7. No Limitations Upon Option. To the maximum extent allowed by law, the Project may be expanded by the addition of all or a portion of the above-described Phases, and said expansion of the Project is without limitation and shall be effective without the prior approval of the Association or the Unit Owners. Expansion of the Project shall be accomplished by the submission of the Supplemental Map and Supplemental Declaration as described below. Notwithstanding the foregoing, prior to the guaranty of any loan on any Unit created on the relevant phase of the Project or any Additional Land by the Department of Veteran's Affairs ("VA"), or the Federal Housing Administration ("FHA"), the Supplemental Map and Supplemental Declaration shall be submitted to the Secretary of the Department of Veteran's

Affairs (the "Secretary") for review and approval.

8. Order of Addition. The Additional Land designated on Exhibit "D" attached hereto and incorporated herein by this reference may be added in total or in part, and in any order as Declarant may determine, with the landscaped and picnic areas being completed in such order and fashion as deemed appropriate by the Management Committee. Such Additional Land (or any portion thereof constituting Additional Land) may be added at any time within the period allowed for expansion of the Project.

9. Termination of Option. Declarant's right to expand the Project as provided in this Article V shall expire seven (7) years from the date of recording of this Declaration (exclusive of any amendments or supplements) in the official records of the Office of the County Recorder of Salt Lake County, State of Utah.

10. Improvements Upon Additional Land. All improvements upon Additional Land shall be made in such a manner as to conform to all government regulations appertaining thereto, but such improvements may be located upon the Additional Land, or any portion thereof, in such manner as the Declarant deems appropriate in its sole discretion, subject to the requirements contained herein. All of the additional Units to be constructed upon Additional Land will be constructed for or are to be designated exclusively for residential use.

11. Compatible Construction. All structures and improvements erected upon any Additional Land added to the Project will be compatible and consistent with the structures and improvements now upon or to be constructed upon Phase I of the Project, all such additional structures and improvements to be approximately equal or better in terms of quality of construction and materials to be used. Subject to the assurance or compatible and consistent quality set forth herein, no assurance can be made by the Declarant in every instance that such structures and improvements will be identical in all regards. Declarant specifically reserves the right to modify architectural style for structures and improvements to be erected upon Additional Land to be added to the Project.

12. Description of Improvements. Although Declarant intends to construct upon the Additional Land fourteen (14) condominium residential buildings consisting of fifty-four (54) Units, no assurances can be made by the Declarant as to the description of improvements that will be made upon any Additional Land.

13. Description of Units. Declarant intends, as of the date hereof, that any Unit constructed within a Building upon Additional Land will be compatible to and consistent with the Units presently contained within the Buildings upon the Property and that the size of such Units may vary as the Declarant determines in its sole and absolute discretion. Therefore, no assurance can be made by the Declarant that any Units to be constructed upon Additional Land will be identical to the existing Units.

14. Declarant's Reserved Rights. Declarant hereby reserves the right with respect to any Additional Land, to create limited Common Areas and Facilities within any Additional Land added to the Project, and with respect thereto reserves the right to create such Common Areas and Facilities in such types, sizes and numbers as the Declarant deems appropriate in its sole discretion. No assurances are made herein by Declarant with respect to the type, sizes or number of such areas, to be created, if any.

15. Supplemental Map. The Declarant simultaneously with the submission of Additional Land to the Project shall prepare and record in the official records of the Office of the County Recorder of Salt Lake County, State of Utah, a Supplemental Record of Survey Map pertaining to such Additional land to be added to the Project, and showing the location and dimensions (the vertical and horizontal boundaries), of each Unit located within a Building created from and located upon such Additional Land, and the Unit designation of each Unit so created.

16. Supplemental Declaration. Simultaneously with the recording of said Supplemental Map as required by the provisions of Section 5.11 above, the Declarant shall duly execute, acknowledge and record in the official records of the Office of the County Recorder of Salt Lake County, State of Utah, a supplemental Declaration setting forth that an expansion of the Project has occurred. Such supplemental Declaration shall include, in addition to any requirements of the Act, the following: (i) a legal description by metes and bounds of the Additional Land to be added to the Project; (ii) the designation of each Unit and Building created from and included within the Additional Land; and (iii) the square footage of an Percentage Interest allocated and appertaining to all Units within the Project.

17. Qualifications. Each expansion of the Project by an addition of Additional Land shall be subject to the following additional qualifications.

(a) Percentage Interest. The Percentage Interest appertaining to a Unit and each Unit shall be recomputed in accordance with the provisions of the Declaration taking into consideration the Units contained upon the Additional Land to be included within the Project, as the Additional Land is so included, expanding the condominium regime. Such reallocations shall be effective as of the date of recordation of the supplemental Declaration. The maximum Percentage Interest appurtenant to each Unit assuming the minimum number of Units is constructed and the minimum Percentage Interest appurtenant to each Unit assuming the maximum number of Units is set forth on Exhibit "E" attached hereto and incorporated herein by reference.

(b) Following the addition to the Project of Additional Land, the total of the Percentage Interest appertaining to all Units shall in all events equal 100%.

(c) All improvements to be constructed upon portions of the Additional Land shall be substantially completed prior to the annexation of that phase to the Project.

18. Insurance. In accordance with 38 C.F.R. § 4360(a)(5), the Declarant shall purchase (at the Declarant's own expense) a general liability insurance policy in an amount not less than \$1 million for each occurrence, to cover any liability which owners of previously sold Units are exposed to as a result of further condominium project development through the addition to the Project of Additional Land.

18. Amendment to This Article. This Section 5 shall not be amended without the written consent of the Declarant.

ARTICLE VI: ALTERATIONS

For one (1) year following the recordation hereof, Declarant reserves the right to change the interior design and interior arrangement of any Unit and to alter the boundaries between Units, or to combine Units, so long as the Declarant owns the Units so altered or combined. Any change of the boundaries between Units, or any alteration of the Common Areas shall be reflected by an amendment of this Declaration and of the Map which may be executed by the Declarant alone, notwithstanding the procedures for amendment described in Article XXVII of this Declaration. Any change in Unit size shall be accompanied by a reallocation of fractional interests in Common Area on a square-footage basis. No such change shall increase the number of Units nor materially alter the boundaries of the Common Areas and Facilities nor change the fraction of ownership of Common Areas and Facilities associated with the non- altered or non-combined Units without amendment of this Declaration and of the Map in the manner described in Article XXVII of this Declaration.

