**DECLARATION OF
COVENANTS, CONDITIONS AND RESTRICTIONS
FARM RIDGE ESTATES**

THIS DECLARATION is made this ^{29th May} ~~1st of June~~ 1996, by KEHL HOMES, INC., and M. Kent Foote, hereinafter referred to as "Declarant."

WHEREAS, the undersigned being the owners of the following described real property located in the Salt Lake County, State of Utah, more particularly described as follows:

All of Lots 1 through 25 FARM RIDGE ESTATES, according to the official plat as filed with the Salt Lake County Recorder in Salt Lake County, Utah.

Whereas, declarant intends that each and every lot, together with the common easements, shall hereafter be subject to the conditions herein declared:

**ARTICLE I
ARCHITECTURAL CONTROL**

SECTION 1. The Architectural Control Committee shall be composed of Dale A. Kehl and M. Kent Foote. The committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining member of the committee shall have full authority to select a successor. Neither members of the committee, nor its designated representative shall be entitled to any compensation for services performed to this covenant.

SECTION 2. The Committee's approval or disapproval as required in these covenants shall be in writing. The Owner must submit a set of formal plans, specifications and site plan to the Committee before the review process can commence. In the event the Committee or its designated representative fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, approval will not be required and the related covenants shall be deemed to have been fully complied with.

SECTION 3. All fences must meet Salt Lake County codes. No side boundary walls and/or fence shall be constructed with a height of more than (8) feet. No wall and/or fence of any height shall be constructed on any Lot until after the height, type, design and approximate location thereof shall have been approved in writing by the Architectural Control Committee. The height or elevation of any wall shall be measured from the existing elevations of the property at or along the applicable points or lines. Any questions as to such height shall be completely determined by the Committee. Walls and/or fences shall be constructed as to the harmony of external design and location in relations to surrounding structures and topography by the Architectural Control Committee. All fence material shall be white vinyl, or approved alternate, installed by a licensed contractor.

ARTICLE II**RESIDENTIAL AREA COVENANTS**

SECTION 1. No Lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any Lot other than one detached single-family dwelling not to exceed two stories in height and must include an attached garage for not less than two vehicles. All construction to be of new materials as stated in Section 3, except that used brick may be used with prior written approval of the Architectural Control Committee.

SECTION 2. DWELLING QUALITY AND SIZE: No dwelling shall be permitted on any Lot at a cost less than \$100,000.00, exclusive of Lot cost, based upon cost levels prevailing on the date these covenants are recorded, it being the intention and purpose of the covenants to assure that all dwellings shall be of a quality or workmanship and materials substantially the same or better than that which can be produced on the date these covenants are recorded at the minimum cost stated herein for the minimum permitted dwelling size.

The requirements below are exclusive of open porches and garages:

Ramblers: Shall not have less than 2000 finished square feet on main level.
Ramblers are to have full basements.

Multi-Levels: Shall have not less than 2500 finished square feet; excluding basement.

SECTION 3. DWELLING EXTERIOR:

1. There shall be no more than two dwellings of the same style in a sequence throughout the subdivision.
2. Each dwelling must have a masonry exterior with all brick, or brick and stucco, or rock and stucco (except that fascia and soffit may be aluminum.) All stucco work must include some popout detail.

SECTION 4. CITY ORDINANCES: All improvements on a Lot shall be made, constructed and maintained and all activities on a Lot shall be undertaken, in conformity with all laws and ordinance; of the Salt Lake County, and the State of Utah which may apply including without limiting the generality of the foregoing, all zoning and land use ordinances.

BK 7410PG0772

SECTION 5. EASEMENTS: Easement for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded plat. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in easements.

SECTION 6. NUISANCES: No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the neighborhood. No motor vehicles of any type shall be parked or permitted to remain on the streets or on the property unless they are in running condition, properly licensed and being regularly used. Until a building permit is obtained and construction begins, no objects of any kind shall be stored or kept on any Lot. Nor shall any vegetation, except trees be allowed to exceed one foot in height.

SECTION 7. TEMPORARY STRUCTURES: No structures of a temporary character, ie: trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any Lot at any time as a residence, either temporarily or permanently.

SECTION 8. GARBAGE AND REFUSE DISPOSAL: No Lot shall be used or maintained a dumping ground for rubbish, trash, garbage or other waste shall not be kept except in sanitary containers.

SECTION 9. CONSTRUCTION: During construction, no materials or other items shall be placed outside of the Lot line. All litter and garbage shall be hauled off or contained at the end of each day. Any mud or debris tracked on the street shall be cleaned off by the end of the working day. No heavy trucks or equipment shall cross the City curb unless the curb is adequately bridged. Any broken curb shall be replaced by the Lot owner.

SECTION 10. LANDSCAPING: All front and side yards must be landscaped within one year after dwelling is occupied. Rear yards must be landscaped within two years of occupancy of dwelling. All park strips must be planted in grass and lined with Emerald Queen Maple Trees (or equivalent), planted approximately thirty feet apart. The trees shall be one and one-half to two inch caliper in size and shall be directed by the Architectural Control Committee.
