NET SMELTER RETURNS ROYALTY DEED & AGREEMENT

This Net Smelter Returns Royalty Deed & Agreement (as amended, modified or supplemented from time to time, this "Agreement") is dated effective as of the 27th day of May 2022 (the "Effective Date") between Tintic Consolidated Metals LLC, a Delaware limited liability company ("Grantor"), whose address for purposes of this Agreement is 15988 Silver Pass Road, P.O. Box 195, Eureka, Utah 84628, and Osisko Utah LLC ("Grantee"), whose address for purposes of this Agreement is 1100, av des Canadiens-de-Montreal, Suite 300, Montreal, QC H3B 2S2.

AGREEMENT

In consideration of a cash payment by the Grantee to Grantor on the Effective Date of Three Million Six Hundred Ninety-Thousand Dollars (\$3,690,000.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows.

1. Royalty.

a. Grant of Royalty. Grantor grants, conveys, and assigns, subject to and in accordance with the terms and mutual covenants contained in this Agreement, including Grantor's right to purchase a portion of the Royalty as described in Section 1(i), to Grantee the following described perpetual royalty (the "Royalty"), which shall constitute a real right in the Property (as defined below): Grantor shall pay to Grantee one percent (1%) of Net Smelter Returns from the sale or other disposition of the Minerals produced and sold from certain properties further described on Exhibit A attached hereto and by reference made a part hereof (the "Property") as determined in accordance with the provisions of this Agreement. "Minerals" means all minerals, including gold, silver, platinum and platinum group metals, base metals (including antimony, chromium, cobalt, copper, lead, manganese, mercury, nickel, molybdenum, titanium, tungsten, zinc), and other metallic and non-metallic minerals and materials which are on, in or under the Property.

b. Net Smelter Returns.

i. "Net Smelter Returns" shall be determined for purposes of the Royalty payable in any calendar month by multiplying (i) the payable metal content of the particular Mineral recovered from production from the Property that is delivered to the smelter, refiner, processor, purchaser or other recipient of such production (the "Payor") during the preceding calendar month ("Monthly Production"), by (ii) the price per unit weight of such Mineral, expressed in United States Dollars (the "Unit Price") determined as provided in Section 1.b.iii below, and subtracting from the product of clauses (i) and (ii) the following: (A) charges imposed by the Payor for smelting or refining the Minerals contained in such Monthly Production;

(B) penalty substance, assaying, sampling and similar charges imposed by the Payor for smelting or refining the Minerals contained in such Monthly Production; (C) charges and costs, if any, for transportation, security and insurance of Minerals and the beneficiated products thereof from Grantor's final mill or other final processing plant to places where such Minerals or products are smelted, refined and/or sold or otherwise disposed of; (D) the amount of all taxes, other than income tax (including without limitation corporate income tax), and including, where applicable and without limitation, sales tax, use tax, ad valorem tax, severance or production tax, net proceeds tax, or any other tax imposed upon the mining, removal or sale of Minerals; and (E) royalties to be paid to any governmental agency or instrumentality. For avoidance of doubt, in calculating the Royalty, there shall be no deduction for any costs of mining, or any costs of transporting the Mineral to the mill or other processing site, or any costs of processing the Mineral other than smelting and refining costs.

ii. If smelting, refining, or processing of Minerals are carried out in custom toll facilities owned or controlled, in whole or in part, by Grantor, which facilities were not constructed solely for the purpose of milling or processing Minerals from the Property, then charges, costs and penalties for such smelting, refining or processing shall mean the amount Grantor would have incurred if such smelting, refining or processing were carried out at facilities not owned or controlled by Grantor then offering comparable services for comparable products on prevailing terms, but in no event greater than actual charges, costs and penalties incurred by Grantor with respect to such smelting, refining or processing. If Grantor or any of its respective Affiliates receives insurance proceeds for loss of Monthly Production of Minerals, Grantor shall pay to Grantee the applicable royalty percentage of any such insurance proceeds (with such payments, to the extent they relate to Minerals that are subsequently produced, to be offset against the Royalty that subsequently would become payable on such Minerals pursuant to this Agreement).

