The Board or Committee shall consider and act upon any and all plans and specifications submitted for its approval under this Article and perform such other duties as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with plans approved by the Board or Committee. ARTICLE 5

REPAIR AND MAINTENANCE

5.1 Repair and Maintenance Rights and Duties of Association.

Subject to provisions in this Declaration pertaining to eminent domain and destruction of improvements, the Association shall paint, maintain, repair and replace the Common Area and all Dwelling or shall contract for such maintenance, repair and replacement to assure maintenance of such areas in good condition, reasonable wear and tear excepted. However, the Association shall not be responsible for or obligated to perform those items of maintenance, repair or improvement which are the responsibility of the Owners as provided in Paragraph 5.2 below. However, in the event an Owner fails to maintain his Dwelling or to provide other maintenance or repair as provided herein in a manner which the Board may notify the Owner of the work required and request it be done within sixty (60) days from the giving of such notice. In the event the Owner fails to carry out such maintenance within such period, the Board may cause such work to be done and may specially assess the cost thereof to such Owner and if necessary, lien his Unit for the amount thereof.

For the purpose of performing any maintenance, repair or replacement as authorized by this Article, or for purposes of making emergency repairs necessary to prevent damage to the Common Area or to other Dwellings, or for any other purpose reasonably related to the performance by the Board its responsibilities under this Declaration, the Association (and its agents and employees) shall have an irrevocable easement over and onto all portions of the Common Area and shall also have the irrevocable right, after reasonable notice to the Owner, and at reasonable hours, to enter any Lot and/or Dwelling.

ARTICLE 6

ASSOCIATION MAINTENANCE FUNDS AND ASSESSMENTS

6.1 Creation of the Lien and Personal Obligation of Assessments.

The Declarant, for each Unit owned within the Project hereby covenants, and each Owner of any Unit by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association the following Assessments, which shall be established and collected as provided herein and in the Bylaws of the Association:

6.1.1 Regular Assessments;

6.1.2 Extraordinary Assessments; and

6.1.3 Special Assessments.

All Assessments, together with interest, costs, penalties, and actual attorneys' fees shall be a charge and a continuing lien upon the Unit against which each Assessment is made. Each such Assessment, together with interest, costs, penalties, and actual attorney's fees, shall also be the personal obligation of the person who was the Owner of such Unit at the time when the Assessment fell due. No Owner of a Unit may exempt himself from liability for his contribution toward the Common Expenses by waiver of the use or enjoyment of any of the Common Area or by the abandonment of this Unit.

6.2 Purpose of Assessment.

The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of all the residents in the entire Project, for the improvement and maintenance of the Common Area and for the common good of the Project. The Regular Assessments shall include an adequate reserve fund for maintenance, repairs and replacement of those portions of the Common Area and the exterior and structural components of all Dwellings which must be replaced on a periodic basis.

6.3 Regular Assessment.

Until the end of the Association's fiscal year immediately following the closing of the sale of the first Unit in the Project, the annual maximum Regular Assessment per Unit shall be such amount as is set forth in the Project budget prepared by Declarant, payable in monthly installments. Each Unit's share for the first fiscal year shall also be prorated based on the number of months remaining in that fiscal year. Thereafter, the Board shall determine and fix the amount of the maximum annual

Regular Assessment against each Unit at least sixty (60) days in advance of the start of each fiscal year;

provided, however, that the maximum annual Regular Assessment may not be increased by more than twenty percent (20%) above the maximum annual Regular Assessment for the immediately preceding fiscal year, without the vote or written assent of a majority of the voting power of the Association.

6.4 Extraordinary Assessments.

In addition to the Regular Assessments authorized above, the Board may levy, in any fiscal year, an Extraordinary Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, or of any exterior or structural component of any Dwelling, or to defray any unanticipated or underestimated expense not covered by the Regular assessment (and, where necessary, for taxes assessed against the Common Area); provided, however, that the aggregate Extraordinary Assessments for any fiscal year shall not exceed ten percent (10%) of the budgeted gross expenses of the Association (excluding reserves) for that fiscal year, without the vote or written assent of a majority of the voting power of the Association.

