ARTICLE 2

MEMBERSHIP IN THE ASSOCIATION

2.1 Membership. Every owner shall be a Member of the Association subject to the terms of this Declaration, the Articles, Bylaws and Association Rules. The terms and provisions set forth in this Declaration, which are binding upon all Owners, are not exclusive, as Owners shall also be subject to the terms and provisions of the Articles and Bylaws of the Association to the extent the provisions thereof are not in conflict with the Declaration. Membership in the

Association shall be appurtenant to each Lot and may not be separated from the interest of an Owner in any Lot. Ownership of a Lot shall be the sole qualification for membership in the Association; provided, however, that a Member's voting rights and privileges in the Common Areas may be regulated or suspended as provided in this Declaration, the Bylaws, or the Association Rules. Not more than one membership in the Association shall exist with respect to ownership of a single Lot.

2.2 Transfer. The membership held by any Owner shall not be transferred, pledged or alienated in any way, except upon the conveyance or encumbrance of such Lot and then only to the transferee or Mortgagee of such Lot. Any attempt to separate the membership in the Association from the Lot to which it is appurtenant shall be void and will not be reflected upon the books and records of the Association. In the event an Owner should fail or refuse to transfer the membership registered in such Owner's name to the transferee of such Owner's interest in such Lot, the Association shall have the right to record the transfer upon the books of the Association so that the name of the Member corresponds with the ownership of the Lot set forth in the Utah County Recorder's office.

2.3 Voting Rights. All voting rights shall be subject to the restrictions and limitations provided herein and in the Articles, Bylaws, and Association Rules. The Association shall have one class of Members. Each Member shall be entitled to one (1) vote for each Lot such Member owns. When more than one person owns a portion of the interest in a Lot, each such person shall be a Member, but the vote for such Lot shall be exercised as they among themselves determine. Absent any other agreement among co-Owners of a single Lot, (i) a single co-Owner appearing at an Association meeting will be entitled to cast the one vote for the Lot, and (ii) if multiple co-Owners appear at an Association meeting, each co-Owner will have a pro rata fractional vote based upon the ownership interests of the co-Owners appearing at such meeting. In no event shall more than one vote be cast with respect to any single Lot. The Association shall not be required to recognize the vote or written consent of any co-Owner that is not authorized to vote based upon a written designation of all such co-Owners delivered to the Association.

2.4 Approval of Members. Unless a different percentage is otherwise provided for in this Declaration, the Articles, or the Bylaws, the vote of a majority of a quorum of the voting interest shall be required to approve any matter before the Members. Votes may be taken at a meeting held pursuant to the requirements set forth in the Bylaws, or by an action by written consent. Quorum requirements for meetings of the Members shall be set forth in the Bylaws.

ARTICLE 3 COVENANT FOR ASSESSMENTS

3.1 Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed or other conveyance creating in such Owner the interest required to be deemed an Owner, whether or not it shall be so expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association all Assessments to be fixed, established and collected from time to time as hereinafter provided. The Assessments, together with interest thereon provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with such interest, late charges and costs and reasonable attorney's fees, shall also be the personal obligation of the Owner

of such Lot at the time when the Assessment fell due, and of each subsequent Owner other than a Mortgagee. Any subsequent Owner of a Lot shall be deemed to have notice of the Assessments, whether or not a lien has been recorded. No Owner may waive or otherwise escape liability for an Assessment by abandonment of the Lot.

3.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the comfort, health, safety, security and welfare of the Owners and to perform the duties and exercise the powers of the Association enumerated in its Articles, Bylaws, and this Declaration.

3.3 Regular Assessments. Prior to the beginning of each fiscal year of the Association, the Board shall estimate the total Common Expenses to be incurred for the upcoming fiscal year and, based on such estimate, determine the amount of the Regular Assessment to be paid by each Owner. In the event the Board shall determine that the estimate of total charges for the current year is or will become inadequate to meet all Common Expenses for any reason, it shall immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the Common Expenses and determine the revised amount of Regular Assessment against each Owner, and the date or dates when due.

The amount and timing of payment of Regular Assessments shall be determined by the Board. However, unless the Board has determined otherwise and provided notice to the Members, Regular Assessments shall be due in quarterly installments but each Owner may elect to pay his share of the Regular Assessments annually. In the Board's discretion, those paying Regular Assessments annually may receive a discount of up to five percent (5%) off the annualized Regular Assessments.

3.4 Special Assessments. In addition to the Regular Assessments authorized in Section 3.3, the Association may, at the Board's discretion, levy a Special Assessment or Special Assessments from time to time to cover any unexpected expenses, operating shortfalls, major repairs, additions, or Capital Improvements. Special Assessments may be levied against one or more individual Lot or against all Lots. Special Assessments shall be payable in such manner and at such times as determined by the Board and may be payable in installments extending beyond the fiscal year in which the Special Assessment is approved, if the Board so determines. The Board may, without a vote of the Members, approve Special Assessments up to and not exceeding One-Thousand Dollars (\$1,000.00) per Lot per calendar year.

3.5 Rate of Assessment. All Assessments shall be fixed by the Board at a rate computed in a manner that the Board, in its discretion, determines to be in the best interest of the Association. Lots abutting the Common Areas may be assessed at a higher rate than all other Lots. The total amount of Regular Assessments shall not exceed the previous year's Regular Assessments (determined for an entire 12 month period) by more than 15% without the affirmative vote of Members holding not less than sixty-seven (67%) of the voting power of the Members.

3.6 Certificate of Payment. The Association shall, upon demand, furnish to any Owner liable for Assessments, a certificate in writing signed by an officer or authorized agent of the Association, setting forth whether the Assessments on a specified Lot have been paid, and the amount of delinquency, if any. A reasonable charge may be collected by the Board for the issuance

of these certificates, such certificates shall be conclusive evidence of payment of any Assessments therein stated to have been paid.

