STATE OF UTAH

CERTIFICATE ❖ OF ❖ DECISION

Whereas, the Planning Commission of the City of Logan did receive an application from Carquest Auto Parts for consideration of a pole sign on a 12,500 sq. ft. lot in the Commercial General (CG) zone. Assigned docket number 02-025, the matter was brought to the City of Logan Planning Commission on March 14, 2002.

The Planning Commission held a duly noticed Public Hearing as required by Logan Municipal Code Titles 16 and 17. At the Hearing, the Commission considered the testimony both in favor and opposed to the proposal. The Commission did by majority vote conditionally approved the application.

A Record of Decision as issued by the Planning Commission is attached as Exhibit A and executed by the permit holder and the Director of Community Development and Ex-officio Executive Secretary of the City of Logan Planning Commission. If the Commission's action denied the application, the Record of Decision is executed solely by the Director of Community Development.

The subject property, 775 North Main, is more particularly described in the document attached as Exhibit B, Legal Description.

The Official Records of the Planning Commission are maintained in the Office of the Department of Community Development, City of Logan.

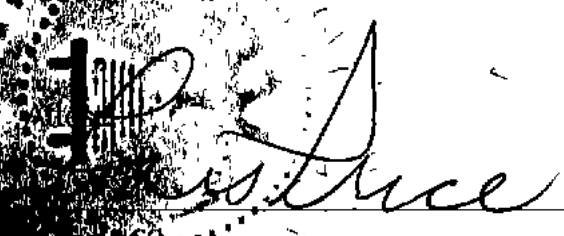

This decision runs with the land. If issued for a design review permit, conditional use permit, variance, or other construction permit, construction is required to commence within an established time frame set forth in Titles 16 and 17, Logan Municipal Code, that initiates with the action of the Planning Commission. Failure to initiate construction activities by establishing use or acquiring required building permits prior to the expiration date voids any approval or conditional approval. Abandoning or vacating a use or structure for a period of more than one year also voids this permit.

If the application was denied by action of the Planning Commission, the denial may only be reversed by an appeal overturning the Commission's action filed within an appropriate timeframe as established by Titles 16 and 17, Logan Municipal Code; or it may be subject to a different application submitted at a later time.

By the authority vested in me as Mayor and Chief Executive of the City of Logan, I do hereby affix my signature upon this document for purposes of granting from the City of Logan to Carquest Auto Parts, a permanent and recorded Certificate of Decision to run with the subject property in perpetuity.

By my hand this 13th day of May, 2002

Douglas E. Thompson, Mayor
City of Logan, State of Utah