ARTICLE VII: STATEMENT OF PURPOSE AND RESTRICTION ON USE

1. Purpose. The purpose of the Condominium Project is to provide residential housing space for Unit Owners, their families, guests and lessees, and to provide parking space for use in connection therewith, all in accordance with the provisions of the Act.

2. Restrictions on Use. The Units and Common Areas and Facilities shall be used and occupied as hereinafter set forth:

(a) Each of the Units shall be occupied only as a residence and for no other purpose. No business shall be operated in or from any Unit itself other than the rental of the Unit itself, subject to applicable zoning and business regulation laws and ordinances. Each parking stall shall be used for the parking or storage of operable motor vehicles and for no other purpose, except for temporary (no more than ninety-six hours) parking for vehicles to allow the owners time to perform minor repairs or to have the vehicles towed. The Common Areas and Facilities shall be used only for the purposes for which they are intended.

(b) Nothing shall be done or kept in any Unit or in the Common Areas and Facilities which will increase the rate of insurance on the building or contents thereof beyond that

customarily applicable for residential use, or will result in the cancellation of insurance on the building, or the contents thereof, without the prior written consent of the Management Committee. No Unit Owner shall permit anything to be done or kept in his Unit or in the Common Areas and Facilities which is in violation of any law or regulation of any governmental authority.

(c) No Unit Owner shall cause or permit anything (including, without limitation, an awning, canopy, shutter, storm door or screen door) to hang, be displayed, be visible or otherwise be placed on the exterior walls or roof of any building or any part thereof, or on the outside of windows or doors without the prior written consent of the Management Committee. No sign of any kind shall be displayed to the public view on or from any residential Unit or the Common Areas unless it is for the common benefit of all Unit owners.

(d) No noxious or offensive activity shall be carried on in any Unit or in the Common Areas and Facilities, nor shall anything be done therein, either willfully or negligently, which may be or become an annoyance or nuisance to the other Unit Owners or occupants.

(e) Nothing shall be done in any Unit or in, on or to the Common Areas and Facilities which will impair the structural integrity of the building or any part thereof or which would structurally change the building or any part thereof except as is otherwise provided herein.

(f) No pets or animals of any kind shall be allowed, kept, bred or raised in any Unit or on any of the Common Areas in the Project, except pursuant to rules and regulations established by the Management Committee.

(g) The Common Areas and Facilities shall be kept free and clear of all rubbish, debris and other unsightly materials.

(h) No admission fees, charges for use, leases or other income-generating arrangement of any type shall be employed or entered into with respect to any portion of the Common Areas and Facilities without the prior written consent of the Management Committee.

ARTICLE VIII: PERSON TO RECEIVE SERVICE OF PROCESS

The person to receive service of process in the cases provided herein or in the Act is attorney Paul M. King of the law firm of Hoole & King, L.C., whose address is 4276 South Highland Drive, Salt Lake City, Utah 84124-2634. Said person designated to receive service of process may be changed by the recordation by the Management Committee of an appropriate instrument.

ARTICLE IX: OWNERSHIP AND USE

1. Ownership of a Unit. Except with respect to any of the Common Areas and Facilities located within the bounds of a Unit, each Unit Owner shall be entitled to the exclusive ownership

and possession of his Unit and to the ownership of an undivided interest in the Common Areas and Facilities.

2. Nature of and Restrictions on Ownership and Use. Each Unit Owner shall have and enjoy the rights and privileges of fee simple ownership of his Unit. There shall be no requirements concerning who may own Units, it being intended that they may and shall be owned as any other property rights by persons, corporations, Partnerships or trusts and in the form of single, common or joint tenancy. The Unit Owners may lease or rent their Units with their appurtenant rights subject to terms and conditions chosen solely by the Unit Owner and his lessee, except that all Unit Owners, their tenants and other occupants or users of the Project, shall be subject to the Act, this Declaration, the Bylaws, and all rules and regulations of the Association of Unit Owners and Management Committee.

3. Prohibition against Subdivision of Unit. Except as provided in Article VI above, no Unit Owner, by deed, plat or otherwise, shall subdivide or in any manner cause his Unit to be separated into physical tracts or parcels smaller than the whole Unit as shown on the Map.

4. Ownership of Common Areas and Facilities. The Common Areas and facilities contained in the Project are described and identified in Article V, § 4 of this Declaration. Said Common Areas and Facilities shall be owned by the Unit Owners as tenants in common. No fractional ownership interest in the Common Areas and Facilities shall be separated from the Unit to which it appertains; and even though not specifically mentioned in the instrument of transfer, such a fraction of undivided ownership interest shall automatically accompany the transfer of the Unit to which it relates. A Unit Owner's fractional ownership interest in the Common Areas and Facilities, as periodically altered inasmuch as the condominium is an expandable condominium regime, shall be the same for all purposes, including voting and assessment of common expenses. The fractional ownership interests in the Common Area are set forth in Exhibit "B" hereto.

5. Use of Common Areas and Facilities. The Common Areas and Facilities shall be used only in a manner which is consistent with their community nature and with the use restrictions applicable to the Units contained in the Project, subject to the Declaration and Bylaws. This right of use shall be appurtenant to and run with each Unit.

ARTICLE X: LIMITED COMMON AREAS

Each Unit Owner shall be entitled to the exclusive use and occupancy of the Limited Common Areas assigned to his Unit as set forth in Exhibit "B", or as shown on the Map, subject, however, to the same restrictions on use which apply generally to the Common Areas and Facilities and to Rules and Regulations to be promulgated by the Management Committee as authorized in the Bylaws. Such right to use the Limited Common Areas shall be appurtenant to and contingent upon ownership of the Unit associated therewith, and even though not specifically mentioned in the instrument of transfer, shall automatically pass to the grantee or transferee of such Unit. Such right of use shall not be revocable, nor may it be voluntarily or involuntarily relinquished, waived,

or abandoned.

