The address of any Owner shall be deemed to be the address of the Unit owned by such person unless the Committee is otherwise advised in writing.

18. Capital Improvements. All expenses for capital improvements shall be governed by and subject to the following conditions, limitations and restrictions:

a) Committee Discretion/Expenditure Limit. Any capital improvement to the Project for which sufficient funds are already on deposit in the reserve account or which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Management Committee alone (the "Capital Improvement Ceiling").

b) Homeowner Approval/Expenditure Limit. Any capital improvement, the cost of which will exceed the Capital Improvement Ceiling (unless sufficient funds are already on deposit in the reserve account), must, prior to the commencement of construction, be authorized by at least a majority of the percentage of undivided ownership interest in the Common Area.

c) Homeowner Approval/Changing the Nature of the Project. Any capital improvement which would materially alter the nature of the Project must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the undivided ownership interest in the Common Areas.

b) Neglect. If the Committee determines that any Owner has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of items for which he is responsible hereunder; or that the need for maintenance, repair, or replacement of the Common Area is caused through the willful or negligent act of any Owner, his family, guests, lessees, or invitees, and it is not covered or paid by insurance, in whole or in part, then the Association may, but is not obligated to, provide such maintenance, repair or

replacement at the Owner's sole cost and expense, subject to the following:

d) Landscaping. All landscaping in the Project shall be maintained and cared for in a manner consistent with the standards of design and quality originally established by Declarant and in accordance with Community Standards. Specific written guidelines, standards, controls, and restrictions on landscaping may be adopted or amended by the Committee from time to time. All landscaping shall be maintained in a neat and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be neatly trimmed. In a word, all landscaping shall be tasteful, so as not to affect adversely the value or use of any other Unit, or

20. Common Area Expenses. Each Owner shall pay his Common Area Assessments subject to and in accordance with the procedures set forth below.

a) Declarant. Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Common Area Assessments on any Units owned by it until such time as: (1) the physical structures are substantially completed; (2) certificates of permanent occupancy are issued and the Units are sold or rented; or (3) Declarant elects in writing to pay the Assessments, whichever first occurs.

b) Purpose of Common Area Expenses. The Common Area Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Committee.

c) Creation of Common Area Assessments. Since the Common Area Assessments shall pay for the common expenses of the Association, as shall be determined by the Management Committee from time to time, each Owner, by acceptance of a deed to a Unit, whether or not it shall be so expressed in such deed, covenants and agrees

Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

e) Apportionment. The common profits of the Project shall be distributed among and the common expenses shall be charged to the Unit Owners according to their respective percentage of or fractional undivided interest in the Common Area.

f) Approval of Budget and Assessments. The proposed Budget and the Common Area Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a majority of the percentage of ownership interest in the Common Areas. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Common Area Assessments or the Management Committee fails for any reason to establish the Budget and Common Area Assessments for the succeeding year, then and until such time as a new budget and new Common Area Assessment schedule shall have been established, the Budget and the Common Area Assessments in affect for the then current year shall continue for the succeeding year.

g) Payment of Common Area Assessments. The Management Committee has the sole authority and discretion to determine how and

when the annual Common Area Assessments are paid.

h) Personal Obligation of Owner. Owners are liable to pay all Common Area Assessments assessed and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under a uniform real estate contract, land sales contract, or other similar instrument), who obtains title to a Unit pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Common Area Assessments which accrued prior to the acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: (1) the Owner of both the legal and equitable interest in any Unit; (2) the owner of record in the offices of the County Recorder of Salt Lake County, Utah; and (3) both the Buyer and Seller under any executory sales contract or other similar instrument.

If the aggregate of all monthly payments on all of the Units is too large or too small as a result of unanticipated income or expenses, the Committee may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the percentage of ownership interest in the Common Area, not greater than fifteen (15%) percent of the Common Area Assessment in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

j) Dates and Manner of Payments. The dates and manner of payment shall be determined by the Committee.

k) Reserve Account. The Committee shall establish and maintain a reserve account to pay for unexpected operating expenses and capital improvements. The reserve account shall be funded out of regular Common Area Assessments and the contributions from the Working Capital Fund.

l) Capital Improvement Table. The Committee shall establish and update at least annually a Capital Improvement Table which shall list each major capital improvement in the Project (e.g. roofs, roads, clubhouse, swimming pool, tennis court, playground and water retention area, recreational amenities, etc.), each item's expected useful life, the present cost of replacement, the estimated cost to replace the item at the end of its useful life, the percentage and amount of the Common Area Assessment currently set aside in the reserve account to replace the item at the end of its useful life, and the amount of money currently set aside in the reserve account for the replacement of the item.

