ALL OF THE FOREGOING IS SUBJECT TO: All liens for current and future taxes, assessments, and charges imposed or levied by governmental or quasi-governmental authorities; all Patent reservation and exclusions; any mineral reservations of record and rights incident thereto; all instruments of record which affect the above-described Tract or any portion thereof, including, without limitation, any mortgage or deed of trust; all visible and necessary easements and rights-of-way; all easements and rights-of-way of record; any easements, rights of-way, encroachments, or discrepancies shown on or revealed by the Condominium Plats or otherwise existing; an easement for each and every common area improvement, equipment, pipes, lines, cables, wires, utility systems, or similar facilities which traverse or partially occupy the above-described Tract; and all easements necessary for servicing, repairing, ingress to, egress from, maintenance of, and replacement of any Private Amenity and all common elements, improvements, equipment, pipes, lines, cables, wires, utility systems, and similar facilities.

III. COVENANTS, CONDITIONS, AND RESTRICTIONS

The foregoing submission is made upon, under and subject to the following covenants, conditions, and restrictions:

1. Description of Improvements. This mixed use Project will consist of Residential Units, Commercial Units and Common Areas, which will include a clubhouse, swimming pool, outdoor park and common utility systems. Phase I of the Project will include (a) three (3) Buildings, each containing twenty-four Residential Units, for a total of seventy-two (72) Residential Units, and (b) Albion Village Way. Each Unit will be assigned at least two parking spaces, one above and one below ground. The Buildings will be constructed principally of concrete foundations with exterior walls of stone, stucco veneer, vinyl or wood composition siding, asphalt shingle roofing, interior walls of wood studs, plywood and dry wall plaster. The Project will also contain other improvements of a less significant nature. The location and configuration of the improvements referred to in the foregoing sentence are depicted on the Condominium Plat.

2. Description and Legal Status of the Property. The Condominium Plat shows the number of each Building and Unit, its location, those Limited Common Areas and Facilities which are reserved for its use, and the Common Areas and Facilities to which it has immediate access. All Units shall be capable of being independently owned, encumbered and conveyed; and shall have an appurtenant undivided percentage of ownership interest in the Common Areas and Facilities, subject to the rights of Declarant, the City, and all easements of record.

3. Membership in the Association. Since membership in the Association is mandatory, each Unit Owner is a member of the Association and membership may not be partitioned from the ownership of a Unit.

4. Percentage of Ownership Interest. Except for the unilateral right to modify the percentages of ownership interest during the expansion of the Project granted Declarant in Article III, Section 47 below, the undivided percentage of ownership interest of each Unit Owner in the Common Areas and Facilities shall have a permanent character and shall not be otherwise altered without the consent of at least two-thirds (2/3) of the Unit Owners expressed in an amended declaration duly recorded; provided, however, any change in the percentage of ownership interest of a Commercial Unit must also be approved in writing by all Commercial Unit Owners.

5. Limited Common Areas. Limited Common Areas are also Common Areas. Limited Common Area may not be partitioned from the Unit to which it is appurtenant. The exclusive use of Limited Common Area is reserved to the Unit to which it is assigned on the Condominium Plat, as amended from time to time.

6. Conveyancing. Any deed, lease, mortgage, deed of trust, or other instrument conveying or encumbering a Unit shall describe the interest or estate involved substantially as follows:

All of Unit No. ___ in Building No. ___ contained within Phase ___, ALBION VILLAGE CONDOMINIUM, as the same is identified in the Condominium Plat recorded in Salt Lake County, Utah as Entry No. ___ in Book ___ at Page ___ of the official records of the County Recorder of Salt Lake County, Utah (as said Condominium Plat may have heretofore been amended or supplemented) and in the Declaration of Condominium of ALBION VILLAGE CONDOMINIUM recorded in Salt Lake County, Utah as Entry No. ___ in Book ___ at Page ___ of the official records of the County Recorder of Salt Lake County, Utah (as said Declaration may have heretofore been supplemented), together with an undivided percentage of ownership interest in the common areas and facilities.

Regardless of whether or not the description employed in any such instrument is in the above-specified form, all provisions of this Declaration shall be binding upon and shall inure to the benefit of any party who acquires any interest in a Unit. Neither the membership in the Association, nor percentage of ownership interest in the Common Areas, nor the right of exclusive use of a Limited Common Area shall be separated from the Unit to which it appertains; and, even though not specifically mentioned in the instrument of transfer, such mandatory membership in the Association and such right of exclusive use shall automatically accompany the transfer of the Unit to which they relate.

7. Architectural and Design Guidelines. The Declarant has prepared Design Guidelines for the Project, which have been approved by the City. The Design Guidelines shall apply to all construction activities within the Project. The Declarant shall have sole and full authority to change, amend, and supplement the Design Guidelines as long as it owns any of the Property, subject only to the approval of the City.

8. Ownership and Use Restrictions. Each Owner, of whatever kind, shall be entitled to the exclusive ownership and possession of his Unit, to an undivided percentage of ownership interest in the Common Areas, and to membership in the Association as set forth herein, subject to the following use restrictions:

a) Nature and Restrictions on Ownership and Use in General. Each Owner shall have and enjoy the privileges of fee simple ownership of his Unit. There shall be no requirements concerning who may own a Unit, it being intended that they may and shall be owned as any other property rights by persons.

b) Title to the Common Area. Each Unit Owner shall be entitled to an undivided percentage of ownership interest in and to the Common Areas and Facilities as set forth on Exhibit attached, free and clear of all liens (other than current years taxes, if any) prior to the Declarant's first conveyance of a Unit.

c) Mandatory Association. Each purchaser of a Unit, by virtue of accepting a deed or other document of conveyance thereto, shall automatically become a member of the Association.

d) Use of Commercial Units. Commercial Units may be used for any use permitted by zoning in the City, including all permitted accessory uses. One or more Commercial Units may be combined for such purposes. The portions of the Property designated as "Commercial Limited Common Elements," appurtenant to the Commercial Units may be used as they are designated. Lighting from the area designated as "Commercial Area" may be maintained at the expense of the Commercial Unit Owner or Owners. Signs advertising the uses being undertaken at the Commercial Units may be placed in the locations designated on the Condominium Plat. No restriction to access by the public may be imposed with respect to such Commercial Units and the appurtenant Commercial Limited Common Area. Displays advertising the business being carried out in the Commercial Unit may be placed in the windows, and areas designated as "Commercial Display Areas" on the Condominium Plat. Provided, however, the Commercial Units may not create a nuisance, light, noise, pollution, electric and utility overloading, violation of insurance standards, unreasonable storage of trash, refuse and materials, or activities which are inconsistent with the mixed use nature of the Project.

e) Member's Easements and Rights of Way. Every Member of the Association shall as an Owner have the right and non-exclusive easement to use and enjoy the Common Area; provided, however, the owners of the Commercial Units shall not have the right to use the recreational amenities and parking spaces not designated for the use of the Commercial Units. Such right and easement shall be appurtenant to and shall pass with the title to every Unit, subject to the following restrictions:

(1) The right of the Association to limit the number of guests, and to adopt administrative rules and regulations from time to time governing the use and enjoyment of the Common Area;

(2) The right of the Association to suspend the voting rights and the privilege to use the recreational amenities by a member for: (a) any period during which his Common Area Assessment remains delinquent, and (b) a period not to exceed thirty (30) days after notice and hearing as may be set forth hereinafter for any infraction of the Association rules;

(3) Subject to the prior written consent of Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA) (where appropriate), the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility for the purpose of providing utilities and similar or related purposes. During the Declarant's Period of Control, any such dedication or transfer shall be effective only if approved in writing by the Declarant; and

(4) The right of the Association to charge a reasonable admission or other user fee for the use of any recreational facility situated upon the Common Area.

f) Rules and Regulations. The Association, acting through its Management Committee, shall have the power and authority to adopt administrative and/or house rules and regulations and, in its sole discretion, to impose reasonable user fees for the amenities. Such rules, regulations and use restrictions shall be binding upon all Owners and Occupants, their guests and invitees. Provided, however, no rule shall be adopted in violation of the following provisions, except as may be specifically set forth in this Declaration (either initially or by amendment) or in the initial use restrictions:

1) Similar Treatment. Similarly situated Owners shall be treated similarly.

2) Displays. The rights of Owners to display religious and holiday signs, symbols, and declarations inside structures on their Units of the kind normally displayed in units located in a mixed use project shall not be abridged, except that the Association may adopt time, place, and manner restrictions with respect to displays visible from outside the Residential Units. No rules shall regulate the content of political signs; however, rules may regulate the time, place and manner of posting such signs (including design criteria).

3) Activities Within Dwellings. No rule shall interfere with the activities carried on within the confines of a Residential Unit, except that the Association may prohibit activities not normally associated with property restricted to residential use, and it may restrict or prohibit any activities that create monetary costs for the Association or other Owners, that create a danger to the health or safety of occupants of other Units, that generate excessive noise or traffic, that create unsightly conditions visible outside the dwelling, or that create an unreasonable source of annoyance.

4) Allocation of Burdens and Benefits. No rule shall alter the allocation of financial burdens among the various Units or rights to use the Common Area to the detriment of any Owner over that Owner's objection expressed in writing to the Association. Nothing in this provision shall prevent the Association from changing the Common Area available, from adopting generally applicable rules for use of Common Area, or from denying use privileges to those who abuse the Common Area or violate the Project Documents. This provision does not affect the right to increase the amount of Assessments.

5) Alienation. No rule shall prohibit leasing or transfer of any Unit, or require consent of the Association or Board for leasing or transfer of any Unit; provided, the Association or the Board may require a minimum lease term of up to six months on a Residential Unit. The Association may require that Owners of Residential Units use lease forms approved by the Association, and may impose a reasonable transfer or impact fee on the lease or transfer of any such Unit provided it is not greater than an amount reasonably based on the costs to the Association of administering that lease or transfer.

6) Reasonable Rights to Develop. No rule or action by the Association or Management Committee shall unreasonably impede the Declarant's right to develop and market the Property, or the rights of any Mortgagee.

7) Interference With Private Amenities. No rule or action by the Association shall interfere with the use or operation of any Private Amenity.

g) Parties Bound. All provisions of the Project Documents shall be binding upon all Owners and Occupants, and their families, guests and invitees.

h) Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the creation or maintenance of a nuisance in, on or about the Project. The term "nuisance" includes but is not limited to the following:

1) The development of any unclean, unhealthy, unsightly, or unkempt condition on, in or about his Unit or the Common Areas;

2) Maintaining any plants, animals, devices or items, instruments, equipment, machinery, fixtures, or things of any sort whose activities or existence in any way is illegal, noxious, dangerous, unsightly, unpleasant, or of a nature as may diminish or destroy the enjoyment of the Community by other Occupants, their guests or invitees;

3) Unreasonable amounts of noise or traffic in, on or about any Residential Unit or the Common Area, especially after 10:00 p.m. and before 7:00 a.m. during the week and midnight and 8:00 a.m. during weekends; and

4) Drug houses and drug dealing; the unlawful sale, manufacture, service, storage, distribution, dispensing or acquisition occurs of any controlled substance; gambling; criminal activity; parties which occur frequently which bother, annoy or disturb other reasonable Occupants or interfere with their quiet and peaceful enjoyment of the premises; prostitution; or other violation of U.C.A., Section 78-38-9 (1999) as amended or supplemented.

i) Removing Garbage, Dust and Debris. All rubbish, trash, refuse, waste, dust, debris and garbage shall be deposited in sealed plastic bags or other authorized containers, shall be regularly removed from the Unit, not being allowed to accumulate therein so as to create a sanitation, health or safety hazard, and shall be disposed of within dumpsters provided by the Association.

j) Subdivision of a Unit. No Unit may be subdivided.

k) No Severance. The elements of a Unit and other rights appurtenant to the ownership of a Unit, including interest in Common Areas and Facilities and Limited Common Areas and Facilities, if any, are inseparable, and each Owner agrees that he shall not, while this Declaration is in effect, make any conveyance of less than an entire Unit and such appurtenances. Any conveyance made in contravention of this Subsection, including under any conveyance, encumbrance, judicial sale or other transfer (whether voluntary or involuntary) shall be void.

l) Firearms, Incendiary Devices and Graffiti. The use of firearms and incendiary devices, or the painting or graffiti, within the Project is prohibited. The term firearms includes but is not limited to all guns, pistols, handguns, rifles, automatic weapons, semi-automatic weapons, BB guns, pellet guns, sling shots, wrist-rockets, blow-dart guns, and other firearms of all types, regardless of size.

m) Temporary Structures. No Owner or occupant shall place upon any part of the Project any temporary structures, including but not limited to dog runs, storage units, tents, trailers and sheds or their equivalent, without the prior written consent of the Committee; provided, however, with tents may be allowed for up to forty-eight (48) hours by unit owners in their Limited Common Areas or the Common Area immediately adjacent to their buildings.

n) Trees, Shrubs and Bushes; Maintenance of Proper Sight Distance at Intersections. All property located at or near driveways, entrances, exits, walkways, paths and street intersections or corners shall be landscaped so as to remove any obstructions and to permit safe sight. No fence, wall, hedge, shrub, bush, tree or monument, real or artificial, shall be planted or placed by any Owner or occupant in, on or about the Common Areas without the prior written consent of the Committee. The Management Committee may alter or remove any objects planted or placed in violation of this subsection and shall not be guilty of a trespass.

