P. The primary objectives of this Sixth Amendment to Grant of Easements are to (1) expand the Grant of Easements to include all of the property in Phase I, Phase II, Phase 3A, Phase 3B, Phase 3C of The Colony, and all the unplatted land deeded to Ski Land (the "Unplatted Land") contained in the legal description in Exhibit "A" attached hereto and incorporated by reference; and (2) to make all of the easements in the Grant of Easements appurtenant to the Unplatted Land, such that the Grant of Easements is mutually beneficial and, where appropriate, reciprocal as to Phase I, Phase II, Phase 3A, Phase 3B, Phase 3C of The Colony, and the Unplatted Land; and (3) to provide public notice of all the other terms of this Sixth Amendment.

GRANT OF EASEMENTS

Grantor hereby expands the Grant of Easements to include all of the property in Phase I, Phase II, Phase 3A, Phase 3B, Phase 3C of The Colony, and all the Unplatted Land contained in the legal description in Exhibit "A," and to make all of the easements in the Grant of Easements appurtenant to the Unplatted Land, such that the Grant of Easements is mutually beneficial and, where appropriate, reciprocal as to Phase I, Phase II, Phase 3A, Phase 3B, Phase 3C of The Colony, and the Unplatted Land.

Grantor hereby grants, conveys, sells and sets over to the Association a non-exclusive easement over the Unplatted Land (the "Easement Grant") for the "Other Ski Run Uses" as that term is defined in Section 8.16.2.2 of the Second Amendment to the CCR's. The uses permitted by the Easement Grant initially may be for any of the Other Ski Run Uses; provided, however, as and when the Grantor, or its successors or assigns, plats any portion of the Unplatted Land (the "Final Subdivision Plats"), Grantor, or its successors or assigns, shall determine which of the Other Ski Run Uses are to be permitted on each portion of the Unplatted Land. Concurrently with the recording of any plat on the Unplatted Land, the Grant of Easements shall be amended and restated so as to specifically designate both the location of any easements within the platted property and which of the Other Ski Run Uses shall be permitted within said easements. Once the uses and the legal descriptions of the easements so platted have been finalized, the grant of easements shall be perpetual and irrevocable.

Concurrently with the recordation of this Sixth Amendment to Grant of Easements, Grantor has conveyed a portion of the Unplatted Land to Ski Land, and has

BK1545 PG1228

reserved to itself, its successors and assigns, a non-exclusive easement for any and all of the uses permitted in any Easement (as that term is defined in the CCR's) and/or for any of the easements provided for in the CCR's, including but not limited to Section 8 of the CCR's (collectively the "Easements"), any of which the Grantor, or its successors or assigns, may determine to be reasonably necessary or appropriate for the development of The Colony.

All of the above-described easements shall be sufficient in width to meet the requirements of the Snyderville Basin Development Code of Summit County, the appropriate service agency, or the Grantor, its successors and assigns, for the purposes intended.

All the above easements are granted or reserved together with such easements as may be reasonably necessary to enter upon the property in order to construct, maintain, remove, repair, or replace any improvements. Upon the determination of the final location for any easement as provided herein which is not reflected on the Final Subdivision Plats, the Grantor or the Association shall prepare a grant of easement which contains a specific legal description for each such easement and cause said grant of easement to be recorded in the Office of the Summit County Recorder.

The CC&R's provide that the Grantor and the Association, under certain circumstances, shall be permitted to relocate, widen or otherwise modify the Easements described in the CC&R's, including but not limited to the easements granted or reserved in this Sixth Amendment. Grantor, for itself, its successors and assigns, hereby reserves the right to relocate, widen or otherwise modify the Easements, including but not limited to all Easements described herein, in accordance with the terms and conditions of the CC&R's.

None of the easements and rights granted or created herein may be transferred, assigned, or encumbered except as appurtenances to the applicable portions of the Grantor's or Grantees' property, now owned or hereafter acquired.

Until such time that the specific location for each such Easement is determined by the Grantor, or its successors and assigns, and a complete legal description for each Easement is recorded, each Easement granted and reserved by this Sixth Amendment shall be a "floating Easement" affecting each and every portion of the Unplatted Land and appurtenant to every portion of Grantor's and the Association's property. Upon the determination of a final location for any Easement as provided herein, the Grantor shall amend the Grant of Easements, in writing, by executing an amendment hereof and recording a specific legal description for each such Easement. Upon the determination of the final locations for the above-described Easements, Grantor shall execute such instruments as may be required to terminate the "floating Easements" granted and reserved in this Sixth Amendment to Grant of Easements, such that the remaining Easements shall be only those specifically described in the recorded amendments to this Sixth Amendment.

