West Jordan City is hereby granted a right of enforcement as set forth in Section 40 of this Declaration.

8. **Liability of Owners and Residents For Damages.** Any Owner, by virtue of accepting a deed to a Unit or other document of conveyance, or Resident, by virtue of residing in the Project, shall be liable to the Association, other Owners or Residents for damages to person or property in the Community caused by his negligence or the negligence of his family members, guests, visitors, or invitees.

9. **Encroachments.** In the event that any portion of the Common Area or a Unit encroaches or comes to encroach upon other Common Area or a Unit as a result of construction, reconstruction, repair, shifting, settling, or movement, an easement for such encroachments is created hereby and shall exist so long as such encroachment exists.

10. **Management Committee.** The Association shall be managed by a Management Committee which shall be comprised of five (5) Unit Owners. Until the happening of the Events, the Declarant shall have the exclusive and irrevocable right to appoint all of the Members of the Committee and their successors or replacements. At the first Annual Homeowners Meeting after the occurrence of the Events, the Members of the Committee shall be elected by the Owners. To provide continuity of management, three (3) of the Members shall be elected for two (2) year terms and the other two (2) Members shall be elected for a one (1) year term. Thereafter, all Members shall be elected for two (2) year terms.

a) **Qualify.** To qualify, a Member of the Committee must be an individual Owner or the legal representative of an organizational Owner.

c) Dismissal. Any Committee Member who fails on three (3) successive occasions to attend Committee meetings (whether regular or special) or who has failed to attend at least twenty-five (25%) of all committee meetings (whether regular or special) held during any twelve (12) month period shall automatically forfeit his seat. In such cases, the remaining Committee Members shall elect a replacement to sit on the Committee until the next meeting of the Association.

d) Removal of Committee Member/Declarant's Rights. Except for Committee Members appointed by the Declarant before the occurrence of the Events, Committee Members may be removed at any time by the affirmative vote of a Majority of the Members of the Association. A replacement to serve the remainder of the removed Member's unexpired term shall be elected at the same meeting.

e) Term. Unless he forfeits or otherwise loses his seat as herein provided, a Member shall serve on the Committee until his successor qualifies and is properly elected by the Association.

f) No Compensation. Committee Members shall not be compensated for their services but shall be reimbursed for all expenses reasonably incurred in connection with Committee business and approved by the Committee.

11. Committee Officers and Agents. The Committee shall perform its functions through those three (3) Members who are elected as officers by the Committee and through such agents or employees as the Committee may appoint. There shall be a President and Secretary. Any Committee officer, agent, or employee may at any time be removed, with or without cause, by the vote of a majority of the Committee Members. Provided, however, if a Member of the Committee is removed as an officer, he shall continue to be a Member of the Committee.

12. Committee Meetings. A regular meeting of the Committee shall be held immediately after the adjournment of each annual Owners meeting or at such other time as the Members of the Committee may decide. Other regular meetings shall be held at periodic intervals (no longer than monthly) at such time and place as the Committee may determine. No notice need be given of regular Committee meetings. Special Committee meetings shall be held whenever called by the President or by any three (3) Members of the Committee. Reasonable effort shall be made to give either oral or written notice of a special meeting to each Committee Member at least twenty-four (24) hours before the time fixed for the meeting. The propriety of holding any meeting which is attended by all Committee Members may not be challenged on grounds of inadequate notice. A quorum for the transaction of business at any committee meeting shall consist of a Majority of all the Members then in office.

13. Status and General Authority of Committee. Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for

value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated below, constitute a legal entity capable of dealing in its Committee name. The Management committee shall have, and is hereby granted, the following authority and powers:

14. **Delegation of Management Responsibilities**. The Committee may delegate some of its management responsibilities to either a professional management company, an experienced on-site manager, independent contractors, through service contracts, or any combination thereof. The termination provision of any such contract must not require a termination penalty or any advance notice of more than thirty (30) days and no such contract shall be for a term greater than one (1) year.

15. **Owners Meetings**. The Association Members shall meet as follows:

a) Annual Meeting. The annual meeting of the Owners shall be held at 7:00 p.m. on the second Tuesday in October of each year. Whenever such day is a legal holiday, the meeting shall occur on the first business day thereafter. The place of the meeting shall be at the location specified in the notice of meeting. At least ten (10) but not more than thirty (30) days before the date of the annual meeting, a written notice thereof shall be personally delivered or mailed postage prepaid to each person who appears as an Owner, at his last known address. The notice shall state the location, date, time, place, and general purpose of the meeting.

b) Special Meetings. Special meetings of the Owners may be called by the President, by any three (3) Members of the Committee, or by Unit Owners holding at least twenty five percent (25%) of the undivided ownership interest in the Common Area. At least two (2) but not more than thirty (30) days before the date set for a special meeting, written notice thereof shall be given in the manner described in the immediately preceding Paragraph.

c) Waiver of Notice. No notice of any Owners meeting shall be required if a waiver of such notice is signed by all of the Owners. Whenever all of the Owners meet in person or by proxy such meeting may not be challenged on grounds of inadequate notice.

d) Quorum. The presence of a majority of the undivided ownership interest in the Project entitled to cast a vote shall constitute a quorum for the transaction of business at any Owners meeting.