3.7 Exempt Property. The following portions of the Property shall be exempt from the Assessments created herein; all properties dedicated to and accepted by, or otherwise acquired by a public authority; and the Common Areas.

3.8 Individual Assessments. The Association may levy Individual Assessments against a Lot and its Owner for: (a) administrative costs and expenses incurred by the Board in enforcing the Governing Documents against the Owner or its Occupants; (b) costs associated with the maintenance, repair, or replacement of Common Areas caused by the neglect or actions of an Owner or its Occupants; (c) any other charge, fine, fee, expense, or cost designated as an Individual Assessment by the Board, including, without limitation, action taken to bring a Residence and its Owner into compliance with the Governing Documents; (d) nonpayment of a Reinvestment Fee; (e) costs of providing services to the Lot upon request of the Owner; and (f) attorney fees, court or collection costs, fines, and other charges relating to any of the foregoing, regardless of whether a lawsuit is filed. In addition, Individual Assessments may be levied against a Lot and its Owner specifically benefited by any improvements to adjacent roads, sidewalks, planting areas or other portions of the Common Areas made on the written request of the Owner of the Lot to be charged. The aggregate amount of any such Individual Assessments shall be determined by the cost of such improvements, repairs, maintenance, or enforcement action, including all overhead and administrative costs and attorney fees, and shall be allocated among the affected Lots according to the special benefit or cause of damage or maintenance or repair work or enforcement action, as the case may be. Individual Assessments may be levied in advance of the performance of the work. If a special benefit arises from any improvement which is part of the general maintenance obligations of the Association, it shall not give rise to an Individual Assessment against the Lot(s) benefited, unless such work was necessitated by the Owner's or its Occupants' negligence.

3.9 Board Discretion to Reduce or Abate. In the event the amount budgeted to meet Common Expenses for any year proves to be excessive in light of the actual Common Expenses, the Board in its sole discretion may either reduce the amount of the Regular Assessment or may abate collection of Regular Assessments as it deems appropriate.

3.10 No Offsets. All Assessments shall be payable in the amount specified by the Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers as provided in this Declaration.

3.11 Reserves. The Regular Assessments shall include reasonable amounts as determined by the Board collected as reserves for the future periodic maintenance, repair or replacement of all or a portion of the Common Areas. After the Turnover Date, all amounts collected as reserves, whether pursuant to the preceding sentence of this Section or otherwise, shall be deposited by the Board in a separate bank account to be held in trust for the purposes for which they are collected and are to be segregated from and not commingled with any other funds of the Association.

3.12 Reinvestment Fee. Within thirty (30) days after the effective date of any transfer of

legal title to a Lot, the new Owner shall pay to the Association, in addition to any other required amounts, a reinvestment fee, in an amount determined by the Board from time to time. However, notwithstanding the foregoing, the following are not subject to the above referenced reinvestment fee:

- a. an involuntary transfer;
- b. a transfer that results from a court order;
- c. a bona fide transfer to a family member of the seller within three degrees of consanguinity who, before the transfer, provides adequate proof of consanguinity, or to a legal entity, such as a trust, in which the owner or the owner's spouse, son, daughter, father or mother hold a beneficial interest of at least fifty percent (50%) for estate planning purposes;
- d. a transfer or change of interest due to death, whether provided in a will, trust, or decree of distribution; or
- e. the transfer of burdened property by a financial institution, except to the extent that the reinvestment fee covenant requires the payment of the Association's costs directly related to the transfer of the burdened property, not to exceed \$250.

ARTICLE 4 NONPAYMENT OF ASSESSMENTS

4.1 Delinquency. Any Assessment provided for in this Declaration which is not paid when due shall be delinquent on said due date (the "delinquency date"). If any such Assessment is not paid within fifteen (15) days after the delinquency date, a late charge may be levied in an amount determined by the Board in its discretion and the Assessment plus any late fees shall earn interest from the delinquency date at the rate of eighteen percent (18%) per annum.

4.2 Enforcement Rights. The Association shall have the right to take any of the following actions against one or more Owners(s) after the delinquency date:

- a. The Association may bring an action to recover a money judgment against the Owner for unpaid Assessments, interests, late fees, costs, and attorney's fees.
- b. The Association may foreclose the Association's lien against the Lot for the unpaid Assessments, interest, late fees, costs, and attorney's fees pursuant to Utah Code § 57-8a-304.

If, at any time, such nonprofit corporation is dissolved, whether inadvertently or deliberately, it shall automatically be succeeded by an unincorporated association of the same name. All of the property, powers, and obligations of the nonprofit corporation existing immediately prior to its dissolution shall thereupon automatically vest in the successor unincorporated association. To the greatest extent possible, the successor unincorporated association shall be governed by the Articles and Bylaws as if they had been drafted to constitute the governing documents of the unincorporated association. Notwithstanding the foregoing, upon dissolution of the nonprofit corporation, the Board, in its sole discretion, may re-incorporate the Association by renewing the dissolved nonprofit corporation or by incorporating a new nonprofit corporation with a name that is substantially similar to the previously dissolved nonprofit corporation and with Articles that adopt the Declaration and Bylaws and that are otherwise substantially similar to the Articles of the previously dissolved nonprofit corporation. In the event that the Board incorporates a new nonprofit corporation as described above, the new nonprofit corporation shall be a successor of the previously dissolved nonprofit corporation and all of the property, powers, and obligations of the nonprofit corporation existing immediately prior to its dissolution shall thereupon automatically vest in the new nonprofit corporation.