iii. The Unit Price shall be determined as follows with regard to particular Minerals:

(1) Gold meeting the specifications of the London Bullion Market Association ("Refined Gold") shall be deemed to have been sold during the month when it is produced, and the Unit Price thereof shall be deemed to be the average during the same month of the London Bullion Market Association afternoon gold price fixings for one ounce of refined gold;

(2) Silver meeting the specifications established for the New York Silver Price published by Handy & Harman ("Refined Silver") shall be deemed to have been sold during the month when it is produced, and the Unit Price thereof shall be deemed to be the average during the same month of the New York Silver Price quotations published by Handy & Harman for one ounce of refined silver; and,

(3) All other Minerals shall be the Unit Price paid or to be paid by Payor to the Grantor pursuant to the applicable agreement between Payor and such Grantor for such Monthly Production.

c. Non-Cost Bearing Interest. The Royalty is free and clear of (and without any further deduction of), and Grantee is not responsible for, any costs related to or associated with acquiring, owning, exploring, developing, extracting, producing, maintaining, operating or remediating the Minerals or any property burdened by the Royalty.

d. Payments of Royalty. Royalty payments shall be made to Grantee as follows:

i. Payments. Grantor shall pay the Royalty in cash. For Monthly Production in each calendar month, a payment equal to one hundred percent (100%) of the Royalty payable for such Monthly Production (the “Cash Monthly Payment”), subject to reconciliation in accordance with Section 1(e), shall be due on or before the date (the “Cash Monthly Payment Date”) that is the later of (i) ten (10) days after the date on which the Grantor receives payment from Payor for such Monthly Production and (ii) the twenty-fifth (25th) day following the end of such calendar month. Grantor shall make each Cash Monthly Payment by wire transfer to a bank account designated by Grantee. If Grantor fails to make any Cash Monthly Payment by the Cash Monthly Payment Date, and such failure has not been cured within ten (10) days following Notice of non-payment given by Grantee to such nonpaying Grantor, such Cash Monthly Payment shall bear interest at the rate of one percent (1%) per month, compounded monthly, commencing from and after the Cash Monthly Payment Date until paid. Notwithstanding anything to the contrary in this Agreement, under no circumstances shall the amount determined to be paid by Grantor to Grantee in respect of any Cash Monthly Payment exceed 100% of Grantor’s “gross income from mining” Minerals during such Monthly Production (as determined for U.S. federal income tax purposes under Section 613(c) of the Internal Revenue Code of 1986, as amended (the “Code”)).

ii. Detailed Statement. All Royalty payments or credits shall be supported by a detailed statement provided at the time of payment, explaining the calculation thereof and including any available settlement sheets from the Payor.

e. Final Payments and Reconciliation. The Parties recognize that time will elapse between the production of ore, the production of doré or concentrates from ore, the production of refined or finished product from doré or concentrates, the delivery of doré or concentrates to the Payor, and the receipt of refined or finished product, and acknowledge that, as a result, the Cash Monthly Payment for any calendar month may not coincide exactly with the actual Royalty amount owed for the calendar month. Grantor shall provide to Grantee a final reconciliation of the Royalty payable with respect to all Monthly Production delivered to the Payor in any calendar month (a “Monthly Reconciliation”) promptly after settlement is reached with the Payor for all lots from such Monthly Production sold or otherwise disposed of, and in any event no later than the later of (i) ten (10) days after the date on which Grantor receives payment from the Payor for the Minerals produced from such Monthly Production and (ii) twenty-five (25) Business Days after the end of the relevant calendar month.