m) Acceleration. Common Area Assessments shall be paid in the manner and on dates fixed by the Committee who may, at its option and in its sole discretion, elect to accelerate the entire annual Common Area Assessment for delinquent Owners. If, however,

the Common Area Assessment is accelerated and an Owner subsequently files bankruptcy or the Committee otherwise decides acceleration is not in its best interest, the committee, at its option and in its sole discretion, may elect to de-accelerate the obligation.

n) Statement of Common Area Assessments Due. Upon written request, the Committee shall furnish to any Owner a statement of Common Area Assessments due, if any, on his Unit. Failure to provide the certificate within ten (10) days after a written request, shall be deemed conclusive evidence that all Common Area Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.

o) Superiority of Common Area Assessments. All Common Area Assessments and liens created to secure the obligation to pay Common Area Assessments are superior to any homestead exemptions to which an Owner may be entitled.

p) Termination of Right to Use Amenities for Non-Payment. At the discretion of the Committee, the right to use any amenities in the Project, including but not limited to the clubhouse, swimming pool, tennis court, recreational amenities, and playground and water retention area may be terminated if the Owner is in arrears on his obligation to pay Common Area Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

q) Suspension of Right to Vote for Non-Payment. At the discretion of the Committee, the right of an Owner to vote on issues concerning the Association may be suspended if the Owner is delinquent in the payment of his Common Area Assessments, and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

21. Special Assessments. The Association may levy special assessments in any year, subject to the following:

a). Committee Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100s Dollars (\$500.00) (the "Special Assessment Limit") per Unit in any one fiscal year, the Committee may impose the special assessment without any additional approval.

b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Committee in its discretion may allow any special assessment to be paid in installments.

22. Specific Assessments. If the Unit Owners have the choice to accept or reject the benefit, and it is not a regular maintenance

item, the Management Committee may as, in its discretion, it shall deem necessary or appropriate, subject to the following:

(1) Benefit only To Specific Unit. If the expense benefits less than all of the Units, then those Units benefitted may be specifically assessed, and the specific assessment shall be equitably apportioned among those Units according to the benefit received.

(2) Unequal or Disproportionate Benefit. If the expense benefits all Units, but does not provide an equal benefit to all Units, then all Units shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Units according to the benefit received.

Failure of the Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.

23. Individual Assessments. Individual Assessments may be levied by the Management Committee against a Unit and its Owner to reimburse the Association for:

a) service fees and administrative costs incurred in enforcing the Project Documents;

b) costs associated with the maintenance, repair or replacement of Common Area for which the Unit Owner is responsible;

c) any other charge, fee, due, expense, or cost designated as an Individual Assessment in the Project Documents; and

d) attorneys' fees, interest, and other charges relating thereto as provided in this Declaration.

24. Collection of Common Area Assessments. Since it is important that all Owners pay their Common Area Assessments in a timely manner, the Assessments shall be collected as follows:

a) Delinquent Assessments. Any Common Area Assessments which are not paid when due are delinquent and a lien to secure the obligation shall attach to the Unit automatically, regardless of whether a notice is recorded.

b) Late Assessments and Accruing Interest. Any Common Area Assessments delinquent for a period of more than ten (10) days shall incur a late charge of Twenty-Five Dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater.

Simple interest at the rate of One and  $\frac{1}{2}$  percent (1.5%) per month shall accrue on all delinquent accounts. The Committee may, in its sole discretion, waive late fees and accruing interest but is not required to do so.

c) Notice of Delinquency. The Association shall give a written notice of delinquency to any Owner who has not paid his Common Area Assessments in a timely manner and the opportunity to cure the default.

d) Notice of Lien. If the Common Area Assessments are not paid in a timely manner, and no satisfactory arrangements have been made to pay the debt, a notice of lien evidencing the unpaid amounts, accruing Assessments, and any other Additional Charges permitted by law should be filed in the office of the County Recorder. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all other Owners. It may be executed by the Association's attorney, manager, any Committee Member, or other designated agent.

e) Foreclosure of Lien and/or Collection Action. If the Common Area Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due and/or to foreclose the lien.

f) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

g) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Common Area Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Unit.