7.3 Association Rules. The Board shall also have the power to adopt, amend, and repeal such rules and regulations as it deems reasonable (the "Association Rules"). The Association Rules shall govern such matters in furtherance of the purposes of the Association, including, without limitation, the use of the Common Areas; *provided, however*, that the Association Rules may not discriminate among Owners and shall not be inconsistent with this Declaration, the Articles, or Bylaws. A copy of the Association Rules, as they may from time to time be adopted, amended or repealed, shall be delivered to each Owner in the same manner established in this Declaration for the delivering of notices. Upon such delivery, said Association Rules shall have the same force and effect as if they were set forth in and were part of this Declaration. The

a. The Board may appoint an Architectural Review Committee ("ARC") and may establish provisions related to the ARC in the Association Rules. The ARC may consist entirely or in part of members of the Board. If the Board does not appoint an ARC, the Board shall serve as the ARC. The ARC may prepare or adopt and promulgate on behalf of the Board design and development guidelines (the "Design Guidelines") and application and review procedures applicable to the Association Properties or any portion thereof. The Design guidelines and procedures shall be those of the Association and the ARC shall have the sole and full authority to prepare and to amend the same, subject to approval of the City (if applicable). Before adopting, amending, modifying, canceling, limiting, creating exceptions to, or expanding the Design Guidelines, the ARC or the Board shall hold a Meeting at which it provides the Members an opportunity to be heard. The ARC or the Board shall deliver to the Members notice of the Meeting and its purpose at least fifteen (15) days prior to the Meeting. The Association shall make copies of the guidelines and procedures available, upon request, to Owners, builders, and developers who seek to engage in development of or construction upon any portion of the Association Properties, and such Owners, builders and developers shall conduct their operations strictly in accordance therewith.

b. Any construction, alteration, modification, removal or destruction, within the project, including the location of all improvements, must be approved in writing by the ARC prior to the commencement of the same. No person commencing such construction, alteration, modification, removal or destruction prior to receipt of such written approval shall acquire any vested rights in any such improvement. A majority of the members of the ARC shall have the power to act on behalf of the ARC, without the necessity of a Meeting. All decisions rendered by the ARC must be by written instrument setting forth the action taken by the members consenting thereto.

c. The ARC may, at its sole discretion, withhold approval of any proposal if the ARC finds the proposal would be inappropriate for the particular Lot or incompatible with the Design Guidelines. Considerations such as sitting, shape, size, color, design, height, solar access or other effects on the enjoyment of other Lots or Common Area, and any other factors which the ARC reasonably believes to be relevant, may be taken into consideration by the ARC in determining whether or not to approve any proposal.

d. Approval or disapproval by the ARC of any matter proposed to it or within its jurisdiction shall not be deemed to constitute precedent, waiver or estoppel impairing its right to withhold approval or grant approval as to any similar matter thereafter proposed or submitted to it.

e. Any Owner adversely impacted by action of the ARC may appeal such action to the Board. If, however, the ARC's duties are being carried out by the Board, then no such right to

appeal shall exist.

f. All appeals and hearings shall be conducted in accordance with procedures set forth by the Board by resolution.

g. The ARC's approval of any proposal shall automatically be revoked within three (3) months after issuance unless construction or other work relating to the proposal has been commenced or the Owner has applied for and received an extension of time from the ARC.

h. The ARC may inspect from time to time, all work performed and determine whether it is in substantial compliance with the approval granted. If the ARC finds that the work was not performed in substantial conformation with the approval granted, or if the ARC finds that the approval required was not obtained, the ARC shall notify the Owner in writing of the noncompliance. The notice of noncompliance shall specify the particulars of noncompliance and shall require the owner to remedy the noncompliance by a specific date. Any Owner who receives a notice of noncompliance may appeal the notice in accordance with the appeals procedure set forth by the Board.

i. Neither the Board nor the ARC shall be liable to any Owner, occupant, builder or other person for any damage, loss or prejudice suffered or claimed on account of any action or failure to act of the ARC or a member thereof, provided only that the member has in accordance with the actual knowledge possessed by him or her, acted in good faith. The ARC is not responsible for determining compliance with structural and building codes, solar ordinances, zoning codes or other governmental regulations, all of which are the responsibility of the Owner.

8.5 Right of Association to Maintain and Install. In the event that the need for exterior maintenance or repair of a Residence or the Improvements thereto is caused through the willful or negligent acts of the Owner or the Owner's Occupants or Permittees, the cost of such exterior maintenance or repair shall be assessed against the Owner and his Lot as hereinafter set forth.

a. Upon finding by the Board that the need for exterior maintenance or repair was caused by the willful negligent acts of the Owner or the Owner's Occupants or Permittees, the

Board shall give notice of its finding to the responsible Owner which shall briefly describe the maintenance or repair needed and the willful or negligent acts and set a date for hearing before the Board or a committee selected by the Board for such purpose.

b. Such hearing shall be held not less than ten (10) nor more than thirty (30) days from the date of said notice.

c. Such hearing shall be conducted according to such reasonable rules and procedures as the Board shall adopt and which shall provide the Owner with the right to present oral and written evidence and to confront and cross-examine adverse witnesses. If the Board or any committee renders a decision against the responsible Owner, it shall further set a date by which the deficiency is to be corrected by the responsible Owner. A decision of a committee may be appealed to the Board, but a decision of the Board shall be final.

d. If, after a hearing as described herein, the Board reaches a decision that the need for exterior maintenance or repair was caused by the willful or negligent acts of the Owner, its Occupants or Permittees, and the Association pays for such maintenance or repair, such amount shall be an Individual Assessment to the affected Owner and Lot.

9.7 Waiver by Members. As to each of said policies which will not be voided or impaired thereby, the Members hereby waive and release all claims against the Association, the Board, and agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but to the extent of insurance proceeds received in compensation for such loss only.