If, on the basis of such Monthly Reconciliation, Grantee has been underpaid by the Cash Monthly Payment for any Monthly Production, the underpaying Grantor shall pay to Grantee the difference between (A) the Cash Monthly Payment and (B) the Royalty payable for such Monthly Production, in cash (and not in kind) concurrently with its delivery to Grantee of such Monthly Reconciliation. Conversely, if on the basis of any Monthly Reconciliation Grantee has

been overpaid by Grantor by the Cash Monthly Payment for any Monthly Production, Grantor shall receive a credit for the difference to such over-paying by Grantor which may be offset without interest against the next Cash Monthly Payment and subsequent Cash Monthly Payments until the credit is exhausted. Reconciliation payments by Grantor shall be made in the same manner as are Cash Monthly Payments made pursuant to Section 1(d)(i).

f. Grantor's Option to Exercise Set-Off Rights. As provided for in Section 12.14 of the Share Purchase Agreement, dated as of January 24, 2022, between Osisko Development Corp., Grantee, Ruby Hollow LLC and Emerald Hollow LLC, with thirty (30) days' prior written notice to Grantee, Grantor may elect to exercise any available set-off rights against the obligations owing by Grantor to Grantee or its successors and assigns under this Agreement.

g. Hedging Transactions. All profits and losses resulting from Grantor's sales of Minerals, or Grantor's engaging in any commodity futures trading, option trading, or metals trading, or any combination thereof, and any other hedging transactions, including trading transactions designed to avoid losses and obtain possible gains due to metal price fluctuations (collectively, "Hedging Transactions"), are expressly excluded from the calculation of the Royalty. All Hedging Transactions by Grantor and all profits or losses associated therewith, if any, shall be solely for Grantor's account. The amount of the Royalty to be paid on Minerals subject to Hedging Transactions by Grantor shall be determined in the same manner as provided in Section 1(b).

h. Commingling. Grantor shall have the right, at any stage of production or processing, to commingle Minerals from the Property with other minerals mined from such Property or minerals mined from other properties. Before any Minerals from the Property are commingled with other Minerals from the Property or from other properties, the Grantor shall cause such Minerals to be measured and sampled in accordance with sound mining and metallurgical practices for mineral composition, moisture, metal, commercial minerals, contaminants, penalty substances and other appropriate content (by grade or otherwise) as necessary for Minerals mined from the Property or any other properties, applied on a consistent basis. Grantor shall make or cause to be made representative samples of the Minerals and assays (including moisture (in the case of concentrate) and penalty substances) and other appropriate analyses of these samples before commingling to determine gross metal content of Minerals and the basis of determining the allocation of Minerals from the Property in the event of the sale by Grantor of mixed or commingled other Minerals from the Property and/or Minerals from other properties. Grantor shall retain (i) such analyses for a reasonable amount of time, but not less than twenty-four (24) months, after such analyses are produced, and (ii) such samples for not less than thirty (30) days after their collection from the Property.

i. Option to Purchase a Portion of the Royalty. For the period that is five (5) years after May 27, 2022, Grantor shall have the option, but not the obligation, to purchase one-half of the Royalty for Seven Million Five Hundred Thousand Dollars (\$7,500,000.00), reducing the Royalty payable to Grantee to one-half percent (0.50%). Upon notice of the exercise of the option set forth in this Section 1(i), the Parties shall execute the appropriate documents to convey the purchased Royalty interest to Grantor.

j. In-Kind Royalty. Prior to the commencement of each calendar year, Grantee shall at its option be entitled to elect payment of the Royalty for such fiscal year to the

extent relating to gold and silver (the "In-Kind Royalty") as an in-kind credit in the form of Refined Gold and Refined Silver, as the case may be, derived from the Minerals by way of credit in metal or physical allocation to the metal account maintained by the Grantee with the Payor specified by the Grantee for such purpose. Any election of the In-Kind Royalty shall be in respect of all, and not a portion, of the Grantee's interest in Refined Gold and Refined Silver produced from the Property in the relevant year. The Grantee shall make such election by providing the Owner with notice no less than 45 days nor more than 90 days prior to the commencement of such calendar year indicating the Grantee's election for payment in-kind and identifying the account maintained by the Grantee with the Payor. If the Grantee fails to provide a notice of election in respect of a calendar year, the Grantee shall be deemed to have elected the same method of payment as in the prior fiscal year, and if no prior election has been made, the Grantee will be deemed to have elected payment of the Royalty in cash.

