Funding from Assessments provides only a portion of the total budget for the District's programs and activities. The Manager will secure funds from other sources such as grants, foundations, earned income and sponsorships. The funding from the District is directly leveraged on almost a 1 to 1 basis. In addition, sponsors and contributors will pay directly to third party providers a portion of the costs of some Economic Promotion Activities. These supplemental third party payments are not reflected in the projected budget of the District. Most, if not all, of these other sources of funds would not be available without the funding from the Assessments or the Economic Promotion Activities of the District.

PROPERTIES EXCLUDED FROM DISTRICT ASSESSMENTS

Residential, ecclesiastical and civic properties shall be excluded from Assessments. The determination of qualification for exclusion for ecclesiastical and civic property shall be based upon exemptions from ad valorem real property taxes for properties used by churches for non commercial purposes and for properties owned and operated by governmental agencies.

BASIS FOR ASSESSMENT

It is proposed to levy a one-time assessment for a three year period on property in the District to pay all or a portion of the estimated costs of Economic Promotion Activities. The assessment shall not exceed the benefits derived by the properties within the District. The assessment shall be based on the 1999 taxable property values. In addition to revenues from the assessment, the Manager of the District will utilize other funding resources, including revenues from grants, promotions, contributions and sponsorships.

BK8407PG6503

PAYMENT OF ASSESSMENTS

Assessments shall be payable in cash or in three (3) annual installments (the "Assessment Installment" or "Installments"), commencing with the effective date of the Assessment Ordinance, which is currently estimated to be approximately December 27, 2000. The next two Installments will fall due on the first and second annual anniversary dates of the Assessment Ordinance effective date. Interest on any delinquent Assessment Installment shall accrue at the same rate as will be applied to delinquent real estate taxes in the year of delinquency. The whole or any part of the Assessment may be paid without interest within 15 days (the "Cash Payment Period") after the ordinance levying the Assessment becomes effective, but the first Assessment Installment shall be due and payable during the Cash Payment Period.

TIME FOR FILING PROTESTS

To be counted against the creation of the District, protests or objections MUST BE IN WRITING, signed by the owners of the property proposed to be assessed. The written protest must describe or otherwise identify said property. If the aggregate taxable value of property which is the subject of timely filed written protests exceeds the aggregate taxable value of properties which are not the subject of a written protest, the City Council will not create the District. Protests withdrawn prior to the creation of the District and protests from areas deleted from the District will not be counted against the creation of the District.

WRITTEN NOTICE OF PROTESTS MUST BE FILED IN THE OFFICE OF THE SALT LAKE CITY RECORDER, ROOM 415, CITY & COUNTY BUILDING, ON OR BEFORE 5:00 o'clock p.m. on September 22, 2000. Thereafter at 6:00 p.m., on October 3, 2000, the City Council will meet at the City Council Chambers in the City & County Building to hear and consider any such protests and objections to the assessments.
