FOX HOLLOW INFRASTRUCTURE FINANCING DISTRICT  
FOX HOLLOW ASSESSMENT AREA

DESIGNATION RESOLUTION

DATED AS OF OCTOBER 30, 2025

WHEREAS, the Board of Trustees (the “Board”) of Fox Hollow Infrastructure Financing District (the “District”), adopted Resolution No. 2025-06 on October 30, 2025, pursuant to which the Board authorized and approved the form of this Designation Resolution; and

BE IT RESOLVED by the Board of Trustees of Fox Hollow Infrastructure Financing District, as follows:

Section 1. The Board hereby determines that it will be in the best interest of the District to designate an area to finance the costs of publicly owned infrastructure, facilities or systems more specifically described in Section 4 herein, along with other necessary miscellaneous improvements, and to complete said improvements in a proper and workmanlike manner (collectively, the “Improvements”). The Board hereby determines that it is in the best interest of the District to levy assessments against properties benefited by the Improvements to finance the costs of said Improvements. The Board hereby finds that pursuant to the Act, the Improvements constitute a publicly owned infrastructure, facility or system that (i) the District is authorized to provide or (ii) is necessary or convenient to enable the District to provide a service that the District is authorized to provide.

Section 2. Pursuant to the Assessment Area Act, Title 11, Chapter 42, Utah Code Annotated 1953, as amended and the Public Infrastructure District Act, Title 17D, Chapter 4 of the Utah Code (together, the “Act”), the owners (the “Owners”) of all properties to be assessed within the designated assessment area have voluntarily waived, among other things, all notice and hearing requirements, the right to contest or protest, and the right to have a board of equalization

appointed as set forth in the Act, and have consented to (a)the levy of an assessment against their property for the benefits to be received from the Improvements, (b)the designation of the assessment area as herein described, (c)the financing of the Improvements by the District through the issuance of assessment bonds, including the payment of installments over a period of not to exceed 30 years, (d)the acquisition and/or construction of the Improvements, and (e)the method and estimated amount of assessment as set forth herein in accordance with the Acknowledgment, Waiver and Consent Agreement attached hereto as Exhibit A. The properties to be assessed are identified by legal description in Exhibit B attached hereto.

Section 3. The District hereby designates an assessment area which shall be known as “Fox Hollow Assessment Area” (the “Assessment Area”). A map and depiction of the Assessment Area is attached hereto as Exhibit C. The District received an appraisal of the unimproved property (from an appraiser who is a member of the Appraisal Institute) and addressed to the District verifying that the market value of the property, after completion of the Improvements, is at least three times the amount of the assessments proposed to be levied against the unimproved property.

Section 4. The Improvements shall be generally located in and around the map and depiction area attached hereto as Exhibit C. The District plans to finance the costs of publicly owned infrastructure, facilities or systems as part of an approximately 524.83-acre residential development (the “Development”). The district plans to levy the assessments to finance the Improvements within the Development.

The Improvements are more particularly described as sewer improvements, including, but not limited to, mains, lift stations, manholes and manhole linings, sewer cleanouts, and laterals (various sizes).

As further engineering, costs, efficiencies, or any other issues present themselves, the District hereby reserves the right to approve reasonable changes to the allocation of expenditures described above and the location and specifications of the Improvements (but not to the Improvements) without obtaining the consent of the property owners within the Assessment Area.

Section 5. Pursuant to the Act, the Board has determined to levy assessments to pay the cost of the Improvements. The assessments are assessed against properties in a manner that reflects an equitable portion of the benefit of the Improvements as required by the Act (and in any event the Owners have consented to such manner without reservation) and shall be payable in annual installments as set forth in the Assessment Ordinance. The District has determined that the reasonable useful life of the Improvements is at least thirty (30) years and that it is in the District and the Owners’ best interest for certain property owner installments to be paid for over up to thirty (30) years.

Section 6. The total acquisition and/or construction cost of the Improvements, including estimated overhead costs, administrative costs, costs of funding reserves, and debt issuance costs, is estimated at \$17,926,333, of which \$17,926,000 is anticipated to be paid by assessments to be levied against the properties within the Assessment Area to be benefited by such Improvements, which benefits need not actually increase the fair market value of the properties to be assessed. The District expects to finance the cost of the Improvements by issuing assessment bonds (the “Bonds”). The District currently estimates selling the Bonds at a true interest cost

interest rate of approximately 7.19% per annum, maturing within thirty (30) years of their date of issuance. Inasmuch as bonds have not been issued, the District notes that the interest rate and annual payment are only as estimated and not a cap or maximum amount. It is anticipated that the reserve fund will be initially funded with proceeds of the Bonds. The estimated cost of Improvements to be assessed against the benefited properties within the Assessment Area are to be initially assessed using a per acreage methodology (“Acreage Methodology”) as follows:

<u>Improvements</u>	<u>Assessment</u>	<u>Assessment Method</u>	<u>Assessment Per Acre</u>
All above-described Improvements	\$17,926,000.00	Acreage Methodology	See Assessment Ordinance

Section 7. As set forth in the Assessment Ordinance, the assessment methodology may, under certain circumstances, be altered in the future.

Section 8. The Board intends to levy assessments as provided in the Act on all parcels and lots of real property within the Assessment Area to be benefited by the Improvements, and the Owners of which have executed the Acknowledgment, Waiver and Consent Agreement described in Section 2 herein. The purpose of the assessment and levy is to finance the cost of the Improvements, which the District will not assume or pay. The existing planning and zoning conditions of the District shall govern the development in the Assessment Area.

The Owners have waived the right to prepay the assessment without interest within twenty-five (25) days after the ordinance levying the assessments becomes effective. A property owner may prepay the assessment as provided in the Assessment Ordinance. The assessments shall be levied against properties in a manner that reflects an equitable portion of the benefit of the Improvements as required by the Act, and in any case, the Owners have consented to such methodology as provided in Section 11-42-409(5) of the Act. Other payment provisions and enforcement remedies shall be in accordance with the Act.

A map of the Assessment Area and the location of the Improvements and other related information are on file in the office of the Clerk/Secretary who will make such information available to all interested persons.

