9.2. Restriction on Leasing. No Owner shall lease or rent any Lot with a Residence thereon for transient or hotel purposes, nor shall any owner lease less than the entire Residence. If an Owner leases such Owner's Residence, then the lease shall include or be deemed to include a covenant on the part of the tenant substantially as follows: "Tenant agrees with the landlord and with and for the benefit of Declarant hereunder and all Owners that during the term of this lease, tenant and tenant's family and guests from time to time will use and occupy the premises and all parts of the Project in strict compliance with this Declaration, and all rules and regulations from time to time adopted by the Board as fully as if tenant were an Owner." The lease shall also provide that any failure by the lessee to comply with such terms shall constitute a default under the lease. As used in this section, the term lease shall include a lease, rental arrangement, license, or other arrangement for third-party use of a Lot and Residence.

9.3. Nuisances. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to any Owner within Project or to Declarant.

No trucks, buses, tractors, trailers, camping vehicles, boats, boat trailers, snowmobiles, mobile homes, two, three or four wheeled motor vehicles, or other wheeled vehicles shall be parked or stored on a Lot, unless completely enclosed in the garage, or parked in a Common Area, except for an area that may be designated by the Association for the parking of such vehicles. No automobile or other vehicle shall be parked on any Lot, unless completely enclosed in a garage, or parked in a Common Area unless it is in running condition, properly licensed and regularly used. Nothing herein contained shall prevent Declarant or its successors or assigns, from parking vehicles on the Project that are used in connection with the construction of any Residence or any improvements or amenities that are a part of the Project, provided such vehicles shall be parked at locations and at times that will not unreasonably interfere with Owners' use of their Lots or the Common Area, if any, or Master Association Property or will not create unreasonable risks to the residents of the Project.

9.5. Animals. No animals, livestock, or poultry of any kind shall be raised, bred or kept on any Lot, except that dogs, cats and other household pets may be kept provided that they are not kept, bred, or maintained for any commercial purposes. No dog, cat or other household pet shall be allowed to travel within the Project except when accompanied by an Owner and on leash or other appropriate restraint. Any household pet which shall become annoying or offensive to residences nearby shall be removed upon order of Declarant or the Board.

9.6. Signs. No sign of any kind shall be displayed to the public view on any Lot except one temporary sign of not more than five square feet advertising the Lot or home for sale, a political issue or candidate, or signs used by Declarant to advertise the Lot or Lots during any construction and sales period unless otherwise approved by the Board. Such obligation shall extend, but shall not be limited to, the painting, repair, replacement and care of roofs, gutters, downspouts, and exterior building surfaces. All landscaping, grass, trees and shrubs shall be maintained in a clean, safe, attractive and groomed condition.

9.9. No Hazardous Activities. No activities shall be conducted on any Lot and no improvements shall be constructed on any Lot which are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing, no firearms shall be discharged upon any Lot, and no open fires shall be lighted or permitted on any Lot except in a contained barbecue unit which is attended and in use for cooking purposes. Nothing shall be done or kept on a Lot that would result in an increase in the cost of insurance on the Project, or that would result in the cancellation of insurance with respect to all or any part of the Project, or that would be in violation of any governmental law, ordinance, or regulation.

9.10. Fence Restrictions. All fences must comply with applicable ordinances of the Town of Saratoga Springs and must be approved by the ACC and, if the Architectural Committee requires it, by the Architectural Committee prior to construction. Unless the ACC or the Architectural Committee establish rules to the contrary, the following rules shall govern fences within the Project. Fences may be constructed or placed in back and side yards provided that all fences shall meet the requirements herein provided. No fence shall exceed six feet in height. Front yard fences are generally not allowed except with the approval of the ACC and the Architectural Committee. Fences must be constructed of material approved by the Architectural Committee and the ACC. The ACC and the Architectural Committee may refuse to approve any fence, especially including those to be placed on corner Lots that, that the ACC or the Architectural Committee believes will be detrimental to the aesthetics of the Project or will be detrimental to the residents of the Project.