9.8 Premiums and Proceeds. Insurance premiums for any such blanket insurance coverage obtained by the Association and any other insurance deemed necessary by the Association shall be a Common Expense to be included in the Regular Assessments levied by the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried, or otherwise disposed of as provided in ARTICLE 10 hereof. The Association is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers.

ARTICLE 10 DESTRUCTION OF IMPROVEMENTS

In the event of partial or total destruction of Improvements upon the Common Areas, it shall be the duty of the Association to restore and repair the same to its former condition as promptly as practical. The proceeds of any insurance maintained pursuant hereto shall be used for such purpose. In the event that the amount available from the proceeds of such insurance policies for such restoration and repair shall be insufficient to accomplish such repair or restoration, a Reconstruction Assessment may be levied by the Association to provide the necessary funds or such reconstruction, over and above the amount of any insurance proceeds available for such purpose. In the event any excess insurance proceeds remain, the Board shall distribute pro rata such excess funds to the Members, subject to the prior rights of Mortgagees whose interest may be protected by insurance policies carried by the Association. The rights of an Owner and the Mortgagee of his Lot as to such pro rata distribution shall be governed by the provisions of the Mortgage encumbering such Lot. All amounts collected as Reconstruction Assessments shall only be used for the purposes set forth in this Article and shall be deposited by the Board in a separate bank account to be held in trust for such purposes. Such funds shall not be commingled with any other funds of the Association.

ARTICLE 11 EMINENT DOMAIN

The term "taking" as used in this Article shall mean condemnation by eminent domain or sale under threat of condemnation. In the event of a threatened taking of all or any portion of the Common Areas, the Members hereby appoint the Board and such persons as the Board may delegate to represent all of the Members in connection with the taking. The Board shall act in its sole discretion with respect to any awards being made in connection with the taking and shall be

entitled to make a voluntary sale to the condemner in lieu of engaging in a condemnation action. Any awards received on account of the taking shall be paid to the Association. In the event of a taking of less than all of the Common Areas, the rules as to restoration and replacement of the Common Areas and the improvements thereon shall apply as in the case of destruction of the improvements upon the Common Areas. In the event of a total taking, the Board shall distribute pro rata any award to the Members. The rights of an Owner and the Mortgagee of such Owner's Lot as to such pro rata distribution shall be governed by the provisions of the Mortgage encumbering such Lot.

These Bylaws govern the management of the business and the conduct of the affairs of the Association except as otherwise provided by statute, the Declaration, or the Articles of Incorporation. In the event of any conflict between the Declaration and these Bylaws, the Declaration shall govern.

ARTICLES III MEMBERS

3.1 Annual Meetings. The annual meeting of the Members shall be held each year on a day and at a time established by the Board of Directors which shall be in the month of January unless otherwise designated by the Board. The purpose of the annual meeting is to elect Board Members and transact such other business as may come before the meeting. If the election of Board Members cannot be held at the annual meeting of the Members, or at any adjournment thereof, the Board of Directors shall cause the election to be held either at a special meeting of the Members to be convened as soon thereafter as may be convenient or at the next annual meeting of

the Members. The Board of Directors may from time to time by resolution change the date and time for the annual meeting of the Members.

3.2 Special Meetings. Special meetings of the Members may be called by the President or must be called at the request of three (3) Board Members or ten (10) Members. Any written request for a special meeting presented by the Members shall be delivered to the President and shall include the original signature of each Member affirmatively supporting such request along with a complete statement of the purpose of the meeting on each page containing signatures. The President shall then call, provide notice of, and conduct a special meeting within twenty (20) days of receipt of the request. In case of failure to call such meeting within twenty (20) days after such request, such members may call the same.

3.3 Place of Meetings. The Board of Directors may designate any place in Utah County, State of Utah reasonably convenient for the Members of the Association as the place of meeting for any annual or special meeting called by the Board of Directors. If no designation is made, or if a special meeting is otherwise called, the place of the meeting shall be at the principal office of the Association. A waiver of notice signed by all of the members of the Association may designate any place, within the State of Utah, as the place for holding such meeting.

3.4 Notice of Meetings of the Members. The Board of Directors shall cause written or printed notice of the date, time, and place (and in the case of a special meeting, the purpose or purposes) for all meetings of the Members. Such written or printed notice shall be delivered to each Member of record entitled to vote at such meeting not more than twenty (20) nor less than five (5) days prior to the meeting. Such notice may be emailed, hand-delivered, or mailed. Each Member shall register with the Association such Member's current email address and mailing address for purposes of notice hereunder. Such registered email and mailing addresses may be changed from time to time by notice in writing to the Association. If no address is registered with the Association, a Member's Lot address shall be deemed to be the Member's registered address. An Owner may opt out of receiving notices from the Association via email by giving written notice to the President or manager that he/she will not accept notices by way of email.

3.5 Qualified Voters. A Member shall be deemed to be in "good standing" and "entitled to vote" at any meeting of the Association if he or she is in full compliance with all of the terms, covenants, conditions of the Declaration, or these Bylaws, and shall have fully paid his or her share of any Assessments (together with any interest and/or late fees) prior to the commencement of the meeting.

3.6 Record Date for Notice Purposes. Upon purchasing a Unit in the Project, each Owner shall promptly furnish to the Association a certified copy of the recorded instrument by which ownership of such Unit has been vested in such Owner, which copy shall be maintained in the records of the Association. For the purpose of determining members entitled to notice of or to vote at any meeting of the members, or any adjournment thereof, the Management Committee may designate a record date, which shall be no more than sixty (60) and no less than ten (10) days prior to the meeting. If no record date is designated, the date on which notice of the meeting is mailed shall be deemed to be the record date for determining members entitled to notice of or to vote at the meeting. The persons or entities appearing in the records of the Association on such record

date as the Owners of record of Units in the Project shall be deemed to be the members of record entitled to notice of and to vote at the meeting of the members and any adjournments thereof.

