REQUEST: PACIFICORP

PARCEL I.D. # PP-62, PP-53, PP-81-67, PP-62-D-1

CORRECTION RIGHT OF WAY EASEMENT

FOR VALUE RECEIVED, PROPERTY RESERVE, INC., a Utah not for profit corporation, "GRANTOR", hereby grants (without warranties of any kind) to PACIFICORP, an Oregon corporation, its successors and assigns, "GRANTEE" a non-exclusive easement and right-of-way 10 feet in width for the purpose of constructing underground electric power distribution and communication lines including the right and privilege at any time and from time to time to enter on said right-of-way to maintain, repair, relocate, replace, enlarge, and remove underground cables, wires, fibers, and other conductors and conduits therefore, and pads, transformers, switches, vaults and cabinets and all appurtenances thereto for the distribution of underground electric energy and for communication purposes, and including the right and privilege at any time and from time to time to access said right-of-way, as may be necessary, from adjacent lands of Grantor; said right-of-way easement being along, across and under the following lands in the County of Summit and the State of Utah, to wit:

A ten (10) foot wide strip of land, being 5.00 feet on each side of a survey line, being part of the South $\frac{1}{2}$ of the Southeast $\frac{1}{4}$ of Section 24, Township 1 South, Range 3 East, Salt Lake Base & Meridian, being more particularly described as follows:

Beginning at a point on an east boundary fence of the Grantor's land, said boundary fence also being the west boundary fence of the Grantee's Snyderville Substation, said point being North, 460.00 feet, more or less, and West, 256.00 feet, more or less from the Southeast corner of said Section 24, said point also lying within an existing transmission line easement to Grantee; thence underground South $86^{\circ}29'00''$ West, 538.00 feet; thence South $1^{\circ}25'00''$ West, 10.00 feet, more or less, to the southerly line of the existing transmission line easement; thence continuing South $1^{\circ}25'00''$ West, parallel to the East line of said Grantor's land, 405.00 feet, more or less, to a point 5.00 feet North of the South line of said Grantor's land; thence North $89^{\circ}38'00''$ West, parallel with the South line of said Grantor's land, 843.00 feet, more or less to a point on the West line of said Grantor's land.

ALSO: A ten (10) foot wide strip of land being 5.00 feet on each side of a survey line, being part of the East $\frac{1}{2}$ of the Southeast $\frac{1}{4}$ of Section 24, Township 1 South, Range 3 East, Salt Lake Base & Meridian, being more particularly described as follows:

BK1503 PG1568

Beginning in the above described survey line on the Grantor's land at a point North, 427.00 feet, more or less and West, 794.00 feet, more or less from the Southeast corner of said Section 24, said point also being within an existing transmission line easement of the Grantee, thence underground South 86°29'00" West, 292.00 feet, more or less; thence North 12°08'00" West, 549.00 feet, more or less; thence North 8°33'00" East, 142.00 feet, more or less, to a point on the easterly easement line of the existing transmission line easement; thence continuing North 8°33'00" East, 77.00 feet, more or less; **thence North 15°12'00" East, 275.00 feet, more or less; thence North 22°49'00" East, 91.00 feet, more or less;** thence North 34°13'00" East, 185.00 feet, more or less; thence North 39°39'00" East, 219.00 feet, more or less; thence North 54°47'00" East, 255.00 feet, more or less; thence North 65°37'00" East, 230.00 feet, more or less; thence North 73°32'00" East, 412.00 feet, more or less, to a point on the East line of said Section 24, said point being North, 2193.00 feet, more or less along said East line of said Section 24, from the Southeast corner of said Section 24.

At no time shall Grantor place or permit to be placed building structures of any kind within the aforesaid right-of-way. However, the surface of the right-of-way may be used for any purposes not inconsistent with the purposes for which this easement has been granted and Grantee shall repair at its expense any damage done by Grantee or third party contractors which Grantee employs, to fences or landscaping on the right-of-way.

The rights and obligations of Grantor and Grantee shall be binding upon and shall benefit their respective heirs, successors and assigns; and this easement shall terminate if and when Grantee shall have abandoned all use of the right-of-way and no longer has any future need therefore.

The purpose of this document is to correct the legal description by inserting the two **bolded** calls which had been inadvertently omitted in the original document dated August 6, 2001 and recorded in the Summit County Recorders Office as Document No. 00596295 in Book 01389 at Pages 01330-01332 on August 21, 2001. This corrected easement will also replace the said original easement.

IN WITNESS WHEREOF, PROPERTY RESERVE, INC., a Utah not for profit corporation has caused these presents to be signed by its President this 6th day of November 2002.

GRANTOR:

PROPERTY RESERVE, INC.