ARTICLE XI: VOTING - MULTIPLE OWNERSHIP

The vote attributable to and exercisable in connection with a Unit shall be the fraction of undivided ownership interest in the Common Areas and Facilities which is appurtenant to such Unit. In the event there is more than one Owner of a particular Unit, the vote relating to such Unit shall be exercised as such Owners may determine among themselves. A vote cast at any meeting by any of such Owners shall be conclusively presumed to be the vote attributable to the Unit concerned unless an objection is immediately made by another Owner of the same Unit. In the event such an objection is made, the vote involved shall not be counted for any purpose whatsoever other than to determine whether a quorum exists.

ARTICLE XII: MANAGEMENT

1. Management Committee. The business, property and affairs of the Project shall be managed, operated and maintained by the Board of Trustees of the Centennial Park Condominiums Owners' Association, a Utah Non-Profit Corporation (hereinafter referred to as "Management Committee"). The Centennial Park Condominiums Owners' Association shall, in connection with its exercise of any of the powers delineated in paragraphs (a) through (g) below through its Board of Trustees, the Management Committee hereunder, constitute a legal entity capable of dealing in its own name. The Management Committee shall have, and is hereby granted, the following authority and powers:

(a) the authority, without the vote or consent of the Unit Owners or of any other person(s), to grant or create, on such terms as it deems advisable, utility and similar easements, over, under, across and through the Common Areas and Facilities;

(b) the authority to execute and record, on behalf of all Unit Owners, any amendment to the Declaration or Map which has been approved by the vote or consent necessary to authorize such amendment;

(c) the power to sue and be sued;

(d) the authority to enter into contracts which in any way concern the Project, so long as any vote or consent of the Unit Owners necessitated by the subject matter of the agreement has been obtained;

(e) the power and authority to convey or transfer any interest in real property, so long as any vote or consent necessary under the circumstances has been obtained;

(f) the authority to promulgate such reasonable rules and regulations as may be desirable to aid the Committee in carrying out any of its functions or to insure that the Project

is maintained and used in a manner consistent with the interests of the Unit Owners; and

(g) the power and authority to perform any other acts and to enter into any other transactions which may be reasonably necessary or appropriate for the Management Committee to perform its functions as agent for the Unit Owners.

Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument.

2. Composition of Management Committee. The Management Committee shall be composed of, and governed by Five (5) trustees. At each regular Owner's meeting, Trustees shall be elected for one (1) year terms. Except for the initial Management Committee, only Unit Owners and their officers and agents shall be eligible for Committee membership. At the annual meeting, the Owner(s) of each Unit shall be entitled to one (1) vote for each seat to be filled. Said votes may be voted in favor of as many candidates for Committee Membership as the Owner(s) desire, or may be cumulated and voted for a lesser number of candidates; provided, however, until the "Transfer of Control Date", as defined in this Article XII, Section 2(a) below, Declarant alone shall be entitled to select the Trustees.

(a) Transfer of Control Date. As provided in 38 C.F.R. § 36.4359(a)(1)-(3), the Transfer of Control Date is the earlier of the following dates: (i) 120 days after the date by which 75 percent of the units have been conveyed to unit purchasers; or (ii) that date which is 5 years from the date of the first conveyance of a unit to a unit purchaser. Unit owners are to be encouraged to have early participation in the management of the Project.

(b) Initial Management Committee. Notwithstanding the foregoing limitations, until the first meeting of the Owners, the Trustees shall be the following persons and each shall hold office as indicated:

Gary L. Taylor	President
Kevin G. Taylor	Vice President
Kyle R. Taylor	Secretary/Treasurer
Reese Johnson	Trustee at Large
Kenneth E. Bell	Trustee at Large

Any Trustee who fails on three (3) successive occasions to attend Committee meetings (whether regular or special) or who has not attended at least seventy-five percent (75%) of all Committee meetings (whether regular or special) held during any twelve (12) month period shall automatically forfeit his seat. In the event a Trustee seat becomes vacant, whether by reason of forfeiture or due to another cause, the remaining Trustees shall elect a replacement to sit on the Committee until the expiration of the term for which the member being replaced

was elected. Unless he forfeits or otherwise loses his seat as herein provided, a Trustee shall serve on the Committee until his successor is elected and qualifies. Trustees shall be reimbursed out of common expense assessments for all expenses reasonably incurred in connection with Committee business, but shall receive no additional compensation for their services as Trustees.

3. Responsibility. The Management Committee shall be responsible for the control, operation and management of the Project in accordance with the provisions of the Act, this Declaration, such administrative, management and operational rules and regulations as it may adopt from time to time as herein provided, and all agreements and determinations lawfully made and entered into by said Committee.

4. Approval Required. The Management Committee shall not, without the prior favorable vote or the written consent of the Owners of a majority interest in the undivided ownership of the Common Area, have the authority to purchase or sell any real property or add any property to the Common Area.

5. Additional Facilities. The Management Committee shall, subject to any necessary approval, have the authority to provide such facilities, in addition to those for which provision has already been made, as it may deem to be in the best interests of the Unit Owners and to effect the necessary amendment of documents and maps in connection therewith.

6. Name. As set forth above, the Management Committee shall be, and shall be known as the Centennial Park Condominiums Owners' Association, a Utah Non-Profit Corporation.

7. Manager. The Committee may carry out through a Project Manager any of its functions which are properly the subject of delegation. To the extent allowed by law, any Manager so engaged shall be an independent contractor and not an agent or employee of the Committee, shall be responsible for managing the Project for the benefit of the Committee and the Unit Owners, and shall, to the extent permitted by law and the terms of the agreement with the Committee, be authorized to perform any of the functions or acts required or permitted to be performed by the Management Committee itself. Any agreement for professional management of the Project must be terminable for cause upon 30 days' notice, and run for a reasonable period of from 1 to 3 years and be renewable for consent of the Management Committee. Management agreements negotiated by the Declarant shall not have a term exceeding 2 years in length.

ARTICLE XIII: EASEMENTS

1. Each Unit shall be subject to such easements as may be necessary for the installation, maintenance, repair or replacement of any Common Areas and Facilities located within the boundaries of such Unit or reasonably accessible only through such Unit.