h) Duty to Pay Independent. No reduction or abatement of Common Area Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or committee under this Declaration or the By Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Common Area Assessments being a separate and independent covenant on the part of each Owner.

g) Application of Payments. All payments shall be applied as follows: Additional Charges, Delinquent Common Area

Assessments and Current Common Area Assessments.

h) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Common Area Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the same.

i) Appointment of Trustee. If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

j) Attorney in Fact. Each Owner by accepting a deed to a Unit hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Unit, if the Unit is rented and Owner is delinquent in his Common Area Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Common Area Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

25. Liability of Management Committee. The Association shall indemnify every officer and member of the Committee against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Committee) to which he or she may be a party by reason of being or having been an officer or member of the Committee. The officers and members of the Committee shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Committee shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the

Association (except to the extent that such officers or members of the Committee may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Committee free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Committee, or former officer or member of the Committee, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

26. Insurance. The Management Committee shall at all times purchase, maintain in force, and pay the premiums for, if reasonably available, insurance on the Common Areas satisfying at least the following requirements:

a) Property Insurance. Blanket property insurance using the standard "Special" or "All-Risk" building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term "casualty insurance" shall not mean or refer to "earthquake" or other special risks not included in the standard condominium casualty policy. This additional coverage may be added by the Committee as it deems necessary in its best judgment and in its sole discretion.

b) Flood Insurance. If the property is or comes to be situated in an area having special flood hazards and for which flood insurance has been made available under the National Flood Insurance Program ("NFIP"), or any successor program, a policy of flood insurance shall be maintained covering the property in an amount deemed appropriate, but not less than the lesser of: (1) the maximum limit of coverage available under NFIP for Insurable Property within a designated flood hazard area; or (2) one hundred percent (100%) of current replacement cost of the Insurable Property. Such policy shall be in a form which meets the criteria set forth in the most current Guidelines on the subject issued by the Federal Insurance Administrator.

c) Liability Insurance. Liability insurance with adequate limits of liability for bodily injury and property damage. If possible, the policy should be written on the comprehensive form and shall include not-owned and hired automobile liability protection.

d) Director's and Officer's Insurance. Adequate director's and officer's liability insurance (aka Errors and Omissions or E & O insurance).

e) Fidelity Bond. A separate fidelity bond in a reasonable amount to be determined by the Management Committee to

cover all non-compensated officers as well as all employees for theft of Association funds, subject to the following:

(1) Agents. Furthermore, where the Committee or the Association has delegated some or all of the responsibility for the handling of funds to a management agent, such bonds are required for the management agent's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Committee or the Association.

(2) Amount of Coverage. The total amount of fidelity bond coverage required shall be based upon the Committee's best business judgment, but shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Committee, the Association, or the management agent, as the case may be, at any given time during the term of each bond. Nevertheless, in no event may the amount of such bonds be less than a sum equal to three (3) months' aggregate assessments on all Units, plus reserve funds.

(3) Quality of Coverage. The bonds required shall meet the following additional requirements:

a. they shall name the Committee, the Owners Association, and the Property Manager as obligee;

b. if the insurance contract or bond excludes coverage for damages caused by persons serving without compensation, and may use that exclusion as a defense or reason not to pay a claim, the insurance company shall, if possible, be required to waive that exclusion or defense;

c. the premiums on all bonds required herein for the Committee and the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Committee or the Association as part of the Common Expenses; and

d. the bonds shall provide that they may not be canceled or substantially modified, including cancellation for nonpayment of premium, without at least ten days' prior written notice to the Committee and the Association, to any Insurance Trustee, and to each service of loans on behalf of any Mortgagee, the VA, FHA and FNMA.

f) Earthquake Insurance shall not be required unless requested by a least Seventy five percent (75%) of the Members of the Association.

g) Miscellaneous Items. The following provisions shall apply to all insurance coverage:

(1) The Insured. The name of the insured under each policy required to be maintained hereby shall be set forth therein substantially as follows: "Association of Unit Owners of the Jefferson Place, a Condominium Project, for the use and benefit of the individual Owners."

(2) Designated Representative. The Association may designate an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners.

(3) Beneficiary. In any policy covering the entire Project, each Owner and his Mortgagee, if any, shall be beneficiaries of the policy in an amount equal to the Owner's percentage of undivided ownership interest in the Common Areas and Facilities.

(4) Certificate of Insurance. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

(5) Mortgage Provisions. Each policy shall contain a standard mortgage clause or its equivalent and shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each Mortgagee.