X. ARCHITECTURAL CONTROL

10.1. Architectural Committee. The Board may appoint a three-member Architectural Committee, the function of which shall be to insure that all improvements and landscaping within the property harmonize with existing surroundings and structures. The Committee need not be composed of Owners. If such a Committee is not appointed, the Board itself shall perform the duties required of the Architectural Committee or the Board may elect to have all architectural review of the Project be done solely by the ACC as provided in Section 10.9 hereof.

10.2. Submission to Architectural Committee. No permanent or temporary Residence, Building or Improvement or additions or improvements thereto and no landscape additions and changes shall be constructed or maintained, and no alteration, repainting, or refurbishing of the exterior of any Building or Improvement, nor of any court enclosure, except as herein otherwise mentioned, shall be performed, unless complete plans and specifications therefor have first been submitted to and approved by the Architectural Committee unless the Board has determined to not have a functioning Architectural Committee for the Project. All such plans and specifications shall be consistent with any Architectural Guidelines which may be from time to time adopted by the Board. The Board may also adopt a schedule of fees to be paid with the submittal of plans and specifications. Plans and specifications for the construction and installation of any and all improvements within the Project shall be submitted and approved by the Architectural Committee prior to submittal to any required governmental agency.

10.3. Standard. In deciding whether to approve or disapprove plans and specifications submitted to it, the Architectural Committee shall use its best judgment to insure that all improvements, construction, landscaping and

alterations on Lots within the Property conform to and harmonize with existing surroundings and structures and that such proposed improvements enhance the value and aesthetics of the Project.

10.4. Approval Procedure. Any plans and specifications submitted to the Architectural Committee shall be submitted in the form provided by the Committee and in triplicate. The architectural review fee set by the Board shall accompany the submittal of plans and specifications. Upon completion of each review, one set of plans will be retained by the Association, one set will be retained by the reviewing architect (if any) and the remaining set of plans will be returned to the Owner. All plans and specifications shall be approved or disapproved by it in writing within 30 days after submission. In the event the Architectural Committee fails to take any action within such period it shall be deemed to have approved the material submitted.

10.5. Bond/Security Deposit. The Architectural Committee may require that an Owner post a bond, cash security or deposit or other security in a form satisfactory to the Architectural Committee, in an amount or value of not to exceed \$1,000.00, in favor of the Association, as a condition to approving any proposed work or improvement. No person shall commence any work or improvement until any such deposits have been properly posted with the Architectural Committee. The deposit may be used to assure the proper clean-up of dirt and debris and the repair of any damage to the landscaping, streets or other property within the Project caused by Owner or his agents in the construction of improvements.

10.6. Construction. All construction of approved Buildings and Improvements shall be subject to the following requirements:

10.6.1. Once begun, any improvements, construction, landscaping, or alterations approved by the Architectural Committee and/or ACC shall be diligently prosecuted to completion.

Owners and builders shall clean up all trash and debris on the construction site and all trash and debris shall be removed from each construction site at least once a week to a dumping location off-site of the development. Lightweight material, packaging and other items shall be covered or weighted down to prevent wind from blowing such materials off the construction site. Owners and builders are prohibited from dumping, burying or burning trash anywhere on the lot. During the construction period, each construction site shall be kept neat and all materials shall be promptly removed from public or private roads, open spaces and driveways.

10.6.3. Construction crews shall not park on, or otherwise use, other lots or any open space. All construction vehicles and machinery shall be parked only in areas designated by the Architectural Committee and or ACC.

The foregoing provisions of this Article X shall not apply to any construction of Residences, Buildings or Improvements or landscaping, or the alteration thereof, which is carried out by Declarant on any Lot or on any part of the Master Association Property and Common Areas, if any, and which occurs while Declarant is a Class B Member of the Association.

10.9. Application of Master Declaration Architectural Control Provisions. The architectural control provisions of the Master Declaration shall apply to all Lots in the Project and unless the Master Association shall have delegated to the Architectural Committee the ACC's authority to approve construction or modification of Buildings and Improvements, all such Buildings and Improvement must also be approved by the ACC as provided in the Master Association Documents. The Board may, at its discretion, waive the application of the Architectural Control provisions of this Declaration, in which event, the ACC shall be solely responsible for architectural control in the Project.