o) Energy Conservation Equipment. Except in accordance with U.C.A., Sections 10-9-901 and 17-27-901, no solar energy collector panels, other energy conservation equipment or attendant hardware shall be constructed or installed on the Project without the prior written consent of the Committee.

p) Business Use. No Business Use and Trade may be conducted in or from any Residential Unit unless: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound, or smell from outside the residence; (b) the business activity conforms to all zoning requirements for the Project; (c) the business activity does not involve persons coming onto the Project who do not reside in the Project or door-to-door solicitation of Occupants of the Project; and (d) the business activity is consistent with the residential character of the Project and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other Occupants of the

Project, as may be determined in the sole discretion of the Committee. Notwithstanding the above, the leasing of a Residential Unit shall not be considered a trade or business within the meaning of this sub-section.

q) Storage and Parking. The driving, parking, standing and storing of motor vehicles in, on or about the Project shall be subject to the parking rules and regulations adopted by the Management Committee from time to time, which may include immobilizing, towing and impounding of motor vehicles in violation of said rules. Parking for the public use of the Commercial Units must be convenient and available during business hours. No parking or storage shall be allowed within the Project for Recreational, Oversized or Commercial Vehicles except for any temporary parking in connection with moving, loading or unloading. Outside storage of any goods is strictly prohibited.

r) Aerials, Antennas, and Satellite Systems. Antennas and satellite dishes shall be prohibited within the Property, except (a) antennas or satellite dishes designed to receive direct broadcast satellite service which are one meter or less in diameter or diagonal measurement; (b) antennas or satellite dishes designed to receive video programming services via multipoint distribution services which are one meter or less in diameter or diagonal measurement; or (c) antennas or satellite dishes designed to receive television broadcast signals ("Permitted Devices") shall be permitted, provided that any such Permitted Device is: (1) located in the attic, crawl space, garage, or other interior spaces of the Unit or another approved structure on the Property, so as not to be visible from outside the Unit or other structure; and (2) attached to or mounted in the Limited Common Area immediately adjacent to the Unit, such as a balcony, deck or patio in the rear of the building, and extending no higher than the eaves of that portion of the roof of the Unit directly in front of such antenna. The Management Committee may adopt rules establishing a preferred hierarchy of alternative locations and requiring screening of all Permitted Devices, so long as such rules do not unreasonably increase the cost of installation, maintenance, or use of the Permitted Device in the authorized areas.

s) Window Coverings, Awnings and Sun Shades. No-aluminum foil, newspapers, reflective film coatings, or any other similar materials may be used to cover the exterior windows of any residential structure on a Unit. Sun shades are not allowed on the exterior of any Building, unless the color, style, construction material and uniformity of appearance is approved by the Management Committee.

t) Windows. All windows and window panes in the Project shall be harmonious, and comparable in size, design and quality so as not to detract from uniformity in appearance and quality of construction. In the event a Window pane within a Unit is broken, the Unit Owner shall cause the window pane to be replaced at the Unit Owner's sole cost and expense with a window pane consistent with the requirements of this paragraph.

u) Pets. No pets, animals, livestock or poultry of any kind shall be bred in, on or about the Project. Up to two (2) domestic pets per Unit are allowed. All pets must be properly licensed and registered with the appropriate governmental agency, abide by all pet rules and regulations adopted by the Management Committee from time to time. Pets may not create a nuisance. The following acts of an animal may constitute a nuisance: (a) it causes damage to the property of anyone other than its owner; (b) it causes unreasonable fouling of the air by odors; (c) it causes unsanitary conditions; (d) it defecates on any common area and the feces are not immediately cleaned up by the responsible party; (e) it barks, whines or howls, or makes other disturbing noises in an excessive, continuous or untimely fashion; or (f) it molests or harasses passersby by lunging at them or chasing passing vehicles. Pets may not be tied or tethered in the Common Area. The Management Committee may require a pet deposit or a pet registration fee.

v) Structural Alterations. Except in the case of an emergency repair, no structural alterations, plumbing, electrical or similar work within the Common Areas or Limited Common Areas shall be done or permitted by any Owner without the prior written consent of the Management Committee.

w) Signs and Lighting. No signs, billboards, or advertising structures may be built or displayed in the Residential Units, except for a single sign with a maximum size of 3' x 3' for the specific purpose of advertising the sale ("For Sale") or rental ("For Rent") of such Unit; provided, however, this restriction does not

apply to the Declarant or the Commercial Units, who may use whatever signage and lighting is appropriate to market the properties and business enterprises, including any parking areas and access points, provided it is lawful pursuant to City ordinance. Except for seasonable Christmas decorative lights, which may be displayed between November 25 and January 10 only, all exterior lights on Residential Units must be approved by the Management Committee. The foregoing shall not be deemed to limit the installation of lighting and signage to the extent permitted by and consistent with the Development Plan approved by the City. The Association shall comply with all City requirements regarding signage and lighting.

x) Playground. Any playground or other play areas or equipment furnished by the Association or erected within the Properties shall be used at the risk of the user, and the Association shall not be held liable to any Person for any claim, damage, or injury occurring thereon or related to use thereof.

y) Fences. No dog runs or animal pens of any kind shall be permitted on any Common Area.

z) Heating of Units in Colder Months. In order to prevent breakage or leakage of water pipes during colder months of the year resulting in damage to Units and Common Areas or Facilities, increased Common Expenses, and increased insurance premiums or cancellation of insurance policies due to numerous damage claims, the thermostats within all Units shall be maintained with the heat in an *on* position and at a minimum of fifty-five (55°) degrees Fahrenheit (except during power failures or periods when heating equipment is broken) during the months of October, November, December, January, February, March, and April whenever the temperature outside is forecasted to or does reach thirty-two (32°) degrees Fahrenheit or below. Owners and occupants of Units shall take all steps possible on a timely basis to keep the heating equipment including, but not limited to, the thermostat in good working order and repair. At any time during the months specified above when the heating equipment is not working, the Unit Owner shall immediately inform the Management Committee of this failure of the equipment and of the time needed in order to repair the equipment

aa) Outdoor Burning. Outside burning of trash, leaves, debris, or other materials is prohibited.

bb) Sound Systems. The use or discharge of any radio, loudspeaker, horn, whistle, bell, or other sound device so as to be audible to Occupants of other Units is prohibited, except that alarm devices used exclusively for security purposes are permitted.

cc) Firecrackers and Fireworks. The use and discharge of firecrackers and other fireworks within the Project is prohibited.

dd) Dumping. No Person may dump grass clippings, leaves or other debris, petroleum products, fertilizers, or other potentially hazardous or toxic substances in any part of the Project, except that fertilizers may be applied to landscaping provided care is taken to minimize runoff, and Declarant and builders may dump and bury rocks and trees removed from a building site on such building site.

ee) Timesharing. Use of any Unit for operation of a timesharing, fraction-sharing, or similar program whereby the right to exclusive use of the Unit rotates among participants in the program on a fixed or floating time schedule over a period of years is prohibited.

ff) Amendment of Commercial Use Restrictions. In order to protect the interests of the Commercial Unit Owners, particularly parking, signs, lighting, access, and business operations, except for any amendment made by the Declarant before the termination of the Declarant's Period of Control, which may be made without any additional approval required, no amendment or rule may change the uses to which any Commercial Unit is restricted, in the absence of the unanimous consent of the Owners of all Commercial Units.

gg) Insurance. Nothing shall be done or kept in, on or about any Unit or in the Common Areas or Limited Common Areas which may result in the cancellation of the insurance on the Property or an increase in the rate of the insurance on the Property, over what the Management Committee, but for such activity, would pay.

hh) Laws. Nothing shall be done or kept in, on or about any Unit or Common Areas, or any part thereof, which would be a violation of any statute, rule, ordinance, regulation, permit or other validly imposed requirement of any governmental body or a violation of any requirement of the Development Plan approval imposed by the City.

ii) Damage or Waste. No damage to, or waste of, the Common Areas or Limited common Areas shall be committed by any Owner or Occupant, their guests or invitees; and each Owner and Occupant shall indemnify and hold the Management Committee and the other Owners in the Project harmless against all loss resulting from any such damage or waste caused by that Owner or Occupant, their guests or invitees; provided, however, that any invitee of the Declarant shall not under any circumstances be deemed to be an invitee of any other Owner.

9. Leases. Any agreement for the leasing, rental, or occupancy of a Unit (hereinafter in this Section referred to as a "lease") shall be in writing and a copy thereof shall be delivered to the Management Committee upon request. By virtue of taking possession of a Unit, each lessee agrees to be subject to and abide by these restrictive covenants, and that any covenant violation shall be deemed to constitute a default under the lease. No Owner shall be permitted to lease his Unit for transient, hotel, seasonal, or corporate/executive use purposes, nor may a rental pool be required. The term "transient" by way of illustration and not limitation includes the rental of any Residential Unit with an initial term of less than six (6) months. Daily or weekly rentals are prohibited. No Owner of a Residential Unit may lease individual rooms to separate persons or less than his entire Unit without the express written consent of the Management Committee. Within ten (10) days after delivery of written notice of the creation of a nuisance or material violation of these restrictive covenants, the Owner shall proceed promptly to either abate or terminate the nuisance, or cure the default, and notify the Management Committee in writing of his intentions. Other than as stated in this Section, there is no restriction on the right of any Owner to lease or otherwise grant occupancy rights to a Unit.

10. Easements -- Support, Maintenance and Repair. There is hereby RESERVED to the City and the Association, and the City and the Association are hereby GRANTED a non-exclusive easement over, across, through, above and under the Units and the Common Area for the operation, maintenance, inspection and repair of the Common Area and Facilities, regulation of the Design Guidelines and enforcement of any applicable City laws or requirements including any conditions imposed in connection with the approval of any applicable Development Plan. The City shall assume no responsibility for enforcement of the Design Guidelines, but reserves the right to and may enforce any Design Guideline at any time and in its sole discretion. There is further reserved to the Declarant and any of its contractors and their subcontractors a non-exclusive easement over, across, through, above and under the Units and the Common Area for the inspection and repair of any portion of the Unit or the Common Area and Facilities covered by a construction warranty or a right of inspection or repair or other arrangement.

11. Liability of Owners and Occupants For Damages and Waste. Each Owner or Occupant shall be liable to the Association, or other Owners or Occupants, for damages to person or property and waste in the Community caused by his negligence.

12. Encroachments. If any portion of Common Area, Limited Common Area, or a Unit encroaches or comes to encroach upon other Common Area, Limited Common Area, or a Unit as a result of construction, reconstruction, repair, shifting, settling, or movement, an easement for such encroachment is created hereby and shall exist so long as such encroachment exists.

13. Management Committee. The Association shall be managed by a Management Committee.
14. Officers and Agents. The Management Committee shall elect and/or appoint officers and agents of the Association, including without limitation a President, Secretary, and Treasurer.
15. Management Committee Meetings. The Management Committee shall meet at regular intervals and at least quarterly.
16. Status and General Authority of Management Committee. Any instrument executed by the Management Committee that recites facts which, if true, would establish the Committee's power and authority to accomplish through such instrument what is purported to be accomplished thereby, shall conclusively establish said power and authority in favor of any person who in good faith and for value relies upon said instrument. The Association shall, in connection with its exercise of any of the powers delineated in subparagraphs (a) through (j) below, constitute a legal entity capable of dealing in its Committee name. The Management Committee shall have, and is hereby granted, the following authority and powers:
- a) Access. The right, power and authority to have access to each Unit: (1) from time to time during reasonable hours and after reasonable notice to the occupant of the Unit being entered, as may be necessary for the inspection, maintenance, repair or replacement of any of the Common Areas and Facilities; or (2) for making emergency repairs necessary to prevent damage to the Common Areas and Facilities or to another Unit or Units, provided that a reasonable effort is made to provide notice to the occupant of the Unit prior to entry.
 - b) Grant Easements. The authority, without the vote or consent of the Owners, Mortgagees, insurers or guarantors of any Mortgage, or of any other person, to grant or create, on such terms as it deems advisable, reasonable permits, licenses, and non-exclusive easements over, under, across, and through the Common Areas for utilities, roads, and other purposes reasonably necessary or useful for the proper maintenance, operation or regulation of the Project.
 - c) Execute Documents. The authority to execute and record, on behalf of all Owners, any amendment to the Declaration or Condominium Plat which has been approved by the vote or consent necessary to authorize such amendment.
 - d) Standing. The power to sue and be sued.
 - e) Enter Into Contracts. The authority to enter into contracts which in any way concern the Project, so long as any vote or consent necessitated by the subject matter of the agreement has been obtained.

 - g) Purchase Property. The power and authority to purchase, otherwise acquire, and accept title to, any interest in real property, so long as it has been approved by at least seventy five (75%) percent of the Association Members.
 - h) Add Property. The power and authority to add any real property, or interest therein, obtained pursuant to subparagraph (g) above to the Project, so long as it has been approved by at least seventy five percent (75%) of the Association Members.