All provisions, agreements, rights, powers, covenants, and obligations contained in grant and reservation of Easements contained in this Sixth Amendment, shall be binding upon and inure to the benefit of the Grantor, its successors and assigns. All the provisions of this Grant of Easements shall be covenants running with the land pursuant to the laws of the State of Utah.

The Owners of individual Homesteads within The Colony shall not at any time obstruct or otherwise interfere with the Grantor or the Association, or with any representative, agent, contractor or employee of the Grantor or the Association, who is maintaining or otherwise performing services with respect to the easements granted herein.

The Grantor, or its successors or assigns, reserves the right to occupy, use and have the rights associated with such Easements, as they may be revised or amended, for all purposes that are not inconsistent with any of the uses contemplated in the CCR's; provided, however, neither the Grantor, the Association, nor the Owners of individual Homesteads in The Colony, or any of their successors or assigns, and none of the easements reserved herein to Grantor, or its successors or assigns, shall impair, obstruct, interfere, or otherwise negatively impact any of the uses contemplated in the CCR's for the Ski Resort Uses, Ski Run, Perpetual Open Space, Ski Easement, or Lift and Ski Easement (as those terms are defined in the CCR's, collectively the "Ski Easement Uses"), now owned or hereafter acquired, or negatively affect the property rights of the Declarant (as that term is defined in the CCR's) or its successors or assigns, pursuant to any easement for the Ski Easement Uses or any of them.

All easements granted herein are subject to all easements of record which affect the lands within The Colony, whether or not said easements are described or otherwise reflected in the CC&R's, the First Amendment to Grant of Easements, the Second Amendment to Grant of Easements, the Third Amendment to Grant of Easements, the Fourth Amendment to Grant of Easements, the Fifth Amendment to Grant of Easements, and/or this Sixth Amendment to Grant of Easements, or the Final Subdivision Plats, including but not limited to, all easement rights and obligations set forth in that certain Declaration and Grant of Reciprocal Easements and Agreement between Grantor, ASC, Utah, Inc., and the State of Utah School and Institutional Trust Lands Administration which was recorded September 10, 1998, as Entry No. 517321, Book 1181, Page 190, in the Office of the Summit County Recorder and any other easements which are not of record, but which may hereafter be determined by a court to affect land within The Colony.

Grantor reserves the right to grant easements to the owners of land in the White Pine Canyon area adjacent to The Colony over the Easements described in this Sixth Amendment to Grant of Easements, or the Easements described in the CC&R's, which Grantor, in its sole discretion, may deem necessary or desirable.

In accordance with the provisions of the CC&R's, Grantee shall maintain all of the improvements which it is required to maintain within the easements granted herein and the Easements described in the CC&R's.

All provisions of this Sixth Amendment to Grant of Easements shall be covenants running with the land, both for the benefit of Grantor and Grantee, their successors and assigns, and as a burden upon each, pursuant to the applicable laws of the State of Utah.

Any breach of any covenants or restrictions as contained herein shall not defeat or render invalid the lien of any mortgage or deed of trust made in good faith for value, but such covenants or restrictions shall be binding upon and be effective against such owner of any of said property or any portion thereof whose title thereto is acquired by foreclosure, trustee sale or otherwise.

All provisions, rights, powers, covenants, restrictions and obligations contained in this Sixth Amendment to Grant of Easements, including the benefits and burdens, shall be binding upon and inure to the benefit of the Grantor and Grantee hereto, their respective successors, assigns, subsidiaries, representatives, lessees and all other persons acquiring either Grantors or Grantee's interests hereunder, or any portion thereof or interest therein.

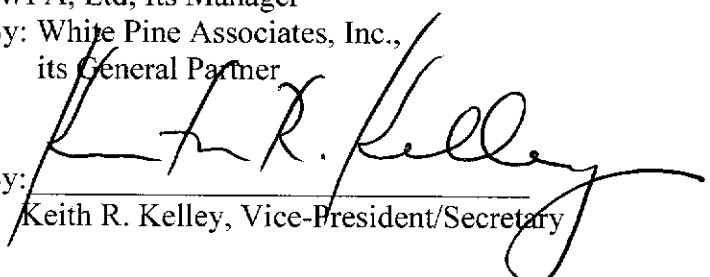

IN WITNESS WHEREOF, Grantor has executed this Sixth Amendment to Grant of Easement this 19th day of June, 2003.