11.1. Requirements for Association Insurance. Unless the Project is covered adequately by the Master Association's insurance, the Association shall obtain and maintain at all times insurance of the type and kind provided herein and insurance for such other risks, of a similar or dissimilar nature, covering the Common Area, if any, and the facilities and improvements on the Common Area as are or shall hereafter customarily be covered with respect to other properties similar to the Project in construction, design and use. 11.1.6. Such policies shall provide that coverage shall not be prejudiced by (i) any act or neglect of the individual Owners or their respective lessees, employees, agents, contractors or guests; or (ii) by failure of the Association to comply with any warranty or condition with regard to any portion of the premises over which the Association has no control; and

11.1.7. The insurance coverage shall provide that coverage may not be canceled or substantially modified (including cancellation for non-payment of premium) without at least ten days prior written notice to any and all insureds named thereon, including all Mortgagees of the Residences.

The limits in coverage of said liability policy or policies shall be reviewed at least annually by the Board and increased at its discretion. Said policy or policies shall be issued

on a comprehensive liability basis and, if possible, shall provide cross-liability endorsements for possible claims of any one or more or group if insured, without prejudice to the right of a named insured under the policies to maintain the action against another named insured.

11.4. Fidelity Bond. There may be obtained a blanket fidelity bond for anyone who handles or is responsible for funds held or administered by the Association. The amount of the bond shall not be less than the greater of (i) the sum of three months assessments on all units plus the associations reserve funds; (ii) the maximum funds that will be in the Association's hands; or (iii) 150 percent of the estimated annual operating expense of the Association, including reserves. The bond must state that at least ten days written notice will be given to the Association or its insurance trustee to each Mortgagee and Mortgage servicer prior to the cancellation or substantial modification for any reason.

11.5. Officer and Director Insurance. The Association may purchase and maintain insurance on behalf of any member of the Board of Directors, Officer, or member of a committee of the Association (collectively the "Agents") against any liability asserted against or incurred by the Agent in such capacity or arising out of the Agent's status as such, whether or not the Association would have the power to indemnify the Agent against such liability under applicable law.

12.7. Restrictions on Other Changes. Without the prior written approval of at least seventy-five percent of the Mortgagees holding first Mortgages on Lots within the Project, neither the Association nor the Owners shall:

In addition to the foregoing provisions of this Article, the Board may enter into such contracts and agreements on behalf of the Association as are required in order to satisfy the guidelines of FHLMC, FNMA, GNMA, FHA, VA or any similar entity, so as to allow for the purchase, guaranty or insurance, as the case may be, by such entity of mortgages encumbering Lots within Improvements thereon. 13.3. No Waiver. The failure of the Declarant, the Association, the Board or any of their contractors to insist, in one or more instances, upon the strict performance of any of the terms, covenants, conditions, or restrictions of this Declaration or the Bylaws, or to exercise any right or option herein contained, or to serve any notice or to institute any action shall not be construed as a waiver or a relinquishment, for the future, of such term, covenant, condition or restriction; but such term, covenant, condition or restriction shall remain in full force and effect. The receipt and acceptance by the Association or its contractor of the payment of any assessment from an Owner, with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach, and no waiver by the Association or the Board of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Association.

13.4. Amendment. 13.6.3. Except as provided in the following sentence, any change in ownership of a Lot which occurs after consent has been obtained from the Owner thereof shall not be considered or taken into account for any purpose. A change in ownership which would otherwise result in an increase in the total number of Class A votes outstanding shall, however, be effective in that regard and shall entitle the new Owner to give or withhold his consent.

13.6.4. Unless the consent of all Members whose memberships are appurtenant to the same Lot are secured, the consent of none of such Members shall be effective.

13.7. Declarant's Sales Program. 13.7.3. To use the Common Area and facilities of the Project to entertain prospective purchasers or to otherwise facilitate Residence sales, provided said use is reasonable as to both time and manner.