Section 9. The District will collect the Assessments by directly billing each property owner rather than inclusion on a property tax notice.

Section 10. A professional engineer has prepared a “Benefit Study,” attached hereto as Exhibit C, which, among other things, identifies the Improvements to be constructed and installed, and the relative benefit of such Improvements to each Owner, and is available upon request from the District. The findings and determinations set forth in this Resolution are based, in part, upon said Benefit Study.

Section 11. The provisions of the Assessment Ordinance shall govern the levy, payment and applicable provisions regarding the assessments notwithstanding anything contained herein to the contrary. As required by Section 11-42-206(3) of the Act, within 15 days of the completion of this Resolution, the Clerk/Secretary shall (i) record an original or certified copy of this designation resolution with Utah County and (ii) where applicable, file with the Utah County Recorder a notice of proposed assessment.

Dated as of October 30, 2025.

EXHIBIT A

ACKNOWLEDGMENT, WAIVER AND CONSENT AGREEMENT

## ACKNOWLEDGMENT, WAIVER AND CONSENT AGREEMENT

This Acknowledgment, Waiver and Consent Agreement (this “Agreement”) is entered into October 30, 2025, by SCP Fox Hollow, LLC, a Utah limited liability company, Cardinal Land Holdings IV, LLC a Delaware limited liability company, Old Towne Square, LLC, a Utah limited liability company, Heritage Custom Homes, LLC, a Utah limited liability company, PHI Properties, INC. a Utah corporation, Patterson Homes, LLC, a Utah limited liability company, Pronova Holdings 4, LLC, a Utah limited liability company, Pronova Holdings 5, LLC, a Utah limited liability company, JD IV, LLC, a Utah limited liability company, and Perry Land Investments, LLC, a Utah limited liability company (collectively the “Owner”).

### R E C I T A L S:

1. As of the date hereof, the Owner owns the real property described in Exhibit A attached hereto (the “Subject Property”), which constitutes all of the property to be assessed within the Assessment Area described herein.

2. The Owner desires that Fox Hollow Infrastructure Financing District (the “District”) designate an assessment area pursuant to the Assessment Area Act, Title 11, Chapter 42, Utah Code Annotated 1953, as amended (the “Act”), for purposes of constructing publicly owned infrastructure, facilities or systems along with other necessary miscellaneous improvements (the “Improvements”), as more fully described in the Assessment Ordinance (defined herein).

3. Estimated costs for the Improvements, including estimated overhead costs, administrative costs, costs of funding reserves, capitalized interest, and debt issuance costs, is estimated at \$17,926,333, of which \$17,926,000 shall be assessed against the properties benefited within the Assessment Area. The Owner anticipates using other funding to complete the remainder of the Improvements. If the Assessments and additional funding are not sufficient to complete the Improvements, the Owner hereby agrees to pay to complete the Improvements, including, but not limited to, an additional assessment on the Owner’s property without any ability to contest such assessment.

4. Pursuant to the Act, the Board of Trustees of the District (the “Board”) has or is expected to approve (i) a Designation Resolution, a copy of which is attached hereto as Exhibit B (the “Designation Resolution”) designating an assessment area to be known as “Fox Hollow Assessment Area” (the “Assessment Area”) and (ii) an Assessment Ordinance and Notice of Assessment Interest for the Assessment Area (the “Assessment Ordinance”), a copy of which is attached hereto as Exhibit C, which, among other things, contemplates the reallocation and adjustment of the Assessments by the District among subdivided parcels within the Assessment Area.

5. The Owner and the District desire to include the Subject Property in the Assessment Area and to expedite such process by waiving certain statutory procedures as permitted by the Act for the purpose of accelerating the financing of the Improvements.

6. The Fox Hollow Infrastructure Financing District Benefits Report dated October 28, 2025 (the “Benefit Study”) has been prepared by an engineer for purposes of allocating the relative benefit of the public infrastructure improvements among the properties within the

Assessment Area, as further described in the Assessment Ordinance and related formation documents.

NOW, THEREFORE, in consideration of the premises stated herein, the inclusion of the Subject Property in the Assessment Area, the acquisition, construction and installation of the Improvements and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Owner hereby agrees as follows:

Section 1. Representations and Warranties of the Owner. The Owner hereby represents and warrants that:

- (a) the Owner is the sole owner of the Subject Property identified as such in Exhibit A attached hereto;
- (b) the Owner has taken all action necessary to execute and deliver this Agreement;
- (c) the execution and delivery of this Agreement by the Owner does not conflict with, violate, or constitute on the part of the Owner a breach or violation of any of the terms and provisions of, or constitute a default under (i) any existing constitution, law, or administrative rule or regulation, decree, order, or judgment; (ii) any corporate restriction or any bond, debenture, note, mortgage, indenture, agreement, or other instrument to which the Owner is a party or by which the Owner is or may be bound or to which any of the property or assets of the Owner is or may be subject; or (iii) the creation and governing instruments of the Owner, if applicable;
- (d) there is no action, suit, proceeding, inquiry, or investigation at law or in equity by or before any court or public board or body and to which the Owner is a party, or threatened against the Owner (i) seeking to restrain or enjoin the levy or collection of the Assessments, (ii) contesting or affecting the establishment or existence, of the Owner or any of its officers or employees, its assets, property or conditions, financial or otherwise, or contesting or affecting any of the powers of the Owner, including its power to develop the Subject Property, or (iii) wherein an unfavorable decision, ruling, or finding would adversely affect the validity or enforceability or the execution and delivery by the Owner of this Agreement;
- (e) the Owner has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Owner has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee;
- (f) the Owner is not in default under any resolution, agreement or indenture, mortgage, lease, deed of trust, note or other instrument to which the Owner is subject, or by which it or its properties are or may be bound, which would have a material adverse effect on the development of the Subject Property;

(g) the Owner is in compliance and will comply in all material respects with all provisions of applicable law relating to the development of the Subject Property, including applying for all necessary permits;

(h) the Owner hereby consents in all respects to the Improvements and assessment methodology as described in the Designation Resolution and Assessment Ordinance, including as provided in the Act;

(i) the assessment bonds, together with funds and loans of the Owner, will be sufficient to complete the Improvements in order to achieve finished lots as contemplated in the Appraisal Report for the District, prepared by Colliers International Valuation & Advisory Services, dated May 27, 2025;

(j) the Subject Property is located in Saratoga Springs, in Utah County, Utah, and the legal description of the Subject Property contained in the Designation Resolution, the Assessment Ordinance, and Exhibit A hereto is an accurate and complete description of the real property it is intended to describe; and

(k) the undersigned are authorized to execute and deliver this Agreement for and on behalf of the Owner.