6.5 Special Assessment.

In addition to the Regular and Extraordinary Assessments authorized above, the Board may levy Special Assessments (without limitation as to amount or frequency) against an individual Unit and its Owner to reimburse the Association for costs incurred in bringing that Owner and his Unit into compliance with the provisions of this Declaration and the Bylaws, including actual attorney's fees and costs.

6.6 Allocation of Assessments: Limited Exemption of Declarant.

Unit 1	20%
Unit 2	20%
Unit 3	20%
Unit 4	20%

Declarant and any other Owner of a Unit which does not include a completed Dwelling shall be exempted from the payment of that portion of any assessment which is for the purpose of defraying expenses and reserves directly attributable to the existence and use of such Dwelling. This exemption shall include, but shall not necessarily be limited to that portion of any Assessment attributable to roof replacement, exterior maintenance, exterior Common Area lighting, refuse disposal, domestic water, and other utilities supplied to completed Dwellings. This exemption shall be in effect only until a

certificate of occupancy or its equivalent for the Dwelling has been issued or until one hundred eighty (180) days after the issuance of a building permit for the Dwelling, whichever first occurs.

6.7 Date of Commencement of Assessment; Due Dates.

The Regular Assessments provided for herein shall commence as to all Units in the Project on the first day of the month following closing of the sale of the first Unit in the Project. Due dates of Assessment shall be the first day of every calendar month. No notice of such Assessment shall be required other than an annual notice setting forth the amount of the monthly Assessment.

6.8 Transfer of Unit by Sale or Foreclosure.

The sale or transfer of any Unit shall not affect any Assessment lien, or relieve the Unit from any liability therefor, whether the lien pertains to payments becoming due prior or subsequent to such sale or transfer. Notwithstanding the foregoing, the sale or transfer of any Unit pursuant to foreclosure or by deed in lieu of foreclosure of a recorded first mortgage given in good faith and for value shall extinguish the lien of all such Assessments as to payments which became due prior to such sale or transfer (except for Assessment liens arising prior to the recordation of the mortgage). Sale or transfer pursuant to mortgage foreclosure shall not, however, affect the personal liability of the Owner for unpaid Assessments. Any Assessments for which the liens are extinguished pursuant to this Paragraph shall be deemed to be Common Expenses collectible from all of the Units including the Unit for which the lien was extinguished. In a voluntary conveyance of a Unit, the grantee of the same shall be jointly and severally liable with the grantor for all unpaid Assessments by the Association against the latter up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. However, any such grantee shall be entitled to a statement from the Board, setting forth the amount of the unpaid Assessments due the Association, and such grantee shall not be liable for, nor shall the Unit conveyed by subject to a lien for, any unpaid Assessments made by the Association against the grantor in excess of the amount set forth in the statement; provided, however, the grantee shall be liable for any such Assessment becoming due after the date of any statement.

6.9 Enforcement of Assessment Obligation; Priorities; discipline.

If any part of any Assessment is not paid and received by the Association or its designated agent within ten (10) days after the due date, an automatic late charge of Ten Dollars (\$10.00) shall be assessed; thereafter all amounts delinquent shall bear interest at the rate of eighteen (18%) percent per annum until paid. Each unpaid Assessment shall constitute a lien on each respective Unit prior and superior to all other liens except (1) all taxes, bonds, assessments and other levies which, by law, would be superior thereto, and (2) the lien or charge of any first mortgage of record made in good faith and for value. Such lien, when delinquent, may be enforced by sale by the Association, its attorney or other person authorized by this Declaration or by law to make the sale, after failure of the