(6) Waiver of Subrogation. Each policy shall contain a waiver of the right of a subrogation against Owners individually;

(7) Individual Neglect. Each policy shall contain a provision that the insurance is not prejudiced by any act or neglect of any individual Owner; and

(8) Deductible. The deductible on a claim made against the Association's liability insurance policy shall be paid by the party who would be liable for the loss, damage, claim or repair in the absence of insurance, and in the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. Provided, however, if the loss is caused by an act of god or nature, or by an element beyond the control of the Association, then the Owner shall be responsible for and shall pay the deductible.

(9) Individual Insurance. No Owner shall be entitled to exercise his right to maintain insurance coverage in such a way as to decrease the amount which the Association, on behalf of all the Owners and their mortgagees, may realize under any insurance policy which the Association may have in force on

the Property at any particular time.

(10) Primary Coverage. Anything to the contrary notwithstanding, the insurance coverage of an Owner shall, in the event the Association also has insurance covering the loss, be primary and the insurance of the Association shall be secondary.

(11) Prompt Repair. Each Owner further covenants and agrees that in the event of any partial loss, damage or destruction of his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction.

(12) Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed to repair promptly and reasonably the damages. Any excess proceeds shall be paid and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

(13) Special Endorsements. Each policy shall also contain or provide those endorsements commonly purchased by other Condominium Homeowners Associations in Salt Lake County, Utah.

(14) Quality of Insurance Carrier. Each insurance policy required hereby shall be written by an insurance carrier licensed to transact business in the State of Utah and who has the highest rating by Best's Key Rating Guide.

(15) Restrictions on Policies. No such insurance policy shall be maintained where:

a. Individual Assessments Prohibited. Under the term of the carrier's charter, By-Laws, or policy, contributions may be required from, or assessments may be made against, an Owner, a borrower, a Mortgagee, the Management Committee, the Association, FNMA, or the designee of FNMA.

b. Payments Contingent. By the terms of the Declaration, By-Laws, or policy, payments are contingent upon action by the carrier's board of directors, policyholder, or member; or

c. Mortgagee Limitation Provisions. The policy includes any limited clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Committee, the Association, an Owner, FNMA, or the borrowers) from collecting insurance proceeds.

(16) Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association,

Committee or Owners to obtain and maintain insurance coverage, in addition to any insurance coverage required hereunder, in such amounts and in such forms as the Management Committee or Association may deem appropriate from time to time.

27. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

a) Definitions. Each of the following terms shall have the meaning indicated:

(1) "Substantial Destruction" shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(2) "Partial Destruction" shall mean any other damage or destruction to the Project or any part thereof.

(3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of restoration over the funds available is Twenty five (25%) percent or more of the estimated restored value of the Project.

(4) "Partial Condemnation" shall mean any other such taken by eminent domain or grant or conveyance in lieu thereof.

(5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(6) "Partial Obsolescence" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

(7) "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(8) "Estimated Cost of Restoration" shall mean the estimated costs of restoring the Project to its former condition.

(9) "Available Funds" shall mean any proceeds of

insurance, condemnation awards, payments in lieu of condemnation, and any uncommitted funds of the Management Committee or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee, or that portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Unit in which they are interested.

b) Determination by Committee. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Committee shall make a determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

c) Restoration of the Project. Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction. Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven percent of the Project's undivided Ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Units which have appurtenant at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

d) Notices of Destruction or Obsolescence. Within thirty (30) days after the Committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

e) Excess Insurance. In the event insurance proceeds condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective

undivided interests in the Common Areas. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

f) Inadequate Insurance. If the cost of Restoration exceeds Available Funds, the Management Committee may elect to make a special assessment in accordance with Article III, Section 21 above to pay for the deficiency.

g) Reallocation in Event of Partial Restoration. In the event that all or any portion of one or more Units will not be the subject of Restoration (even though the Project will continue as a condominium project) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided Ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Units.

h) Sale of Project. Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, condominium Ownership under this Declaration and the Survey map shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

i) Authority of Committee to Represent Owners in Condemnation or to Restore or Sell. The Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

j) Settlement Proceeds. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear.

k) Restoration Power. The Committee, as attorney-in-fact for each Owner, shall have and is hereby granted full power and authority to restore or to sell the Project and each Unit therein whenever Restoration or sale, as the case may be, is undertaken as hereinabove provided.

l) Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

28. Consent in Lieu of Vote. In any case in which this

Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold the required percentages, subject to the following conditions:

a) Ninety-Day Limit. All necessary consents must be obtained prior to the expiration of ninety (90) days from the time the first written consent is obtained; and

b) Change In Ownership. Any change in Ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose.