2. In the event that, by reason of the construction, reconstruction, settlement or shifting of

any part of a building, any part of the Common Areas and Facilities encroaches or shall hereafter encroach upon any part of any Unit or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Areas and Facilities or any other Unit, valid easements for such encroachment and the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit and the Common Areas and Facilities, as the case may be, so long as all or any part of the building containing any such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of any Unit Owner or in favor of the Unit Owners as owners of the Common Areas and Facilities if such encroachment occurred due to the wrongful conduct of such Unit Owner or Owners occurring after the date on which this Declaration is recorded.

ARTICLE XIV: CHANGE IN OWNERSHIP

The Management Committee shall maintain up-to-date records showing the name of each Owner, the address of such Owner, and the Unit which is owned by him. In the event of any transfer of a fee or undivided fee interest in a Unit either the transferor or transferee shall furnish the Management Committee with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of the county where the Project is located. The Management Committee may for all purposes act and rely on the information concerning Owners and Unit Ownership which is thus acquired by it or, at its option, the Management Committee may act and rely on current ownership information respecting any Unit or Units which is obtained from the office of the County Recorder of the County where the Project is located. The address of an Owner shall be deemed to be the address of the Unit owned by such Owner unless the Management Committee is otherwise advised. An Owner who fails to so furnish the above information shall continue to be liable for monthly assessments of common expenses even after transferring ownership of the Unit.

ARTICLE XV: ASSESSMENTS

Every Unit Owner shall pay his proportionate share of the Common Expenses. Payment thereof shall be in such amounts and at such times as the Management Committee determines in accordance with the Act, the Declaration or the Bylaws. There shall be a lien for nonpayment of Common Expenses as provided in the Act.

In assessing Unit Owners for capital improvements, no assessment for a single improvement in the nature of a capital expenditure exceeding the sum of Five Thousand and No/100 Dollars (\$5,000.00) shall be made without the same having been first voted on and approved by at least a majority of the Project's undivided ownership interest.

ARTICLE XVI: DESTRUCTION OR DAMAGE

In the event of destruction of or damage to part or all of the improvements in the Condominium Project, the procedures of this section shall apply.

1. If the proceeds of the insurance maintained by the Management Committee are alone sufficient to repair or reconstruct the damaged or destroyed improvement, such repair or reconstruction shall be carried out.

2. If less than seventy-five percent (75%) of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Committee are not alone sufficient to accomplish repair or reconstruction, restoration shall be carried out and all of the Unit Owners shall be assessed for any deficiency on the basis of their respective appurtenant percentages of undivided ownership interest in the Common Areas and Facilities, said assessment becoming a lien on the Units as provided in the Act.

3. If seventy-five percent (75%) or more of the Project's improvements are destroyed or substantially damaged, and if proceeds of the insurance maintained by the Management Committee are not alone sufficient to accomplish restoration, and if the Unit Owners within one hundred (100) days after the destruction or damage by a vote of at least seventy-five percent (75%) of the entire undivided ownership interest in the Common Areas and Facilities of the Project elect to repair or reconstruct the affected improvements, restoration shall be accomplished in the manner directed under § 2, above.

4. If seventy-five percent (75%) or more of the Project's improvements are destroyed or substantially damaged, if proceeds of the insurance maintained by the Committee are insufficient to accomplish restoration, and if the Unit Owners do not within one hundred (100) days after the destruction or damage and by a vote of at least seventy-five percent (75%) of the entire undivided ownership interest in the Common Areas and Facilities of the Project, elect to repair or reconstruct the affected improvements, the Management Committee shall promptly record with the County Recorder of the county where the Project is located a notice setting forth such facts. Upon the recording of such notice the provisions of subsections (1) through (4) of Section 57-8-31, Utah Code Ann. (1953 as amended), shall apply and shall govern the rights of all parties having an interest in the Project or any of the Units.

5. Any reconstruction or repair which is required to be carried out by this Article shall be accomplished at the instance and direction of the Management Committee. Any determination which is required to be made by this section regarding the extent of damage to or destruction of Project improvements shall be made as follows:

The Management Committee shall retain three (3) appraisers; each appraiser shall independently estimate the percentage of project improvements which have been destroyed or substantially damaged; the percentage which governs the application of the provisions of this section shall be the median of the three (3) estimates.

FORM 8301 P18282

ARTICLE XVII: TAXES

It is understood that under the Act each Unit, together with its fraction of undivided interest in the Common Areas and Facilities in the Project, is deemed a parcel and subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law. Each Unit Owner will, accordingly, pay and discharge any and all taxes which may be assessed against his Condominium. All taxes, assessments and charges which may become liens prior to any First Mortgage shall relate only to the individual Unit against which they are assessed and not to the Project as a whole.

ARTICLE XVIII: INSURANCE

1. Hazard Insurance. The Management Committee or Association of Unit Owners shall at all times maintain in force hazard insurance meeting the following requirements:

(a) A multi-peril type policy covering the entire Condominium Project (both Units and Common Areas and Facilities) shall be maintained. Such policy shall provide coverage against loss or damage by fire and other hazards covered by the standard extended coverage endorsement and by debris removal, cost of demolition, vandalism, malicious mischief, windstorm, water damage, and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location, and use. As a minimum, such policy shall provide coverage on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage specified in the policy, but not less than one hundred percent (100%) of the full insurable value of the Project (based upon replacement cost). Such policy shall include an "Agreed Amount Endorsement" or its equivalent, and, if necessary or appropriate, an "Increased Cost of Construction Endorsement" or its equivalent.

(b) If a steam boiler is or comes to be contained in the Project, there shall be maintained boiler explosion insurance and a broad form policy of repair and replacement boiler and machinery insurance, evidenced by the standard form of boiler and machinery, insurance policy. Said insurance shall, as a minimum, provide coverage in the amount of One Hundred Thousand Dollars (\$100,000.00) per accident per location.

