**PARISH GENEVA AREA
LAND USE COVENANT**

This Parish Geneva Area Land Use Covenant ("*Covenant*") is entered into, pursuant to Utah Code Ann. §§ 57-25-101 to -114, by ANDERSON GENEVA, LLC and ICE CASTLE RETIREMENT FUND L.L.C. (collectively "*Anderson Geneva*") on the one hand, and the DIRECTOR ("*Director*") OF THE UTAH DIVISION OF SOLID AND HAZARDOUS WASTE ("*Division*"), on the other hand.

RECITALS

1. The real property covered by this Covenant is approximately 0.37 acres located in the Town of Vineyard, Utah County, State of Utah, and more particularly described at **Exhibit A** (the "*Parish Geneva Area*"). The Parish Geneva Area is subject to that certain Utah Hazardous Waste Post-Closure Permit for Post-Closure Care of Three Closed Hazardous Waste Surface Impoundments and Facility-Wide Corrective Action, issued May 14, 2004 ("*Permit*") by the Director to United States Steel Corporation ("*USS*") and Geneva Steel LLC ("*Geneva*"). Anderson Geneva has succeeded to Geneva's interests under the Permit. USS is a co-permittee with Anderson Geneva under the Permit. The Director maintains the administrative record relating to the Permit.

2. Anderson Geneva is the owner of the Parish Geneva Area. The Parish Geneva Area is subject to this Covenant.

3. An environmental response project, as defined at Utah Code Ann. § 57-25-102(5), in the form of investigation, site characterization, corrective action and risk assessment has been undertaken on the Parish Geneva Area, pursuant to the Permit and Utah Admin. Code R315-101-1 to -8.

4. The result of the environmental response project was to create activity and use limitations set forth in this Covenant and that Site Management Plan, Parish Geneva Area, Former Geneva Steel Facility, Vineyard, Utah ("*SMP*") approved and maintained by the Director in the Permit file. The SMP is hereby incorporated by this reference. Based on the foregoing, the

SMP and Covenant restrictions are protective of human health and the environment. Levels of residual contamination do not affect, and the SMP and Covenant do not apply to, properties adjacent to the Parish Geneva Area.

COVENANTS

5. Land Use Covenant. This Covenant is an environmental covenant created and executed pursuant to the Uniform Environmental Covenants Act, Utah Code Ann. §§ 57-25-101 to -114 (“Act”).

6. Holder(s). Anderson Geneva, LLC and Ice Castle Retirement Fund, L.L.C. and their successors and assigns are holders under this Covenant and pursuant to the Act (“Holder(s)”).

7. Activity and Use Limitations. The Parish Geneva Area and all Holders are subject to the following activity and use limitations:

7.1 Land Use. The Parish Geneva Area may be used for residential, commercial, industrial, construction worker and any other comparable use with a similar level of human occupancy or use (“Allowed Uses”), provided, that construction worker uses are subject to compliance with the SMP and this Covenant. As more fully set forth in the SMP, construction workers working within the Parish Geneva Area, shall not work in excavations in which there is accumulated water.

7.2 Groundwater Use. Groundwater under the Parish Geneva Area and within the shallow unconfined aquifer, as defined in the SMP, shall not be used for potable, culinary, domestic, process, irrigation or any other purposes.

7.3 Wells. Holders and permittees under the Permit have the right to comply with the SMP and Permit and to install, develop, repair, maintain and replace groundwater monitoring wells or other facilities within the Parish Geneva Area for purposes of monitoring groundwater and for corrective action activities, if any, as may be required under the SMP or Permit. Subject to the restrictions of the SMP, to the extent reasonably possible, any such wells or facilities will be placed in areas that will allow for construction of improvements, allow any then existing improvements structurally to remain undisturbed, permit reasonable use of the Parish Geneva Area, and avoid disruption of the use of the Parish Geneva Area. All those conducting construction and land development activities on the Parish Geneva Area shall use reasonable care to avoid damaging any wells or related facilities, promptly report to the Holder any wells or related facilities damaged during such activities, and pay all costs of repairing wells and related facilities damaged by their activities.

7.4 Notice of Breach. In the event of a breach of any of the activity and use limitations set forth in this Section 7, the Holders shall notify the Director not more than 30 days after becoming aware of the breach and shall implement reasonable measures to mitigate the

breach not more than 60 days after becoming aware of the breach, or such other timeframe agreed to by Holders and Director.

