APPLICATION FOR REALLOCATION OF CLASS D ALLOTMENT

The following first described lands have been allotted 44.2 acre-feet of water by Petition and Order recorded in Book _____, Page _____, Reallocation and Order Recorded in Book 1304, Page 869, Transfer and Order recorded in Book _____, Page _____, records of _____, DAVIS County, Utah. Such lands have since been REALLOCATED and order been divided into additional separate ownerships by reason whereof the 44.2 acre-feet of water now allotted thereto and the lien created thereby should be reallocated to the lands more particularly described under "Descriptions of Lands with Quantities as Reallocated". The undersigned, Secretary of Weber Basin Water Conservancy District, accordingly hereby applies to the Board of Director of such District for such reallocation and requests that a time and place for hearing upon this application be fixed, and notice thereof be given to all interested parties in the manner provided by the Rules and Regulations of the District.

ORDER ON APPLICATION

Application having been made for the reallocation of 44.2 acre-feet of water and the lien created by the allotment thereof as described in the above application, which application is in proper form, and all parties interested in such allotment having been given notice thereof and of the time and place of hearing thereon, and after hearing by the Board of Directors of Weber Basin Water Conservancy District, it is hereby determined that the granting of such application is in the best interest of the District, and it is hereby ORDERED that such application be granted under the same terms and conditions as in the original Petition and Order for allotment of water (which by reference are deemed incorporated herein), except that the water shall hereafter be allotted to the lands above described as set forth under the heading "Description of Lands with Quantities as Reallocated", and the lien created by such original petition and order is transferred to and is pro-rated among and shall hereafter attach to the several tracts described under the heading "Description of Lands with Quantities as Reallocated", in the proportion to which the water reallocated to each tract bears to the total water reallocated hereunder to all such tracts.
