**THIRD CORRECTIVE MAINTENANCE AGREEMENT**

THIS THIRD CORRECTIVE MAINTENANCE AGREEMENT ("Agreement") is made this 30 day of March, 2001, to correct and amend language originally recorded in that certain Second Corrective Maintenance Agreement between LNR SHELF I, INC., a Florida corporation ("Parcel 1 Owner"), on behalf of itself and its successors and assigns with respect to Parcel 1 (as defined below) and LNR SOUTH JORDAN II, LLC, a Delaware limited liability company ("Parcel 2 Owner"), on behalf of itself and its successors and assigns with respect to Parcel 2 (as defined below), recorded as Entry 7856801 in Book 8439, Pages 7990-8000 of the Official Records of Salt Lake County, Utah.

**RECITALS:**

A. Parcel 1 Owner is the owner of that certain property located in the City of South Jordan, County of Salt Lake, State of Utah, as more particularly described on Exhibit "A" attached hereto and incorporated herein by this reference ("Parcel 1").

B. Parcel 2 Owner is the owner of that certain real property located adjacent to Parcel 1 in the City of South Jordan, County of Salt Lake, State of Utah, as more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Parcel 2").

C. Pursuant to that certain Special Warranty Deed between Parcel 2 Owner and Parcel 1 Owner recorded on January 29, 2001 in the Official Records of Salt Lake County, Utah as Instrument No. 7808159, Parcel 2 Owner, by property line adjustment, conveyed to Parcel 1 Owner that certain portion of Parcel 2, as more particularly described on Exhibit "C" attached hereto and incorporated herein by this reference, along with all improvements, monumentation, signs, landscaping and light standards located thereon (collectively, the "Maintenance Area").

D. Parcel 2 Owner and Parcel 1 Owner desire to set forth their understanding regarding the parties' respective obligations in connection with the Maintenance Area.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1/2

7861259

84131 VW

1. Utility Costs. As of the date hereof, and except as otherwise provided herein, the meters controlling electric current and water supplied to the Maintenance Area are located on Parcel 2 and controlled by Parcel 2 Owner. As a result, Parcel 2 Owner, at Parcel 2 Owner's sole cost and expense, shall contract and pay for all electric current and water used in connection with the light standards, monumentation and landscaping, as applicable, or supplied to the Maintenance Area. Parcel 2 Owner shall not be liable in damages or otherwise for any failure or interruption of any utility furnished to the Maintenance Area. Notwithstanding anything to the contrary contained herein, the meters controlling electric current and water supplied to that certain landscape area and light standard designated on Exhibit "D" attached hereto and incorporated herein by this reference (the "Parcel 1 Retained Improvements") are located on Parcel 1 and controlled by Parcel 1 Owner and, as a result, Parcel 1 Owner, at Parcel 1 Owner's sole cost and expense, shall contract and pay for all electric current and water used in connection with the Parcel 1 Retained Improvements.

2. Maintenance. Parcel 1 Owner shall maintain, or cause to be maintained, at its sole cost and expense, the Maintenance Area at all times in a safe, good and clean condition and repair and to a level comparable to the standard of maintenance and repair for Parcel 1 and Parcel 2 and, at a minimum, to a standard of maintenance and repair comparable to that of other Class A office buildings in the Salt Lake City metropolitan area, said maintenance to include, without limitation, the following:

(a) Maintaining, repairing and resurfacing, when necessary, all paved surfaces in a level, smooth and evenly covered condition with the type of surfacing material originally installed or such substitute as shall in all respects be equal or superior in quality, use and durability, and restriping the parking area portions of such paved surfaces when necessary;

(b) Removing all ice and snow, papers, debris, filth and refuse and thoroughly sweeping the Maintenance Area to the extent reasonably necessary to keep the Maintenance Area in a clean and orderly condition and keeping the Maintenance Area free from any obstructions including those caused by snow and ice and the sale or display of merchandise;

(c) Maintaining, repairing, restriping and replacing, when necessary, all traffic directional signs, markers and lines;

(d) Maintaining, repairing and replacing all landscaped areas; operating, maintaining, repairing and replacing, when necessary, automatic sprinkler systems and water lines; and replacing shrubs and other landscaping as necessary;

(e) Maintaining, repairing, cleaning and replacing, when necessary, all utility lines not conveyed to any public or private utility and Maintenance Area lighting facilities, including light standards, wires, conduits, lamps, ballasts, and lenses, time clocks and circuit breakers to the extent same are reasonably required; and

(f) Performing itself or contracting with a third party or parties to perform any of the services described herein; provided, however, that the Parcel 1 Owner shall remain

responsible and liable for the performance of all said services in accordance with the terms of this Agreement and for the performance of any such third party or parties under any such contract or contracts.