owner to pay such Assessment, in accordance with the provisions of Utah law applicable to the exercise of powers of sale in deeds of trust, or by judicial foreclosure as a mortgage, or in any other manner permitted by law. The Association, acting on behalf of the Unit Owners, shall have the power to bid for the Unit at the foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. The foreclosing party shall have the right to reduce or eliminate any redemption rights of the defaulting Owner as allowed by law. Suit to recover a money judgement for unpaid Assessments, rent and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same. The Board may impose reasonable monetary penalties including actual attorney's fees and costs, and may temporarily suspend the Association membership rights of a Unit Owner who is in default in payment of any assessment, after notice and hearing according to the Bylaws.

6.10 Payment of Taxes Assessed Against Common Area or Personal Property of Association

In the event that any taxes are assessed against the Common Area, or the personal property of the Association, rather than against the Units, said taxes shall be included in the Assessments made under the provisions of this Article, and, if necessary, an Extraordinary Assessment may be levied against the Units in an amount equal to said taxes (regardless of the limitation on Extraordinary Assessments set forth in Paragraph 6.4 above), to be paid in two (2) installments, thirty (30) days prior to the due date of each tax installment.

7.2 Encroachments and Utility Easements.

Each Unit within the Property is hereby declared to have an easement over all adjoining Units and the Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of any building, or any other cause. There shall be valid easements for the maintenance of said encroachments as long as they shall exist, and the rights and obligations of owners shall not be altered in any way by said encroachment, settlement or shifting; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners. In the event a structure is partially or totally destroyed, and then repaired or rebuilt. The Owners of each Unit agree that minor encroachments over adjoining Units or Common Area shall be permitted and that there shall be a valid easement for the maintenance of said encroachments so long as they shall exist.

Declarant also expressly reserves for the benefit of itself and its successors-in-interest and assigns, including the Association, easements over and under the entire Property (together with the right to grant and transfer the same) for the installation, repair, and maintenance of sanitary sewer, water, electric, gas, telephone, television, and other utility lines and services, as may be deemed appropriate to service the Project.

7.3 Owners' Rights and Duties With Respect to Utilities.

The rights and duties of the Owners of Units within the Project with respect to utilities shall be as follows:

7.3.1 Whenever sanitary sewer, water, electric, gas, television receiving, or telephone lines or connections, heating or air conditioning conducts, ducts, flues or other utility or service connections are located or installed within the Project, which connections, or any portion thereof, lie in or upon or beneath Lots or Dwellings owned by other than the Owner of a Dwelling served by said connections, the Owners of any Dwellings served by said connections shall have the right, and are hereby granted an easement to the full extent necessary therefor, to enter upon the Dwelling or to have the utility companies enter upon the Dwellings in or upon or below which said connections, or any portion thereof lie, to repair, replace and generally maintain said connections as and when necessary.

7.3.2 Whenever sanitary sewer, water, electric, gas, television receiving, or telephone lines or connections, heating or air conditioning conducts, ducts, flues or other utility or service connections are located or installed within the Project, which connections serve more than one Dwelling, the Owner of each Dwelling served by said connection shall be entitled to the full use and enjoyment of such portions of said connections as service his Dwelling.

7.3.3 In the even of a dispute between Owners with respect to the repair or rebuilding of said connections, or with respect to the sharing of the cost thereof, then, upon written request of one of such Owners addresses to the Association, the matter shall be submitted to the Board, which shall decide the dispute, and the decision of the Board shall be final and conclusive on the parties.

No noxious, illegal or offensive activities shall be carried on in any Dwelling, or in any part of the Property, nor shall anything be done thereon which may be or may become an annoyance or a nuisance to or which may in any way interfere with the quiet enjoyment of each of the Owners of his respective Dwelling, or which shall in any way increase the rate of insurance for the Project, or cause any insurance policy to be canceled or to cause a refusal to renew the same, or which will impair the structural integrity of any building.

