Such assessments and other amounts shall be the personal obligation of (a) the person who was the owner of such property at the time when the assessments were fell due and (b) successors-in-title who took title when assessments were delinquent.

4.2. Purpose of Assessments. The assessments levied by the Association shall be used by the Association for the improvement, maintenance, repair, and preservation of the landscape easement on the Property. At the time of this Declaration, the only common area is a landscape easement across entry property. However, Developer reserves the right to add other common areas in future phases. The assessments must provide for but are not limited to, the payment of taxes on Association property and insurance maintained by the Association; the payment of the cost of repairing, replacing and maintaining the landscape easement on the Property, or other common areas that may be added in future phases; the payment of administrative expenses of the

Association; insurance deductible amounts; the establishment of a reserve account for repair, maintenance and replacement of the landscape easement areas which must be replaced on a periodic basis; and other amounts required that the Trustees shall determine to be necessary to meet the primary purposes of the Association.

4.3. Special Assessments for Capitol Improvements. In Addition to the annual assessments, the Association Board may levy in any assessment year a special assessment applicable to that year only. Special assessments may only be levied to defray, in whole or in part, the cost of any construction, reconstruction, repair or replacement of the landscape easement areas, or other common areas that may be added in the future

4.4. Uniform Rate of Assessment; Periodic Assessment. Assessments must be fixed at a uniform rate of all Lots; provided, however, that assessments shall not accrue against the Developer of Lots owned by the Developer, or Developer's assigns who hold the lots in the same position as Developer, for resale to the public. The obligation of the Developer (or his assigns as Developer) shall be limited to subsidizing the operating needs of the Association until assessments from lot owners (other than the Developer) shall meet the operating needs of the Association. Developer shall not be responsible for funding reserves as a part of this subsidy obligation.

4.5. Date of Commencement of Annual Assessments; Due Dates The assessment provided for herein shall commence to accrue on the first day of the month following conveyance to a purchaser. The first assessment shall be adjusted according to the number of months remaining in the calendar year.

At least thirty (30) days prior to the commencement of each new assessment period, the Trustees shall send or cause to be sent a written notice of the annual assessment to each owner subject thereto. This notice shall not be a pre-requisite to validity of the assessment.

The assessment due dates shall be established by the Trustees.

The Trustees shall prepare a roster of the properties and the assessments applicable thereto at the same time that it shall fix the amount of the assessment, which roster shall be kept by the Treasurer of the Association, who shall record payments of assessments and shall allow inspection of the roster by any member at reasonable times.

The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. Such certificates, when properly issued, shall be conclusive evidence of the payment of any assessment or fractional part thereof which is therein shown to have paid.

4.6. Effect of Non-payment of Assessment – Remedies of the Association. Any assessment or installment thereof not paid within thirty (30) days after the due date therefor shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Trustees shall set by resolution) until paid. In addition, a late fee of \$25.00 for each delinquent installment shall be imposed.

The Trustees may, in the name of the Association, (a) bring an action at law against the owner personally obligated to pay any such delinquent assessment without waiving the lien of assessment, or (b) may foreclose the lien against the property in accordance with the laws of the State of Utah applicable to the exercise of powers of sale in deeds of trust or to the foreclosure of mortgages, or in any other manner permitted by law, and/or (c) may restrict, limit, or totally terminate any or all services performed by the Association in behalf of the delinquent member.

There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and a reasonable attorney's fee.

A power of sale is hereby conferred upon the Association, which it may exercise. Under the power of sale the Lot of an owner may be sold in the manner provided by Utah law pertaining to deeds of trust as if said Association were beneficiary under a deed of trust. The Association may designate any person or entity qualified by law to serve as Trustee for purposes of power of sale foreclosure.

No owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the common areas or by abandonment of the Lot.

4.7. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage held by an institutional lender. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof, shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale of transfer, however, shall relieve a Lot or owner from personal liability for assessments coming due after he takes title or from the lien of such later assessments.

