A portion of the annual assessments shall further be used to provide a reserve fund for the replacement and maintenance of the common areas and the Board shall be obligated to establish such reserve fund.

Basis and Payment of Annual Assessments.

A. The annual assessments with respect to each Lot shall be estimated by the Board prior to the conveyance of the first Lot and shall be payable in advance in annual installments, or in such other installments as the Board may determine.

(1) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner other than Grantor, the maximum annual assessment shall be adjusted in conformance with the Consumer Price Index (CPI) published by the U.S. Department of Labor, specifically the Consumer Price Index for Urban Wage Earners and Clerical Workers, U.S. City Average, All Items unadjusted for seasonal variation. The maximum monthly assessment for any year shall be the amount determined by:

- (a) Taking the dollar amount specified above;
- (b) Multiplying that amount by the published CPI number for the second month prior to the beginning of the subject year; and
- (c) Dividing that resultant by the published CPI number for the month in which this Declaration was recorded.

- (1) From and after January 1 the year immediately following the conveyance of the first Lot to an owner, other than Grantor, the maximum annual assessment may be increased above the amount computed in accordance with the provisions of (1) above, by a vote of sixty-six and two-thirds percent (66 2/3%) of each class of members who are voting in person or by proxy, at a meeting duly called for such purpose;
- (2) The Board of Trustees may fix the annual assessment at any amount not in excess of the maximum.

B. Annual assessments shall be payable on or before the 10th day of the first month of each calendar year or within ten (10) days of the first day of the first month of any other assessment period adopted by the Association's Board. Written notice of the

annual assessment shall be sent to every Owner immediately following the assessment date. The Association shall upon demand of any Owner, prospective purchaser, mortgagees and prospective mortgagees furnish a certificate in writing signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Special Assessment for Capital Improvements. In addition the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any reconstruction, repair or replacement of a capital improvement which is situated upon any open space or easement owned by the Association, including the fixtures and personal property related thereto, provided, that any such assessment shall have the assent of sixty-six and two-thirds percent ($66 \frac{2}{3}\%$) of the votes for class A members.

Date of Commencement of Actual Assessments; Due Dates. The annual assessments provided for herein shall commence on the first day of the calendar month following the conveyance of the first Lot to an Owner. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto.

Effect of Nonpayment of Assessments Remedies of the Association.

Any annual or special assessment, which is not paid when due, shall be delinquent. If the assessment is not paid within fifteen (15) days after the due date, the assessment shall bear interest from the date of delinquency at the rate of twelve percent (12%) per annum and carry a late fee of thirty percent (30%) of the amount due for each month of delinquency. The Association may bring an action at law against the Owner personally obligated to pay the delinquent installments, or foreclose the lien against the Owner's Lot. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of Common Area amenities or his Lot or abandonment of his Lot.

Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot as a result of court foreclosure of a first mortgage, foreclosure through the Public Trustee, or any proceeding in lieu of foreclosure, shall extinguish the lien of such assessments as to payments thereof which become due prior to the time such first mortgagee acquires title, but shall not relieve any former Owner of personal liability therefor. No sale or transfer shall receive such Lot from liability for any assessments becoming due after such first mortgagee acquires title.

Notice to Mortgagee. Upon request of a mortgagee, and upon receipt by the Association of a reasonable fee not to exceed Ten Dollars (\$10) for such service, the Association shall report to the mortgagee of a Lot any unpaid assessments or other defaults under the terms hereof which are not cured by said mortgagee's mortgagor within thirty (30) days; provided, however, that a mortgagee shall have furnished to the Association notice of its encumbrance.

Enforcement and Nonwaiver

Right of Enforcement. Except as otherwise provided herein, any Owner of any Lot which is subject to this Declaration, regardless of when it became so subject, at Owner's own expense, Grantor, and the Board shall have the right to enforce all of the provisions of this Declaration against any other Lot which is subject to the Declaration. Such rights shall apply regardless of when the Lot became subject to the Declaration and regardless of the Owners thereof. Such right of enforcement shall include both damages for and injunctive relief against the breach of any such provision.

