

RESOLUTION NO. 44 OF 2000

A RESOLUTION TO CREATE SALT LAKE CITY, UTAH SPECIAL IMPROVEMENT DISTRICT NO. 101011, GENERALLY AS DESCRIBED IN THE NOTICE OF INTENTION CONCERNING THE DISTRICT; AUTHORIZING THE CITY OFFICIALS TO PROCEED TO MAKE IMPROVEMENTS AS SET FORTH IN THE NOTICE OF INTENTION TO CREATE THE DISTRICT; AND RELATED MATTERS.

BE IT RESOLVED BY THE City Council (the "Council") of Salt Lake City, Utah as follows:

Section 1. The Council has determined it will be in the best interest of Salt Lake City (the "City") to construct the improvements identified and generally described in the Notice of Intention adopted by the Council in Resolution No. 22 of 2000 (the "Notice of Intention") for the Salt Lake City, Utah Special Improvement District No. 101011 (the "District").

Section 2. The improvements proposed and generally described in the Notice of Intention are hereby authorized and the District is hereby created to construct and finance those improvements.

Section 3. The area included within the District is described in the Notice of Intention. The legal description or tax identification numbers of the included properties are more fully set forth in Exhibit "A" attached hereto.

Section 4. As required by law, the City Recorder is hereby authorized and directed to file a copy of the Notice of Intention and this Resolution creating the District, together with a list of properties proposed to be assessed, described by tax identification number and legal description in the Salt Lake County Recorder's office within five days from the date hereof.

ADOPTED AND APPROVED this 11th day of July, 2000.

PRESENTATION TO THE MAYOR

The foregoing resolution was presented to the Mayor for his approval or disapproval on the ___ day of ____, 2000.

Chair

MAYOR'S APPROVAL OR DISAPPROVAL

The foregoing resolution is hereby approved this ~~24~~ day of ~~Jan~~ Feb, 2000.

Mayor

NOTICE OF INTENTION

PUBLIC NOTICE IS HEREBY GIVEN that on the 18th day of April, 2000, the City Council of Salt Lake City, Salt Lake County, Utah (the "City"), adopted a resolution declaring its intention to create a special improvement district to be known as Salt Lake City, Utah Special Improvement District No. 101011 (the "District"). It is the intention of the City Council to make improvements within the District and to levy special assessments as provided in Chapter 3, Part 3, Title 17A, Utah Code Annotated 1953, as amended, on the real estate lying within the District for the benefit of which such assessments are to be expended in the making of such improvements.

DESCRIPTION OF DISTRICT AND LOCATION OF IMPROVEMENTS

The District will be created and improvements will be constructed within the boundaries of Salt Lake City, Utah. The general area of the District is bounded on the north by the south side of 900 South; on the south by the north side of 1300 South; on the east by the east side of 900 East; and on the west by the east side of 700 East. The properties to be improved and assessed about the following sections of street:

<u>Streets</u>	<u>Sections to be Improved</u>	<u>Side</u>
700 East	From 900 South to 1300 South	East Side
800 & 900 East	From 900 South to 1300 South	Both Sides
900 South	From 700 East to 900 East	South Side
1300 South	From 700 East to 900 East	North Side
Lake Street	From 900 South to 1300 South	Both Sides
Windsor Street	From 900 South to 1300 South	Both Sides
Belmont Avenue	From 700 East to 900 East	Both Sides
Yale Avenue	From 700 East to 900 East	Both Sides
Princeton Avenue	From 700 East to 900 East	Both Sides
Liberty Avenue	From 700 East to 800 East	Both Sides

A map of the District and rates for assessments are available for review in the City Engineer's Office, 324 South State Street, Suite 310, Salt Lake City, Utah 84111. Also available is a list of all property owners affected and the rate schedule for each.

The required improvements ("Required Improvements") for the District include the removal and reconstruction of concrete sidewalk, which has been determined to be defective by the Office of the Salt Lake City Engineer. The optional improvements ("Optional Improvements") include driveway aprons, curb, gutter, asphalt tie-ins and appurtenances, and other miscellaneous work which is necessary to complete the above improvements. All other necessary things shall be done to complete the improvements according to plans, profiles and specifications on file in the office of the City Engineer.

Owners of property abutting sidewalks within the District with defective concrete will receive supplemental notice that replacement of the defective concrete is a Required Improvement. Only owners of property which is subject to Required Improvements will have standing to submit a written protest which will be counted and calculated, if timely filed, as part of the protest percentage to determine if the District should be created and the Required Improvements constructed. Owners of property within the District will also receive supplemental notice if their property will be considered for Optional Improvements. If, on or prior to July 1, 2000, (1) any owner of property within the District submits in writing a request for the Optional Improvements coupled with a consent to be assessed within the District, (2) if the City engineer determines that the request is in accordance with City Engineering guidelines and planning, and (3) if funds have been budgeted and are available to permit the financing of the City's portion of the Optional Improvements, the City Engineer's Office will notify the property owner of the approval and the property will be included in the District for purposes of constructing the Optional Improvements and financing the property owner's portion of the cost thereof.