8. Access. Anderson Geneva hereby reserves to itself, Holders, USS, the Director, and their respective authorized agents, employees, and, contractors a right of reasonable access to the Parish Geneva Area at any time after the effective date of this Covenant for monitoring of compliance with the Covenant and for complying with the terms and conditions of the Permit and the SMP. All Holders under and those subject to this Covenant are required to allow for compliance with the Permit and SMP. Nothing in this Covenant shall be construed as expanding or limiting any access and inspection authorities of the Division and the Director under Utah law.

9. Access Notice. Except as provided in this subsection, any party or person desiring to access the Parish Geneva Area under authority of this Covenant shall provide notice to the then current owner of the portion of the Parish Geneva Area requiring access not less than 48 hours in advance of accessing the identified portion of the Parish Geneva Area, except in the event of an emergency condition which reasonably requires immediate access. In the event of any such emergency condition, the party exercising this access right will provide notice to the current owner of the portion of the Parish Geneva Area requiring access as soon thereafter as is reasonably possible. The Division and the Director and their authorized officers, employees, or representatives may, at any reasonable times and upon presentation of appropriate credentials, have access to the Parish Geneva Area.

10. Disruption. To the extent that Anderson Geneva, USS or any other Holder or permittee under the Permit conducts any activities on the Parish Geneva Area, they will use reasonable efforts to comply with the then owner's or tenant's security needs and requirements and will conduct such activities so as to cause the least amount of disruption to the use of the Parish Geneva Area as may be reasonably possible. Any person who conducts any activities shall repair and replace any improvements or landscaping damaged on the Parish Geneva Area by such activities. The Director and his authorized representatives will use reasonable efforts to comply with the then owner's or tenant's security needs and requirements and will attempt to minimize disruption of the use of the Parish Geneva Area. The Director will determine what needs, requirements, and activities are reasonable. Should the Director's activities cause damage to Parish Geneva Area improvements or landscaping, the injured party may present a claim against the State of Utah in accordance with Utah law.

11. Running with the Land. Pursuant to Utah Code Ann. § 57-25-105, this Covenant is a covenant that touches and concerns and runs with the Parish Geneva Area and shall be binding upon any owner of the Parish Geneva Area and each of their lenders, mortgagees, licensees, tenants, easement holders and any other person claiming an ownership, security or possessory interest in the Parish Geneva Area, each of whom shall allow for compliance with this Covenant, the SMP, and the Permit.

12. Compliance Enforcement. Compliance with this Covenant may be enforced pursuant to Utah Code Ann. § 57-25-111 by any Holders and their designated successors in interest and assigns to the Parish Geneva Area. Failure to timely enforce compliance with this

Covenant or the activity and use limitations contained herein shall not bar subsequent enforcement and shall not be deemed a waiver of the right to take action to enforce any non-compliance. Nothing in this Covenant shall restrict the Division and the Director from exercising any authority under applicable law. Any person who violates any requirement of this Covenant shall indemnify, hold harmless and defend the Holders of this Covenant against any claims, liability, loss, damage, cost, expense, penalties (including attorney fees and costs) arising from the violation of this Covenant.

13. Compliance Reporting. Upon Request, Holders shall submit to the Director written documentation confirming that the activity and use limitations of this Covenant remain in place and are being complied with.

14. Notice upon Conveyance. Each instrument hereafter conveying any interest in, or any portion of, the Parish Geneva Area shall contain a notice of the activity and use limitations set forth in this Covenant and shall set forth the recording of this Covenant at the Utah County Recorder's office. The notice shall be substantially in the following form:

(a) It owns fee simple title to the Parish Geneva Area free and clear of all liens and encumbrances;

(b) It has the power and authority to enter into this Covenant, to grant the rights and interests herein provided and to carry out all obligations hereunder; and

(c) This Covenant will not materially violate or contravene or constitute a material default under any other agreement, document or instrument to which it is a party or by which it may be bound or affected.

16. Amendment or Termination. This Covenant may be amended or terminated only by a written instrument duly executed by the Director, Anderson Geneva or any of their respective designated successors in interest or assigns, as applicable and pursuant to Utah Code Ann. § 57-25-110. An amendment to the Covenant means changing or modifying the activity and use limitations of this Covenant or eliminating one or more activity and use limitations. The

termination of the Covenant means the elimination of all activity and use limitations and all other obligations of this Covenant. Not more than 30 days after the date of the last signature by each of the requisite parties to any amendment or termination of this Covenant, the current owner of the Parish Geneva Area or any portion thereof shall record the fully executed instrument at the Utah County Recorder's Office and shall provide a date-stamped copy of the recorded instrument to the Director and each of the Holders. Any party signing the amendment or termination of the Covenant may record the fully executed instrument.