Section 2. Acknowledgment by the Owner. The Owner on behalf of itself, its Affiliates, and its successors in title and assigns, hereby acknowledges and certifies that:

(a) the undersigned, on behalf of the Owner, are duly qualified representatives of the Owner with the power and authority to execute this Agreement for and on behalf of the Owner and have heretofore consulted their own counsel prior to the execution and delivery of this Agreement;

(b) the Owner has received a copy of the Designation Resolution, the Assessment Ordinance, the Benefit Study, and any other information necessary to execute this Agreement;

(c) the consents set forth in Section 3 herein will benefit the Owner by expediting the assessment process and providing for the financing of the Improvements by the issuance of assessment bonds;

(d) the Assessments constitute a legal, valid and binding lien on the Subject Property;

(e) the Assessment Ordinance and the rights of the District thereunder with respect to the enforcement of the lien of the Assessments and all other conditions therein;

(f) the Owner has provided the pertinent information supporting the estimated cost of the Improvements, the acreage for the Assessment Area, the property description and tax parcel identifications of the Subject Property and the Assessment Area and the assessment list attached to the Assessment Ordinance, and the District is relying on this Agreement in order to issue its assessment bonds related to the Improvements;

(g) the levy of the Assessments on the Subject Property will not conflict with or constitute a breach of or default under any agreement, mortgage, lien or other instrument to which the Owner is a party or to which its property or assets are subject;

(h) the Owner further acknowledges and agrees that if for any reason the Assessments are insufficient to complete the Improvements, the property owners within the Assessment Area may be responsible for paying any pro-rata share of additional costs required to complete the Improvements, including, but not limited to, an additional assessment on their property without any ability to contest such assessment;

(i) notwithstanding Section 11-42-206(3)(e) of the Act, the Owner has provided the legal description and tax identification number of each parcel of property within the Assessment Area and shall be responsible for any errors related to such information;

(j) the District cannot guaranty or predict the interest rates of the assessment bonds related to the Assessment Area, which will have a direct impact on the amount of the Assessments;

(k) the property within the Assessment Area shall initially have the Assessment allocated by the Acreage Methodology, as defined and further described in the Assessment Ordinance;

(l) the amount of the Assessment on the Subject Property and as described in the Benefit Study reflects an equitable portion of the benefit the Subject Property will receive from the Improvements, but nevertheless, the Owner hereby consents to such Assessment as provided in Section 11-42-409(5) of the Act; and

(m) the Owner has received consents to the Assessment and issuance of the assessment bonds described herein from all lienholders on the Subject Property whose consent is required.

Section 3. Consent by Owner. The Owner, on behalf of itself, its Affiliates, and its successors in title and assigns, hereby consents to:

(a) the inclusion of the Subject Property in the Assessment Area and the designation of the Assessment Area for the purpose of financing the cost of the Improvements with assessments to be levied against properties within said Assessment Area, including the Subject Property, all as described in the Designation Resolution, the estimated costs of the Improvements, the method of assessment, and the Assessment Ordinance;

(b) the District financing the acquisition, construction and installation of the Improvements through the issuance of assessment bonds as provided in the Act;

(c) the allocation of Assessments as described in Exhibit A hereto and as further described in the Assessment Ordinance, including the acreage for the Assessment Area;

(d) aggregation of all Assessments of all properties owned by the same owner (including an affiliate of such owner) as a single unified assessment against all properties owned by the same owner, as further described in the Assessment Ordinance;

(e) in accordance with Section 2(f) above the Owner was responsible for providing the legal description and tax identification number of each parcel of property within the Assessment Area, in the event of a shortfall described in Section 11-42-206(3)(e) of the Act, the Owner consents and agrees to be held liable for and to pay such shortfall on behalf of the District;

(f) all foreclosure remedies of the Subject Property in accordance with the Act and the Assessment Ordinance;

(g) not suing or enjoining the levy, collection, or enforcement of the Assessment levied pursuant to the Assessment Ordinance or in any manner attacking or questioning the legality of said Assessment levied within the Assessment Area pursuant to the Assessment Ordinance;

(h) the District imposing assessments to be paid in installments over a period of not to exceed thirty (30) years from the effective date of the Assessment Resolution;

(i) the District appointing the Foreclosure Agent including any successor thereto, to process and carry out, on behalf of the District, any foreclosure of Assessments pursuant to the Assessment Ordinance and the indenture for the assessment bonds and the District assigning all rights of collection of delinquent Assessments to the Foreclosure Agent, as collection agent for the District; and

(j) the payment of Assessments which are not in substantially equal installments of principal or substantially equal amounts of principal and interest, and consents to the payment of Assessments in accordance with the debt service on the assessment bonds as shall be established in the indenture(s) relating to such bonds.

Section 4. Waiver. The Owner, on behalf of itself, and its successors in title and assigns, hereby waives:

(a) any and all notice and hearing requirements set forth in the Act;

(b) its rights for contesting, protesting, or challenging the legality or validity of the equitability or fairness of the Assessments, or the creation and establishing of the Assessment Area, the adopting of the Assessment Ordinance or the levy and collection of Assessments pursuant to the Assessment Ordinance, whether by notice to the District or by judicial proceedings, or by any other means;

(c) the right to have appointed by the District a board of equalization and review which would hear aggrieved property owners and recommend adjustments in assessments, if deemed appropriate, the right to a hearing before a board of equalization and review and the right to appeal from any determination of a board of equalization and review as provided in the Act;

(d) its right to pay cash for its assessment during a cash prepayment period which would otherwise extend for twenty-five (25) days after the adoption and publication of the Assessment Ordinance as provided in the Act;

(e) any right to contest its assessment, including but not limited to the 30-day contestability period provided in Section 11-42-106 of the Act;

(f) any right to contest that the Improvements qualify as a publicly owned infrastructure, system or other facility that (i) the District is authorized to provide or (ii) is necessary or convenient to enable the District to provide a service that the District is authorized to provide and the Owner further acknowledges that it has consulted with counsel regarding the same; and

(g) any other procedures that the District may be required to follow in order to designate an assessment area or to levy an assessment as described in the Designation Resolution and the Assessment Ordinance.