(1) Quorum Not Present. If a quorum is not present at any Owners meeting, whether regular or special, the meeting may be adjourned and rescheduled for a time no earlier than forty-eight (48) hours and no later than thirty (30) days, after the time set for the original meeting.

(2) Quorum at Rescheduled Meeting. Those Members present at the rescheduled meeting and entitled to vote shall constitute a quorum at the rescheduled meeting.

(3) Percentage Approval Requirement. In any situation in which this Declaration requires the affirmative vote of a certain percentage of the total ownership interest in the Project for authorization or approval of a matter, the affirmative approval of that percentage of all of the Unit Owners, who must either be present at the meeting in person or by proxy, or, in the alternative, who have signed a separate written consent, is required for authorization or approval of the item, regardless of the quorum requirements.

16. Classes of Membership and Voting Allocations. The Association shall have two (2) classes of membership—Class A and Class B, described more particularly as follows:

a) Class A. The Class A Members shall be all Owners with the exception of the Class B Members, if any. Class A Members shall be entitled to vote on all issues before the Association to, subject to the following:

(1) One Vote. Each Unit shall have one (1) vote;

(2) Subject to Assessment. No vote shall be cast or counted for any Unit not subject to assessment;

(3) Multiple Owners. When more than one (1) person or entity holds such interest in a Unit, the vote for such Unit shall be exercised as those persons or entities themselves determine and advise the Secretary of the Association prior to any meeting. In the absence of such advice, the vote of the Unit shall be suspended in the event more than one (1) person or entity seeks to exercise it.

(4) Leased Unit. Any Owner of a Unit which has been leased may, in the lease or other written instrument, assign the voting right appurtenant to that Unit to the lessee, provided that a copy of such instrument is furnished to the Secretary prior to any meeting.

b) Class B. The Class B Member shall be the Declarant and any successor of Declarant who takes title for the purpose of development and sale of Units, and who is designated as such in a recorded instrument executed by Declarant. The Class B Member shall originally be entitled to three (3) votes per Unit owned. The Class B membership and Class B control Period shall

terminate, and Class B membership shall convert to Class A membership upon the happening of the earlier of the following (which are hereinafter referred to as the "Events"):

(1) Units Sold. Four (4) months after seventy five percent (75%) of the Units (constructed upon the Units) have been sold; or

(2) Seven Years. Seven (7) years from the date following the first conveyance of a unit in Phase I to a Unit purchaser after effective date of this Declaration; or

(3) Election. When, in its sole discretion, Declarant so determines.

From and after the happening of the Events, whichever occurs earlier, the Class B Member shall be deemed to be a Class A Member entitled to one (1) vote for each Unit owned. At such time, the Declarant shall call a meeting, in the manner described in the By Laws of the Association for special meetings, to advise the membership of the termination of Class B status and, if it has not already occurred, to schedule transition of the operation and management of the entire Project to the Association.

17. Lists of Unit Owners, Eligible Mortgagees, and Eligible Insurers or Guarantors.

The Committee shall maintain up-to-date records showing: (a) the name of each person who is an Owner, the address of such person, and the Unit which is owned by him or her; (b) the name of each person or entity who is an Eligible Mortgagee, the address of such person or entity, and the Unit which is encumbered by the Mortgage held by such person or entity; and (c) the name of each person or entity who is an Eligible Insurer or Guarantor, the address of such person or entity, and the Unit which is encumbered by the Mortgage insured or guaranteed by such person or entity. In the event of any transfer of a fee or undivided fee interest in a Unit, either the transferor or transferee shall furnish the Committee with evidence establishing that the transfer has occurred and that the Deed or other instrument accomplishing the transfer is of record in the office of the County Recorder of Salt Lake County, Utah. The Committee may for all purposes act and rely on the information concerning Unit ownership in its records or, at its option, the records of the County Recorder. The address of any Owner shall be deemed to be the address of the Unit owned by such person unless the Committee is otherwise advised in writing.