Violation a Nuisance. Every act or omission whereby any provision of this Declaration is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated by any Owner at his own expense, Grantor, and the Board, whether or not the relief sought is for negative or affirmative action. However, only Grantor, the Board, and the duly authorized agent of either of them may enforce by self-help any of the provisions of this Declaration and then only if such self-help is preceded by reasonable notice to the owner in violation.

Violation of Law. Any violation of any federal, state or local law, resolution or regulation pertaining to the ownership, occupancy or use of any property subject hereto is declared to be a violation of this Declarations and subject to all of the enforcement provisions set forth herein.

Enforcement in Small Claims Court. The Association may enforce any fine of delinquent Assessment levied or assessed under this Declaration and any late payment charge attributable thereto, and any interest thereon and the cost of collecting the same under the terms and provisions of any legislation with respect to a "small claims court" as may exist from time to time. The Association may also bring any action at law or equity in any other court available to it under the statutes of the State of Utah for enforcement of any provision of this Declaration.

Remedies Cumulative. Each remedy provided by this Declaration is cumulative and not exclusive.

Nonwaiver. The failure to enforce any provision of this Declaration at any time shall not constitute a waiver or the right thereafter to enforce any such provision or any other provision hereof.

8. AMENDMENT:

Except as otherwise provided in this Declaration and except as prohibited by law, the provisions of this Declaration may be amended by the affirmative vote or approval and consent of owners who own two-thirds (2/3) or more of the lots in the Project. Notwithstanding any other provision contained herein, No amendment to the map or to any provision of this Declaration which has or may have the effect of diminishing or impairing any right, power, authority, privilege, protection or control given to Declarant, in its capacity as Declarant, shall be accomplished or effective unless the instrument through which such amendment is purported to be accomplished is consented to in writing by Declarant.

9. VOTING:

At any meeting of lot owners, each owner, including Declarant, either in person by proxy, shall be entitled to cast one vote for each lot owned by him. Provided, however, where there is more than one record owner of a lot, all of such owners must act unanimously in order to cast a vote for that lot.

10. ACCEPTANCE OF RESTRICTIONS:

By acceptance of contracts or deeds for a lot or lots or any portion thereof, all purchasers of lots shall be conclusively deemed to have consented and agreed to all restrictions, conditions, covenants and agreements in this Declaration and shall be bound thereby.

11. VIOLATIONS OF RESTRICTIONS; PENALTIES:

Each owner shall strictly comply with the provisions of this Declaration. Failure to so comply shall be grounds for an action to recover sums due for damages or injunctive relief or both maintainable by Declarant or its agent or designee on behalf of the owners, or by an aggrieved owner. In the event any lot owner breaches these covenants and restrictions, he shall be liable to a non-breaching lot owner for all costs and attorney's fees reasonably incurred by the non-breaching owner, with or without litigation. The results of every action or omission whereby any restriction, condition, covenant or agreement is violated, in whole or in part, is hereby declared to be and constitute a nuisance and every remedy allowed by law against a nuisance, either public or private, shall be applicable against such result. Such remedy shall be deemed cumulative and not exclusive.

12. NO WAIVER:

The failure of the owner or the Declarant to insist, in one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration to exercise any right or option herein contained, to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment of such term, covenant, condition or restriction; but such term, covenant, condition or restriction shall remain in full force and effect.

13. SEVERABILITY:

The provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceable of any one provision or portion hereof shall not affect the validity or enforceability of any other provisions hereof.

14. CAPTIONS:

The captions in this Declaration are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Declaration or the intent of any provision hereof.

15. LAW CONTROLLING:

This Declaration and the map shall be construed under and controlled by the laws of the State of Utah.

16. EFFECTIVE DATE:

This Declaration shall take effect when recorded.

17.

These covenants are to run with the land and shall be binding on all owners lots within the subdivision and on all persons claiming under them for a period of forty (40) years from the date these covenants are recorded; thereafter, these covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a two-thirds (2/3) majority of the then owners of the lots has been recorded, agreeing to change the covenants in whole or in part. The provisions of this Declaration concerning enforcement by the Town of Eagle Mountain of architectural guidelines, building and zoning ordinances and codes shall not be amended without the express written consent of the Town of Eagle Mountain, Utah.