- i) Borrow Money and Pledge Collateral. The power and authority to borrow money and pledge collateral so long as it has been approved by at least seventy-five percent (75%) of the Association Members.
- j) Promulgate Rules. The authority to promulgate such reasonable administrative guidelines, rules, regulations, policies and procedures as may be necessary or desirable to aid the Committee in carrying out any of its functions or to insure that the Project is maintained and used in a manner consistent with the Act and this Declaration.
- k) Meetings. The authority to establish procedures for the conduct of its meetings, including but not limited to the power to decide what portion of the meeting shall be open or closed to Owners or Occupants not on the Committee, to retire to executive session, to regulate record keeping, and to allow, control or prohibit the electronic reproduction (video or audio) of Committee meetings.
- l) Delegation of Authority. The power and authority to delegate its responsibilities over the management and control of the Common Areas and regulation of the Project to a professional manager, reserving the right, power and authority, however, to control and oversee the administration thereof.
- m) Councils. The power and authority to create advisory subcommittees or councils to represent the interests of any particular building or area, such as Residential Units or Commercial Units.
- n) Right to Limit Use of Recreational and Private Amenities to Valid Activity Card. The requirement that access to and use of recreational facilities and Private Amenities within the Project or available to the Association by contract shall be subject to the presentation of a valid Activity Card issued by the Association, if so determined by the Management Committee.
- o) Communications Facilities. The power and authority to (1) construct, erect, install, place or maintain a radio, television or satellite antenna, or other aerial, dish, transmitting device or reception structure for a master satellite, television or radio system, should any such master system or systems be utilized by the Association or Owners and require such fixtures; and (2) enter into an easement, lease or license agreement, or any combination thereof, with a communications company to provide space and access for communications holders for antenna facilities and related equipment in the Common Areas.
- p) Private Amenity Company. The power and authority to enter into an easement, lease or license agreement, or any combination thereof, with the owner or operator of a Private Amenity to provide space and access for a specific purpose or use in the Common Areas, provided such purpose or use is consistent with the residential nature of the Project.
- q) Utility Services. If a utility service is deregulated, the power and authority to provide, make available or broker utility services to the Association or the Owners, provided such is not in violation of local, state or federal laws and is for the benefit of the Owners.
- r) Metering. The power and authority to install a master meter or individual meter(s) for utilities, or a combination thereof.
- t) All other Acts. The power and authority to perform any and all other acts, and to enter into any other transactions which may be reasonably necessary for the Management Committee to perform its functions on behalf of the Owners.

Anything to the contrary notwithstanding, while Declarant controls the Association and before the end of the Period of Declarant's Control, any amendments to the Declaration or mergers must (where appropriate) be approved in writing and in advance by Federal Housing Administration of the United States Department of Housing and Urban Development

(FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA).

17. Delegation of Management Responsibilities: The Management Committee may delegate some of its management responsibilities to either a professional management company, an experienced on-site manager, an independent contractor, through service contracts, or any combination thereof. The Manager may be an employee or an independent contractor. The termination provision of any such contract must not require a termination penalty of any kind or any advance notice of any more than ninety (90) days, and no such contract or agreement shall be for a term greater than one (1) year. The Management Committee may also employ general laborers, grounds crew, maintenance, bookkeeping, administrative and clerical personnel as necessary to perform its management responsibilities. Provided, however, any management contract may be terminated for cause on thirty (30) days notice in accordance with the termination provisions of Title 38, Code of Federal Regulations, Section 36.4360a (f), as it may be amended from time to time.

18. Owners Meetings. The Association shall meet at least annually.

19. Lists of Owners, Renters, Eligible Mortgagees, Insurers and Guarantors. The Management Committee shall maintain up to date lists of the name, address and phone number of all Owners, Renters, Eligible Mortgagees, Insurers and Guarantors, provided the Owners, Mortgagees, Insurers and Guarantors provide such information to the Committee.

20. Capital Improvements. All expenses for Capital Improvements shall be governed by and subject to the following conditions, limitations and restrictions:

a) Committee Discretion/Expenditure Limit. Any Capital Improvement to the Project which costs ten percent (10%) or less of the Total Annual Budget, and does not alter the nature of the Project, may be authorized by the Management Committee alone (the "Capital Improvement Ceiling").

b) Owner Approval/Expenditure Limit. Any Capital Improvement, the cost of which will exceed the Capital Improvement Ceiling, must, prior to the commencement of construction, be authorized by at least a majority of the percentage of undivided ownership interest in the Common Area.

c) Owner Approval/Changing the Nature of the Project. Any Capital Improvement which would materially alter the nature of the Project (e.g., changing the roofing materials, the construction of the external Building surfaces, color scheme, etc.) must, regardless of its cost and prior to being constructed or accomplished, be authorized by at least sixty-seven (67%) percent of the undivided ownership interest in the Common Areas.

d) Repairs and Replacements. The Association has the responsibility to repair and maintain all improvements constructed as a part of the project (as modified or replaced from time to time), and to replace Building components that are required to be replaced, whether by reason of normal wear and tear, damage, defect or functional obsolescence, regardless of whether any such replacements extend the useful life of the replaced component or any part of the project and therefore would be capitalized for accounting purposes. The costs of such repairs and replacements shall be covered by Assessments. No Unit Owner approval is required for these activities of the Association.

21. Operation, Maintenance and Alterations. Each Unit, the Limited Common Area, and Common Area shall be maintained, repaired, and replaced in accordance with the following covenants, conditions and restrictions:

a) Clean, Safe, Sanitary and Attractive Condition. The Units, Limited Common Area, and Common Area shall be maintained in a usable, clean, functional, safe, sanitary, attractive and good condition, consistent with Community Standards.

b) Landscaping. All landscaping in the Project shall be maintained and cared for in a manner consistent with the standards of design and quality originally established by Declarant. Any weeds or diseased or dead lawn, trees, ground cover or shrubbery shall be removed and replaced. All lawn areas shall be neatly mowed and trees, shrubs and bushes shall be neatly trimmed. The grounds and landscaping shall enhance and not either affect adversely the value or use of any other Unit, or detract from the original architectural scheme of the Declarant and the uniform design and appearance of the Project.

c) Area of Common Responsibility. Unless otherwise expressly noted, the Association shall maintain, repair and replace all of the Common Area and Facilities within or serving the Project (the "Area of Common Responsibility"). Within the Area of Common Responsibility, the Association shall develop a program of regular inspection, maintenance and repair to prolong the life and maintain the overall quality of the Project and all improvements. Where necessary, the Association shall replace Building components that are required to be replaced, whether by reason of normal wear and tear, damage, defect or functional obsolescence. The Association shall take all necessary actions to minimize damage to any improvements or persons that are caused by any condition affecting Project improvements and to correct the cause of the condition, whether the condition was caused by damage, defective design or construction or functional obsolescence and regardless of whether the Association may have a claim under a warranty or insurance policy. The Association shall cause inspections to occur for the purpose of identifying, providing notice of and causing the repair of any defective construction prior to the expiration of any applicable warranty periods. The Association shall repair and replace all Limited Common Area improvements as may be required from time to time, including any cement, decking and fencing, except to the extent any damage was caused by the Occupant or its guests and other invitees. The activities of the Association within the Area of Common Responsibility shall be paid for through Assessments.

d) Area of Personal Responsibility. Each Owner shall maintain, repair and replace his Unit, including without limitation all individual services such as power, light, gas, hot and cold water, heating, refrigeration, air conditioning, fixtures, window panes and to the extent damaged by use, all window systems, doors and door systems, and garage doors and garage door systems. Each Occupant shall also be responsible for maintaining the Unit and Limited Common Areas in a clean, safe, functional and attractive condition, free from garbage or debris. Each Owner shall repair any damage caused by the Occupant to Unit and Limited Common Areas. The Management Committee may adopt rules to regulate items of personal property, furniture and furnishings allowed on decks, balconies and patios. In addition to the above duties, each Occupant and each Owner has a duty to inspect the Unit, the Building in which the Unit is located, the Limited Common Area and the Common Area and report to the Association any conditions that require maintenance, repair and replacement. The failure of an Occupant or Owner to report a condition affecting the Unit, the Limited Common Area or the Building in which the Unit is located in a timely manner (within 1 hour of discovery for emergency conditions and within 48 hours of discovery for all other conditions) will constitute a waiver of any claim by the Owner for repair, or for costs or losses incurred by Owner in connection with such unreported conditions.

e) Changes in Areas of Maintenance Responsibility. The Areas of Personal or Common Responsibility may be changed by the Declarant until the end of Declarant's Period of Control, provided the Project is maintained in accordance with any requirements of the City.

f) Default Provisions. If (except in the case of an emergency) after written notice and a hearing, it is determined that any responsible party has failed or refused to discharge properly his obligation with regard to the maintenance, repair, or replacement of the real property and improvements described herein or the inspection and reporting obligations described herein, or that the need for maintenance, repair, or replacement thereof is caused through the willful or negligent act of any person, then the City, the Association, or Management Committee may, but is not

obligated to, provide such maintenance, repair, or replacement at the defaulting or responsible party's sole cost and expense (the "Default Maintenance Cost"). The Default Maintenance Cost is the debt of such defaulting or responsible party at the time the expense is paid and shall be collectible as such. In addition, it may be considered a "Fine" against a Unit Owner. A Fine assessed hereunder which remains unpaid after the time for appeal has expired becomes a lien against the Unit Owner's interest in the property in accordance with the same standards as a lien for the nonpayment of Common Expenses under U.C.A., Section 57-8-20.

g) Alterations to the Common Area. The Declarant may make changes to the design and construction of the improvements located in or on the Common Areas without additional approval required, including without limitation the consent of the Management Committee or Members of the Association; provided, however, no Owner or Occupant may make any structural alterations to the Unit or the Common Area without the express prior written consent of the Management Committee.

h) Certain Work Prohibited. No Unit Owner shall do any work or make any alterations or changes which would jeopardize the soundness or safety of the Property, reduce its value or impair any easement or hereditament, without in every such case the unanimous written consent of all the other Unit Owners being first had and obtained.

22. Budget, Assessments and Common Expenses. Each Owner shall pay his share of the Common Expenses and Assessments subject to and in accordance with the following:

a) Declarant. Anything to the contrary notwithstanding, the Declarant shall not be obligated to pay Assessments on any Units owned by it until such time as the earlier of the following two events occurs: (1) the physical structures are substantially completed and certificates of permanent occupancy are issued, and the Units are sold or rented or (2) Declarant elects in writing to pay the Assessments.

b) Purpose of Common Expenses and Assessments. The Common Expenses incurred and Assessments provided for herein are for the general purpose of operating the Project, promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and Occupants, including the maintenance of any real and personal property owned by the Association, and regulating the Community, all as may be more specifically authorized from time to time by the Committee.

c) Budget. At least thirty (30) days prior to the Annual Homeowners Meeting, the Management Committee shall prepare and deliver to the Owners a proposed Budget which:

(1) Itemization. Shall set forth an itemization of the anticipated Common Expenses for the twelve (12) month calendar year, commencing with the following January 1.

(2) Basis. Shall be based upon advance estimates of cash requirements by the Management Committee to provide for the payment of all estimated expenses growing out of or connected with the maintenance and operation of the Common Areas and regulation of the Association, which estimate shall include but is not limited to expenses of management, irrigation water, grounds maintenance, taxes and special assessments, premiums for all insurance which the Committee is required or permitted to maintain, common lighting and heating, water charges, trash collection, sewer service charges, carpeting, painting, repairs and maintenance of the Common Areas and replacement of those elements of the Common Areas that must be replaced on a periodic basis or that have been damaged or are defective or functionally obsolete, wages for Management Committee employees, legal and accounting fees, any deficit remaining from a previous period; the creation of a reasonable contingency reserve, surplus or sinking fund, reserves for possible Capital Improvements, major repairs and replacements of Project components, including a contingency for the replacement of components that are defective or become damaged or functionally obsolete, costs for inspections and to develop a maintenance and repair program and periodic estimates for reserves, costs for any extended

warranty program covering Project components, and other expenses and liabilities which may be incurred by the Association for the benefit of the Owners under and by reason of this Declaration. Until the Project is completed, and all Phases are added, this estimate may need to be adjusted periodically as each new Phase is completed.

d) Apportionment. The common profits, losses and voting rights of the Project shall be distributed among and the common expenses shall be charged to the Unit Owners on the basis of the Par Value of each Unit, as set forth in Exhibit "C", attached hereto and incorporated herein by this reference. Provided, however, if any Garage Units are constructed, the percentage of ownership interest for each Garage Unit shall be 1/20 of the percentage for each Residential Unit. Otherwise, neither the percentage of ownership interest nor the apportionment of common profits or expenses, or voting rights shall be adjusted for parking spaces assigned to or appurtenant to a Unit.

e) Approval of Budget and Assessments. The proposed Budget and Assessments shall become effective unless disapproved at the Annual Meeting of the Association by a vote of at least a majority of the percentage of ownership interest in the Common Areas. Notwithstanding the foregoing, however, if the membership disapproves the proposed budget and Assessments or the Management Committee fails for any reason to establish the Budget and Assessments for the succeeding year, then and until such time as a new budget and new Common Area Assessment schedule shall have been established, the Budget and the Assessments in affect for the then current year shall continue for the succeeding year. The failure to propose or obtain approval of a budget shall not remove from the Association the obligation of the Association to conduct maintenance, repair and replacement activities so as to preserve the functionality of improvements and to correct conditions that may give rise to damage to persons or property.

