In addition, at least 90 percent of Olene Walker Housing Loan Fund monies used for rental housing must be used to assist families whose annual incomes do not exceed 60 percent of the median family income for the area as determined by HUD.

(2) Rental housing will qualify as affordable only if the project:

- (a) has at least 20 percent of the Olene Walker Housing Loan Fund assisted rental units occupied by families who have annual incomes that are 50 percent or less of median income as defined by HUD. These units must sustain the Low HOME rents as described in the following section.
- (b) has at least 70 percent of the Olene Walker Housing Loan Fund assisted rental units occupied by families who have annual incomes that are 60 percent or less of median income as defined by HUD. These units must sustain the High rents as described in the following section.
