The failure of the Management Committee to exercise its authority under this Section shall not be grounds for any action against the Association or the Committee and shall not constitute a waiver of the Committee's right to exercise its authority under this Section in the future with respect to any expenses, including an expense for which the Committee has not previously exercised its authority under this Section.

- d) **Late Fees and Default Interest Rate.** Any Assessments delinquent for a period of more than ten (10) days shall incur a late charge of twenty five Dollars (\$25.00) or five percent (5%) of the delinquent amount, whichever is greater. Interest at the rate of one and one-half percent (1.5%) per month shall accrue on all delinquent accounts. The Committee may, in its sole discretion, change the amount of the late fee or default interest rate or waive late Assessments and accruing interest, but is not required to do so.
- e) **Foreclosure of Lien and/or Collection Action.** If any Assessments remain unpaid, the Association may, as determined by the Committee, institute suit to collect the amounts due, to foreclose the lien, or both.
- f) **Personal Obligation.** Each Owner, by acceptance of a deed or as a party to any other type of conveyance, vests in the Association or its agents the right and power to obtain a personal judgment against him for unpaid Assessments and Additional Charges, to foreclose the lien securing the debt in the same manner as mechanics liens, mortgages, trust deeds or encumbrances may be foreclosed, or both,

In any foreclosure or sale, the Owner shall pay the costs and expenses of such proceedings, including but not limited to the cost of a foreclosure report, reasonable attorney's assessments, and a reasonable rental for the Unit during the pendency of the foreclosure action. The Association in the foreclosure action may require the appointment of a receiver to collect the rental without regard to the value of the mortgage security. The Committee may bid for the Unit at foreclosure or other sale and hold, lease, mortgage, or convey the same.
- k) **Appointment of Trustee.** If the Committee elects to foreclose the lien in the same manner as foreclosures in deeds of trust, then the Owner by accepting a deed to the Unit hereby irrevocably appoints the attorney of the Association, provided he is a member of the Utah State Bar, as Trustee, and hereby confers upon said Trustee the power of sale set forth with particularity in Utah Code Annotated, Section 57-1-23 (1953), as amended. In addition, Owner hereby transfers in trust to said Trustee all of his right, title and interest in and to the real property for the purpose of securing his performance of the obligations set forth herein.

33. **Limitation on Improvements by Association.** Until the occurrence of the Events, neither the Association, Management Committee nor Unit Owners shall, without the written consent of Declarant, make any improvement to or alteration in any of the Common Areas and Facilities created or constructed by Declarant, other than such repairs, replacements, or similar matters as may be necessary to properly maintain the Common Areas as originally created or constructed by Declarant.

34. **Declarant's Rights Assignable.** All of the rights of Declarant under this Declaration may be assigned or transferred either by operation of law or through a voluntary conveyance, transfer or assignment. Any Mortgage covering all Units or Buildings in the Project title to which is vested in Declarant shall, at any given point in time and whether or not such Mortgage does so by its terms, automatically cover, encumber, and include all of the then unexercised or then unused rights, powers, authority, privileges, protection and controls which are accorded to Declarant (in its capacity as Declarant) herein.

35. **Working Capital Fund.** Working capital fund shall be established by the Declarant to meet unforeseen expenditures or to purchase any additional equipment or services. The initial working capital fund shall be in an amount equal to two (2) months of estimated common assessments for each Unit. Each-Unit's share of the working capital fund shall be collected either at the time the sale of any Unit is closed or when control of the Project is transferred to the Unit Owners, whichever first occurs. Any amounts paid into the working capital fund shall not be considered as advance payments of regular monthly assessments. The working capital fund shall be transferred to the Association for deposition to a segregated fund when control of the Association is transferred to the Unit Owners. The Declarant is prohibited from using the working capital fund to defray any of its expenses, reserve contributions, or construction costs or to make up any budget deficits while it is in control of the Association. When a Unit is sold, however, the Declarant may reimburse itself for monies it has paid the Association for an unsold Unit's share of the working capital fund by using funds collected at closing when the Unit is sold.

36. **Transfer of Management.** Anything to the contrary notwithstanding, Declarant may at any time relinquish its reserved right to select Members of the Committee, and to transfer management of the Project to the Association. If and when Declarant elects to do so, Declarant shall send written notification to each Owner of the effective date of the transfer (the "Transfer or

Transition Date") at least forty five (45) days prior thereto. Thereupon, the Owners shall call a meeting to elect the Members of their own Management committee to take office as of the Transfer Date. Declarant covenants to cooperate with the Owners in effecting an orderly transition of management. Moreover, Declarant shall cause all obligations for Common Area expenses of the Committee incurred prior to the Transfer Date to be paid in full on or before such date.

37. **Certain Provisions Applicable to Declarant.** Anything to the contrary notwithstanding, for so long as Declarant continues to own any of the Units in the Project, the following provisions shall be deemed to be in full force and effect, none of which shall be construed so as to relieve the Declarant from any obligations of an Owner to pay Assessments, except as herein otherwise provided.

- a) Declarant specifically disclaims any intent to have made any warranty or representation in connection with the Project or the Declaration except as specifically set forth herein or in any agreement for sale of a Unit, and no person shall rely upon any warranty or representation not so specifically made therein.
- b) No amendment may be made to the Declaration without the written consent of Declarant until the occurrence of the Events.