f) Payment of Assessments. The Management Committee has the sole authority and discretion to determine how and when the Assessments are paid.

g) Personal Obligation of Owner. Each Owner is liable to pay his share of the Common Expenses and Assessments against his Unit as well as any Additional Charges; provided, however, no first mortgagee or beneficiary under a first deed of trust, who obtains title to a Unit pursuant to the remedies provided in the mortgage or trust deed shall be liable for unpaid Assessments which accrued prior to the acquisition of title.

i) Equitable Changes. If the aggregate of all Assessments is too large or too small as a result of unanticipated income or expenses, the Management Committee may from time to time effect an equitable change in the amount of said payments, but, without the prior approval of a majority of the percentage of ownership interest in the Common Area, the Management Committee may not increase the amount of the monthly Assessments by more than fifteen (15%) percent in any calendar year. Owners shall be given at least thirty (30) days written notice of any changes.

j) Dates and Manner of Payments. The dates and manner of payment shall be determined by the Management Committee.

k) Reserve Account and Analysis Report. The Committee shall establish and maintain a reserve account or accounts to pay for unexpected operating expenses, for any anticipated Capital Improvements and for planned or unplanned repairs or replacements to Project components that are defective or become damaged or functionally obsolete. In addition, the Management Committee shall prepare and update at least annually a written Reserve Account Analysis documenting the appropriate levels of reserves and the anticipated schedule for major repairs and replacements, which Analysis shall be developed considering the condition of the Project and its components, the information described in the Capital Asset Table described in the following section, and any need to correct damaged, defective or functionally obsolete conditions or components. The Management Committee will make all such reports and analyses available to the Owners at the annual meeting of the Association.

l) Capital Asset Table. The Committee shall establish and update at least annually a Capital Asset Table which shall list each major capital asset in the Project (e.g. roofs, roads, building exteriors, clubhouse,

swimming pool, spa, basketball court and tot lot, etc.), each item's expected useful life, the present cost of replacement, the estimated cost to replace the item at the end of its useful life, the percentage and amount of the monthly Assessment currently set aside in the reserve account to replace the item at the end of its useful life, and the amount of money currently set aside in the reserve account for the replacement of the item.

m) Statement of Assessments Due. Upon written request, the Committee shall furnish to any Owner a statement of Assessments due, if any, on his Unit. Failure to provide the certificate within ten (10) days after a written request is received by the Secretary, shall be deemed conclusive evidence that all Assessments are paid current. The Association may require the advance payment of a processing charge not to exceed \$15.00 for the issuance of such certificate.

n) Superiority of Assessments. Each Owner by virtue of his acceptance of a deed or other document of conveyance to a Unit hereby waives his right to claim that his homestead exemption is superior to any lien securing payment of his share of the Common Expenses or an Assessment. All Assessments are, however, junior and subordinate to the first mortgage liens of record before a notice of lien for unpaid assessments is recorded in the office of the county recorder.

23. Special Assessments. In addition to the other Assessments authorized herein, the Association may levy special assessments in any year, subject to the following:

a) Committee Based Assessment. So long as the special assessment does not exceed the sum of Five Hundred and 00/100th Dollars (\$500.00) per Unit in any one fiscal year (the "Special Assessment Limit"), the Committee may impose the special assessment without any additional approval.

b) Association Approval. Any special assessment which would exceed the Special Assessment Limit shall be effective only if approved by a majority of the members of the Association. The Committee in its discretion may allow any special assessment to be paid in installments.

24. Benefit Assessments. If an Owner has the choice to accept or reject the benefit, then the Management Committee shall have the power and authority to assess an Owner in a particular area as follows:

(1) Benefit only To Specific Unit. If the expense benefits less than all of the Units, then those Units benefited may be specifically assessed, and the specific assessment shall be equitably apportioned among those Units according to the benefit received.

(2) Unequal or Disproportionate Benefit. If the expense benefits all Units, but does not provide an equal benefit to all Units, then all Units shall be specifically assessed, but the specific assessment shall be equitably apportioned among all Units according to the benefit received.

Failure of the Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.

25. Individual Assessments. Individual Assessments shall be levied by the Committee against a Unit and its Owner to reimburse the Association for: (a) administrative costs and expenses incurred by the Committee in enforcing the Project Documents; (b) costs associated with the maintenance, repair or replacement of Common Area for which the Unit Owner is responsible; (c) any other charge, fine, fee, dues, expense, or cost designated as an Individual Assessment in the Project Documents or by the Management Committee; and (d) attorneys' fees, court or collection costs, fines, and other charges relating thereto as provided in this Declaration.

26. Collection of Assessments. The Owners must pay their Assessments in a timely manner. Payments are due in advance on the first of the month. Payments are late if received after the 10th day of the month in which they were due.

a) Delinquent Assessments. Any Assessment not paid when due shall be deemed delinquent and a lien securing the obligation shall automatically attach to the Unit, regardless of whether a written notice is recorded.

b) Late Fees and Accruing Interest. A late fee of twenty-five dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater, shall be assessed on all tardy payments. Default interest at the rate of one and one-half percent (1.5%) per month or eighteen (18.0%) per annum shall accrue on all delinquent accounts.

c) Lien. If any Unit Owner fails or refuses to make any payment of any Assessment or his portion of the Common Expenses when due, that amount shall constitute a lien on the interest of the Owner in the Property, and upon the recording of notice of lien by the Manager, Management Committee or their designee it is a lien upon the Owner's interest in the Property prior to all other liens and encumbrances, recorded or unrecorded, except: (1) tax and special assessment liens on the Unit in favor of any assessing unit or special improvement district; and (2) encumbrances on the interest of the Owner recorded prior to the date such notice is recorded which by law would be a lien prior to subsequently recorded encumbrances.

d) Foreclosure of Lien and/or Collection Action. If the Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due and/or to foreclose the lien.

e) Personal Obligation. Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to bring all actions against him or her personally for the collection of the charges as a debt or to foreclose the lien in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed.

f) No Waiver. No Owner may waive or otherwise exempt himself or herself from liability for the Assessments provided for herein, including but not limited to the non-use of Common Areas or the abandonment of his Unit.

g) Duty to Pay Independent. No reduction or abatement of Assessments shall be claimed or allowed by reason of any alleged failure of the Association or Committee to take some action or perform some function required to be taken or performed by the Association or committee under this Declaration or the By Laws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each Owner.

h) Foreclosure of Lien as Mortgage or Trust Deed. The lien for nonpayment of Assessments may be enforced by sale or foreclosure of the Owner's interest therein by the Committee. The sale or foreclosure shall be conducted in the same manner as foreclosures in deeds of trust or mortgages or in any other manner permitted by law. In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's fees, and a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the same.

i) Appointment of Trustee. If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided s/he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

j) Attorney in Fact. Each Owner by accepting a deed to a Unit hereby irrevocably appoints the Association as his attorney in fact to collect rent from any person renting his Unit pursuant to and in accordance with U.C.A., Section 57-8-20(6) as it may be amended from time to time, if the Unit is rented and Owner is delinquent in his Assessments. Rent due shall be paid directly to the Association, upon written demand, until such time as the Owner's Assessments are current; and the Owner shall credit the Renter, against rent due, for the amount of money paid to the Association.

27. Liability of Management Committee. The Association shall indemnify every officer and member of the Committee against any and all expenses, including but not limited to attorney's fees reasonably incurred by or imposed upon any officer or member of the Committee in connection with any action, suit, or other proceeding (including settlement of any suit or proceeding, if approved by the then Committee) to which he or she may be a party by reason of being or having been an officer or member of the Committee. The officers and members of the Committee shall not be liable for any mistake of judgment, negligent or otherwise, except for their own individual willful misfeasance, malfeasance, misconduct or bad faith. The officers and members of the Committee shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or members of the Committee may also be Members of the Association), and the Association shall indemnify and forever hold each such officer and member of the Committee free and harmless against any and all liability to others on account of any such contract or commitment. Any right to indemnification provided for herein shall be exclusive of any other rights to which any officer or member of the Committee, or former officer or member of the Committee, may be entitled. The Association shall, as a common expense, maintain adequate general liability and officer's and director's insurance coverage to fund this obligation, if such insurance is reasonably available.

28. Insurance. The Manager, Management Committee or Association shall obtain insurance against loss or damage by fire and other hazards for: (a) all Common Areas and Facilities; and (b) all Buildings that contain more than one Unit, including any improvement which is a permanent part of a Building. The insurance coverage shall be written on the property in the name of the Manager, Management Committee or Association, as trustee for each of the Unit Owners in the percentages established in this Declaration. The insurance premiums shall be a Common Expense. This Section is without prejudice to the right of each Unit Owner to insure his own Unit for his benefit. The Manager, Management Committee or Association shall satisfy at least the following minimum requirements:

a) Property Insurance. Blanket property insurance using the standard "Special" or "All Risk" building form. Loss adjustment shall be based upon replacement cost. For purposes of this sub-section, the term "casualty insurance" shall not mean or refer to "earthquake" or other special risks not included in the standard "condominium" casualty policy. This additional coverage may be added by the Committee as it deems necessary in its best judgement and in its sole discretion.

b) Flood Insurance. If any part of the Project's improvements are in a Special Flood Hazard Area -- which is designated as A, AE, AH, AO, A1-30, A-99, V, VE, or V1-30 on a Flood Insurance Rate Map (FIRM) -- the Association shall obtain a "master" or "blanket" policy of flood insurance and provide for the premiums to be paid as a common expense. The policy should cover any common element buildings and any other common property. The Unit Owner may also be required to purchase an individual policy. The amount of flood insurance should be at least equal to the lesser of 100% of the insurable value of the facilities or the maximum coverage available under the appropriate National Flood Insurance Administration program.

c) Liability Insurance. A public liability policy covering the Common Area, the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents. The public liability policy shall have at least a One Million (\$1,000,000) Dollar single person limit as respects bodily injury and property damage, a Two Million (\$2,000,000) Dollar limit per occurrence, if reasonably available, and a One Million (\$1,000,000) Dollar minimum property damage limit. If possible, the policy should be written on the comprehensive form and shall include non-owned and hired automobile liability protection.

d) Directors and Officers Insurance. A director's and officer's liability or errors and omissions policy, if reasonably available, with at least One Million (\$1,000,000) Dollars in coverage.

e) Fidelity Bond. A separate fidelity bond in a reasonable amount to be determined by the Management Committee to cover all non-compensated officers as well as all employees for theft of Association funds, subject to the following:

(1) Agents. Furthermore, where the Committee or the Association has delegated some or all of the responsibility for the handling of funds to a management agent, such bonds are required for the management agent's officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Committee or the Association.

(2) Amount of Coverage. The total amount of fidelity bond coverage required shall be based upon the Committee's best business judgement, but shall not be less than the estimated maximum amount of funds, including reserve funds, in the custody of the Committee, the Association, or the management agent as the case may be, at any given time during the term of each bond. Nevertheless, in no event may the amount of such bonds be less than a sum equal to three (3) months' aggregate assessments on all Lots, plus reserve funds.

(3) Quality of Coverage. The bonds required shall meet the following additional requirements: (a) they shall name the Committee, the Owners Association, and the Property Manager as obligee; (b) if the insurance contract or bond excludes coverage for damages caused by persons serving without compensation, and may use that exclusion as a defense or reason not to pay a claim, the insurance company shall, if possible, be required to waive that exclusion or defense; (c) the premiums on all bonds required herein for the Committee and the Association (except for premiums on fidelity bonds maintained by a management agent for its officers, employees and agents) shall be paid by the Committee or the Association as part of the Common Expenses; and (d) the bonds shall provide that they may not be canceled or substantially modified, including cancellation for nonpayment of premium, without at least ten (10) days' prior written notice to the Committee and the Association, to any Insurance Trustee, and to each service of loans on behalf of any Mortgagee, and FNMA.

f) Earthquake Insurance shall not be required unless requested by at least Seventy five percent (75%) of the Members of the Association.

7) Miscellaneous Items. The following provisions shall apply to all insurance coverage:

(1) Quality of Carrier. A "B" or better general policyholder's rating or a "6" or better financial performance index rating in Best's Insurance Reports, an "A" or better general policyholder's rating and a financial size category of "VIII" or better in Best's Insurance reports -- International Edition, an "A" or better rating in Demotech's Hazard Insurance Financial Stability Ratings, a "BBBq" qualified solvency ratio or a "BBB" or better claims-paying ability rating in Standard and Poor's International Confidential Rating Service -- if the carrier is issuing a master policy or an insurance policy for the common elements in the Project.

(2) The Insured. The name of the insured under each policy required to be maintained hereby shall be set forth therein substantially as follows: "Association of Unit Owners of ALBION VILLAGE CONDOMINIUM, for the use and benefit of the individual Owners."

(3) Designated Representative. The Association may designate an authorized representative of the Association, including any Insurance Trustee with whom the Association has entered into an Insurance Trust Agreement, or any successor to such Trustee, for the use and benefit of the individual Owners.

(4) Beneficiary. In any policy covering the entire Project, each owner and his Mortgagee, if any, shall be beneficiaries of the policy in an amount equal to the Owner's percentage of undivided Ownership interest in the Common Areas and Facilities.