29. Mortgagee Protection. The lien or claim against a Unit for unpaid Common Area Assessments levied by the Management Committee or by the Association pursuant to this Declaration or the Act shall be subordinate to any Mortgage recorded on or before the date such Common Area Assessments become due, subject to the following:

a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Unit for such unpaid Common Area Assessments shall not be affected by any sale or transfer of such Unit, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Unit or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Common Area Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Unit from liability for, nor such Unit the lien of any Common Area Assessments becoming due thereafter.

b) Books and Records Available for Inspection. The Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, By-Laws, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Committee and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable

time following such request.

d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee shall provide, or be deemed to provide hereby, that:

(1) either party may terminate the contract with cause upon at least thirty (30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than one (1) year.

e) Eligible Mortgagee Designation. Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Unit Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Common Area Assessments owed by an Owner of a Unit subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Committee or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

30. Amendment. Anything to the contrary notwithstanding, prior to the occurrence of the Events, the Association may not amend the Declaration or Survey Map without the prior written approval of the Secretary of the Veterans Affairs. After the occurrence of the Events, the affirmative vote of at least sixty seven percent (67%) of the undivided ownership interest in the Common Areas shall be required and shall be sufficient to amend

the Declaration or the Record of Survey Map. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Committee shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained.

The foregoing right of amendment shall, however, be subject to the following:

a) Consent of Eligible Mortgagee. The consent of Eligible Mortgagees holding at least sixty seven percent (67%) of the undivided ownership interest in the Common Areas and shall be required to any amendment which would terminate the legal status of the Project; and the consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Survey Map which establishes, provides for, governs, or regulates any of the following:

- (1) voting;
- (2) assessments, assessment liens, or subordination of liens;
- (3) reserves for maintenance, repair, and replacement of the Common Areas;
- (4) insurance or fidelity bonds;
- (5) limitations and restrictions on the right to use of the Common Areas;
- (6) responsibility for maintenance and repair of the several portions of the Project;

- (11) express benefits or rights of Mortgagees, Eligible Mortgagees, or Eligible Insurers or Guarantors; and

(12) the requirement that the Project be professionally managed rather than self managed.

Any addition or amendment shall not be considered material for purposes of this section if it is for the clarification only or to correct a clerical error.

Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Survey Map is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association.

Except for the Secretary of Veterans Affairs, any Eligible Mortgagee who does not deliver to the Management Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal.

The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Survey Map or the termination of the legal status of the Project as a condominium if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

31. Notice and Hearing. In the event of a claimed violation of the Act, Declaration, By-Laws or administrative rules and regulations as they may be adopted by the Committee from time to time governing the Project, an Owner or Resident shall be entitled to the following:

a) Notice. Written notice specifying the nature of the alleged violation (providing any other appropriate information) and stating the time, date, and place at which the Owner or Resident will have an opportunity to be heard by the Committee. Written notice shall be given at least fifteen (15) days prior to and no longer than thirty (30) days before the date set for the hearing. The notice may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after it has been deposited with the U.S. Postal Service, regular mail, postage prepaid, addressed to the Owner or Resident at the address given by the member to the Committee for the purpose of service of notice, or to the address of the Owner's or Resident's Unit if no other address has been provided. The address of an Owner or Resident for purposes of notice may be changed from time to time by delivery of written notice to the Committee.

b) Costs & Assessments. If the violation, or the failure to correct or remedy a violation, results or may result in the expenditure of funds, the notice shall also state that the

Management Committee may vote to assess the adverse party, or impose other sanctions if the Committee finds that a violation has occurred.

c) Final Determination. After the hearing has taken place, the Committee shall determine whether a violation has occurred and, if so, the Committee may: (1) levy an Assessment or impose conditions which shall become effective not less than five (5) days after the date of the hearing; or (2) take such other action as it may deem appropriate.

The determination of the Committee shall be final.

Nothing herein shall be construed to prevent the Committee from making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing notice to an Owner or Resident and the opportunity to be heard.