(c) If the Project is or comes to be situated in a locale identified by the Secretary of Housing and Urban Development as an area having special flood hazards and the sale of flood insurance has been made available under the National Flood Insurance Act of 1968, a "blanket" policy of flood insurance on the Condominium Project shall be obtained and maintained. The minimum amount of coverage afforded by such policy shall be the lesser of the maximum amount of insurance available under the said Act or the aggregate of the most recent tax valuations affecting the individual Units. Such policy shall be in the form of the standard policy issued by members of the National Flood Insurers Association or in the form of a policy which meets the criteria established by the Flood Insurance Administration.

(d) The named insured under each policy required to be maintained by the foregoing items (a), (b) and (c) shall be in form and substance essentially as follows: "The Management Committee and the Association of Unit Owners of the Centennial Park Condominiums, or their authorized representative, for the use and benefit of the individual Owners".

(e) Each such policy shall include the standard mortgagee clause (without contribution) which either shall be endorsed to provide that any proceeds shall be paid to the Management Committee or the Association of Unit Owners for the use and benefit of Mortgagees as their interests may appear or shall be otherwise endorsed to fully protect the interests of Mortgagees. In addition, the mortgagee clause shall provide that the insurance carrier shall notify each Mortgagee at least thirty (30) days in advance of the effective date of any reduction in or cancellation of the policy.

(f) Each such policy shall provide that notwithstanding any provision thereof which gives the carrier the right to elect to restore damage in lieu of making a cash settlement, such option shall not be exercisable if it is in conflict with any requirement of law or without the prior written approval of the Association.

2. Fidelity Insurance. The Management Committee or Association shall be authorized to maintain in force fidelity coverage against dishonest acts on the part of managers (and employees of managers), trustees, employees, officers, Committee members, or volunteers responsible for handling funds belonging to or administered by the Management Committee or Association of Unit Owners. The fidelity bond or insurance shall name the Association as the obligee or insured and shall be written in an amount sufficient to afford the protection reasonably necessary, but in no event less than one and one-half times (150%) the Project's estimated annual operating expenses and reserves. An appropriate endorsement to the policy shall be secured to cover persons who serve without compensation if the policy would not otherwise cover volunteers.

3. Liability Insurance. The Management Committee or Association of Unit Owners shall at all times maintain in force a comprehensive policy of public liability insurance covering all of the Common Areas and Facilities. Such insurance shall include a "Severability of Interest Endorsement" or its equivalent which shall preclude the insurer from denying the claim of a Unit Owner because of negligent acts of other Owners, the Management Committee, or the Association of Unit Owners. The coverage afforded by such public liability insurance shall include protection against water damage liability, liability for non-owned and hired automobiles, liability for property of others, garage keeper's liability (if applicable), and such other risks as customarily are covered with respect to condominium projects similar to the Project in construction, location, and use. The limits of liability under such insurance shall not be less than One Million Dollars (\$1,000,000.00) for all claims for personal injury, death and/or property damage arising out of a single occurrence.

4. General Requirements Concerning Insurance. Each insurance policy maintained pursuant to the foregoing Article XVIII §§ 1 through 3. shall be written by an insurance carrier which is licensed to transact business in the State of Utah and which has a financial rating by Best's

Insurance Reports of Class A-VI or better. No such policy shall be maintained where:

(a) under the terms of the carrier's charter, bylaws or policy, or any other agreement with the carrier, contributions may be required from, or assessments may be made against, a Unit Owner, a Mortgagee, the Management Committee, the Association of Unit Owners, a Unit, the Common Areas, or the Project;

(b) by the terms of the carrier's charter, bylaws, or policy, or any other agreement with the carrier, loss payments are contingent upon action by the carrier's board of directors, policyholders, or members;

(c) the policy includes any limiting clauses (other than insurance conditions) which could prevent the party entitled from collecting insurance proceeds; or

(d) the policy provides that the insurance thereunder shall be brought into contribution with insurance purchased by the individual Unit Owners or their mortgagees.

Each such policy shall provide that:

(a) coverage shall not be prejudiced by any act or neglect of the Unit Owners;

(b) coverage shall not be prejudiced by any failure by the Association or Committee to comply with any warranty or condition, with regard to any portion of the Project;

(c) coverage may not be canceled or substantially modified (including cancellation for nonpayment of premium) without at least thirty (30) day prior written notice to any and all insured named therein, including any Mortgagee named as an insured; and

(d) the insurer waives any right of subrogation it might have to any and all claims against the Association, the Management Committee, any Unit Owner, and/or their respective agents, employees or tenants, and any defense it might have based upon co-insurance or upon invalidity arising from acts of the insured.

If, due to changed circumstances, excessive cost, or any other reason, any of the insurance coverage required to be obtained and maintained under §§ 1 through 3 of this Article XVIII cannot reasonably be secured, with respect to such coverage the Association or the Committee shall obtain and maintain such substitute, different or other coverage as may be reasonable and prudent under the circumstances as they then exist.

ARTICLE XIX: PAYMENT OF EXPENSES

1. Each Unit Owner shall pay the Management Committee his allocated portion of the cash requirement to manage and operate the Condominium Project, upon the terms, at the time, and

PNW 8301P(8285

in the manner herein provided without any deduction on account of any set-off or claim which the Owner may have against the Management Committee or Association. If the Unit Owner shall fail to pay any installment within one (1) month of the time when the same becomes due, the Owner shall pay a late payment penalty of Ten Percent (10.0%), and interest thereon at the rate of eighteen percent (18%) per annum from the date when such installment shall become due to the date of the payment thereof.