(5) Certificate of Insurance. Evidence of insurance shall be issued to each Owner and Mortgagee upon request.

(6) Mortgage Provisions. Each policy shall contain a standard mortgage clause or its equivalent and shall provide that the policy may not be canceled or substantially modified without at least ten (10) days prior written notice to the Association and to each Mortgagee.

(7) Miscellaneous Provisions. Each insurance policy shall contain at least the following additional miscellaneous items: (a) A waiver of the right of a subrogation against Owners individually; and (b) A provision that the insurance is not prejudiced by any act or neglect of any individual Owner.

(8) Prompt Repair. Each Owner further covenants and agrees that in the event of any partial loss, damage or destruction of his Unit, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction.

(9) Disbursement of Proceeds. Proceeds of insurance policies shall be disbursed to repair promptly and reasonably the damages. Any proceeds remaining thereafter shall be placed in the Capital Improvement Reserve Account and retained by and for the benefit of the Association. This is a covenant for the benefit of the Association and any Mortgagee of a Unit, and may be enforced by them.

(10) Special Endorsements. Each policy shall also contain or provide those endorsements commonly purchased by other Associations in similarly situated first class subdivisions in the county, including but not limited to a guaranteed replacement cost endorsement under which the insurer agrees to replace the insurable property regardless of the cost and,; or a Replacement Cost Endorsement under which the insurer agrees to pay up to 100% of the property's insurable replacement cost, but no more, and, if the policy includes a coinsurance clause, an Agreed Amount Endorsement which waives the requirement for coinsurance; an Inflation Guard Endorsement when it can be obtained, a Building Ordinance or Law Endorsement, if the enforcement of any building, zoning or land-use law will result in loss or damage, increased cost of repairs or reconstruction, or additional demolition and removal costs, and increased costs of reconstruction; Steam Boiler and Machinery Coverage Endorsement if the Project has any central heating or cooling.

(11) Restrictions on Policies. No insurance policy shall be maintained where:

a. Individual Assessments Prohibited. Under the term of the carrier's charter, By-Laws, or policy, contributions may be required from, or assessments may be made against, an Owner, a borrower, a Mortgagee, the Management Committee, the Association, FNMA, or the designee of FNMA.

b. Payments Contingent. By the terms of the Declaration, By- Laws, or policy, payments are contingent upon action by the carrier's board of directors, policyholder, or member; or

c. Mortgage Limitation Provisions. The policy includes any limited clauses (other than insurance conditions) which could prevent the party entitled (including, without limitation, the Committee, the Association, an Owner, FNMA, or the borrowers) from collecting insurance proceeds.

(12) Intent. The foregoing provisions shall not be construed to limit the power or authority of the Association, Committee or Owners to obtain and maintain insurance coverage, in amounts and in such forms as the Management Committee or Association may deem appropriate from time to time.

(13) Deductible. The deductible on a claim made against the Association's Property Insurance Policy shall be paid for by the party who would be liable for the loss, damage, claim, or repair in the absence of insurance, and in the event of multiple responsible parties, the loss shall be allocated in relation to the amount each party's responsibility bears to the total. If a loss is caused by an act of God or nature or by an element, risk or peril beyond the control of the Unit Owner, then the Association shall be responsible for the deductible.

h) Adjusting Claims. The Management Committee has the authority to adjust claims and, if the claim may be filed with the Unit Owner's or renter's insurance carrier, may require from the prospective claimant's insurance company a formal notice of rejection and an unconditional denial of the claim or its equivalent before submitting the claim to the Association's insurance company, particularly if (1) it risks cancellation of the Association's insurance, or (2) the problem occurred in the Unit, or (3) was caused by the claimant, or (4) the claim is legally or primarily the responsibility of the claimant, and (5) there is a substantial likelihood that the claim will be covered by the Owner's or renter's insurance company.

i) Commercial Unit Owners. Commercial Unit Owners shall obtain property and casualty insurance covering the improvements within the interior of their Units, in an amount that covers all improvements owned by the Unit Owner, but excluding the fixtures, improvements and betterments originally installed as a part of the building standard improvements as shown on the application for the building permit by the Declarant on file with the City. Such original fixtures, improvements and betterments which are excluded shall be those which are covered by the policy of insurance purchased by the Association. In addition, the Owners of Commercial Units shall maintain public liability coverage including medical payments in an amount determined by the insurance agent for the Association which would be reasonable and prudent for business activities of the nature carried out in the Commercial Units, but no less than \$2,000,000.00, covering standard named perils commonly insured against, arising out of or in connection with the use, ownership or maintenance of the Unit. Further, to the extent that activities, or equipment require an increase in the insurance premium obtained by the Association, such increase shall be assessed against the Unit(s) causing such increase, as an additional Assessment.

29. Destruction, Condemnation, and Obsolescence. The following provisions shall apply with respect to the destruction, condemnation, or obsolescence of the Project.

a) Definitions. Each of the following terms shall have the meaning indicated:

(1) "Substantial Destruction" shall exist whenever, as a result of any damage or destruction to the Project or any part thereof, the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(2) "Partial Destruction" shall mean any other damage or destruction to the Project or any part thereof.

(3) "Substantial Condemnation" shall exist whenever a complete taking of the Project or a taking of part of the Project has occurred under eminent domain or by grant or conveyance in lieu of condemnation, and the excess of the estimated cost of restoration over the funds available is Twenty five (25%) percent or more of the estimated restored value of the Project.

(4) "Partial Condemnation" shall mean any other such taking by eminent domain or grant or conveyance in lieu thereof.

(5) "Substantial Obsolescence" shall exist whenever the Project or any part thereof has reached a state of obsolescence, whether caused by damage, defect or disrepair, such that the excess of the estimated cost of restoration over the funds available is Twenty five percent (25%) percent or more of the estimated restored value of the Project.

(6) "Partial Obsolescence" shall mean any state of obsolescence, whether caused by damage, defect or disrepair, which does not constitute Substantial Obsolescence.

(7) "Restored Value" shall mean the fair market value of the Project after Restoration as determined by an MAI or other qualified appraisal.

(8) "Estimated Cost of Restoration" shall mean the estimated costs of restoring the Project to its former condition.

(9) "Available Funds" shall mean any proceeds of insurance, condemnation awards, payments in lieu of condemnation, reserves held for majors repairs and replacements or Capital Improvements and any other uncommitted funds of the Management Committee or Association. Available Funds shall not include that portion of insurance proceeds legally required to be paid to any party other than the Association, including a mortgagee, or that

portion of any condemnation award or payment in lieu of condemnation payable to the Owner or Mortgagee for the condemnation or taking of the Unit in which they are interested.

b) Determination by Committee. Upon the occurrence of any damage or destruction to the Project or any part thereof, or upon a complete or partial taking of the Project under eminent domain or by grant or conveyance in lieu thereof, the Committee shall make a determination as to whether the excess of Estimated Costs of Restoration over Available Funds is twenty-five percent (25%) or more of the estimated Restored Value of the Project. In addition, the Committee shall, from time to time, review the condition of the Project to determine whether Substantial Obsolescence exists. In making such determinations the Committee may retain and rely upon one or more qualified appraisers or other professionals.

c) Restoration of the Project. Restoration of the Project shall be undertaken by the Committee promptly without a vote of the Owners in the event of Partial Destruction, Partial Condemnation, or Partial Obsolescence. Restoration where no vote is required shall be paid for by using any available insurance proceeds and condemnation proceeds and, to the extent other sources are not available, reserves for major repairs and replacements. Such restoration shall be accomplished without significant delay and without further Owner vote on a revised budget or approval of a scope of the proposed restoration. Restoration of the Project shall also be undertaken in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence unless the failure to make Restoration is consented to by Owners collectively holding at least sixty-seven percent of the Project's undivided Ownership interest and is further consented to by Eligible Mortgagees holding Mortgages on Units which have appurtenant at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas and Facilities which is then subject to Mortgages held by Eligible Mortgagees.

d) Notices of Destruction or Obsolescence. Within thirty (30) days after the Committee has determined that Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence exists, it shall send to each Owner and Eligible Mortgagee a written description of the destruction, condemnation, or state of obsolescence involved, shall take appropriate steps to ascertain the preferences of the Eligible Mortgagees concerning Restoration, and shall, with or without a meeting of the Owners (but in any event in accordance with the applicable provisions of this Declaration), take appropriate steps to determine the preferences of the Owners regarding Restoration.

e) Excess Insurance. In the event insurance proceeds, condemnation awards, or payments in lieu of condemnation actually received by the Committee or Association exceed the cost of Restoration when Restoration is undertaken, the excess shall be paid and distributed to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

f) Inadequate Restoration Funds. If the cost of Restoration exceeds Available Funds, the Management Committee may elect to make a special assessment in accordance with Article III, Section 23 above to pay for the deficiency.

g) Reallocation in Event of Partial Restoration. In the event that all or any portion of one or more Units will not be the subject of Restoration (even though the Project will continue as a condominium project) or is taken in a condemnation proceeding or pursuant to any agreement in lieu thereof, the undivided Ownership interest in the Common Areas and Facilities shall be immediately reallocated to the remaining Units.

h) Sale of Project. Unless Restoration is accomplished as set forth above, the Project shall be sold in the event of Substantial Destruction, Substantial Condemnation, or Substantial Obsolescence. In the event of such sale, condominium Ownership under this Declaration and the Condominium Plat shall terminate and the proceeds of sale and any Available Funds shall be distributed by the Committee to the Owners in proportion to their respective undivided interests in the Common Areas. Payment to any Owner whose Unit is then the subject of a Mortgage shall be made jointly to such Owner and the interested Mortgagee.

i) Authority of Committee to Represent Owners in Condemnation or to Restore or Sell. The Committee, as attorney-in-fact for each Owner, shall represent all of the Owners and the Association in any condemnation proceeding or in negotiations, settlements, and agreements with the condemning authority for the acquisition of all or any part of the Common Areas and Facilities.

j) Settlement Proceeds. The award in any condemnation proceeding and the proceeds of any settlement related thereto shall be payable to the Association for the use and benefit of the Owners and their mortgagees as their interests may appear.

k) Restoration Power. The Committee, as attorney-in-fact for each Owner, shall have and is hereby granted full power and authority to restore or to sell the Project and each Unit therein whenever Restoration or sale, as the case may be, is undertaken as hereinabove provided.

l) Right of Entry. Such authority shall include the right and power to enter into any contracts, deeds or other instruments which may be necessary or appropriate for Restoration or sale, as the case may be.

m) Termination of Legal Status. Any action to terminate the legal status of the Project after Substantial Destruction or Condemnation occurs shall be agreed to by Unit Owners who represent at least sixty-seven (67%) percent of the total allocated votes in the Association and by Eligible Mortgage holders who represent at least fifty-one (51%) percent of the votes of the Units that are subject to mortgages held by eligible holders.

The termination of the legal status of the Project for reasons other than Substantial Destruction or Condemnation of the property shall be agreed to by Eligible Mortgage holders that represent at least sixty-seven (67%) percent of the votes of the mortgaged Units. However, implied approval may be assumed when an Eligible Mortgage holder (except (where appropriate) the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA)) fails to submit a response to any written proposal for an amendment within thirty (30) days after it receives proper notice of the proposal, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

30. Consent in Lieu of Vote. In any case in which this Declaration requires the vote of an Owner for authorization or approval of an act or a transaction, such requirement may be fully satisfied by obtaining, with or without a meeting, consents in writing to such transaction from Owners who collectively hold the required percentages, subject to the following conditions:

a) Sixty-Day Limit. All necessary consents must be obtained prior to the expiration of sixty (60) days from the time the first written consent is obtained; and

b) Change In Ownership. Any change in Ownership of a Unit which occurs after consent has been obtained from the Owner having an interest therein shall not be considered or taken into account for any purpose; and

c) Notice. If approved, written notice of the approval must be given to all Unit Owners at least ten (10) days before any action is required by them.