8.3 Signs.

Signs advertising Units for sale or rent may be displayed on the Property without prior specific approval of the Board or the Architectural Committee, provided that such signs shall be of reasonable and customary size, shall be displayed only at such location or locations within the Common Area as shall comply with any and all local ordinances pertaining to signs. Except as expressly permitted by this Paragraph, no signs shall be displayed to the public view on any Dwelling or on any portion of the Property, unless first approved by the Board or the Architectural Committee and unless such signs comply with any and all local ordinances. control at all times. Any such dog shall be kept on a leash at all times that the dog is in the Common Area.

Owners shall prevent their pets from soiling any portions of the Common Area and in the event a pet does soil a portion of the Common Area, the Owner or person in control of such pet shall immediately clean up after the pet. The Board may enact reasonable rules respecting the keeping of animals within the Project and may designate certain areas in which animals may not be taken or kept. If, in the opinion of the Association, a specific pet or a group of pets become a general annoyance to other Unit owners, the Association may require that specific animals not be allowed on any part of the Property.

8.5 Garbage and refuse Disposal.

All rubbish, trash and garbage shall be regularly removed from the Property, and shall not be allowed to accumulate thereon. Trash, garbage and other waste shall not be kept except in sanitary containers. 8.6 Radio and Television Antennas.

No Citizens Band or other transmission shall be permitted on the Property.

8.7 Deck Maintenance.

No exterior clothes lines shall be erected or maintained and there shall be no outside laundering or drying of clothes. Declarant desires to maintain a high quality appearance for the Property. In that context, the Association may adopt rules from time to time regarding the maintenance of deck areas. These rules may place reasonable restrictions on the type of exterior patio furnishings placed on the decks. No deck may be used for the storage of equipment and personal belongings.

8.8 Power Equipment and Car Maintenance.

No power equipment, or car maintenance of any nature whatsoever (other than minor repairs requiring no more than twenty-four (24) hours work) shall be permitted on the Property except with prior written approval of the Board. 8.9 Window Covers.

Curtains and drapes (with a white lining), shutters or blinds of a neutral color may be installed as window covers, subject to the Board's absolute discretion. No window shall be covered with aluminum foil or similar material.

8.10 No Warranty of Enforceability.

While Declarant has no reason to believe that any of the restrictive covenants contained in this Article 8 or elsewhere in this Declaration are or may be invalid or unenforceable for any reason or to any extent, Declarant makes no warranty or representation as to the present or future validity and enforceability thereof and by acquiring the Unit agrees to hold Declarant harmless therefrom.

11.2 Prevent Declarant or its representatives from erecting, constructing and maintaining on any part of parts of the Property, such structures as may be reasonable and necessary for the conduct of its business of completing said work and establishing said Property as a residential community and disposing of the same in parcels by sale or other disposition; or

ARTICLE 12

RIGHTS OF MORTGAGEES

In order to induce various lenders and lending agencies to participate in the financing of Units within the Project, this Article 12 is included in this Declaration. To the extent these added provisions, pertaining to the rights of such lenders and lending agencies conflict with any other provisions of this Declaration or any other of the Project Documents, these added restrictions shall control. For purposes of this Article 12, the terms "Eligible Holder" and "Eligible Insurer Guarantor" refer to a Holder, Insurer or Guarantor of any first mortgage on a Unit, who has provided a written request to the Association, to be notified of any proposed amendment or action described in Paragraph 12.5 or Paragraph 12.6 below.

12.1 Notwithstanding any other provision of the Project Documents, no amendment or violation of the Project Documents shall operate to defeat or render invalid the rights of any mortgagee of a Unit made in good faith and for value, provided that after the foreclosure of any such mortgage, such Unit shall remain subject to the Project Documents.