18. Capital Improvements and Table. The Management Committee shall prepare a Table of Capital Improvements, which shall contain a list of foreseeable expenditures for Capital Improvements within the Area of Common Responsibility. The Table shall be included in every annual budget, and it shall be reviewed and updated at least annually, and reasonable reserve accounts shall be established by the Committee for the replacement of capital assets as they age. Expenditures by the Association for Capital Improvements to the Project shall be subject to and governed by the following:

a) **Committee Discretion/Expenditure Limit.** Capital Improvements to the Project which cost ten percent (10%) or less of the Total Annual Operations Budget and do not materially alter the nature of the Project, may be authorized by the Management Committee alone.

b) **Homeowner Approval/Expenditure Limit.** Any Capital Improvement, the cost of which will exceed such amount, must prior to the commencement of construction, be authorized by at least a Majority of the Owners.

c) **Homeowner approval/Changing the Nature of the Project.** Any Capital Improvement which would materially alter the nature of the Project must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) of the undivided ownership interest in the Project.

19. **Operation, Maintenance and Alterations.** The Units and Common Areas shall be maintained by the Unit Owners and the Association as follows:

a) **Area of Common Responsibility.** The Association shall maintain, repair and replace, as needed from time to time, the Common Area and Facilities, including but not limited to the exterior of all buildings, all roofs, foundations, footings, columns, girders, beams, supports and main walls of any Unit and garage, all common utility services such as power, light, gas, hot and cold water, heating, refrigeration and air conditioning systems, fences, fixtures, patios, balconies and decks, and all landscaping as set forth with more particularity below.

b) **Area of Personal Responsibility.** Each Unit Owner shall maintain, repair and replace, as needed in his Unit, individual utilities, including but not limited to all power, water, gas, sewer, telephone, and television lines servicing only his Unit, windows, doors, garage doors and garage door systems. If a specific item is not mentioned expressly in the Area of Common Responsibility and it is located in, on, under or above a Unit, then it shall be the responsibility of the Unit Owner, unless otherwise determined in writing by the Management Committee.

c) **Landscaping.** The Association shall maintain, repair and replace all landscaping throughout the entire Project, including but not limited to all green space, grass, sod, ground cover, flower beds, plant beds, trees, bushes, shrubs, and sprinkling systems, which Owners or Residents shall not modify, change, or alter without the express prior written consent of the Management Committee. All landscaping in the Project shall be maintained and cared for in a manner consistent with Community Standards and the quality of design and construction originally established by Declaring. Specific guidelines and restrictions on landscaping may be established by the Management Committee from time to time. All landscaping shall be maintained in a neat and orderly condition. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be properly pruned and trimmed. All landscaping shall be tasteful, so as not to affect adversely the value or use of any Unit, or to detract from the uniform design and appearance of the Project.

d) **Snow and Ice Accumulations.** The Association shall remove all ice and snow accumulations from the Common Area.

e) **Garbage Storage and Removal.** Each Owner shall deposit the garbage, debris and refuse from his Unit into the centrally located trash receptacles or dumpsters throughout the

Project, which the Association shall empty, manage and maintain.

f) **Limited Common Area.** While each Unit Owner shall maintain his Limited Common Area in a clean, safe, tidy, attractive and sanitary condition, the Association shall be responsible to replace and repair the Limited Common Area and all improvements constructed or installed thereon.

g) **Utilities.** The Association shall provide those utility services not separately metered and billed to the individual Owners by the provider.

h) **Standard of Care/General.** The Property shall be maintained in a usable, clean, functional, attractive and good condition, consistent with Community Standards.

i) **Right of Entry.** The Management Committee, its agents, representatives or employees shall have a right to enter upon or into any Unit or Common Area as necessary in order to maintain and operate the Project, and shall not be liable for trespass for such entry or work.

j) **Changes to Areas of Personal or Common Responsibility.** The Management Committee may, in its sole discretion, add items to or subtract items from the Areas of Personal or Common Responsibility upon at least thirty (30) days prior written notice to the Unit Owners.

k) **Alterations to the Common Area.** Anything to the contrary notwithstanding and until the occurrence of the Events, the Declarant may make changes to the Common Area and Facilities without the consent of either the Association, Management Committee or Owners; provided, however, no owner or Resident may make any structural alterations, modifications, changes or improvements to the Common Area, including but not limited to any additions, extensions, enclosures, fencing, decks, patios, walkways, structures or sheds not shown on the approved plans and specifications, without the prior express written consent of the Management Committee.

