EXHIBIT "B"

STATE SPECIFIC PROVISIONS

In the event of any conflict or inconsistency between the provisions of this Exhibit B and any other provisions in this Security Instrument, the provisions of this Exhibit B shall control.

- B-1. Obligation Secured. For purposes of Utah Code Annotated §§ 57-1-32 and 57-1-28, the total indebtedness secured by this Deed of Trust shall include all amounts payable by Trustor hereunder, including any increased rate of interest, any defeasance or prepayment payments or other amounts or obligations, all of which shall constitute "beneficiary's lien on the trust property."
- B-2. Assignment of Rents. Article 2 hereof is subject to the Utah Uniform Assignment of Rents Act, Utah Code Annotated, § 57-26-101 et seq. (the "Utah Act"), and in the event of any conflict or inconsistency between the provisions of Article 2 of this Deed of Trust and the provisions of the Utah Act, the provisions of the Utah Act shall control and Beneficiary shall have all rights and remedies available under the Utah Act which rights and remedies shall be cumulative with all rights and remedies hereunder.
- B-3. Utah Construction Registry.
- (a) Subject to Trustor's contest rights set forth in this Deed of Trust or the other Loan Documents, Trustor will pay prior to delinquency all bills for labor and materials incurred in connection with the Project and to prevent the fixing of any lien against any part of the Project, even if it is inferior to this Deed of Trust, for any such bill which may be legally due and payable. Upon Beneficiary's request, Borrower agrees to furnish due proof of such payment to Lender after payment and before delinquency.
 - (b) Trustor shall timely comply with all requirements of Title 38 Chapter 1a of Utah Code Annotated with regard to filings and notices. Trustor shall cause Beneficiary to be named as a person interested in receiving electronic notices of all filings with respect to the Project in the State Construction Registry in accordance with Utah Code Annotated § 38-1a-201. Trustor shall also provide to Beneficiary copies of all preliminary notices or other notices filed by any contractor, subcontractor or supplier with respect to the Project that are included in the State Construction Registry and/or received by Trustor.
 - (c) Trustor represents and warrants to Beneficiary that it or its title insurer has inspected the records of the State Construction Registry and that such inspection reveals no current filings of a preliminary notice or notice of retention filed by any lien claimant (whether a pre-construction lien or a construction lien) except as disclosed to Beneficiary by Trustor in writing or for which the Beneficiary's title insurer has provided affirmative coverage acceptable to Beneficiary. Trustor further represents and warrants that no mechanic's lien claim, notice of lien, lis pendens or similar filing has been filed in the State Construction Registry in any form prior to the date hereof with respect to the Project or recorded against the Project.
 - (d) If Beneficiary or its title insurer determines that a preliminary notice has been filed in the State Construction Registry prior to the time of the recording of this Deed of Trust, Trustor shall provide to Beneficiary written evidence acceptable to Beneficiary and its title insurer that the lien claimant has accepted payment in full for construction services that the claimant furnished pursuant

to Utah Code Annotated § 38-1a-503(2)(b) such that the priority for any pre-construction services lien or a construction services lien dates immediately after the recording of this Deed of Trust.

(e) Trustor shall cooperate with Beneficiary and any title insurer to facilitate the filing of a Notice of Construction Loan, as contemplated by Utah Code Annotated § 38-1a-601 in the State Construction Registry with respect to the financing secured hereby. The notice of construction loan will include the following information: Beneficiary's name, address and telephone number, Trustor's full legal name, the tax parcel identification number for each parcel included in the Project secured hereby, the address of the Project, and the county in which the Project is located.

(f) Intentionally Omitted.

(g) Trustor shall pay and promptly discharge prior to delinquency, at Trustor's cost and expense, all liens, encumbrances and charges upon the Project not permitted by the Loan Documents, or any part thereof or interest therein whether inferior or superior to this Deed of Trust and keep and maintain the same free from the claim of all persons supplying labor, services or materials that will be used in connection with or enter into the construction of any and all buildings now being erected or that hereafter may be erected on the Project regardless of by whom such services, labor or materials may have been contracted, provided, however, that Trustor shall have the right to contest any such claim or lien so long as Trustor previously records a notice of release of lien and substitution of alternate security as contemplated by Utah Code Annotated § 38-1a-804 and otherwise complies with the requirements of Utah Code Annotated § 38-1a-804 to release the Project from such lien or claim. Notwithstanding the foregoing, Trustor may (A) with the prior written consent of Beneficiary, contest the amount of any such lien or claim related to services, labor or materials in accordance with Utah Code Annotated § 38-1a-804(7) without previously recording a notice of release of lien and substitution of alternate security or (B) appropriately bond or reserve (in cash deposited with Beneficiary) for any such lien or claim, as determined in Beneficiary's reasonable discretion.