32. Declarant's Sales Program. Anything to the contrary notwithstanding, until Declarant has sold all the Units owned by it in the Project or seven (7) years from the date following the first conveyance of a Unit constructed on the Additional Land to a Unit purchaser (herein referred to as the "Events"), neither the Owners, the Association, nor the Management Committee shall interfere with the completion of improvements and sale of all remaining Units, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant:

a) Sales Office and Model Units. Declarant shall have the right to maintain one or more sales offices and one or more model Units at any one time. Such office and/or models may be one or more of the Units owned by the Declarant on the land added by Declarant to the Project -- that is, one or more separate structures or facilities placed on the real property added to the Project by the Declarant. The Sales Office or Model Unit shall be used for the purpose of aiding Declarant's sales effort, or any combination of the foregoing.

b) Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property.

c) Common Area Use. Declarant shall have the right to use the Common Areas and Facilities of the Project, including but not limited to the clubhouse, swimming pool, tennis court, and RV Parking Area, to facilitate sales.

d) Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales

offices, models, or signs, banners or similar promotional devices within the boundaries of the real property added by Declarant to the Project. Within a reasonable period of time after the happening of the Event, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

f) Assign Garages, Carports and Parking Spaces.  
Declarant, in its sole discretion, shall have the right to assign one or more parking spaces, carports or garages to the Unit Owners.

e) Management Committee. Because of the expansion of the Project, the number of Members of the Management Committee shall be expanded from three (3) to five (5). The Declarant shall have the exclusive right to appoint to and remove from the Management Committee the two (2) Members appointed by it, as in Declarant's sole discretion it deems necessary or appropriate, until the earlier of one hundred twenty (120) days after the date by which seventy-five percent (75%) of all of the new units constructed on the Additional Land have been conveyed or seven (7) years from the date following the first conveyance of a Unit constructed on the Additional Land to a Unit purchaser, whichever first occurs. Provided, however, each member of the Board, including those appointed by the Declarant, shall be an individual Unit Owner or the legal representative of an institutional Unit Owner.

33. Limitation on Improvements by Association. Until the Event described above, neither the Association nor the Management Committee shall, without the written consent of Declarant, make any improvement to or change, modification, or alteration in any of the Common Areas and Facilities created or constructed by Declarant or its predecessor in interest, including but not limited to the clubhouse, swimming pool, tennis court, RV Parking Area, and the like, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant or its predecessor in interest.

34. Completion Obligation. Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale on a Unit that the Building within which such Unit is contained or is to be contained, and the appurtenant Limited Common Area shall be substantially constructed, and ready for use or occupancy (as the case may be); and the appurtenant Common Area shall be substantially completed and usable as part of the final plans and specifications approved by Sandy City. This includes but is not limited to all landscaping, green space, sidewalks, parking facilities, roads, fences, outdoor lighting, and utility lines and conduits adjacent to the Unit or Building in

which a Unit is located, and necessary for its use.

35. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

36. Expansion of the Project. For so long as Declarant continues to own any of the Units in the Project the following provisions shall be deemed to be in full force and effect:

a) Reservation of Option to Expand. Declarant hereby reserves the option to expand the Project to include additional Units in the Project.

(1) Option Period. This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire seven (7) years from the date following the first conveyance of a Unit in the Additional Land to a Unit purchaser unless sooner terminated by Declarant's recorded Waiver of such option, there being no other circumstances which will cause the option to expire prior to said seven (7) year period.

(2) Consent of Owners Not Required. Such right may be exercised without first obtaining the consent or vote of Unit Owners and shall be limited only as herein specifically provided.

b) Supplemental Declarations and Supplemental Maps. Such expansion may be accomplished by the filing for record by Declarant in the office of the County Recorder of Salt Lake County, Utah, no later than seven (7) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Units, together with supplemental Map or Maps containing the same information with respect to the new Units as was required on the Map with respect to the Phase 1, 2 and 3 Units.

c) Phases. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.

d) Expansion of Definitions. In the event of such expansion the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Project as so expanded. For example, the term "Property" shall mean the real

property initially submitted under the Declaration, plus any Additional Land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Units after such expansion shall be effective to transfer rights in the Project, as expanded by use of the form of description set forth above, with additional references to the Supplemental Declaration and the Supplemental Map. The recordation in the office of the Salt Lake County Recorder of a Supplemental Map incident to any expansion shall operate automatically to grant, transfer, and convey to then Owners of Units in the Project as it existed before such expansion the respective undivided interests in the new Common Areas added to the Project as a result of such expansion. Such recordation shall also operate to vest in any then mortgagee of any Unit in the Project as it existed, interest so acquired by the Owner of the Unit encumbering the new Common Areas added to the Project as a result of such expansion.