3.7 Quorum. At any meeting of the Members, the presence of Members and holders of proxies entitled to cast at least twenty percent (20%) of the voting interests of the Association shall constitute a quorum for the transaction of business. If however, such quorum shall not be present or represented at any meeting, the members present (whether represented in person or by proxy), though less than a quorum, may adjourn the meeting and reschedule for a time no earlier than twenty-four (24) hours, nor later than three (3) weeks after the set time for the original meeting.

3.8 Proxies. At each meeting of the Members, each Member entitled to vote shall be entitled to vote in person or by proxy provided, however, that the right to vote by proxy shall exist only where the instrument authorizing such proxy to act shall have been executed by the Member or by the Member's attorney when duly authorized in writing. If a Lot is jointly owned, the instrument authorizing a proxy to act may be executed by any one (1) owner of such Lot or the Members' attorneys when duly authorized in writing. Such instrument authorizing a proxy to act shall be dated, set forth the specific matters or issues upon which the proxy is authorized to act, and may allow the proxy to vote on any issue arising at any particular meeting or meetings. Such instrument shall be delivered at the beginning of the meeting to the Secretary of the Association or to such other officer or person who may be acting as secretary of the meeting. The secretary of the meeting shall enter a record of all such proxies in the minutes of the meeting.

3.9 Votes. With respect to each matter submitted to a vote of the Members, each Member entitled to vote at the meeting shall have the right to cast, in person or by proxy, the number of votes appertaining to the Lot of such Member, as shown in the Declaration. The affirmative vote of a majority of the votes entitled to be cast by the Members present or represented by proxy at a meeting at which a quorum was initially present shall be necessary for the adoption of any matter voted on by the Members, unless a greater proportion is required by the Articles, these Bylaws, the Declaration, or the Act. Each Member shall be entitled to one (1) vote for each Lot such Member owns. When more than one person owns a portion of the interest in a Lot, each such person shall be a Member, but the vote for such Lot shall be exercised as they among themselves determine. Absent any other agreement among co-Owners of a single Lot, (i) a single co-Owner appearing at an Association meeting will be entitled to cast the one vote for the Lot, and (ii) if multiple co-Owners appear at an Association meeting, each co-Owner will have a pro rata fractional vote based upon the ownership interests of the co-Owners appearing at such meeting. In no event shall more than one vote be cast with respect to any single Lot. The Association shall not be required to recognize the vote or written consent of any co-Owner that is not authorized to vote based upon a written designation of all such co-Owners delivered to the Association.

3.10 Waiver of Irregularities. All inaccuracies and irregularities in calls or notices of meetings and in the manner of voting, in the form of proxies and the method of ascertaining Members present, and in the decision and votes of the Board of Directors or of the Owners shall be deemed waived if no objection is made either at the meeting or within thirty (30) days of the date of the meeting, or within thirty (30) days of notice of any decision by the Board of Directors. The presence of a Lot Owner in person at any meeting of the Lot Owners shall be deemed a waiver

on any notice requirements.

3.11 Informal Action by Members. Any action that is required or permitted to be taken at a meeting of the Members may be taken without a meeting, if a consent in writing, setting forth the action so taken, shall be signed by enough Members such that the vote would have passed if all of Association Members had been in attendance at a regularly called meeting.

ARTICLE IV BOARD OF DIRECTORS

4.1 General Powers. The property, affairs and business of the Association shall be managed by the Board of Directors. The Board of Directors may exercise all of the powers of the Association, whether derived from the Act, the Declaration or these Bylaws, except such powers that the Articles, these Bylaws, the Declaration, or the Act vest solely in the Members. The Board of Directors shall, among other things, prepare or cause to be prepared, plan and adopt an estimated annual budget for the estimated annual common expenses, provide the manner of assessing and collecting assessments, and keep or cause to be kept sufficient books and records with a detailed account of the receipts and expenditures affecting the Project and its administration, and specifying the maintenance and repair expenses of the Common Areas. The books and records shall be available for examination by all members at convenient hours on working days that shall be set and announced for general knowledge. All books and records shall be kept in accordance with generally accepted accounting principles. The Board of Directors may by written contract delegate, in whole or in part, to a professional management organization or person such of its duties, responsibilities, functions, and powers as are properly delegable

4.2 Number, Tenure, and Qualifications. The Board of Directors shall be composed of three (3) or five (5) persons, each of whom shall be an owner of a Lot in the Project and shall meet the qualifications in the Declaration. Each Board Member shall hold his position for two (2) years or until his successor shall have been chosen and qualified, or until his death, or until his resignation, disqualification, or removal in the manner provided in these Bylaws, whichever first occurs.

4.3 Regular Meetings. The Board of Directors shall hold regular Meetings at least once every six (6) months, at the discretion of the Board of Directors. The Board of Directors may designate any place in Utah County, Utah as the place of Meeting for any regular Meeting called by the Board of Directors. Meetings may also be held with Board Members appearing telephonically so long as any Board Member appearing telephonically consents to such appearance. If no designation is made, the place of the Meeting shall be at the residence of the President of the Association.

4.4 Special Meetings. Special Meetings of the Board of Directors may be called by the President, Vice President, or a majority of the Board Members on at least five (5) days prior notice to each Board Member. The person or persons authorized to call special Meetings of the Board of Directors may fix any place, within Utah County, as the place for holding the Meeting. Notice shall be given personally, by regular U.S. Mail at such Board Member's registered address, by email, or by telephone. If mailed, such notice shall be deemed to be delivered when deposited in the U.S. mail so addressed, with first-class postage thereon prepaid. Any Board Member may waive notice of a Meeting.