Section 5. Amendment. The Owner hereby acknowledges that bond counsel will rely on the representations, warranties, acknowledgments, consents, and agreements herein contained in issuing opinions relating to the levy of the assessments and the issuance of assessment bonds and consequently agrees that this Agreement may not be amended, modified, or changed without the prior written consent of the District and such bond counsel.

Section 6. Severability. The invalidity or un-enforceability in particular circumstances of any provision of this Agreement shall not extend beyond such provision or circumstances and no other provision hereof shall be affected by such invalidity or un-enforceability.

Section 7. Headings. The headings of the sections of this Agreement are inserted for convenience only and shall not affect the meaning or interpretation hereof.

Section 8. Successors and Assigns. This Agreement shall be binding upon the Owner and its successors and assigns.

Section 9. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Utah.

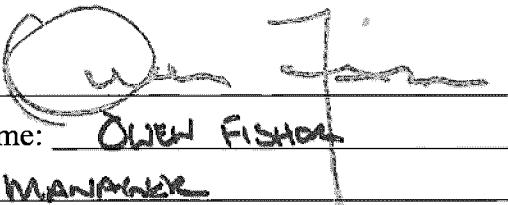

Section 10. Counterparts. This Agreement may be executed in several counterparts, all or any of which may be treated for all purposes as an original and shall constitute and be one and the same instrument.

Section 11. Defined Terms. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to such terms in the Assessment Ordinance.

IN WITNESS WHEREOF, the undersigned, on behalf of the Owner, have hereunto executed this Agreement as of the date first hereinabove set forth.

### **Fox Hollow Infrastructure Financing District Benefits Report**

The Fox Hollow Infrastructure Financing District (the “District”) may finance publicly owned infrastructure through an assessment on property within the District that directly or indirectly benefits from improvements. The District encompasses approximately 454 acres of land located in the City of Saratoga Springs, Utah and includes 16 properties.

The property owners within the District have acknowledged that there is a direct connection between the development of their individual properties and the need to provide master planned improvements, including the upsizing of certain utilities. Due to existing utility constraints, the City is requiring certain property owners to install public sewer improvements, including Sewage Lift Station 11 and Sewer Improvements S2.6 & S2.7 (the “Improvements”), prior to development of their properties. To finance the construction of the Improvements the District intends to issue assessment bonds and has engaged The Connexion Group – Civil, LLC (the “Engineer”) to state the estimated cost of the Improvements and propose a method by which the proposed assessment is levied against the benefited properties.

#### **Engineer’s Procedure/Review Summary:**

This procedure was developed for the Engineer to obtain an understanding of the project, its related costs, and to enable the Engineer to express an informed opinion regarding the same.

1. The Engineer reviewed the available construction drawings, the IFD plat, contractor bids, City utility GIS Data, and other third-party reports to obtain an understanding of the project. A complete list of the drawings reviewed is included as Attachment A.
2. The Engineer developed a cost estimate for the Improvements.
3. The Engineer determined an appropriate method for the anticipated total assessment to be levied against the benefited properties, based on the benefit conferred upon each lot from the improvements.
4. The Engineer determined the resulting assessment proposed to be levied against the properties.
5. The Engineer provided the report to the District for review and confirmation that the Engineer’s understanding is accurate to the best of their knowledge.

#### **Analysis Limitations:**

- The procedure is intentionally simplistic to provide a streamlined process that is understandable by the public while delivering our service with heightened cost-efficiency. Different review methodologies may result in variations in the costs presented.
- Any projections or forecasts included in the report are speculative in nature and subject to uncertainties. Actual results may differ materially from those projected. The Engineer is not responsible for unforeseeable events, such as unanticipated changes in economic conditions or any other such events which might occur and alter market conditions
- The conclusions presented in the report are based on assumptions that may change overtime. Variability in market conditions, regulatory changes, and other factors could significantly alter the benefits realized from the improvements. The benefits outlined are estimates based on current data and assumptions.
- The estimate assumed responsible ownership and competent management.
- The Engineer assumed documentation provided by the working group is true and correct.
- The Engineer’s allocation of costs is based on the current lot layout.
- The Engineer relied on the design engineer to confirm that the facility and service standards are compatible with those of any county in which all or any portion of the District is located, as well as with those of municipalities and service providers that are interested parties. No survey of the property was conducted.
- The Engineer did not verify if relevant agreements, other than those provided for the Engineer’s review, exist.

- Individual improvement allocations can vary based on methodology and opinion. The Engineer used judgment to interpret how to best allocate the costs.
- The Engineer did not verify if all requirements of the District or its consultants have been met to issue debt.
- This report was prepared for a specific purpose. Users of the report for purposes other than those outlined are advised to seek professional guidance tailored to their specific circumstances.
- It is assumed that there are no hidden or unapparent conditions of the property, subsoil, or structures which would render it more or less valuable. No responsibility is assumed for such conditions or for engineering that may be required to discover such.
- Any costs or revenues associated with potential future agreements have been excluded from the analysis presented herein.
- The costs of the Improvements may be reimbursable through a reimbursement agreement with the City of Saratoga Springs. It is assumed that any reimbursement that becomes available due to the financing of the Improvements by the District shall be for the benefit of the District and not any developer.

#### **Eligible Improvements:**

The District serves the public infrastructure needs of the Development and is authorized to plan, design, acquire, construct, install, relocate, redevelop, maintain, and finance public improvements. “Public improvements” refer to infrastructure, facilities, or buildings that (i) benefit the public and (ii) are, or will be, owned by a public entity or utility, including related soft costs.