31. Mortgagee Protection. The lien or claim against a Unit for unpaid Assessments levied by the Management Committee or by the Association pursuant to this Declaration or the Act shall be subordinate to any Mortgage recorded on or before the date such Assessments become due, subject to the following:

a) Effects of Voluntary and Involuntary Sale. The lien or claim against a Unit for such unpaid Assessments shall not be affected by any sale or transfer of such Unit, except that a sale or transfer pursuant to a

foreclosure of the Mortgage affecting such Unit or the exercise of a power of sale available thereunder shall extinguish any debt payable prior to such sale or transfer. Nevertheless, any such unpaid Assessments which are extinguished in accordance with the foreclosure or power of sale shall not relieve the purchaser or transferee of such Unit from liability for, nor such Unit the lien of any Assessments becoming due thereafter.

b) Books and Records Available for Inspection. The Committee or the Association shall make available to the Owners, to Mortgagees, and lenders, and to holders, insurers, or guarantors of any Mortgage current copies of the Declaration, By-Laws, and administrative rules and regulations concerning the Project, as well as the books, records, and financial statements of the Committee and the Association. The term "Available," as used in the Paragraph, shall mean available for reasonable inspection upon request during normal business hours or under other reasonable circumstances. The Association shall have the right to recover its photocopying and service charges incurred in making the inspection and photocopying available.

c) Right to Financial Statement. The holder, insurer or guarantor of any Mortgage shall be entitled, upon written request, to a financial statement for the immediately preceding fiscal year. Any financial statement requested pursuant hereto shall be furnished to the requesting party within a reasonable time following such request.

d) Management Contracts. Any agreement for professional management of the Project, and any contract for goods or services, or any lease which is entered into by the Management Committee other than longer term contracts relating to warranty, inspection and repair of improvements shall provide, or be deemed to provide hereby, that:

(1) Either party may terminate the contract with cause upon at least thirty (30) days prior written notice to the other party; and

(2) No contract may be for an initial term greater than one (1) year.

e) Eligible Mortgagee Designation. Upon written request to the Committee or the Association by the holder, insurer, or guarantor of a Mortgage (which request identifies the name and address of such holder, insurer or guarantor and the Unit Number or address of the property encumbered by the Mortgage held or insured by such holder, insurer, or guarantor), such holder insurer, or guarantor shall be deemed thereafter to be an "Eligible Mortgagee" or "Eligible Insurer" or "Eligible Guarantor," as the case may be, shall be included on the appropriate lists maintained by the Association, and shall be entitled to timely written notice of any of the following:

(1) Condemnation Loss or Award. Any condemnation loss or any casualty loss which affects a material portion of the Project or any Unit on which there is a Mortgage held, insured, or guaranteed by such Eligible Insurer or Guarantor.

(2) Delinquency. Any delinquency in the payment of Assessments owed by an Owner of a Unit subject to a Mortgage held, insured or guaranteed by such Eligible Insurer or Guarantor, which delinquency remains uncured for a period of sixty days.

(3) Lapse of Insurance. Any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Committee or the Association.

(4) Consent Required. Any proposed action which would require the consent of a specified percentage of Eligible Mortgagees.

f) Approval of Proposed Action or Transaction. Any Mortgagee who receives, by certified or registered mail, a written request, with a return receipt requested, to approve any act, transaction or amendment to the Declaration, and who does not return a negative response within thirty (30) days shall be deemed to have approved such request; provided, however and anything to the contrary notwithstanding, so long as Declarant is in control of the owner's association, such action or transaction must be approved in writing by the Department of Veterans Affairs (VA)

pursuant to CFR, Title 38, “ 36.4357(b)(4) and, if any financing or the guaranty of any financing of a Unit is provided by the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA), by such agencies.

32. Amendment. This Declaration may be amended as follows:

a) Amendments by Declarant. Until after the termination of the Declarant’s Period of Control, this document and the Condominium Plat may be amended by the execution by Declarant of an instrument amending the same without any additional approval required, and no other amendment shall be valid or enforceable without the Declarant’s prior written consent. Declarant expressly reserves the right to change in the first and/or all future phases the definition of Common Area and/or Unit, and their designation on the Plat, in order to expand the definition of a Unit to include the roof, exterior walls, footings and foundations, etc., provided the maintenance, repair and replacement of such items remain part of the Area of Common Responsibility and the Project is developed in accordance with the approved development plan of the City’s planning commission.

b) Consent of the Owners. After the termination of the Declarant’s Period of Control, the affirmative vote of at least sixty seven percent (67%) of the Owners shall be required and shall be sufficient to amend the Declaration or the Condominium Plat. Provided, however, the modification of any provision expressly and specifically affecting the Commercial Units shall require the unanimous consent of all Commercial Unit Owners. Any amendment so authorized shall be accomplished through the recordation of an instrument executed by the Management Committee. In such instrument the Committee shall certify that the vote required by this Section for amendment has occurred, and, if approval of a specified percentage of Eligible Mortgagees is required for such amendment, that such approval has been obtained.

c) Protection of Declarant Rights. An amendment shall not terminate or decrease any unexpired development right, or Period of Declarant Control unless the Declarant approves or consents in writing.

d) Execution of Amendments. An amendment or revocation which only requires the execution of an instrument by Declarant as hereinabove provided shall be effective when executed by Declarant and when recorded in the office of the County Recorder of Salt Lake County, Utah. An amendment which requires the affirmative written assent or vote of the Owners as hereinabove provided shall be effective when executed by the President and Secretary of the Association who shall certify that the amendment has been so approved and the Declarant if the Declarant’s consent is also required, and when the amendment has been recorded in the office of the County Recorder of Salt Lake County, Utah.

e) Consent of Eligible Mortgagee. The consent of at least sixty-seven percent (67%) of the Eligible Mortgagees shall be required to any amendment which would terminate the legal status of the Project; and the consent of Eligible Mortgagees holding at least fifty-one (51%) percent of the undivided ownership interest in the Common Areas shall be required to add to or amend any material provision of this Declaration or the Condominium Plat which establishes, provides for, governs, or regulates any of the following: (1) voting rights; (2) increases in assessments that raise the previously assessed amount by more than 25%, assessment liens, or the priority of assessment liens; (3) reductions in reserves for maintenance, repair, and replacement of the Common elements; (4) insurance or fidelity bonds; (5) limitations and restrictions on the right to use of the Common Areas; (6) responsibility for maintenance and repairs; (7) expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project; (8) the boundaries of any Lot; (9) the percentages of ownership interest in the Common Areas; (10) convertibility of a Lot into Common Areas or Common Area into a Lot; (11) the imposition of any right of first refusal or similar restriction on the right of an Owner to sell, transfer, or otherwise convey his Lot; (12) express benefits or rights of Mortgagees, Eligible Mortgagees, or Eligible Insurers or Guarantors; and (13) the requirement that the Project be professionally managed rather than self managed. Any addition or amendment shall not be considered material for purposes of this Paragraph b) if it is for the clarification only or to correct a clerical error. Notice of any proposed amendment to any Eligible

Mortgagee to whom a written request to approve an addition or amendment to this Declaration or the Condominium Plat is required shall be mailed postage prepaid to the address for such Mortgagee shown on the list maintained by the Association. Any Eligible Mortgagee who does not deliver to the Committee or the Association a negative response to the notice of the proposed amendment within thirty (30) days from the date of such mailing shall be deemed to have approved the proposal. The foregoing consent requirements shall not be applicable to amendments to this Declaration and the Condominium Plat or the termination of the legal status of the Project. If such amendments or such termination are made or accomplished in accordance with the provisions of this Declaration regarding Condemnation or Substantial Obsolescence.

33. Due Process Requirements; Notice of Hearing; Opportunity to be Heard. In the event of a claimed material violation of the Project Documents or the Act, no citation or suspension shall be imposed without the Management Committee first giving the alleged violator written notice of the violation and an opportunity to be heard by the Committee. Provided, however, nothing herein shall be construed to prevent the Management Committee from (a) immobilizing, towing or impounding a motor vehicle in violation of the parking rules and regulations for which no additional notice is required, or (b) making any emergency repairs or taking any other emergency action it deems necessary and subsequently providing notice to the Unit Owner or Occupant and giving them an opportunity to be heard.

34. Declarant's Sales Program. Anything to the contrary notwithstanding, until Declarant has sold all Units owned by it, or the expiration of seven (7) years following the date on which the Declaration is filed for record in the Office of the Salt Lake County Recorder, whichever first occurs, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay his portion of the Common Expenses or other Assessments, except as herein otherwise provided. Neither the Owners, the Association, nor the Management Committee shall interfere with the completion of improvements and sale of Declarant's Units, and Declarant shall have the following rights in furtherance of any sales, promotions or other activities designed to accomplish or facilitate the sale of all Units owned by Declarant:

a) Sales Office and Model Units. Declarant shall have the right to maintain one (1) or more sales offices and one (1) or more model Units at any one time. Such office and/or models may be one or more of the Units owned by the Declarant, one or more separate structures or facilities placed on the Property for the purpose of aiding Declarant's sales effort, or any combination of the foregoing;

b) Promotional. Declarant shall have the right to maintain a reasonable number of promotional, advertising and/or directional signs, banners or similar devices at any place or places on the Property.

c) Common Area Use. Declarant shall have the right to use the Common Areas of the Project including but not limited to the right to use the Clubhouse as a sales office and in any other way necessary to facilitate sales.

d) Relocation and Removal. Declarant shall have the right from time to time to locate or relocate any of its sales offices, models, or signs, banners or similar devices, but in connection with each such location or relocation shall observe the limitations imposed by the preceding portion of this Section. Within a reasonable period of time after the end of Period of Declarant's Control, Declarant shall have the right to remove from the Project any signs, banners or similar devices and any separate structure or facility which was placed on the Property for the purpose of aiding Declarant's sales effort.

35. Limitation on Improvements by Association. Until such time as the earlier of the following events occur: (a) all of the Additional Land has been added and the Declarant has sold or rented all of the Units, or (b) seven (7) years after the date of the sale of the first Unit in Phase I, or (c) such time as Declarant chooses, neither the Association nor the Committee shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

36. Completion Obligation; Disclaimer of Warranties. Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

a) Units. Each Unit which an Owner has contracted to purchase, and the Building within which such Unit is contained or is to be contained, and the appurtenant Limited Common Area shall be substantially constructed, and ready for use or occupancy (as the case may be); and

b) Common Area. There shall be substantially completed and usable as part of the Common Areas all planned landscaping, green space, sidewalks, parking facilities, roads, fences, outdoor lighting, and utility lines and conduits adjacent to the Unit or Building in which a Unit is located, and necessary for its use. The foregoing covenant shall not be deemed to be violated by the construction of the Project in phases or, within a phase, the construction of Buildings and portions of the Common Area at different times.

c) Disclaimer of Warranties. The covenant to complete the Unit, Building and associated Common Area shall not constitute a warranty by Declarant with respect to construction quality or conformance with plans, specifications or applicable codes. Each Owner and the Association shall have the benefit of only such express warranties as may have been granted by the contractor that constructed the applicable Unit and Building. Each prospective buyer of a Unit shall have the right and obligation to undertake whatever inspections of the Project Buyer so desires in order to assure the prospective buyer as to the quality and condition of the Project, the Unit and the Building. Owner acknowledges by closing on the purchase of the Property that (i) Owner has caused such independent examinations to be made as Owner deems necessary and has made Owner's own full examination and determination of the condition of the Project, the Unit and the applicable Building and the suitability thereof, (ii) except with respect to any express representations and warranties of the contractor, the Declarant has made no representation as to the value, character, quality, quantity, or condition of the Property, the Unit or the Building or the future marketed sales price for or value or income potential of the Unit on which Owner has relied, and (iii) except with respect to the express representations and warranties and covenants of such contractor, the Owner owns the Unit and occupies the Building and shares in the ownership and use of the Common Area with other Owners on an "As Is" and "Where Is" basis. Further the Association acknowledges and agrees that except with respect to the express representations and warranties and covenants of such contractor, the Association takes control of the operation and maintenance of the Common Area on an "As Is" and "Where Is" basis.

Each Owner and the Association further acknowledges and agrees that (i) the as-built location of utility lines, utility improvements (such as but not limited to junction boxes, transformers or pedestals) and sewer taps, may vary from locations shown on the standard plans, (ii) the character and uses of property surrounding and in the vicinity of the Project may change, and there may be changes in the views from the Unit, (iii) there may be minor deviations in the Unit from the standard plans or models and from illustrations and designs shown in promotional materials, (iv) floor plans, maps, landscaping and elevation renderings included within promotional brochures and Project information may not have been drawn to scale and any square footage or dimensions shown in such materials are only approximations, (v) some exterior and interior items shown in the Declarant's sales models are upgrades over standard Unit features, (vi) Declarant reserves the right to make changes in the design of the Project and in the standard plans, specifications, materials, size and location of all Project improvements, and to substitute materials, fixtures and appliances of an equal or better quality (as determined by Declarant in the exercise of Declarant's discretion), (vii) there may be minor variations from the plans as to the location of the interior walls of the Residence and in the exterior wall locations and floor elevations from those shown on the Record of Survey Map, and (viii) construction activity (including but not limited to noise and the transportation of labor, material and equipment) may continue in the Project after occupancy of Units and may cause an inconvenience to Owner. Seller, and the contractor, except to the extent set forth in an express written warranty of the contractor, each disclaim and shall have no liability or responsibility in connection with the foregoing and each Owner and the Association hereby releases Declarant and the contractor (except to the extent of an express written warranty) from any and all responsibility, obligation, or liability for the occurrence of any of the foregoing items. As between Declarant and each Owner, the issuance of a certificate of occupancy for the Unit and Building by the City shall constitute conclusive evidence that the Unit and Building have been constructed in substantial compliance with the standard plans and specifications and that Declarant's

construction obligations have been fully satisfied, subject to any punch-list items and the contractor's written warranty referred to above.

Notwithstanding any of the foregoing, none of the following shall be the responsibility of Declarant to correct or shall be deemed to be a defect or covered by any warranty of a contractor: (v) any condition arising from the use of the Unit or Common Area including without limitation damage arising from condensation, mold, lack of ventilation, lack of maintenance or customary care, use of improper cleaning materials or techniques, (w) cracking of concrete slabs and walls, caulk, grout and other materials and the effects of expansion and contraction, (x) changes in materials or colors caused by exposure to heat, cold, and sunlight, (y) failure of mechanical equipment to achieve desired temperatures when outside conditions are exceptionally hot or cold, or (z) damages or losses arising from any present or future environmental condition including without limitation soil conditions, radon, pollution of water or soil regardless of source, power lines or changes in the use of surrounding properties.

