DECLARATION OF PROTECTIVE COVENANTS  
FOR  
HIDDEN PARK SUBDIVISION

KNOW ALL MEN BY THESE PRESENTS:

THAT WHEREAS, the undersigned being the owner of the following described real property situated in Salt Lake County, State of Utah, to-wit:

LOTS 2, 3, 4, 5, 7, 8 AND 9 OF  
HIDDEN PARK SUBDIVISION

In consideration of the premises and as part of the general plan for improvement of the property comprising HIDDEN PARK SUBDIVISION, the undersigned does hereby declare the property hereinabove described, subject to the restrictions and covenants herein recited.

PART A

RESIDENTIAL AREA COVENANTS

1. Planned Use and Building Type

No lot shall be used except for residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than detached single family dwellings not to exceed two stories in height and attached garages for not less than 3 vehicles. A detached garage may be permitted but must be approved by the Architectural Control Committee.

2. Architectural Control

No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure upon the lot have been approved by Hidden Park Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location in respect with topography and finish grade elevation. Two sets of plans must be submitted for this purpose, one set will remain in the office of the Hidden Park Architectural Central Committee. The other set will be returned to the lot owner with the approval or disapproval thereof. All homes will be required to be of brick or stone and stucco on the front elevation. The approval or disapproval of any home must be given by letter from The Hidden Park Architectural Committee. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly

approved. There shall be no chain-link fences permitted. All fences must be approved by the Architectural Control Committee as provided in Part B.

**3. Dwelling Quality and Size**

No dwelling shall be permitted on any lot wherein the ground floor area of the main structure, exclusive of open porches and garages is less than 2,500 square feet for a single story, split level or split entry structures; or less than 1,800 square feet on the main floor with the aggregate footage of above ground floors of the structure to total a minimum of 2,600 square feet for two story structures.

**4. Construction Time Following Purchase**

The grantee or grantees of any building lot within the subdivision shall, within 36 months from the purchase date of said lot, commence construction or landscaping upon the purchase lot, and having commenced construction upon said property, shall continue therewith and have the structure upon the property ready for occupancy as a residence within 12 months from the date construction is commenced.

**5. Easement**

For installation of and maintenance of utilities and drainage facilities, areas are reserved as shown on the recorded plat. Within these easements, no structure, planting or other materials shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may change the direction or flow of drainage channels or brooks in the area, or which may obstruct or retard the flow of water through drainage channels in the easements or any of the brooks. The easement area of each of the lots and all improvements in it shall be landscaped and maintained continuously by the owner of the lot.

**6. Street Lighting**

The owner of each lot throughout the subdivision is required to install at the time of construction an electric street light upon their respective lots, situated within 20 feet of the front curb of the boundary of their property and shall maintain said street light or lamp at all times in a proper operative condition; unless an existing street light is located on or adjacent to the owner's lot. In such a situation, the owner is required to wire the existing street light through their residential electrical meter, and maintain said street light at all times in a proper operative condition.

**7. Nuisances**

No noxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or may become an annoyance to the neighborhood. No clothes line or storage of any articles which are unsightly in the opinion of the Hidden Park Architectural Control Committee will be permitted, unless in enclosed areas built and designed for such purposes. Automobiles, trailers, boats, or other vehicles are not to be stored on streets or front and side lots unless they are in running condition, property licensed and are being regularly used.

**8. Temporary Structures**

No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other out building shall be used on any lot at any time as a residence either temporarily or permanently.

**9. Garbage and Refuse Disposal**

No lot shall be use or maintained as a dumping ground for rubbish, trash, garbage or other waste and shall not be kept except in sanitary containers. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition. Each lot and its abutting streets are to be kept free of trash, weeds and other refuse by the lot owner. No unsightly material or objects are to be stored on any lot in view of the general public.

**10. Animals and Pets**

Dogs, cats, or other household pets, horses or other livestock may be kept as permissible within current zoning regulations provided that they are not kept, bred or maintained for any commercial purpose and are restricted to the owner's premises and under handlers control.

If, in the opinion of the Hidden Park Architectural Control Committee, any of the aforementioned animals or pets become an annoyance, nuisance or obnoxious to other owners throughout the subdivision, the committee may require a reduction in the number of animals or pets permitted or elimination of any such animal or pet considered dangerous or unsafe to the neighborhood.

**11. Landscaping**

Trees, lawns, shrubs or other plantings provided by the owner of respective lot shall be properly nurtured and maintained or replaced at the property owners expense upon request of the Hidden Park Architectural Control Committee. All lots are to be landscaped and maintained to the edge of the roadway or private lane.

**12. Hidden Park Association**

The owner of each lot throughout the subdivision belongs to and is allowed one vote in the Hidden Park Association. Annually (usually in September), the Association is to meet to elect a chairman and to vote upon any other business in the common interest of the lot holders.

The chairman will coordinate business as authorized by the Association, such as arranging for the snow plowing of Hidden Park Lane, Madsen Court and Madsen Lane.

The chairman will be elected and all assessments will be by majority vote. All assessments will be shared equally by all lot owners.

These covenants are subject to the current and subsequently adopted rules, regulations and policies of the Hidden Park Homeowners Association.

**PART B**

**THE HIDDEN PARK ARCHITECTURAL CONTROL COMMITTEE**

**1. Memberships**

The initial Hidden Park Architectural Control Committee is comprised of Gary Beers and Jeff Merrill. The committee may designate a representative, or representatives, to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor their designated representative shall be entitled to any compensation for services performed pursuant to the covenant.

**2. Procedure**

The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee or its designated representative fails to approve or disapprove within 30 days after plans and specifications have been submitted to it, or in the event there is no suit to enjoin the construction which has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

**PART C**

**GENERAL PROVISIONS**

**1. Terms**

These covenants are to run with the land and should and shall be binding upon all parties and all persons claiming under them for a period of 30 years from the date these covenants are recorded, after which time said covenants shall be automatically extended for a successive period of 10 years unless an instrument signed by a majority of the then owners of the lots have been recorded agreeing to change said covenants in whole or in part.

**2. Enforcement**

Enforcement of the foregoing shall be by proceedings at law or in equity against every person, persons, or entity violating or attempting to violate any covenant herein, either to restrain violation or to recover damages. Specifically, a competent court with jurisdiction may restrain violation of these covenants, as well as award damages incurred thereby, including a reasonable attorneys fee to the person or Association enforcing the same.
