AFFIDAVIT FOR GRANT OF EASEMENT

This affidavit is to clarify the attached grant of permanent easement for TC Limited Partnership, Grantor(s). After we had the landowner sign the grant of easement we realized that our engineering firm did not include the parcel identification number, township number or range number in the legal description. The legal description printed below is the same as the attached grant of permanent easement the except this affidavit includes the township, range and parcel identification number.

The said easement is located in Section 15, T.3S., R1.W., SLB&M. The easement is located upon part of an entire tract of property. The identification number of the said entire tract is 27-15-127-005.

Beginning at the intersection of the westerly right of way line of said Redwood Road and the northerly boundary line of said entire tract, which point is 118.03 feet South and 53.00 feet West from the North Quarter Corner of said Section 15, which point is also 53.00 feet perpendicularly distant westerly from the centerline of said Redwood road, opposite Engineer Station 512+0.78; thence North 89°59'17" West 8.0 feet; thence South 32.0 feet; thence East 8.0 feet; thence North 32.0 feet to point of beginning.

The above described part of an entire tract contains 256.0 square feet in area.