The warranties contained in any written warranty by the contractor constructing the buildings, units and common area are the only warranties of any kind whatsoever, express or implied. To the extent permitted by law, Declarant hereby disclaims (and each Owner and the Association hereby waive and release Declarant from all liabilities in connection with) (i) all implied warranties of merchantability, fitness for a particular purpose, habitability or workmanship. Each Owner and the Association agrees that any liability, whether in contract, tort, warranty or otherwise, is limited to the remedy of repair, replacement or payment as set forth in the contractor's written warranty. No steps taken by any Owner or the Association to correct defects or alleged defects shall extend the warranty period beyond the period set forth in the contractor's written warranty. Under no circumstances shall Declarant or the contractor be liable for any special, incidental or consequential damages, including any claims for personal injury, property damage, or emotional distress.

37. Declarant's Rights Assignable. All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protections and controls which are accorded to Declarant (in its capacity as Declarant) herein.

38. Mortgagee Approval. Until the termination of the Period of Declarant's Control, the Declarant shall not annex additional properties or amend the Declaration without the prior written consent (where appropriate) of the Federal Housing Administration of the United States Department of Housing and Urban Development (FHA), the Federal Home Loan Mortgage Corporation or the Mortgage Corporation (FHLMC), Federal National Mortgage Association (FNMA), Government National Mortgage Association (GNMA) or the Department of Veterans Affairs (VA).

39. Transfer of Management. Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select the Members of the Committee and may elect to transfer the management of the Project to a Committee elected by the Owners. Upon the termination of the Period of Declarant's Control, or sooner if the Declarant so elects, Declarant shall notify Owners in writing of the effective date of such transfer (the "Transfer Date") at least forty five (45) days prior thereto. Thereupon, the Owners shall call a meeting to elect the Members of the Management Committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Expenses of the Association prior to the Transfer Date to be paid in full on or before such date, and shall transfer any Association funds to the newly elected Committee.

40. Working Capital Fund. A working capital fund shall be established by the Declarant equal to or greater than two (2) months' Assessments for each Unit. Each Unit's share of the working capital fund shall be collected and transferred to the Management Committee at the time of closing of the sale of each Unit by Declarant. Notwithstanding the foregoing, the contribution to the working capital fund for each unsold Unit shall be paid to the Management Committee at the time such Unit is first occupied for residential purposes or a certificate of permanent

occupancy is issued, whichever first occurs. With respect to each Unit for which the Declarant pays the contribution to the working capital fund, the Declarant shall be reimbursed for such contribution by the buyer of such Unit at the time of closing. The purpose of the working capital fund is to insure that the Management Committee will have cash available to satisfy unforeseen expenses or to acquire additional equipment or services necessary for the operation, control and regulation of the Project. Sums paid into the working capital fund are not to be considered as advance payments or regular monthly payments of Common Expenses. Thereafter, the Management Committee may continue the working capital fund by charging a reasonable transfer or impact fee when Units are sold or rented.

41. Separate Taxation. Each Unit and its percentage of undivided interest in the Common Areas and Facilities shall be considered to be a parcel and shall be subject to separate assessment and taxation by each assessing unit and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. Neither the Building or Buildings, the property nor any of the Common Areas and Facilities may be considered a parcel for tax purposes.

43. Enforcement and Right to Recover Attorneys Fees. Subject to reasonable compliance herewith by the Manager and the Management Committee, each Unit Owner shall reasonably comply with the covenants, conditions, and restrictions as set forth herein or in the deed to his Unit and with the By-Laws and/or house rules and with the administrative rules and regulations drafted pursuant hereto, as either of the same may be lawfully amended from time to time, and failure to comply shall be ground for an action to recover sums due for damages or injunctive relief or both, maintainable by the Association, Manager or Management Committee on behalf of the Unit owners, or in a proper case, by an aggrieved Unit Owner.

Should the Association, Manager or Management Committee be required to take action to enforce the Declaration, By-Laws or any administrative rules and regulations adopted from time to time, or to pursue any remedy provided hereunder or by applicable law, whether such remedy is pursued by filing suit or otherwise, they may recover all Additional Charges, including a reasonable attorneys fee, which may arise or accrue. In addition, the Management Committee may impose the following sanctions after proper notice and the opportunity to be heard:

- a. imposing reasonable monetary fines which shall constitute a lien upon the violator's Unit;
- b. suspending an Owner's right to vote;
- c. suspending any Person's right to use any of the recreational facilities; provided, however, nothing herein contained shall authorize the Management Committee to limit ingress or egress to or from a Unit;
- d. exercising self-help or taking action to abate any violation of the Project Documents in a non-emergency situation;
- e. exercising self-help in any emergency situation (specifically including but not limited to the towing of vehicles that are in violation of the parking rules);
- f. requiring an Owner at his sole expense to remove any structure or improvement in the Common Area, and upon the failure of the Owner to do so, the Management Committee or its designee shall have the right to enter the property and remove the violation and restore the property to its original condition, and such action shall not be deemed a trespass;
- g. without liability to any Person, precluding any contractor, subcontractor, agent, employee, or other invitee of an Owner who fails to comply with the Project Documents; and
- h. levying Individual Assessments or Additional Charges to cover costs incurred by the Association to bring a Unit or Unit Owner into compliance.

44. Agent for Service of Process. The President of the Association is the person to receive service of process in the cases authorized by the Act and the office. The initial Registered Agent is Jason Johnson and the initial office of the Registered Agent is 287 N. Robertson Lane, Springville, Utah 84663.

45. Annexation of Private Amenities. If reasonably available, the Association may purchase and operate for the benefit of the Unit Owners any Private Amenity and its facilities, infra-structure and easements as provided for or identified herein or in the Condominium Plat or, in the alternative, contract separately for such services.

47. Expansion of the Project.

a) Reservation of Option to Expand. The project may be expanded to include all of the property included in the Development Plan as modified from time to time with the consent of the City, and Declarant hereby reserves the option to so expand the Project. This option to expand may be exercised from time to time, at different times and in any order, without limitation (except as expressly set forth above), provided however, the option shall expire seven (7) years from the date following the first conveyance of a Unit in Phase I to a Unit purchaser unless sooner terminated by Declarant's recorded waiver of such option, there being no other circumstances which will cause the option to expire prior to said seven (7) years. Such right may be exercised without first obtaining the consent or vote of Unit Owners and shall be limited only as herein specifically provided. Such Common Areas and Facilities (including the clubhouse, swimming pool and road) and Units shall be constructed on any or all portions of the Additional Property, subject to the Development Plan and the Period of Declarant's Control.

b) Supplemental Declarations and Supplemental Maps. Such expansion shall be accomplished by the filing for record by Declarant in the office of the County Recorder of Salt Lake County, Utah, no later than seven (7) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for the clubhouse, swimming pool, roads, and new residential and/or commercial Units and mixed use space, together with supplemental Map or Maps containing the same information with respect to the new Units as was required on the Map with respect to the Phase I Units. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.

c) Expansion of Definitions. Upon the occurrence of such expansion, the definitions used in this Declaration shall automatically be expanded to encompass and refer to the Project as so expanded. The term "Property" shall mean the real property initially submitted under the Declaration, plus any Additional Land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Units, of whatever kind, after such expansion shall be effective to transfer rights in the Project, with additional references to the Supplemental Declaration and the Supplemental Map. The recordation in the office of the Salt Lake County Recorder of a Supplemental Map incident to any expansion shall operate automatically to grant, transfer, and convey to then Owners of Units in the Project as it existed before such expansion the respective undivided interests in the new Common Areas added to the Project as a result of such expansion. Such recordation shall also operate to vest in any then mortgagee of any Unit in the Project as it existed, interest so acquired by the Owner of the Unit encumbering the new Common Areas added to the Project as a result of such expansion.

d) Declaration Operative on New Units. The new residential and/or commercial Units and mixed use space shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and all of said Units therein shall be subject to condominium ownership with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Map and Supplemental Declaration in the said office of the Salt Lake County Recorder.

e) Right of Declarant to Adjust Ownership Interest in Common Areas. Each deed of a Unit, of whatever kind, shall be deemed to irrevocably reserve to the Declarant the power to appoint to Unit Owners, from time to time, the percentages of ownership in the Common Areas as set forth in the Supplemental Declaration. The proportionate interest of each Unit Owner in the Common Areas after any expansion of the Project shall be an undivided interest of the Project as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney in fact to shift percentages of the Common Areas in accordance with Supplemental Declarations recorded

pursuant hereto and each deed of a Unit in the Project shall be deemed a grant of such power to the Declarant. Various provisions of this Declaration and deeds and mortgages of the Units may contain clauses designed to accomplish a shifting of the Common Areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the Common Areas can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the Common Areas may be effected more than seven (7) years after the effective date of the Declaration.

Accordingly, upon the recordation of a Supplemental Declaration and Supplemental Map incident to any expansion, the revised schedule of undivided interests in the Common Areas contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Project conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

f) Other Provisions Concerning Expansion. When the Project is expanded as set forth above, then it is further provided that:

(1) The Additional Land shall be added to the Project in whole or in part in accordance with and subject to the Development Plan.

(2) Portions of the Additional Land may be added to the Project at different times without any limitations, except for the conditions imposed by the Development Plan.

(3) Declarant shall have the right without further conveyance or documentation to build roads and access ways to the Additional Property through the easement areas as shown on the Map. The Association of Unit Owners shall not allow anything to be built upon or interfere with said easement areas.

(4) The Project shall be developed subject to the Development Plan. There are no additional assurances are made concerning:

a. The locations of any improvement that may be made on any portion of the Additional Land that may be added to the Project.

b. The type, kind or nature of improvement which may be created on any portion of the Additional Land, except there will be residential and commercial Units and mixed use space, and the Common Areas and Facilities, Buildings and Units will be substantially identical to those in Phase I, with a substantially identical quality of construction materials and workmanship, and will be substantially completed prior to annexation.

c. The type, size, or maximum number of Limited Common Areas which may be created within any portion of the Additional Land added to the Project.

(5) Notwithstanding anything to the contrary which may be contained herein, the Declaration is not intended, and shall not be construed so as to impose upon Declarant any additional obligation, except for those commitments made by Declarant to the City's planning commission, respecting, or to restrict Declarant in any additional way with regard to: (a) the submission of any portion of the Additional Land to the provisions of the Act as Land under this Declaration; (b) the creation, construction, or addition to the Project of any additional property; (c) the carrying out in any particular way or within any particular time of any development which may be undertaken except as herein mentioned; or (d) the taking of any particular action with respect to the Additional Land, the Project, or any Land.

(6) When Phase 1 of the Project is completed, the number of Units in the Project will be seventy-two (72) and the percentage of ownership interest of each Unit will be 1.67%. When all Phases in the Project are completed and all of the Additional Land has been added to the Project (a) the maximum number of Units will be three hundred forty two (342), (b) there will be a total of 13.71 acres approximately, (c) the maximum number of Units per net

acre will be about 0.04, and (d) the minimum Percentage Interest of each Unit will be 0.2923976%; provided, however, the number of residential and commercial Units actually constructed, and mixed use spaces actually created, and the actual undivided percentage of ownership interest of each Unit may vary from the projected numbers and percentages set forth above.

g) General Liability Insurance Policy for Expansion of Project. Pursuant to Title 38, CFR Section 36.4360 (a) (5), which is incorporated herein by this reference, the Declarant shall purchase at its own expense and maintain a general liability insurance policy in the sum of not less than \$1 million to cover any liability which owners of previously sold units are exposed to as a consequence of further and future expansion of the project pursuant hereto.

48. Combination of Units. An owner of two or more adjoining units shall have the right upon approval of the management committee and the mortgagees of said units, to combine one or more adjoining units or portions thereof and to alter or amend the declaration and map to reflect such combination.

a) Such amendments may be accomplished by the unit owner recording an amendment or amendments to this declaration, together with an amended map or maps containing the same information with respect to the altered units as required in the initial declaration and map with respect to the initial units. All costs and expenses required in such amendments shall be borne by the unit owner desiring such combination.

b) All such amendments to the declaration and map must be approved by attorneys employed by the management committee to insure the continuing legality of the declaration and the map. The cost of such review by the attorneys shall be borne by the person wishing to combine the units.

c) Any amendments of the declaration or map pursuant to this paragraph 20 shall reflect the changes occasioned by the alteration. Such changes shall include a change in the percentage of undivided interest in the common areas and facilities which are appurtenant to the units involved in the alterations. The remaining combined unit, if two or more units are totally combined, will acquire the total of the percentage of undivided interest in the common areas and facilities appurtenant to the units that are combined as set forth in Exhibit B. If a portion of one unit is combined with another, the resulting units shall acquire a proportionate percentage of the total undivided interest in the common areas and facilities of the units involved in the combination on the basis of area remaining in the respective, combined units. The percentage of undivided interest in the common areas and facilities appurtenant to all other units shall not be changed. All such amendments must, in all instances, be consented to by the management committee and also all other persons holding interest in the units affected. The consent of other unit owners need not be obtained to make such amendments or alterations valid, providing the percentages of undivided interest in the common areas and facilities of the other unit owners remain unchanged.