(h) If Trustor shall fail to remove and discharge any such lien, encumbrance or charge prior to delinquency, or if Trustor shall dispute the amount thereof in contravention of the requirements hereof, then, in addition to any other right or remedy of Beneficiary, Beneficiary may, but shall not be obligated to, discharge the same either by paying the amount claimed to be due or by procuring the release of the Project from the effect of such lien, encumbrance or charge by obtaining a bond in the name of and for the account Trustor of and recording a notice of release of lien and substitution of alternate security in the name of Trustor, each as contemplated by Utah Code Annotated § 38-1a-804 or other applicable law, or otherwise by giving security for such claim. Trustor shall, immediately upon demand therefor by Beneficiary, pay to Beneficiary an amount equal to all costs and expenses incurred by Beneficiary in connection with the exercise by Beneficiary of the foregoing right to discharge any such lien, encumbrance or charge, including costs of any bond or additional security, together with interest thereon from the date of such expenditure at the default rate set forth in the Note.

B-4. Personal Project. It is the express understanding and intent of the parties that as to any personal Project interests subject to Chapter 9a of the Uniform Commercial Code in effect in the State of Utah (the "UCC"), Beneficiary, upon an Event of Default, may to the extent permitted by applicable law, proceed under the UCC or may proceed as to both real and personal Project interests in accordance with the provisions of this Deed of Trust and its rights and remedies in respect of real Project, and treat both real and personal Project interests as one parcel or package of security as permitted by Utah Code Annotated § 70A-9a-601 or other applicable law, and further may sell any

shares of corporate stock evidencing water rights in accordance with Utah Code Annotated § 57-1-30 or other applicable law.

- B-5. Deficiency. Trustor agrees to pay any deficiency, arising from any cause, to which Beneficiary may be entitled after applications of the proceeds of any Trustee's sale, and Beneficiary may commence suit to collect such deficiency in accordance with Utah Code Annotated § 57-1-32 or other applicable law. To the extent Utah Code Annotated § 57-1-32, as now existing or hereafter amended, or any other statute requires that the "fair market value" or "fair value" of the Project be determined as of the foreclosure date in order to enforce a deficiency against Trustor or any other party liable for repayment of the Debt, the term "fair market value" or "fair value" shall include those matters required by law and the additional factors set forth below: (i) the Project shall be valued "as is" and "with all faults" and there shall be no assumption of restoration or refurbishment of Improvements, if any, after the date of the foreclosure; (ii) an offset to the fair market value or fair value of the Project, as determined hereunder, shall be made by deducting from such value the reasonable estimated closing costs related to the sale of the Project, including, but not limited to, brokerage commissions, title policy expenses, tax pro-rations, escrow fees, and other common charges that are incurred by the seller of real Project; and (iii) Trustor shall pay the costs of any appraisals and other expenses incurred in connection with any such determination of fair market value or fair value.
- B-6. Reinstatement. If Trustor, Trustor's successor in interest, or any other person having a subordinate lien or encumbrance of record on the Project, reinstates this Deed of Trust and the Loan within three (3) months of the recordation of a notice of default in accordance with Utah Code Annotated § 57-1-31(1), such party shall pay to Beneficiary the reasonable cancellation fee contemplated by Utah Code Annotated § 57-1-31(2), as delivered by Beneficiary, in accordance with its then current policies and procedures, whereupon Trustee shall record a notice of cancellation of the pending sale. Furthermore, in addition to any Trustor payment obligations under this Deed of Trust, Trustor shall pay all costs, fees and expenses incurred by Trustee and Trustee's agents and counsel for accountings and reinstatement quotes as may be required by Utah Code Annotated § 57-1-31.5 and all such costs, fees and expenses shall be secured by this Deed of Trust.
- B-7. Notice. Beneficiary hereby requests, pursuant to Utah Code Annotated § 57-1-26(3), a copy of any notice of default and that any notice of sale under any Deed of Trust or mortgage affecting the Project be mailed to it at the address set forth in preamble hereto.
- B-8. Project Status. Trustor represents and warrants to Beneficiary that (a) the Project is not used principally for agricultural purposes, and (b) the loan secured by this Deed of Trust was not made primarily for personal, family or household purposes.
- B-9. Sale by Beneficiary Pursuant to Power of Sale. In addition to Beneficiary's remedies set forth herein, Beneficiary may execute or cause Trustee to execute a written notice of default and of election to cause the Project, or any part thereof, to be sold to satisfy the debt owing under the Note, and Trustee shall file such notice for record in each county wherein the Project or some part or parcel thereof is situated. If Beneficiary invokes the power of sale, Trustee and Beneficiary shall take such action regarding notice of sale and shall give such notices to Trustor and to other persons as applicable law may require. After the lapse of such time as may then be required by Utah Code Annotated § 57-1-24 or other applicable law following the recordation of said notice of default, and notice of default and notice of sale having been given as then required by Utah Code Annotated § 57-1-25 and § 57-1-26 or other applicable law, Trustee, without demand on Trustor, shall sell such portion of the Project on the date and at the time and place designated in said notice of sale, in such order as Beneficiary may determine (but subject to Trustor's statutory right under Utah