20. **Common Expenses.** Each Owner, upon receipt of a deed to a Unit or other document of conveyance, shall pay his Assessments to the Association subject to and in accordance with the restrictions set forth below; provided, however, anything to the contrary notwithstanding, the Developer shall not be obligated to pay Assessments until such time as any residential structure, building or Unit is substantially completed and a permanent certificate of occupancy has been issued or, in the alternative, the Developer elects in writing to commence payment, whichever first occurs.

a) **Purpose of Common Area Expenses.** The Assessments provided for herein shall be used for the general purpose of operating the Project, promoting the recreation, health, safety welfare, common benefit and enjoyment of the Owners and Residents, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the committee.

b) **Creation of Assessments.** The Assessments shall pay for the common expenses

of the Association as may be from time to time specifically authorized by the Management Committee. Each Owner, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Association in a timely manner all Assessments assessed.

c) **Budget.** At least thirty (30) days prior to the Annual Homeowners Meeting, the Management Committee shall prepare and deliver to the Owners a proposed Budget which:

(1) **Itemization.** Shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month calendar year, commencing with the following January 1.

(2) **Basis.** Shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas and Facilities, which estimates shall include but are not limited to expenses of premiums for all insurance which the Committee is required or permitted to maintain, common lighting and heating, water charges, carpeting, painting, repairs and maintenance of the Common Areas and Facilities and replacement of the elements and components thereof that must be replaced on a periodic basis, wages for Management Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, Capital Improvement reserve, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration.

d) **Apportionment.** The common profits of the Project shall be distributed among, the Common Expenses shall be charged to and the voting rights shall be allocated among the Unit Owners equally, as set forth in Exhibit "B" attached hereto..

e) **Approval of Budget and Assessments.** The proposed Budget and the Assessments shall become effective unless disapproved at the Annual Meeting by a vote of at least a Majority of the Owners. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessment schedule, or if the Management Committee fails for any reason to establish the Budget and Assessment schedule for the succeeding year, then and until such time as a new budget and new Assessment schedule shall have been established, the Budget and the Assessment schedule in affect for the then current year shall continue for the succeeding year.

f) **Payment of Assessments.** The Management Committee has the sole authority and discretion to determine how and when the annual Assessments are paid, and to amend, modify, change or supplement that schedule from time to time.

g) **Personal obligation of Owners.** Each Unit Owner shall pay his Assessments and Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust (but not the Seller under an executory contract of sale, uniform real estate contract, land sales contract, or other similar instrument), who obtains title of a Unit pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the

acquisition of title. For purposes of this Section, the term "Owner" shall mean and refer jointly and severally to: the Owner of both the legal and equitable interest in any Unit; the owner of record in the offices of the County Recorder of Salt Lake County, Utah; and both the Buyer and Seller under any executory sales contract, uniform real estate contract, land sales contract, or other similar instrument.

h) **Equitable Changes**. If the aggregate of all of the monthly Assessment payments on all of the Units is too large or too small as a result of unanticipated income or expenses, the Management Committee may from time to time effect an equitable change in the amount of said payments provided the Owners are given at least thirty (30) days written notice of any changes.

i) **Dates and Manner of Payments**. The dates, method, form, and manner of payment shall be determined by the Management Committee.

j) **Reserve Accounts**. The Committee shall establish and maintain at least two (2) reserve accounts: one to pay for unexpected operating expenses and the other to pay for Capital Improvements.

k) **Acceleration**. Assessments shall be paid in the manner and on dates fixed by the Management Committee who may, at its option and in its sole discretion, elect to accelerate the entire annual Assessment for Owners who have failed to pay their monthly Assessment in a timely manner. If, however, the Assessment is accelerated and an Owner subsequently files bankruptcy or the Committee otherwise decides acceleration is not in its best interest, the Committee, at its option and in its sole discretion, may elect to decelerate the obligation.

l) **Statement of Assessments Due**. Upon written request, the Management Committee shall furnish to any Owner a statement of Assessments due, if any, on his Unit. Failure to provide the certificate within ten (10) days after a written request, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.

m) **Superiority of Assessments**. All Assessments and liens created to secure the obligation to pay Assessments are superior to any homestead exemptions to which an Owner may be entitled and each Owner, by accepting a deed to a Unit or other document of conveyance, hereby waives such homestead exemption as to the Association.

n) **Termination of Utility Service**. At the discretion of the Management Committee, the utility service to any Owner paid for by Assessments may be terminated if the Owner is in arrears on his obligation to pay Assessments and has failed to cure or make satisfactory arrangements to cure the default after reasonable notice of at least ten (10) days.

o) **Suspension of Right to Vote for Non-Payment**. At the discretion of the Committee, the right of an Owner to vote on issues concerning the Association may be suspended if the Owner is delinquent in the payment of his Assessments, and has failed to cure or make

satisfactory arrangements to cure the default after reasonable notice of at least (10) days.

