficiary, during the time until this Deed of Trust is reconveyed to Trustor, all leases, subleases, rental agreements, occupancy agreements and licenses and rights in connection therewith, whether oral or written, and all guaranties and other supporting obligations relating thereto (each a "Lease", and collectively, the "Leases"), and all rents, profits, issues and income, both from services and occupation, royalties, revenues and payments, including prepayments and security deposits (collectively, the "Rents"), which are now or hereafter due or to be paid in connection with the Property, the improvements, the Fixtures, the Personal Property or the Leases. Until the occurrence of any Event of Default under this Deed of Trust or on any obligation secured hereby, Trustor shall have the right to collect and retain all rents, issues, royalties, income and profits of the Property. Upon the occurrence of any Event of Default under this Deed of Trust or on any obligation secured hereby, at the election of Beneficiary, the right of Trustor to collect and retain such rents, issues, royalties, income and profits shall cease and Beneficiary shall have the right, with or without taking possession of the Property, to collect and retain all such rents, issues, royalties, income and profits. Any sums so collected, after the deduction of all costs and expenses of operation and collection, including reasonable attorneys' fees and legal expenses, shall be applied toward the payment of the obligations secured by this Deed of Trust. Such right of collection shall obtain both before and after the exercise of the

power of sale provisions of this Deed of Trust, the foreclosure of this Deed of Trust and throughout any period of redemption.

Each new Lease shall be subordinate to this Deed of Trust. The Trustor shall, at its cost and expense, perform each obligation to be performed by the landlord under each Lease; not borrow against, pledge or further assign any Rents or other payments due thereunder; not subordinate any Lease to any other lien; and not permit any Tenant to assign its Lease or sublet the premises covered by its Lease, unless required to do so by the terms thereof and then only if such assignment does not work to relieve the Tenant of any liability for performance of its obligations thereunder. If any Tenant shall default under its Lease, the Trustor shall exercise sound business judgment consistent with management practices for properties similar to the improvements in the area in which the improvements are located with respect to such default. If the Trustor fails to perform any obligations of the Trustor under any Lease or if the Beneficiary becomes aware of or is notified by any Tenant of a failure on the part of the Trustor to so perform, the Beneficiary, after providing written notice thereof to the Trustor and allowing the Trustor a reasonable opportunity to remedy such failure, may, but shall not be obligated to, without waiving or releasing the Trustor from any obligation in this Deed of Trust or any of the other Loan Documents, remedy such failure, and the Trustor agrees to repay upon demand all sums incurred by the Beneficiary in remedying any such failure, together with interest thereon from the date incurred at the Default Rate.

The Trustor shall deliver to the Beneficiary following the occurrence of an Event of Default and receipt of a written request therefor from the Beneficiary, all security deposits or other security held by the Trustor under any Lease, which the Beneficiary shall then hold and disburse in accordance with the terms of the relevant Leases.

The assignment under this Section shall extend to and cover any and all extensions and renewals of existing and future Leases and to any and all present and future rights against guarantors of any such obligations and to any and all Rents collected under Leases or other rentals. This assignment is given to facilitate payment and performance of the Obligations. Neither any provision contained herein, nor Beneficiary's exercise of its right to collect Rents shall be, or be construed to be, an affirmation by Beneficiary of any Lease, sublease, option, or other interest in the Property, or an assumption of liability under, or a subordination of this Deed of Trust to, any Lease, sublease, option, or other interest in the Property. The Beneficiary shall not be obligated to perform or discharge any obligation, duty or liability under any Lease or under or by reason of this assignment, and the Trustor shall and does hereby agree to indemnify and to hold the Beneficiary harmless from any documented liability, loss or damage that it actually incurs under any Lease or under or by reason of this assignment and from any claims and demands whatsoever that may be asserted against it by reason of any alleged obligations or undertakings on the Beneficiary's part. Unless otherwise specified by the Beneficiary in writing, all existing and future Leases for the use or occupancy of all or any part of the Property shall be subordinate to the lien of this Deed of Trust. In pursuance of this assignment, and not in lieu hereof, the Trustor shall on demand give the Beneficiary separate specific assignments of Rents and Leases, covering some or all of the Leases, the terms of such assignments being incorporated herein by reference. The Beneficiary is hereby authorized to notify all lessees and Tenants of the Property of the existence of any and all such assignments. The Trustor hereby authorizes and directs the lessees and Tenants of the Property that, upon written notice from the Beneficiary, all