The improvements proposed for District financing include Sewage Lift Station 11, Sewer Improvements S2.6, and Sewer Improvements S2.7. These improvements will be owned by Saratoga Springs and qualify as public improvements eligible for District financing. Additional information on each of the improvements is provided below.

- Sewage Lift Station 11 includes the construction of a sanitary sewer lift station, a dual 16" force main extending to the intersection of Redwood Road and Ring Road, and a 24" gravity sewer main connecting an existing manhole on Fairway Blvd to the lift station. The lift station is essential for moving wastewater from a lower elevation, where gravity flow is not feasible for the proposed properties, to a higher elevation. The 24" gravity sewer conveys sewage to the lift station, while the force main transports it from the lift station to the higher elevation.
- Sewer Improvements S2.6 includes the construction of a 21" gravity sewer line along Redwood Road, from approximately Wildlife Blvd to Village Parkway. The project connects to existing sanitary sewer manholes and involves the removal and replacement of roadway, trail, and landscaping.
- Sewer Improvements S2.7 includes the construction of an 18" gravity sewer line along Redwood Road, from approximately Lake Mountain Drive to Wildlife Blvd. It terminates at manhole PRSSMH-I, where it connects with Sewer Improvements S2.6 in Wildlife Blvd. This improvement also requires similar removal and restoration work as Sewer Improvements S2.6

#### **Cost Estimate:**

The constructing party submitted construction drawings and contractor bids for the Improvements. In the Engineer’s opinion, the information provided was sufficient to develop a reliable estimated cost for the project. This information was used to prepare an overall cost estimate for the Improvements, which is included as Attachment B.

To verify the accuracy of the contractor’s bid, the Engineer performed select quantity take-offs from the construction drawings. These were used to confirm that the quantities in the contractor’s bid were reasonable. Additionally, select unit costs from the bid were compared to similar costs from other developments to assess overall reasonableness. Since the contractor combined Sewer Improvements S2.6 and S2.7 into a single bid, the Engineer used the quantity take-offs to allocate costs between the two projects. A 5% contingency was added to the estimated hard costs to account for potential unforeseen conditions and expenses.

Detailed, itemized backup was not provided for planning, engineering, design, or project management costs. As a result, the Engineer applied a standard 2.5% fee for project management and relied on developer-provided figures for engineering and material testing. In the Engineer's opinion, these stated costs are reasonable and consistent with current market rates for such services.

The estimated total cost for the Improvements is **\$11,413,333.15**. Table 1 below provides a summary of the cost estimate and the allocation of total project costs.

**Table 1: Estimated Cost Per Project**

Project	Estimated Project Cost
Sewage Lift Station 11	\$ 7,379,448.21
Sewer Improvements S2.6	\$ 2,544,442.00
Sewer Improvements S2.7	\$ 1,489,442.94
<b>Total Construction Costs:</b>	<b>\$ 11,413,333.15</b>

**Properties Within the District:**

Sixteen properties are identified and are located within the District boundaries, as identified on the Final Infrastructure Financing District Plat. As of the date of this report, detailed planning has not been completed for all properties within the District. The Engineer relied on information provided by property owners and developers to determine the anticipated land uses and unit counts. Table 2 below summarizes the properties within the District, along with the proposed land use for each parcel. This preliminary land use information forms the basis for estimating infrastructure demand and allocating Equivalent Residential Units (ERUs) within the District, as further described in the sections that follow.

**Table 2: Summary of Assessment Properties**

Property No.	Property Owner (County GIS)	Development Name	Assumed Developer	Proposed Land Use
1	Pronova Holdings 4 LLC	Fox Hollow - TBD	Pronova Ventures	Residential
2	Pronova Holdings 5 LLC	Fox Hollow Neighborhood 7	Pronova Ventures	Residential
3	Heritage Custom Homes LLC & Old Towne Square LLC	Reserve on the Lake	Recovery Corp. (Jerry Hansen)	Residential
4	Patterson Homes LLC & Hanahou LLC & PHI Properties Inc	Fox Hollow Neighborhood 8	Patterson Homes	Residential
5	Patterson Homes LLC	Saratoga 38	Patterson Homes	Residential
6, 7, & 8	JD IV LLC	West View Estates	JDH Development	Residential
9	SPC Fox Hollow LLC & Cardinal Land Holdings IV LLC	Fox Hollow Neighborhood 4	J Fisher Co & VCP Funding	Residential & Commercial
10	Perry Land Investments LLC	Perry Saratoga West	Perry Homes	Residential
11 through 16	Perry Land Investments LLC	Lighthouse Cove	Perry Homes	Residential

Note: Property Nos. 6, 7, and 8, and Nos. 11 through 16 are presented as a single line item, as they collectively form one proposed development.

**Special Benefit Among Lots:**

Due to existing deficiencies in sanitary sewer infrastructure, specific improvements are required to support development within the District boundaries. Each property requires a portion of or all the Improvements to be accounted for in their development applications and ultimately installed prior to development of the properties.

The letter from the City of Saratoga Springs, dated November 20, 2020, indicates that Sewage Lift Station 11 and Sewer Improvements S2.6 must be completed before any properties within the District are developed. Additionally, Sewer Improvements S2.7 must be completed prior to the development of Properties No. 10 through No. 16. However, the City has since confirmed that Property No. 5 and a portion of Property No. 6 through No. 8 are expected to also require the completion of S2.7 before development can proceed. Attachment B provides a visual representation of the assumed sanitary sewer flow routes for each property.

Benefit Report issued for  
Fox Hollow Infrastructure Financing District

The property owners within the District receive a special benefit from these improvements, as they are essential for enabling development. Without them, the proposed development could not proceed, and the Engineer has determined that these improvements qualify as eligible infrastructure for which the District is authorized to issue indebtedness. The District intends to finance the costs of the Improvements and assess the cost thereof, wholly upon the benefited property within the assessment area. The allocation of costs should be fair and reasonably shared among the benefited properties and may be assessed by frontage, area, taxable value, fair market value, lot, parcel, number of connections, equivalent residential unit ("ERU"), or any combination of these methods.

The Engineer has determined that utilizing an ERU approach is appropriate for the allocation of the proposed assessment as applying the ERU method ensures that infrastructure costs are allocated in a transparent, consistent, and equitable manner, directly tied to the level of service or demand each property places on the system. The ERU method is widely used for allocating costs related to public infrastructure and is a well-established and accepted approach.