21. **Special Assessments.** In addition, the Association may levy Special Assessments in any year, subject to the following:

a) **Committee Based Assessment.** So long as the Special Assessment does not exceed the sum of Five Hundred and 00/100ths Dollars (\$500.00) per Unit in any one fiscal year (the "Special Assessment Limit"), the Committee may impose the special assessment without any additional approval.

b) **Association Approval.** Any Special Assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the Members of the Association. The Committee in its discretion may allow any Special Assessment to be paid in installments.

22. **Specific Assessments.** If a Unit Owner may accept or reject the benefit, then the Management Committee shall also have the power to specifically assess the Owners in a particular area as follows:

a) **Benefit only to specific Unit.** If the expense benefits less than all of the Units, then those Units benefitted may be specifically assessed, and the specific assessment shall be equitably apportioned among those Units according to the benefit received.

b) **Unequal or Disproportionate Benefit.** If the expense benefits all Units, but does not provide an equal benefit to all Units, then all Units shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Units according to the benefit received.

The failure of the Management Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.

23. **Individual Assessments.** Individual Assessments may be levied by the Committee against a Unit and its Owner to reimburse the Association for:

- a) Costs and expenses incurred in enforcing the Project Documents;
- b) Costs and expenses associated with the maintenance, repair or replacement of Common Area for which the Unit Owner is responsible;
- c) Any other charge, fee, due, expense, or cost designated as an Individual Assessment in the Project Documents; and
- d) Attorneys' fees, interest, and other charges relating thereto as provided in this Declaration.

24. **Collection of Assessments.** Assessments must be paid in a timely manner and shall be collected as follows:

a) **Time is of the Essence.** Time is of the essence and all Assessments shall be paid promptly when due.

b) **Delinquent Assessments.** Any Assessments which are not paid when due are deemed to be delinquent.

c) **Lien.** If any Unit Owner fails or refuses to make any payment of the Common Expenses when due, that amount shall constitute a lien on the interest of the Owner in the Property. A notice of lien may be recorded in the Office of the County Recorder of Salt Lake County, but shall only be necessary in order to establish the priority of the lien.

d) **Late Fees and Default Interest Rate.** Any Assessments delinquent for a period of more than ten (10) days shall incur a late charge of twenty five Dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater. Interest at the rate of one and one-half percent (1.5%) per monthly shall accrue on all delinquent accounts. The Committee may, in its sole discretion, change the amount of the late fee or default interest rate or waive late Assessments and accruing interest, but is not required to do so.

e) **Foreclosure of Lien and/or Collection Action.** If any Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due, to foreclose the lien, or both.

f) **Personal Obligation.** Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to obtain a personal judgment against him for unpaid Assessments and Additional Charges, to foreclose the lien securing the debt in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed, or both.

g) **No Waiver.** No Owner may waive or otherwise exempt himself from liability for the payment of Assessments, including but not limited to the non-use of Common Areas or the abandonment of his Unit.

h) **Duty to Pay Independent.** No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or Management committee under the Project Documents, or for inconvenience or discomfort arising from them making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

i) **Application of Payments.** All payments shall be applied as follows: Additional Charges, delinquent Assessments and current Assessments.

j) **Foreclosure of Lien as Mortgage or Trust Deed.** The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's assessments, and a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the same.

k) **Appointment of Trustee.** If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

l) **Attorney in Fact.** Each Owner, by accepting a deed to a Unit or other document of conveyance, hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Unit, if the Unit is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the tenant or lessee, against rent due, for the amount of money paid to the Association.

25. **Liability of Management Committee.** The Association shall indemnify every officer and Member of the Committee against any and all expenses, including but not limited to attorney's assessments reasonably incurred by or imposed upon any officer or Member of the Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Committee) to which he may be a party by reason of being or having been an officer or Member of the Committee. The officers and Members of the Committee shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and Members of the committee shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or Members of the Committee may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and Member of the Committee free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or Member of the Committee, or former officer or Member of the Committee, may be entitled.

26. **Insurance.** The Management Committee shall at all times purchase, maintain in force, and pay the premiums for, if reasonably available, insurance on the Common Areas satisfying at least the following requirements:

a) **Property Insurance.** Blanket property insurance using the standard “Special” or “All-Risk” building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term “casualty insurance” shall not mean or refer to “earthquake” or other special risks not included in the standard Utah Condominium project casualty policy. This additional coverage may be added by the Committee as it deems necessary in its best judgment and in its sole discretion.

b) **Flood Insurance.** If any part of the Project’s improvements are in a Special Flood Hazard Area – which is designated as A, AE, AH, AO, A1-30, A-99, V, VE, or V1-20 on a Flood Insurance Rate Map (FIRM) – the Association shall obtain a “master” or “blanket” policy of flood insurance and provide for the premiums to be paid as a common expense. The policy should cover any common element buildings and any other common property. The Unit Owner may also be required to purchase an individual policy. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

(4) "**Partial Condemnation**" shall mean any other such taken by eminent domain or grant or conveyance in lieu thereof.