NONCONFORMING IMPROVEMENTS

All nonconforming improvements such as lawns, sprinkling systems, rock gardens, driveways, curbs and gutters, culverts, walks, fences, etc., which have been built or installed by abutting property owners within the area to be improved, must be removed by the property owners at their expense prior to the commencement of the project. If these improvements are not removed by the property owners, they will be removed by the contractor and disposed of as directed by the Engineer.

BASIS FOR ASSESSMENT

The owners of abutting residential property ("Residential Property") whose property within the District will be improved will be assessed fifty percent (50%) of the costs (including administrative costs, funding of reserves and other expenses described hereafter)

of the improvements. The remaining portion of the total cost of the improvements to Residential Property will be paid by the City. Where the abutting property within the District is used for commercial purposes ("Commercial Property"), the total costs of the improvements will be assessed to the owner of the Commercial Property. The estimated rates shown in the table captioned, "Improvements and Estimated Costs" take into account the fifty percent (50%) Residential Property discount where applicable. In conjunction with the assessable improvements being constructed with the District, the City also intends to construct handicap ramps and drainage improvements, the costs of which will not be assessed to property owners.

ESTIMATED COST OF IMPROVEMENTS

The total cost of improvements, including estimated Optional Improvements, in the District as estimated by the City Engineer is \$1,296,189 of which it is anticipated the City will pay approximately \$626,610 (the "City's Portion"). In addition, approximately \$321,585 will be paid by the Public Utilities Department of the City for drainage improvement. The remainder of approximately \$347,994 shall be paid by a special assessment to be levied against the property abutting upon the streets to be improved or upon property, which may be affected or specifically benefitted by such improvements. The actual commitment of the City to pay its portion of the costs of improvements is subject to the availability of funds and compliance with budget approval. No assessable costs will be incurred unless and until the City has completed the budgeting process as to its estimated portion of the costs of the proposed improvements and has determined the availability of funds.

The estimated property owner's costs include construction and a portion of engineering expenses, possibly a portion of a debt service reserve, a ten percent (10%) allowance for the interest on interim warrants issued to finance construction of the improvements and an allowance of approximately fifteen percent (15%) for administrative costs, a possible underwriter's discount on sale of bonds, a portion of engineering expenses, legal and other costs in connection with the issuance of bonds. The estimated cost to be assessed against the properties within the District shall be as follows:

IMPROVEMENTS AND ESTIMATED COSTS

**SCHEDULE "A" - Required Improvements, Eligible for Protest
(Does not include Corner Lot Exemptions)**

<u>Rate No.</u>	<u>Improvements</u>	<u>Quantity</u>	<u>Cost/Unit</u>	<u>Estimated Cost to Abutter</u>
A1	4" Residential sidewalk	56,400 SF	\$3.25	\$183,300
A2	6" Residential sidewalk	5,000 SF	\$3.90	19,500
A3	4" Commercial sidewalk	2,300 SF	\$6.50	14,950
A4	8" Commercial sidewalk	1,000 SF	\$8.90	<u>8,900</u>
Total Est. Cost of Abutter's Portion of Required Improvements				\$226,650

**SCHEDULE "B" - Optional Improvements, Not Eligible for Protest
(Does not include Corner Lot Exemptions)**

<u>Rate No.</u>	<u>Improvements</u>	<u>Quantity</u>	<u>Cost/Unit</u>	<u>Estimated Cost to Abutter</u>
B1	6" Residential driveway	6,000 SF	\$ 4.40	\$ 26,400
B2	6" Residential pipe driveway	380 LF	\$21.30	8,094
B3	8" Commercial driveway	3,000 SF	\$10.00	30,000
B4	Residential curb & gutter with asphalt tie-in	1,500 LF	\$18.95	28,425
B5	Commercial curb & gutter with asphalt tie-in	750 LF	\$37.90	<u>28,425</u>
Total Est. Cost of Abutter's Portion of Required Improvements				\$121,344

TOTAL ESTIMATED COSTS OF IMPROVEMENT	
ABUTTER'S PORTION	\$ 347,994
CITY'S PORTION	626,610
PUBLIC UTILITY'S PORTION	<u>321,585</u>
TOTAL ESTIMATED PROJECT COST	<u>\$1,296,189</u>

LEVY OF ASSESSMENTS

The proposed assessment rates shall be paid by a special assessment to be levied against the property abutting the streets to be improved and upon property which may be affected or specifically benefited by such improvements. The rates will be equal and uniform based on benefits received, but under the Salt Lake City Code, the City's portion varies depending on factors such as the use to which the abutting property is put by the owners.