e) Declaration Operative on New Units. The new Units shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and the Units therein shall be subject to condominium ownership with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Map and Supplemental Declaration in the said office of the Salt Lake County Recorder.

f) Right of Declarant to Adjust Ownership Interest in Common Areas. Each deed of a Unit shall be deemed to irrevocably reserve to the Declarant the power to appoint to Unit Owners, from time to time, the percentages in the Common Areas set forth in Supplemental or Amended Declaration. The proportionate interest of each Unit Owner in the Common Areas after any expansion of the Project shall be an undivided interest of the Project as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney in fact to shift percentages of the Common Areas in accordance with Supplemental or Amended Declarations recorded pursuant hereto and each deed of a Unit in the Project shall be deemed a grant of such power to the Declarant. Various provisions of this Declaration and deeds and mortgages of the Units may contain clauses designed to accomplish a shifting of the Common Areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the Common Areas can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the Common Areas may be effected more than seven (7) years after the effective date of the Declaration. Declarant shall make available to the Management Committee a copy of the proposed modifications of the percentage of ownership interest contemplated by this subsection prior to the recordation of any Revised Exhibit "A".

Accordingly, upon the recordation of a Supplemental Declaration and Supplemental Map incident to any expansion, the revised schedule of undivided interests in the Common Areas contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Project conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

g) Other Provisions Concerning Expansion. If the Project is expanded as hereinbefore contained, then it is further provided that subject to the discretion of Declarant:

(1) Adding Additional Land. All or any part of the Additional Land may be added to the Project without any limitations.

(2) Adding a Portion of the Additional Land. Portions of the Additional Land may be added to the Project at different times without any limitations.

(3) Access. Declarant shall have the right to the non-exclusive use of the existing roads, easements and rights of way to improve Additional Land added to the Project; provided, however, after the completion of Phase 3, Declarant shall use its best efforts to have all construction vehicles access new phases via the RV Parking Area. The Association shall not allow anything to be built upon or interfere with Declarant's right to use the existing roads, easements, rights of way and RV Parking Area until such time as the expansion of the Project is completed.

(4) Assurances. Declarant makes the following assurances or disclaimers:

a. Harmonious Improvements. No assurances are made concerning the location, type, kind or nature of the improvements to any real property added to the Project by the Declarant, including the quality of workmanship and materials, the landscaping and green space, the construction of the units, the harmony of the exterior design, and the location of the improvements in relation to surrounding structures, topography and finish grade elevations, except to state that Declarant shall only construct multi-family residential housing structures limited to one family per Unit, the improvements shall be compatible, reasonably integrated and architecturally harmonious with existing

improvements in Phases 1, 2 and 3 so as not to jeopardize the soundness or safety of the Project, reduce its value, or impair any easement or hereditament. The quality of materials and construction shall be equal to or better than that in the original Phases. Provided, however, final Plans and Specifications approved by Sandy City and a Certificate of Occupancy issued by Sandy City shall be deemed to satisfy the requirements of this section. No other assurances are made regarding the type, kind or nature of any improvement.

b. Location of Improvements. No assurances are made regarding the exact location of any improvement that may be constructed or installed on any portion of the Additional Land that may be added to the Project.

c. Limited Common Area. No assurances are made regarding the type, size, or maximum number of Limited Common Areas which may be created within any portion of the Additional Land added to the Project.

(5) No Obligation. Notwithstanding anything to the contrary which may be contained herein, the Declaration is not intended, and shall not be construed so as to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to: a) the submission of any portion of the Additional Land to the provisions of the Act as Land under this Declaration; b) the creation, construction, or addition to the Project of any additional property; c) the carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or d) the taking of any particular action with respect to the Additional Land, the Project, or any Land.

(6) Number of Units and Percentages of Ownership Interest. Based upon Revised Exhibit "A," and assuming that only Phases 1, 2, 3, and 4 of the Project are completed the minimum number of Units would be 104 and the maximum percentage of ownership interest of any Unit would be 1.09375%. Assuming all Phases are completed and all Additional Land is added to the Project the maximum number of Units would be 176, the maximum number of units per acre would be 17.8, and the minimum percentage of ownership interest of any Unit would be .52603%. Provided, however, the number of Units actually constructed and the actual undivided percentage of ownership interest of each Unit may actually be somewhere in between the numbers and percentages set forth above.