(5) "**Substantial Obsolescence**" shall exist whenever the Project or any part thereof has reached such a state of obsolescence or disrepair that the excess of the estimated cost of restoration over the funds available is Twenty five (25%) percent or more of the estimated restored value of the Project.

(6) "**Partial Obsolescence**" shall mean any state of obsolescence or disrepair which does not constitute Substantial Obsolescence.

In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

c) **Restoration of the Project.** Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence and shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven (67%) percent of the Project's undivided Ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Units which have appurtenant at least fifty-one (51%) percent of the undivided

ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

d) **Notices of Destruction or Obsolescence.** Within thirty (30) days after the committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

e) **Excess Insurance.** If the insurance proceeds condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, then the excess funds shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This covenant is also for the benefit of the Association and any Mortgagee, and therefore, may also be enforced by them. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

f) **Inadequate Insurance.** In the event the cost of Restoration exceeds Available Fund, all of the Units shall be assessed for the deficiency on the basis of their respective percentages of undivided Ownership interest in the Common Areas.

g) **Reallocation in Event of Partial Restoration.** In the event that all or any portion of one or more Units will not be the subject of Restoration (even though the Project will continue as a planned unit development) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided Ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Units.

h) **Sale of Project.** Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, ownership under the Declaration and the Plat Map shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interest in the Common Areas. Payment to any Owner whose Unit is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

i) **Authority of Committee to Represent Owners in Condemnation or to Restore or Sell.** The Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

28. **Consent in Lieu of Vote.** In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by the Management Committee obtaining from Owners who collectively hold the required percentages, with or without a meeting, consents in writing to such transaction, subject to the following conditions:

a) **Ninety-Day Limit.** All necessary consents must be obtained prior to the expiration of ninety (90) days from the time the first written consent is obtained; and

29. **Mortgagee Protection.** The lien or claim against a Unit for unpaid Assessments levied by the Management Committee or by the Association pursuant to this Declaration or the Act shall be subordinate to any Mortgage recorded on or before the date such Assessments become due, subject to the following:

a) **Effects of Voluntary and Involuntary Sale.** The lien or claim against a Unit for such unpaid Assessments shall not be affected by any sale or transfer of such Unit, except that a sale or transfer pursuant to a foreclosure of the Mortgage affecting such Unit or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Unit from liability for, nor such Unit the lien of any Assessments becoming due thereafter.

b) **Books and Records Available for Inspection.** The Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Project Documents, as well as the books, records, and financial statements of the committee and the Association. The term "Available", as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover is

photocopying and service charges incurred in making the inspection and photocopying available.

Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

d) **Management Contracts.** Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee or the Association shall provide or be deemed to provide hereby that either party may terminate the contract with or without cause, penalty or severance charge, upon at least thirty (30) days prior written notice to the other party thereto.

e) **Eligible Mortgage Designation.** Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Unit Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder or insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) **Condemnation Loss or Award.** Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

30. **Amendment.** Subject to the condition set forth herein this Declaration may be amended subject to the following:

a) **Consent of the Owners.** The affirmative vote of at least sixty seven (67%) percent of the votes cast of the Owners shall be required and shall be sufficient to amend the Declaration or the Plat Map. Any amendment so authorized shall be accomplished through the recording of an instrument executed by the Management committee. In such instrument the Committee shall certify that the vote required by this Section for amendment has occurred, and, if

approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained; and

b) **Consent of Eligible Mortgagee.** The consent of at least sixty-seven (67%) percent of the Eligible Mortgagees shall be required to any amendment which would terminate the legal status of the Project; and the consent of Eligible Mortgagees holding at least fifty-one percent (51%) of the undivided Ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Plat Map which establishes, provides for, governs, or regulates any of the following:

- (3) reduction in reserves for maintenance, repair, and replacement of the Common elements;
- (4) insurance or fidelity bonds;
- (5) limitations and restrictions on the right to use of the Common Areas;

Notice of any proposed amendment to any Eligible Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Plat Map is required shall be mailed

postage prepaid to the address for such Mortgagee shown on the list maintained by the Association.

Except for the Secretary of Veterans Affairs, any Eligible Mortgagee who does not deliver to the Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal.