2. Stockpilings and Tailings. All tailings, residues, waste rock, spoiled leach materials, and other materials (collectively "Materials") resulting from Grantor's operations and activities on the Property shall be the sole property of Grantor. All Materials resulting from Grantor's operations and activities on the Property on or after (but not prior to) the Effective Date (collectively "Post-Grant Materials") shall be subject to the Royalty should such Post-Grant Materials be processed or reprocessed, as the case may be, in the future and result in the production and sale or other disposition of Minerals. Notwithstanding the foregoing, Grantor shall have the right to dispose of Post-Grant Materials from the Property on or off of the Property and to commingle such Post-Grant Materials (as provided herein) with materials from other properties. In the event Post-Grant Materials from the Property are processed or reprocessed, as the case may be, and regardless of where such processing or reprocessing occurs, the Royalty payable thereon shall be determined on a pro rata basis as determined by using the best engineering and technical practices then available.

3. Term. The Royalty and the Parties rights, interests and obligations under this Agreement shall be perpetual will be enforceable against and be binding upon the Parties and their respective successors and assigns so long as a Grantor or any successor or assignee of such Grantor holds any rights or interests in the Property.

4. No Obligation to Mine. Grantor shall have sole discretion to determine the extent of its mining, if any, of the Property and the time or the times for beginning, continuing or resuming mining operations with respect thereto. Grantor (or its respective successors and assigns) shall have no obligation to Grantee or otherwise to mine any of the Property.

5. Recording of Agreement. This Agreement shall be recorded in the records of Utah County, Utah and Juab County, Utah, promptly after execution.

6. Reporting, Records and Audits, Site Inspections, New Mineral Resources or Ore Reserves, Confidentiality and Press Releases.

a. Reporting. No later than March 1 of each year, Grantor shall provide to Grantee an annual report of activities and operations conducted with respect to the Property during the preceding calendar year, and from time to time shall provide such additional information as Grantee may reasonably request.

b. Information and Access to Records, Site Inspections and Audits. Grantee shall have the right, during normal business hours and following reasonable notice to Grantor, and at Grantee's sole risk and expense (other than as provided in Section 6(c)), to have access, and of Grantee's auditors to have access, to Grantor to inspect and audit (subject to Section 6(c)) all books, records, technical data, information and materials (the "Data") pertaining to Grantor's calculation of any Royalty payments and the preparation of any detailed statement referred to in Section 1(d)(ii), provided that such inspections shall not unreasonably interfere with Grantor's activities with respect to the Property. Grantor makes no representations or warranties to Grantee concerning any of the Data, and Grantee agrees that, if it elects to rely on any such Data, it does so at its sole risk. Grantor shall make available to Grantee and Grantee's auditors such of its personnel as are reasonably required by Grantee or Grantee's auditors for the purposes of conducting such an inspection or audit.