payments required under said Leases or in any way respecting the same, shall be made directly to the Beneficiary as they become due. The Trustor hereby relieves said purchasers, lessees and Tenants from any liability to the Trustor by reason of said payments being made to the Beneficiary. With or without exercising the rights set herein, the Beneficiary is authorized to give such written notice to Tenants at any time during the existence of an Event of Default hereunder.

The rights granted under this Section 19 shall in no way be dependent upon and shall apply without regard to whether all or a portion of the Property is in danger of being lost, removed, or materially injured, or whether the Property or any other security is adequate to discharge the obligations secured by this Deed of Trust. Beneficiary's failure or discontinuance at any time to collect any of such rents, issues, royalties, income and profits shall not in any manner affect the right, power, and authority of Beneficiary thereafter to collect the same.

Collection by Beneficiary of such rents, issues, royalties, income, and profits shall not cure or waive any Event of Default under this Deed of Trust.

Notwithstanding any other provision set forth herein or in the Loan Agreement or any other Loan Documents, the rights and obligations of Beneficiary and Trustor in connection with the assignment described in this Section 19 shall be governed by the Utah Uniform Assignment of Rents Act set forth in *Utah Code Ann. § 57-26-101 et seq.*, as amended from time to time.

20. Security Agreement; Financing Statements. Trustor hereby grants to Beneficiary a security interest in the Personal Property, wherever located, now owned or existing or hereafter acquired or created. This Deed of Trust constitutes and shall be deemed to be a "security agreement" for all purposes of the Uniform Commercial Code. Beneficiary shall be entitled to all the rights and remedies of a "secured party" under the Uniform Commercial Code. For purposes of the security interest or lien created hereby, Trustor is the "debtor".

Trustor hereby irrevocably authorizes Beneficiary at any time and from time to time to file or record in any filing office in any Uniform Commercial Code jurisdiction, or in any county recorder's office or other public office for recording of public land records, any initial financing statements and amendments thereto that (a) indicate the Personal Property: (i) as all assets of Trustor or words of similar effect, regardless of whether any particular asset comprised in the Personal Property falls within the scope of Article 9 of the Uniform Commercial Code, or (ii) as being of an equal or lesser scope or with greater detail, and (b) provide any other information required by Part 5 of Article 9 of the Uniform Commercial Code for the sufficiency or filing office acceptance of any financing statement or amendment, including (1) whether Trustor is an organization, the type of organization and any organization identification number issued to Trustor, and (2) in the case of a financing statement filed as a fixture filing or indicating Personal Property as as-extracted collateral or timber to be cut, a sufficient description of real property to which the Personal Property relates. Trustor agrees to furnish any such information to Beneficiary promptly upon request. Trustor also ratifies its authorization for Beneficiary to have filed in any Uniform Commercial Code jurisdiction any initial financing statements or amendments thereto if filed prior to the date hereof. Trustor hereby authorizes Beneficiary to file, record, or otherwise utilize such documents as it deems necessary to perfect and/or enforce any security interest or lien granted hereunder. Trustor acknowledges that it is not authorized to file

any financing statement or amendment or termination statement with respect to any financing statement without the prior written consent of Beneficiary and agrees that it will not do so without the prior written consent of Beneficiary, subject to Trustor's rights under Section 9-509(d)(2) of the Uniform Commercial Code. Trustor will pay the cost of recording and filing the same in all public offices wherever recording or filing is deemed by Beneficiary to be necessary or desirable.