2. The cash requirements above referred to for each year, or portion of the year, are hereby defined and shall be deemed to include an adequate reserve fund for maintenance, repairs and replacement of those Common Areas and Facilities that must be replaced on a periodic basis, plus such aggregate sum as the Management Committee from time to time shall determine, in its judgment, is to be paid by all the Owners of the Condominium Project then in existence to enable the Management Committee to pay all estimated expenses and outlays of the Management Committee to the close of such year, growing out of or in connection with the maintenance and operation of such land, building, and improvements, which sum may include, among other things, the cost of management, special assessments, fire, casualty, flood, fidelity, public liability and other insurance premiums, common lighting, landscaping and the care of the grounds, repairs, and renovations to Common Areas and Facilities, snow removal, wages, all utility services (except telephone, electricity, water and other services which are separately billed or metered to the individual Units by the utility or party furnishing such service), legal and accounting fees, management fees, expenses and liabilities incurred by the Management Committee under or by reason of this Declaration, the payment of a deficit remaining from the previous period, the creation of a reasonable contingency or other necessary reserve or surplus fund, as well as all other costs and expenses relating to the Condominium Project. The Management Committee may, from time to time, up to the close of the year for which such cash requirements have been so fixed or determined, increase or diminish the amount previously fixed or determined for such year. It may include in the cash requirements for any year, any liabilities or items of expense which accrued or became payable in the previous year, or which might have been included in the cash requirements for the previous year, but were not included therein; and also any sums which the Management Committee may deem necessary or prudent to provide a reserve against liabilities or expenses then accrued or thereafter to accrue although not payable in that year.

3. The portion payable with respect to each Unit in and for each year or for a portion of any year shall be a sum equal to the aggregate amount of such cash requirements for such year, or portion of year, determined as aforesaid, multiplied by the fraction of undivided interest in the Common Areas and Facilities appurtenant to such Unit, as shown in Exhibit "B". Such assessments, together with any additional sums accruing under this Declaration, shall be payable monthly in advance, or in such payments and installments as shall be provided by the Management Committee. The monthly share initially attributable to each Unit is set forth on Exhibit "B" and constitutes the initial assessment. A sum equal to twice the initial monthly assessment is to be paid by the initial purchaser at the time of purchase. The foregoing is only an estimate, however, and may be revised by the Management Committee as experience is accumulated.

4. The Management Committee shall have discretionary powers to prescribe the manner of maintaining and operating the Condominium Project and to determine the cash requirements of the Project to be paid as aforesaid by the Owners under this Declaration. Every such reasonable determination by the Management Committee within the bounds of the Act and this Declaration shall be final and conclusive as to the Owners, and any expenditures made by the Management Committee, within the bounds of the Act and this Declaration, shall be final and conclusive as to the Owners, and deemed necessary and properly made.

5. If an Owner shall at any time let or sublet his Unit and shall default for a period of one (1) month in the payment of any assessments, the Management Committee may, at its option, so long as such default shall continue, demand and receive from any tenant or subtenant of the Owner occupying the Unit so much of the rent due or becoming due and payable as is necessary to cure said default and the payment of such rent to the Management Committee shall be sufficient payment and discharge of such tenant or Subtenant and the Owner to the extent of the amount so paid.

6. Each monthly assessment and each special assessment shall be separate, distinct and personal obligations of the Owner(s) of the Unit against which the same is assessed at the time the assessment is made and shall be collectible as such. Suit to recover a money judgment for unpaid Common Expenses may be maintained without foreclosure or waiving the lien (described hereafter) securing the same. If not paid when due, the amount of any assessment, whether regular or special, assessed to a Unit plus late payment penalties and interest at twelve percent (12.00%) per annum, costs of action and reasonable attorney's fees, shall become a lien upon such Unit upon recordation of a notice thereof as provided by the Act. The said lien for non-payment of common expenses shall have priority over all other liens and encumbrances, recorded or unrecorded, except only:

(a) tax and special assessment liens on the Unit in favor of any assessing unit, or special district; and

(b) encumbrances on the interest of the Unit Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

7. In any conveyance, except to a mortgagee as hereinafter set forth, the grantee of a Unit shall be jointly and severally liable with the grantor for all unpaid assessments against the latter for his share of the common expenses up to the time of the grant or conveyance, without prejudice to the grantee's rights to recover from the grantor the amounts paid by the grantee. However, any such grantee shall be entitled to a statement from the Manager or Management Committee setting forth the amounts of the unpaid assessments against the grantor, and such grantee shall not be liable for, nor shall the Unit conveyed be subject to a lien for, any unpaid assessments against the grantor in excess of the amount set forth.

8. A certificate executed and acknowledged by the Manager or Management Committee

stating the unpaid common expenses then outstanding with respect to a Unit shall be conclusive upon the Management Committee and the Owners as to the amount of such indebtedness on the date of the certificate, in favor of all persons who rely thereon in good faith, and such certificate shall be furnished to any Owner or encumbrancee or prospective Owner or encumbrancee of a Unit upon request at a reasonable fee initially not to exceed Ten Dollars (\$10.00). Unless the request for a certificate of indebtedness shall be complied with within ten (10) days, all unpaid Common Expenses which become due prior to the date of making of such request shall be subordinate to the lien or interest held by or obtained by the person making the request. Any encumbrancee holding a lien on a Unit may pay any unpaid Common Expenses payable with respect to such Unit and upon such payment that encumbrancee shall have a lien on that Unit for the same rank as the lien of his encumbrance for the amounts paid.

9. Such lien for non-payment of assessment may be enforced by sale by the management Committee or by a bank or trust company or title insurance company authorized by the Management Committee, such sale to be conducted in accordance with the provisions of the law applicable to the exercise of powers of sale or foreclosure in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Unit Owner shall be required to pay the costs and expenses of such proceedings including reasonable attorney's fees.

10. In the event of foreclosure, the Unit Owner, if he is an owner-occupier and desires to remain in the Unit during any redemption period, shall be required to pay a reasonable rental for the Unit and the plaintiff in the foreclosure action shall be entitled to the appointment of a receiver to collect the rental without regard to the value of the security. The Management Committee or Manager shall have the power to bid on the Unit at foreclosure or other sale and to hold, lease, mortgage and convey the Unit. Prior to foreclosure or other sale, upon payment or other satisfaction of delinquent assessments concerning which a notice of assessment has been recorded, the Management Committee shall cause to be recorded in the same manner as the notice of assessment a further notice stating the satisfaction and release of the lien thereof.

ARTICLE XX: MORTGAGEE PROTECTION

1. From and after the time a Mortgagee makes written request to the Management Committee or the Association of Unit Owners therefor, the Committee or the Association shall notify such Mortgagee in writing in the event that the Owner of the Unit encumbered by the mortgage held by such Mortgagee neglects for a period of sixty (60) or more days to cure any failure on his part to perform any of his obligations under this Declaration.