c. Disputes With Respect to Royalty Payments. If Grantee disagrees with the amount of any Royalty payment, after giving effect to the Monthly Reconciliation for that Royalty payment, Grantee may give Grantor notice of such disagreement (an "Objection") within sixty (60) days after the receipt of the report set out in Section 6(a). If Grantee fails to deliver an Objection within such sixty-day (60-day) period, it shall have no right to object to such Royalty payment, as adjusted by such Monthly Reconciliation. The Parties shall attempt in good faith to resolve the disagreement set forth in any Objection within thirty (30) days after receipt of such Objection by Grantor. If Grantee and Grantor are unable to resolve the disagreement within such thirty (30) day period, the Parties shall submit the disagreement to an independent auditor mutually agreed to by the Parties (the "Independent Auditor"). Grantee and Grantor shall instruct the Independent Auditor to render its written decision as promptly as practicable, but in no event later than sixty (60) days after such submission. The Parties shall cooperate with the Independent Auditor and provide to the Independent Auditor information, including all Data, requested by to the Independent Auditor. The written decision by the Independent Auditor shall be final and binding. Each Party shall make the appropriate payment required in adjustment in accordance with the determination of the Independent Auditor within ten (10) Business Days after receiving such determination. The fees and expenses of the Independent Auditor shall be borne by Grantee, subject to the last sentence of this Section 6(c). If any audit or inspection establishes (including by a written decision by the Independent Auditor) that the subject Royalty payment is underpaid by more than five percent (5%), the Grantor shall reimburse Grantee for its costs incurred in such audit (including its share of the fees and expenses of the Independent Auditor).

d. Confidential Information and Press Releases. Except for the recording of any document with or in any public office as provided for in this Agreement, no information in connection with this Agreement, including the Agreement itself and any document or other written instrument relating thereto disclosed (including prior to the Effective Date hereof) to any Party initially shall be released or otherwise disclosed by any other Party to the public, including, without limitation, through press releases, or to any other person or entity (excluding the management, legal, accounting, financial and other advisors of a Party hereto or of its Affiliates provided that such management and advisors shall be required to comply with the terms of this Section 6(d) regarding confidential information) without the express written permission of the disclosing Party, unless (a) required by applicable federal, state or local laws, or (b) any such information is or becomes publicly available through no fault of, or other than as a result of disclosure by, any of the Parties or their agents or representatives or (c) a Party is compelled to disclose such information

pursuant to a valid court order or subpoena or the rules of a stock exchange on which a Party or its Affiliate is listed. Notwithstanding the foregoing, the Parties agree that one or more Parties may issue a press release with respect to the entering into of this Agreement and the transactions contemplated hereby upon the execution and delivery of this Agreement, subject to compliance with this Section 6(d). Each Party shall consult with the other Party prior to issuing any press releases or otherwise making public statements with respect to this Agreement or the transactions contemplated hereby and shall provide the other Party with a reasonable period of time to review and comment on all such press releases or statements prior to the release thereof.

7. Assignment.

a. Assignment by Grantor. Consistent with Section 8.b, if Grantor at any time Transfers an interest in any of the Property, its rights, interests and obligations under this Agreement relating to such Property shall Transfer to the Person to which an interest in such Property is Transferred. Such Person shall automatically be subject to and assume the obligations of Grantor accruing from and after the effective date of such Transfer with respect to portion of the Property Transferred, and Grantor shall be released from, and have no liability or obligation to Grantee for, such assumed obligations, but shall remain liable for the performance of all other obligations of Grantor under this Agreement. Grantor shall provide Grantee with written notice within seven (7) days of any Transfer.

b. Assignment by Grantee. Subject to Grantor's rights under Section 1(i), Grantee may Transfer its rights, interests and obligations under this Agreement to any Person, and shall provide written notice to Grantor of such Transfer within seven (7) days thereof.

c. Grantor's Right of First Offer.

i. Except for a Transfer by Grantee to Emerald Hollow LLC, if at any time Grantee proposes to Transfer all or any portion of Grantee's rights, title or interest under this Agreement (the "Transfer Portion") to any third party (a "Potential Acquiring Third Party"), Grantee shall first deliver to the Grantor a written notice (the "First Offer Notice") stating (i) the material terms of the proposed Transfer, (ii) the name and address of any Potential Acquiring Third Party, (iii) the consideration to be paid for the proposed Transfer, stated wholly in cash (the "Cash Purchase Price"), and (iv) if any consideration to be paid in such Transfer is in a form other than cash ("Non-Cash Consideration"), a description of such Non-Cash Consideration and a statement of Grantee's calculation of the cash value of such Non-Cash Consideration. The First Offer Notice shall constitute an offer by Grantee to sell Grantee's entire rights, title and interest under this Agreement in and to the Transfer Portion, free and clear of all liens and encumbrances, to Grantor on the terms described in the First Offer Notice except that the price shall be paid in cash equal to the Cash Purchase Price plus an additional five percent (5%) of the Cash Purchase Price (the "Break Fee," and when summed with the Cash Purchase Price, the "Exercise Price").