38. **Completion Obligation.** Declarant hereby covenants in favor of each Owner that within two (2) years from the date of any contract of sale:

- (a) **Units.** Each Unit which an Owner has contracted to purchase, the Building within which a Unit is contained or is to be contained, and the appurtenant Limited Common Area shall be substantially constructed, and ready for use or occupancy (as the case may be); and
- (b) **Common Area.** On the land submitted to the Declaration hereby or by any Supplemental Declaration, all planned amenities, landscaping, green space, sidewalks, parking facilities, roads, streets, fences, outdoor lighting, and utility lines and conduits adjacent to the Unit or Building in which a Unit is located, and necessary for its use shall be substantially completed.

39. **Expansion of the Project.**

- (a) **Reservation of Option to Expand.** Declarant hereby reserves the option to expand the Project to include additional Units in the Project. This option to expand may be exercised from time to time, at different times and in any order, without limitation, provided however, the option shall expire seven (7) years from the date following the first conveyance of a Unit in Phase A to a Unit purchaser after the effective date of this Declaration, unless sooner terminated by Declarant's recorded Waiver of such option, there being no other circumstances which will cause the option to expire prior to said seven (7) years. Such right may be exercised without first obtaining the consent or vote of Unit Owners and shall be limited only as herein specifically provided. Such Units shall be located on any or all portions of the Additional Property.

- (b) **Supplemental Declarations and Supplemental Maps.** Such expansion may be accomplished by the filing for record by Declarant in the office of the County Recorder of Salt Lake County, Utah, no later than seven (7) years from the date this Declaration is recorded, a Supplement or Supplements to this Declaration containing a legal description of the site or sites for new Units, together with supplemental Map-or Maps containing the same information with respect to the new Units as was required on the Map with respect to the Phase I Units. The expansion may be accomplished in phases by successive supplements or in one supplemental expansion.
- (c) **Expansion of Definitions.** In the event of such expansion the definitions used in this Declaration automatically shall be expanded to encompass and refer to the Project as so initially submitted under the Declaration, plus any Additional Land added to the Project by a Supplemental Declaration or by Supplemental Declarations, and reference to this Declaration shall mean this Declaration as so supplemented. All conveyances of Units after such expansion shall be effective to transfer rights in the Project, with additional references to the Supplemental Declaration and Supplemental Map. The recording in the office of the Salt lake County Recorder of a Supplemental Map incident to any expansion shall operate automatically to grant, transfer, and convey to the Owners of Units in the Project as it existed before such expansion the respective undivided interest in the new Common Areas added to the Project as a result of such expansion. Such recording shall also operate to vest hi any then mortgagee of any Unit in the Project as it existed, interest so acquired by the Owner of the Unit encumbering the new common Areas added to the Project as a result of such expansion.
- (d) **Declaration Operative on New Units.** The new Units shall be subject to all the terms and conditions of this Declaration and of a Supplemental Declaration, and the Units therein shall be subject to condominium ownership with all the incidents pertaining thereto as specified herein, upon recording the Supplemental Map and Supplemental Declaration in the said office of the Salt lake County Recorder.
- (e) **Right of Declarant to Adjust Ownership Interest in Common Areas.** Each deed of a Unit shall be deemed to irrevocably reserve to the Declarant the power to appoint to Unit Owners, from time to time, the .percentages in the Common Areas set forth in supplemental or Amended Declaration. The proportionate interest of each Unit Owner in the Common Areas after any expansion of the Project shall be an undivided interest of the Project as expanded. A power coupled with an interest is hereby granted to the Declarant, its successors and assigns, as attorney in fact to shift percentages of the Common Areas in accordance with Supplemental or Amended Declarations recorded pursuant hereto and each deed of a Unit in the Project shall be deemed a grant of such power to the Declarant. Various provisions of this Declaration and deeds and mortgages of the Units may contain clauses designed to accomplish a shifting of the common Areas. None of said provisions shall invalidate the other, but each shall be deemed supplementary to the other toward the end that a valid shifting of the Common Areas can be accomplished. Notwithstanding anything to the contrary herein, no change in the percentage of undivided interest in the

Common Areas may be effected more than seven (7) years following the first conveyance of a Unit in Phase I after the effective date of the Declaration.

Accordingly, upon the recording of a Supplemental Declaration and Supplemental Map incident to any expansion, the revised schedule of undivided interests in the Common Areas contained therein shall automatically become effective for all purposes and shall fully supersede any similar schedule which was contained in any declaration associated with any prior phase. In the event the provisions of the separate instruments relating to the Project conflict irreconcilably, the terms of that instrument which was recorded most recently shall control.

(f) **Other Provisions Concerning Expansion.** If the Project is expanded as hereinbefore contained, then it is further provided that:

- (1) All or any part of the Additional Land may be added to the Project without any limitations whatsoever save and except that all additional Units created must be restricted to multi family residential housing limited to one single family per Unit.
- (2) Portions of the Additional Land may be added to the Project at different times without any limitations.
- (3) Declarant shall have the right without further conveyance or documentation to build roads and access ways to the Additional Land through the easement areas as shown on the Map. The Association of Unit Owners shall not allow anything to be built upon or interfere with said easement areas.
- (4) No assurances are made concerning:
 - (a) The locations of any improvement that may be made on any portion of the Additional Land that may be added to the Project.