Trustor represents and warrants to Beneficiary as follows: (i) Trustor's exact legal name is as indicated in the introductory paragraph hereof and on the signature page hereof, (ii) Trustor is an organization of the type and is organized in the jurisdiction set forth in the introductory paragraph hereof, and (iii) the address listed in the introductory paragraph hereof accurately sets forth Trustor's place of business or, if more than one, its chief executive office, as well as Trustor's mailing address, if different. Trustor covenants with Beneficiary as follows: (A) without providing at least 30 days' prior written notice to Beneficiary, Trustor will not change its name, its place of business or, if more than one, chief executive office, or its mailing address or organizational identification number if it has one, (B) if Trustor does not have an organizational identification number and later obtains one, Trustor shall forthwith notify Beneficiary of such organizational identification number, and (C) Trustor will not change its type of organization, jurisdiction of organization or other legal structure.

This Deed of Trust shall constitute a financing statement pursuant to *Utah Code* § 70A-9a-502, and shall be filed as a fixture filing in the Official Records of the County Register of the County in which the Property is located and covers goods which are or are to become fixtures on the Property.

21. Default. Time is of the essence of this Deed of Trust. The occurrence of any one of the following, shall constitute an event of default hereunder (an "Event of Default"):

- a. Any representation or warranty made by or on behalf of Trustor in this Deed of Trust is materially false or materially misleading when made;
- b. Trustor fails in the payment or performance of any obligation, covenant, agreement or liability created by or contemplated by this Deed of Trust or secured by this Deed of Trust; or
- c. An Event of Default (as defined in the Loan Agreement) occurs and continues beyond applicable notice and cure periods set forth therein.

22. If the foregoing (a) is susceptible of cure, then no Event of Default shall exist so long as Trustor cures said breach (i) within the earlier of thirty (30) days after (i) Trustor has knowledge of such breach or (ii) written notice from Beneficiary. No course of dealing or any delay or failure to assert any Event of Default shall constitute a waiver of that Event of Default or of any prior or subsequent Event of Default.

23. Notice of Default. Upon the occurrence of an Event of Default, Beneficiary may elect to have the Property sold in the manner provided herein and under applicable law. Beneficiary may execute or cause Trustee to execute a written notice of default and of election to cause the Property to be sold to satisfy the obligations secured hereby. Trustee shall file such

notice for record in the office of the county recorder of the county where the Property is located. Notwithstanding anything to the contrary in the foregoing, all procedures shall be conducted in compliance with applicable law.

24. Sale by Trustee Pursuant to Power of Sale. After the lapse of such time as may then be required by *Utah Code* § 57-1-24 or other applicable law following the recordation of the notice of default, and notice of default and notice of sale having been given as then required by *Utah Code* §§ 57-1-24 and 57-1-25 or other applicable law, Trustee, without demand on Trustor, shall sell the Property on the date and at the time and place designated in the notice of sale, either as a whole or in separate parcels in such order as Beneficiary may determine (but subject to any statutory right under *Utah Code* § 57-1-27 to direct the order in which the Property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale or on such other terms as are set forth in the notice of sale. The person conducting the sale may, for any cause deemed expedient, postpone the sale from time to time until it shall be completed. The postponement and notice of postponement shall be given as then required by law.

Beneficiary may bid at the sale and shall receive a credit on Beneficiary's bid up to the amount owing to Beneficiary secured by this Deed of Trust and as provided by law. Trustor agrees that (i) all default rate interest, late charges, prepayment premiums, breakage fees and other amounts owing under the Loan Documents, if any, in addition to amounts constituting principal and non-default interest, owing from time to time under the Loan Documents shall constitute a part of and be entitled to the benefits of Beneficiary's lien upon the Property, and (ii) Beneficiary may add all such amounts to the principal balance of the Promissory Note, and in either case Beneficiary may include all such amounts in any credit bid Beneficiary may make at a foreclosure sale of the Property pursuant to this Deed of Trust.