ii. In order to accept the offer in any First Offer Notice, Grantor must deliver to Grantee written notice to such effect (the "Acceptance Notice") during the period commencing on Grantor's receipt of the First Offer Notice and ending (i) ten (10) Business Days of its receipt of the First Offer Notice, if the proposed Transfer described in the First Offer Notice does not include Non-Cash Consideration, or if it does but Grantor has not timely given a Dispute

Notice in accordance with Section 7(c)(v), or (ii) if the proposed Transfer described in the First Offer Notice includes Non-Cash Consideration and Grantor has timely given a Dispute Notice in accordance with Section 7(c)(v), the date that is five (5) Business Days following the Parties' agreement on the cash value of the Non-Cash Consideration or the Appraiser's determination of the cash value of the Non-Cash Consideration, as applicable, in accordance with Section 7(c)(v) (the "Acceptance Period").

iii. If Grantor fails to timely deliver an Acceptance Notice during the Acceptance Period, Grantee may proceed with the proposed Transfer to the Potential Acquiring Third Party at any time within six (6) months following expiration of the time for the giving of the Acceptance Notice (the "Sale Period"); provided that the terms of such Transfer, as a whole, are not materially less favorable in the aggregate to Grantee than the terms stated in the First Offer Notice but excluding the Break Fee. If Grantee fails to consummate such Transfer during the Sale Period, such Transfer and any other Transfer shall be subject to Grantee's compliance with this Section 7(c).

iv. If Grantor timely delivers an Acceptance Notice, then, on such Business Day as Grantor shall state in the Acceptance Notice (which shall be not less than thirty (30) days nor more than sixty (60) days after the delivery of the Acceptance Notice), Grantor shall purchase and Grantee shall sell Grantee's rights, title or interest described in the First Offer Notice at the Exercise Price and otherwise on the terms stated in the First Offer Notice.

v. If the proposed Transfer in the First Offer Notice includes Non-Cash Consideration, then, during the period of ten (10) Business Days following its receipt of the First Offer Notice, Grantor may give written notice (a "Dispute Notice") to Grantee that Grantor does not agree with the cash value ascribed to the Non-Cash Consideration as part of the Cash Purchase Price. If Grantor timely gives a Dispute Notice to Grantee, the Parties shall endeavor to agree upon the cash value of the Non-Cash Consideration. If the Parties cannot reach agreement on the cash value of the Non-Cash Consideration during the Acceptance Period, Grantor and Grantee shall submit their disagreement to a firm or individual that is acceptable to Grantor and Grantee and qualified to resolve such dispute (the "Appraiser") and direct the Appraiser to determine the cash value of the Non-Cash Consideration, considering all information that the Appraiser deems appropriate. The determination of the Appraiser shall be in writing and shall be conclusive and binding on the Parties. All fees and expenses of the Appraiser shall be borne equally by Grantee and the Grantor.

vi. Grantor's Right of First Offer in this Section 7(c) shall be in addition to, shall not diminish and shall be subject to Grantor's rights to purchase a portion of the Royalty on the terms and conditions set forth herein.

d. Effect of Assignment Not in Compliance. Any Transfer by either Grantor or Grantee of any of its rights, title or interest under this Agreement shall be null and void unless done in compliance with the requirements of this Section 7.

c. Implied Covenants. The only implied covenants in this Agreement are those of good faith and fair dealing.

