To Whom It May Concern:

I think there should be another option for renting the units to outsiders. The BOD should select three rental agencies and stipulate if an owner rents his/her unit it should be rented through one of those agencies. Hopefully these agencies should screen the applicants and we would have quality tenants that will take care of the facility not destroy it.

It will make it difficult to sell the units if the regime has a restriction on renting.

Yours truly,

Guyla Daley