The foregoing obligations shall include any repairs or replacements which may become necessary due to damage or destruction of the Maintenance Area.

3. Take-Over Right; Reimbursement; Lien.

(a) In the event that Parcel 1 Owner fails or refuses to undertake the maintenance obligations set forth in Section 2, then upon thirty (30) days' prior written notice to Parcel 1 Owner, Parcel 2 Owner may at its option, but without any obligation to do so, elect to assume Parcel 1 Owner's maintenance obligations. Parcel 1 Owner hereby grants to Parcel 2 Owner, and its contractors, agents and employees, a license to enter upon the Maintenance Area to operate, maintain, repair and replace the Maintenance Area. In no event shall Parcel 2 Owner be obligated to perform repairs and replacements of the Maintenance Area in connection with damage or destruction by fire or other casualty or in connection with a taking under the powers of eminent domain or transfer in lieu thereof. Upon thirty (30) days' prior written notice to Parcel 1 Owner, Parcel 2 Owner may elect to return to Parcel 1 Owner the maintenance obligations set forth in Section 2 above.

(b) In the event Parcel 2 Owner is performing the maintenance described in Section 2 above in the Maintenance Area, then Parcel 1 Owner shall reimburse Parcel 2 Owner the reasonable costs incurred by Parcel 2 Owner in connection therewith, plus a management fee equal to fifteen percent (15%) of such costs to defray administrative expenses, within thirty (30) days after receipt of Parcel 2 Owner's invoice therefor. If Parcel 1 Owner fails to pay when due any invoice for maintenance expenses described above (including the management fee described herein), then such failure shall constitute a default under this Agreement and Parcel 2 Owner may thereafter institute legal action against Parcel 1 Owner for reimbursement, plus interest from the date said bill was due and payable to and including the date said bill is paid, at the rate of fifteen percent (15%) per annum. Furthermore, Parcel 2 Owner shall have a lien on Parcel 1 for the amount of said expenses and accrued interest as set forth above. The lien provided for in this Section 3(b) shall only be effective when filed for record by Parcel 2 Owner as a claim of lien against Parcel 1 Owner in the office of the recorder of the county in which Parcel 1 is located, signed and verified, which shall contain at least: (i) an itemized statement of all amounts due and payable pursuant hereto; (ii) a description sufficient for identification of Parcel 1; (iii) the name of Parcel 1 Owner; and (iv) the name and address of Parcel 2 Owner. The lien, when so established against Parcel 1, shall be prior and superior to all right, title, interest, lien or claim which may be or has been acquired or attached to Parcel 1 after the time of filing the lien.

4. Restrictions on Use. The Maintenance Area may be used by Parcel 1 Owner, and its tenant(s), invitee(s), agent(s), visitor(s), customer(s) and licensee(s), only for the purpose of ingress, egress, circulation and parking, and no structures or barricades (other than appropriate

landscaping constructed thereon) may be erected or maintained on the Maintenance Area which would interfere with the purpose set forth herein.

5. Agreement Runs with the Land. The covenants and obligations contained in this Agreement, and the benefits and burdens thereof, shall be irrevocable and shall run with the land, and shall burden and inure to the benefit of Parcel 1 and Parcel 2, respectively, and all owners and future owners thereof.

6. Interpretation. This Agreement shall be governed by and construed in accordance with the laws of the State of Utah. The use of the singular herein includes the plural and the use of the neuter herein includes the masculine and/or feminine, as the context may require. The captions of the paragraphs and subparagraphs of this Agreement are for convenience only and shall not be considered nor referred to in resolving questions of interpretation and construction.

7. Entire Agreement. This instrument contains the entire agreement between the parties relating to the rights granted herein and the obligations herein assumed. Any oral representation or modifications concerning this instrument shall be of no force or effect excepting subsequent modification in writing, signed by the party to be charged.

8. Severability. If any one or more of the provisions of this Agreement are held by a court of competent jurisdiction to be invalid, illegal and unenforceable in any respect, the validity, legality and enforceability of the remaining provisions of this Agreement shall not be affected or impaired in any way.

IN WITNESS WHEREOF, the parties have executed this instrument as of the day and year first above written.