**Allocation of Assessment:**

Each single-family lot or townhouse within the District was assigned 1 ERU. The ERUs for the commercial space within property nine was calculated based on the anticipated demand each proposed use puts on the sanitary sewer. Table 3 includes the ERU calculations used by the Engineer for Property 9.

**Table 3: Property 9 ERU Calculation**

Property No.	Property Type	Pad #	Proposed Land Use	Area (SF)	ERU Calculation	Total ERU
9	Commercial	Pad 1	Single lane Full Service Car Wash w/ water recycling	71,750	8 ERU Per Car Wash Lane	8
		Pad 2	Gas Station w/ 6,000 SF Store	80,000	1 ERU Per 1,000 SF of Store	6
		Pad 2	In-Line Retail (10,000 SF Building)	34,199	1 ERU per 8,000 SF of Building	1.25
		Pad 3	In-Line Retail (12,000 SF Building)	88,241	1 ERU per 8,000 SF of Building	1.50
		Pad 3	Un-Determined Commercial	180,000	1 ERU per 7,500 SF of Land	24.00
		Amenity	Community Center w/ Pool Deck	14,500	1 ERU per 2,000 SF of Deck/Clubhouse	7.25
	Residential	Multiple	SFR	172 units	1 ERU per Unit	172.00
	Residential	Multiple	Townhouse	136 units	1 ERU per Unit	136.00
					<b>TOTAL</b>	<b>356.00</b>

Sewage Lift Station 11 and Sewer Improvements S2.6 must be completed prior to the development of any properties within the District. The costs associated with these improvements have been allocated across all properties within the District, based on each property's percentage of the Total ERUs within the District.

Sewer Improvements S2.7 are only required to support the development of Properties No. 5, No. 10 through No. 16 and the "south portion" of Properties No. 6 through No. 8. Sewer Improvements S2.7 are not necessary for the development of Properties No. 1 through No. 4, No. 7 and a portion of Property No. 6 through No. 8. As a result, the Engineer has allocated the full cost of Sewer Improvements S2.7 exclusively to properties in which they require it. This allocation was also calculated based on each property's percentage of the total ERUs within that specific group.

Table 4 presents the percentage of total ERUs for all properties within the District, while Table 5 details the percentage of ERUs specifically for properties requiring S2.7 improvements.

**Table 4: Percentage Of Total ERUs For All Properties**

Property No.	Residential Units	Assumed Commercial Space SFR Equivalent (ERU)	Total Property ERU	Percentage of Total
1	16	0	16	1.0%
2	200	0	200	12.6%
3	86	0	86	5.4%
4	127	0	127	8.0%
5	83	0	83	5.2%
6, 7, & 8	281	0	281	17.8%
9	308	48	356	22.5%
10	220	0	220	13.9%
11 through 16	214	0	214	13.5%
<b>TOTAL</b>	<b>1,535</b>	<b>48</b>	<b>1,583</b>	<b>100.0%</b>

**Table 5: Percentage Of Total ERUs For Properties Requiring S2.7 Improvements**

Property No(s).	Assumed SFR Lot Count (1 ERU Per Lot)	Assumed Commercial Space SFR Equivalent (ERU)	Total Property ERU	Percentage of Total
5	83	0	83	10.7%
Portion of 6, 7, & 8	262	0	262	33.6%
10	220	0	220	28.2%
11 through 16	214	0	214	27.5%
<b>TOTAL</b>	<b>779</b>	<b>0</b>	<b>779</b>	<b>100.0%</b>

The cost of each sanitary sewer improvement was allocated proportionally based on each property's share of total ERUs. For improvements that benefit the entire District, Sewage Lift Station 11 and Sewer Improvements S2.6, the costs were distributed across all properties using their percentage of total District ERUs, as shown in Table 4. In contrast, Sewer Improvements S2.7 are only required to serve Property No. 5, No. 10 through No. 16 and a portion of No. 6 through No. 8. Accordingly, the cost of S2.7 was allocated solely to those properties, based on their percentage of ERUs within that group, as detailed in Table 5. Table 6 includes the proposed assessment by improvement for each property.

**Table 6: ERU Based Sewer Cost Assessment Summary**

Property No(s.)	Sewage Lift Station 11	Percentage of Total	Sewer Improvements S2.6	Percentage of Total	Sewer Improvements S2.7	Percentage of Total
1	\$74,586.97	1.0%	\$25,717.67	1.0%	\$0.00	0.0%
2	\$932,337.11	12.6%	\$321,470.88	12.6%	\$0.00	0.0%
3	\$400,904.96	5.4%	\$138,232.48	5.4%	\$0.00	0.0%
4	\$592,034.06	8.0%	\$204,134.01	8.0%	\$0.00	0.0%
5	\$386,919.90	5.2%	\$133,410.41	5.2%	\$158,695.46	10.7%
6, 7, & 8	\$1,309,933.64	17.8%	\$451,666.58	17.8%	\$500,942.30	33.6%
9	\$1,659,560.05	22.5%	\$572,218.16	22.5%	\$0.00	0.0%
10	\$1,025,570.82	13.9%	\$353,617.97	13.9%	\$420,638.57	28.2%
11 through 16	\$997,600.71	13.5%	\$343,973.84	13.5%	\$409,166.61	27.5%
<b>TOTAL</b>	<b>\$7,379,448.21</b>	<b>100.0%</b>	<b>\$2,544,442.00</b>	<b>100.0%</b>	<b>\$1,489,442.94</b>	<b>100.0%</b>

In addition to the direct improvement costs, which will be financed by the Project Fund and is currently estimated to total \$11,413,000.00, the total par amount of the bonds to be issued by the District are anticipated to also include a Capitalized Interest Fund, Capitalized Expense Fund, Debt Service Reserve, Cost of Issuance payments, and the Underwriter's Discount. The current estimated amount to be allocated for these financing-related components is approximately \$2,707,000.00, although the final amount will be determined at the time of bond pricing. These costs

should be proportionally distributed across all properties based on each property's percentage share of the total direct improvement costs. Table 7 summarizes the total direct estimated improvement costs, estimated project fund, estimated financing-related costs, and the resulting total assessment per property.