4.8. Books, Records and Audit. The association shall maintain current copies of the Protective Covenants, Articles, Bylaws, Rules and other similar documents, as well as its own books, records and financial statements which shall all be available for inspection by Lot owners and insurers as well as by holders, insurers and guarantors of first mortgages during normal business hours upon reasonable notice. Charges shall be made for copying, researching or extracting from such documents. A Lot owner or holder, insurer or guarantor of a first mortgage may obtain an audit of Association records at its own expense so long as the results of the audit are provided to the Association.

ARTICLE 6 – DURATION, ENFORCEMENT, AMENDMENT

6.1. Duration of Restrictions: The covenants and restrictions contained herein shall run with and bind the land for a period of fifty (50) years from the date this document is recorded, after which time said covenants shall be automatically extended for successive periods of ten (10) years each, subject to amendment as herein set forth. Until the Developer or its designee ceases to act as the Architectural Control Committee, the covenants and restrictions contained herein may be modified, amended or repealed in whole or in part at any time and from time to time by the Developer or his successor or assigns by recorded instrument.

6.2. Amendment: Upon completion of the Development Phase, the covenants and restrictions contained herein may be amended by a recorded instrument signed by no less than the owners of seventy-five (75%) of the number of Lots, provided that all signatures must be notarized and obtained within a 180 day period. After the Developer or its designee ceases to act as the Architectural Control Committee, written notice of any such proposed amendment shall be sent to every owner of any Lot, part or portion of the Property at least 30 days in advance.

6.3. Notices: Any notice required under the provisions of this document to be sent to any Lot owner shall be deemed to have been properly sent when mailed, postage prepaid, to last known address of such owner.

6.4. Construction and Severability: All of the restrictions, covenants and conditions contained in this document shall be construed together. Invalidation of any one of said restrictions, covenants or conditions, or any part thereof, shall not affect the enforceability or applicability any of the remaining restrictions, covenants or conditions, or parts thereof.

6.5. Violation Constitutes Nuisance: Every act or omission whereby any restriction, covenant or condition in this document set forth is violated in whole or in part, is declared to be and shall constitute a nuisance, and may be abated by appropriate legal action by the Developer, the Association, or a Lot owner or owners. Remedies hereunder shall be deemed cumulative and not exclusive.

6.6. Enforcement: Each and all of the restrictions, covenants, and conditions contained in this document is and are for the benefit of the Developer, the Association and of the Lot owner or owners from time to time of any Lot, part or portion of the Property. Each such restrictive covenant and condition shall inure to the benefit of and pass with each and every Lot, part or portion of the Property and shall apply to and be binding upon each and every successor in interest. Said restrictions, covenants and conditions are and shall be deemed covenants of equitable servitude, and the actual or threatened breach thereof, or the continuance of any such breach, or compliance therewith, may be enforced, enjoined, abated, or remedied by appropriate proceedings at law or in equity by the Developer, the Association, or a Lot owner or owners; provided, however, that no such breach shall affect or impair the lien of any bona fide mortgage or trust deed which shall have been given in good faith and for value, except that any subsequent owner of said Lot, part or portion of the Property shall be bound and obligated by the said restrictions, covenants and conditions, whether such ownership is obtained by foreclosure, at a trustee's sale, or otherwise. The Architectural Control Committee May levy a fine or penalty not to exceed 50% of the amount of the maximum annual assessment against any owner who fails to refrain from violation of these covenants or a rule of the Association, after three (3) days written notice, and opportunity for hearing. A fine may be levied for each day of a continuing violation. All attorneys fees and costs incurred in any such action, and all expenses incurred and any fines levied, shall constitute a lien on such a Lot owner's Lot, and shall also be a personal obligation of said Lot owner, enforceable at law, until such payment therefore is made.

6.7. Right to Enforce: The provisions contained in these covenants shall bind and inure to the benefit of and be enforceable by Developer, the Association or a Lot owner or owners, and

each of their legal representative, heirs, successors and assigns, and failure to enforce any of said restrictions, covenants, or conditions shall in no event be deemed a waiver of the right to do so thereafter.

6.8. *Assignment of Powers*: any and all rights and power of the Developer herein contained may be delegated, transferred or assigned. Wherever the term "Developer" is used herein, it includes Developer and its successors and assigns.

ARTICLE 7 – RIGHTS OF FIRST MORTGAGEES