Trustee shall execute and deliver to the purchaser a Trustee's Deed, in accordance with *Utah Code* § 57-1-28, conveying the Property so sold, but without any covenant or warranty, express or implied. The recitals in the Trustee's Deed of any matters or facts shall constitute prima facie evidence of the truthfulness thereof and are conclusive evidence in favor of bona fide purchasers and encumbrances for value and without notice. Trustee shall apply the proceeds of the sale as follows:

First: To the costs and expenses of exercising the power of sale and of the sale, including the payment of Trustee's and attorneys' fees actually incurred not to exceed the amount which may be provided for in the trust deed.

Second: To payment of the obligations secured by this Deed of Trust.

Third: The balance, if any, to the person or persons legally entitled thereto to the proceeds, or Trustee, in Trustee's discretion, may deposit the balance of the proceeds with the clerk of the district court of the county in which the sale took place, in accordance with *Utah Code Annotated* § 57-1-29.

If the proceeds are deposited with the clerk of the district court, Trustee shall file an affidavit with the clerk setting forth the facts of the deposit and a list of all known claimants,

including known addresses. Upon depositing the balance and filing the affidavit, Trustee shall be discharged from all further responsibility and the clerk shall deposit the proceeds with the state treasurer subject to the order of the district court. Notwithstanding anything to the contrary in the foregoing, all procedures shall be conducted in compliance with applicable law.

In the event of any amendment to the provisions of *Utah Code* Title 57 or other provisions of *Utah Code* referenced in this Deed of Trust, this Deed of Trust shall, at the sole election of Beneficiary, be deemed amended to be consistent with such amendments or Beneficiary may elect not to give effect to such deemed amendments hereto if permitted by applicable law.

25. Surrender of Possession. If possession has not previously been surrendered by Trustor, Trustor shall surrender possession of the Property to the purchaser immediately after the Trustee's sale.

26. Foreclosure as a Mortgage. Beneficiary shall have the option to foreclose this Deed of Trust in the manner provided by law for the foreclosure of mortgages on real property and Beneficiary shall be entitled to recover in such proceedings all costs and expenses incidental thereto, including reasonable attorneys fees and legal expenses, in such amounts as shall be fixed by the court.

27. Receiver. If an Event of Default occurs, Beneficiary shall have the right, without regard to the then value of the Property or the interest of Trustor therein, upon notice to Trustor, to apply to any court having jurisdiction to appoint a receiver of the Property. Trustor hereby irrevocably consents to such appointment and further consents to and approves Beneficiary as such receiver. Any such receiver shall have all the usual powers and duties of a receiver, including the power to complete construction improvements, maintenance or development which may be in progress, and shall continue as such and exercise all such powers until completion of the sale of the Property or the foreclosure proceeding, unless the receivership is sooner terminated.

28. Possession of Property. Immediately upon or any time after the occurrence of any Event of Default hereunder, Beneficiary may enter and take possession of the Property without seeking or obtaining the appointment of a receiver, may employ a managing agent for the Property, and may complete the development and construction of all or any part of the Property, either in Beneficiary's name or in the name of Trustor.

29. Deficiency. Trustor agrees to pay any deficiency arising from any cause, to which Beneficiary may be entitled after applications of the proceeds of any trustee's sale, and Beneficiary may commence suit to collect such deficiency in accordance with *Utah Code* § 57-1-32 or other applicable law.

30. Reinstatement. If Trustor, Trustor's successor in interest or any other person having a subordinate lien or encumbrance of record on the Property, reinstates this Deed of Trust and the Obligations within three months of the recordation of a notice of default in accordance with *Utah Code* § 57-1-31(1), such party shall pay to Beneficiary the reasonable cancellation fee contemplated by *Utah Code* § 57-1-31(2), as determined by Beneficiary, in accordance with its

then current policies and procedures, whereupon Trustee shall record a notice of cancellation of the pending trustee's sale.

31. No Remedy Exclusive. The rights and remedies herein conferred are cumulative and not exclusive of any other rights and remedies and shall be in addition to every other right, power and remedy herein specifically granted or hereafter existing at law, in equity, or by statute which Trustee or Beneficiary might otherwise have, and any and all such rights and remedies may be exercised from time to time and as often and in such order as Trustee or Beneficiary may deem expedient. No delay or omission in the exercise of any such right, power or remedy or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver thereof or of any Event of Default or to be an acquiescence therein.