The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Plat Map or the termination of the legal status of the Project as a Utah Condominium Project if such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

31. **Notice and Hearing.** In the event the Management Committee or a Unit Owner claims another Unit Owner or Resident has violated the Project Documents, before any sanction, citation, penalty, or Individual Assessment becomes final, the Owner or Resident about whom the complaint has been made shall be entitled to the following rights of due process:

a) **Notice.** Written notice specifying the nature of the violation (and providing any other appropriate information) and stating the time, date and place that the Member will have an opportunity to be heard by the Management Committee. Written notice shall be given at least fifteen (15) days prior to the date set for the hearing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after it has been deposited in the United States mail, first class postage prepaid, addressed to the Member at the address given by the Member to the Management Committee for the purpose of service of notice or to be address of the member's Unit if no other address has been provided. Any address may be changed from time to time by giving written notice to the Management committee.

b) **Costs and Assessments.** If the violation, or the failure to correct or remedy a violation, results or may result in the expenditure of funds, the notice shall also state that the Management Committee may vote to assess the adverse party, levy a fine, or impose other sanctions if the Committee finds that a violation has occurred.

c) **Final Determination.** After the hearing has taken place, the Management Committee shall (1) determine whether a violation has occurred and, if so, may impose a fine or issue sanctions which shall become effective not less than five (5) days after the date of the hearing; or (2) take such other action as may be appropriate. The determination of the Management committee shall be final. However, nothing herein shall be construed to prevent the Management committee from making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing Notice and Hearing.

33. **Limitation on Improvements by Association.** Until the occurrence of the Events, neither the Association, Management Committee nor Unit Owners shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by

Declarant.

34. **Declarant's Rights Assignable.** All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protection and controls which are accorded to Declarant (in its capacity as Declarant) herein.

35. **Working Capital Fund.** A working capital fund shall be established by the Declarant to meet unforeseen expenditures or to purchase any additional equipment or services. The initial working capital fund shall be in an amount equal to two (2) months of estimated common assessments for each Unit. Each Unit's share of the working capital fund shall be collected either at the time the sale of any Unit is closed or when control of the Project is transferred to the Unit Owners, whichever first occurs. Any amounts paid into the working capital fund shall not be considered as advance payments of regular monthly assessments. The working capital fund shall be transferred to the Association for deposition to a segregated fund when control of the Association is transferred to the Unit Owners. The Declarant is prohibited from using the working capital fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association. When a Unit is sold, however, the Declarant may reimburse itself for monies it has paid the Association for an unsold Unit's share of the working capital fund by using funds collected at closing when the Unit is sold.

36. **Transfer of Management.** Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select Members of the Committee, and to transfer management of the Project to the Association. If and when Declarant elects to do so, Declarant shall send written notification to each Owner of the effective date of the transfer (the "Transfer or Transition Date") at least forty five (45) days prior thereto. Thereupon, the Owners shall call a meeting to elect the Members of their own Management committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Area expenses of the Committee incurred prior to the Transfer Date to be paid in full on or before such date.

37. **Certain Provisions Applicable to Declarant.** Anything to the contrary notwithstanding, for so long as Declarant continues to own any of the Units in the Project, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay Assessments, except as herein otherwise provided.

a) Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Project or the Declaration except as specifically set forth herein or in any agreement for sale of a Unit, and no person shall rely upon any warranty or representation not so specifically made therein.

b) No amendment may be made to the Declaration without the written consent of Declarant until the occurrence of the Events.

38. **Completion Obligation.** Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

(a) **Units.** Each Unit which an Owner has contracted to purchase, the Building within which a Unit is contained or is to be contained, and the appurtenant Limited Common Area shall be substantially constructed, and ready for use or occupancy (as the case may be) ; and

(b) **Common Area.** On the land submitted to the Declaration hereby or by any Supplemental Declaration, all planned amenities, landscaping, green space, sidewalks, parking facilities, roads, streets, fences, outdoor lighting, and utility lines and conduits adjacent to the Unit or Building in which a Unit is located, and necessary for its use shall be substantially completed.

39. **Expansion of the Project.**

(a) **Reservation of Option to Expand.** Declarant hereby reserves the option to expand the Project to include additional Units in the Project. This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire seven (7) years from the date following the first conveyance of a Unit in Phase I to a Unit purchaser after the effective date of this Declaration, unless sooner terminated by Declarant's recorded Waiver of such option, there being no other circumstances which will cause the option to expire prior to said seven (7) years. Such right may be exercised without first obtaining the consent or vote of Unit Owners and shall be limited only as herein specifically provided. Such Units shall be located on any or all portions of the Additional Property.