4.5 Notice to Owners of Meetings of the Board of Directors. The Board of Directors shall cause written notice of the date, time, and place for all Meetings of the Board of Directors to be sent to each Owner who has requested such notice. Such written notice shall be delivered no less than 48 hours prior to the Meeting except that, when a Meeting is called to address an emergency and each member of the Board of Directors receives less than 48-hours' notice of the Meeting, such Owners shall receive notice equal to that received by the members of the Board of Directors. Notice to Owners under this Section 4.5 shall be sent via email and shall be deemed delivered when sent to the Owner's email address provided to the Association. Such provided email address may be changed from time to time by notice in writing to the Association. If members of the Board of Directors may attend the Meeting by electronic means, notice to the Owners shall include information necessary to allow the Owner to attend by electronic means.

4.6 Meetings of the Board of Directors Open to Owners. Each Meeting of the Board of Directors shall be open to each Owner except that the Board of Directors may close a Meeting to consult with an attorney for the purpose of obtaining legal advice; discuss ongoing or potential litigation, mediation, arbitration, or administrative proceedings; discuss a personnel matter; discuss a matter relating to contract negotiation, including review of a bid or proposal; discuss a matter that involves an individual if the discussion is likely to cause the individual undue embarrassment or violate the individual's reasonable expectation of privacy; or discuss a delinquent assessment or fine. At each Meeting of the Board of Directors, each Owner shall be provided a reasonable opportunity to offer comments; the Board of Directors may limit comments of the Owners to a specific time period during the Meeting.

4.7 Quorum and Manner of Action. A majority of the then authorized number of Board Members shall constitute a quorum for the transaction of business at any Meeting of the Board of Directors. The act of a majority of the Board Members present at any Meeting at which a quorum is present and for which proper notice was provided to the Board Members shall be the act of the Board of Directors. The Board Members shall act only as the Board of Directors, and individual Board Members shall have no powers as such.

4.8 Action without a Meeting. Any action that the Board is required or permitted to take at a Meeting of the Board of Directors may be taken without a Meeting. Action taken without a Meeting has the same effect as action taken at a Meeting.

4.9 Compensation. No Board Member shall receive compensation for any services that such member may render to the Association as a Board Member; provided, however, that a Board Member may be reimbursed for expenses incurred in performance of such duties as a Board Member to the extent such expenses are approved by a majority of the other Board Members. Nothing herein contained shall be construed to preclude any Board Member from serving the Project in any other capacity and receiving compensation therefore.

4.10 Resignation and Removal. A Board Member may resign at any time by delivering a written resignation to either the President or the Secretary. Unless otherwise specified therein, such resignation shall take effect upon delivery. A Board Member may be removed at any time, with or without cause, at a special meeting of the Members duly called for such purpose upon the affirmative vote of more than fifty percent (50%) of the voting interests of the Association. A Board Member may also be removed by the affirmative vote of a majority of the other Board

Members if he or she misses three (3) consecutive Board Meetings without good cause.

4.11 Vacancies and Newly Created Board Memberships. If vacancies shall occur in the Board of Directors by reason of the death, resignation, disqualification, or removal of a Board Member as provided in Section 4.10, the Board Members then in office shall continue to act, and such vacancies shall be filled by a majority vote of the Board Members then in office, though less than a quorum. Any vacancy in the Board of Directors occurring by reason of removal of a Board Member by the Members may be filled by election by the Members at the meeting at which such Board Member is removed. Any Board Member elected or appointed hereunder to fill a vacancy shall serve for the unexpired term of his predecessor.

4.12 Waiver of Notice. Before or at any Meeting of the Board of Directors, any Board Member may waive notice of such Meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Board Member at any Meeting thereof shall be a waiver of notice by that Board Member of the time, place, and purpose thereof.

4.13 Adjournment. The Board of Directors may adjourn any Meeting from day to day for such other time as may be prudent or necessary, provided that no Meeting may be adjourned for longer than thirty (30) days.

4.14 Nomination and Election of Board Members. Nomination for election to the Board of Directors shall be made by the Members of the Association by petition filed with the secretary of the Association prior to or at the Annual Meeting. Nominations may also be made from the floor at the annual meeting of Members. Members of the Board shall be elected either by a voice vote or by secret written ballot. Association Members or their proxies shall vote in accordance with the provisions of the Declaration and these Bylaws. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted. No two Board Members shall be related by blood or marriage nor shall any Board Member share joint ownership in a Unit with another Board Member.

ARTICLE V OFFICERS

5.1 Officers. The officers of the Association shall be a President, a Secretary, and a Treasurer, and such other officers as may from time to time be appointed by the Board of Directors. The Board may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Board of Directors may from time to time determine.

5.2 Election Tenure and Qualifications. The officers of the Association shall be chosen by the Board of Directors annually at the first regular Meeting of the Board of Directors following the annual meeting of the Members. Officers who are also members of the Board of Directors shall serve for a term equal to their term as a Director. Officers who are not also members of the Board shall serve for a term determined by the Board. In the event of failure to choose officers at such regular Meeting of the Board of Directors, officers may be chosen at any regular or special Meeting of the Board of Directors. Each such officer (whether chosen at a regular Meeting of the Board of Directors or otherwise) shall hold such office at least until the next ensuing regular

Meeting of the Board of Directors and until a successor has been chosen and qualified, or until such officer's death, or until resignation, disqualification, or removal in the manner provided in these Bylaws, whichever first occurs. Any person may hold any two (2) or more of such offices, except that the President may not also be the Secretary. No person holding two (2) or more offices shall act in or execute any instrument in the capacity of more than one (1) office. The President, Vice President (if any), Secretary, and Treasurer may be, but are not required to be, Board Members of the Association.