Code Annotated § 57-1-27 to direct the order in which the Project, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause deemed expedient, postpone the sale from time to time until it shall be completed and, in every such case, notice of postponement shall be given by public declaration thereof by such person at the time and place last appointed for the sale; provided, if the sale is postponed for longer than forty-five (45) days beyond the date designated in the notice of sale, notice of the time, date, and place of sale shall be given in the same manner as the original notice of sale as required by Utah Code Annotated § 57-1-27. Trustee shall execute and deliver to the purchaser a deed, in accordance with Utah Code Annotated § 57-1-28, conveying said Project so sold without any covenant or warranty, express or implied. The recitals in the trustee's deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale. Trustee shall apply the proceeds of the sale in the following order: (i) to the costs and expenses of exercising the power of sale and of the sale, including the payment of Beneficiary's and attorneys' fees actually incurred not to exceed the amount which may be provided for in this Deed of Trust; (ii) to payment of the obligations secured in this Deed of Trust with interest at the applicable rate set forth in the Note; and (iii) to the balance, if any, to the person or persons legally entitled to the proceeds, or Trustee, in the Trustee's discretion, may deposit the balance of the proceeds with the clerk of the district court of the county in which the sale took place, in accordance with Utah Code Annotated § 57-1-29. In the event of exercise of the power of sale, or in the event of a sale under a judicial foreclosure of this Deed of Trust, Trustor agrees to surrender possession of the Project to the purchaser at said sale, immediately after said sale in the event such possession has not previously been surrendered by Trustor. Notwithstanding any other provision set forth herein, Beneficiary's rights and remedies shall be governed by applicable Utah statutes, laws, rules, and regulations, including, without limitation, the Utah Code Annotated, Title 57, Chapter 1, as amended and in effect from time to time.

- B-10. Amendments to Utah Code Annotated. In the event of any amendment to the provisions of Utah Code Annotated Title 57 or other provisions of Utah Code Annotated referenced in this Deed of Trust, this Deed of Trust shall, at the sole election of Beneficiary, be deemed amended to be consistent with such amendments or Beneficiary may elect not to give effect to such deemed amendments hereto if permitted by applicable law.
- B-11. Obligations of Environmental Indemnity. Notwithstanding anything to the contrary set forth herein or any of the Loan Documents, this Deed of Trust shall not secure the obligations evidenced by or arising under any environmental indemnity made by Trustor or any guarantor with respect to the Project.
- B-12. Additional Waivers. Trustor knowingly waives, to the fullest extent permitted by applicable law, the rights, protections and benefits afforded to Trustor under Utah Code Annotated § 78B-6-901 (formerly Utah Code Annotated § 78-37-1) and Utah Code Annotated § 57-1-32 and any successor or replacement statute or any similar laws or benefits.
- B-13. ORAL AGREEMENTS. PURSUANT TO UTAH CODE ANNOTATED SECTION 25-5-4, TRUSTOR IS HEREBY NOTIFIED THAT THE WRITTEN LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF ANY ALLEGED PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENT OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN THE PARTIES.

- B-14. Receiver. In addition to any other rights provided for in this Deed of Trust, Beneficiary may appoint a receiver as and when provided in the Utah Uniform Commercial Real Estate Receivership Act, Utah Code Annotated § 78B-21-101 et seq.
