NOTICE OF INTENTION TO ESTABLISH CORAL CANYON SPECIAL SERVICE DISTRICT

NOTICE IS HEREBY GIVEN THAT on April 26, 2000, the City Council of Washington City, Utah (the "City"), adopted a Resolution, declaring that the public health, convenience and necessity require the establishment of a special service district, to initiate the establishment of a special service district to be called "Coral Canyon Special Service District" (the "District") for the purposes of providing water, sewerage, drainage, flood control, health care, transportation, recreation, fire protection, street lighting and snow removal services. The Resolution also provides for a public hearing on the establishment of the District in the City, to be held at the City offices at 111 North 100 East, Washington, Utah, at 5:30 p.m. on May 24, 2000.

DESCRIPTION OF THE PROPOSED DISTRICT

The District shall have the following boundaries:

See Exhibit "A" attached hereto and hereby incorporated by reference.

PROPOSED SERVICES

The District will be authorized to provide water, sewerage, drainage, flood control, health care, transportation, recreation, fire protection, street lighting and snow removal services located within the District, together with necessary appurtenances and equipment therefor.

METHOD OF FINANCING

Pursuant to the provisions of the Utah Special Service District Act, Title 17A, Chapter 2, Part 13, Utah Code Annotated, 1953, as amended, and Article XIV, Section 8 of the Constitution of Utah, the District may annually impose fees and charges to pay for all or a part of the services to be provided by the District. It may also annually levy taxes upon all taxable property within the District to provide the proposed services, and may issue bonds for the acquisition and/or construction of facilities or systems to provide said services, provided, however, that said levy to provide said services or to repay said bonds, must be authorized and approved by a majority of the qualified electors of the District at an election for that purpose.

PUBLIC HEARING ON PROPOSED ESTABLISHMENT OF
SPECIAL SERVICE DISTRICT

The City Council will hold a public hearing on the establishment of the District and the furnishing of water, sewerage, drainage, flood control, health care, transportation, recreation, fire protection, street lighting and snow removal services therein at 5:30 p.m. on Wednesday, the 24th day of May, 2000. Any interested person may protest the establishment of the District or the furnishing of services therein either orally at the hearing or in writing, at or at any time prior to the hearing, or within 15 days of the conclusion of the hearing. Written protests must be filed with the City Recorder, and may be withdrawn by the protestant within 30 days after the conclusion of the hearing.

Any protest signed on behalf of a corporation owning property in the District shall be sufficient if it is signed by the president, vice president, or any duly authorized agent of the corporation. Where title to any property is held in the name of more than one person, all of the persons holding title to the property must join in the signing of the protest.

At said public hearing, the City Council will give full consideration to all protests which shall have been filed and will hear and consider all interested persons desiring to be heard. The City Council may continue the hearing to another date and time if necessary. After conclusion of the hearing, and after the time for filing protests has expired, the City Council shall adopt a resolution either establishing the Coral Canyon Special Service District or determining that the establishment of the District should be abandoned. A resolution establishing the District may contain changes from the initial resolution or notice of intention including reduction of the boundaries of the District or elimination of one or more of the types of services proposed.

If, within fifteen (15) days after the conclusion of the hearing (unless said fifteen (15) day period has been waived by all property owners, in which case the City Council may take action to either create or abandon the proposed District on the date of the public hearing), over fifty percent (50%) of the qualified voters of the territory proposed to be included within the District or the owners of over 50% of the assessed value (taxable market value) of the taxable property included within the proposed District file written protest against the establishment of the proposed District or against the specified type of service to be provided within the District with the City Recorder, the City Council is required by law, in the former instance, to abandon the proposed establishment of the District and, in the latter instance, to eliminate the type of service objected to from the resolution finally establishing the District.

Any person who (i) filed a written protest and (ii) is a qualified voter residing within the proposed district or a qualified voter whose property has been included within the proposed District, may, within thirty (30) days after the adoption of the Resolution

establishing the District, apply to the District Court of the Fifth Judicial District for a writ of review of the actions of the City in establishing the District, only upon the grounds, however, that his property will not be benefitted by one or more of the services authorized to be furnished by the District or that the proceedings taken in the establishment of the District have not been in compliance with the law.

A FAILURE TO APPLY FOR SUCH WRIT OF REVIEW WITHIN THE PRESCRIBED TIME SHALL FORECLOSE ALL OWNERS OF PROPERTY WITHIN THE DISTRICT SO ESTABLISHED FROM THE RIGHT FURTHER TO OBJECT THERETO.

GIVEN by order of the City Council of Washington City, this 26th day of April, 2000.