5.3 Subordinate Officers. The Board of Directors may from time to time appoint such other officers or agents as it may deem advisable, each of whom shall have such title, hold office for such period, have such authority, and perform such duties as the Board of Directors may from time to time determine. Subordinate officers need not be Board Members of the Association.

5.4 Resignation and Removal. Any officer may resign at any time by delivering a written resignation to any Board Member or to any managing agent of the Association. Unless otherwise specified therein, such resignation shall take effect upon delivery. Any officer may be removed and replaced upon the affirmative vote of a majority of the Board of Directors at any time, with or without cause.

5.5 Vacancies and Newly Created Offices. If any vacancy shall occur in any office by reason of death, resignation, removal, disqualification or any other cause, or if a new office shall be created, such vacancies or newly created offices may be filled by the Board of Directors at any regular or special Meeting.

5.6 The President. The President shall be the chief executive of the Association. The President shall preside at Meetings of the Board of Directors and at meetings of the Members. At the meetings, the President shall have all authority typically granted to the person presiding over the meeting including but not limited to: (1) the right to control the order of the meeting, (2) the right to arrange for the removal of any disruptive Owner or person, (3) the right to impose and enforce reasonable rules and procedures related to the meeting such as those found in "Robert's Rules of Order" or "The Modern Rules of Order." The President shall sign on behalf of the Association all conveyances, mortgages, documents, and contracts, and shall do and perform all other acts and things as required by the Board of Directors.

5.7 The Secretary. The Secretary shall keep the minutes of the Association and shall maintain such books and records as these Bylaws, the Declaration, Rules, or any resolution the Board of Directors may require such person to keep. The Secretary shall also act in the place of the Vice President in the event of the President's and Vice President's absence or inability or refusal to act.

5.8 The Treasurer. The Treasurer shall have the custody and control of the funds of the Association, subject to the action of the Board of Directors, and when requested by the President, shall report the state of the finances of the Association at each meeting of the Members and at any Meeting of the Board of Directors. The Treasurer shall perform such other duties as required by the Board of Directors. The offices of Secretary and Treasurer may be held by the same person. No person shall simultaneously hold more than one of any of the other offices except in the case of special offices created pursuant these Bylaws.

5.9 Compensation. No officer shall receive compensation for any services rendered to the Association as an officer, provided, however, that an officer may be reimbursed for expenses incurred in performance of such duties as an officer to the extent such expenses are approved by the Board of Directors.

ARTICLE VI COMMITTEES

6.1. Designation of Committees. The Board of Directors may from time to time by resolution designate committees as it may deem appropriate in carrying out its duties, responsibilities, functions, and powers ("Committee" for purposes of this Article). The membership of each such Committee designated hereunder shall include at least one (1) Board Member ("Committee Member" for purposes of this Article). No Committee Member shall receive compensation for services rendered to the Association as a Committee Member; provided, however, that the Committee Member may be reimbursed for expenses incurred in performance of such duties as a Committee Member to the extent that such expenses are approved by the Board of Directors. A Committee shall not have any powers, duties, or responsibilities beyond those specifically assigned by the Board of Directors in a written resolution. The Board of Directors may terminate any Committee at any time.

5.2 Proceeding of Committees. Each Committee designated hereunder by the Board of Directors may appoint its own presiding and recording officers and may meet at such places and times and upon such notice as such Committee may from time to time determine. Each such Committee shall keep a record of its proceedings and shall regularly report such proceedings to the Board of Directors.

5.3 Quorum and Manner of Acting. At each Meeting of any Committee designated hereunder by the Board of Directors, the presence of Committee Members constituting at least a majority of the authorized membership of such Committee, but in no event less than two (2) Committee Members, shall constitute a quorum for the transaction of business, and the act of a majority of the Committee Members present at any Meeting at which a quorum is present shall be the act of such Committee. Any Committee Members designated by the Board of Directors hereunder shall act only as a Committee, and the individual Committee Members thereof shall have no powers as such. A Committee may exercise the authority granted by the Board of Directors.

5.4 Resignation and Removal. Any Committee Member designated hereunder by the Board of Directors may resign at any time by delivering a written resignation to the President, the Board of Directors, or the presiding officer of such Committee. Unless otherwise specified therein, such resignation shall take effect upon delivery. The Board of Directors may at any time, with or without cause, remove any Committee Member designated by it thereunder.

5.5 Vacancies. If any vacancy shall occur in any Committee designated by the Board of Directors due to disqualification, death, resignation, removal, or otherwise, the remaining Committee Members shall, until the filling of such vacancy by the Board of Directors, constitute the then total authorized membership of the Committee and, provided that two (2) or more Committee Members are remaining, may continue to act. Such vacancy may be filled at any Meeting of the Board of Directors.

ARTICLE VII INDEMNIFICATION

7.1 Indemnification – Third Party Actions. The Association shall indemnify any person who was or is a party to any action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Association) by reason of the fact that he is or was a Board Member or officer of the Association, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit, or proceeding, if he acted in good faith and in a manner he reasonably believed to be in the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit, or proceeding by an order or settlement, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in the best interests of the Association or with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his conduct was unlawful.