2. The lien or claim against a Unit for unpaid assessments or charges levied by the Management Committee or by the Association of Unit Owners pursuant to this Declaration or the Act shall be subordinate to a prior recorded First Mortgage affecting such Unit. Such a Mortgagee who obtains title to a Unit pursuant to his Mortgage by foreclosure shall not be liable for such Unit's unpaid assessments which accrue prior to the acquisition of title to such Unit by the Mortgagee and shall take the same free of such lien or claim for unpaid assessments or

charges, but only to the extent of assessments or charges which accrue prior to the acquisition of title to such Unit by Mortgagee (except for claims for a pro rata share of such prior assessments or charges resulting from a pro rata reallocation thereof to all Units including the Unit in which the Mortgagee is interested). No assessment, charge, lien or claim which is described in the preceding sentence as being subordinate to a Mortgage or as not a burden to a Mortgagee coming into possession pursuant to his Mortgage shall be collected or endorsed by either the Management Committee or the Association from or against a Mortgagee, a successor in title to such a Mortgagee, or the Unit affected or previously affected by the Mortgage concerned (to the extent any such collection or enforcement would prejudice the interests of the Mortgagee or successor in title to the Mortgagee interested in such Unit).

3. Unless at least two-thirds (2/3) of the First Mortgagees (based upon one (1) vote for each First Mortgage owned), and Unit Owners (other than Declarant) of the individual Units have given their prior written approval, neither the Management Committee nor the Association of Unit Owners shall be entitled, by act, omission, or otherwise:

(a) to seek to abandon or terminate the Condominium Project or to abandon or terminate the arrangement which is established by this Declaration and the Record of Survey Map (except as provided in Article XVI hereof in the event of certain destruction or damage);

(b) to partition or subdivide any Unit;

(c) to seek to abandon, partition, subdivide, encumber, sell or transfer all or any of the Common Areas and Facilities (except for the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Areas and Facilities except as provided in Article XVI hereof in the event of certain destruction or damage) ;

(d) to use hazard insurance proceeds resulting from damage to any part of the Condominium Project (whether to Units or to the Common Areas) for purposes other than the repair, replacement, or reconstruction of such improvements, except as provided by statute in the event of substantial loss to the Units and/or Common Areas and Facilities;

(e) to change the pro rata interests or obligations of any Unit, except to provide for periodic adjustments as the condominium regime is expanded, which apply for (1) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards or for (2) determining the pro rata share of ownership of each Unit in the Common Areas and Facilities;

(f) to alter the provisions of Article XVIII hereof in such a way as to diminish the insurance protection required to be afforded to the parties designed to be protected thereby, or to fail to maintain the insurance coverage described therein.

4. Any Mortgagee shall have the right, at its request and expense and upon reasonable notice,

to examine the books and records of the Management Committee, or the Association of Unit Owners, or of the Condominium Project. From and after the time a Mortgagee makes written request to the Management Committee or the Association of Unit Owners therefor, the Committee or the Association shall furnish to such Mortgagee copies of such annual operating reports and other reports or writings summarizing or reflecting the financial position or history of the Condominium Project as may be prepared for distribution to or use by the Committee, the Association, or the Unit Owners.

5. The Management Committee and the Association shall establish an adequate reserve fund to cover the cost of reasonably predictable and necessary major repairs and replacements of the Common Areas and Facilities and shall cause such repairs to be funded by regular monthly or other periodic assessments against the Units rather than by special assessments, to the extent possible.

6. From and after the time a Mortgagee makes written request to the Management Committee or the Association of Unit Owners therefor, the Committee or the Association shall notify such Mortgagee in writing in the event that there occurs any damage or loss to, or any taking or anticipated condemnation of:

(a) the Common Areas involving an amount in excess of, or reasonably estimated to be in excess of, Fifty Thousand and No/100 Dollars (\$50,000.00); or

(b) any Unit involving an amount in excess of, or reasonably estimated to be in excess of, One Thousand Dollars (\$1,000.00).

Said notice shall be given within ten (10) days after the Management Committee or said Association learns of such damage, loss, taking or anticipated condemnation.

7. Nothing contained in this Declaration shall give a Unit Owner, or any other party, priority over any rights of a prior recorded First Mortgagee pursuant to its Mortgage in the case of a distribution to such Unit Owner of insurance proceeds or condemnation awards for losses to or a taking of condominium Units and/or Common Areas and Facilities.

8. No amendment to this Article XX which has the effect of diminishing the rights, protection or security afforded to Mortgagees shall be accomplished or effective unless all of the Mortgagees of the individual Units have given their prior written approval to such amendment. Any amendment to this Article XX shall be accomplished by an instrument executed by the Management Committee and filed for record in the office of the County Recorder of the county where the Project is located. In any such instrument an officer of the Management Committee shall certify that any prior written approval of Mortgagees required by this Article XX as a condition to amendment has been obtained.

ARTICLE XXI: EMINENT DOMAIN

In the event that eminent domain proceedings are commenced against the Project or any portion thereof, the provisions of § 57-8-32.5, Utah Code Ann. (1953 as amended) shall apply. The Management Committee shall give written notice of such proceedings to all Mortgagees of record. No first lien priority of any Mortgagee shall be diminished or otherwise disturbed by virtue of such proceedings.

ARTICLE XXII: MAINTENANCE

1. Each Owner of a Unit at his own expense shall keep the interior of such Unit and its equipment and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall do all redecorating and painting which may at any time be necessary to maintain the good appearance of such Unit. Except to the extent that the Management Committee on behalf of all Unit Owners is protected by insurance against such injury, the Unit Owner shall repair all injury or damages to the Unit, building or buildings caused by the act, negligence or carelessness of the Unit Owner or that of any tenant or subtenant or any member of the Unit Owner's family or of the family of any tenant or subtenant or any agent, employee or guest of the Owner or his tenant or subtenant and all such repairs, redecorating and painting shall be of a quality and kind equal to the original work. In addition to decorating and keeping the interior of the Unit in good repair, the Unit Owner shall be responsible for the maintenance or replacement of any heating equipment, hot water equipment or plumbing fixtures that may be used exclusively by the Unit. Each Unit Owner shall be entitled to the exclusive use and possession of the Limited Common Areas appurtenant to his Unit; provided, however, that without the written permission of the Management Committee first had and obtained, a Unit Owner shall not make or permit to be made any structural alteration, in or to the Unit or in or to the exterior of the building, and shall not paint or decorate any portion of the exterior of the Unit or of the building in which the Unit is located.