(7) Warranties and Representations. Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Project or the Declaration except as specifically set forth herein or in any agreement for sale of a Unit, and no person shall rely upon any warranty or representation not so specifically made therein.

37. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

38. VA Approval. Until the Event described above, the Declarant shall not annex additional properties or amend the Declaration without the prior written consent of the Secretary of Veterans Affairs.

39. Transfer of Management. Anything to the contrary notwithstanding, the Declarant:

a) Right to Relinquish. May at any time relinquish its reserved right to appoint two (2) members of the Management Committee and may elect to transfer the management of the Project to a Management Committee elected exclusively by the Owners.

b) Transition. Shall transfer management, operation and control of each new Phase as follows:

(1) Events. One hundred twenty (120) days after the date by which all of the new Units constructed upon the Additional Land have been conveyed or seven (7) years from the date this Amended and Restated Declaration is recorded, whichever first occurs, the Declarant shall:

a. Notice. Notify the Association in writing of the effective date of such transfer (the "Transfer Date") at least forty five (45) days prior thereto.

b. Association Meeting. Thereupon, the Association shall call a meeting to elect two (2) members to the Management Committee to take office as of the Transfer Date.

(2) Covenant to Cooperate. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management.

(3) Debts, Obligations and Reserves. Declarant shall cause all obligations for common expenses of the phase to be transferred prior to the Transfer Date to be paid in full on or before such date, and shall transfer to the Association any working capital funds collected by Declarant.

40. Working Capital Fund. A working capital fund shall be established by the Declarant equal to or greater than two (2) months' Common Area Assessments for each Unit sold after the recordation of this Declaration. Each Unit's share of the working capital fund shall be collected and transferred to the Management Committee at the time of closing of the sale of each Unit by Declarant. Notwithstanding the foregoing, the contribution to the working capital fund for each unsold Unit shall be paid to the Management Committee at the time such Unit is first occupied for residential purposes or a certificate of permanent occupancy is issued, whichever first occurs. With respect to each Unit for which the Declarant pays the contribution to the working capital fund, the Declarant shall be reimbursed for such contribution by the buyer of such Unit at the time of closing. The purpose of the working capital fund is to insure that the Management Committee will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the working capital fund are not to be considered as advance payments or regular monthly payments of Common Expenses.

41. Percentage of Ownership Interest. Percentage of ownership interest shall be based upon Par Value. Common expenses, common profits and voting rights shall be distributed among the unit owners based upon their percentages of ownership interest in the Common Area as set forth on Revised Exhibit "A" attached hereto and incorporated herein by this reference, as it may be amended from time to time due to expansion of the Project.

42. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both other genders. The invalidity or

unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

43. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Unit in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

44. Enforcement and Right to Recover Attorney's Assessments. Should the Association or Committee be required to take action to enforce the Declaration, By-Laws or any administrative rules and regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorney's fee, which may arise or accrue.

45. Mechanics Liens. Mechanics liens shall be filed in the office of the County Recorder of Utah County as follows:

a) Association Goods or Services. Mechanics liens for labor, materials or supplies purchased by the Association shall be filed against ALL UNITS in the Project and their appurtenant interest in the Common Area, and shall be indexed in the public records under the name of the Association and Community. If the Association has encumbered the Common Areas and thereafter defaults on its obligations, the lienholder must exercise its rights against the Common Areas before it may proceed against any particular Unit. Any Owner wishing to release that lien as to his Unit may pay the pro rata share of the total amount of the lien and that shall be sufficient to release the lien against his Unit.

b) Unit Good or Services. Mechanics liens filed for labor, materials or supplies benefitting a particular Unit shall be filed against that Unit and its appurtenant interest in the Common Area.

c) Constructive Consent. Any person or entity who elects to perform labor or provide materials at this Project agrees to be bound by and subject to the terms of this Section.

46. Agent for Service of Process. The President of the Association is the person to receive service of process in the cases authorized by the Act and the office. The initial Registered Agent is Cory Hansen and the initial office of the Registered Agent is at the clubhouse, 9400 South 700 West, Sandy, Utah 84070.

47. Effective Date. This Declaration, any amendment or supplement hereto, and any amendment or supplement to the Survey Map shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.