The adjustment for the City's Portion has been taken into account in the Table above so that the Estimated Cost per unit represents the net estimated cost to be assessed to the property owners.

It is the intention of the City to levy assessments as provided by the laws of the State of Utah on all parcels and lots of real property within the District benefitting from the improvements. The purpose of the assessments and levy is to pay those costs of the subject improvements. The method of assessment shall be by lineal front feet, square feet or extra cost as set forth herein.

Assessments may be paid by property owners in five (5) approximately equal annual installments. In order to fund the first semiannual interest payment on bonds of the District, the first payment date of an assessment installment may be less than one year from the date of adoption of the assessment ordinance. Thereafter, assessment installments will fall due on the anniversary date of the first installment payment. Interest will accrue on the unpaid balance at a rate or rates to be fixed by the City Treasurer. The whole, or any part of, the assessment may be paid without interest within fifteen (15) days after the ordinance levying the assessment becomes effective. The assessments shall be levied according to the benefits to be derived by each property owner within the District. Other payment provisions and enforcement remedies shall be in accordance with Chapter 3, Title 17A, Utah Code Annotated 1953, as amended.

Properties may be added to the District by separate agreement if defective concrete is found.

EXCLUSION OF PROPERTY FROM ASSESSMENT

Property subject to assessment under rates in Schedule "A" may be excluded from assessment if the property owner and the City execute a "Defective Concrete Agreement." The exclusion must be approved by the City Engineer and signed by the Mayor. In the agreement the property owner must identify the manner in which the defective concrete will be replaced and the time all replacements will be completed. Failure to complete the repairs on time will make the agreement null and void. The property will be added back to this District or a future District and the District will make the replacements and assess the property owner the cost of the improvements. Any work contemplated by the owner must comply with City standard plans and specifications. No exclusions will be granted once the City executes a contract with a contractor to do the work in the District.

TIME FOR FILING PROTESTS

Any person who is the owner of record of property to be assessed in the District described in this Notice of Intention shall have the right to file, in writing, a protest against the creation of Salt Lake City, Utah Special Improvement District No. 101011, or to make any other objections relating thereto. Protests shall describe or otherwise identify the property record by the person or persons making the protest. Protests may be filed with the office of the City Recorder of Salt Lake City, Utah, on or before 5:00 p.m. on the 5th day of June, 2000. No protest will be considered for purposes of creating the District if it is received in the City Recorder's office later than this protest filing deadline. Thereafter, at 6:00 p.m. on the 6th day of June, 2000, the City Council will meet in public meeting at the City Council Chambers to consider all protests so filed and hear all objections relating to the proposed District.

Protests shall not have any effect on the determination of the existence of defective concrete under the Salt Lake City Code and the responsibility imposed by said Ordinance for replacement of such defective concrete.

CALCULATION OF PROTEST RATE

The protest rate shall be determined by totaling the proposed assessable cost of Required Improvements scheduled to be replaced on the property owners filing written protest and dividing it by the total assessable cost of Required Improvements as scheduled to be replaced and constructed for all property owners within the District. After the written protest rate has been determined, the City Council may, at its discretion, delete areas from the District and establish a Modified District. At the time of creation of the District, the written protests of property owners in any area not included in the District will not be used in determining the protest rates. The City Council will rescind its intention to create the District if the aggregated total of proposed estimated assessments against properties remaining in the District as to which assessments have been filed represent more than fifty percent (50%) of the aggregated total of assessments against all property remaining in the Modified District.

DEFERRAL OF ASSESSMENT TAXES

Assessments shall be in accordance to the benefits and improvements received; however, when the owner of a residence abutting the required improvements shall have a combined family income at or below the very low income level guidelines established by the Department of Housing and Urban Developments in its "Income Limits for Housing and Community Developments, Section 8 Program for Salt Lake City and Ogden, Utah SMSA", as amended from time to time, the property may be eligible for a low income deferment. Such owner must file an application therefor with the City, in order for the payments required to be deferred.

To be eligible for a low income deferment, the property must be residential and owner occupied. New application for deferment of annual installments will be accepted throughout the

entire life of the District from prior to the Board of Equalization meetings through the expiration date. The property owners will be required to submit documentation of their income to the City for an evaluation for a deferment. Initially, completed applications will be reviewed by the Redevelopment Agency to verify eligibility.

The deferment agreements will be reviewed on a regular basis to verify property ownership, and the current economic status of the owner. If and when the deferment requirements are no longer met, the then current owner will be notified that the deferment agreement must be satisfied within 30 days or the deferment status will be void and all delinquent interest and charges will be imposed.