**Table 7: Cost Assessment Per Property Summary**

Property No.	Direct Estimate Costs Assessment	Anticipated Bond Project Fund	Bond Costs Assessment	Estimated Total Assessment	Percentage of Total
1	\$100,304.64	\$100,301.71	\$23,790.13	\$124,091.84	0.9%
2	\$1,253,807.99	\$1,253,771.39	\$297,376.60	\$1,551,147.99	11.0%
3	\$539,137.43	\$539,121.70	\$127,871.94	\$666,993.64	4.7%
4	\$796,168.07	\$796,144.83	\$188,834.14	\$984,978.97	7.0%
5	\$679,025.78	\$679,005.95	\$161,050.48	\$840,056.43	5.9%
6, 7, & 8	\$2,262,542.52	\$2,262,476.48	\$536,626.99	\$2,799,103.46	19.8%
9	\$2,231,778.21	\$2,231,713.07	\$529,330.35	\$2,761,043.42	19.6%
10	\$1,799,827.36	\$1,799,774.82	\$426,880.79	\$2,226,655.61	15.8%
11 through 16	\$1,750,741.16	\$1,750,690.05	\$415,238.58	\$2,165,928.64	15.3%
<b>TOTAL</b>	<b>\$11,413,333.15</b>	<b>\$11,413,000.00</b>	<b>\$2,707,000.00</b>	<b>\$14,120,000.00</b>	<b>100.0%</b>

In addition to presenting the total cost per undeveloped parcel, Table 8 provides a breakdown of the anticipated assessment per future lot and per acre for each undeveloped property. Note that these figures are based on current assumptions regarding future development density and are intended to offer a representation of how the proposed assessments may translate to individual units within each property.

**Table 8: Estimated Assessment Breakdown per Acre and Per Lot**

Property No.	Anticipated Total Assessment	Area (Acre)	Assessment Per Acre	Residential Lots Equivalent	Assessment Per Residential Lot Equivalent
1	\$124,091.84	3.99	\$31,100.71	16	\$7,755.74
2	\$1,551,147.99	68.02	\$22,804.29	200	\$7,755.74
3	\$666,993.64	33.37	\$19,987.82	86	\$7,755.74
4	\$984,978.97	31.41	\$31,358.77	127	\$7,755.74
5	\$840,056.43	37.62	\$22,330.05	83	\$10,121.16
6, 7, & 8	\$2,799,103.46	117.03	\$23,917.83	281	\$9,961.22
9	\$2,761,043.42	61.11	\$45,181.53	356	\$7,755.74
10	\$2,226,655.61	63.64	\$34,988.30	220	\$10,121.16
11 through 16	\$2,165,928.64	108.64	\$19,936.75	214	\$10,121.16
<b>TOTAL</b>	<b>\$14,120,000.00</b>	<b>524.83</b>		<b>1583</b>	

Note that some properties within the District consist of multiple parcels under common ownership or are intended for unified development. Because the exact boundaries and final configurations of lots within these parcels has not yet been determined, acreage can be used as the basis for this internal allocation.

#### **Re-allocation of Assessment:**

When properties within the District are formally platted into individual lots, the assessment originally allocated to the overall property may be reallocated among the newly created lots. Generally, this reallocation may be based on the total number of lots within the platted area, with each lot receiving a proportionate share of the original assessment. This lot-based allocation provides a straightforward and equitable method for distributing costs once

final lot boundaries and counts are established. The reallocation ensures the assessment aligns with the actual development configuration and supports consistent cost recovery as development progresses.

**City Reimbursement of Improvements:**

This report considers the total estimated cost associated with construction of the Improvements proposed for District financing. The comprehensive inclusion of these costs ensures that the financial planning and assessment allocations accurately reflect the full scope of the required infrastructure proposed for construction. However, the Improvements may be reimbursable through a reimbursement agreement with the City of Saratoga Springs. It is assumed that any reimbursement that becomes available due to the financing of the Improvements by the District shall be for the benefit of the District as a whole, rather than any individual developer or property owner. This ensures that all properties within the District share proportionally in both the costs and any future reimbursements associated with the public improvements.

**Conclusion:**

It is the Engineer's professional opinion that there is sufficient need to construct the Improvements and that the lots within the District are benefited by the proposed improvements. Based on current assumptions, allocating the assessment using the ERU approach is fair and reasonable.

Sincerely,  
The Connexion Group – Civil, LLC

Chase Hanusa, PE  
Principal

## CERTIFICATE OF PROJECT ENGINEER

The undersigned project engineer for the Fox Hollow Assessment Area (the "Assessment Area") hereby certifies as follows:

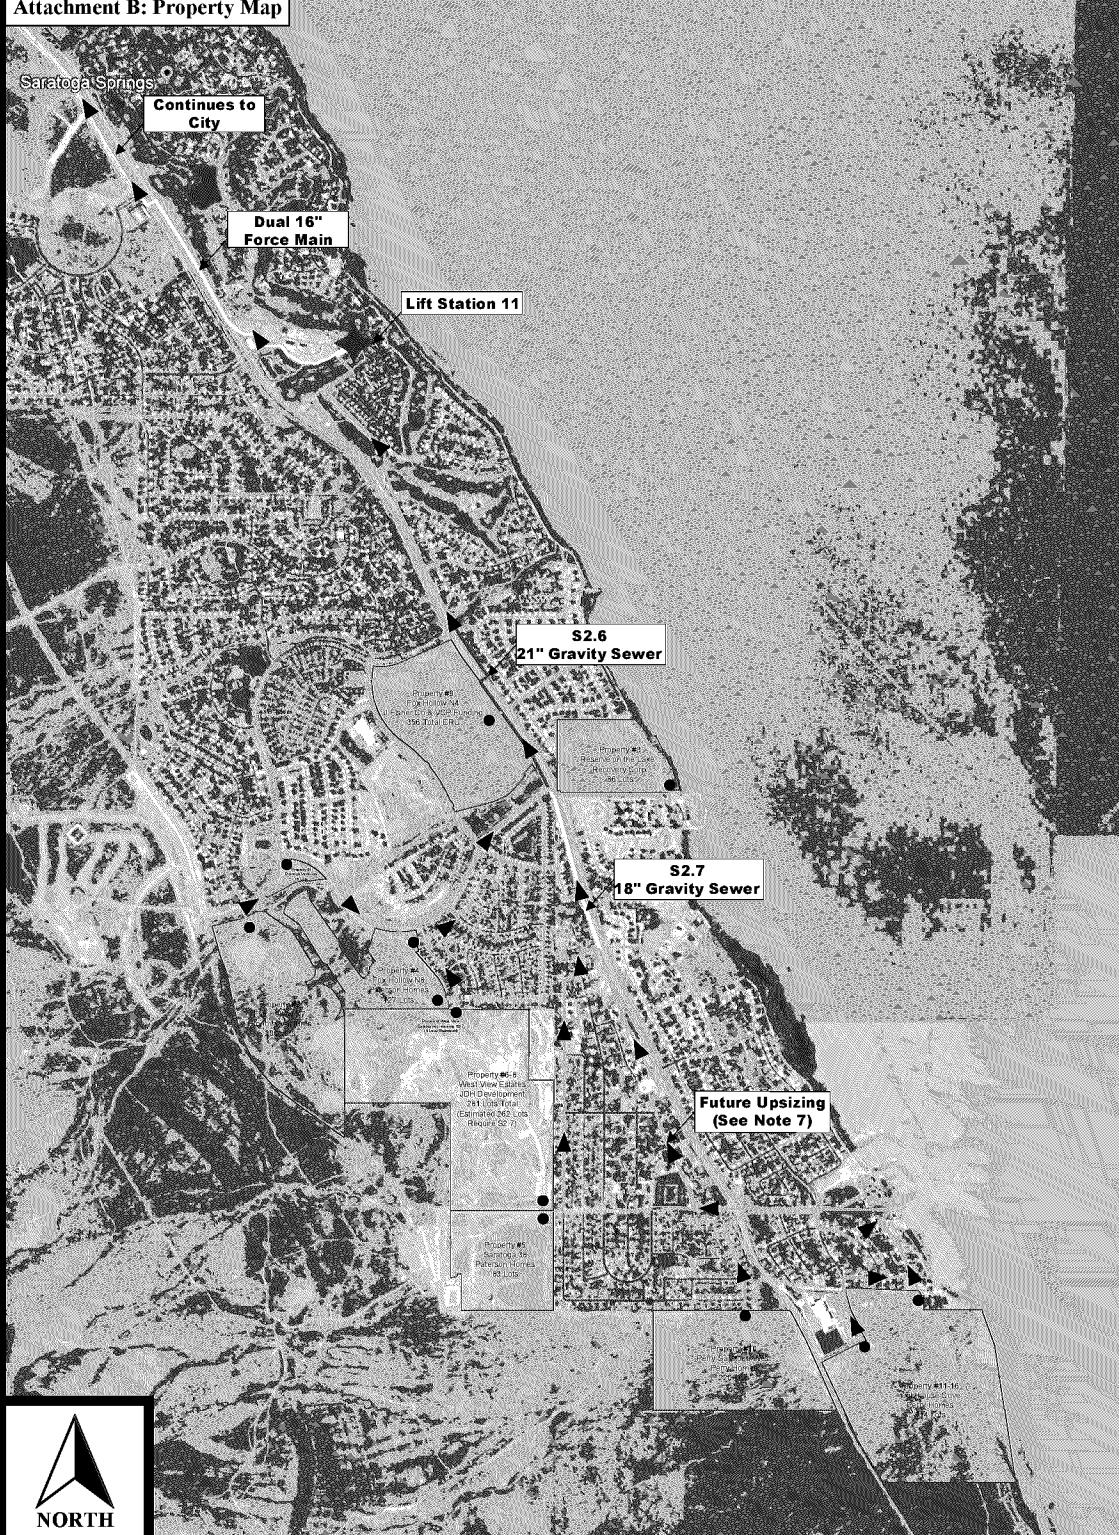

1. I am a professional engineer engaged by the Fox Hollow Infrastructure Financing District to perform the necessary engineering services to determine the costs of certain proposed infrastructure improvements benefitting property within the Assessment Area.

2. The estimated costs of the improvements to be acquired, constructed and/or installed benefitting property within the Assessment Area are set forth in the attachment hereto. Said estimated costs are based on a review of construction bids, quotes and preliminary engineering drawings for the type and location of said proposed improvements as of the date hereof. The proposed improvements have a weighted average useful life of not less than 30 years.

By: Chase Hanusa  
District Engineer: Chase Hanusa, PE

Date: October 30<sup>th</sup>, 2025

## LEGEND

ENT 87077:2025 PG 68 of 72

- Assumed Tie In Location
- Existing Sewer Line
- S2.6 (Proposed 21" Gravity Main)
- S2.7 (Proposed 18" Gravity Main)
- Dual 16" Force main From Lift Station
- ◆ Proposed Lift Station 11
- ▶ Sewer Flow Direction
- ..... Assumed Routing To Existing Line
- Properties Requiring S2.6
- Properties Requiring S2.6 & S2.7
- ..... Future Upsizing for Property Nos. 10-16 (Excluded from Benefits Study)

### **General Notes**

- 1/ This exhibit is intended to demonstrate which properties require sanitary sewer improvements associated with S2.6, S2.7, and Lift Station 11. It is not intended to serve as an approval or recommendation for, any specific sewer routing.
- 2/ This map is intended to serve as an aid in graphic representation only.
- 3/ This report was prepared for a specific purpose. Users of the report for purposes other than those outlined are advised to seek professional guidance tailored to their specific circumstances.
- 4/ Depicted flow routing is conceptual and subject to change.
- 5/ All included properties require lift station 11 and S2.6.
- 6/ Additional sanitary sewer improvements not shown may be required for development of certain properties.
- 7/ Future upsizing may be required for Property Nos. 10–16. The extents and details of the work are currently unknown and subject to change. These future upsizing are not included in the scope of work proposed for District financing. The location shown is approximate and may change.
