Phase IX of the Project will also include walkways, an additional thirty-two (32) parking spaces and a tennis court. Two (2) of said additional parking spaces, plus ten (10) of the existing parking spaces which are now being converted into Limited Common Area parking spaces, will be covered and are Limited Common Areas reserved for the exclusive use of the respective Owners of the Units indicated on the Eighth Supplemental Map. Electricity and natural gas will be separately metered to each Unit. Each Unit will contain carpets and floor coverings and will be equipped with kitchen appliances. Phase IX of the Project will also be subject to the easements which are reserved through the Project and as may be required for utilities.

5. Article V, Section 4 (Description of Common Areas and Facilities).

The Common Areas and Facilities within Phase IX of the Project are as indicated on the Eighth Supplemental Map and include, but are not limited to, common driveways, common walkways, common parking spaces, common landscaped areas and a tennis court. Except as otherwise provided in the Declaration, the Common Areas and Facilities also consist of the areas and facilities described in the definitions and constitute in general all of the parts of the Property except the Units.

6. Article VII, Subsection 2(b) (Restrictions on Use). Subsection 2(b) of Article VII of the Declaration, as previously amended, is hereby deleted in its entirety and the following is substituted in its stead:

(b) The Common Areas and Facilities shall be used only for the purposes for which they are intended. Three-hundred eighteen (318) of the parking spaces constitute Common Areas and Facilities and are not reserved for the exclusive use of the respective Owners of any particular Units unless subsequently so reserved by rules and regulations promulgated by the Board of Trustees, or unless those parking spaces located within Convertible Land are converted into Limited Common Areas in accordance with the provisions of Article XXXII of the Declaration. One-hundred eight (108) of the parking spaces are Limited Common Areas reserved for the exclusive use of the respective Owners of the Units indicated on the Map, the First Supplemental Map, the Second Supplemental Map, the Third Supplemental Map, the Fourth Supplemental Map, the Fifth Supplemental Map, the Sixth Supplemental Map, the Seventh Supplemental Map and the Eighth Supplemental Map. No more than one (1) vehicle may be parked in any parking space at one time. Declarant reserves the right, as its option, to construct storage areas at the front of the covered parking spaces. If Declarant constructs such storage areas, they shall constitute Limited Common Areas reserved for the exclusive use of the respective Owners of the Units which have the right to use the respective covered parking spaces.

7. Article IX, Section 4 (Ownership of Common Areas and Facilities.

Section 4 of Article IX of the Declaration entitled "Ownership of Common Areas and Facilities," as previously amended, is hereby deleted in its entirety and the following is substituted in its stead:

4. Ownership of Common Areas and Facilities.

The Common Areas and Facilities contained in the Project are described and identified in Article V 4. of this Declaration. Said Common Areas and Facilities shall be owned by the Unit Owners as tenants in common. No percentage ownership interest in the Common Areas and Facilities shall be separated from the Unit to which it appertains, and even though not specifically mentioned in the instrument of transfer, such a percentage of undivided ownership interest shall automatically accompany the transfer of the Unit to which it relates. Each Unit Owner shall have an equal, undivided 0.9259% ownership interest in the Common Areas and Facilities within the Project for all purposes, including voting and assessment of Common Expenses. Further exercise of Declarant's right to expand the Project in accordance with Article XXXI hereof will result in a further reallocation of the undivided interest in the Common Areas and Facilities appurtenant to each Unit.

8. Remaining Convertible Land.

That portion of Convertible Land No. 2 which is not now being converted is more particularly described on Exhibit C attached hereto and by this reference made a part hereof. Also, the location and dimensions of all remaining

Convertible Lands which are not now being converted are shown on the Eighth Supplemental Map and labeled as such.

9. **Construction.** From and after the day and time this Ninth Amendment becomes effective, all references in the Map, in the Declaration and in the exhibits to the Declaration as previously amended and supplemented shall be deemed to and shall refer to the Map, the Declaration and to the exhibits to the Declaration as previously amended and supplemented and as amended hereby and as supplemented by the Eighth Supplemental Map and not to the form of the same as they existed prior to the time this Ninth Amendment becomes effective. Except as herein otherwise expressly provided, all provisions of the Map, the Declaration and the exhibits to the Declaration as previously amended and supplemented shall remain unchanged and in full force and effect.