32. Due on Sale. If Trustor shall either sell, convey or transfer the Property, or any part thereof, without the prior written consent of Beneficiary, or be divested of title in any manner except by proceedings in eminent domain, whether voluntarily or involuntarily, the obligations secured by this Deed of Trust shall, at the option of Beneficiary and without demand or notice, immediately accelerate and become due and payable in full. If Beneficiary exercises this option to accelerate, Beneficiary shall give Trustor written notice of such acceleration. Such notice shall provide a period of not less than 30 days from the date the notice is given within which Trustor may pay the sums declared due. If Trustor fails to pay such sums within such period, Trustor shall be in default and Beneficiary may exercise its remedies hereunder.

33. Other Collateral/Cross-Collateralization. The obligations secured by this Deed of Trust may also be secured by other collateral not identified in this Deed of Trust. In accordance with the terms and conditions of the Loan Agreement, without limitation to any other right or remedy provided to Beneficiary and/or Trustee in this Deed of Trust or any of the other Loan Documents, Trustor acknowledges and agrees that, to the fullest extent permitted by applicable law, (i) upon the occurrence of an Event of Default, Beneficiary and Trustee shall have the right to pursue all of its rights and remedies in one proceeding, or separately and independently in separate proceedings which Beneficiary or Trustee, as applicable, in its sole and absolute discretion, shall determine from time to time; (ii) neither Beneficiary nor Trustee shall be required to either marshal assets, sell any collateral for the Obligations in any inverse order of alienation, or be subjected to any "one action" or "election of remedies" law or rule; (iii) the exercise by Beneficiary or Trustee of any remedies against any of the collateral for the Obligations shall not impede Beneficiary or Trustee from subsequently or simultaneously exercising remedies against the collateral for the Obligations; (iv) all liens and other rights, remedies and privileges provided to Beneficiary and Trustee in the Loan Documents or otherwise shall remain in full force and effect until each of Beneficiary and Trustee has exhausted all of its remedies against the collateral for the Obligations and all of the collateral for the Obligations has been foreclosed, sold and/or otherwise realized upon in satisfaction of the Obligations; and (v) the other portions of the Collateral shall remain as security for the performance of all Trustor's obligations hereunder and under any of the Loan Documents.

34. Attorneys Fees and Legal Expenses. Upon the occurrence of a Default or an Event of Default under this Deed of Trust, Trustor agrees to pay all reasonable attorneys fees and legal expenses incurred by or on behalf of Trustee and/or Beneficiary in enforcement of this Deed of

Trust, in exercising any rights and remedies arising from such Default or Event of Default, or otherwise related to such Default or Event of Default.

Regardless of default, Trustor agrees to pay all expenses, including reasonable attorneys fees and legal expenses, incurred by Trustee and/or Beneficiary in any bankruptcy proceedings in which Trustor is the debtor or the Property or any interest therein is property of the bankruptcy estate, including, without limitation, expenses incurred in modifying or lifting the automatic stay, assuming or rejecting leases, determining adequate protection, use of cash collateral, or relating to any plan of reorganization.

35. Indemnification. Trustor hereby agrees to indemnify Trustee and Beneficiary for all liabilities and damages (including contract, tort and equitable claims) which may be awarded against Trustee and Beneficiary, and for all reasonable attorneys fees, legal expenses and other expenses incurred in defending such claims, arising from or relating in any manner to the negotiation, execution or performance by Trustee or Beneficiary of this Deed of Trust (including all reasonable attorneys fees, legal expenses and other expenses incurred in defending any such claims brought by Trustor if Trustor does not prevail in such actions), other than for such liabilities and damages resulting from Trustee's or Beneficiary's gross negligence or willful misconduct and excluding only breach of contract by Trustee or Beneficiary. Trustee or Beneficiary shall have sole and complete control of the defense of any such claims and is hereby given authority to settle or otherwise compromise any such claims as Trustee or Beneficiary in good faith determines shall be in its best interests.