2. Except as hereinafter provided, the Management Committee shall provide for such maintenance and operation of the Common Areas and Facilities as may be reasonably necessary to keep them clean, functional, attractive and generally in good condition and repair. The Management Committee shall have no obligation regarding maintenance or care of Units.

ARTICLE XXIII: RIGHT OF ENTRY

The Management Committee and its duly authorized agents shall have the right to enter any and all of the Units in case of an emergency originating in or threatening such Unit or any other part of the Project, whether or not the Unit Owner or occupant thereof is present at the time. The Committee and its duly authorized agents shall also have the right to enter into any and all of said Units at all reasonable times as required for the purpose of making necessary repairs upon the Common Areas and Facilities of the Project or for the purpose of performing emergency installations, alterations or repairs to the mechanical or electrical devices or installations located

therein or thereon; provided, however, such emergency installations, alterations or repairs are necessary to prevent damage or threatened damage to other Units in the Projects and provided further, that the Unit Owner affected by such entry shall first be notified thereof if available and if time permits.

ARTICLE XXIV: ADMINISTRATIVE RULES AND REGULATIONS

The Management Committee shall have the power to adopt and establish by resolution, such Project management and operational rules as it may deem necessary for the maintenance, operation, management and control of the Project. The Committee may, from time to time by resolution, alter, amend and repeal such rules. When a copy of any amendment or alteration or provision for repeal of any rule or rules has been furnished to the Unit Owners, such amendment, alteration or provision shall be taken to be a part of such rules. Unit Owners shall at all times obey such rules and see that they are faithfully observed by those persons over whom they have or may exercise control and supervision, it being understood that such rules shall apply and be binding upon all Unit Owners, tenants, subtenants or other occupants of the Units.

ARTICLE XXV: OBLIGATION TO COMPLY HEREWITH

Each Unit Owner, tenant, subtenant or other occupant of a Unit shall comply with the provisions of the Act, this Declaration, the Bylaws, and the rules and regulations, all agreements and determinations lawfully made and/or entered into by the Management Committee or the Unit Owners, when acting in accordance with the proper authority, and any failure to comply with any of the provisions thereof shall be grounds for an action by the Management Committee or other aggrieved party for injunctive relief or to cover any loss or damage resulting therefrom, including costs and reasonable attorney's fees.

ARTICLE XXVI: INDEMNIFICATION OF MANAGEMENT COMMITTEE

Each member of the Management Committee shall be indemnified and held harmless by the Association of Unit Owners against all costs, expenses and liabilities whatsoever, including, without limitation, attorney's fees reasonably incurred by him in connection with any proceeding in which he may become involved by reason of his being or having been a member of said Committee; provided, however, the foregoing indemnification shall not apply if the loss, expense or liability involved resulted from the willful misconduct or gross negligence of the member.

ARTICLE XXVII: AMENDMENT

This Declaration and/or the Map may be amended to provide for the expansion and addition of Additional Land as set forth above by the Declarant without additional approval or consent of the owners or the Management Committee. Furthermore, in addition to the amendment provisions

contained in Article VI hereof, and subject to the terms of Article XX, this Declaration and/or the Map may be amended upon the affirmative vote or approval and consent of owners having ownership of not less than 75.00 percent of the undivided interest in the Common Areas and Facilities, calculated on the basis of the Minimum Percentage Interest for each Unit set forth in Exhibit "E" attached hereto, counting as a Unit all potential Units if the Project is fully expanded as contemplated herein, with the Declarant treated as the owner of any unsold Unit for the purposes of said vote. Notwithstanding the foregoing, except for amendments to provide for the expansion and addition of Additional Land as set forth above, until the "Transfer of Control Date", as defined in Article XII, Section 2(a) above, any such amendment is only effective with the consent and approval of the Department of Veteran's Affairs, through its authorized representatives.

Any amendment so authorized shall be accomplished by recordation of an instrument executed by the Management Committee. In said instrument the Committee shall certify that the vote or consent required by this article XXVII has occurred. Notwithstanding any other provision contained herein, until occurrence of either of the events referred to in Article XXIX hereof, no amendment to the Map or to any provision of this Declaration which has or may have the effect of diminishing or impairing any right, power, authority, privilege, protection or control given to the Declarant (in its capacity as Declarant) herein shall be accomplished or effective unless the instrument through which such amendment is purported to be accomplished is consented to in writing by Declarant.

ARTICLE XXVIII: CONSENT IN LIEU OF VOTE

In any case in which the Act or this Declaration requires the vote of a stated percentage of the Project's undivided ownership interest for authorization or approval of a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Unit Owners who collectively hold at least the stated percentage of undivided ownership interest. The following additional provisions shall govern any application of this section:

1. All necessary consents must be obtained prior to the expiration of ninety (90) days after the first consent is given by any Owner;
2. Any change in ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and
3. Unless the consents of all Owners having an interest in the same Unit are secured, the consent of none of such Owners shall be effective.

ARTICLE XXIX: DECLARANT'S SALES PROGRAM

Notwithstanding any other provision of this Declaration, until Declarant ceases to be a Unit Owner or the expiration of three (3) years after the date on which this Declaration is filed for record in the office of the County Recorder of the county where the Project is located, whichever first occurs (hereinafter referred to as the "Occurrence"), Declarant shall have the following rights in furtherance of any sales, promotional, or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant.

1. Declarant shall have the right to maintain a sales office and/or model Unit(s). Such office and/or model Unit(s) may be Unit(s) (at any location) owned by Declarant.

2. Declarant shall have the right to maintain a reasonable number of promotional, advertising, and/or directional signs, banners or similar devices at any place or places on the Property, but any such device shall be of a size and in a location as is reasonable and customary.