d. Waiver. e. Modification. No modification, variation, or amendment of this Agreement shall be effective unless it is in writing and signed by all Parties to this Agreement.

f. Force Majeure. If a Party is prevented from completing any obligation under this Agreement, other than an obligation that may be satisfied by the payment of money, by a force majeure (the "Affected Obligation"), the Affected Obligation shall be suspended and that Party shall not be deemed in default or liable for damages or other remedies as a result thereof for so long as that Party is prevented from complying with the Affected Obligation by the force majeure. If a Party substantially prevails on some aspects of such action, but not on others, the court may apportion any award of costs and attorneys' fees in such manner as it deems equitable.

h. Construction. The section and paragraph headings contained in this Agreement are for convenience only and shall not be used in the construction of this Agreement. The invalidity of any provision of this Agreement shall not affect the enforceability of any other provision of this Agreement.

i. Currency. All dollar amounts expressed herein refer to lawful currency of the United States of America.

j. Rule Against Perpetuities. The Parties do not intend that there be any violation of the rule against perpetuities, the rule against unreasonable restraints or the alienation of property, or any similar rule. Accordingly, if any right or option to acquire any interest in any real property exists under this Agreement, such right or option must be exercised, if at all, so as to vest such interest within time periods permitted by applicable rules. If, however, such violation should inadvertently occur, the Parties hereby agree that a court shall reform that provision in such a way as to approximate most closely the intent of the Parties within the limits permissible under such rules.

k. Governing Law. This Agreement shall be governed by, interpreted and enforced in accordance with the laws of the State of Utah, without regard to that State's conflicts of laws provisions. l. Dispute Resolution. Any disputes with respect to this Agreement shall first be submitted to representatives of each Party via written notice to the non-disputing Party. Each Party's representative shall have relevant knowledge of the subject matter of the dispute and authority to settle such dispute. The designated representatives shall meet as often as they reasonably deem necessary to discuss the dispute and negotiate in good faith in an effort to resolve the dispute without the necessity of any formal proceeding. The Parties agree to use their commercially reasonable efforts to resolve disputes as expeditiously as possible. In the event that dispute resolution discussions pursuant to this Section 8(l) do not produce a resolution within sixty (60) days of their commencement either Party may commence judicial proceedings in the state or federal courts in Salt Lake City, Utah. The parties irrevocably and unconditionally waive any objection to the venue of any dispute in such courts and irrevocably waive and agree not to plead or claim in the court that such dispute has been brought in a forum lacking jurisdiction or an inconvenient forum.

m. Representations and Warranties. Each Party represents and warrants to the other Party that: it is a company duly formed, organized and existing; it has all necessary company power and authority to enter into and perform its obligations under this Agreement; neither the execution nor delivery of this Agreement nor the performance by it of its obligations hereunder will conflict with or result in a breach of any terms, conditions or provisions of its organizational documents or bylaws, any law, rule or regulation having the force of law, any contract to which it is a party, or any writ, judgement, injunction, determination or award that is binding on it; the execution and delivery of this Agreement and the performance by it of its obligations hereunder have been duly authorized by all necessary company action; and this Agreement has been duly executed and delivered by it and constitutes a valid and legally binding obligation that is enforceable against it.

n. No Joint Venture, Mining Partnership, Commercial Partnership. This Agreement shall not be construed to create, expressly or by implication, a joint venture, mining partnership, commercial partnership, or other partnership relationship between the Parties.

o. Time. Time is of the essence of each provision of this Agreement.

p. Tons. Unless specified otherwise, all statements of or references to tons in this Agreement are to short tons.

q. Intended Tax Treatment. Each of the Parties agrees to treat the Royalty as an interest in real property, as a royalty, and as a non-operating mineral interest within the meaning of Section 614(e)(2) of the Code and Treasury Regulations Section 1.614-5(g) for U.S. federal income tax purposes. Grantor represents that the mineral property that is burdened by the Royalty is one property within the meaning of Section 614 of the Code.