36. Notices. Any notice, demand, request or other communication which any party hereto may be required or may desire to give hereunder shall be in writing and shall be deemed to have been properly given (a) if hand delivered, when delivered; (b) if mailed by United States Certified Mail (postage prepaid, return receipt requested), three Business Days after mailing (c) if by Federal Express or other reliable overnight courier service, on the next Business Day after delivered to such courier service or (d) if by telecopier on the day of transmission so long as copy is sent on the same day by overnight courier as set forth below:

37. Actions by Trustee. At any time and from time to time upon written request of Beneficiary, payment of its fees and, in the case of full reconveyance, presentation of this Deed of Trust and the promissory note(s) secured hereby which are paid in full, without affecting the liability of any person for the payment of the indebtedness secured hereby, Trustee may (a) make a survey, map or plat of the Property; (b) join in granting any easement or creating any restriction on or relating to the Property; (c) join in any subordination or other agreement affecting this Deed of Trust which is authorized in writing by Beneficiary; and (d) reconvey, without warranty, all or any part of the Property upon written request of Beneficiary or as provided by law. The grantee in any reconveyance may be described as "the person or persons entitled thereto", and the recitals therein of any matters or facts shall constitute prima facie evidence and are conclusive evidence in favor of bona fide purchasers and encumbrances for value and without notice. Trustor agrees to pay reasonable Trustee's fees, including reasonable attorneys fees and legal expenses, for any of such services.

Notwithstanding anything to the contrary herein, Equity Investor shall have the right, but not the obligation, to cure any default or Event of Default under this Deed of Trust or the Loan Documents, pursuant to and in accordance with Section 10.3 of the Loan Agreement.

38. Substitution of Trustee. Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of the county where the Property is situated, with a copy thereof being provided to the persons required by *Utah Code* § 57-1-22 or any successor statute, shall be conclusive proof of proper substitution

of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed of Trust is recorded and the name and address of the new Trustee and all other information required by *Utah Code* § 57-1-22 or any successor statute.

39. Acceptance of Trust. Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party, unless brought by Trustee.

40. Request for Notice. Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to Trustor at the address for Trustor provided in Section 35.

41. Revival Clause. If the incurring of any debt by Trustor or the payment of any money or transfer of property to Beneficiary by or on behalf of Trustor or any guarantor should for any reason subsequently be determined to be “voidable” or “avoidable” in whole or in part within the meaning of any state or federal law (collectively “voidable transfers”), including, without limitation, fraudulent conveyances or preferential transfers under the United States Bankruptcy Code or any other federal or state law, and Beneficiary is required to repay or restore any voidable transfers or the amount or any portion thereof, or upon the advice of Beneficiary’s counsel is advised to do so, then, as to any such amount or property repaid or restored, including all reasonable costs, expenses, and attorneys fees of Beneficiary related thereto, the liability of Trustor and any guarantor, and each of them, and this Deed of Trust, shall automatically be revived, reinstated and restored and shall exist as though the voidable transfers had never been made.

42. Amendments; Waivers; Etc. This Deed of Trust cannot be modified, changed or discharged except by an agreement in writing, duly acknowledged in proper form for recording, signed by Trustor and Beneficiary.

43. General. This Deed of Trust shall be governed by and construed in accordance with the laws of the State of Utah.

All references in this Deed of Trust to the singular shall be deemed to include the plural and vice versa. References in the collective or conjunctive shall also include the disjunctive unless the context otherwise clearly requires a different interpretation.

All agreements, representations, warranties and covenants made by Trustor shall survive the execution and delivery of this Deed of Trust, the filing and consummation of any bankruptcy proceedings, and shall continue in effect so long as any obligation to Beneficiary secured by this Deed of Trust is outstanding and unpaid. All agreements, representations, warranties and covenants in this Deed of Trust shall bind the party making the same and its heirs and successors, and shall be to the benefit of and be enforceable by each party for whom made and their respective heirs, successors and assigns.