49. Dispute Resolution and Limitation on Litigation. The term "Bound Party" shall refer to each of the following: (i) the Association, (ii) Declarant, (iii) all persons who become subject to this Declaration from time-to-time for such period as is necessary to resolve "Claims" (as defined below) arising under the Declaration, (iv) any contractor providing a written warranty to any Unit Owner and/or to the Association for the duration of the warranty period and thereafter only to the extent necessary to resolve Claims properly and timely made during the warranty period and (v) any architect, engineer, contractor, subcontractor or other potential defendant with respect to any Claim who voluntarily agrees to become a "Bound Party" in connection with a particular Claim subject to any limitations in the agreement of that party voluntarily to become a Bound Party. The Bound Parties agree to encourage the amicable resolution of disputes involving the Project, and to avoid the emotional and financial costs of litigation if at all possible. Accordingly, each Bound Party covenants and agrees that all claims, grievances or disputes between such Bound Party and any other Bound Party involving the properties, including, without limitation, claims, grievances or disputes arising out of or relating to the interpretation, application or enforcement of this Declaration, the By-Laws, the Association rules, or the Articles (collectively "Claim"), except for those Claims authorized in subsection (a) below, shall be resolved using the procedures set forth in subsection (b) below in lieu of filing suit in any court or initiating proceedings before any administrative tribunal seeking redress or resolution of such Claim.

a. Exempt Claims. The following Claims ("Exempt Claims") shall be exempt from the provisions of the foregoing paragraph:

(1) any suit by the Association against any Bound Party to enforce the Declaration or collect Assessments;

(2) any suit by the Association to obtain a temporary restraining order (or equivalent emergency equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's ability to enforce the restrictive covenants;

(3) any suit between Owners (other than Declarant or a contractor with a warranty) seeking redress on the basis of a Claim which would constitute a cause of action under the laws of the State of Utah in the absence of a claim based on the Declaration, By-Laws, Articles or rules of the Association, if the amount in controversy exceeds \$5,000.00; and

(4) any suit involving two or more persons where all of the persons are not Bound Parties (provided, however, that all steps set forth below prior to the filing of any suit must be followed by all Bound Parties prior to the filing of such a suit).

Any Bound Party having an Exempt Claim may submit it to the alternative dispute resolution procedures set forth in subsection (b) below, but there shall be no obligation to do so. The submission of an Exempt Claim involving the Association to the alternative dispute resolution procedures of Section 9B3 shall require the approval of the Association.

b. Mandatory Procedures for All Other Claims. All claims other than Exempt Claims shall be resolved using the following procedures:

(1) Notice. Any Bound Party having a Claim ("Claimant") against any other Bound Party ("Respondent"), other than an Exempt Claim, shall notify each Respondent in writing of the Claim ("Notice"), stating plainly and concisely:

(a) The nature of the Claim, including date, time, location, persons involved, Respondent's role in the Claim;

(b) The basis of the Claim (i.e., the provision of the Declaration, By-Laws, the Articles or rules or other authority out of which the Claim arises);

(c) What Claimant wants respondent to do or not to do to resolve the Claim; and

(d) That Claimant wishes to resolve the Claim by mutual agreement with Respondent, and is willing to meet in person with Respondent at a mutually agreeable time and place to discuss in good faith ways to resolve the Claim.

(2) Negotiations, Inspection and Repair.

(a) Each Claimant and Respondent ("Parties") shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. Where a construction claim is involved, such each affected Party shall permit full inspection and evaluation of any alleged defective construction by Declarant, the contractor and any third parties designated by either the contractor or the Declarant. If, after such evaluation, the contractor offers to correct the condition that is the subject of the Claim, each affected Party shall permit the contractor to conduct such repairs as may reasonably be designed to correct the condition that is the basis for the Claim.

(b) Upon receipt of a written request from any Party, accompanied by a copy of the Notice, the Board may appoint a representative to assist the Parties in resolving the dispute by negotiation, if in its discretion it believes its efforts will be beneficial to the Parties and to the welfare of the community.

(3) Mediation.

(a) If the Parties do not resolve the Claim through negotiation within thirty (30) days of the date of the Notice (or within such other period as may be agreed upon by the Parties) ("Termination of Negotiations"), Claimant shall have thirty (30) additional days within which to submit the Claim to mediation under the auspices of the Court, or such other independent agency providing similar services upon which the Parties may mutually agree.

(b) If Claimant does not submit the Claim to mediation within thirty (30) days after Termination of Negotiations, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to persons not a Party to the foregoing proceedings.

(c) If the Parties do not settle the Claim with thirty (30) days after submission of the matter to the mediation process, the mediator shall issue a notice of termination of the mediation proceedings ("Termination of Mediation"). The Termination of Mediation notice shall set forth when and where the Parties met, that the Parties are at an impasse, and the date that mediation was terminated.

(e) Each party shall, with five (5) days of the Termination of Mediation, make a written offer of settlement in an effort to resolve the Claim. The Claimant shall make a final written settlement demand ("Settlement Demand") to the Respondent. The Respondent shall make a final written settlement offer ("Settlement Offer") to the Claimant. If the Claimant fails to make a Settlement Demand, Claimant's original Notice shall constitute the Settlement Demand. If the Respondent fails to make a Settlement Offer, Respondent shall be deemed to have made a "zero" or "take nothing" Settlement Offer.

(4) Final and Binding Arbitration.

(a) If the Parties do not agree in writing to accept either the Settlement Demand, the Settlement Offer, or otherwise resolve the Claim within fifteen (15) days of Termination of Mediation, the Claimant shall have fifteen (15) additional days to submit the Claim to arbitration in accordance with the American Arbitration Association Rules of Arbitration or mutually acceptable equivalent rules or the Claim shall be deemed abandoned, and Respondent shall be released and discharged from any and all liability to Claimant arising out of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to persons not a Party to the foregoing proceedings.

(b) This subsection (4) is an agreement of the Bound Parties to arbitrate all Claims except Exempt Claims and is specifically enforceable under the applicable arbitration law of the State of Utah. The arbitration award ("Award") shall be final and binding, and judgment may be entered upon it in any court of competent jurisdiction to the fullest extent permitted under the laws of the State of Utah.

c. Allocation of Costs of Resolving Claims. Each Party shall bear all of its own costs incurred prior to and during the proceedings described herein, including the fees of its attorney or other representative. Each Party shall share equally all charges rendered by the mediators or arbitrators, unless otherwise agreed upon or ordered.

d. Enforcement of Resolution. If the Parties agree to resolve any Claim through negotiation or mediation in accordance herewith and any Party thereafter fails to abide by the terms of such Agreement, or if the Parties agree to accept the Award following arbitration and any Party thereafter fails to comply with such Award, then any other

Party may file suit or initiate administrative proceedings to enforce such agreement or Award without the need to again comply with the procedures set forth herein. In such event, the Party taking action to enforce the agreement or Award shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs incurred in enforcing such agreement or Award, including, without limitation, attorneys fees and court costs.

50. Covenants to Run with Land. This Declaration and all the provisions hereof shall constitute covenants to run with the land or equitable servitudes, as the case may be, and shall be binding upon and shall inure to the benefit of Association, all other signatories hereto, all parties who hereafter acquire any interest in a Unit or in the Project, and their respective grantees, transferees, heirs, devisees, personal representative, successors, and assigns. Each Owner or occupant of a Unit shall comply with, and all interests in all Units shall be subject to, the terms of this Declaration and the provisions of any rules, regulations, agreements, instruments, supplements, amendments, and determinations contemplated by this Declaration. By acquiring any interest in a Unit in the Project, the party acquiring such interest consents to, and agrees to be bound by, each and every provision of this Declaration.

51. Interpretation. To the extent Utah law is consistent with this Declaration, such provisions shall supplement the terms hereof and are incorporated herein. The captions which precede the Articles and Sections of this Declaration are for convenience only and shall in no way affect the manner in which any provision hereof is construed. Whenever the context so requires, the singular shall include the plural, the plural shall include the singular, the whole shall include any part thereof, and any gender shall include both genders. The invalidity or unenforceability of any portion of this Declaration shall not affect the validity or enforceability of the remainder hereof.

52. Severance. If any part, term or provision of this Declaration is deemed to be illegal or in conflict with any local, state or federal laws, the rights and obligations of the parties shall be construed and enforced as if the Declaration did not contain such part, term or provision, and the remaining portions or provisions of this Declaration shall not be affected.

53. Government Lenders, Guarantors and Insurers. If any covenant, condition, restriction, part, term or provision of this Declaration is deemed to be inconsistent, incongruent or in conflict with (the "Inconsistent Provision") any condominium approval guidelines of the Department of Veterans Affairs (VA) pursuant to CFR, Title 38, 36.4357(b)(4) for the financing, insuring or the guaranty of the Property, or any part thereof (the "Required Provision"), and such financing, insuring or guarantying has been provided and is an issue, then the rights and obligations of the parties shall be construed and enforced as if the Declaration did not contain such Inconsistent Provision, and as if it did contain the Required Provision, which shall be and is hereby incorporated herein by this reference, anything to the contrary notwithstanding.

54. Effective Date. This Declaration, any amendment or supplement hereto, and any amendment or supplement to the Condominium Plat shall take effect upon its being filed for record in the office of the County Recorder of Salt Lake County, Utah.

ARTICLE I
PLAN OF UNIT OWNERSHIP AND INCORPORATION

1. Submission. These are the By-Laws referred to in the foregoing Declaration of Condominium of **ALBION VILLAGE CONDOMINIUM** (the "Declaration"), which is located in Salt Lake County, State of Utah. These By Laws shall govern the administration of the Project and the Association.

2. Organizational Form. If the Association is incorporated under the laws of the State of Utah, then these By-Laws shall also function and operate as the by-laws of the corporation.

3. Office and Registered Agent. The initial Registered Agent shall be Jason Johnson of 287 N. Robertson Lane, Springville, Utah 84663. However, after transfer of management and control of the Association is made by the Declarant to the members of the Association, the Registered Agent shall be the President of the Association and the Registered Office shall be the home of the President or such other place as shall be designated by him.

ARTICLE II
ASSOCIATION

1. Composition. The association of unit owners is a mandatory association consisting of all Owners.

2. Place of Meeting. Meetings of the Association shall be held at the principal office of the Association or at such other suitable place as may be designated by the Management Committee from time to time and stated in the notice of meeting.

3. Notice of Meeting. It shall be the duty of the Secretary to hand deliver or mail to each owner at his last known address, by regular U.S. mail postage prepaid, a notice of (a) each annual meeting of the Association not less than ten (10) and not more than thirty (30) days in advance of such meeting. The notice shall state the purpose, day, date, time and place of the meetings. The mailing of a notice of meeting in the manner provided in this Section shall be considered service of notice.

4. Qualified Voters. An Owner shall be deemed to be in "good standing" and "entitled to vote" at any meeting of the Association if he is in full compliance with all of the terms, covenants, and conditions of the Project Documents, and shall have fully paid his share of the Common Expenses and all Assessments and/or Additional Charges due.

5. Proxies. The votes appertaining to any Unit may be cast pursuant to a proxy or proxies duly executed by or on behalf of the Unit Owner, or in cases where the Owner is more than one person, by or on behalf of all such persons. Any proxy shall be void if it is not dated, if it purports to be revocable without notice, or if it is not signed by a person having authority, at the time of the execution thereof, to execute deeds on behalf of that person. Unless it expressly states otherwise, a proxy shall terminate automatically (a) if the Owner attends the meeting in person, (b) it is revoked in writing and written notice of the revocation is given to the Secretary of the Association prior to the meeting, and (c) upon the adjournment of the first meeting held on or after the date of that proxy. Each proxy must be filed with the Secretary of the Association prior to the meeting. Only individual Owners or the legal representative of an institutional Owner may be proxies.

6. Quorum Voting. Fifty-one (51.0%) percent of the members of the Association shall constitute a quorum for the adoption of decisions. If however, such quorum shall not be present or represented at any meeting, the Owners entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting and reschedule for a time no earlier than two days after the set time for the original meeting. No notice of such rescheduled meeting shall be required except an oral announcement at the meeting to be rescheduled. Those Owners present, either in person or by proxy, at the rescheduled meeting shall constitute a quorum for the adoption of decisions. When a quorum is present at any meeting, the vote of the Owners representing a majority of the members of the Association in person or by proxy, shall decide any question brought before the meeting. If the Declaration requires a fixed percentage of Owners to approve any action, however, that percentage shall be required anything to the contrary notwithstanding.

All Management Committee meetings shall be open to all voting members, but attendees other than members of the Management Committee may not participate in any discussion or deliberation unless a majority of a quorum requests that they be granted permission to speak. In such case, the President may limit the time any such individual may speak.

10.

10. Action May Be Taken Without A Meeting. Any action to be taken at the meeting of the Management Committee or any action that be taken at a meeting of the Management Committee may be taken without a meeting if a consent in writing, setting for the action so taken, shall be signed by all the members of the Management Committee. An explanation of the action taken shall be posted at a prominent place or places within the common areas with three (3) days after the written consents of all of the members of the Management Committee have been obtained.