(b) **Supplemental Declarations and Supplemental Maps.** Such expansion may be accomplished by the filing for record by Declarant in the office of the County Recorder of Salt Lake County, Utah, no later than seven (7) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Units, together with supplemental Map or Maps containing the same information with respect to the new Units as was required on the Map with respect to the Phase I Units. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.

(c) **Expansion of Definitions.** In the event of such expansion the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Project as so initially submitted under the Declaration, plus any Additional Land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Units after such expansion shall be effective to transfer rights in the Project, with additional references to the Supplemental Declaration and Supplemental Map. The recording in the office of the Salt lake County Recorder of a Supplemental Map incident to any expansion shall operate automatically to grant, transfer, and convey to the Owners of Units in the Project as it existed before such expansion the respective

undivided interest in the new Common Areas added to the Project as a result of such expansion. Such recording shall also operate to vest in any then mortgagee of any Unit in the Project as it existed, interest so acquired by the Owner of the Unit encumbering the new common Areas added to the Project as a result of such expansion.

(d) **Declaration Operative on New Units**. The new Units shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and the Units therein shall be subject to condominium ownership with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Map and Supplemental Declaration in the said office of the Salt lake County Recorder.

(e) **Right of Declarant to Adjust Ownership Interest in Common Areas**. Each deed of a Unit shall be deemed to irrevocably reserve to the Declarant the power to appoint to Unit Owners, from time to time, the percentages in the Common Areas set forth in supplemental or Amended Declaration. The proportionate interest of each Unit Owner in the Common Areas after any expansion of the Project shall be an undivided interest of the Project as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney in fact to shift percentages of the Common Areas in accordance with Supplemental or Amended Declarations recorded pursuant hereto and each deed of a Unit in the Project shall be deemed a grant of such power to the Declarant. Various provisions of this Declaration and deeds and mortgages of the Units may contain clauses designed to accomplish a shifting of the common Areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the Common Areas can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the Common Areas may be effected more than seven (7) years following the first conveyance of a Unit in Phase I after the effective date of the Declaration.

Accordingly, upon the recording of a Supplemental Declaration and Supplemental Map incident to any expansion, the revised schedule of undivided interests in the Common Areas contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Project conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

(f) **Other Provisions Concerning Expansion**. If the Project is expanded as hereinbefore contained, then it is further provided that:

(1) All or any part of the Additional Land may be added to the Project without any limitations whatsoever save and except that all additional Units created must be restricted to multi family residential housing limited to one single family per Unit.

(2) Portions of the Additional Land may be added to the Project at different times without any limitations.

3K8441PG8508

(3) Declarant shall have the right without further conveyance or documentation to build roads and access ways to the Additional Land through the easement areas as shown on the Map. The Association of Unit Owners shall not allow anything to be built upon or interfere with said easement areas.

(4) No assurances are made concerning:

(a) The locations of any improvement that may be made on any portion of the Additional Land that may be added to the Project.

(b) Type, kind or nature of improvement which may be created on any portion of the Additional Land, except that the common facilities, Buildings and Units will be comparable to the Phase I facilities on a per Unit basis and will be of a similar quality of materials and construction to Phase I and will be substantially completed prior to annexation.

(c) Whether any Units created on any portion of the Additional Land will be substantially identical to those within the initial Project except that Units will be constructed of an equal or better quality of materials and construction than the Units in Phase I.

(d) Type, size, or maximum number of Limited Common Areas which may be created within any portion of the Additional Land added to the Project.

(5) Notwithstanding anything to the contrary which may be contained herein, the Declaration is not intended, and shall not be construed so as to impose upon Declarant any obligation respecting, or to restrict Declarant in any way with regard to:

(a) The submission of any portion of the Additional Land to the provisions of the Act as Land under this Declaration;

(b) The creation, construction, or addition to the Project of any additional property;

(c) The carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or

(d) The taking of any particular action with respect to the Additional Land, the Project, or any Land.

(6) Assuming that only Phase I of the original Declaration are completed the minimum number of Units would be seventy eight (78) and the maximum percentage of ownership interest of each Unit would be 1.2820%. Assuming all Phases are completed and all Additional Land is added to the Project the maximum number of Units shall be two hundred (200), the maximum Percentage Interest of each Unit would be 0.5000%. Provided, however, the number of Units actually constructed and the actual undivided percentage of ownership interest of each Unit may

actually be somewhere in between the numbers and percentages set forth above.

40. **Interpretation.** To the extent Utah law is consistent with this Declaration, such provision shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both the genders. The invalidity or unenforceability of any portion of the Declaration shall not affect the validity or enforceability of the remainder hereof.