7.2 Indemnification – Association Actions. The Association shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Association by reason of the fact that he is or was a Board Member or officer of the Association, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit, if he acted in good faith and in a manner he reasonably believed to be in the best interests of the Association; provided, however, that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for gross negligence or intentional misconduct in the performance of his duty to the Association, unless and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability and in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

7.3 Determination. To the extent that a person who is or was a Board Member or officer of the Association has been successful on the merits or otherwise in defense of any action, suit, or proceeding referred to in Sections 7.1 or 7.2 of Article VII hereof, or in defense of any claim, issue, or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith. Any other indemnification under Sections 7.1 or 7.2 hereof shall be made by the Association only upon a determination that indemnification of the person is proper in the circumstances and that he has met the applicable standard of conduct set forth respectively in Sections 7.1 or 7.2 hereof. Such determination shall be made by a quorum of Board Members. If the Board of Directors cannot authorize indemnification because the number of Board Members who are parties to the proceeding with respect to which indemnification is sought prevents the formation of a quorum of Board Members who are not parties to that proceeding, the disinterested Board Members shall, in their sole discretion, either (a) appoint independent legal counsel who shall make the determination regarding indemnification in a written opinion, or (b) cause that the determination regarding indemnification be made by the Members of the Association by the affirmative vote of more than fifty percent (50%) of the total votes of the Association at a meeting duly called for such purpose

7.4 Insurance. The Board of Directors, in its discretion, may direct that the Association purchase and maintain insurance on behalf of any person who is or was a Board Member, officer, or employee of the Association or is or was serving at the request of the Association as a Board Member, officer, employee or agent of another association, corporation, partnership, joint venture, trust or other enterprise against any liability asserted against, and incurred by, such person in any such capacity or arising out of such person's status as such, whether or not the Association would have the power to indemnify such person against liability under the provisions of this Article VII.

7.5 Settlement by the Association. The right of any person to be indemnified shall be subject always to the right of the Association by the Board of Directors, in lieu of such indemnity, to settle any such claim, action, suit or proceeding at the expense of the Association by the payment of the amount of such settlement and the costs and expenses incurred in connection therewith.

ARTICLE VIII RECORDS, AUDITS, AND FISCAL YEAR

The Association shall maintain within the State of Utah all documents, information, and other records of the Association in accordance with the Declaration, these Bylaws, and the Utah Revised Nonprofit Corporation Act. The Board of Directors may establish provisions related to the maintenance of Association records by resolution.

8.1 General Records. The Board of Directors or managing agent for the Association shall keep records of the actions of the Board of Directors and managing agent or manager; minutes of the Meetings of the Board of Directors; minutes of the Member meetings of the Association, and financial records of the receipts and expenditures affecting the Property. At each Meeting of the Board of Directors, the minutes of the previous Meeting of the Board of Directors shall be presented to the Board of Directors for approval by a majority vote; the minutes of any Meeting of the Members shall be presented to the Board of Directors at the next Meeting of the Board of Directors for approval by a majority vote; after the minutes of a meeting of the Members have been approved by the Board of Directors by a majority vote, such minutes shall be presented to the Members at the next meeting of the Members for approval by a majority vote.

8.2 Financial Reports and Audits.

a. An annual report of the receipts and expenditures of the Association and a balance sheet showing assets and liabilities shall be rendered by the Board of Directors to all Owners and to all First Mortgagees of Lots who have requested notice of certain matters from the Association in accordance with this Declaration ("Eligible Mortgagee" for purposes of this Article).

b. From time to time the Board of Directors, at the expense of the Association, may obtain an audit by a certified public accountant or other financial review of the books and records pertaining to the Association and furnish copies thereof to the Owners and Eligible Mortgagees of Lots. At any time any Owner or Eligible Mortgagee may, at such Owner's or Eligible Mortgagee's own expense, cause an audit or inspection to be made of the books and records of the Association.

8.3 Inspection of Records by Owners. Except as provided in Section 8.4 below, all records of the Association shall be reasonably available for examination by an Owner and any Eligible Mortgagee of a Lot pursuant to Rules adopted by resolution of the Board of Directors. The Board, by resolution, may adopt reasonable Rules governing the frequency, time, location, notice and manner of examination and duplication of Association Records and the imposition of a reasonable fee for furnishing copies of any documents, information or records described in this Section. The fee may include reasonable personnel costs incurred in relation to furnishing the information. It is a violation of these Bylaws for an Owner to obtain Association records by means of a records request made in bad faith or for an improper purpose. It is further a violation of these Bylaws for an Owner to obtain records by request and then to use such records in a manner that is inconsistent with his or her stated purpose for obtaining such records.

a. Records Not Subject to Inspection. Prior to inspection from an Owner or a third party, the Association may redact from Association records social security numbers, bank account numbers, or any communication subject to attorney-client privilege.

ARTICLE IX AMENDMENTS

Except as otherwise provided by law, the Articles of Incorporation, the Declaration, or these Bylaws, these Bylaws may be amended, modified, or repealed and new bylaws may be made and adopted by the members upon the affirmative vote of not less than fifty-one percent (51%) of the total votes of the Association; provided, however, that such action shall not be effective unless and until a written instrument setting forth (a) the amended, modified, repealed, or new bylaws, (b) the number of votes cast in favor of such action, and (c) the total votes of the Association, shall have been executed and verified by the current president of the Association and recorded in the office of the County Recorder of Utah County

ARTICLE X MISCELLANEOUS PROVISIONS

10.1 Waiver. No restriction, condition, obligation, or provision contained in these Bylaws shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches thereof which may occur.

10.2 Invalidity; Number; Captions. The invalidity of any part of these Bylaws shall not impair or affect in any manner the validity, enforceability or effect of the balance of these Bylaws. As used in these Bylaws, the singular shall include the plural, and the plural the singular. The masculine and neuter shall each include the masculine, feminine and neuter, as the context requires. All captions are intended solely for convenience of reference and shall in no way limit any of the provisions of these Bylaws.

10.3 Conflicts. These Bylaws are intended to comply with the Declaration. In case of any irreconcilable conflict, the Declaration shall control over these Bylaws.