12.2 Each first mortgagee of a mortgage encumbering any Unit, which obtains title to such Unit pursuant to judicial foreclosure or the powers provided in such mortgage, shall take title to such unit free and clear of any claims for unpaid Assessments or charges against such Unit which accrued after the time such mortgagee recorded its mortgage, and prior to the time such mortgagee acquires title to such Unit.

12.3 First mortgagees, upon written request, shall have the right to (1) examine the books and records of the Association during normal business hours; (2) require from the Association the submission of annual audited financial reports and other financial data; (3) receive written notice of all meetings of the Owners; and (4) designate, in writing, a representative to attend all such meetings.

12.4 Each Owner hereby authorizes the first mortgagee of a first mortgage on his Unit to furnish information to the Board concerning the status of the first mortgage and the loan which it secures.

12.5 Unit Owners shall have the right to amend the Project Documents, including this Declaration, according to their terms, subject to the rights of Eligible Holders to participate in the amendment process as provided in this Paragraph. Amendments of a "material nature" shall be agreed to by: (I) the Declarant (so long as there are two classes of voting power); and (ii) Unit Owners representing at least sixty-seven percent (67%) of the total votes in the Association (excluding votes residing in Declarant, so long as two classes of voting power exist). Additionally, approval must be obtained from Eligible Holders representing at least fifty-one percent (51%) of the votes of Units that are subject to mortgages held by Eligible Holders. An amendment to the Project Documents, including this Declaration, which changes any of the following, would be considered an amendment of a "material nature":

- [a] voting rights;
- [b] the method for establishing assessments, assessment liens, or subordination of assessment liens;
- [c] the method for establishing reserves for maintenance, repair and replacement of Common Area;
- [d] the responsibility for maintenance and repairs;
- [e] a reallocation of interests in the Common Area, or rights to its use;
- [f] the convertibility of Units into Common Area or vice-versa;
- [g] the requirement of insurance of fidelity bonds;
- [h] the right to lease Units;
- [i] the imposition of any restrictions on a Unit Owner's right to sell or transfer his or her Unit;
- [j] a decision by the Association to establish self-management when professional management had been previously required by an Eligible Holder;
- [k] the restoration or repair of the Project (after a hazard damage or partial condemnation) in a manner other than that specified in the Project Documents;
- [l] any action to terminate the legal status of the Project after substantial destruction or condemnation (when Unit Owners are considering termination of the legal status of the Project for reasons other than substantial destruction or condemnation, approval must be obtained from Eligible Holders representing at least sixty-seven percent (67%) of the votes of Units that are subject to mortgages held by Eligible Holders); or
- [m] any provisions that expressly name mortgage holders as the beneficiary of that provision.

12.6 If the Association determines that an addition or amendment to the Project Documents is not a material change, the approval of Eligible Holders shall be implied by the failure of an Eligible Holder to submit a response to a written proposal for an amendment within thirty (30) days after the proposal is made.

12.7 Each Eligible Holder and each Eligible Insurer or Guarantor is entitled to timely written notice of the following:

- [a] Any condemnation or casualty loss that affects either a material portion of the Project or the Unit securing its mortgage;
- [b] Any sixty (60) day delinquency in the payment of assessments or charges owed by the Owner of any Unit on which it holds the mortgage;
- [c] A lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

[d] Any proposed action that requires the consent of a specified percentage of Eligible Holders.

12.8 In addition to the foregoing, the Board shall have the power and authority, without the vote of the Association, to enter into such contracts or agreements on behalf of the Association as are required in order to satisfy the guidelines of any generally recognized federal agency of lending institution (e.g., FNMA, GNMA, FHA, VA, or the Mortgage Corporation), so as to allow for the purchase, guaranty or insurance, as the case may be, by such entities of first mortgages encumbering Units. Each Owner hereby agrees that it will benefit the Association and the membership of the Association, as a class of potential mortgage borrowers and potential sellers of their residential Units, if such agencies or lending institutions approve the Property as a qualifying Project under their respective policies, rules and regulations, as adopted from time to time.
