**AFFIDAVIT**

This document is made and executed this 16<sup>th</sup> day of October 1998, to inform concerned persons of frontage number changes. Improper frontage numbers were assigned in the **The Millbrook Office Park Condominium** as recorded as entry #6731687 in Book 97-9P Page 271. The frontage numbers are hereby changed for Building A from 2118 to 2120 (this is the structure closest to 3900 South) and Building B from 2120 to 2118. Mr. Steven Benton has informed me that the number on Building A is 2120 and the number on Building B is 2118. Proper numerical sequencing would indicate that the physical numbering is correct and that the addresses on the Plat are wrong. This Affidavit is executed to change said recorded Plat.

The following change has been made by the Director of Development Services through his designated officers in accordance with Title 18, Chapter 28, Salt Lake County Code of Ordinances:

This action requires the following Address Change:
